

## Chapter 87 - Bulma (2) +18

Nahida was speechless. Bulma gave him a mischievous smile.

As if she wasn't feeling the least bit embarrassed, Bulma stroked Nahida's pants. Nahida didn't hold back and let her continue stroking him.

It felt really good, even though she was touching him over his pants.

"Do you like this?" Bulma asked.

"..." Nahida didn't answer and stole her lips. This time, he used his tongue, leaving Bulma surprised. She stopped touching Nahida's cock and hugged him tightly while receiving his kiss.

Nahida thought it was cute how Bulma clumsily moved her tongue.

Haaa~~ Haaaa~~ When their lips parted, Bulma was panting. She was drooling.

"Do you want to stay here, or do you want to go to bed?" Nahida brought his hand to Bulma's ass. She stared at him for a few seconds before answering.

"It doesn't matter..." She looked away, embarrassed. Nahida thought, 'Wow, she's cute!' And he picked her up. "WAAA~~" Bulma shouted, surprised when Nahida picked her up, waking the guests in the next room.

Bulma protected her mouth with her hands.

"I'm sorry." She said. Nahida just smiled at her and walked over to the bed. He laid her on the bed and climbed on top of her, placing her against the bed and looking into Bulma's eyes.

Bulma's heart started racing, and she continued to breathe heavily.

"Are you scared?" Nahida asked.

"I'm not scared... I'm just..."

"Don't worry, I'm not going to hurt you."

"I told you I'm not-" Nahida stole Bulma's lips again before she had finished speaking. And with his hand, he began to touch Bulma's belly directly, under her transparent dress.

Bulma felt her body tremble as Nahida's warm hand touched her.

Nahida's hand caressed her body until it reached her breasts. When Nahida's hand touched her breast, Bulma parted her lips from Nahida's and let out a weak moan with watery eyes.

"Did it hurt?"

"It didn't hurt. I was just surprised... It feels good; I feel good when you touch me." Hearing this, Nahida continued to touch her. He took turns between her two breasts, which were of medium size.

He stroked until Bulma's nipples were fully erect. It didn't take long, as Bulma was already aroused before Nahida even started touching her.

Nahida felt Bulma's nipples harden with the palm of his hand.

Haa~~

Hm~~

Nha~~

Every time Bulma's nipple was stroked with his hand, she let out a soft moan that tickled Nahida's ear. His cock, which had been hard before, now seemed about to explode.

Nahida removed Bulma's transparent dress and her bra, which had already been practically removed. He left her in just her panties. When Nahida saw Bulma's exposed breasts, he couldn't stand it and swallowed them into his mouth.

Nahida used her tongue to play with Bulma's nipple. She wasn't familiar with the sensation, so when Nahida touched her, she went crazy with the "lightning" that ran through her body.

Whenever Nahida moved her tongue and sucked on her nipple gently, the "lightning" that struck Bulma's body was making her crazier and crazier and her pussy wetter and wetter.

Nahida realized that she was sensitive and close to cumming, so he stopped.

"Why did you stop? I was close..." Bulma said weakly.

"Isn't it unfair that only you are feeling well?" Nahida partially pulled down his pants and showed Bulma his hard cock. Her eyes widened as it was the first time she had seen a cock in person.

She felt like touching it but held back. She was too curious.

"..." Bulma looked away, pretending she didn't feel like playing with Nahida's cock.

"Come on, there's no need to be embarrassed." Nahida stood on the bed and approached Bulma, placing his cock right in front of her face. Bulma's face turned even redder, and she turned forward.

She smelled Nahida's cock and saw the pre-cum that was coming out.

'I thought the smell would be worse... It's a good smell...' Bulma thought.

"You can touch it if you want."

"Touch it? With my hand?"

"You've never done anything like this, so I'll teach you. Take your hand and hold it." Bulma raised her hand and lovingly held Nahida's cock. "Start moving your hand slowly back and forth."

"I've seen this before in videos..." Bulma spat on her hand without Nahida telling her to. She began to masturbate him, stroking the head of his cock. Bulma's hot saliva was making Nahida horny.

The sight of Bulma staring at his cock and stroking it while keeping her breasts exposed was too much for him.

'What happens if I put it in my mouth? I've seen women do that before. I wonder what it tastes like...' Bulma thought.

She stared at Nahida's cock for a few seconds and then opened her mouth. She slowly slipped it into her mouth while Nahida stared at her in surprise. When Bulma had part of Nahida's cock in her mouth, she closed her eyes.

'It tastes strange...' She kept her eyes closed as she moved her tongue around and analyzed the taste of Nahida's cock.

But suddenly.

"!!!"
