Alright class, your assignment is to find the differences between body and mind.

$$E=mc^2$$

$$\sqrt{\frac{\sum(x_i - \bar{x})^2}{n-1}}$$

$$P_2(V_1 - V_2)$$

$$V_1 = - \left(\frac{P_1}{P_2} \right)$$

$$\Delta' \theta = \frac{d\theta}{dt}$$

$$Q_2 = \frac{dQ}{dt}$$

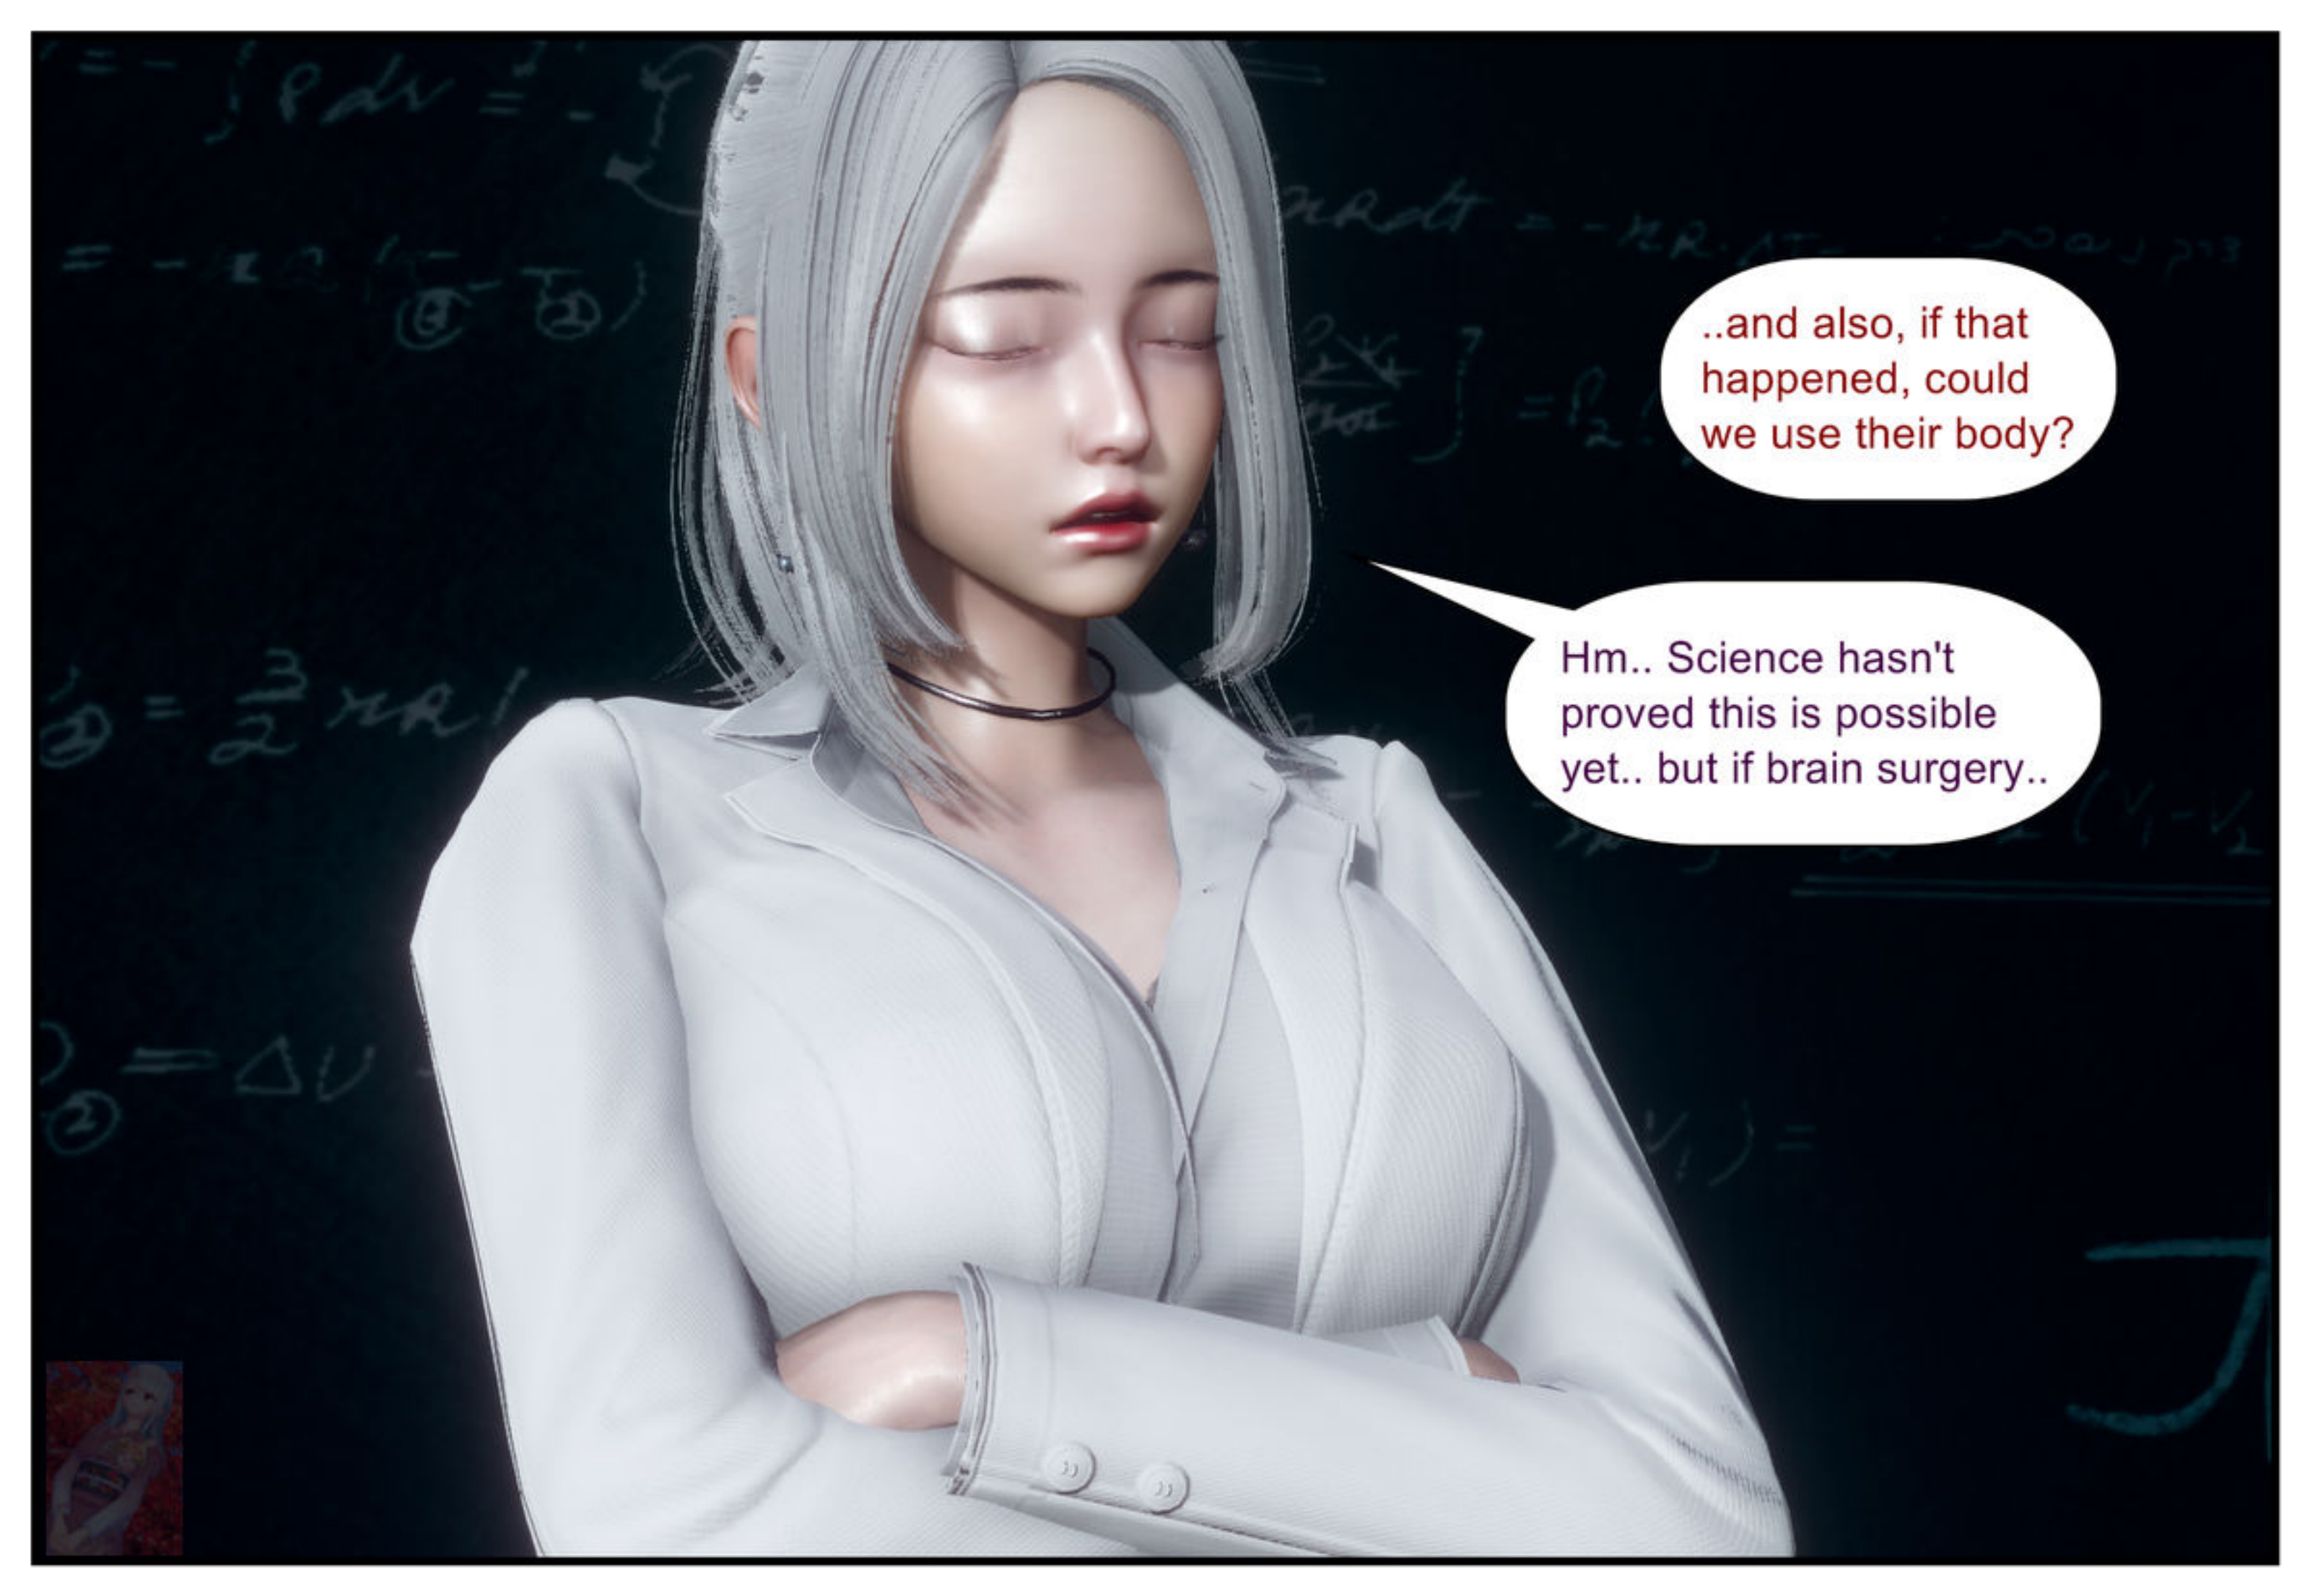

Class end.. Oh?
Kyoko? Is there
any questions?

Yes, Professor!
About today's lesson..

I just wonder if we
can transfer our
mind to other body?

..and also, if that happened, could we use their body?

Hm.. Science hasn't proved this is possible yet.. but if brain surgery..

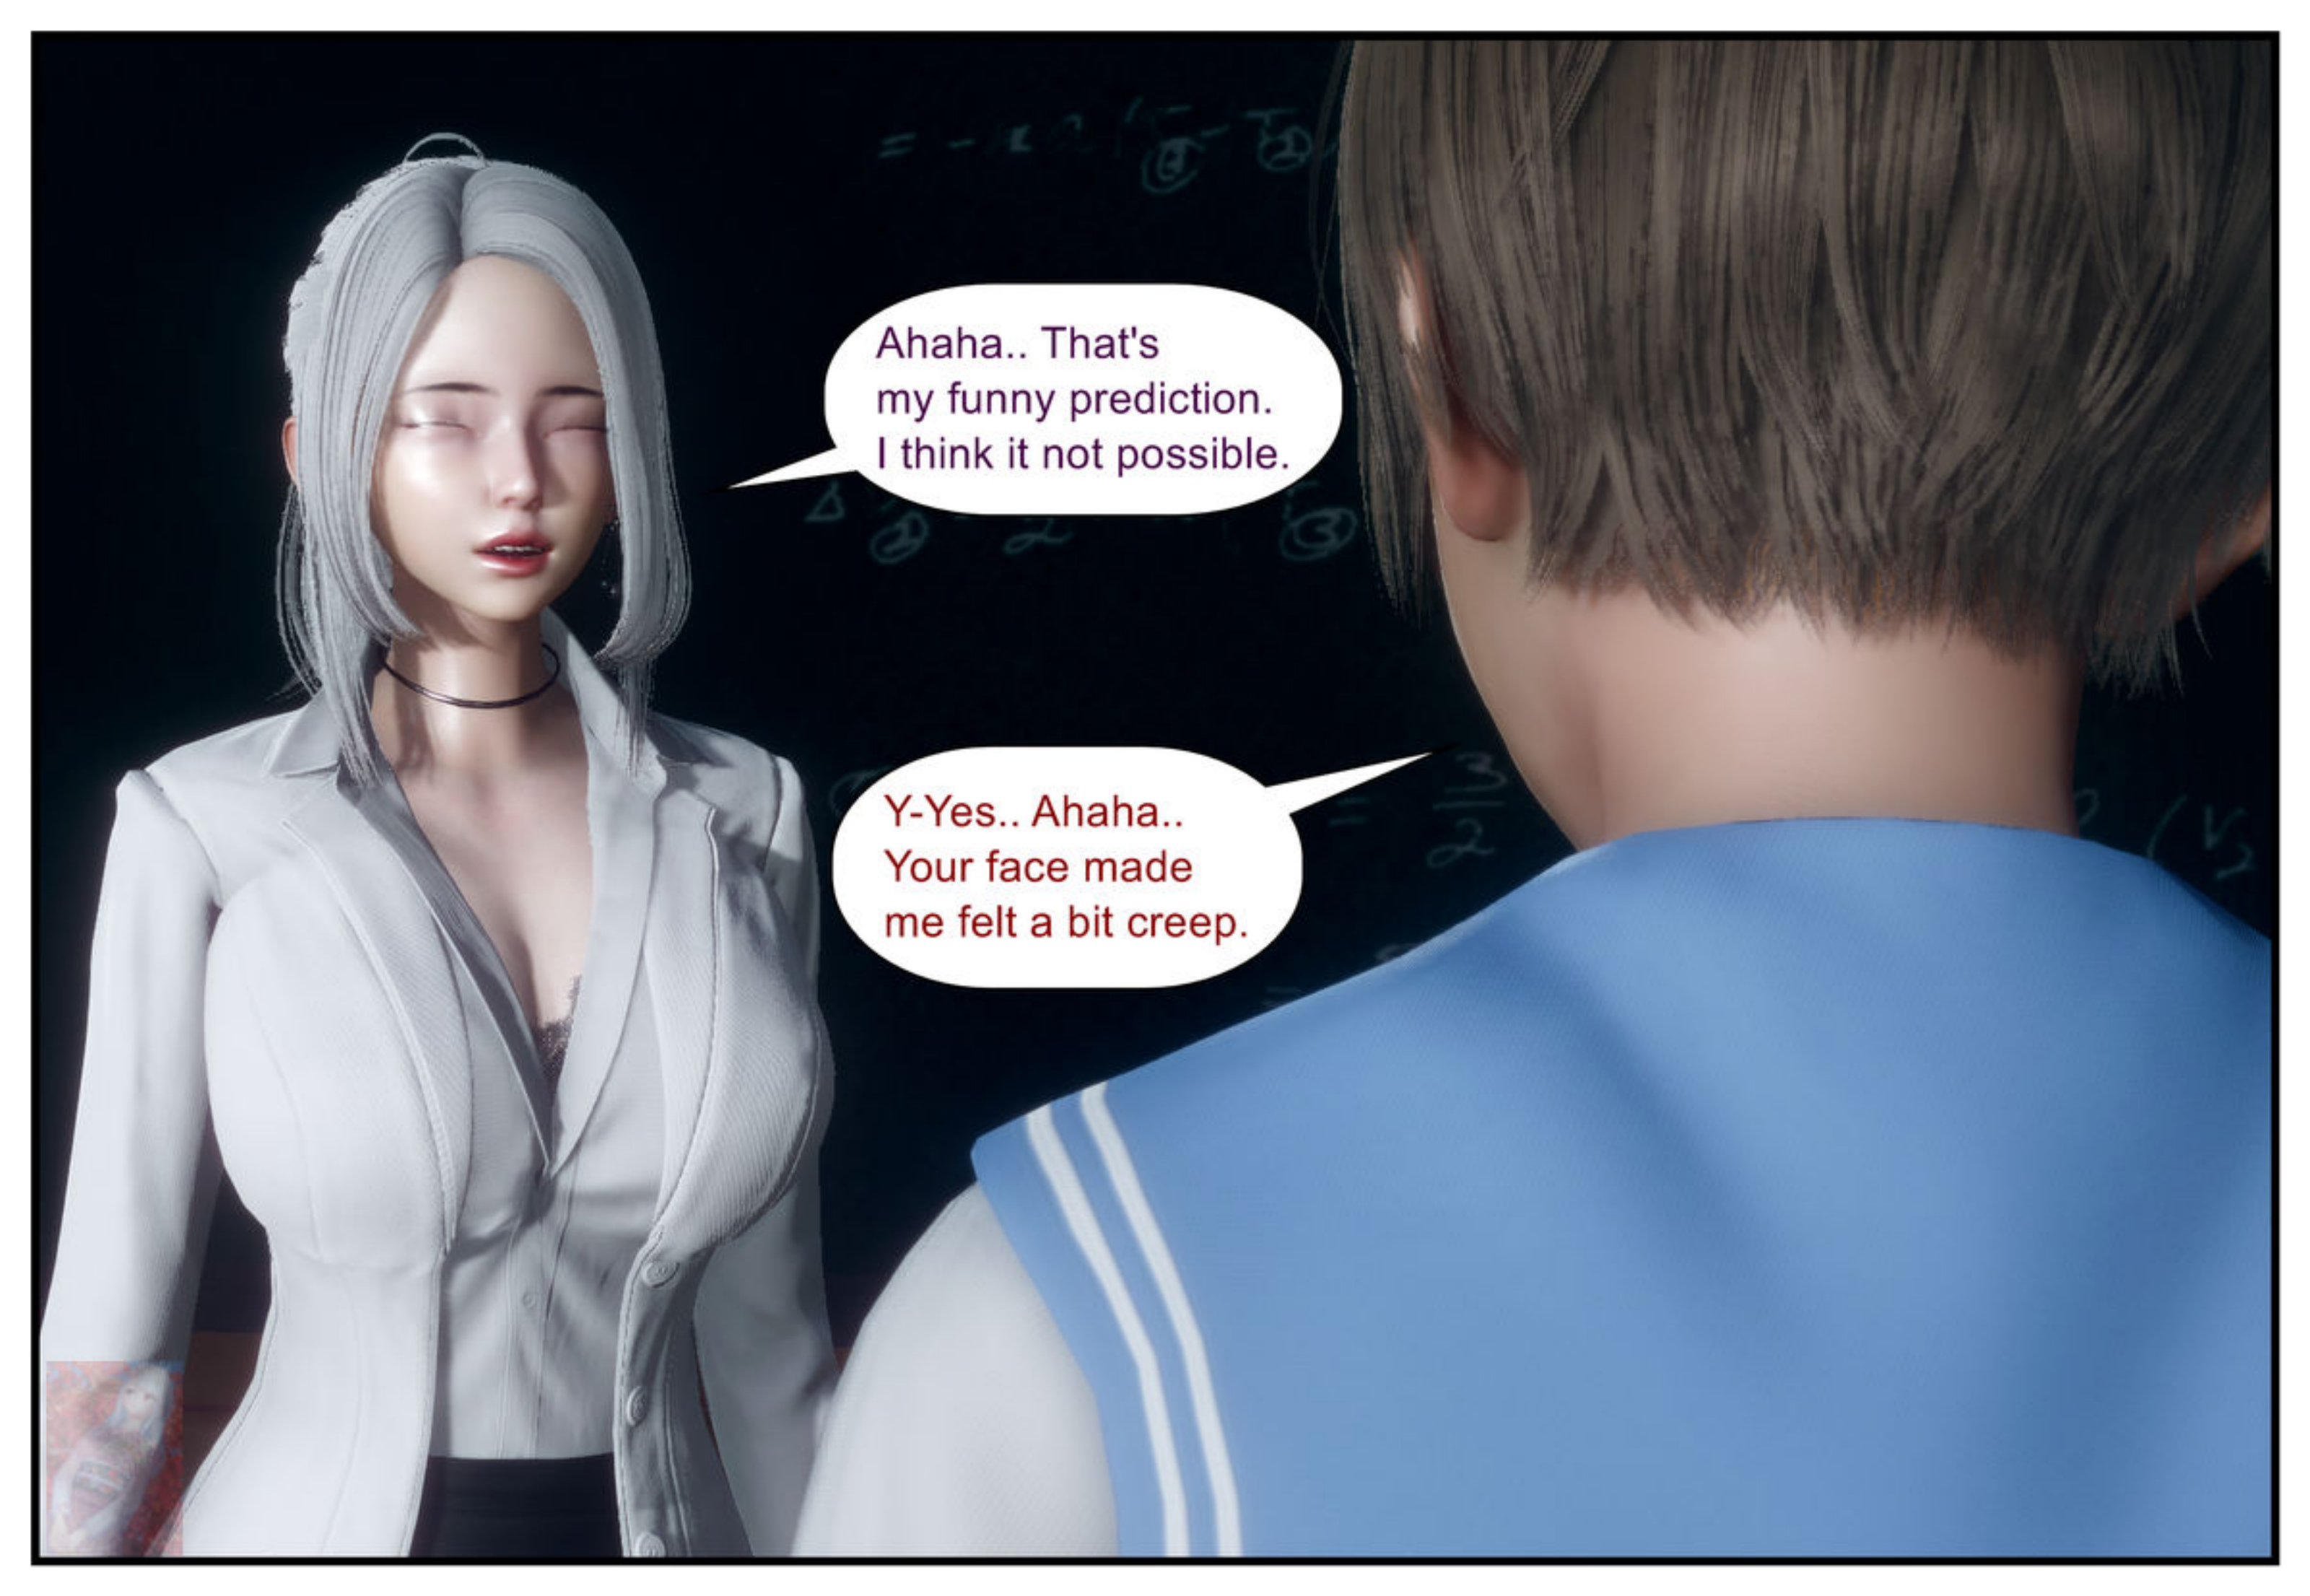

..nothing is impossible
but some people only
stick with sciences..

MC²

..or like.. spirit can even haunt a body and control it?

Ahaha.. That's
my funny prediction.
I think it not possible.

Y-Yes.. Ahaha..
Your face made
me felt a bit creep.

A young woman with short brown hair and a black hair clip is shown in a close-up. She is wearing a white sailor-style school uniform with a blue collar and white stripes. Her eyes are closed, and her hand is resting against her chin in a pensive or distressed pose. The background is a blurred indoor setting with vertical lines, possibly a window or door frame.

"Hm.. Brain transfer..
Spritual.. Haunted.."

You seem pretty
interest in today
lesson? Best
student of the year?

Ah.. Chiaki. Well..
I wonder something..

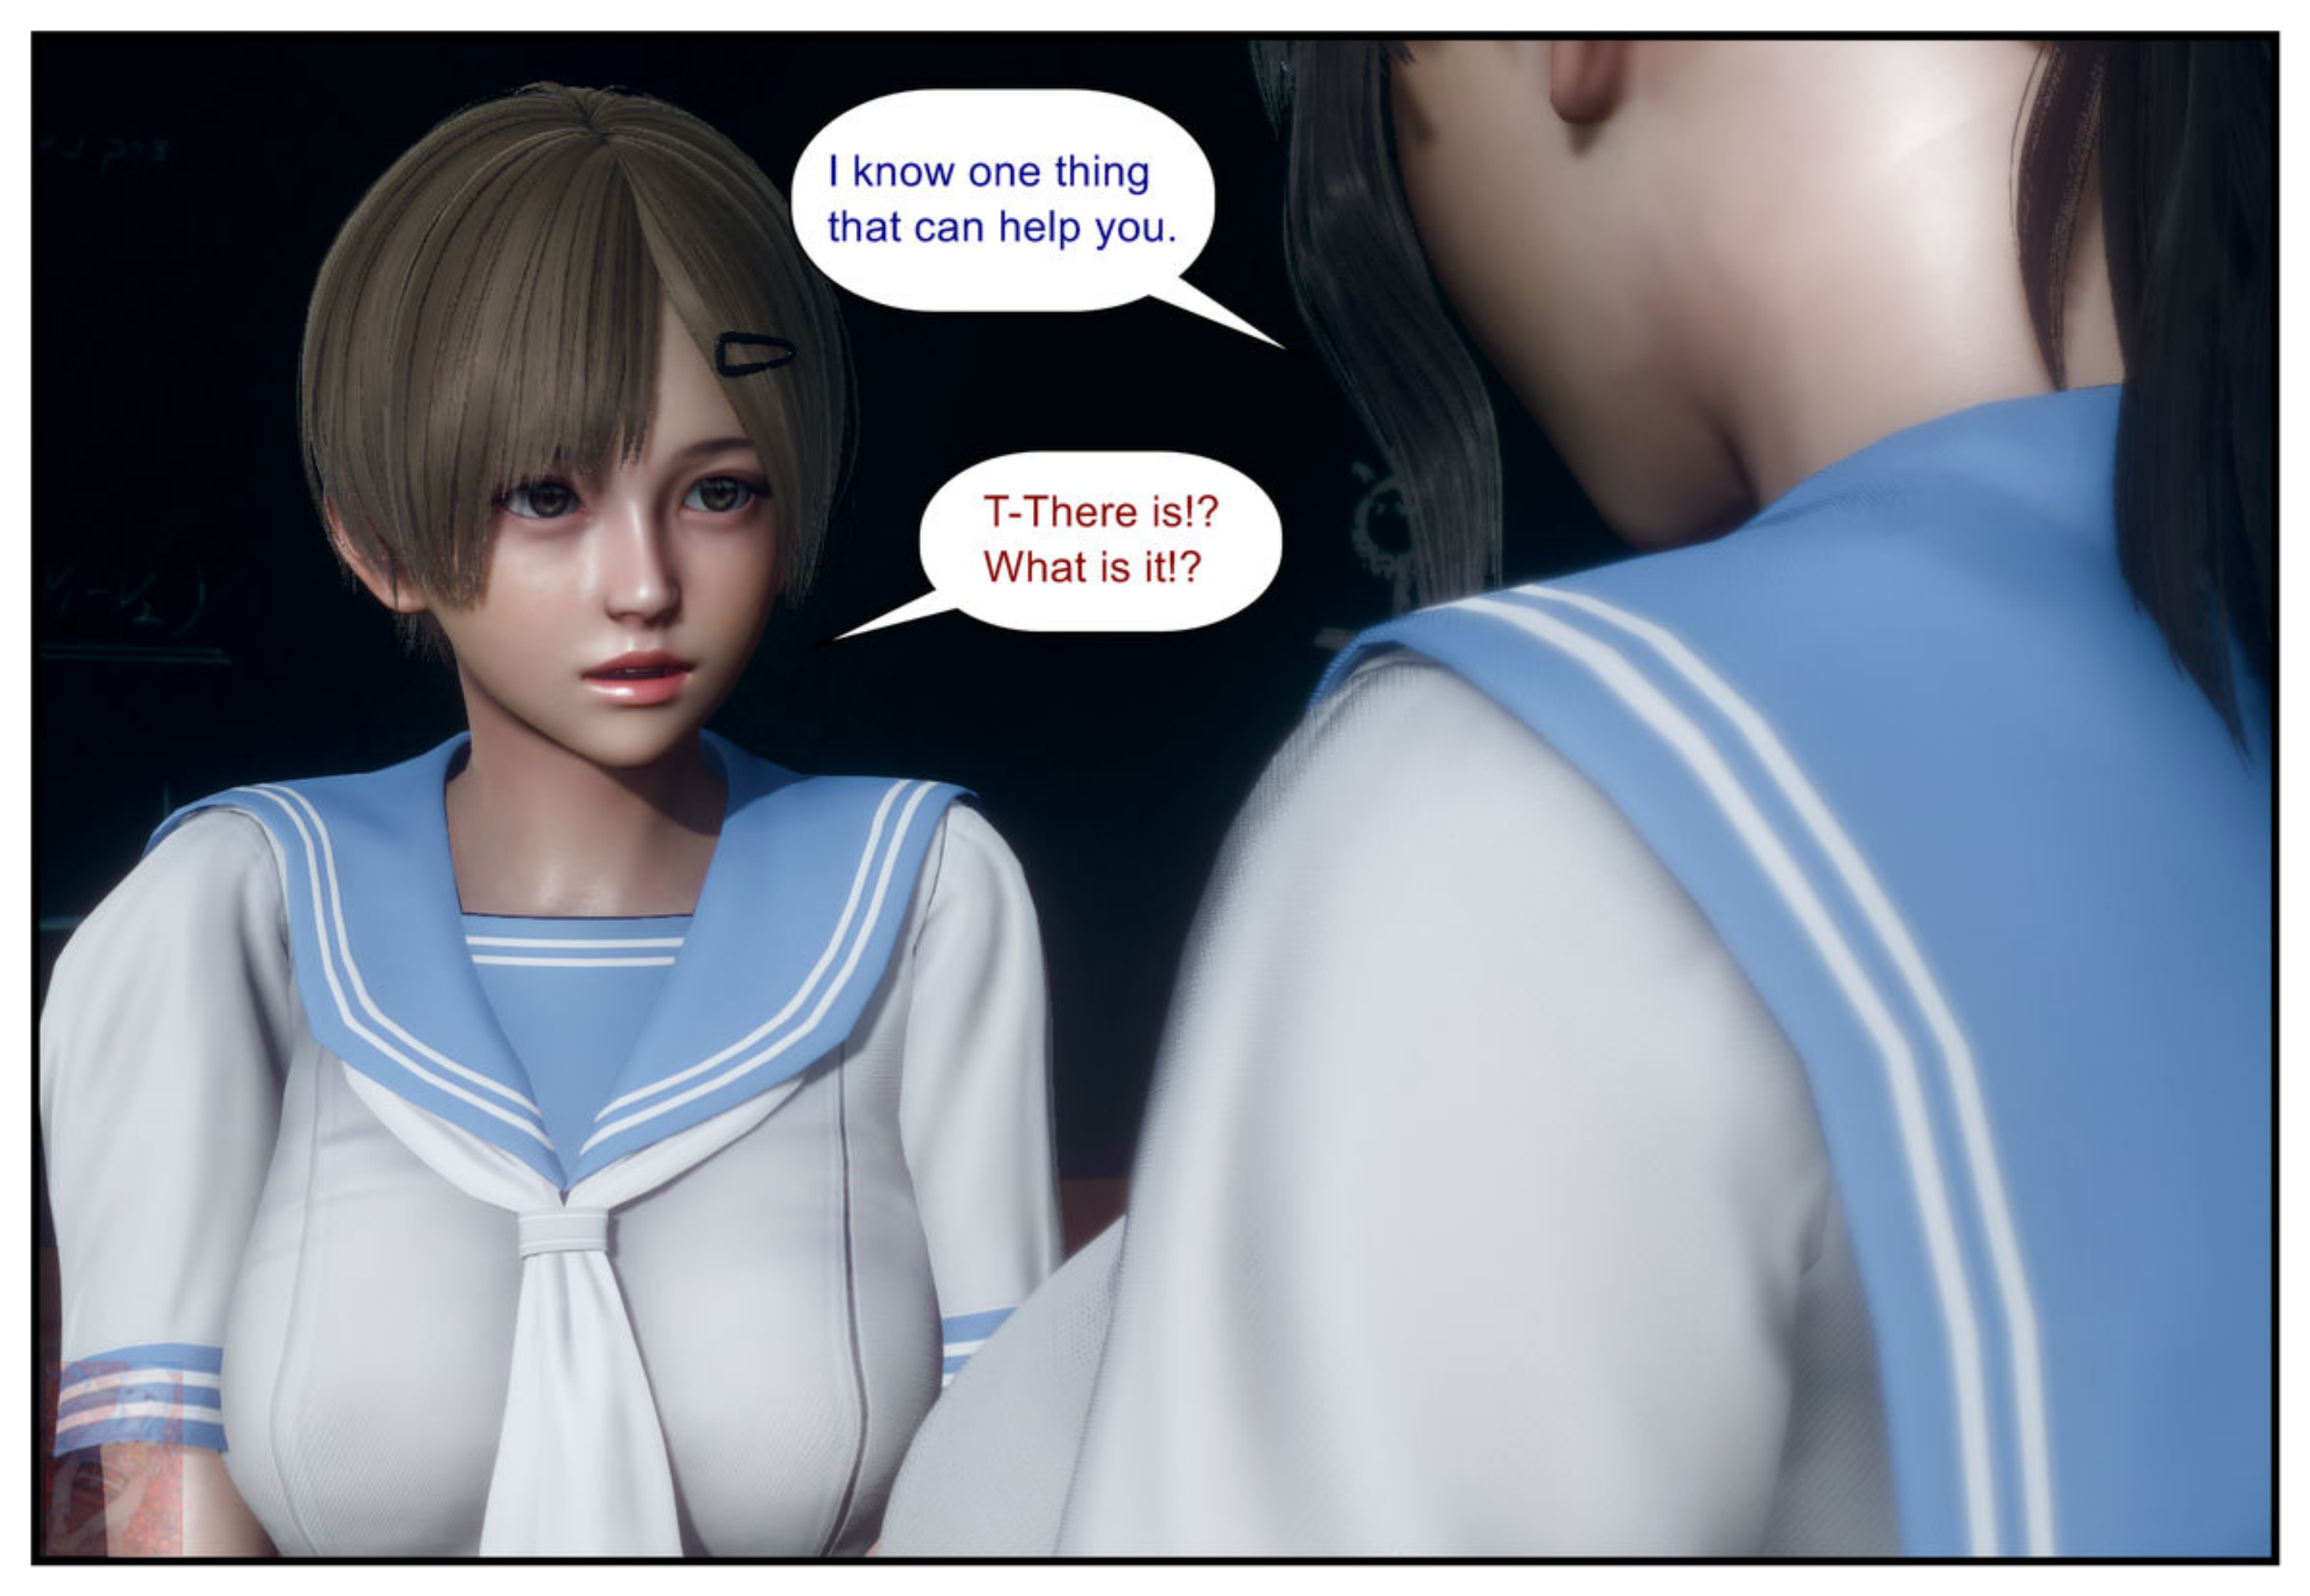

I heard it. You
want to take over
someone's body?

N-No! I-It's just
my silly question!

But.. you are
beautiful, rich and
also good at
everything.. Why did
you wanted that?

I know one thing
that can help you.

T-There is!?
What is it!?

Let's go somewhere else, we don't want that person hear it.

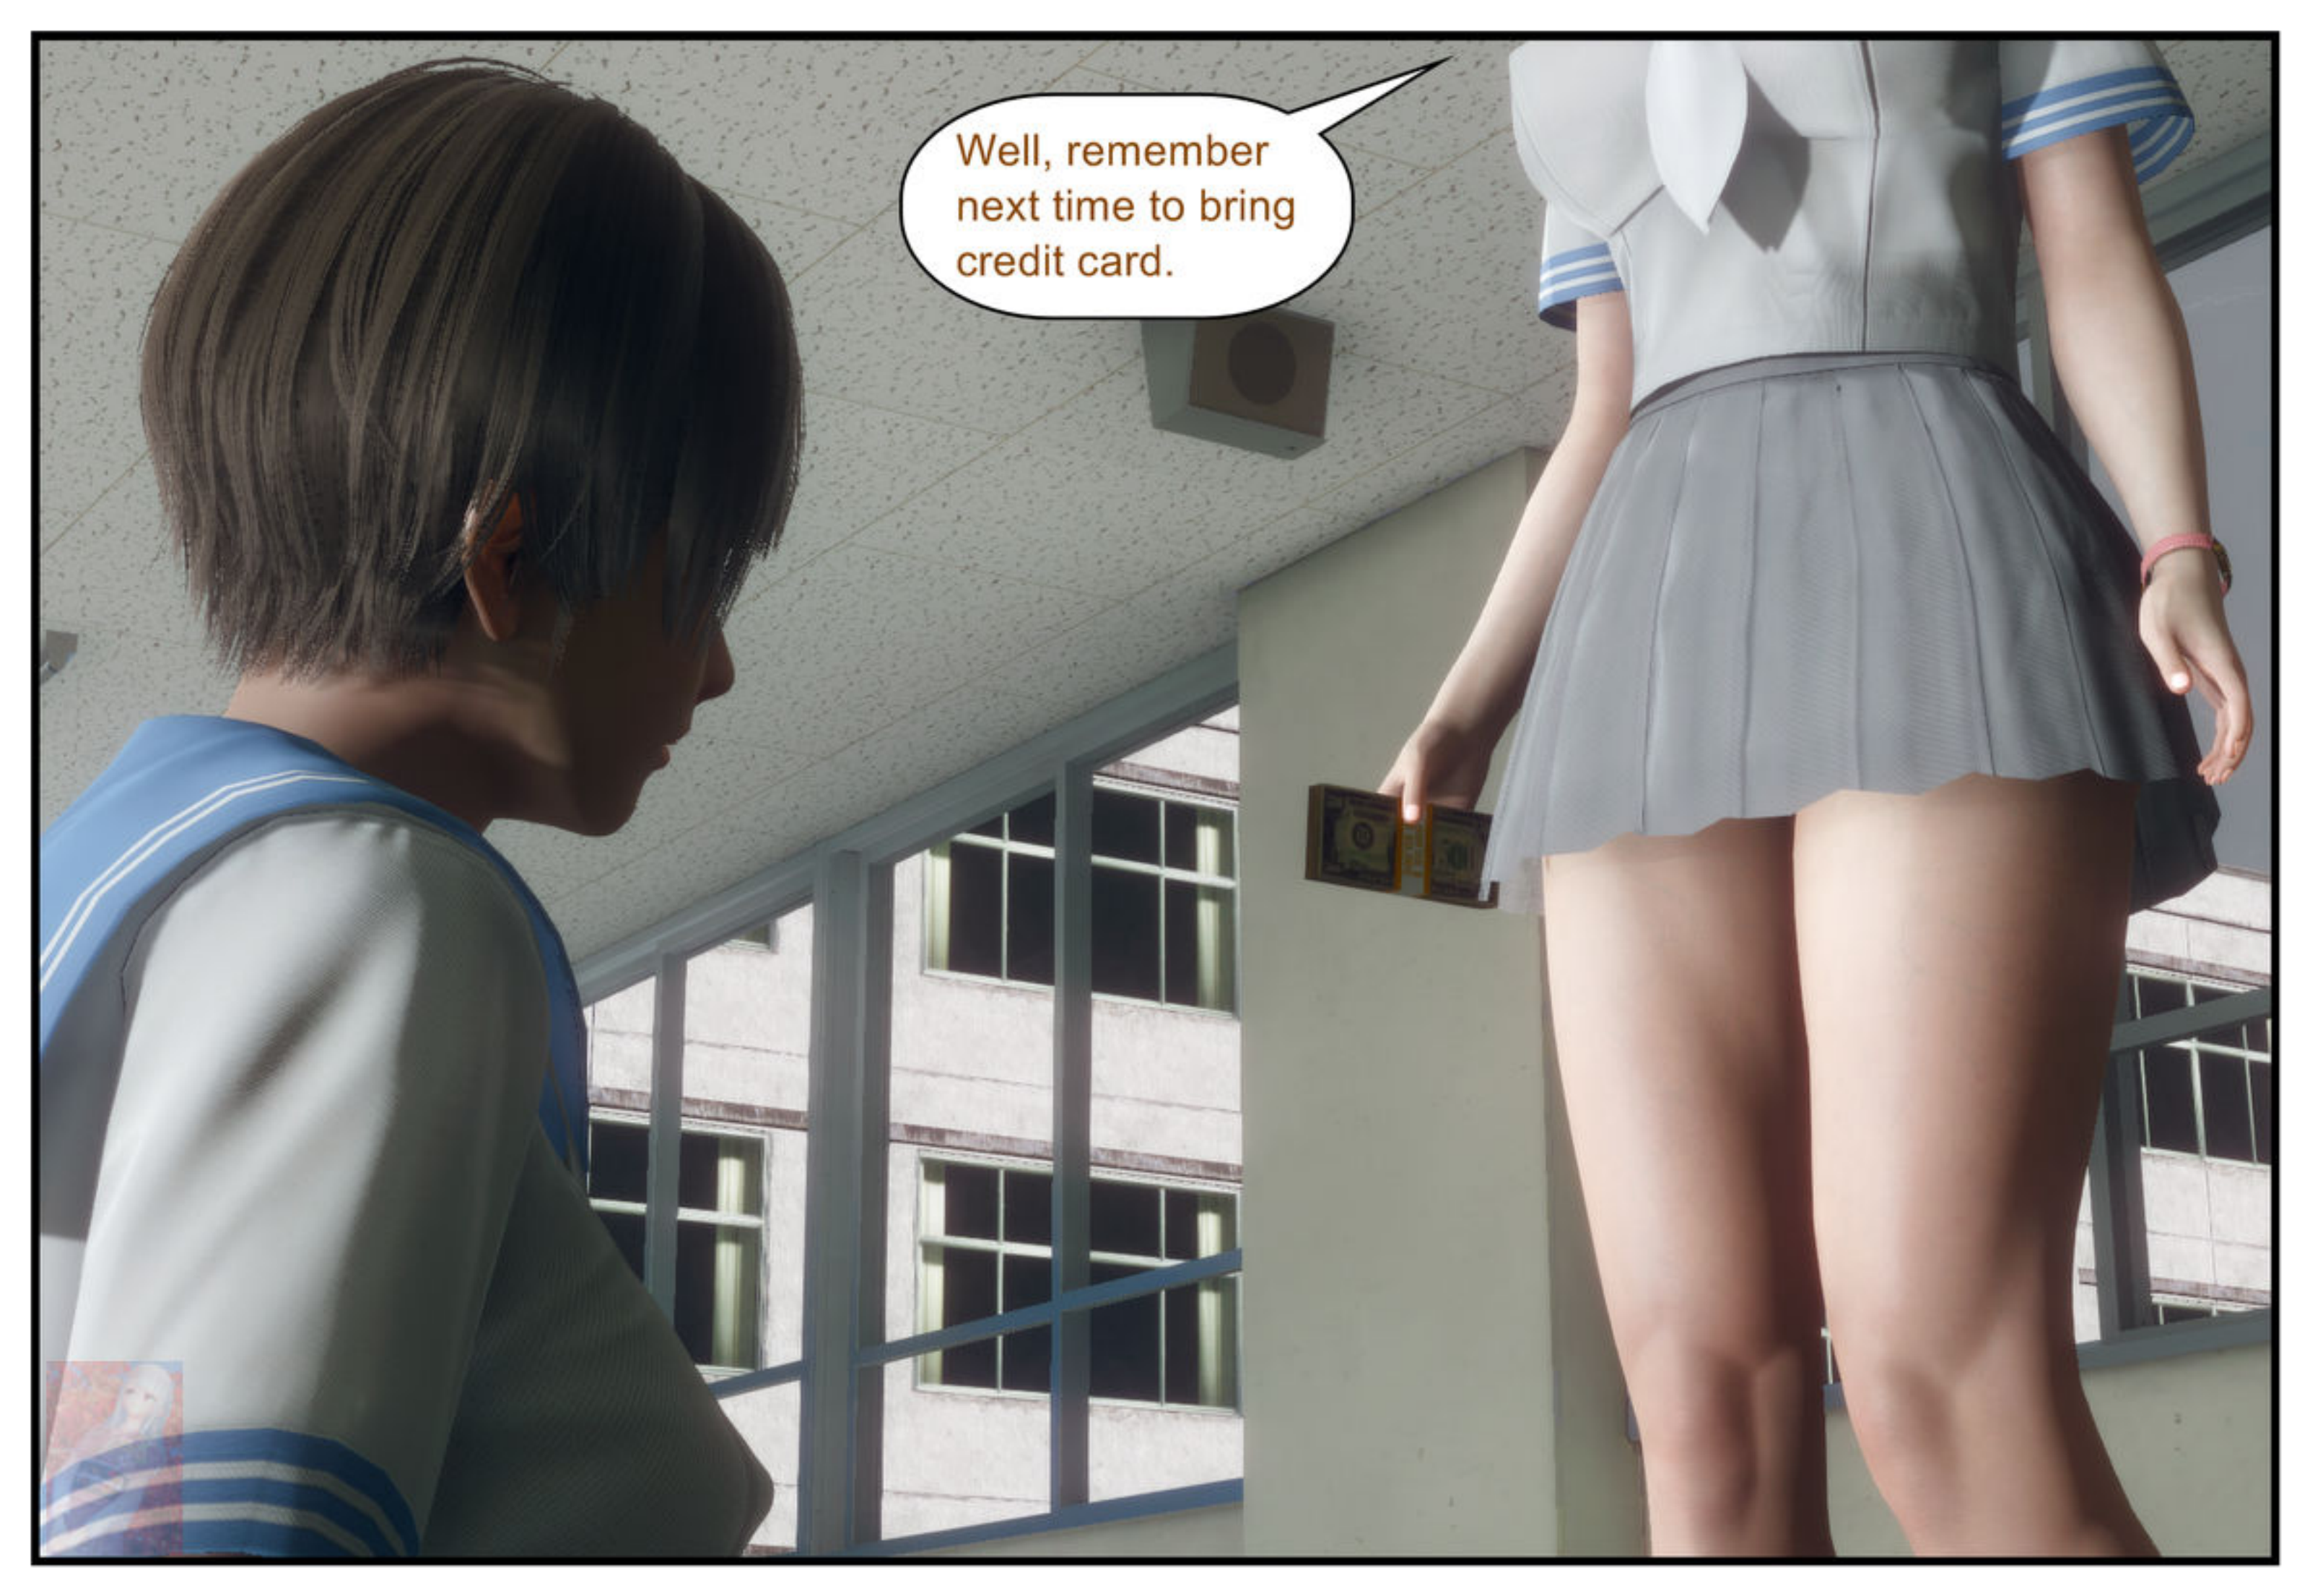

She.. has slept for the whole lesson today.

$E=mc^2$

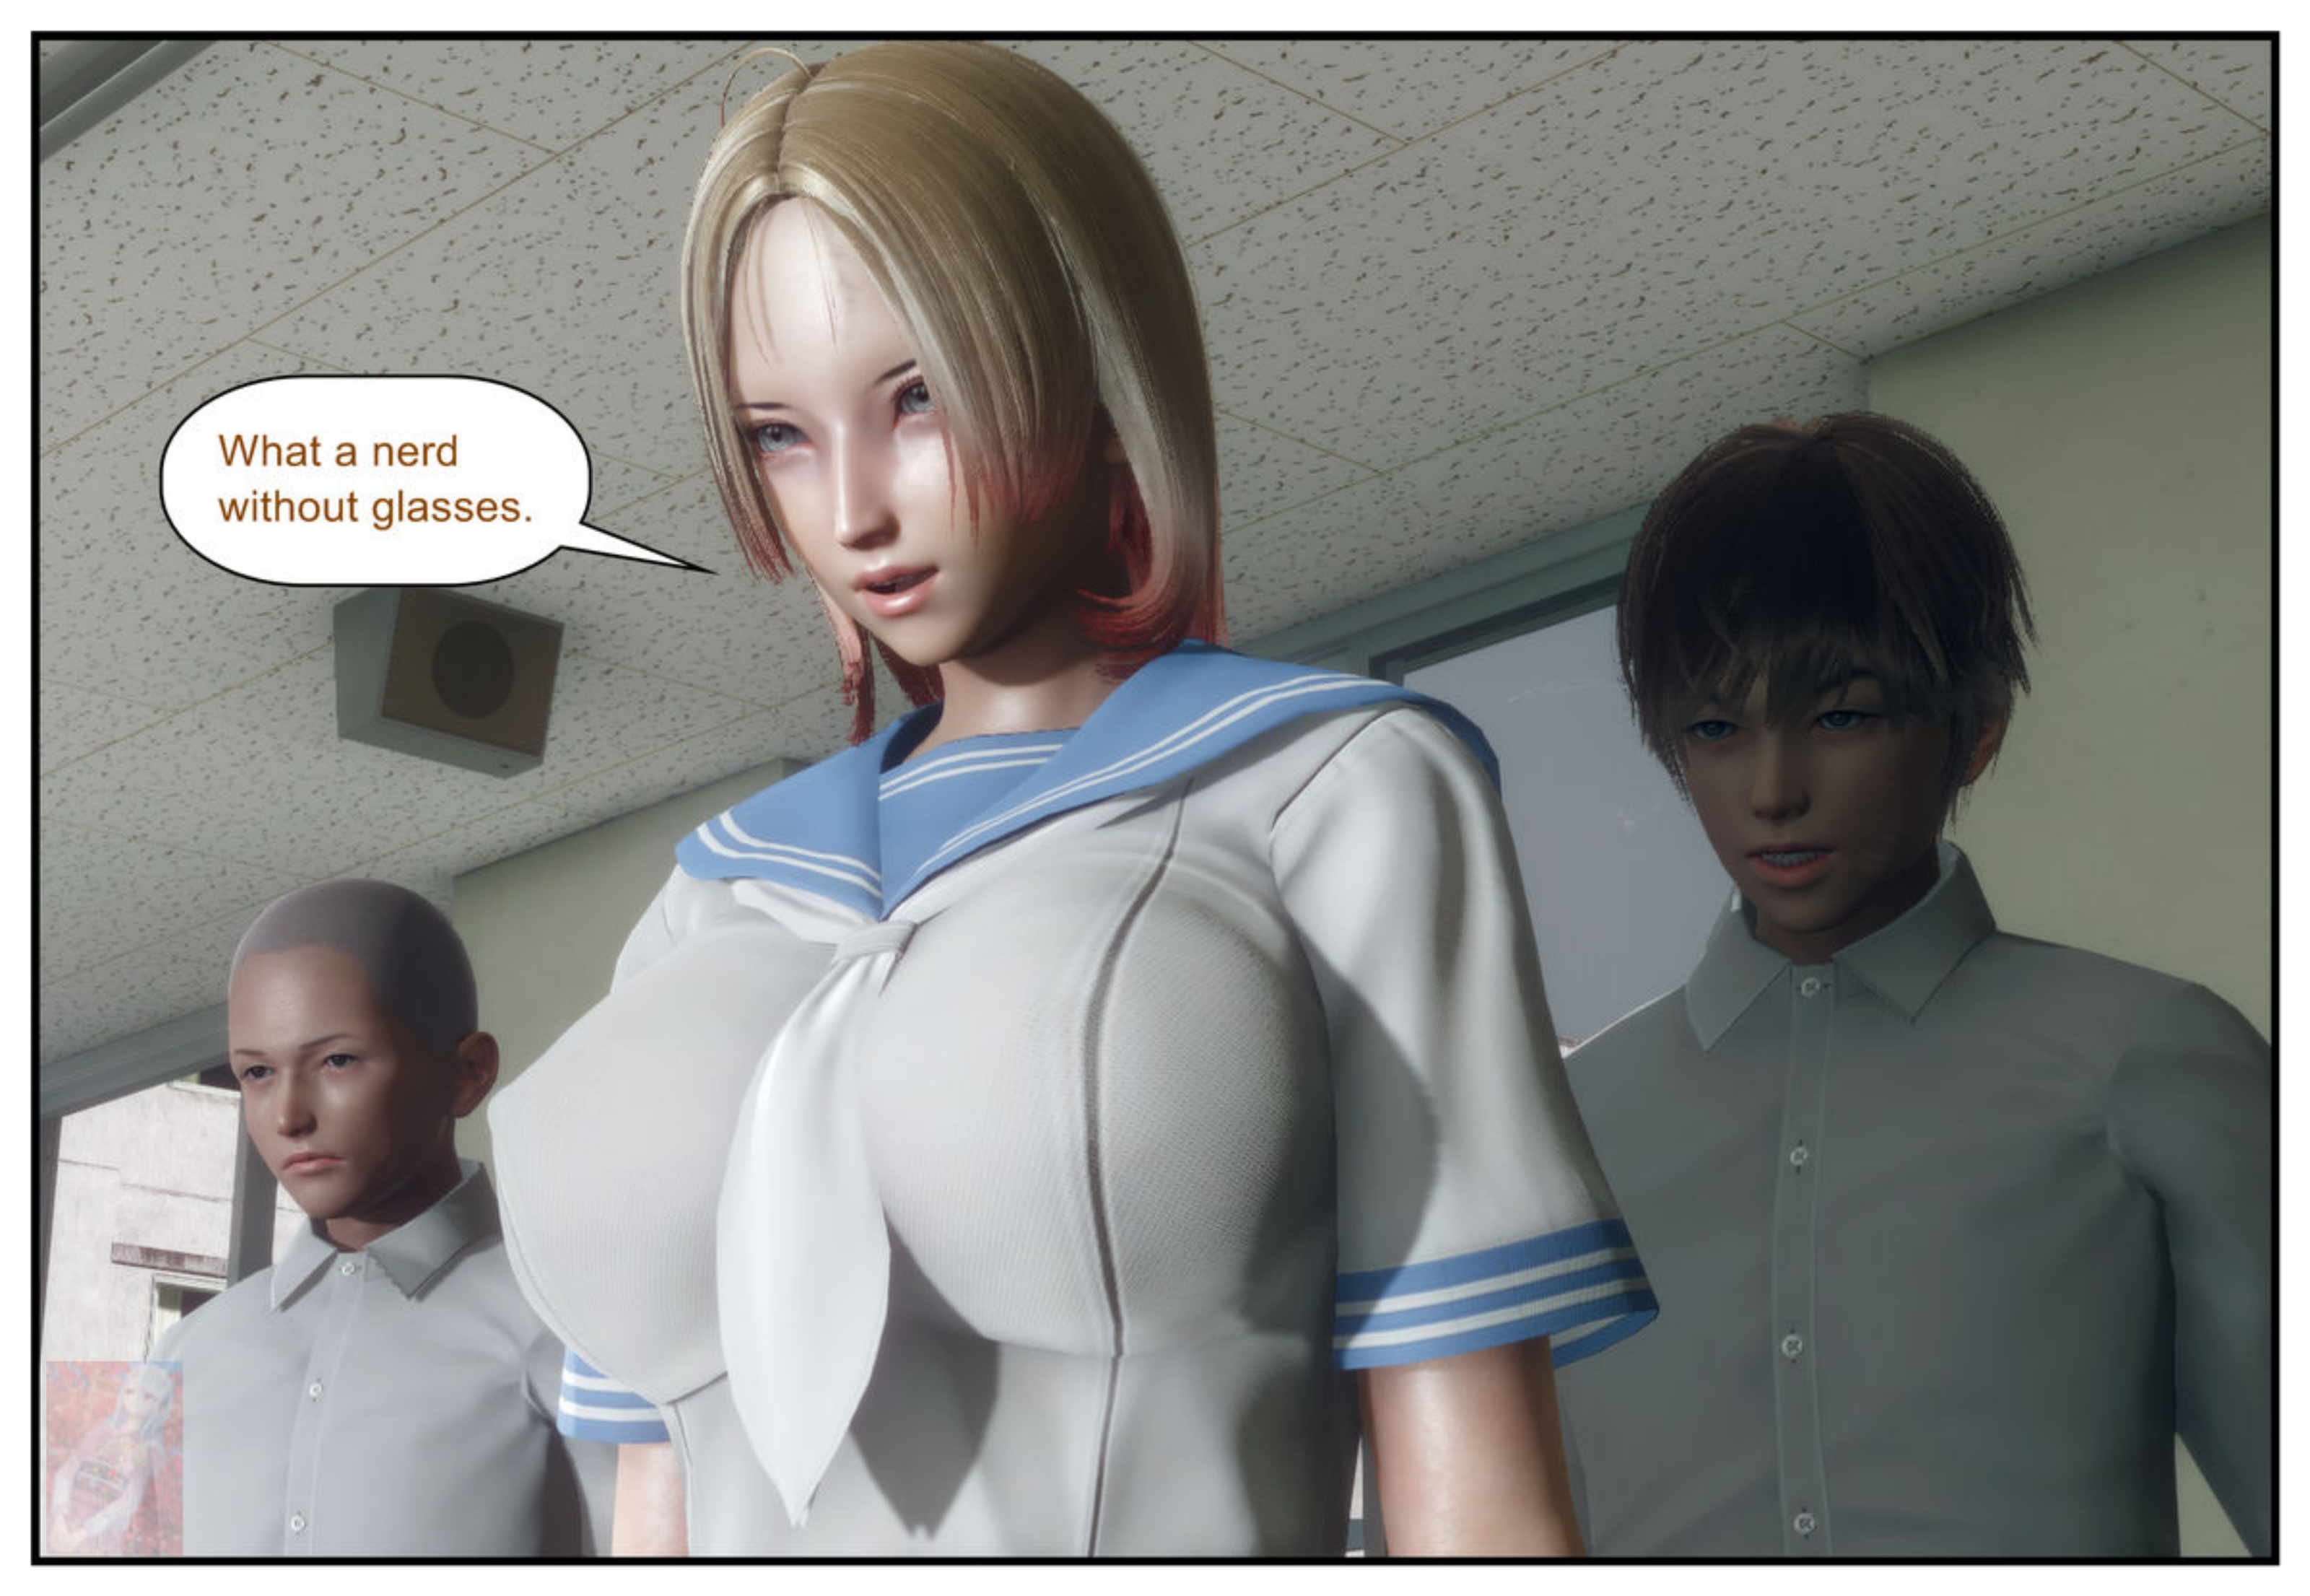

She probably
just pretending..

"Heh. Only
this much?"

Well, remember
next time to bring
credit card.

What a nerd
without glasses.

"Kyoko..? Hey..
Kyoko?"

Was there something happened?

Ah.. nothing. I was spacing out a bit.

A close-up shot of a character's hands and arms. The character is wearing a grey short-sleeved uniform with a blue and white striped cuff. They are holding a small, oval-shaped pill that is half red and half blue in their right palm. The background shows a tiled floor and a doorway.

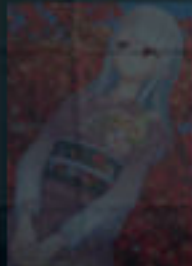

I took this from
my brother..

C-Chiaki!? You brought drugs into school!?

Ssshhh.. Lower your voice. I already investigate this pills on black market.

It's an acient drugs
which can seperate
your soul from body.

Somehow today
you asked professor
so.. I figure out this..

Then.. I could
haunt someone's
body.. using this?

B-But.. I don't know.. If this drugs is dangerous..

I know that..
you are being
bullied at school.

A-Also.. this is
just fiction! We
can't h-haunt..

Kyoko. How long can you take when that person keep bullied you everyday?

This.. is our chance to stand up and fight back!

A close-up shot of a young woman with short, straight brown hair, wearing a blue and white striped sailor-style school uniform. She has a green hair clip in her hair and is looking slightly downwards with a soft, thoughtful expression. Her hands are clasped in front of her. The background shows a window with a view of a blue sky and clouds. A speech bubble is overlaid on the left side of the image.

If you feel it does not safe, just throw the pills away.

I will see you
later tomorrow,
Kyoko.

Later.. At Kyoko's home..

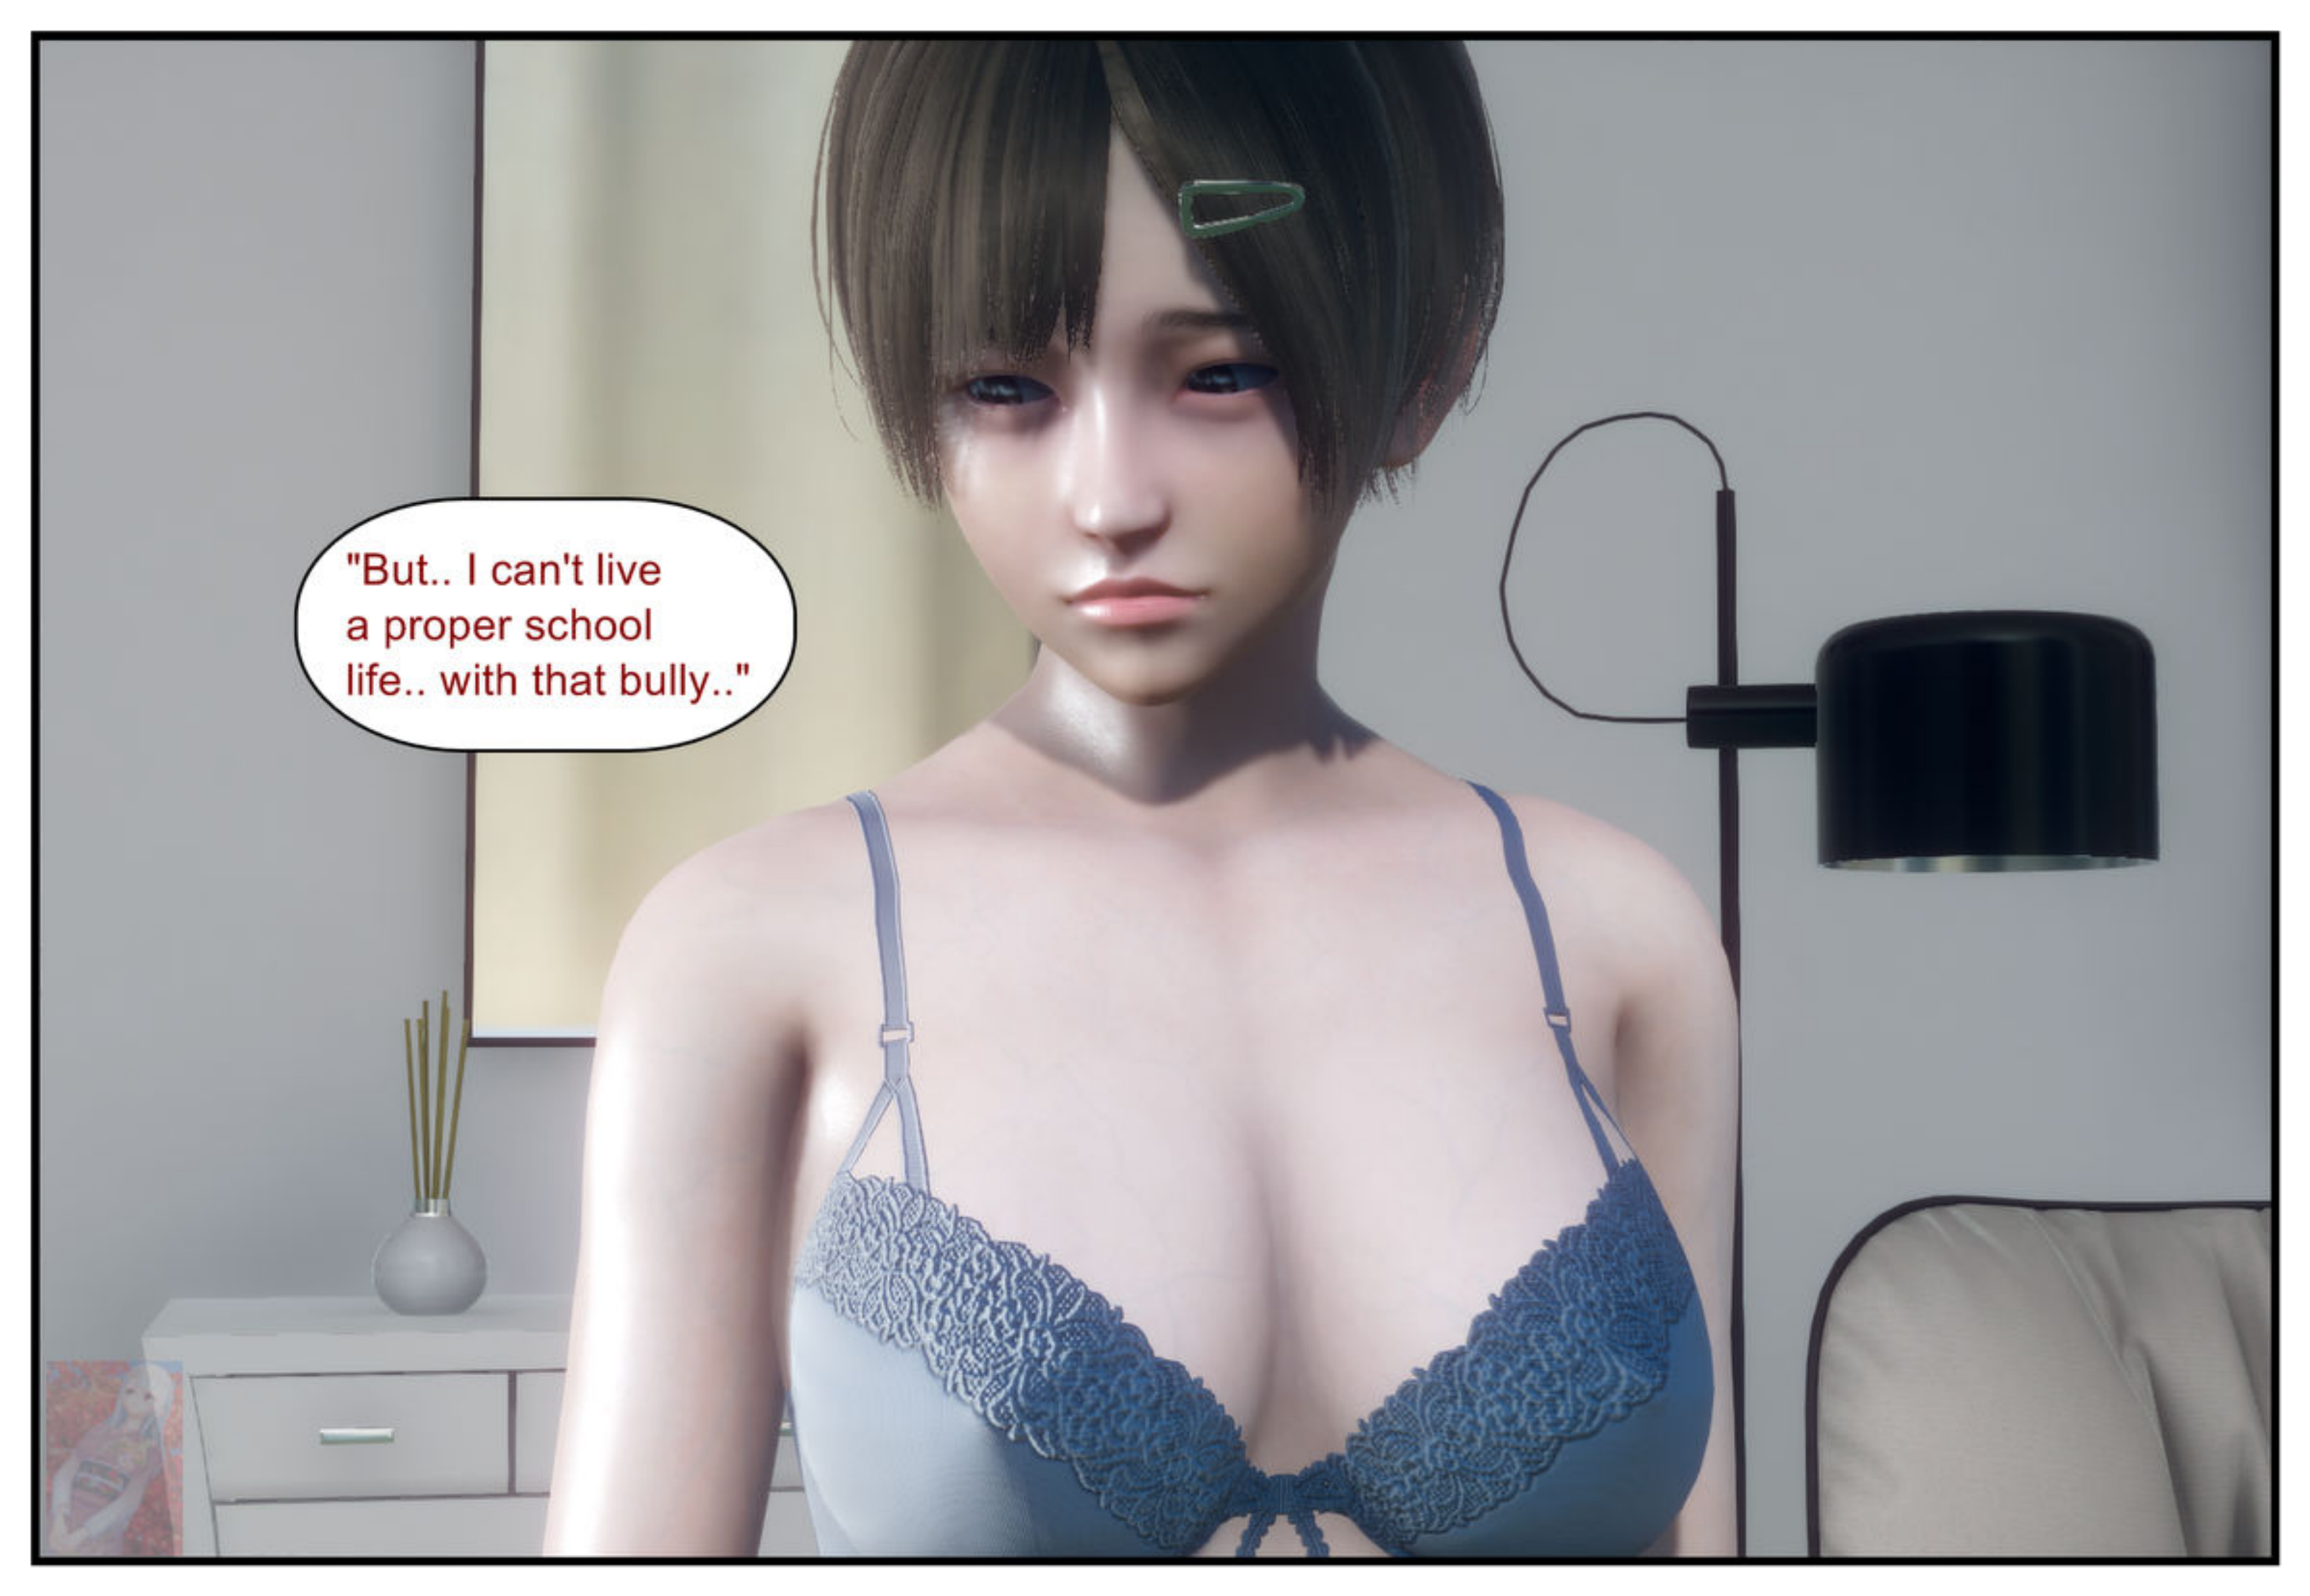

"Should I..?"

"But.. I can't live
a proper school
life.. with that bully.."

"If.. I didn't stop
it.. someone else
would be replaced.."

"Here.. goes.."

Hah.. Ah.. My
body.. doesn't..

I.. don't.. feel
so.. good..

A 3D rendered woman with dark hair and a silver hair clip is lying on her back on a light-colored wooden floor. She is wearing a light blue lace-trimmed bra and matching underwear. Her eyes are closed, and her mouth is slightly open, suggesting she is cold or uncomfortable. Her right arm is raised, and she is wearing a gold bracelet with three blue beads. A speech bubble above her head contains the text "So.. cold.. Hah.. Uhm..".

"So.. cold..
Hah.. Uhm.."

"Oh.. Why am I.. really light.."

Ah!? I'm..
seperated from
my body!?

My body.. but..
I can't get back in..

I can go through
objects.. This drugs..
really worked..

Meow..

"Uhm.. That's my
cat.. but maybe..
I could.."

"E-Eh..? I'm
in my cat's vision?"

"Haha.. I can control him to move.. but this is a bit.. not right."

"Alright. Enough testing. I'm ready!"

"I'm going to take over that person!"

"Good. She's
home and sleeping."

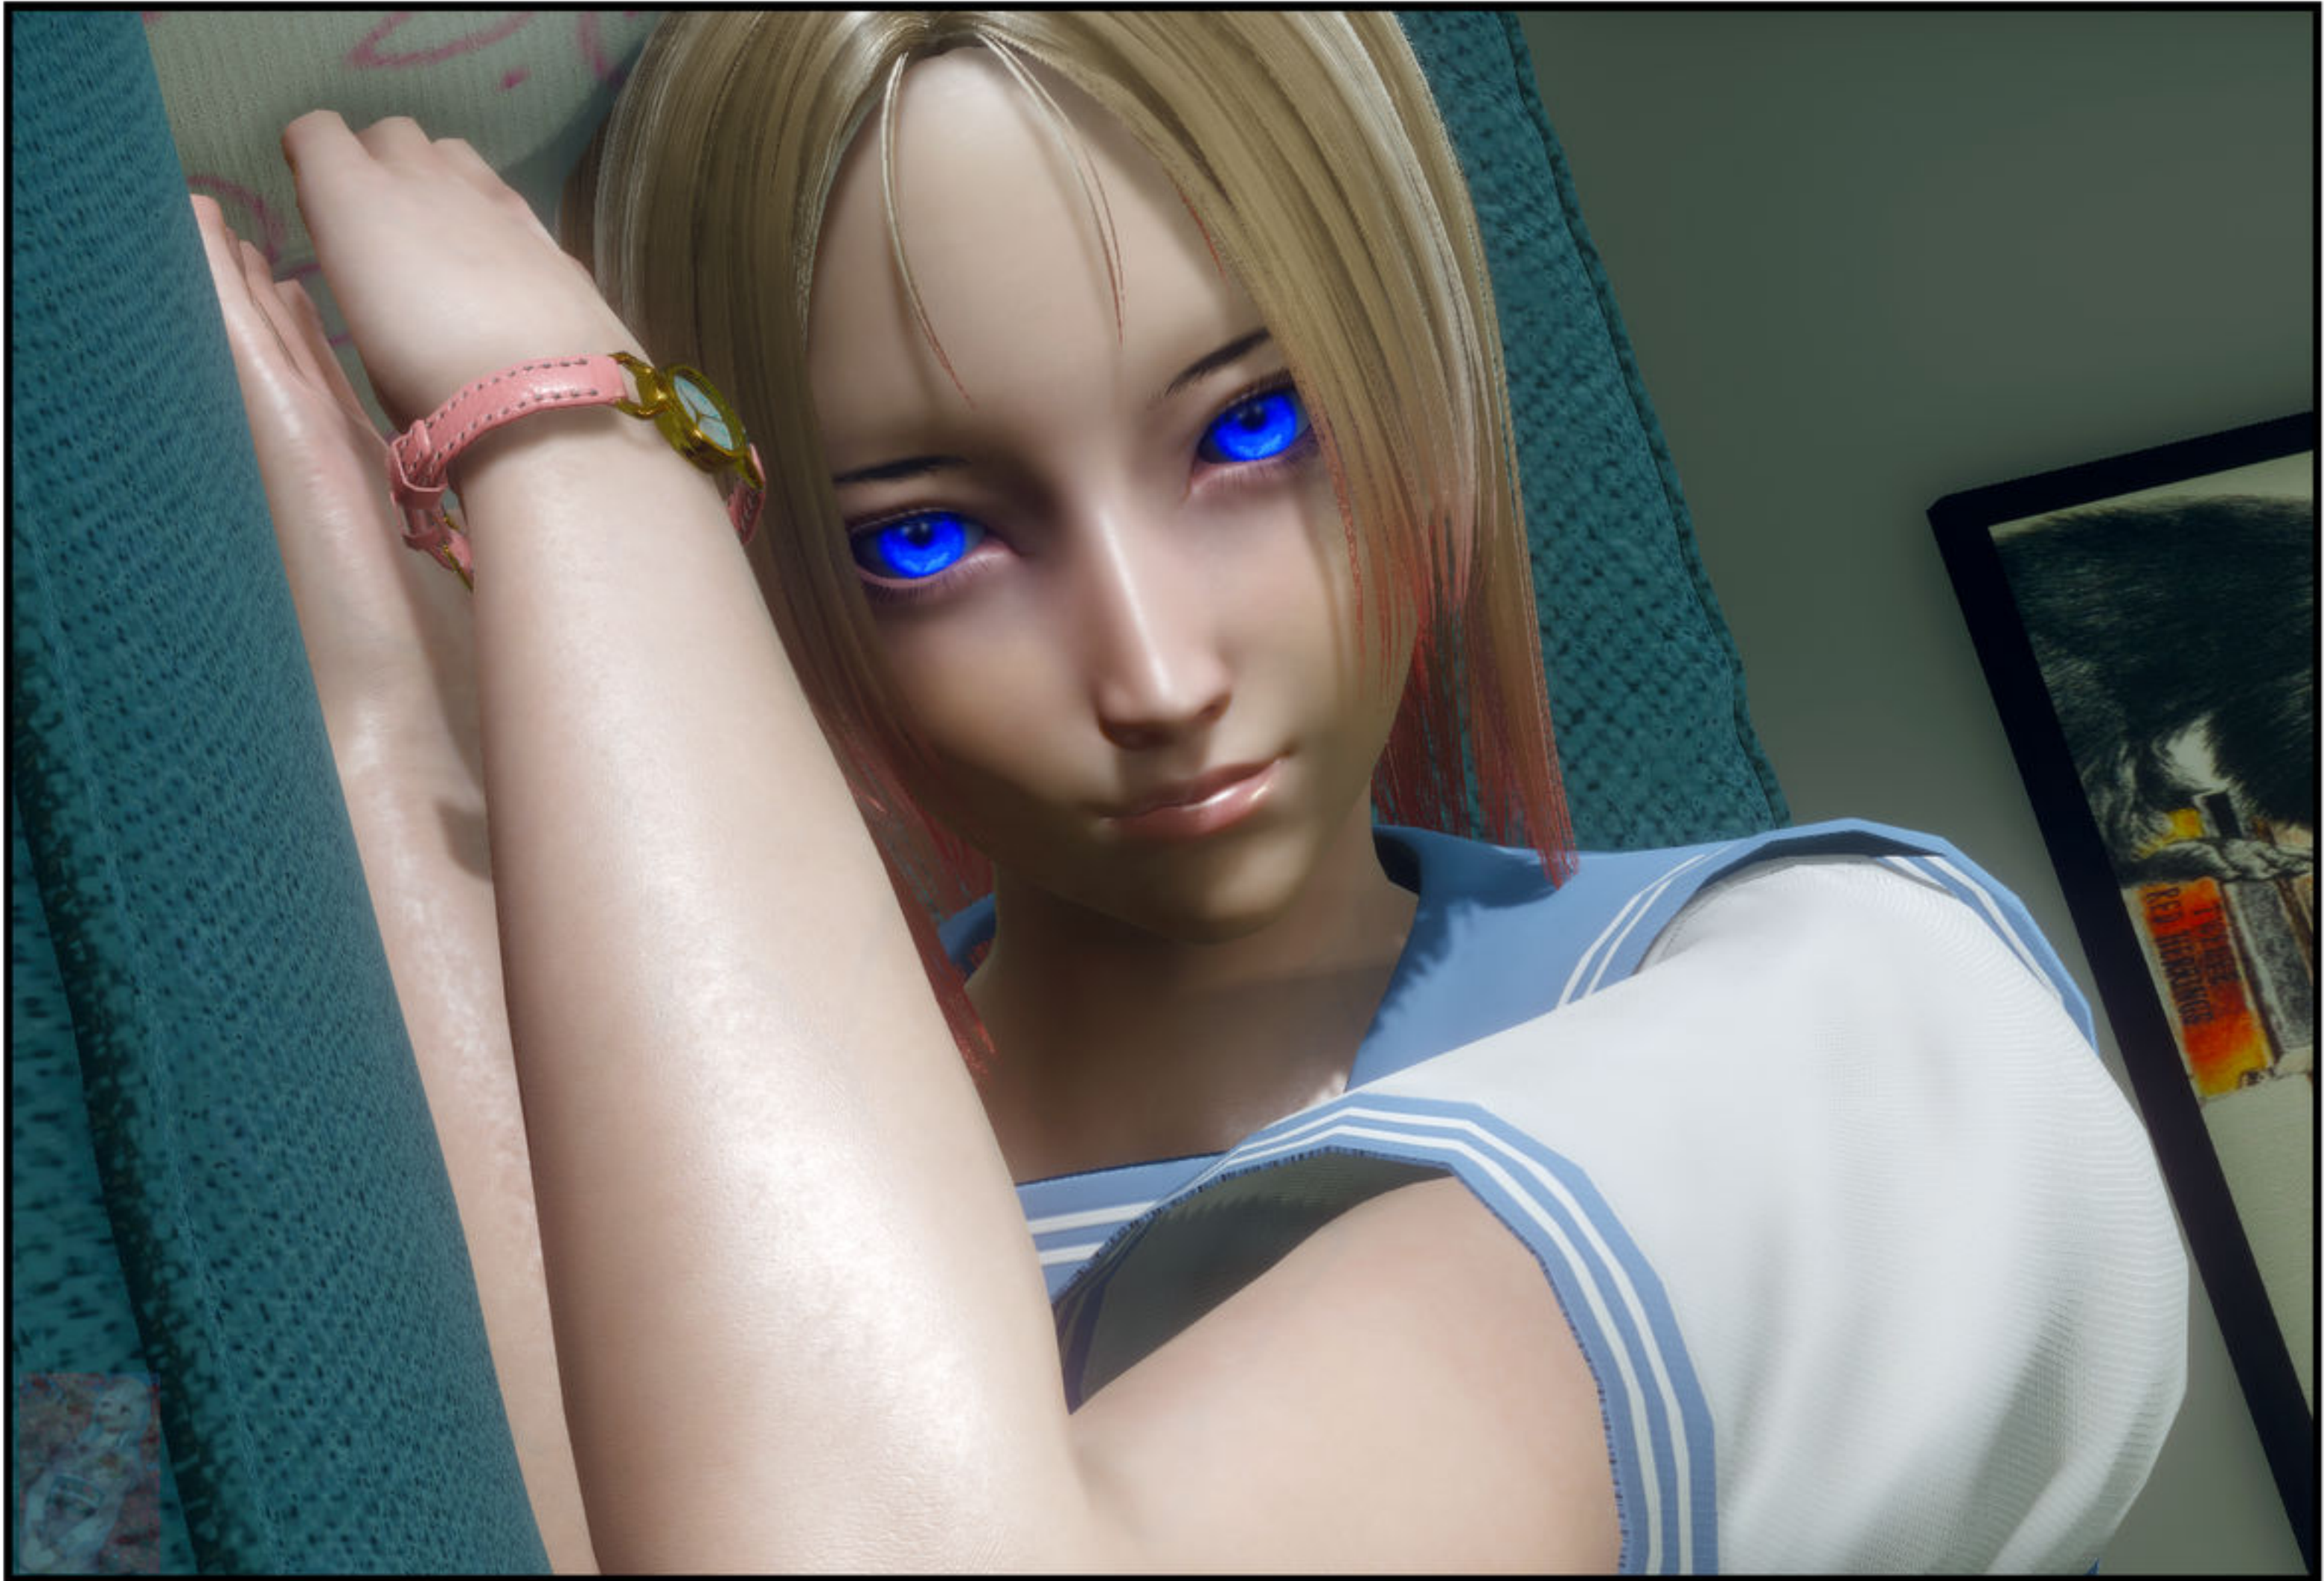

"I will make you
pay for what
you did to me.."

"Wha.. I can't
move.. this body.."

"B-But.. I already possessed her! How could it be!?"

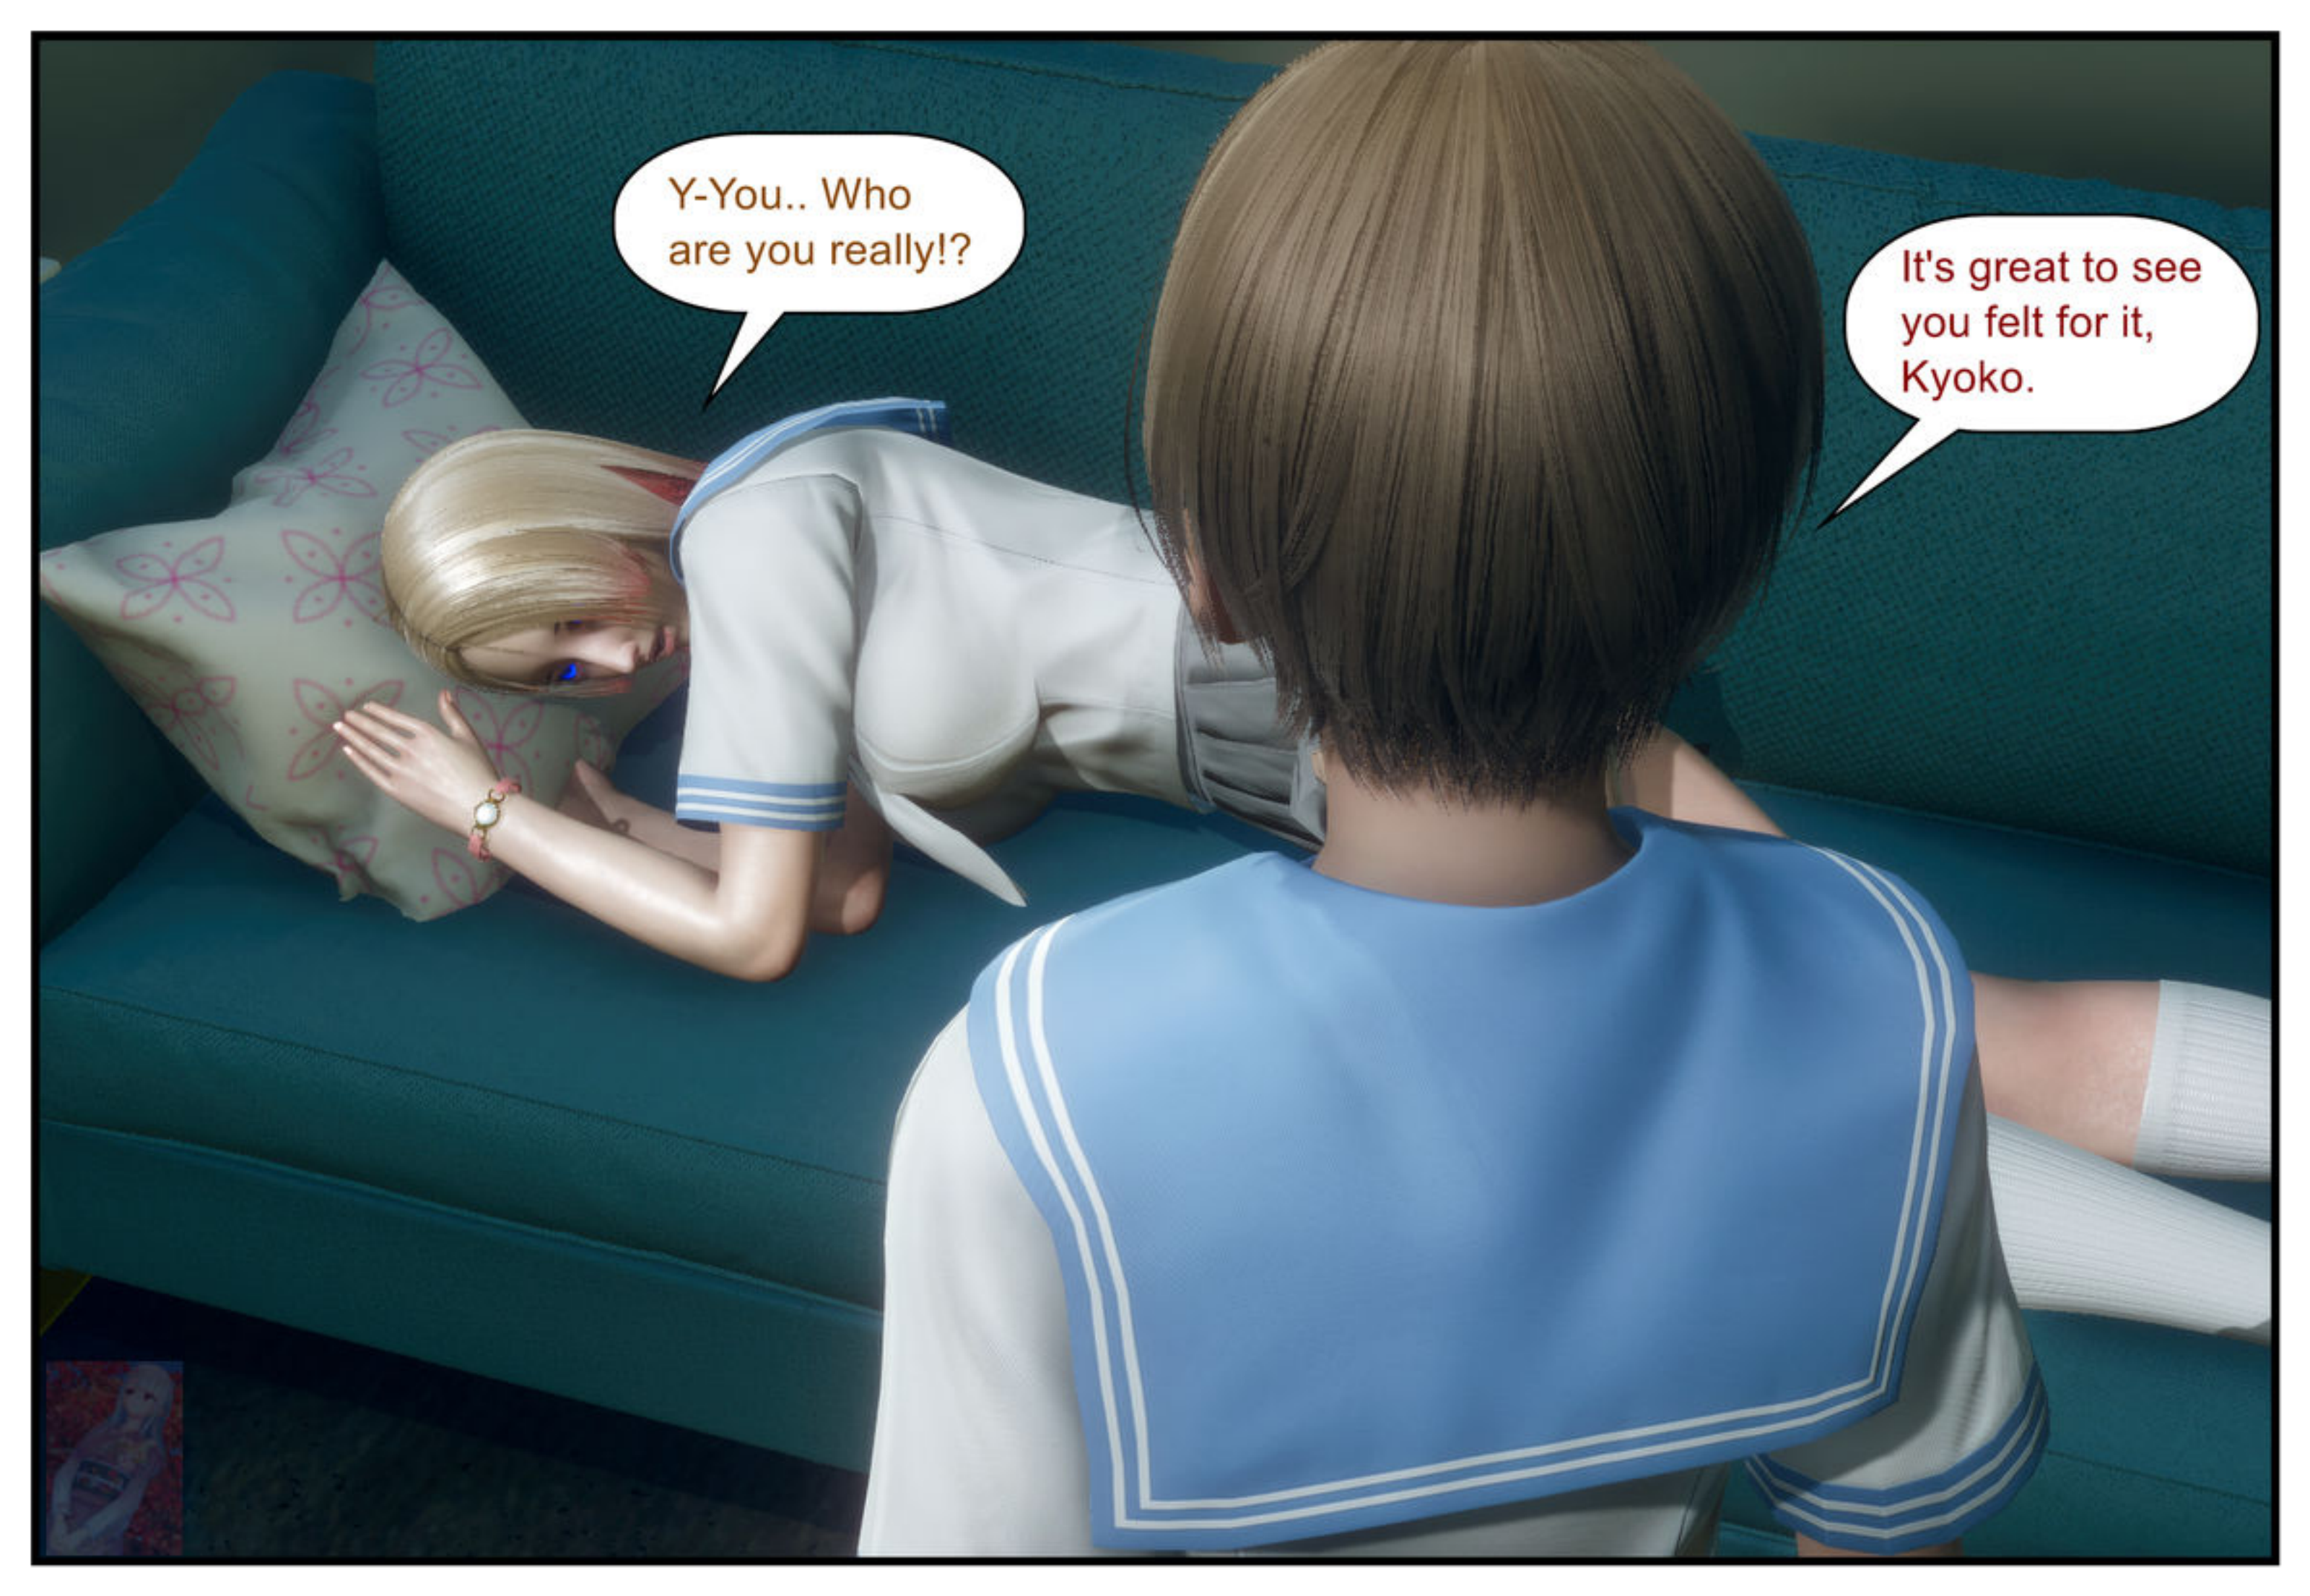

It's muscle pills.
Prevent the body
from moving.

N-No way..
You..

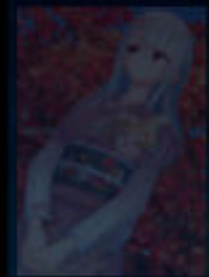

A 3D rendered female character with short brown hair and glowing red eyes. She is wearing a white sailor-style school uniform with a blue collar and a white tie. She is standing in a room with a bookshelf in the background. A speech bubble is positioned to her left.

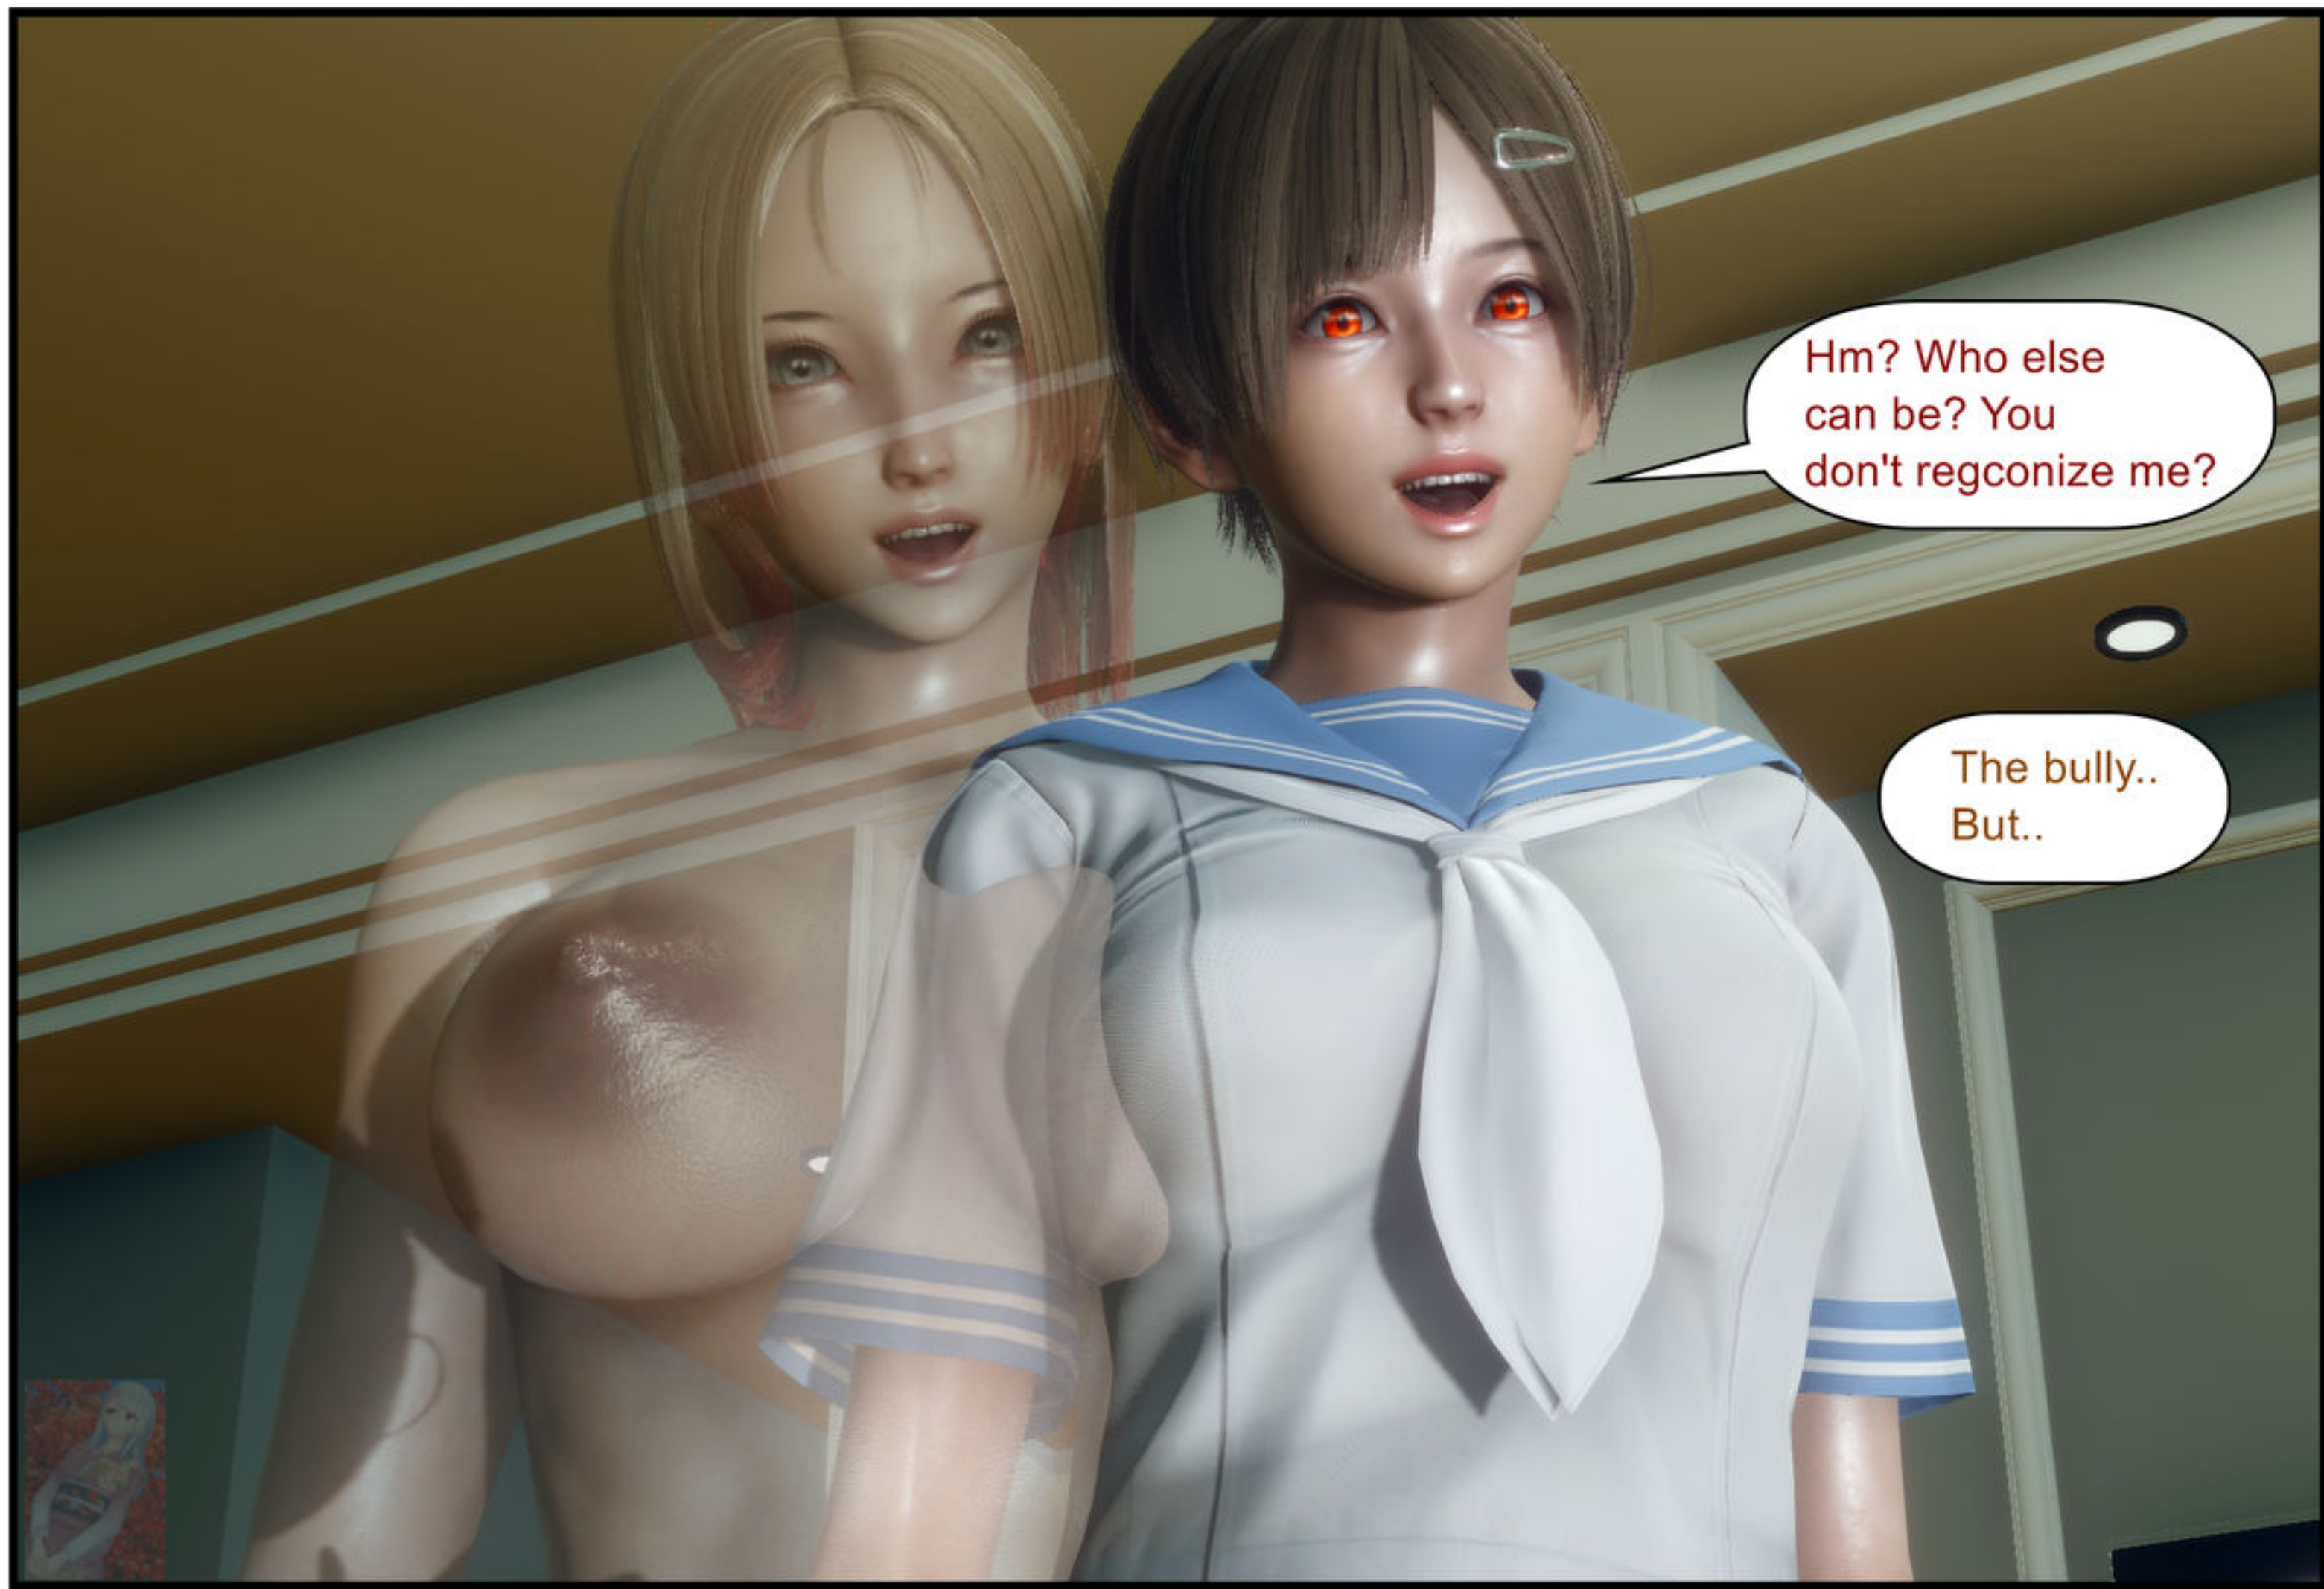

My body!? How..
Who's in it!?

Y-You.. Who
are you really!?

It's great to see
you felt for it,
Kyoko.

Hm? Who else can be? You don't recognize me?

The bully..
But..

"Why was I sleeping
in class? Yes, I knew
about this pill sooner
than you!"

"The pills only last for 3 hours if I don't find any body to possess, so I decided that I will haunt you."

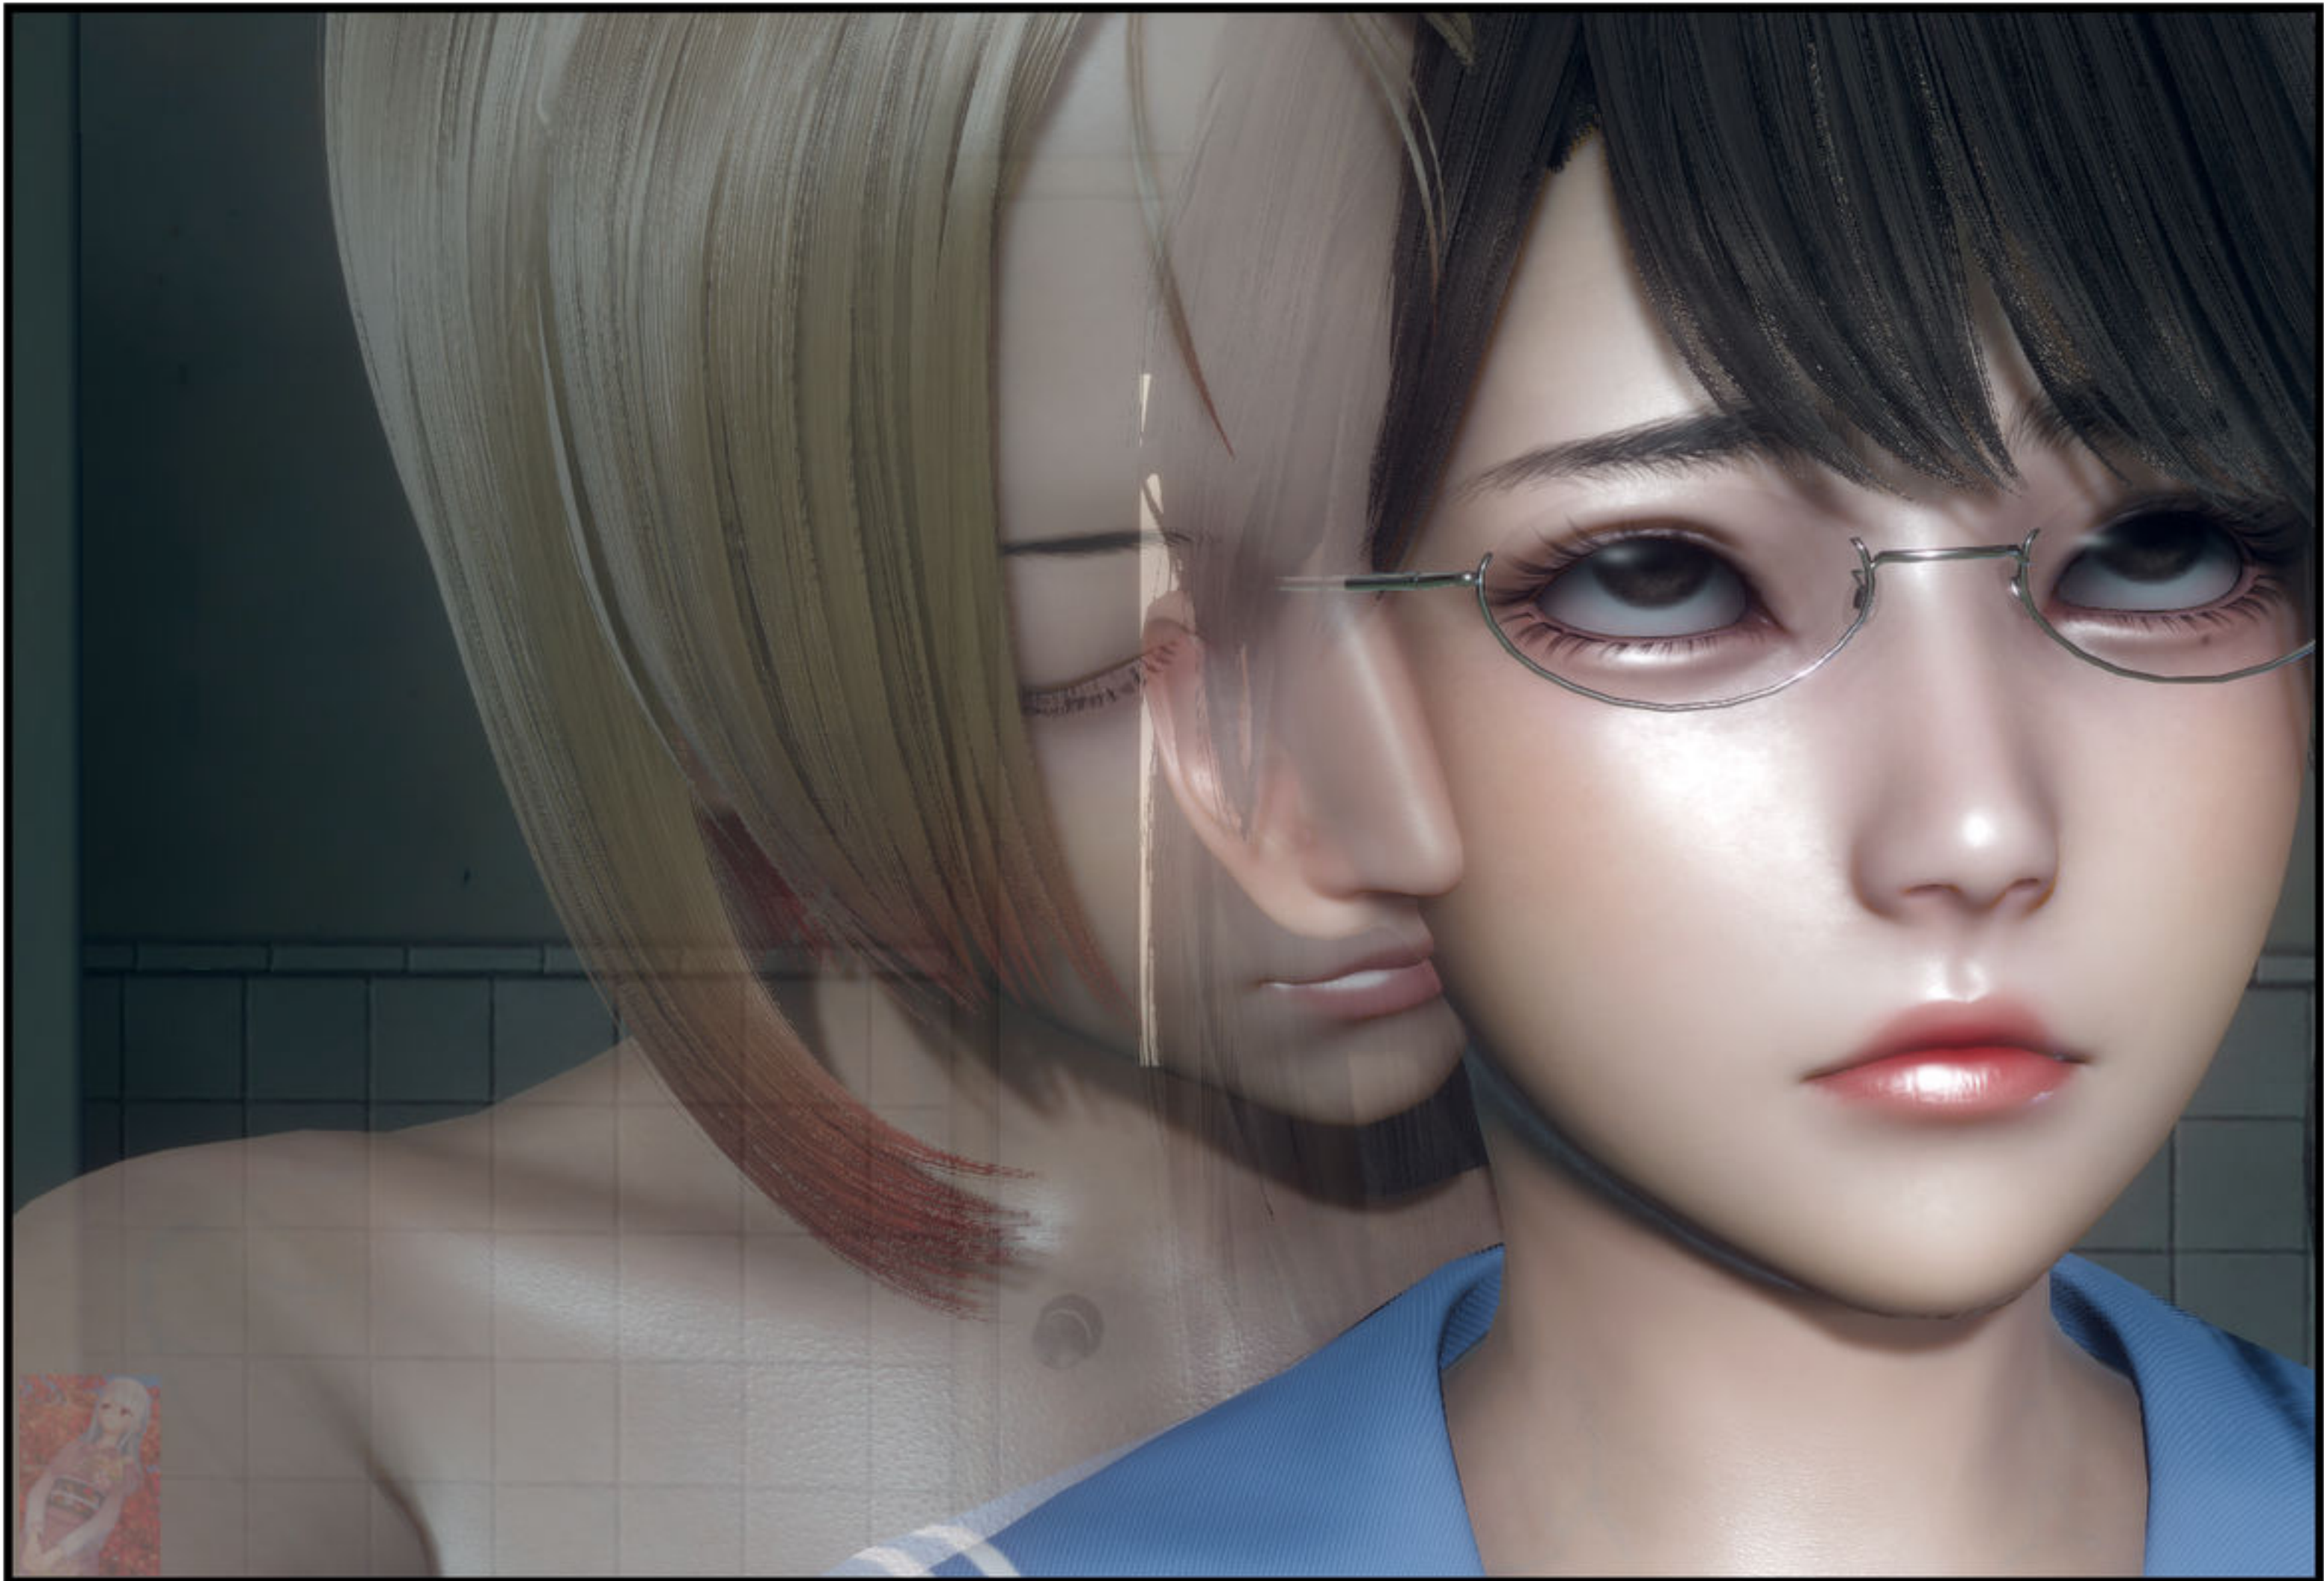

"Then, I followed and I saw that Chiaki has the drugs too. And I came up with a plan."

"I will play around with you, and what I did first.."

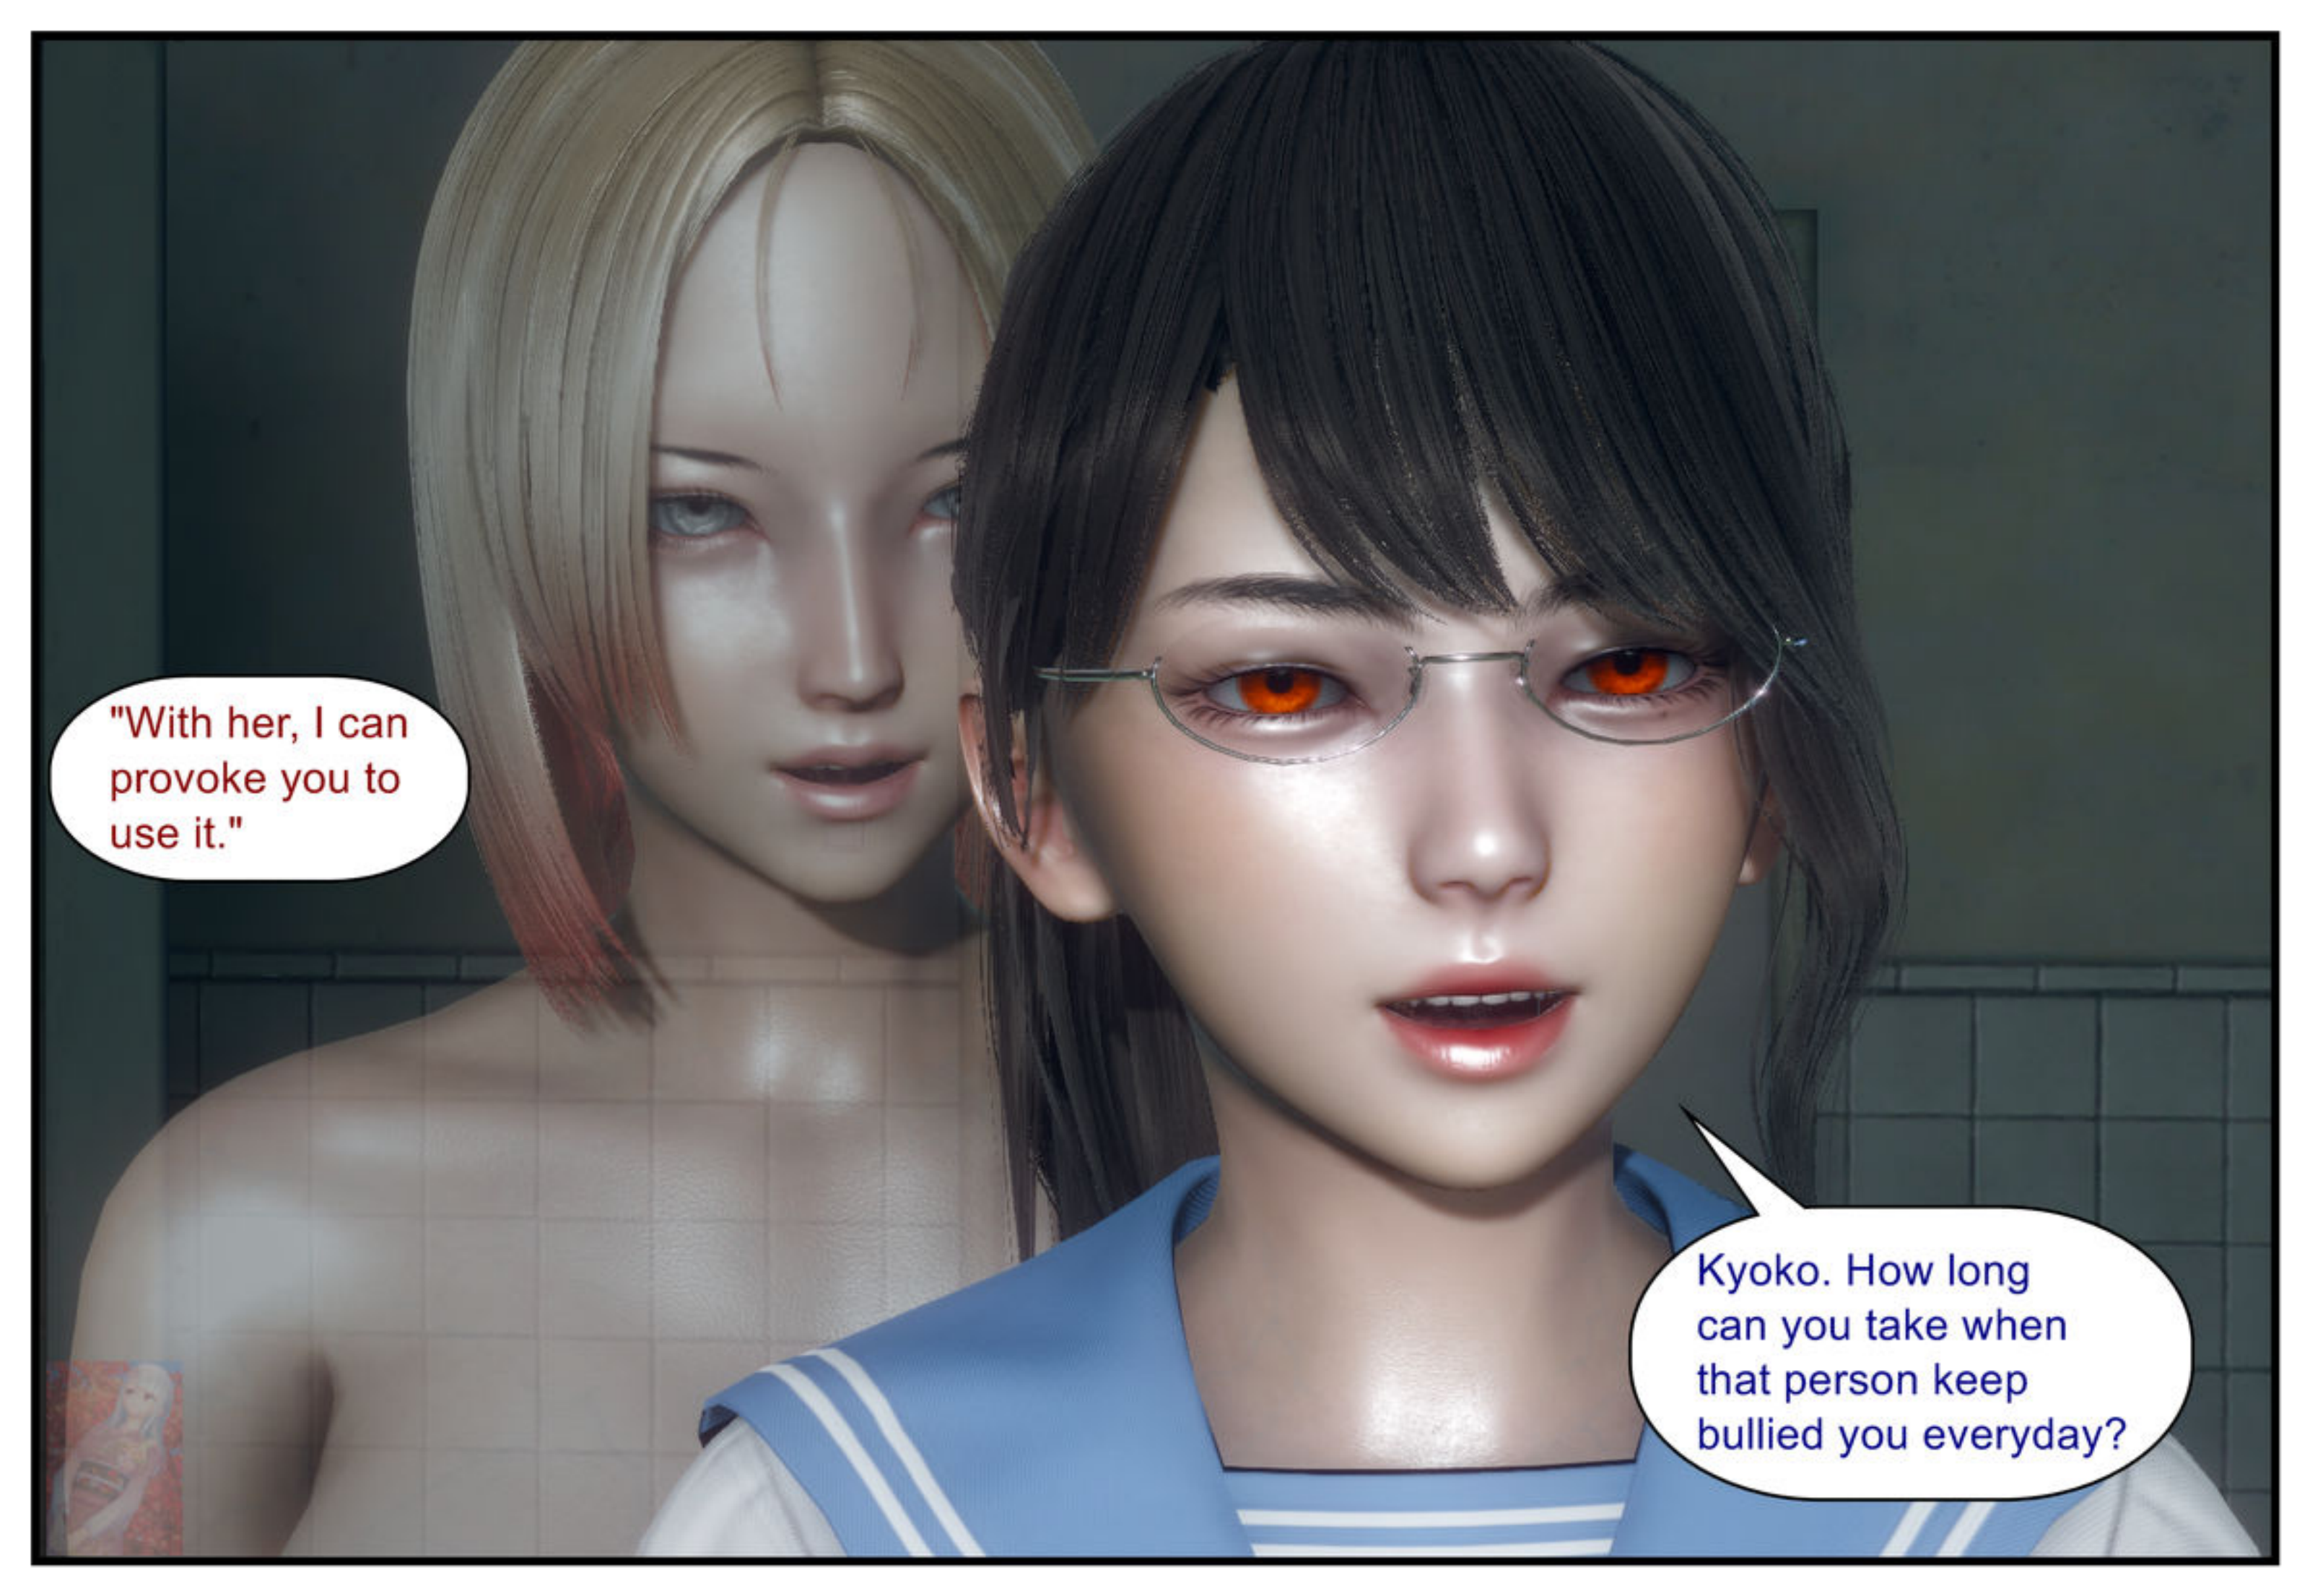

A close-up, three-quarter view of a young woman with long, straight black hair and bangs. She is wearing thin, round-rimmed glasses and a blue school uniform with white stripes on the collar. Her expression is somber and reflective. A speech bubble is positioned near her ear.

"..I possessed
Chiaki's body.."

A close-up, high-resolution image of a woman's face, focusing on her eyes, nose, and lips. She has dark hair and is wearing a blue top with white stripes. Her expression is neutral. A speech bubble is positioned on the left side of her face.

"..and I need to have
you used the pills."

"With her, I can provoke you to use it."

Kyoko. How long can you take when that person keep bullied you everyday?

"As I expected,
you followed it
like my puppet."

"Of course, I keep hiding myself in Chiaki's body until you used the pills."

"Well.. because spirit can see sprit so.."

"Look at how you just fell into my trap! It's funny!"

Don't worry. You got what you wished for. Revenge me.

Y-You.. give.. hah..
me back.. ah.. my
body.. p-please..

Oh.. The sexual
drugs started to
kick in.

Hm.. You are beautiful, rich and good at everything.

W-What..?

She is standing in a room with a window in the background showing a blue sky. Her hands are clasped in front of her. There are two speech bubbles: one on the left containing text and one on the right containing text.

"Hah.. Chiaki won't remember that I used her body yesterday."

I'm fine. Where was you yesterday, Chiaki?

Uhm.. I don't
