| Name:  | Spoon of Tortured Souls |  |
| Rare (one of a kind)<br>Cursed Object  | Worth: ??? GP           |  |
| <p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors. This spoon was considered the most dangerous.</p> <p>This spoon is decorated with an armor clad mask and one life like demonic eye in the base. Whoever is within the eye's sight must never lie. If they do, they must resist having their vary soul ripped from their body ( Con Save DC:20) On failure, the mask will open its eyes and grin, the victim's soul is absorbed through the eye and replaced with the previous victim. The mask will then change to look like the new victim as the now free soul takes control of the empty body.</p> <p>Within the spoon, the victim will be fully aware of everything around them. As an addition part of their suffering, the eye can fully feel everything that makes contact with it.</p> |                         |  |
