Many years ago..

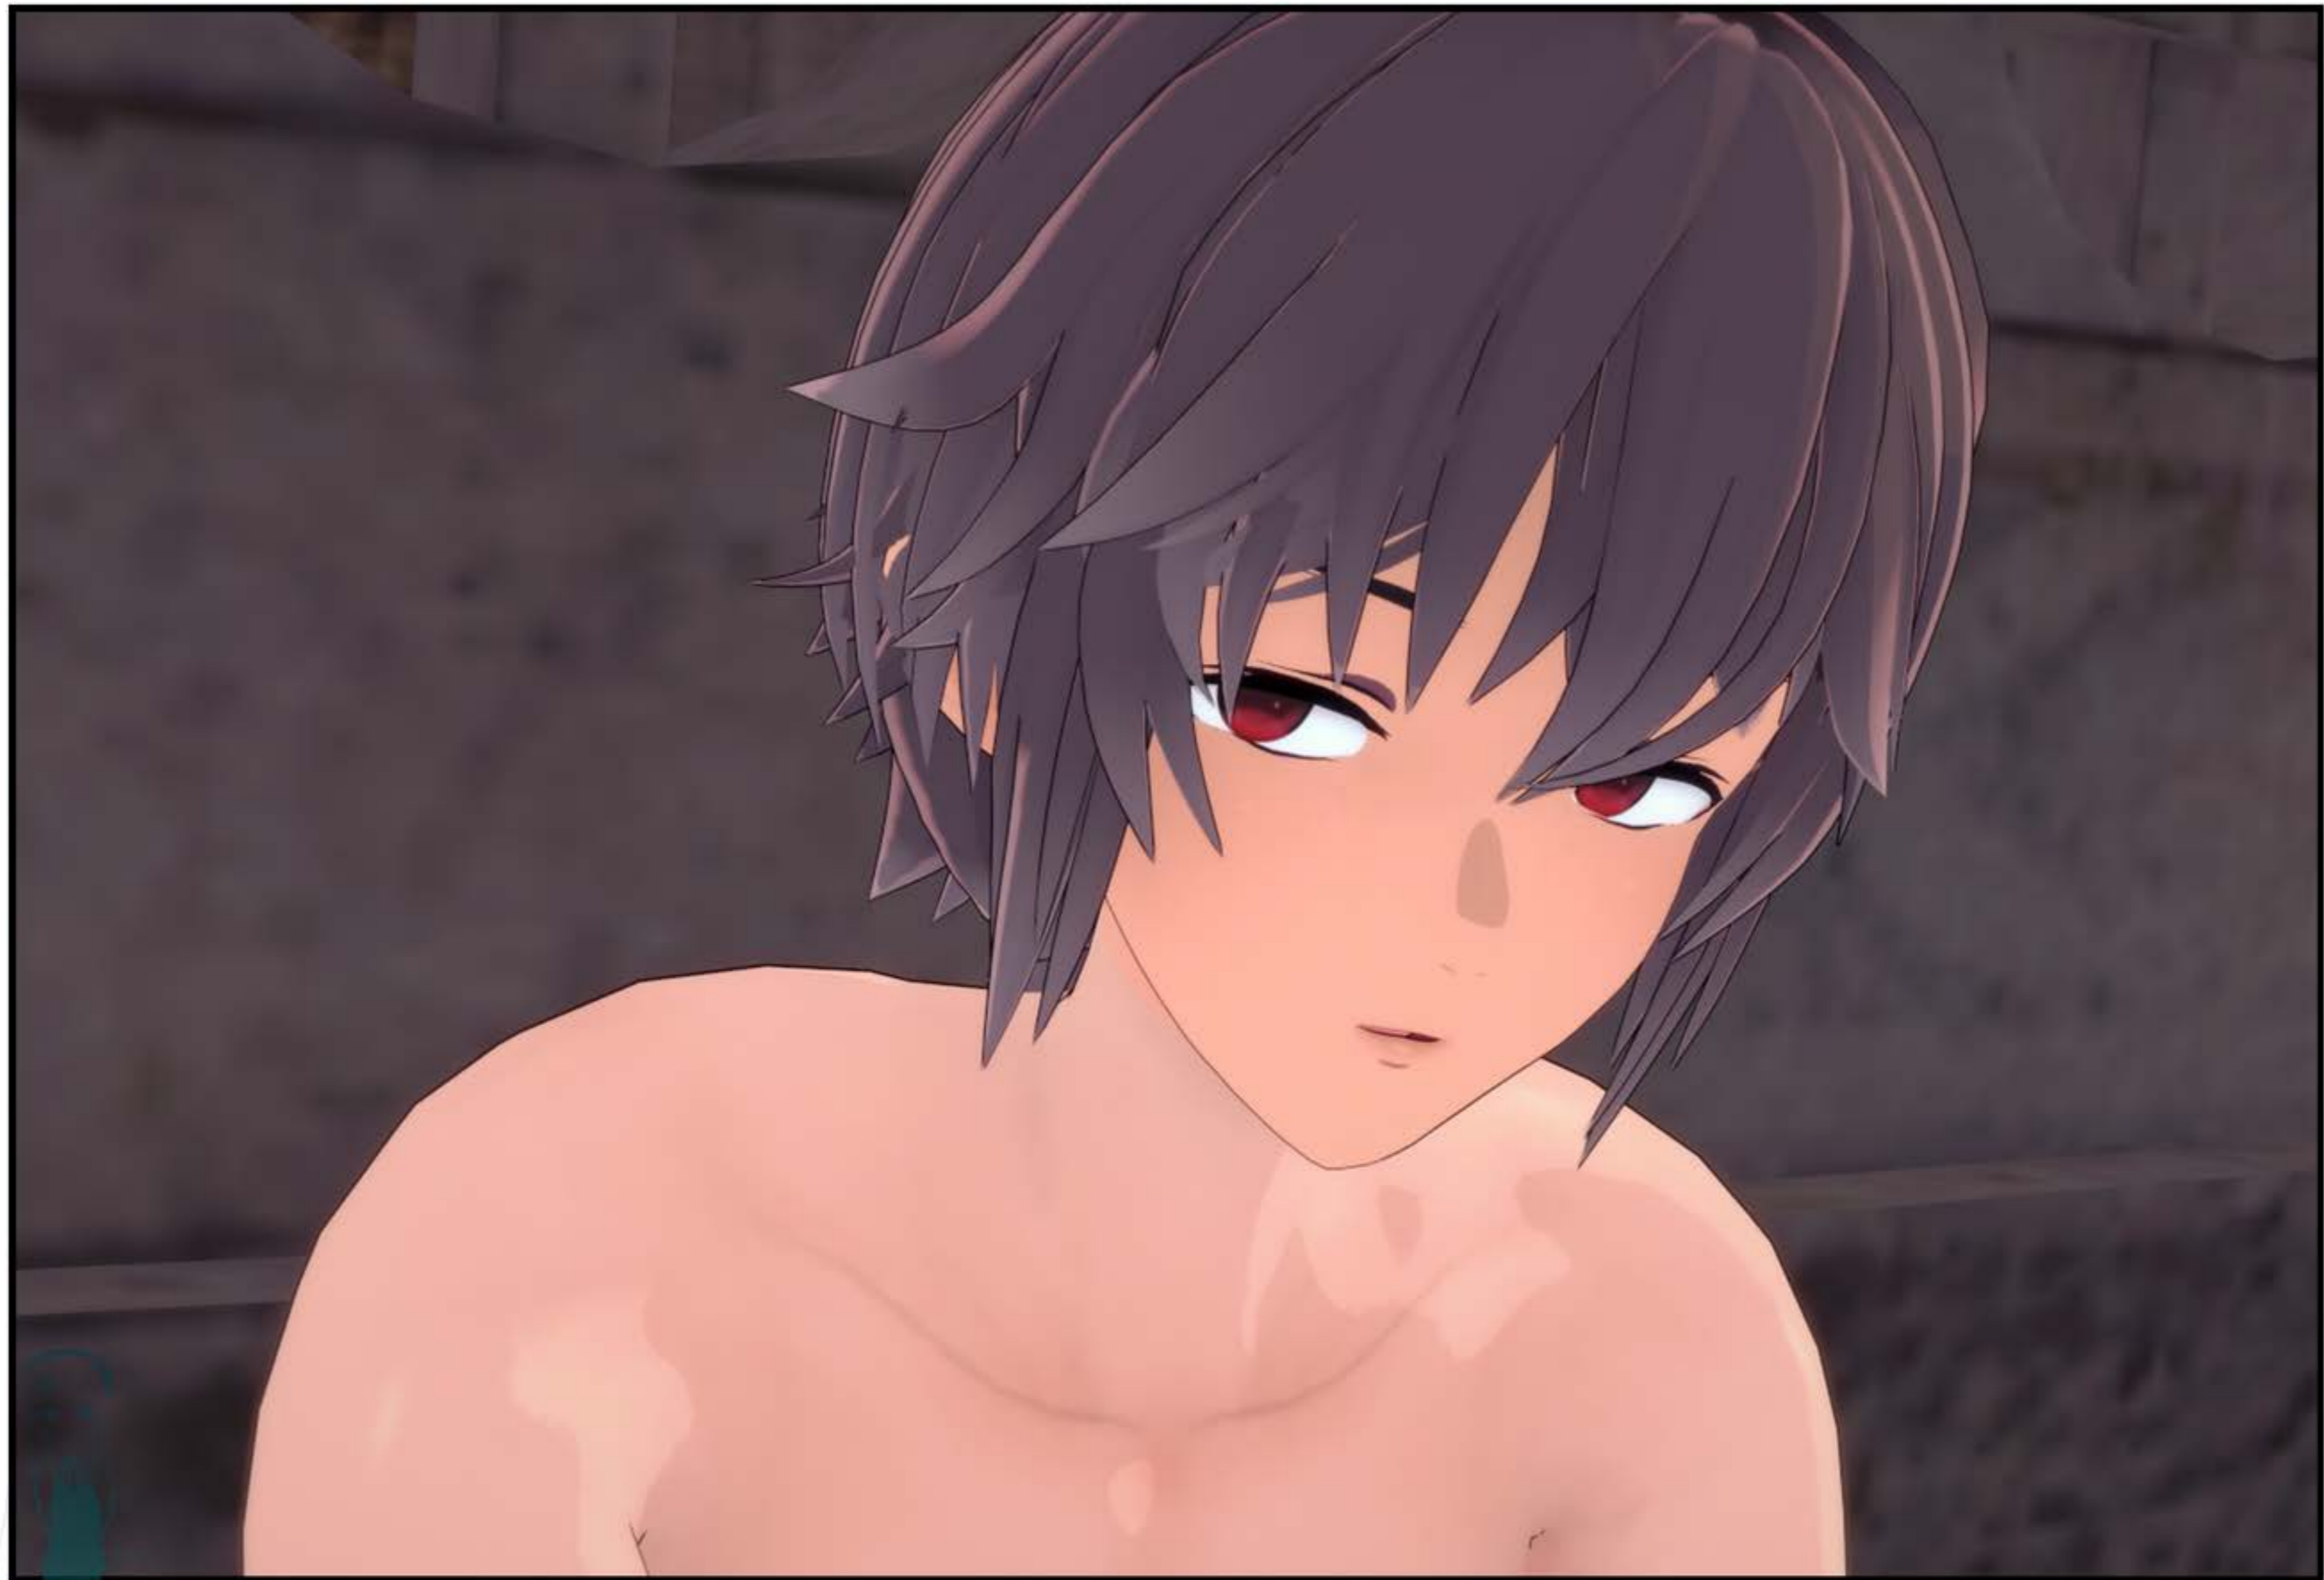

A manga-style illustration. On the left, a woman with long, flowing grey hair is shown from the chest up, looking towards the right. She has a neutral expression. On the right, a young boy with short black hair is sitting on the ground, hunched over with his head buried in his arms, appearing to be crying or in distress. He is completely naked. The background consists of a dark grey stone wall with some green moss or plants growing on it. The ground is a mix of dark grey and green grass. A speech bubble is positioned between the woman and the boy.

"A naked boy.."

Hey, you. The  
one who is sitting.

A character wearing a grey uniform with a gold badge on the chest is shown from the waist up. Their right arm is extended, with the hand open and palm facing up. The background is a dark night sky filled with stars and some purple nebulae. A green tree and a dark roofline are visible in the lower part of the frame.

Seem like you will  
need some warm  
clothes and a shelter..

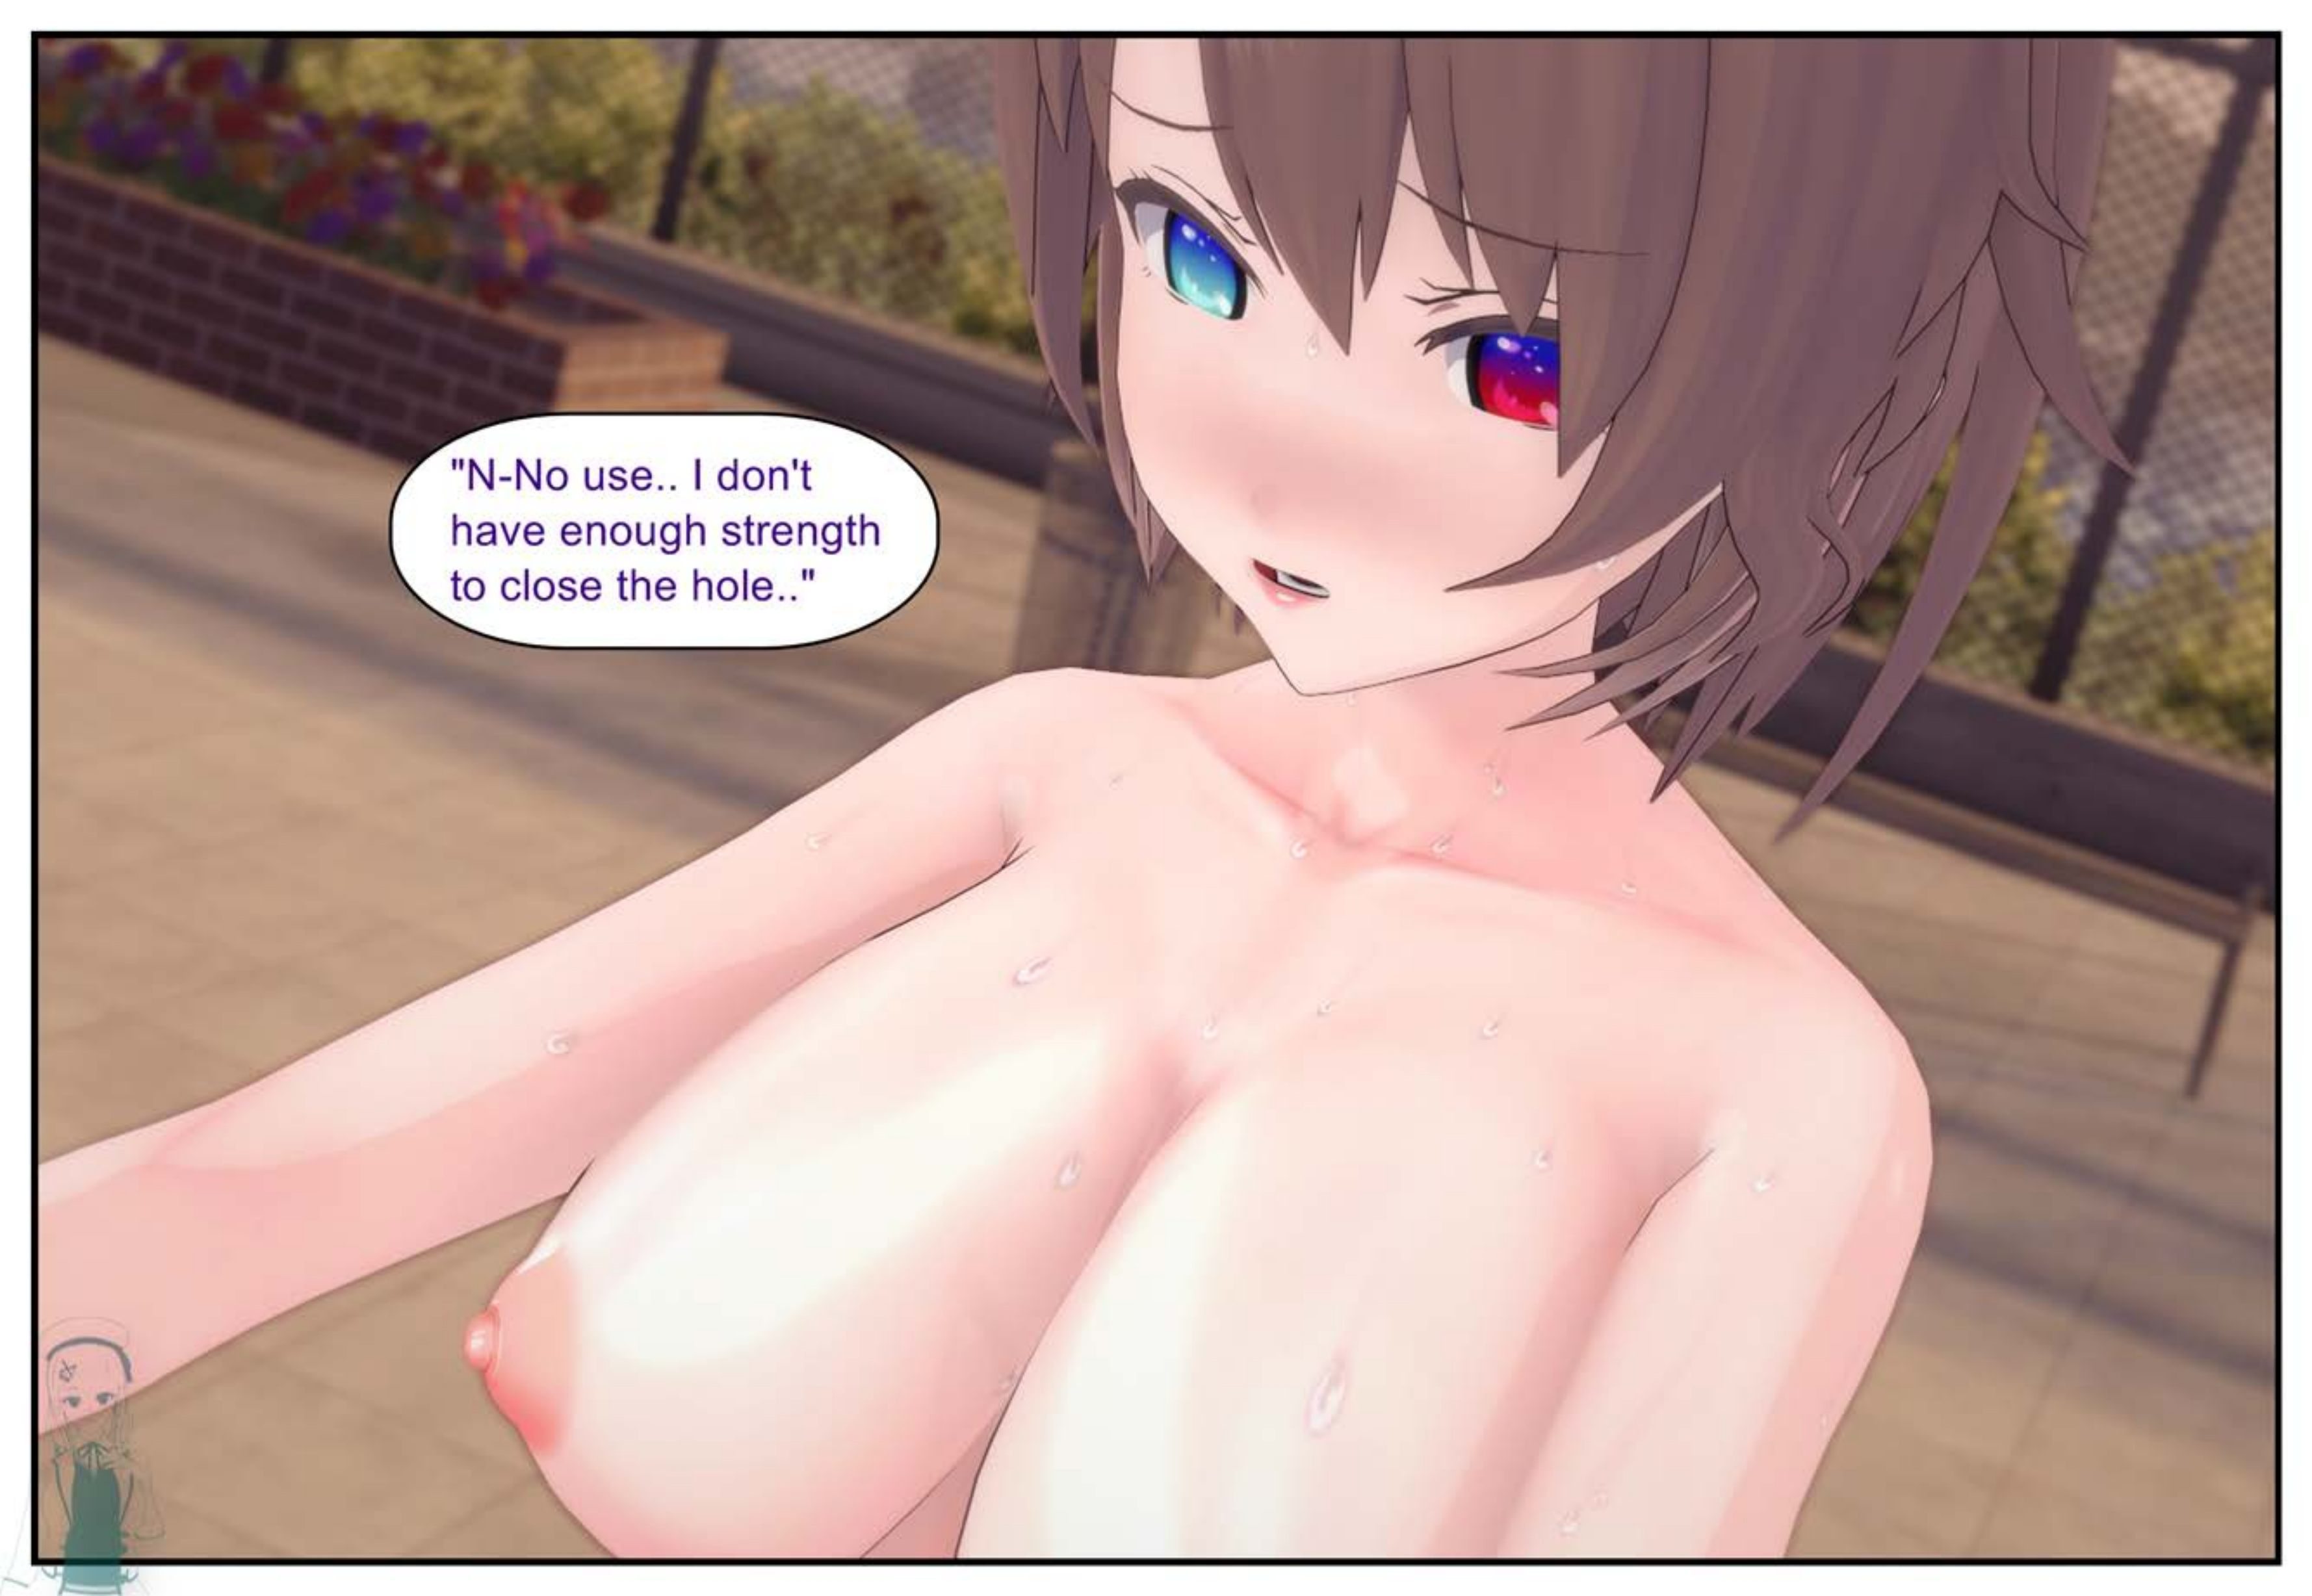

How about come  
stay with me, until  
you can get on with  
your own then?

"N-No use.. I don't  
have enough strength  
to close the hole.."

Hurry.. up.. We  
can't hold on..  
any longer..

Gyyyyaaaaa!!!!

Hyyaaaaaaa!!!  
Close it already!!

"Hah.. I can barely  
move.. feel so weak.."

"Are we.. going to end here..?"

hmr

"Is this.. the end?"

"Haha.. Am I going to die this way..?"

"Even that.. I only  
want Koji to live..  
a life without.."

A close-up illustration of a hand holding a pink sleeve. The sleeve has a single tear on it. The hand is wearing a black sleeve with white stripes. The background shows a building with a grid pattern.

I won't.. give up  
that easy.. This is  
all my doing..

N-Naoko..!?  
Why are you..!?

Please let me go! You  
can't get sucked in  
just because of me!

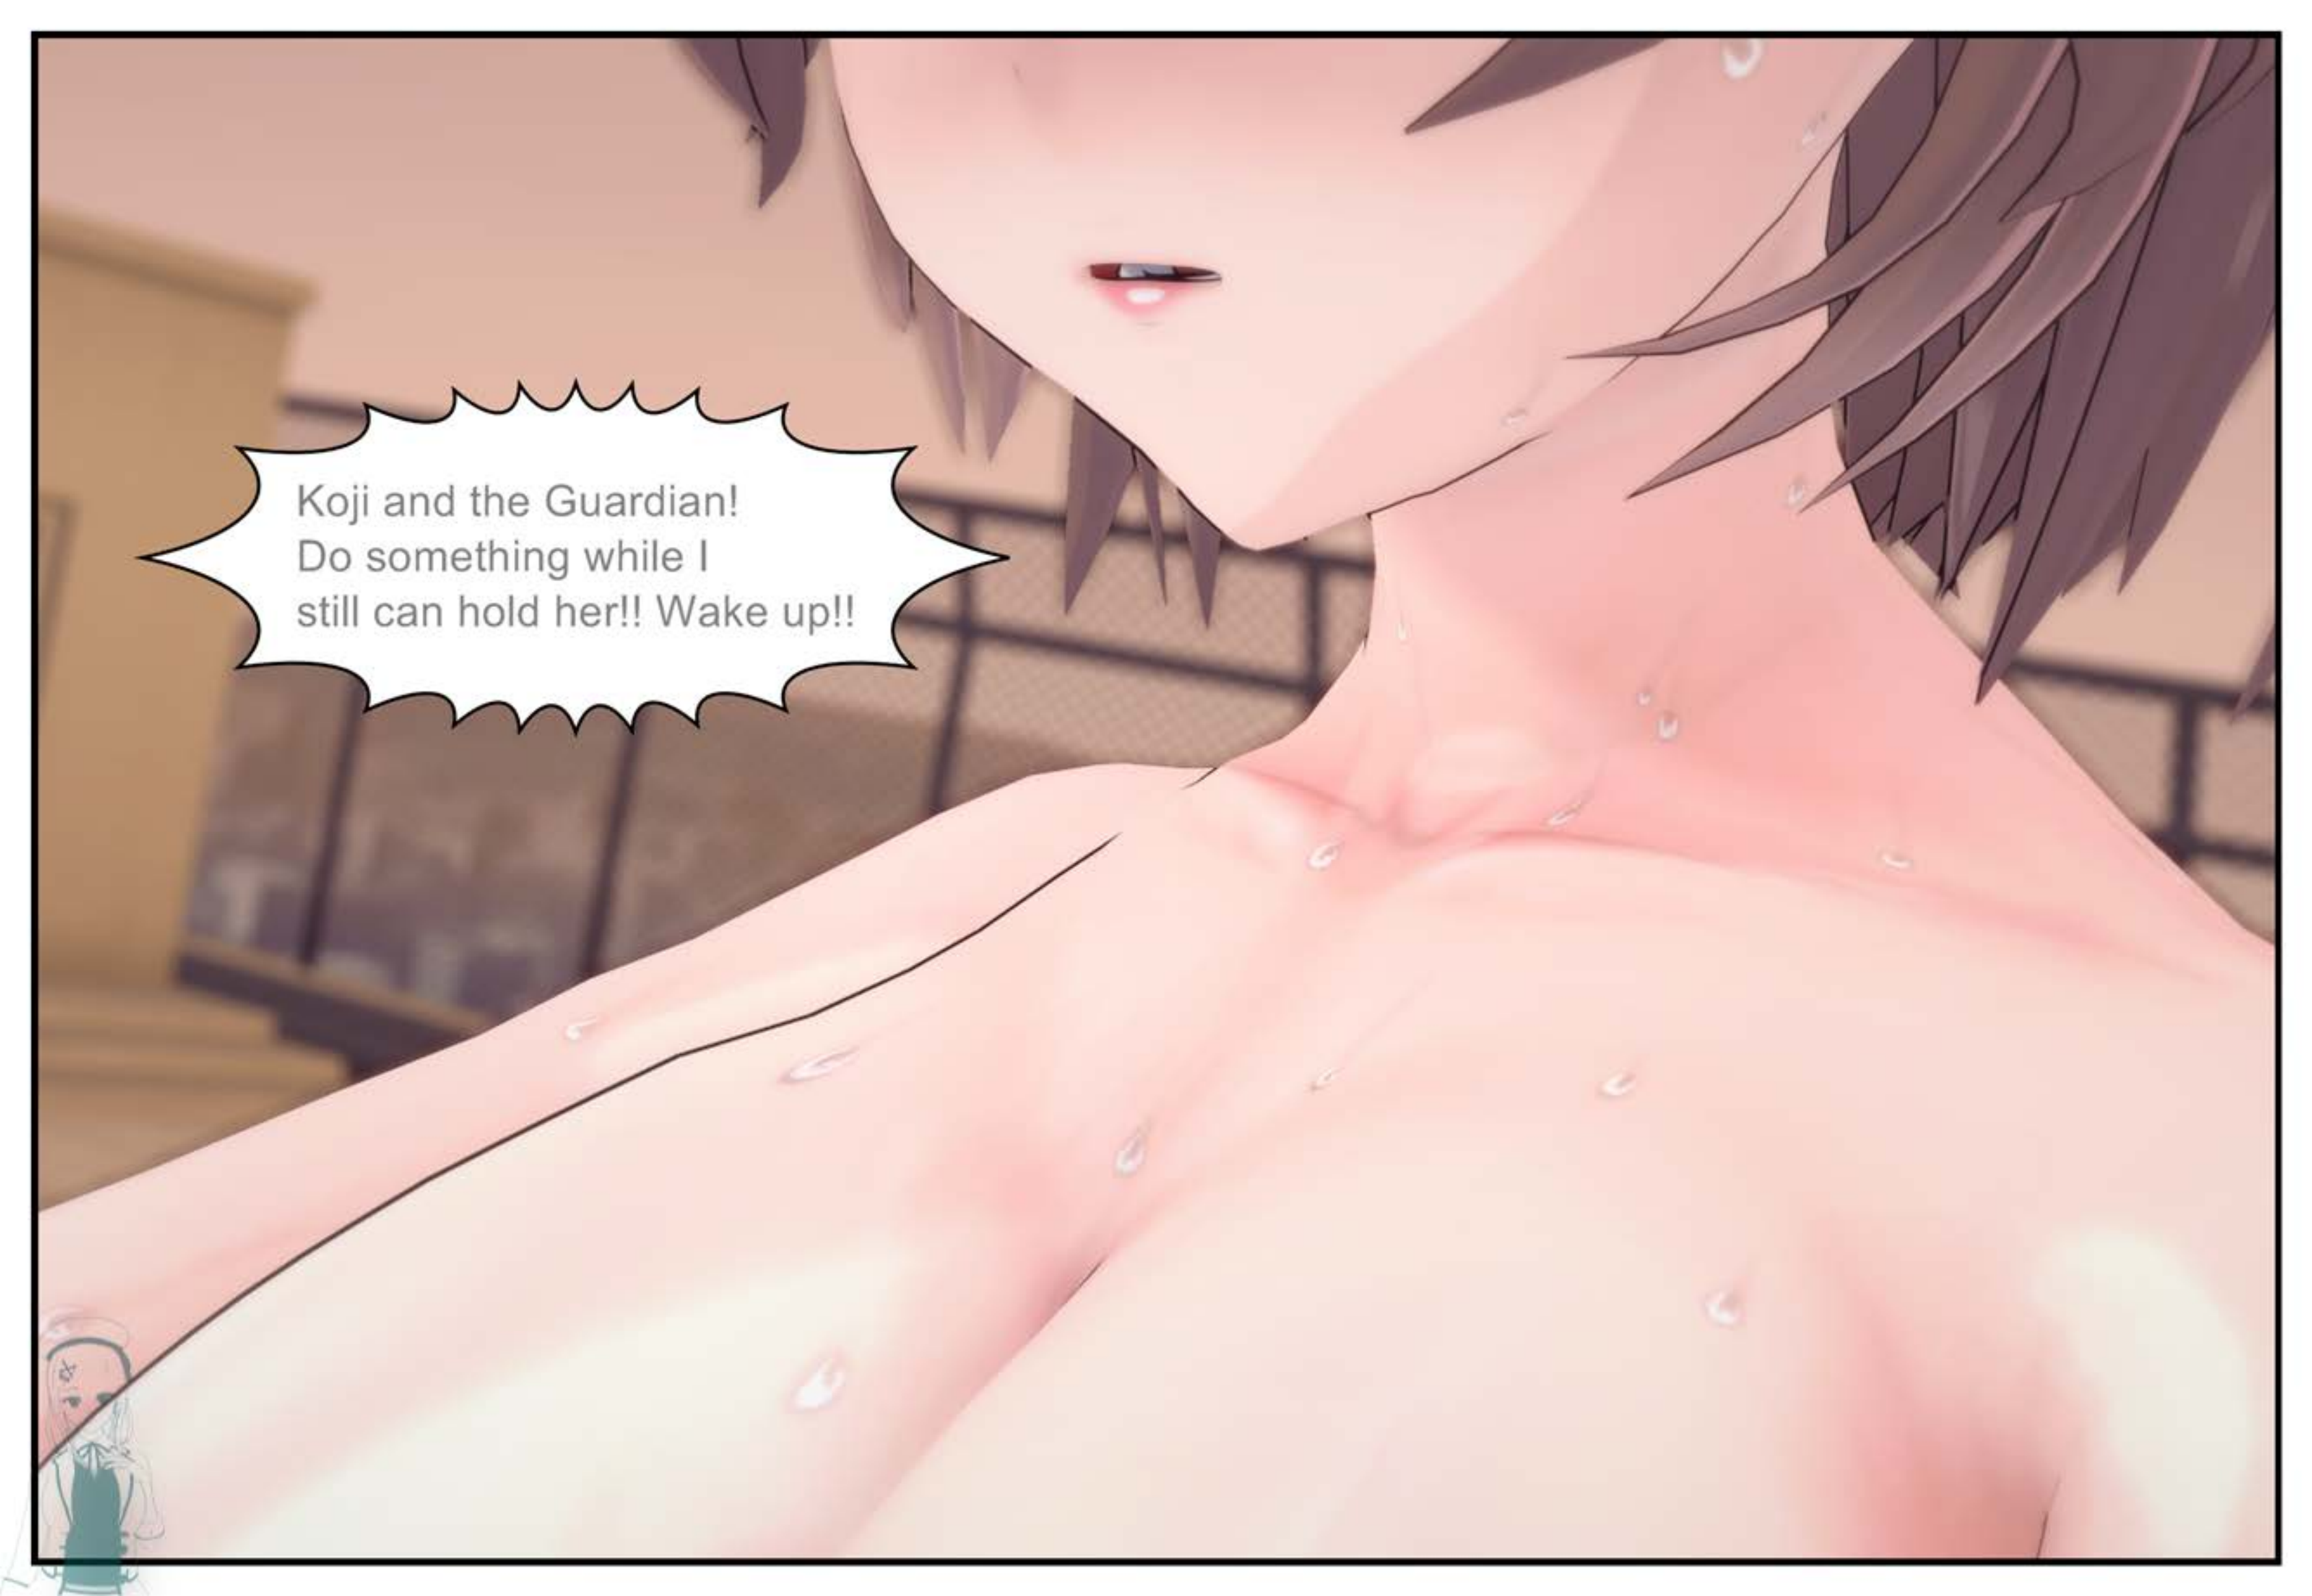

Do you think.. Koji  
could get over without you!?  
Or blame himself for  
dragging you in!?

I won't let any  
of that happen!

Koji and the Guardian!  
Do something while I  
still can hold her!! Wake up!!

"W-When did I  
pass out..!?"

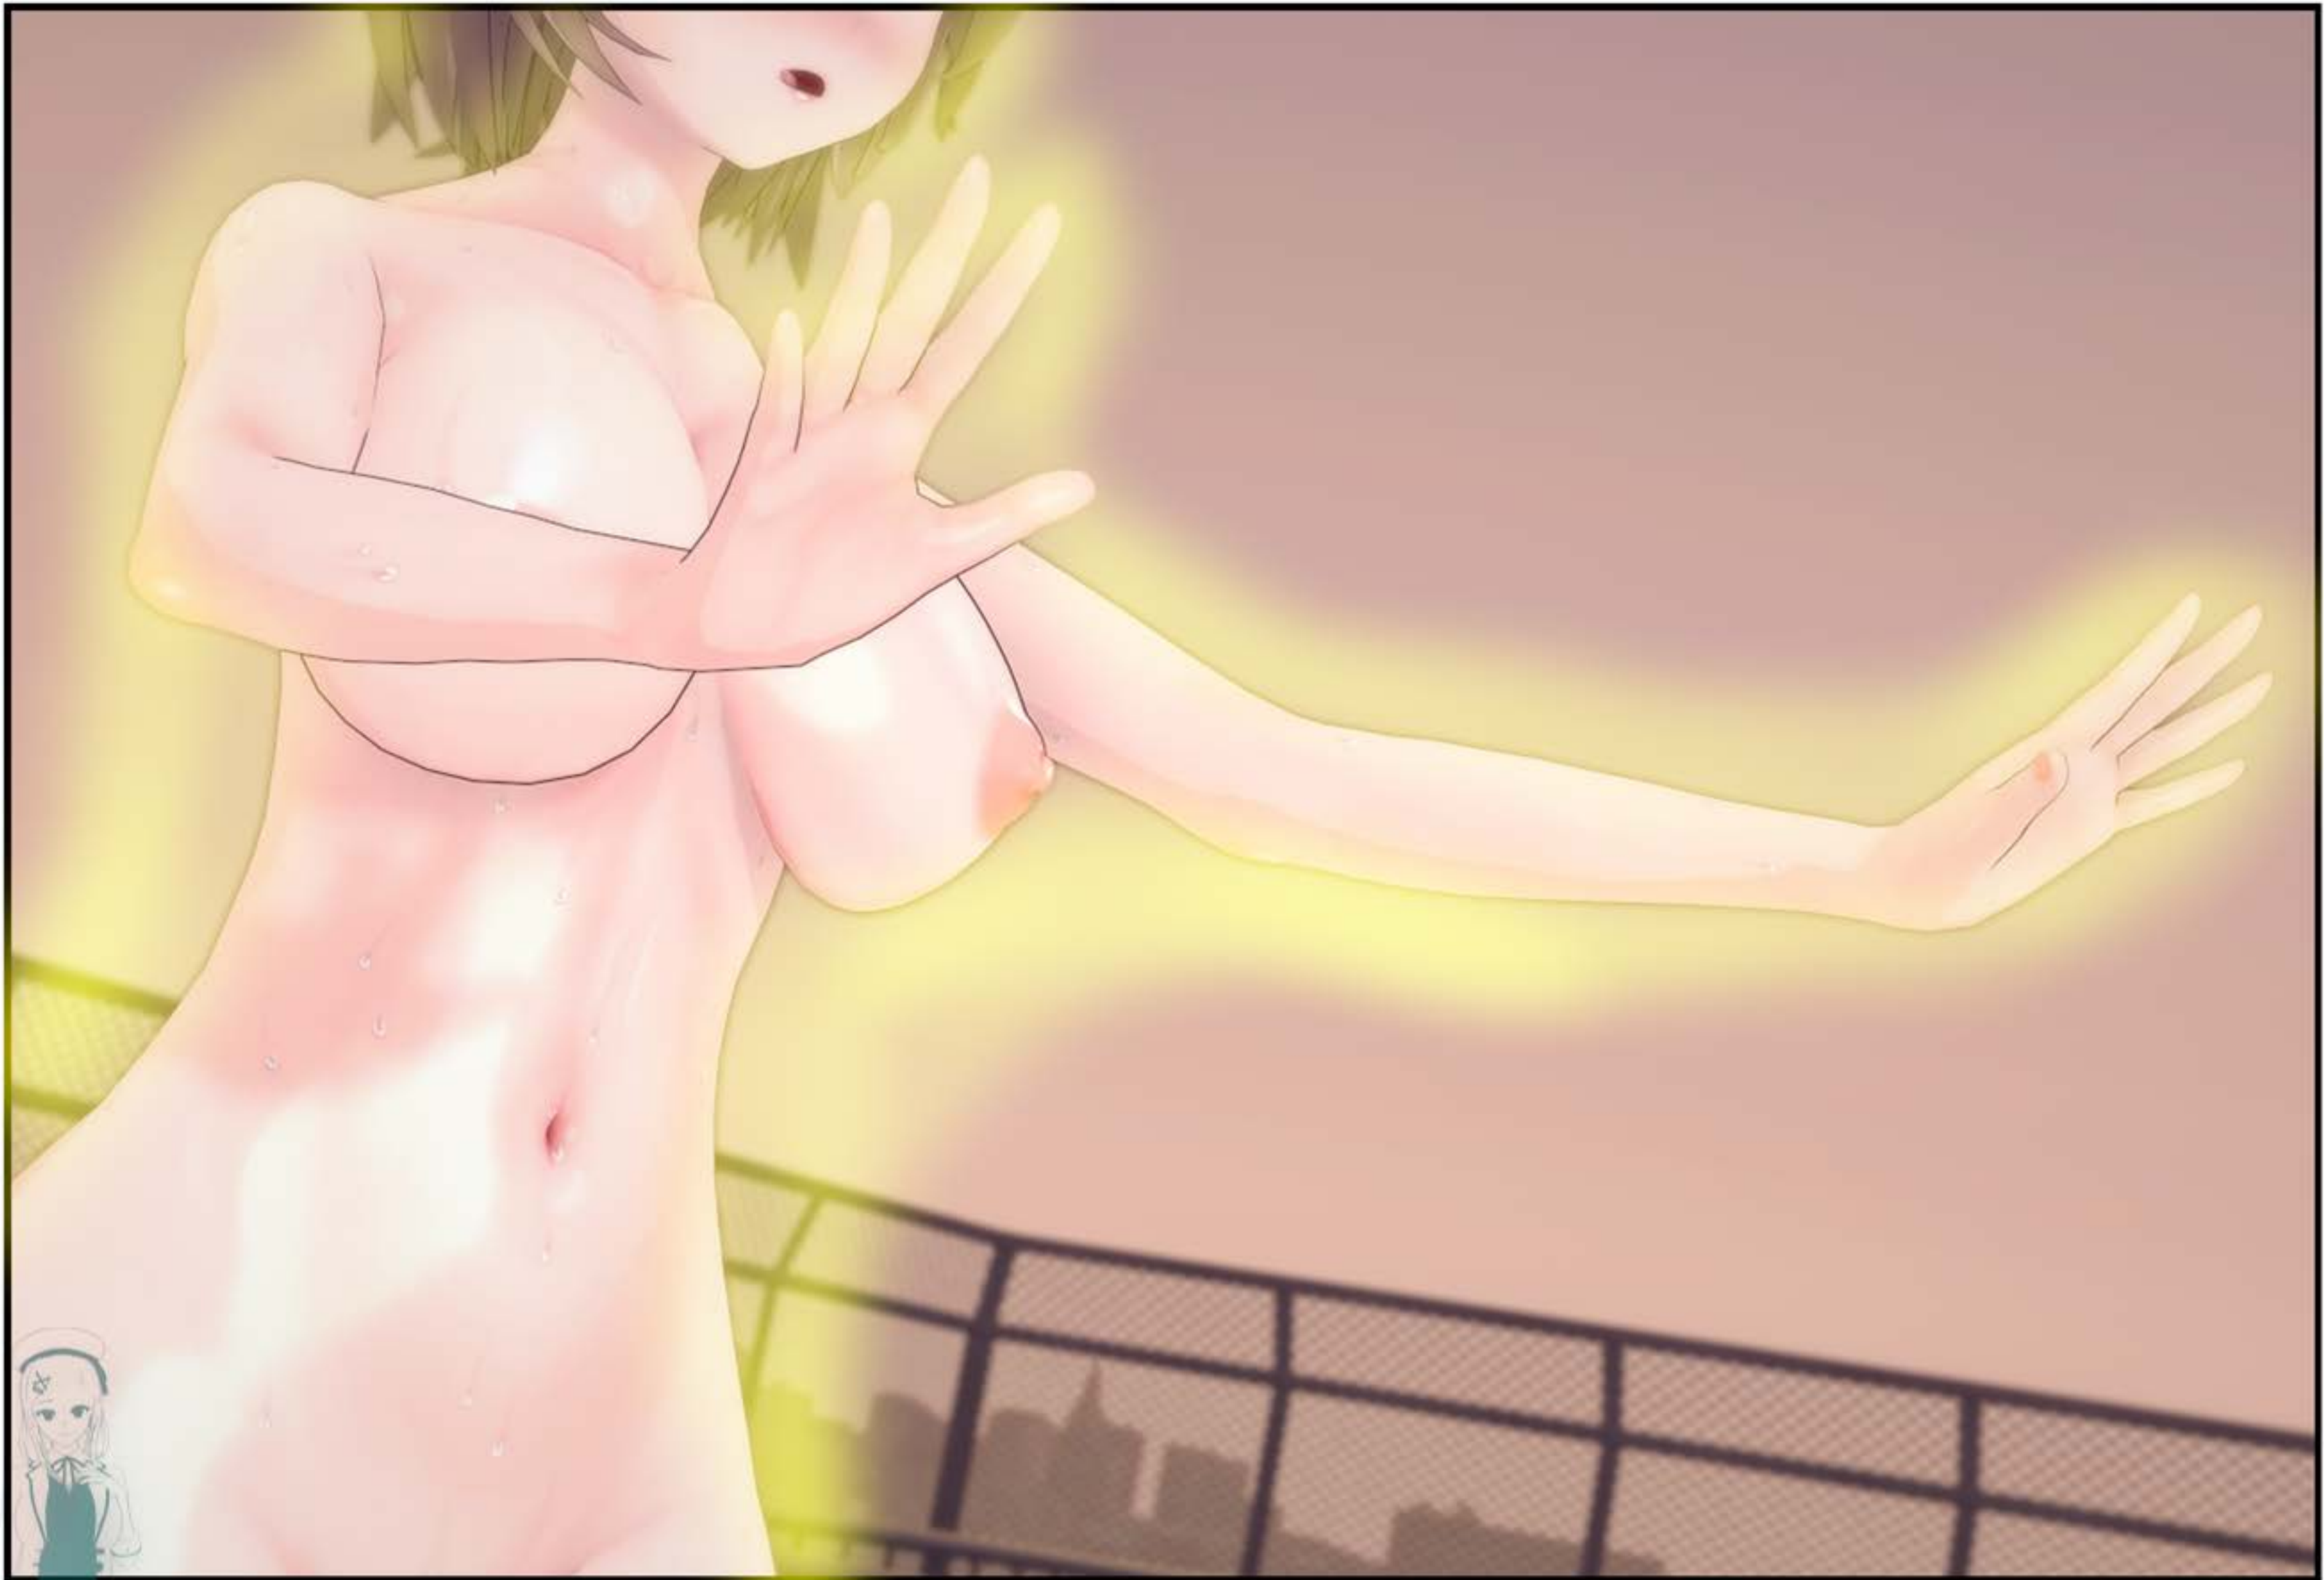

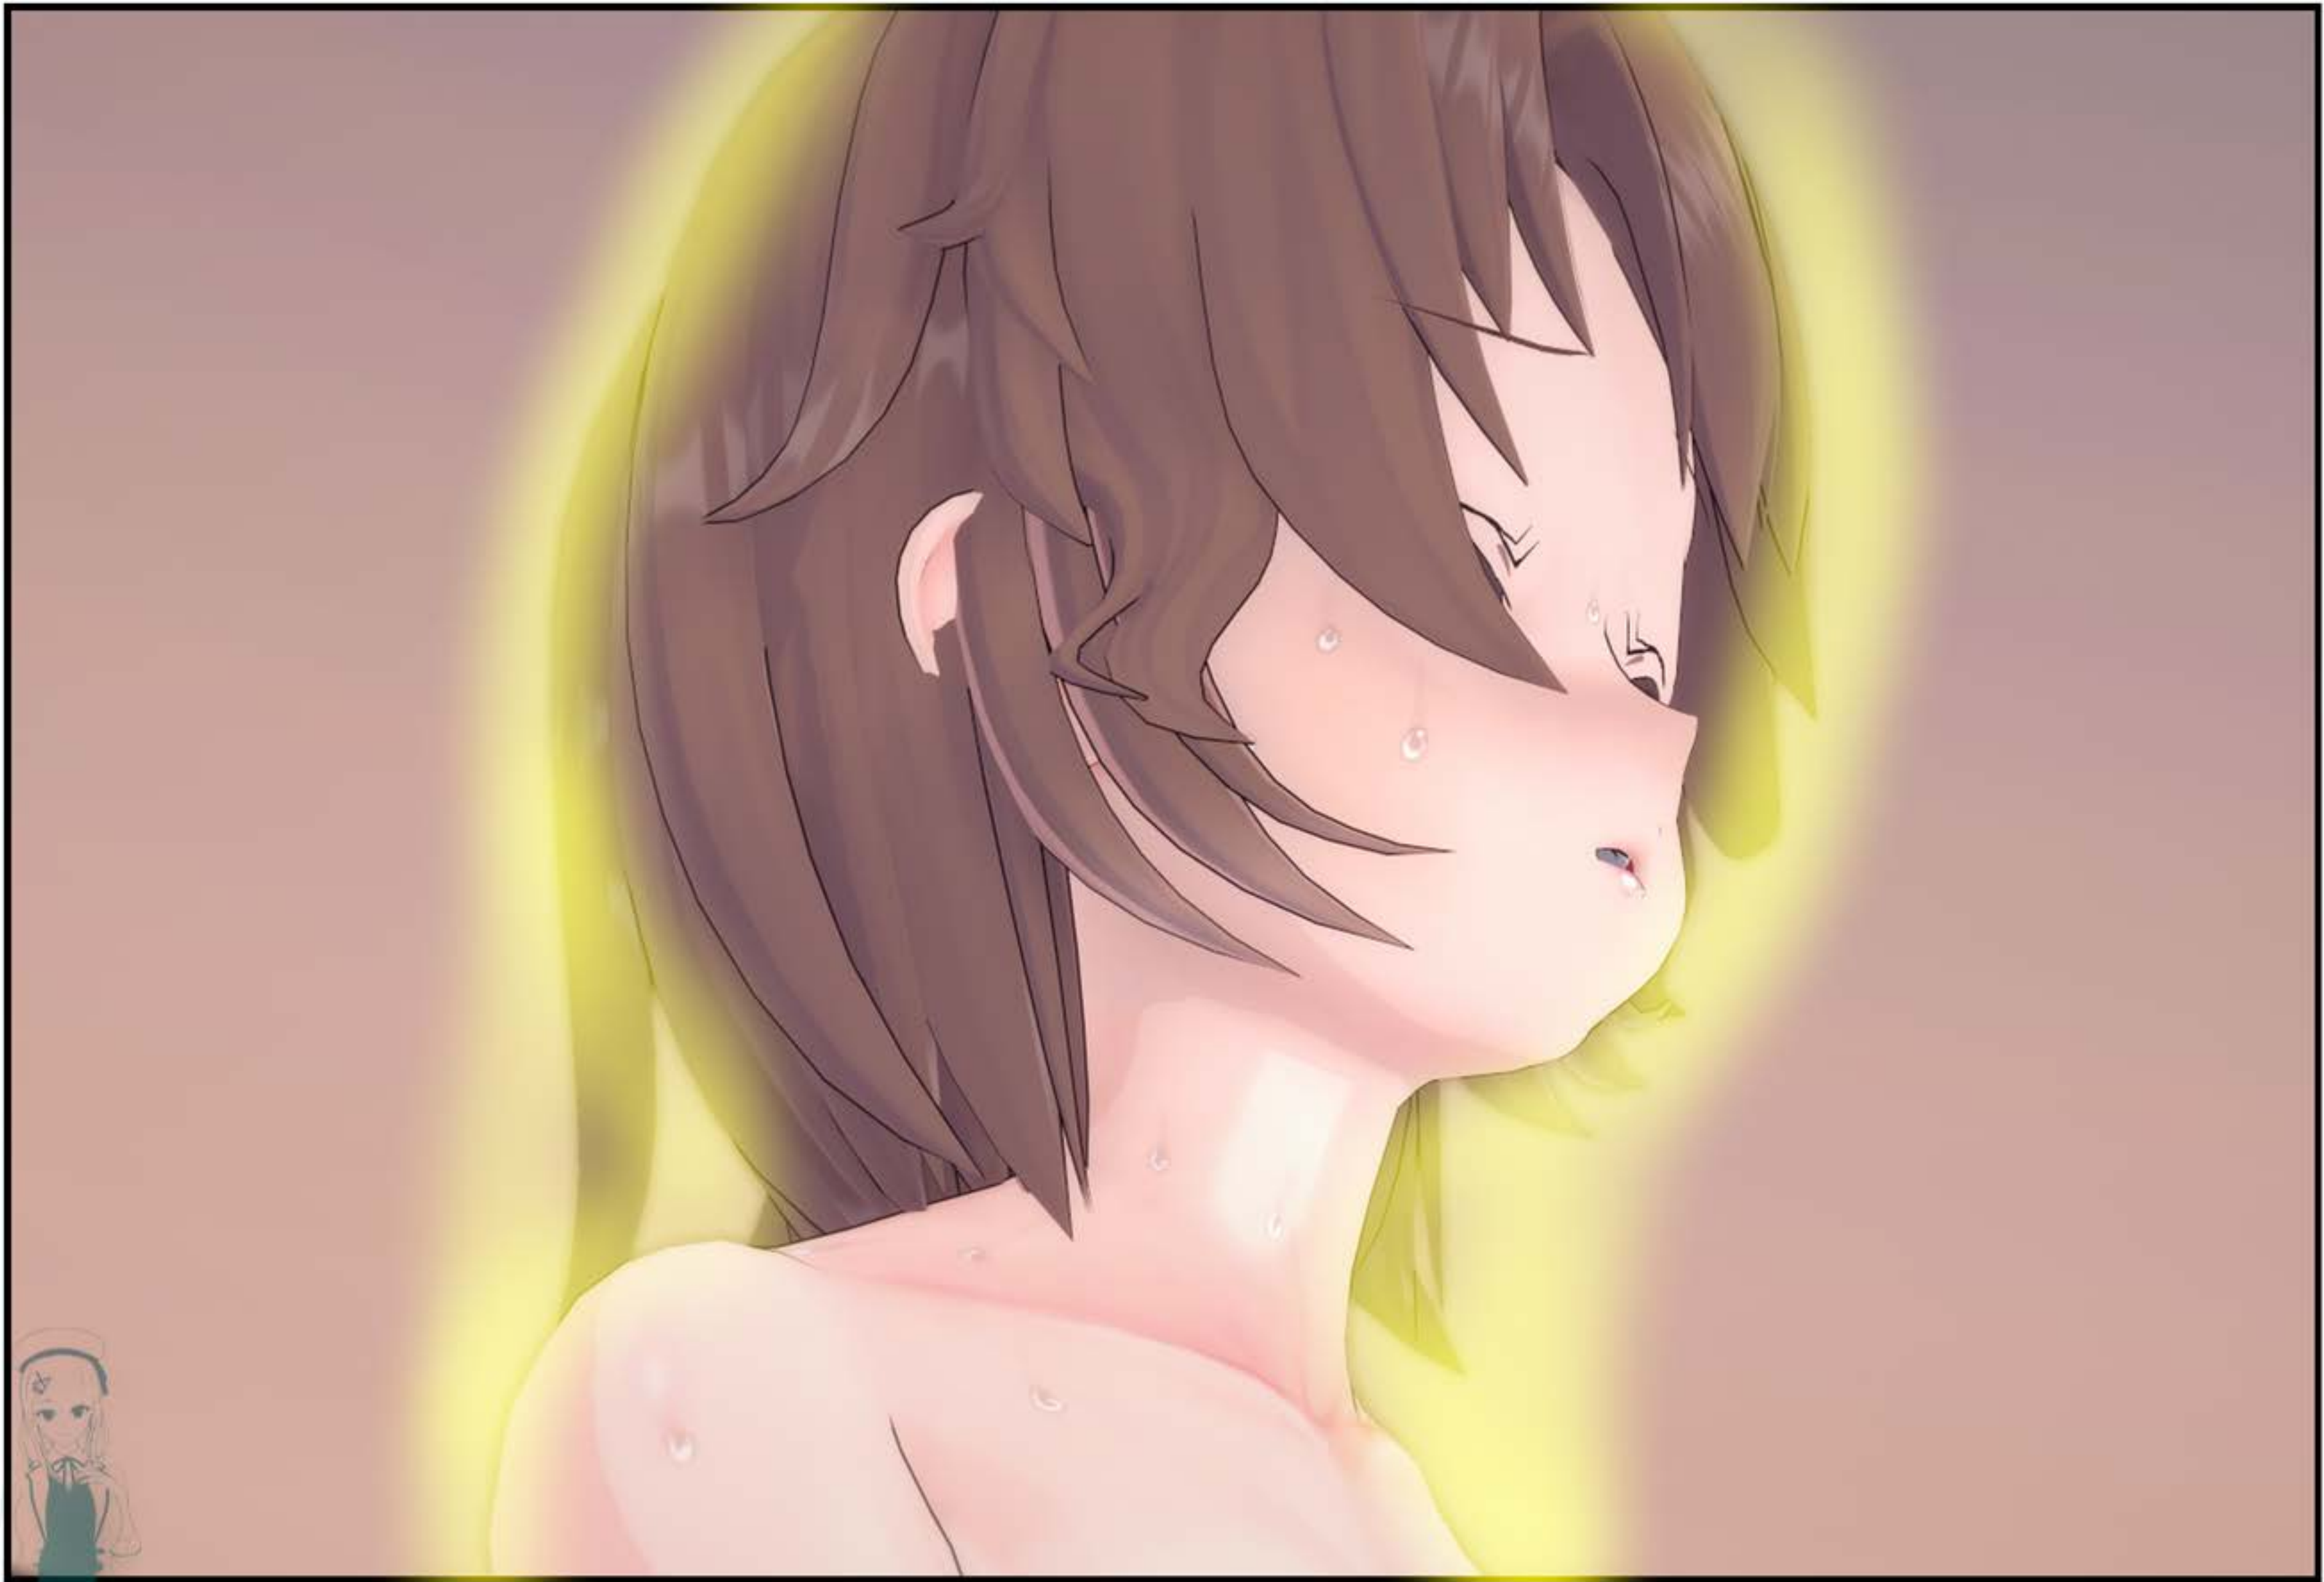

Please.. The unknown power.. grant me more of your strength..!!

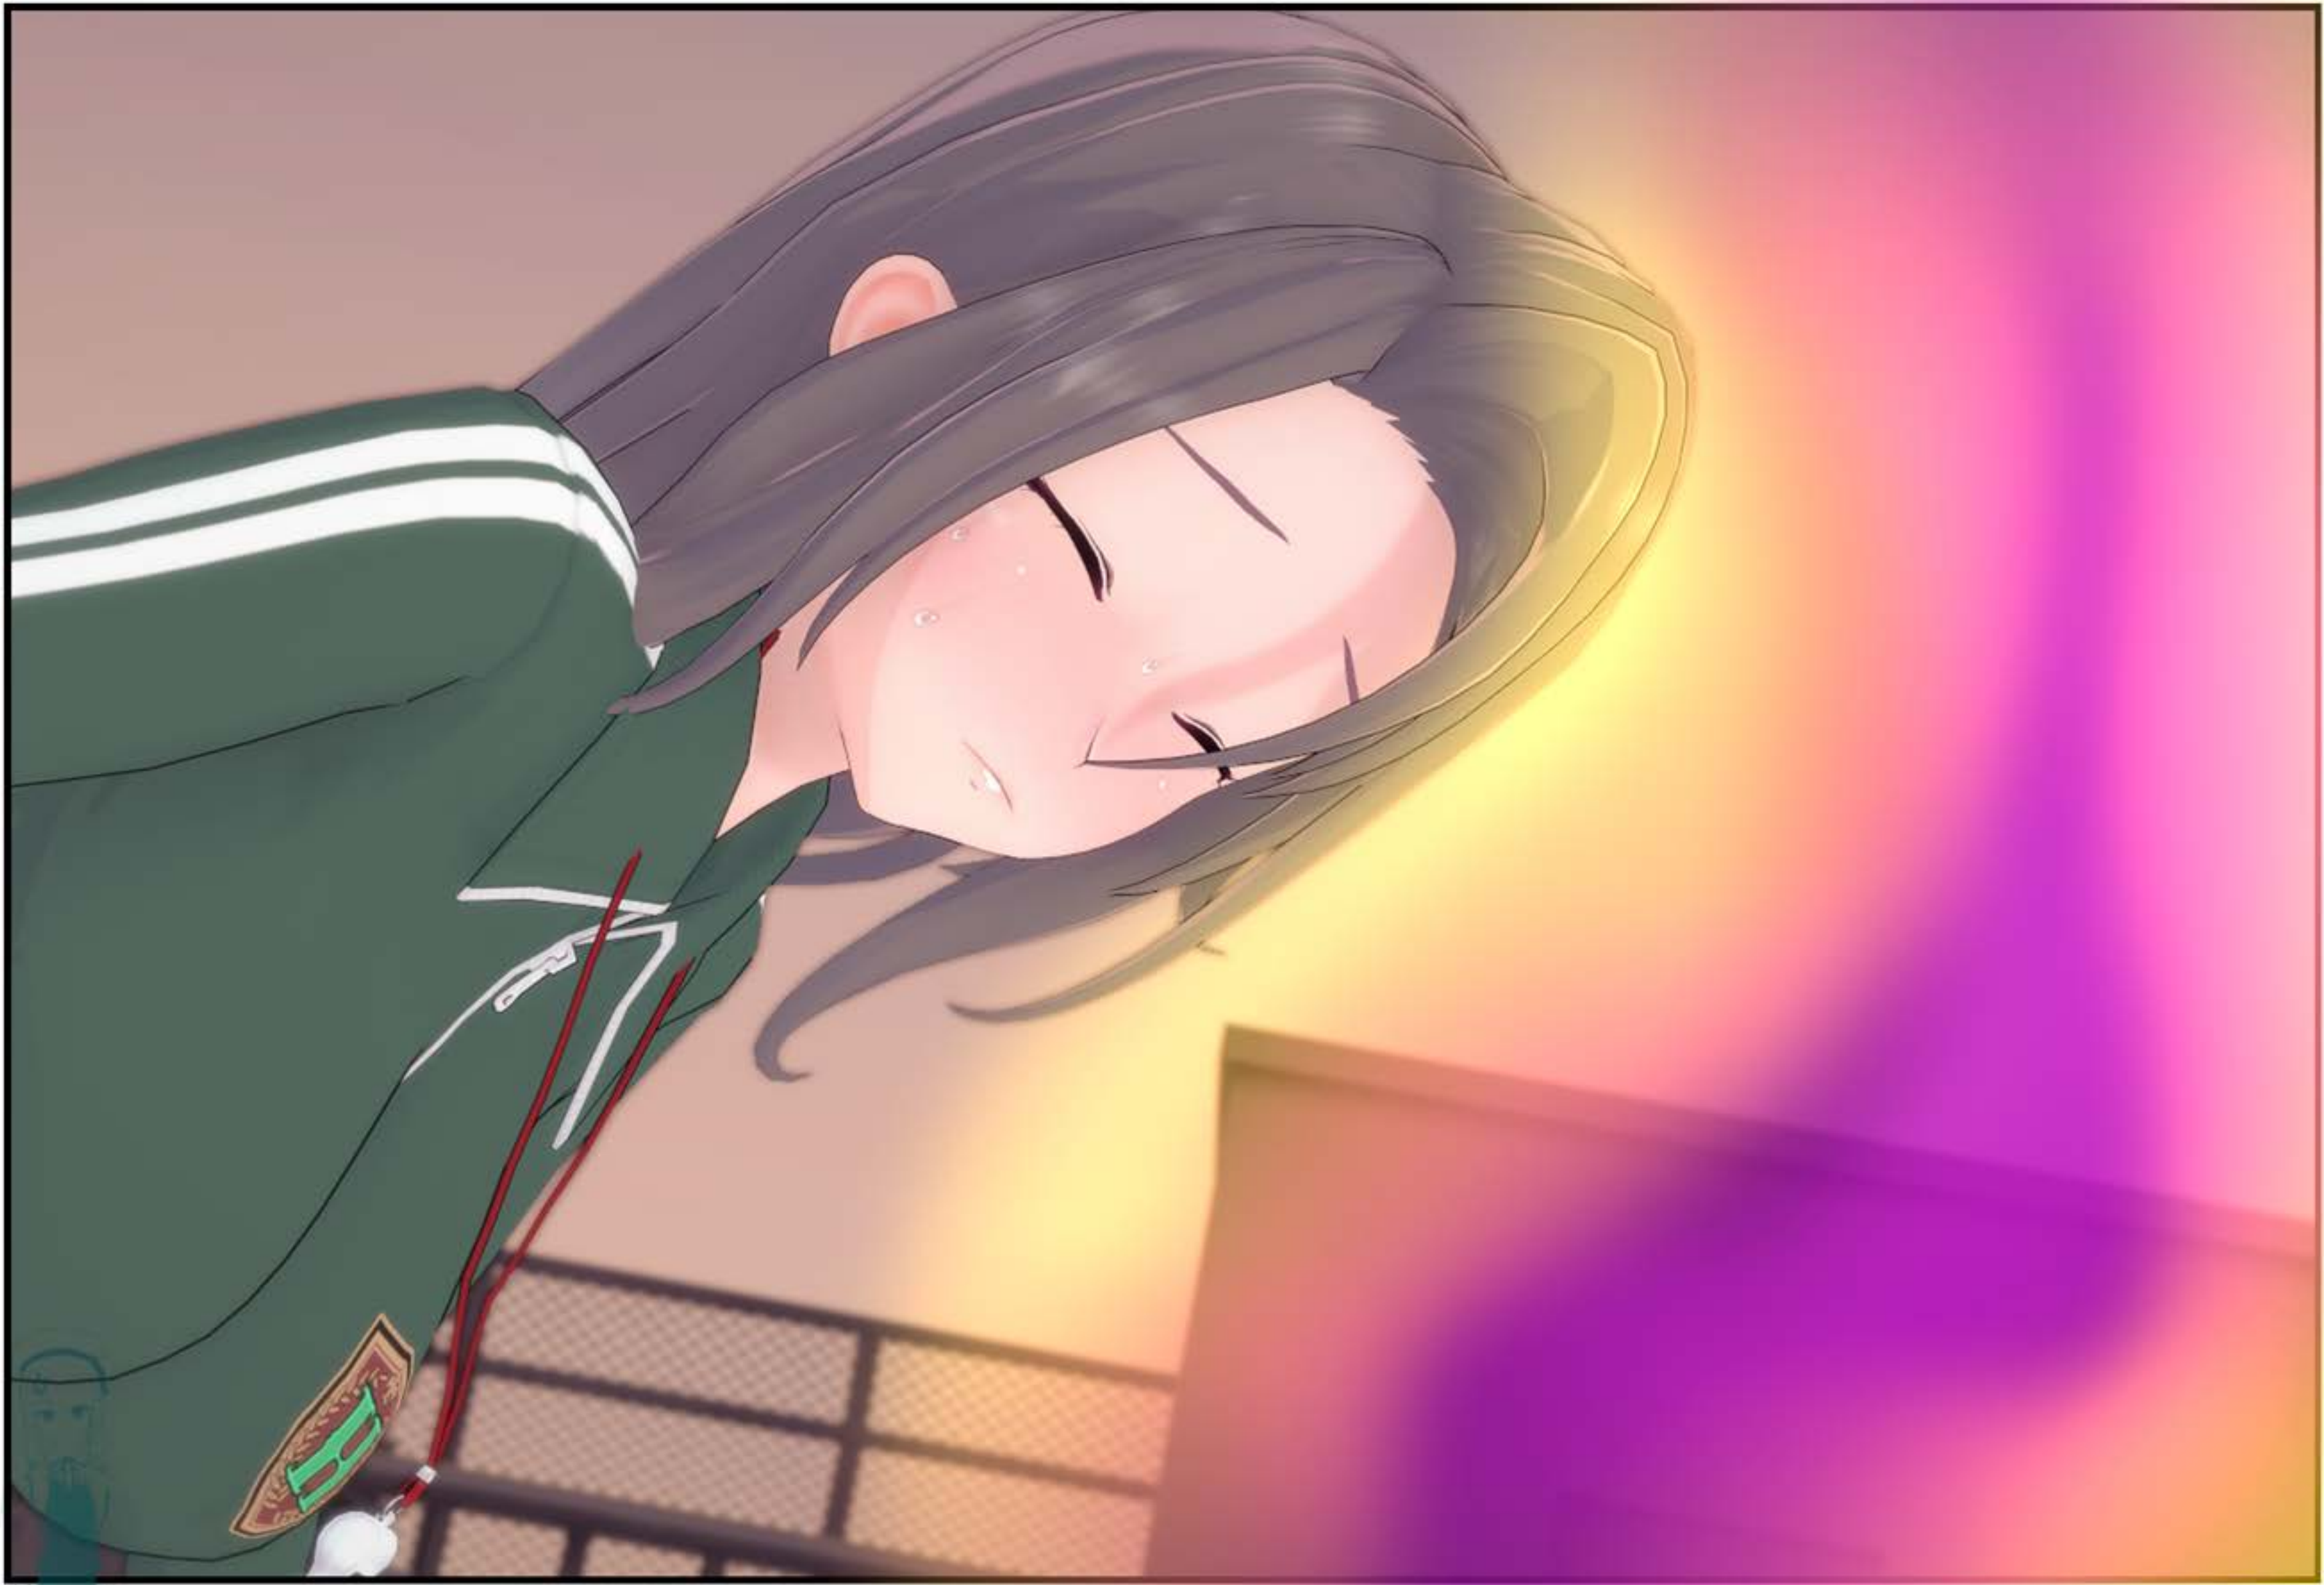

May the Goddess  
protect us.. May we  
defeat the evil!

And close the  
Gate to Hell!!!

Finally.. it's..  
over.. They did it..

Haha.. We did it..  
We save everyone..

All thanks to  
you.. if it hadn't  
been for that fusion..

I'm glad.. But it also mean that I couldn't protect you for a while..

Until then, you  
are responsibility  
for taking care of  
me, got it?

Ahaha.. Of course  
I will, my Princess..

W-Who is your  
Princess!!??

H-Huh..? What  
just.. happened..?

"Ah.. I think.. that's all I could do.. to fix my wrong doing.."

"I'm glad.. Koji and the people that he important are safe.."

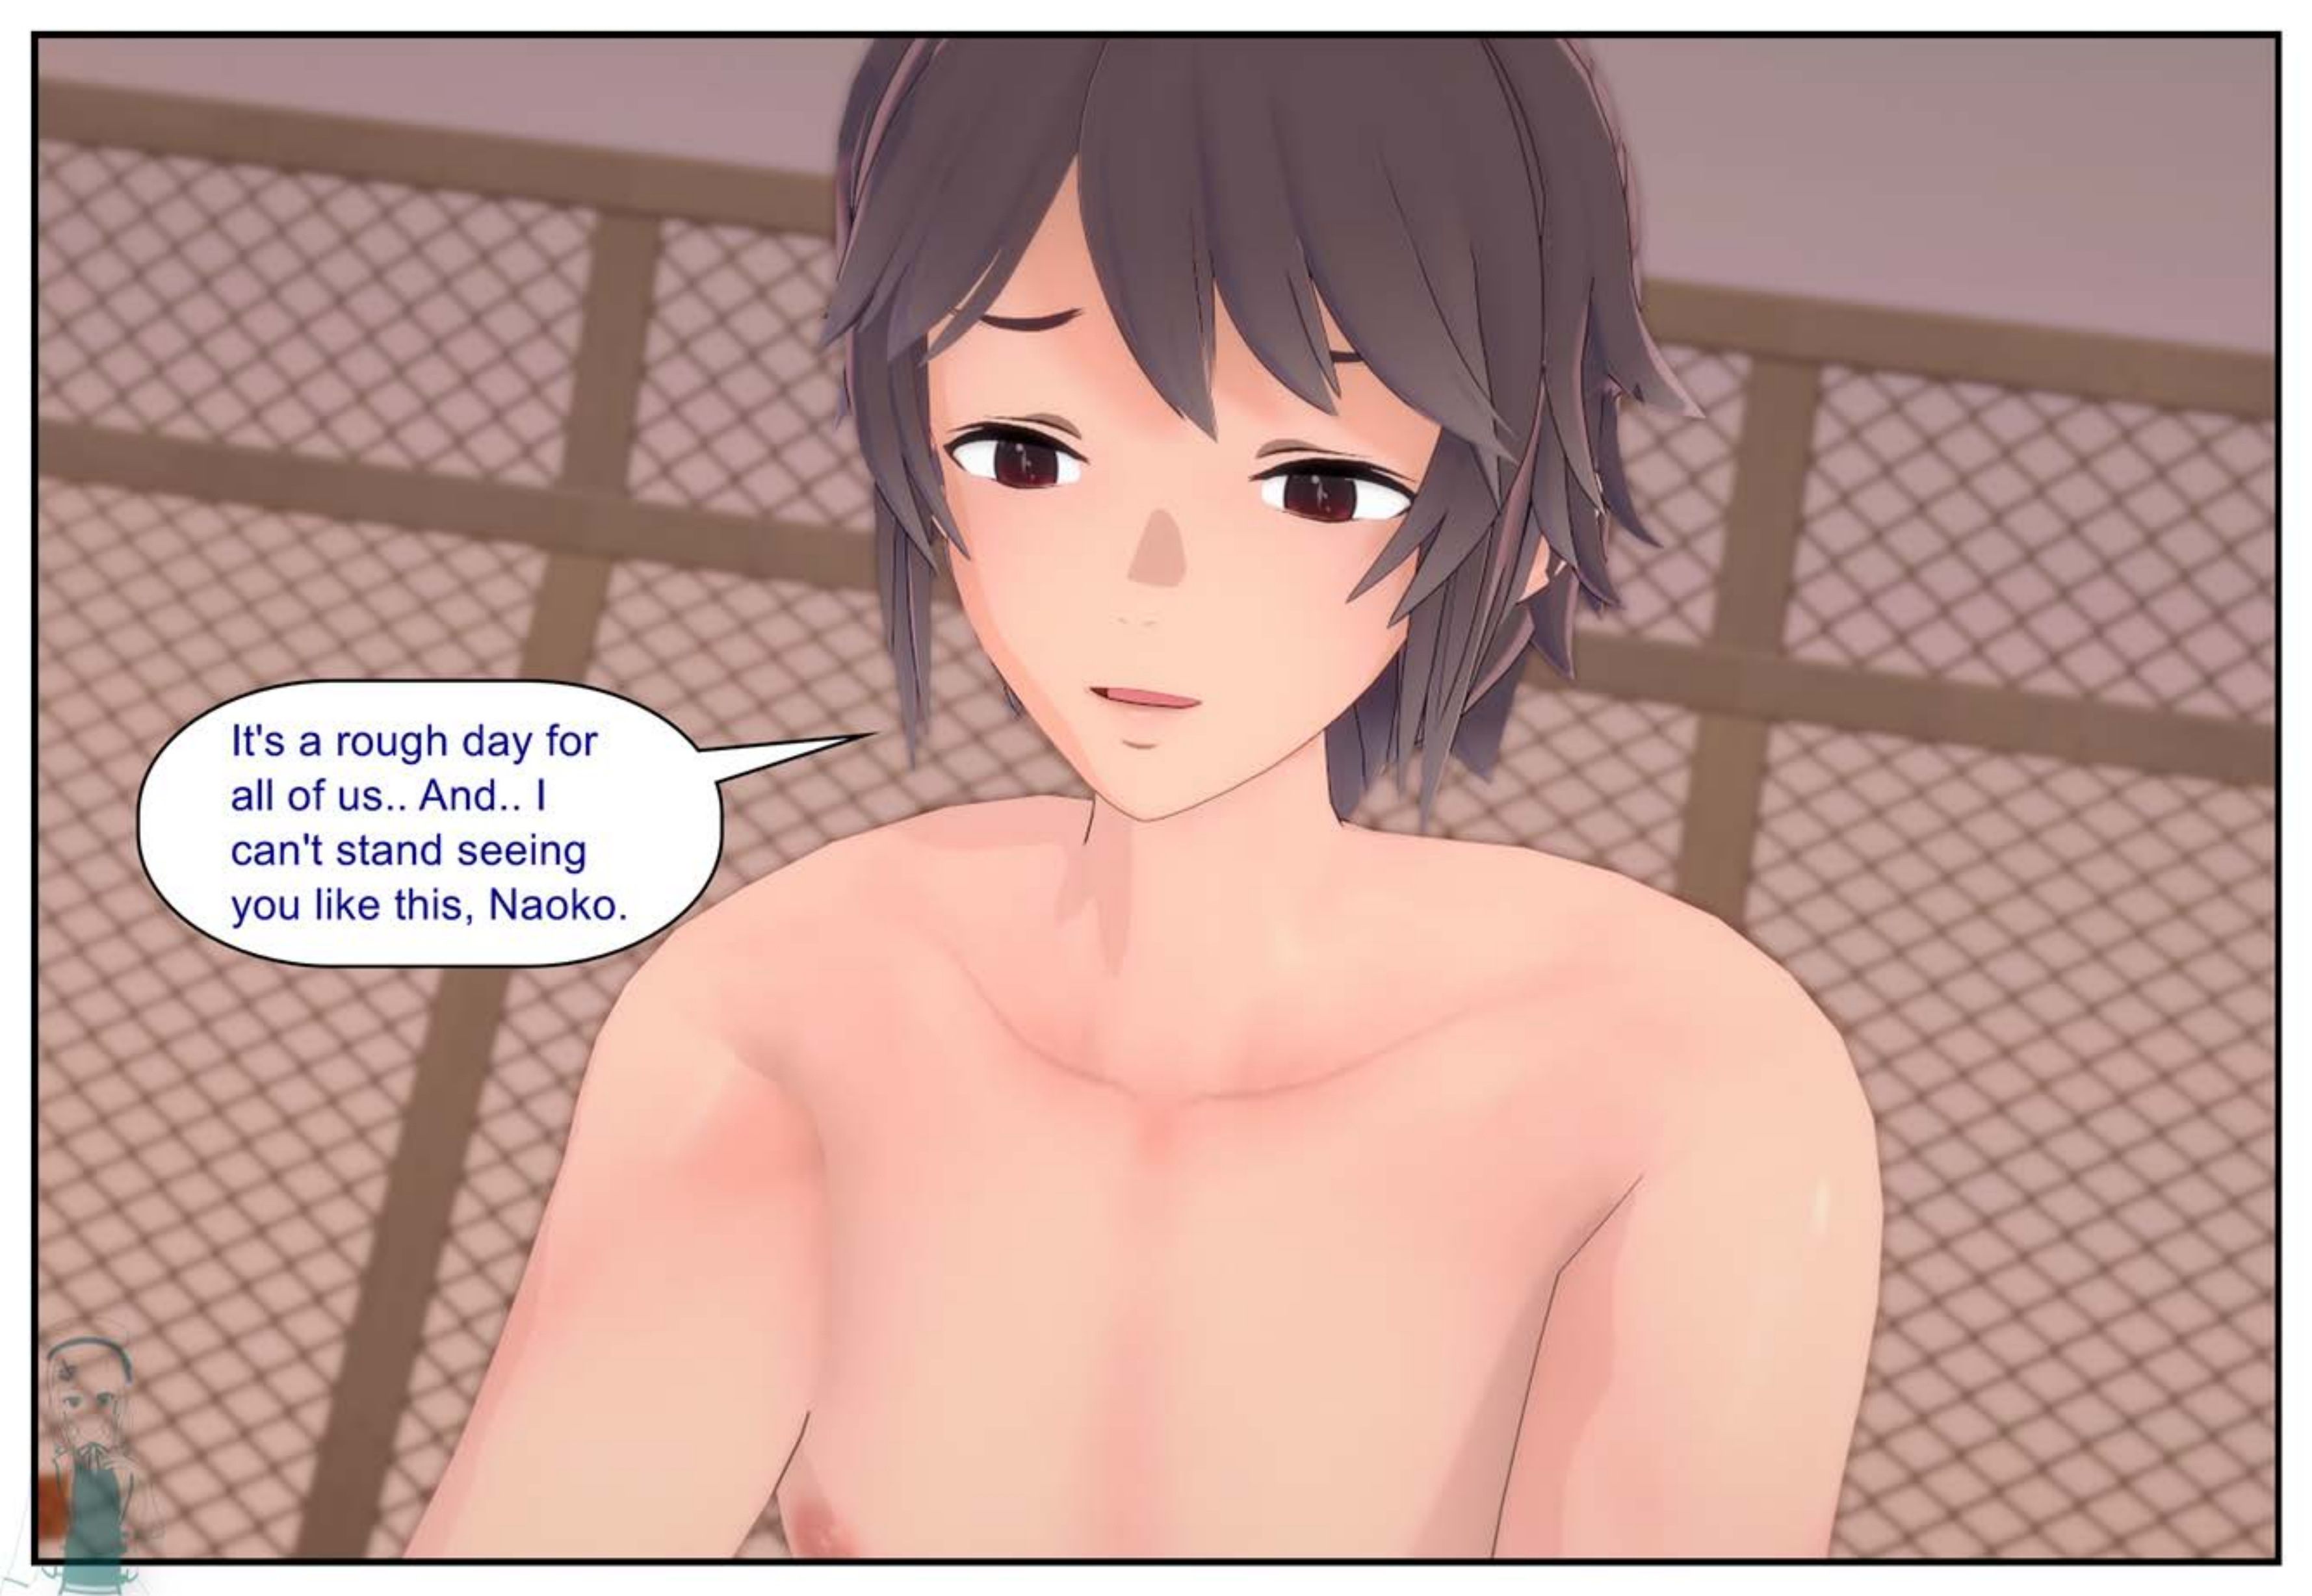

Naoko..? Are you alright? Can you stand up?

K-K-Koji..!?  
What are you doing..?

It's a rough day for  
all of us.. And.. I  
can't stand seeing  
you like this, Naoko.

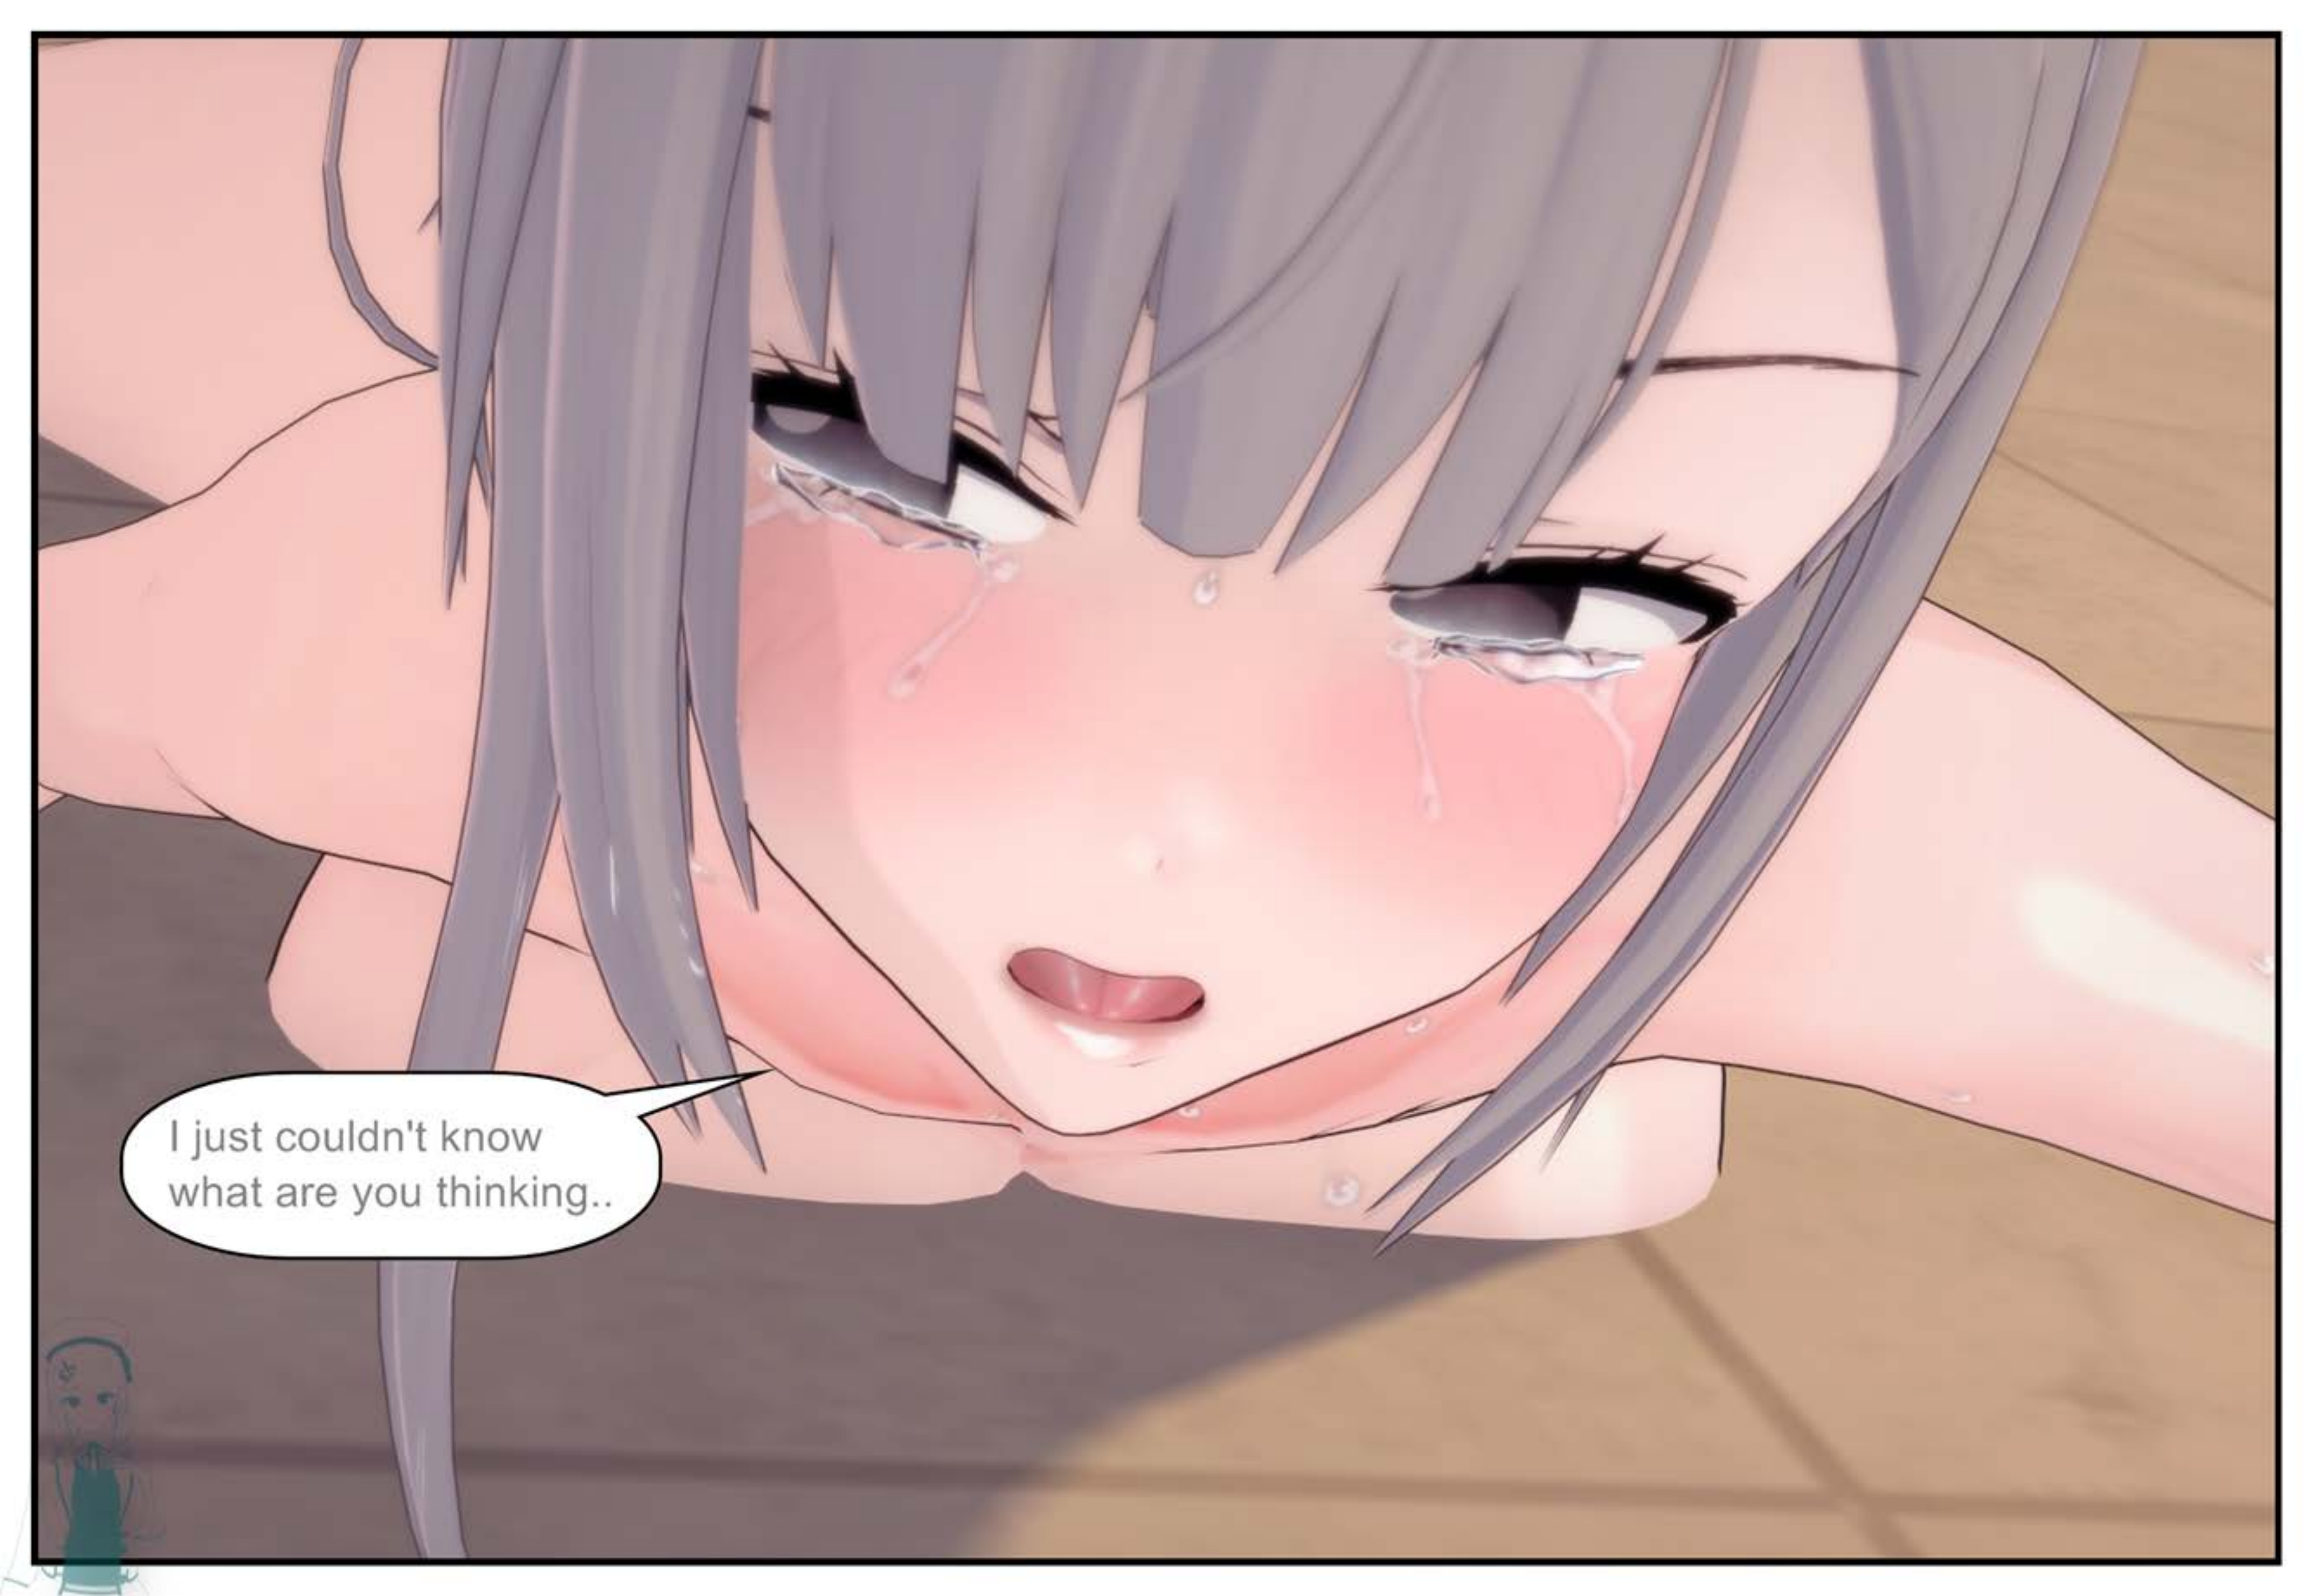

So allow me to  
help you up, okay?  
We are in this together.

You.. Ugh.. Save  
an evil puppet like me..

I just couldn't know  
what are you thinking..

Haha.. Okay okay.  
Stop being strong,  
Naoko..

T-This is because..  
I couldn't get myself  
to stand up, okay?

Take it slow,  
you haven't fully  
recovered yet.

Also, someone  
wanted to have  
a word with you.

Naoko..

Are you..  
alright?

P-Please.. it was me who dragged everyone into this..

Yes, that you did..

..But it doesn't mean  
we all blamed you.  
You know, my teacher  
life was pretty boring..

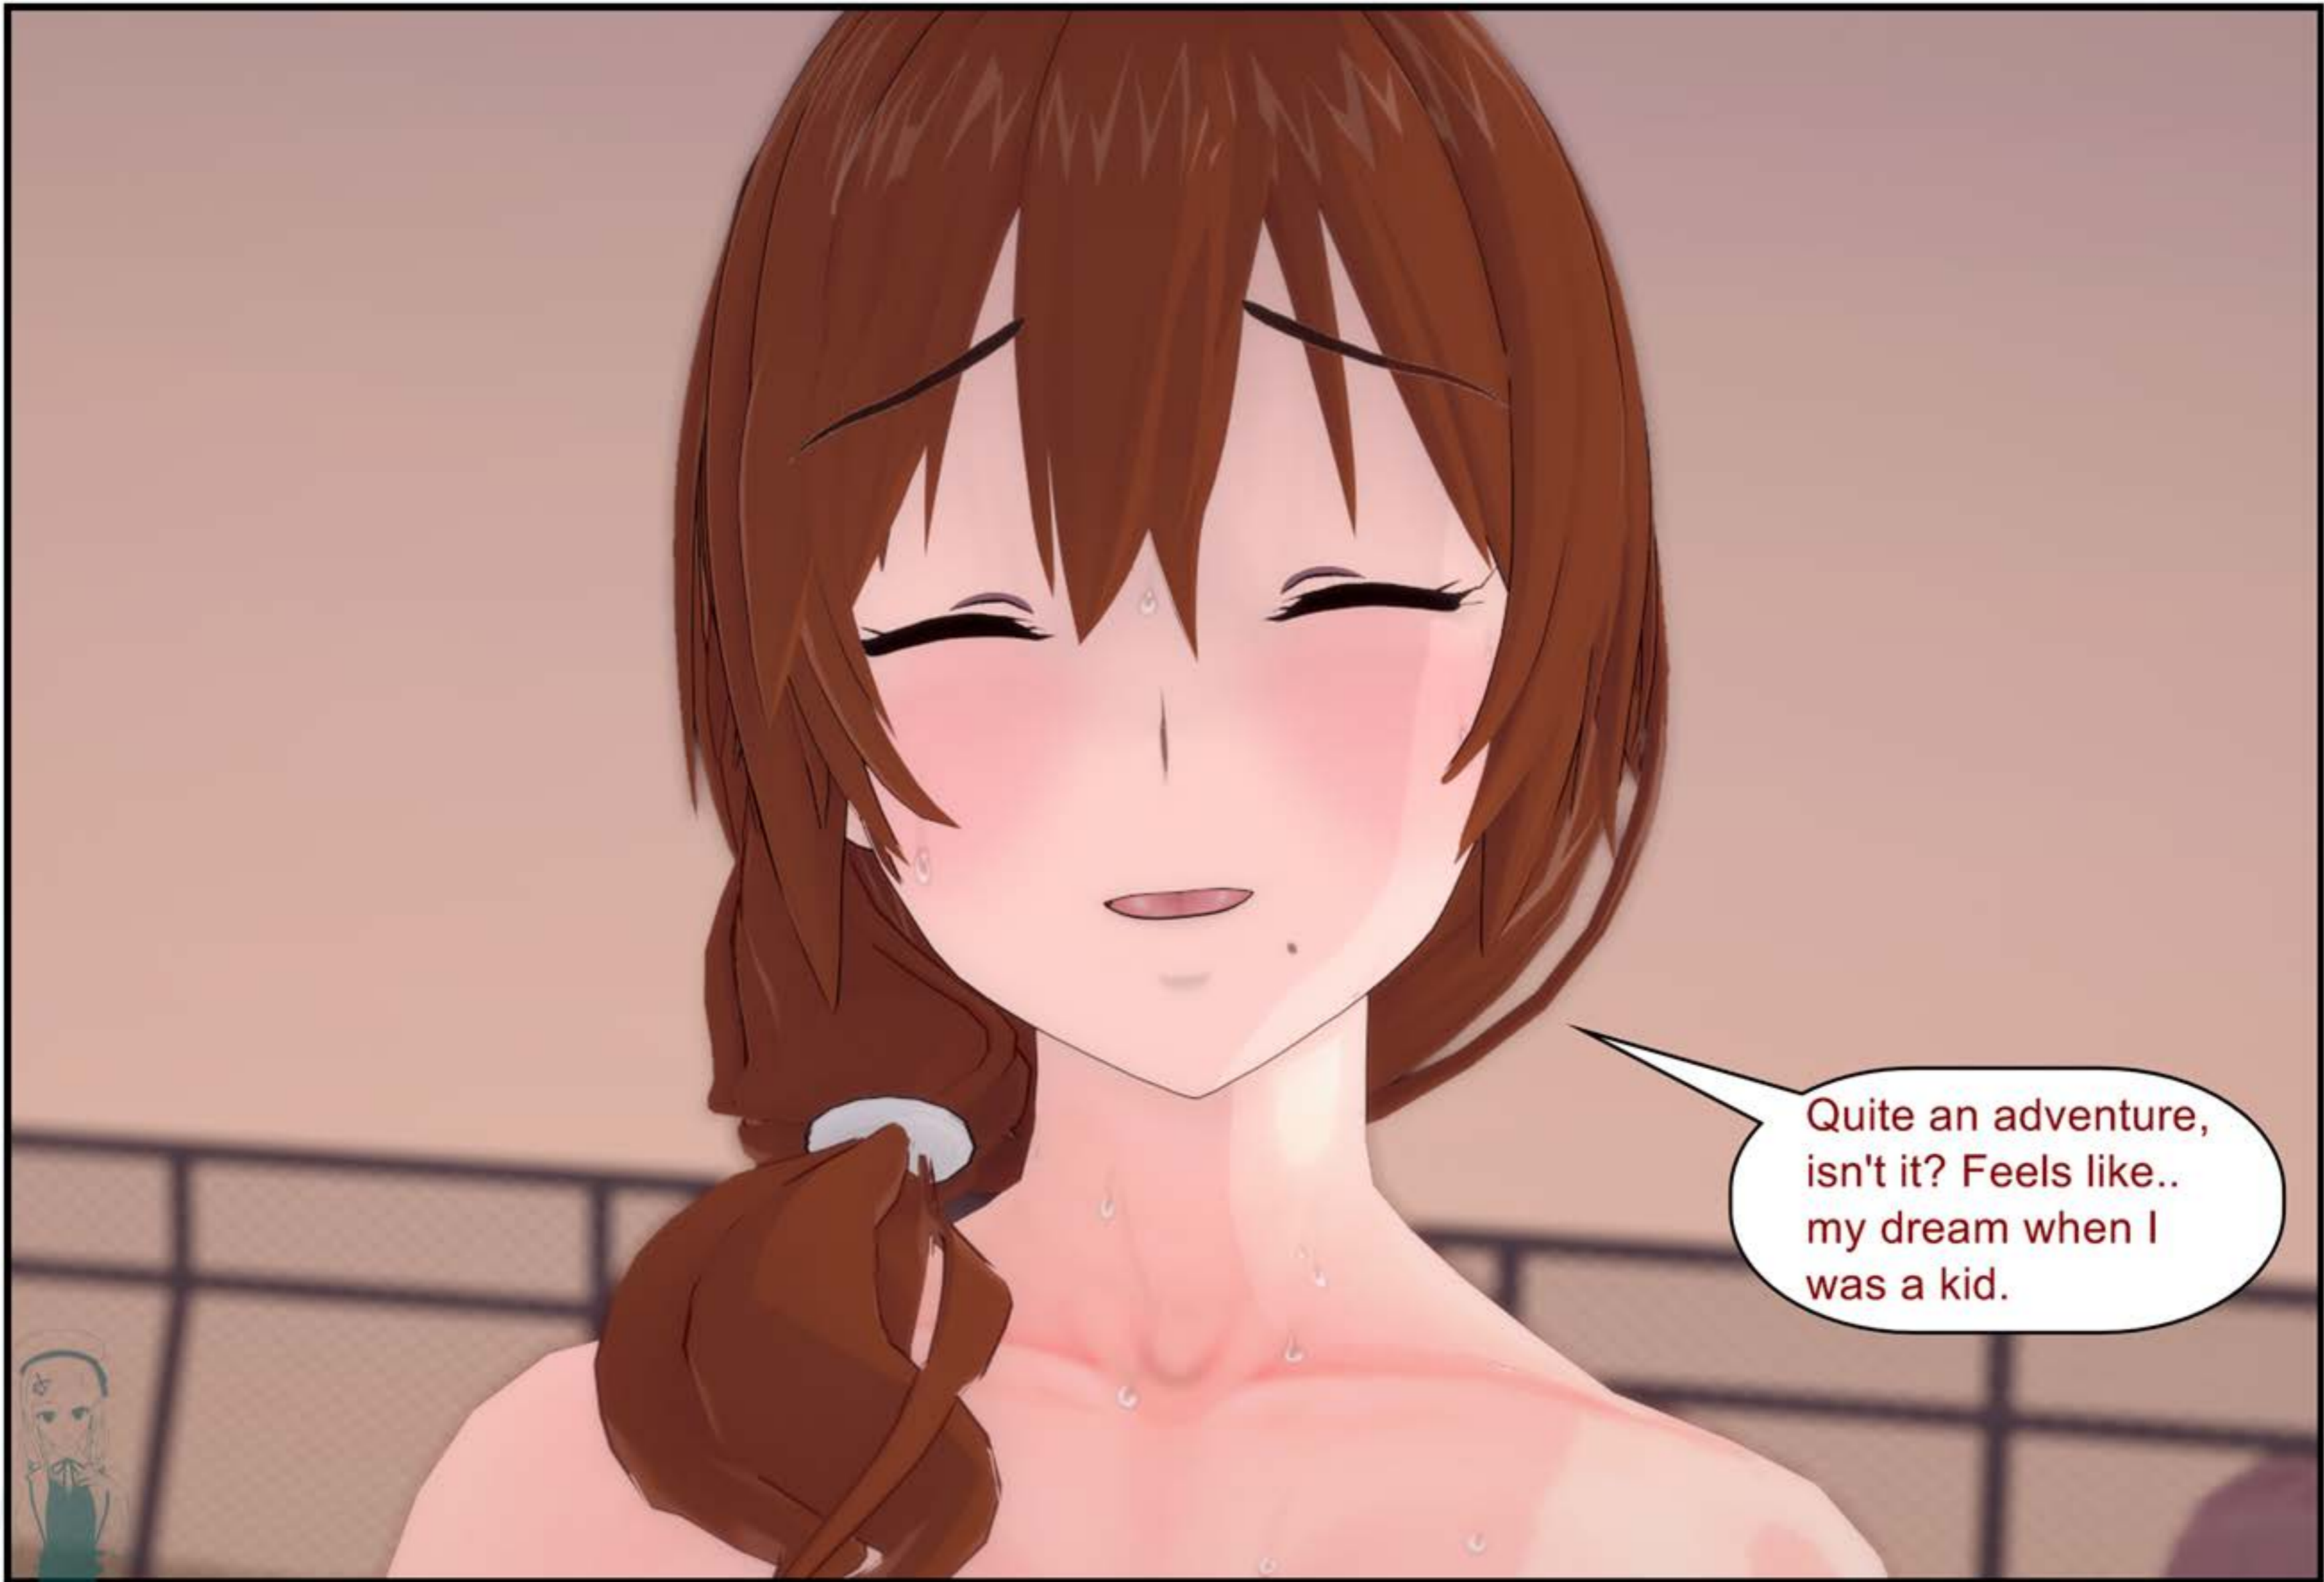

Ever since you came,  
everything changed.  
Like I have death under  
my neck..

Not for you kept me safe from that book, I would have long gone.

Quite an adventure,  
isn't it? Feels like..  
my dream when I  
was a kid.

You and I, we were completely stranger. Yet, at that moment, when I gave up hope..

..You really saved me, Naoko. Sorry if my speech not too good.

Naoko, I couldn't  
forgive you for what  
you did, but I can't  
blame it on you either.

A young man with dark, slightly messy hair and a sad expression is looking towards the right. He is shirtless. In the foreground on the right, the back of another person is visible, covered in a greyish-purple cloth. The background shows a fence and some greenery.

\*sob\*.. You are all..  
\*sob\* why..?

I have never.. had..  
this feeling before..

Then, Naoko, let us  
work together to  
prevent what's coming..

S-Sis!!!!

No.. No.. Sis.. Don't  
scare me.. Please..

Hah.. It would be a mess if all of you gather against me.

That's why.. I need  
to eliminate anyone  
that pose a threat. Heh..

It wouldn't have been this way if they had stand back..

Especially you,  
Naoko, you kept  
disappointed me.

Sis..!! Stay  
with me..

K-Koji..

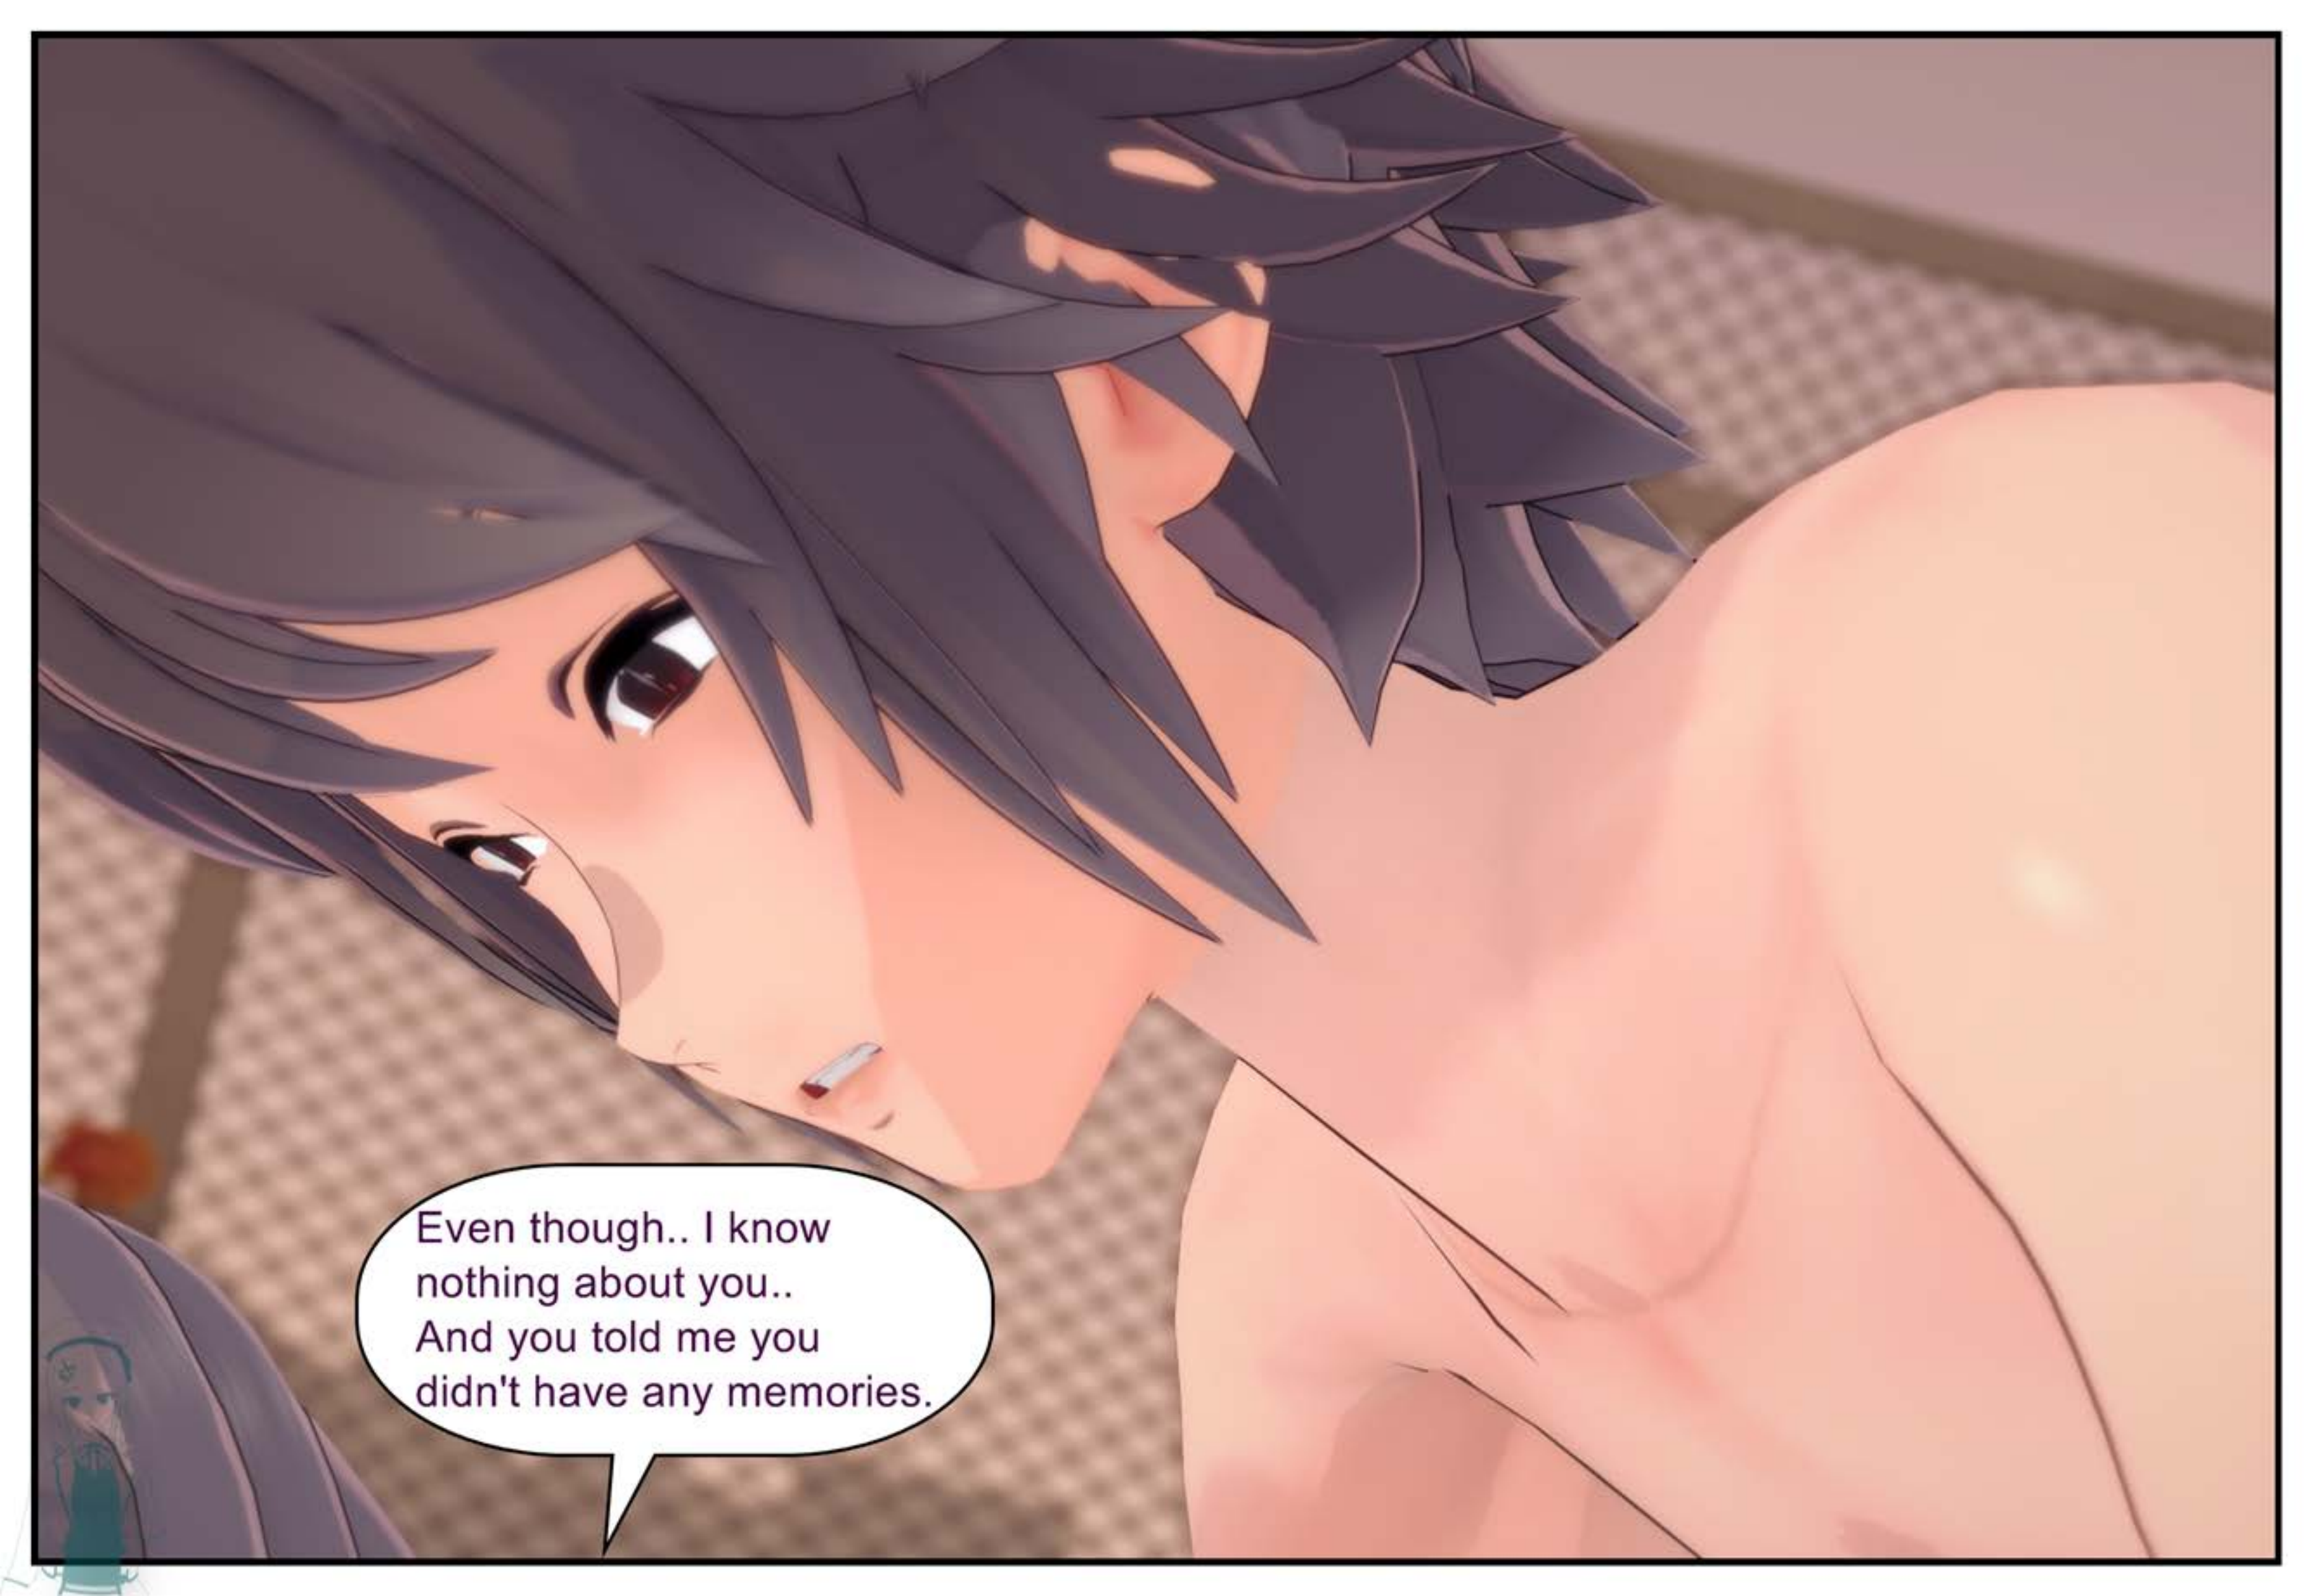

Now is not the  
right time.. I will  
find a way to..

Haha.. I remembered..  
the time that I took  
you in to live with me..

We.. had a great  
time together, right?  
You were like.. my brother..

Even though.. I know  
nothing about you..  
And you told me you  
didn't have any memories.

On your birthday, it's funny that I picked a random day.. and the cake didn't even have any candles..

Yes.. I remembered.. My first birthday party with you and Nonoka..

The moment that  
I treasured most..  
that was when you  
went to school..

It made me.. recall  
my Mom.. used to  
take me to school..

A-And.. \*cough\*..  
other.. \*heavily cough\*..

Koji.. Without me..  
You can take care  
of yourself just fine..

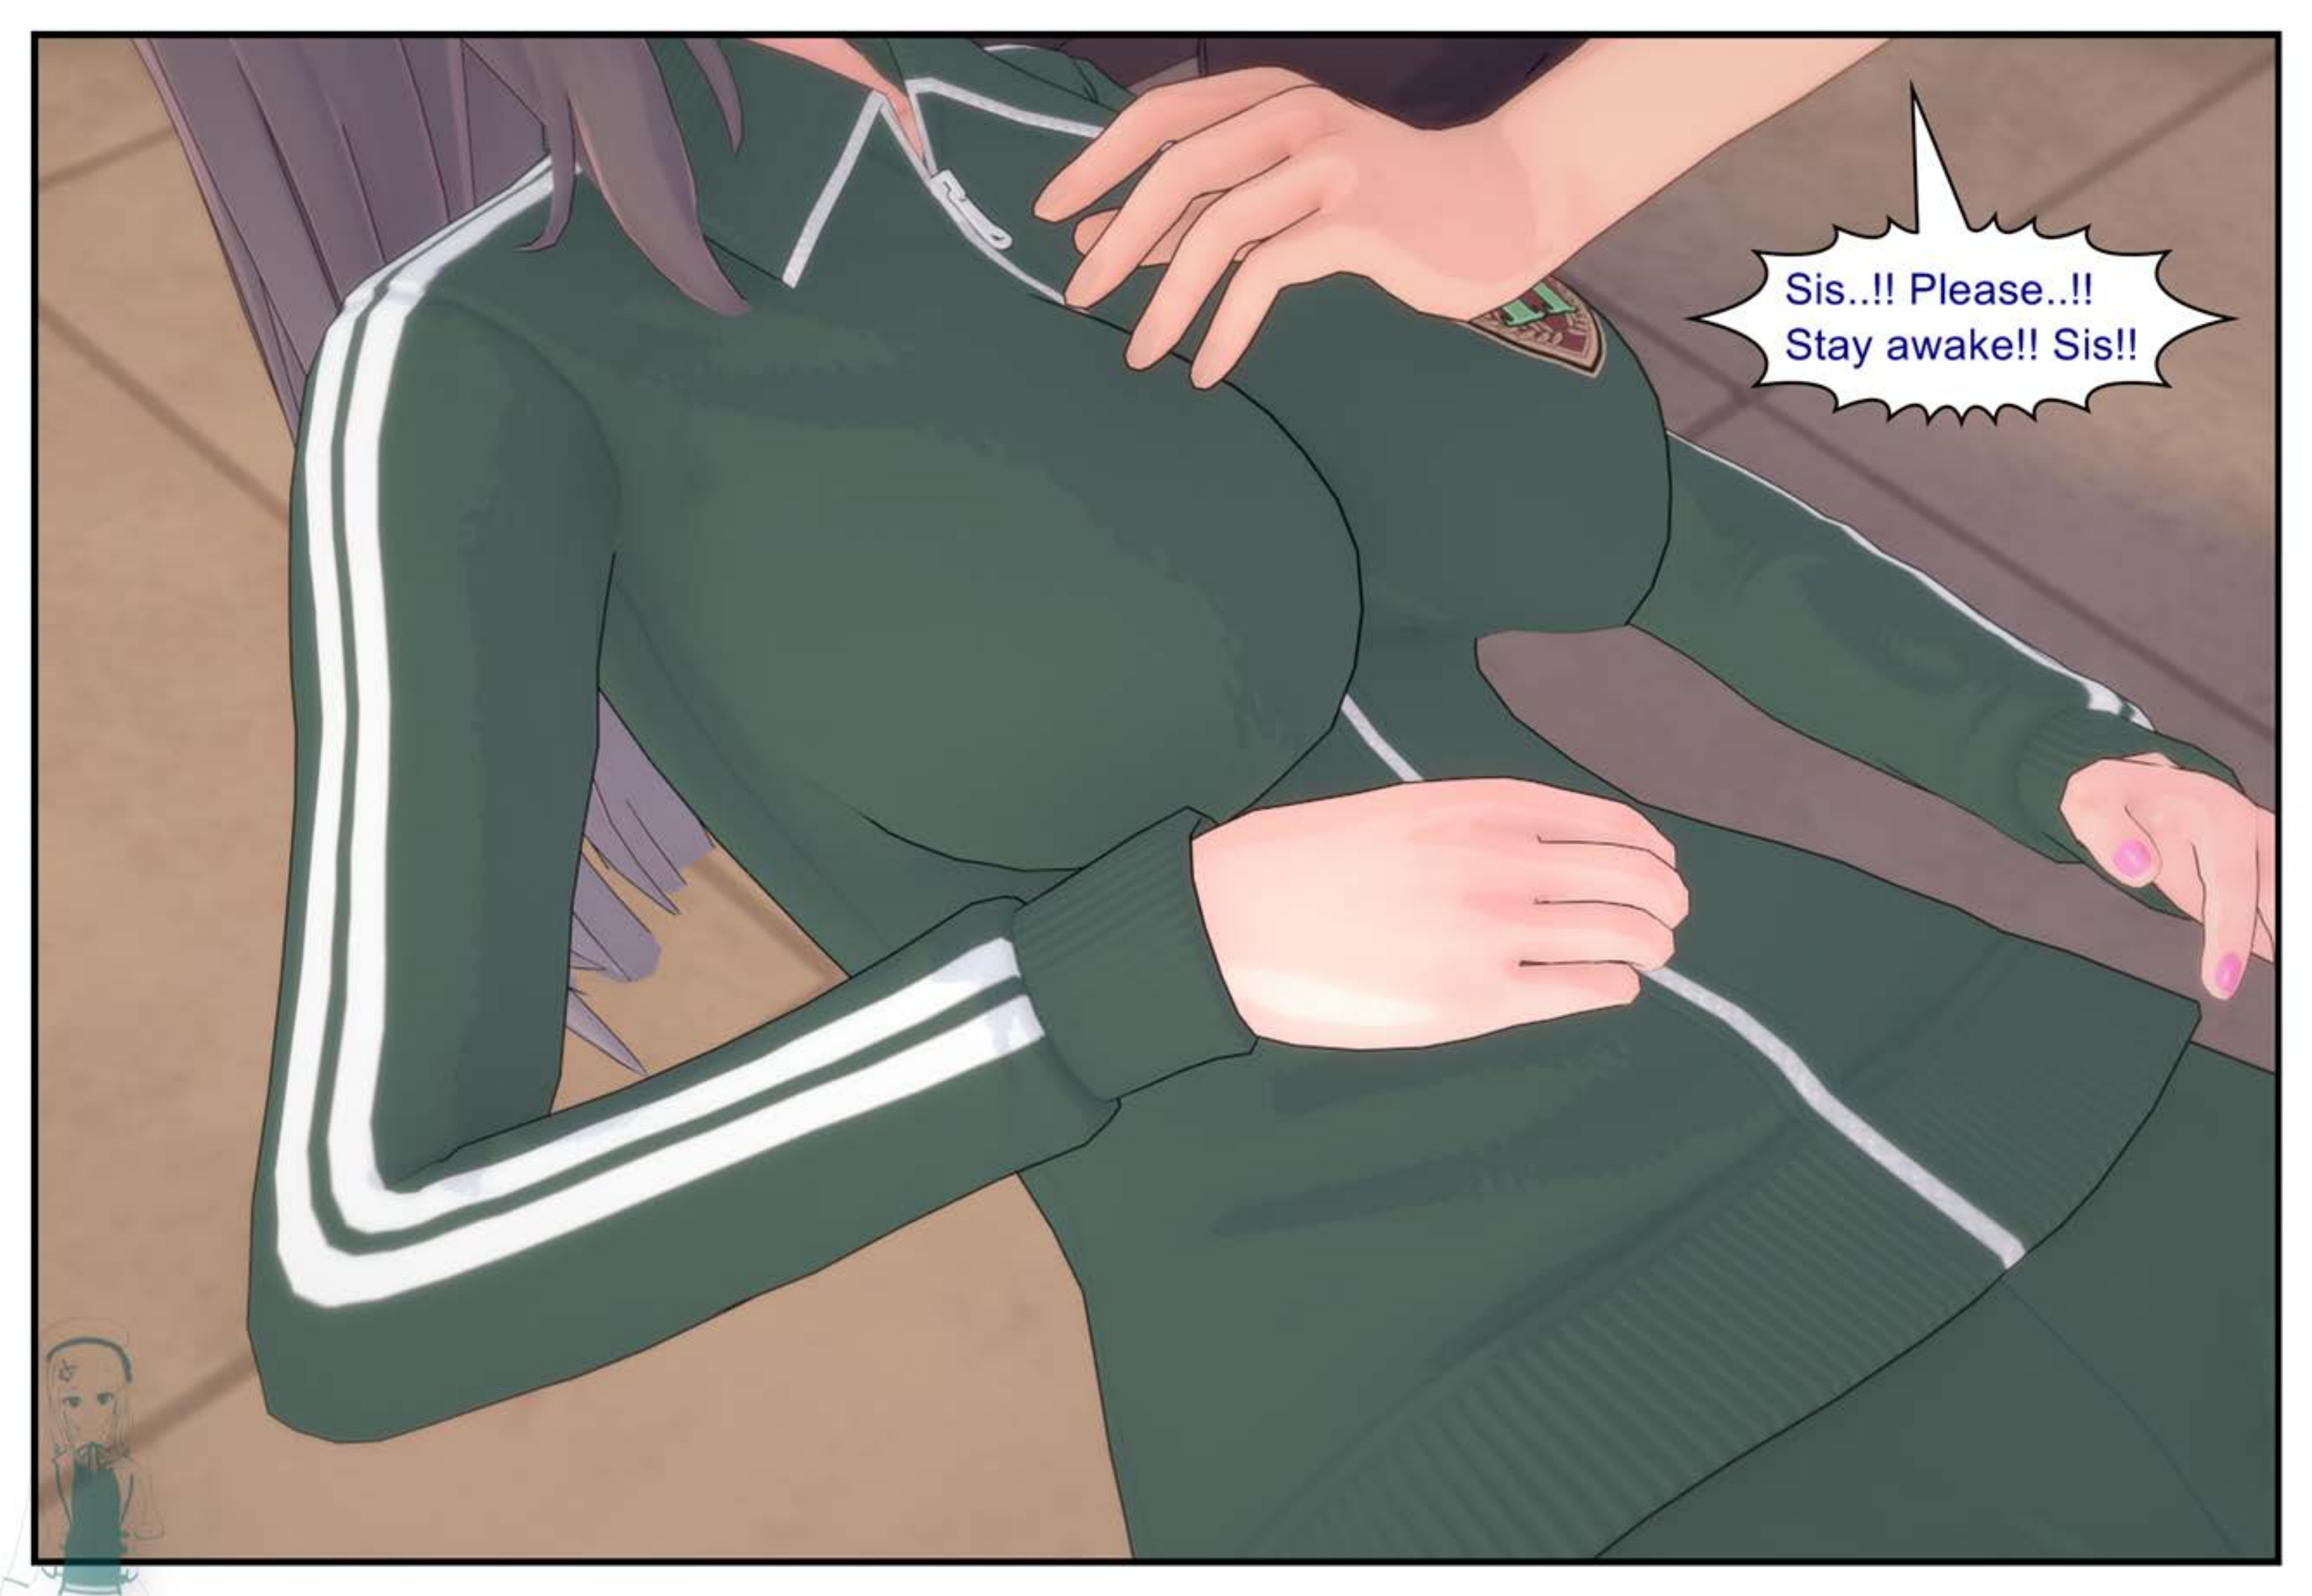

When you need..  
Nonoka.. teacher..  
and those girls..  
Count on them..

No.. Stay with us!!  
You can make it!  
I will do everything..  
to help..

Sis..!! Please..!!  
Stay awake!! Sis!!

Koji..  
She's gone..

Oh.. Look like I killed her..

Stand aside,  
Guardian..

What.. did  
you just say..?

*[Small signature]*

Naoko..?

Well? Are you here to apologise me?

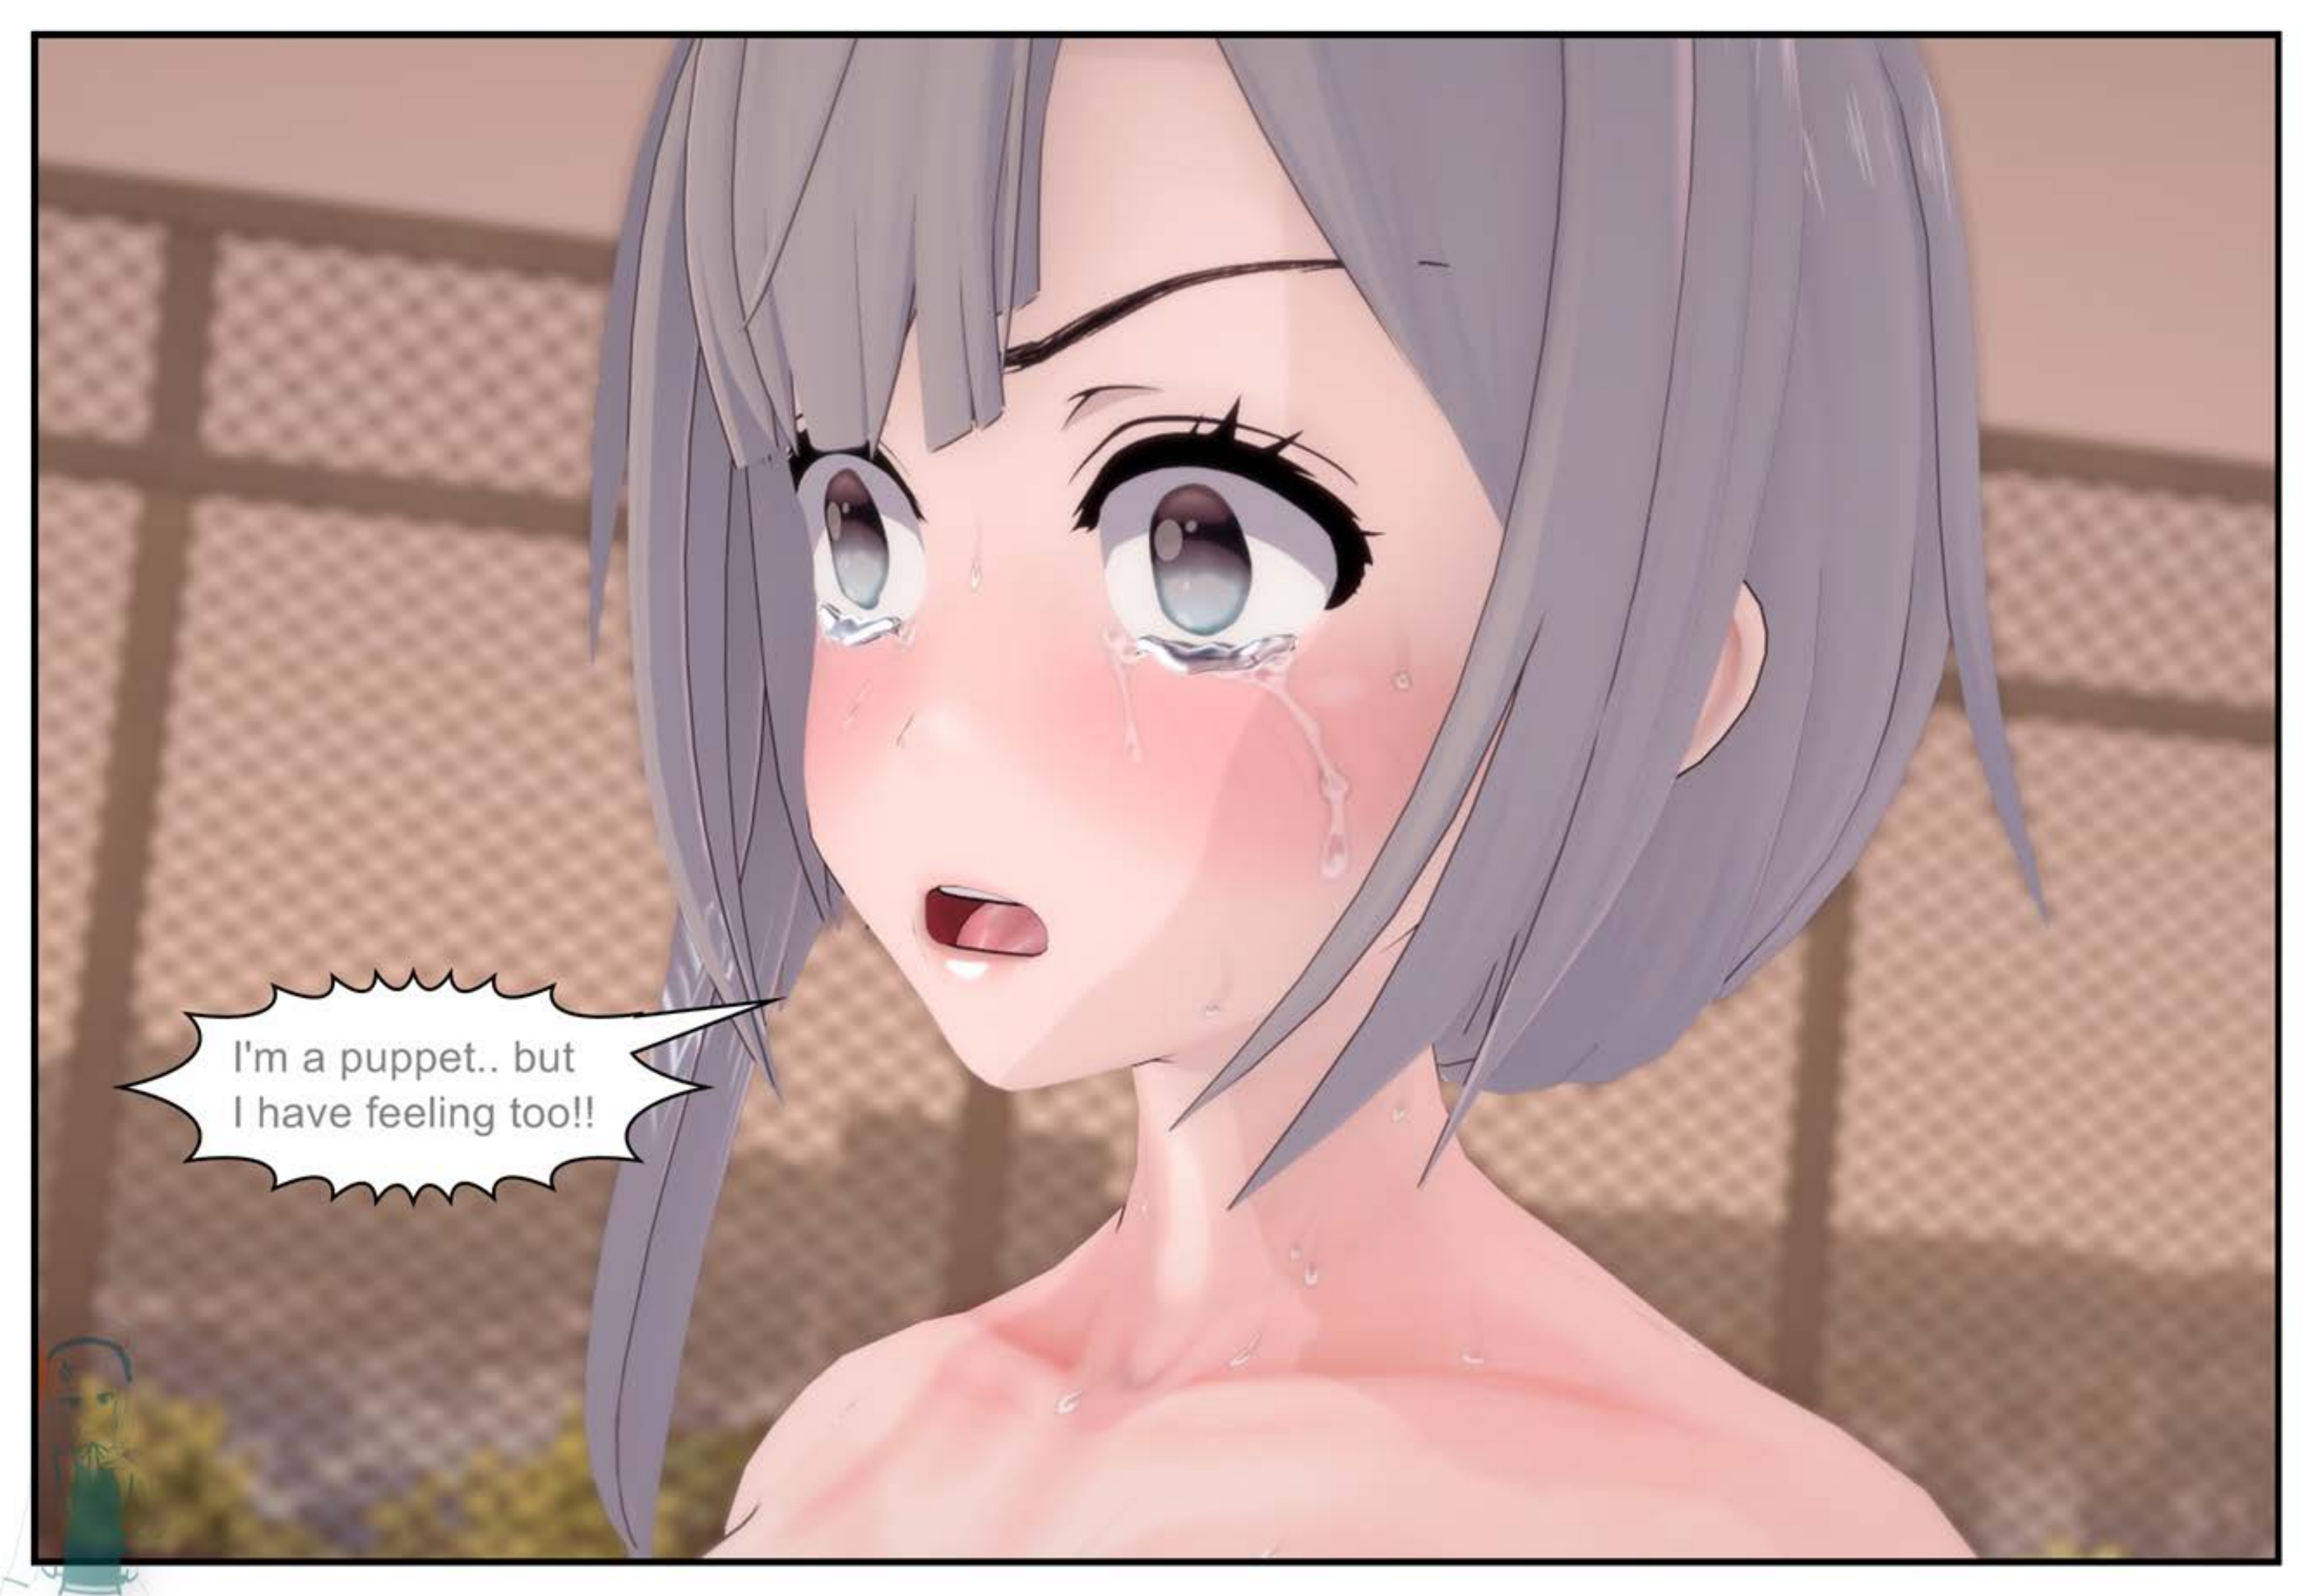

Restoring the world..  
so important that you  
had to kill an innocent?

I did.. what you asked..  
everything.. even  
before.. I killed for you.

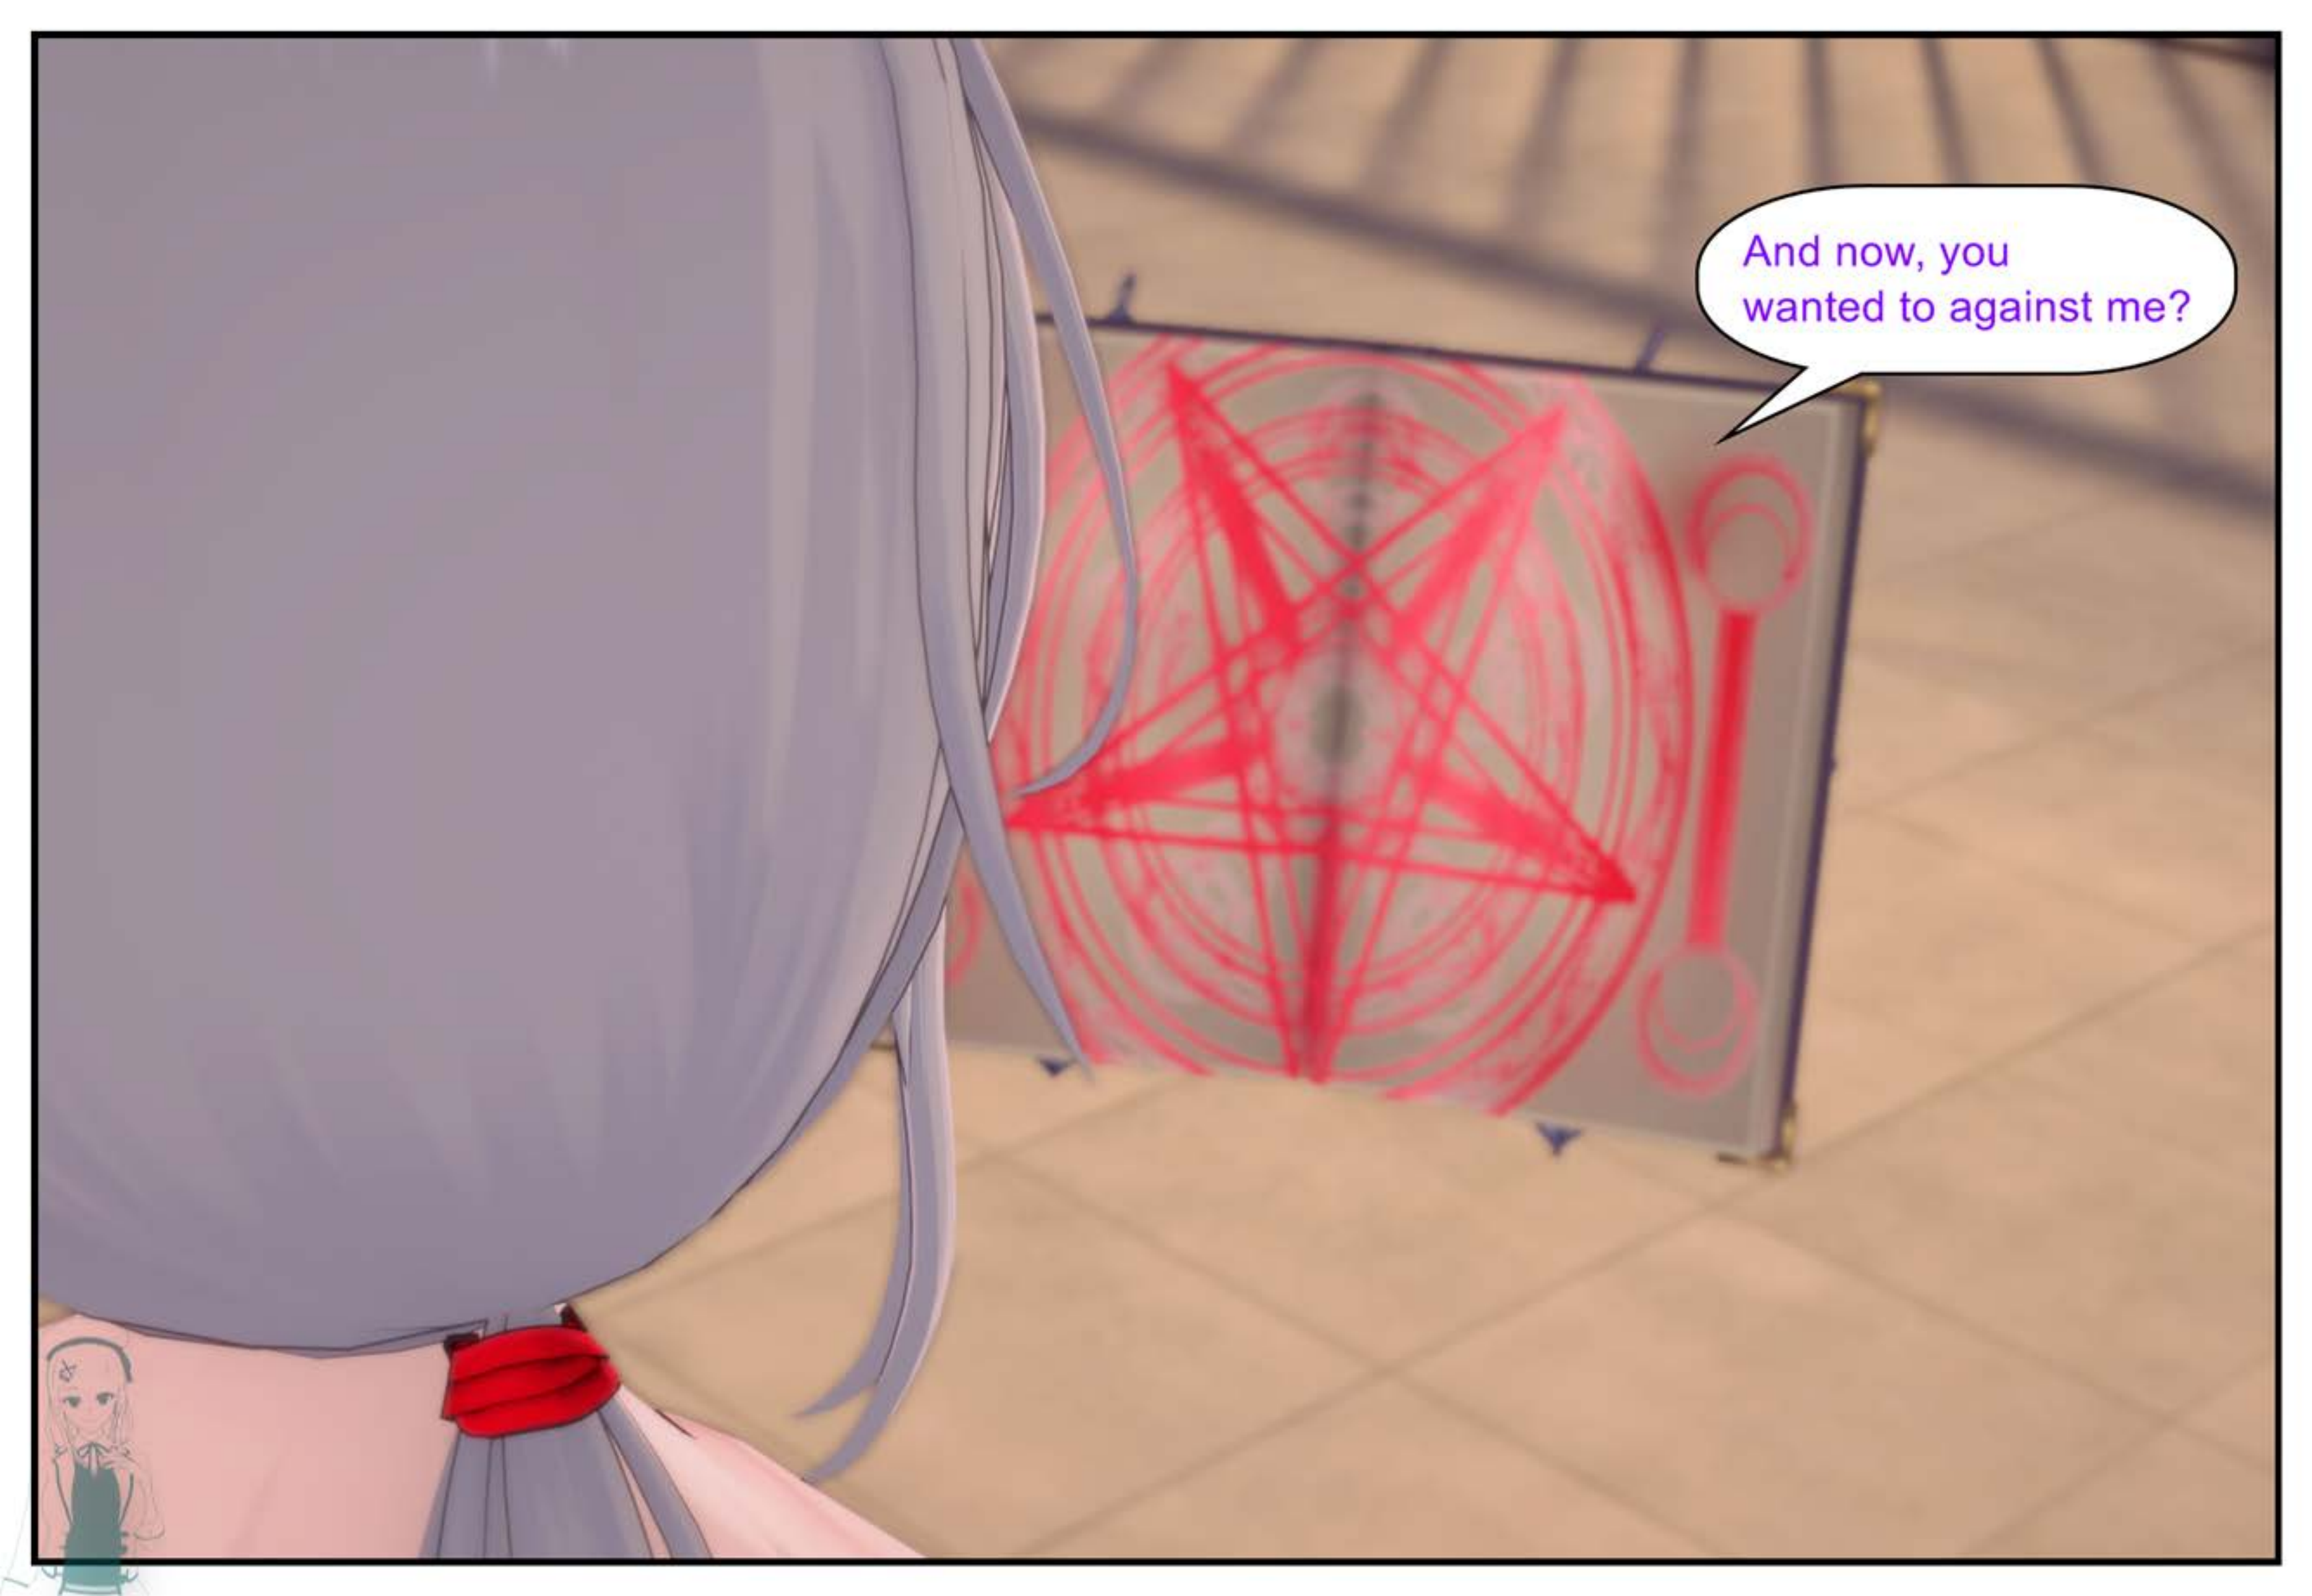

I'm a puppet.. but  
I have feeling too!!

A character with long, dark purple hair is shown from the back, looking towards a glowing orange magical sigil on a stone wall. The sigil is a complex geometric pattern with a central point and radiating lines. A speech bubble is positioned in the lower-left area of the frame.

I created you..  
I gave you the name  
Naoko..

And now, you  
wanted to against me?

You are nothing  
but a tool to me, Naoko.

Once you had feeling,  
I knew that you would  
betray me someday.

A close-up anime-style illustration of a character with dark hair, looking down with a sad expression. Their face is flushed red, and they have tears on their cheeks. A speech bubble above them contains the text: "Even the outsider, dare to interrupt me..". In the background, a muscular, shirtless man is partially visible, looking towards the character. The setting appears to be an outdoor area with a chain-link fence.

Even the outsider,  
dare to interrupt me..

K-Koji.. What are you doing..?

Teacher.. please  
carry her away from  
this place..

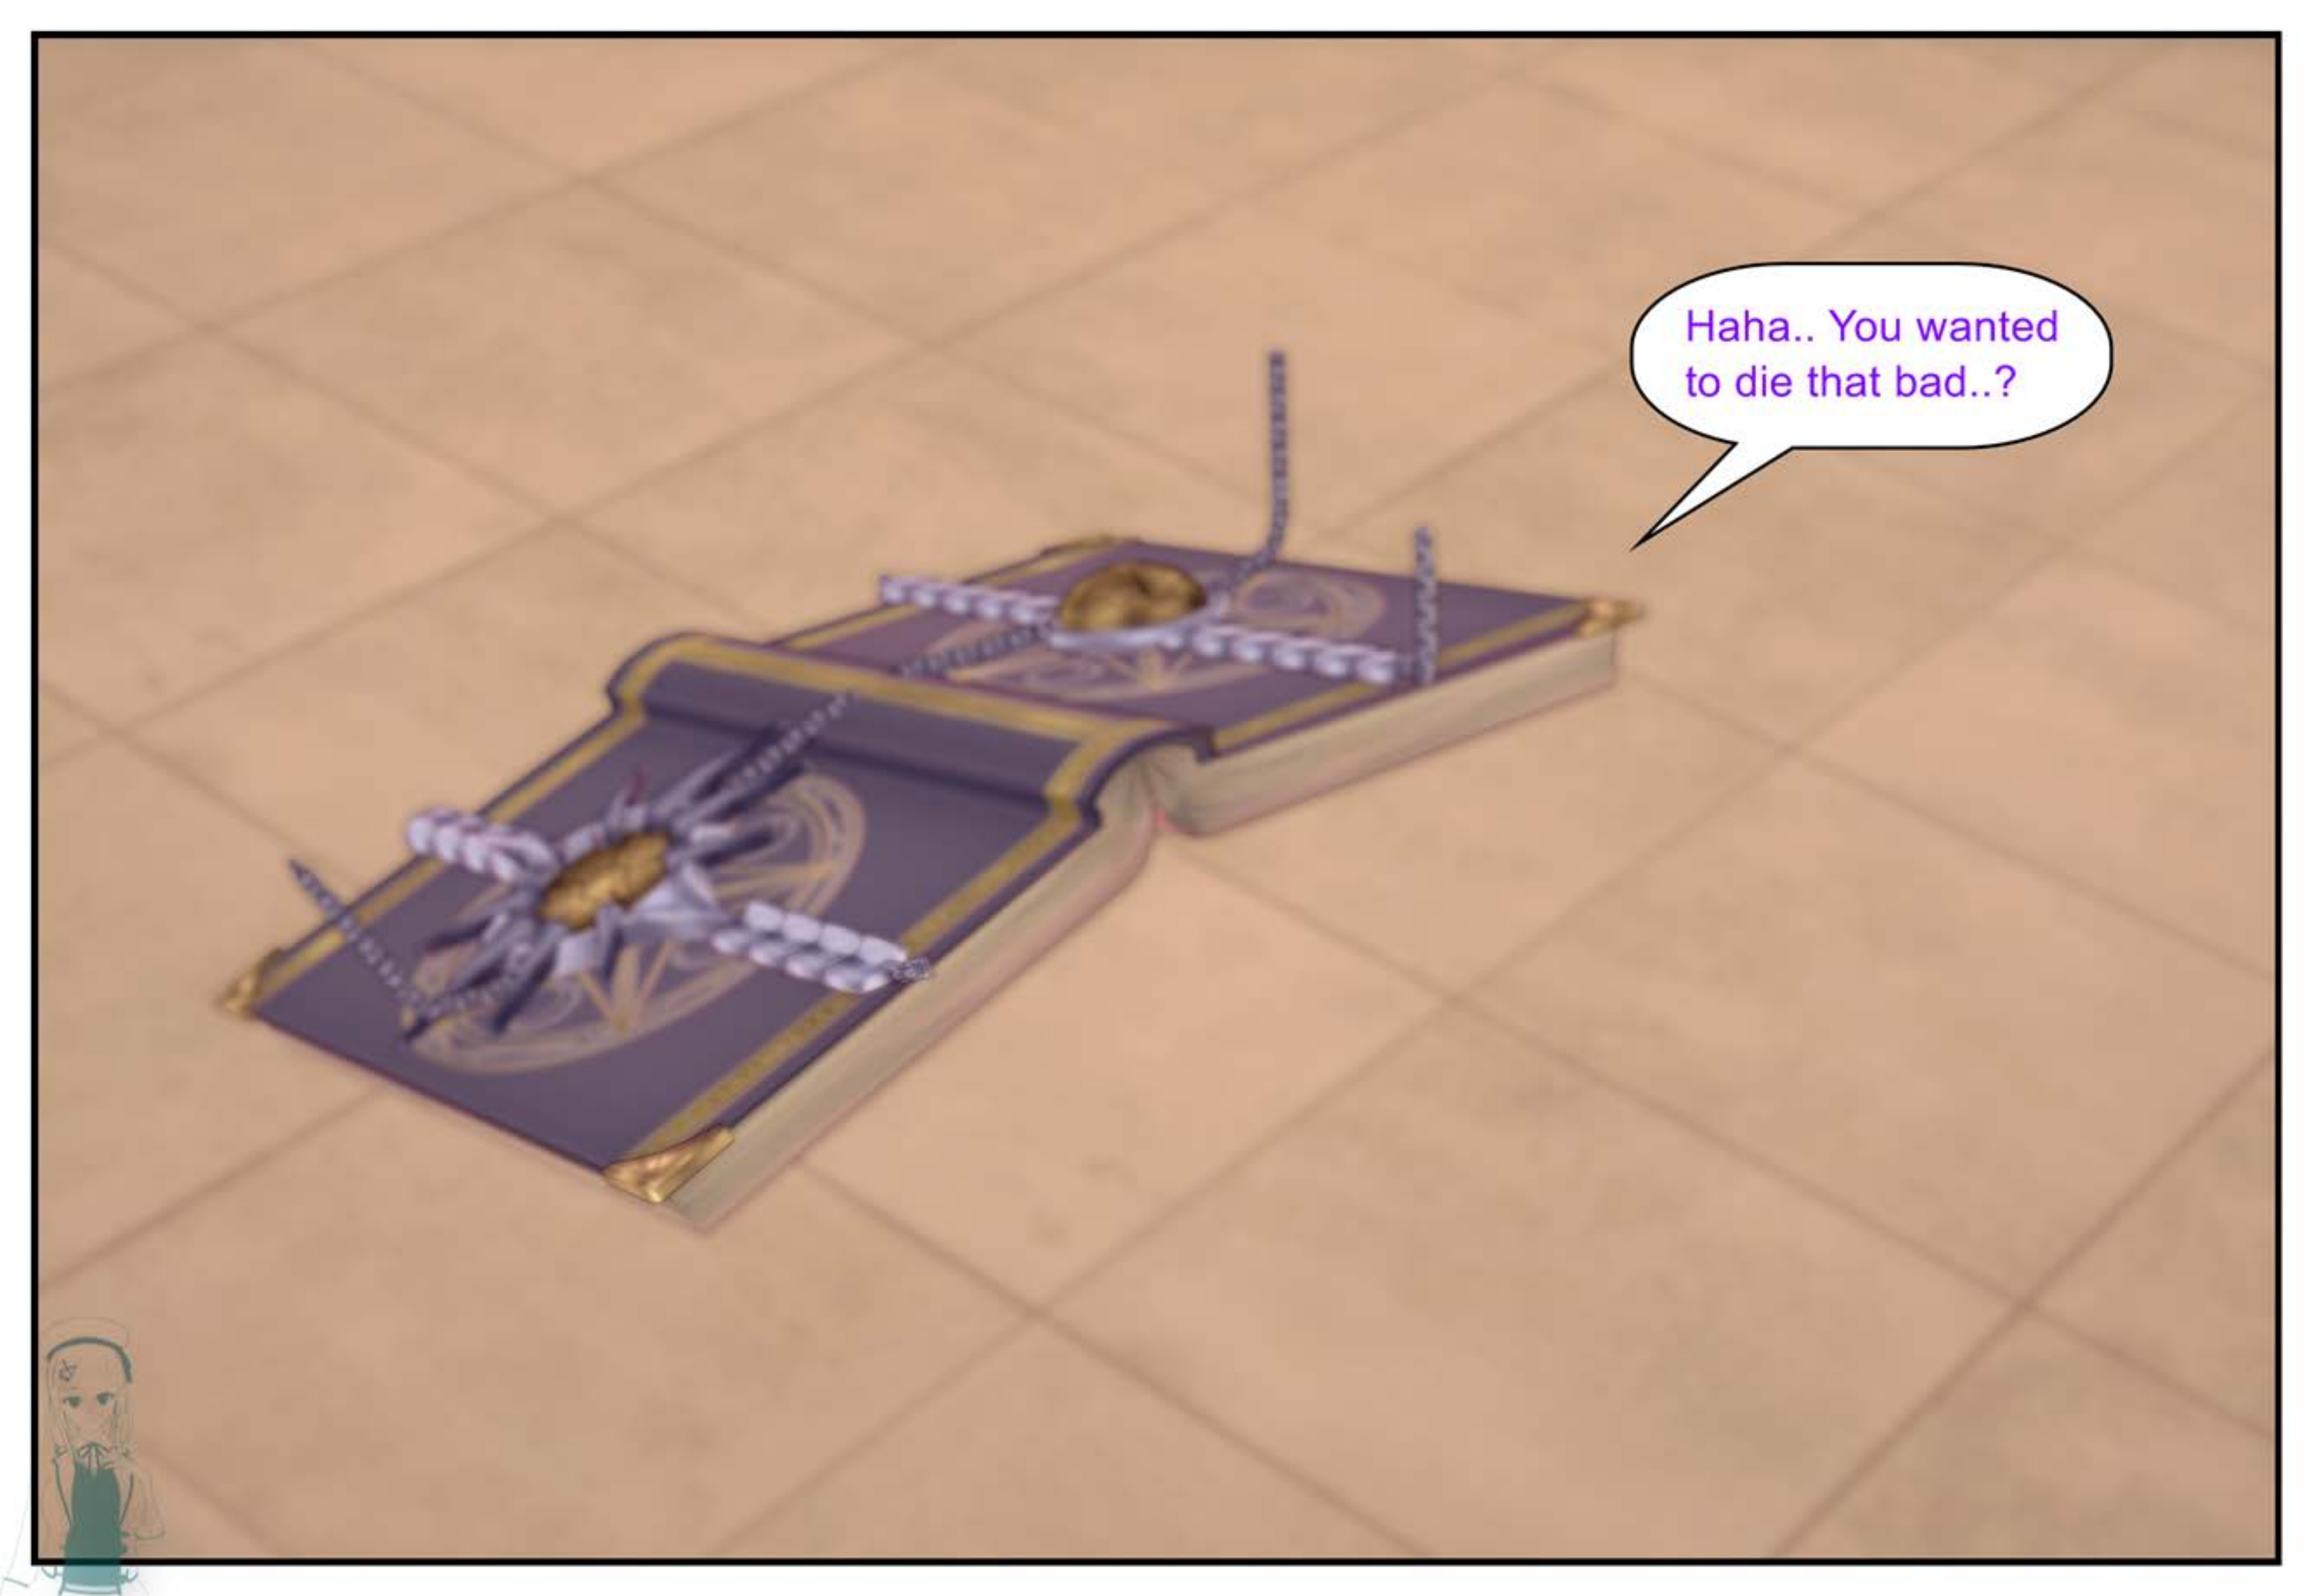

Huh..? What do you want, Koji?

Leave me here  
with the book..  
You two.. go..

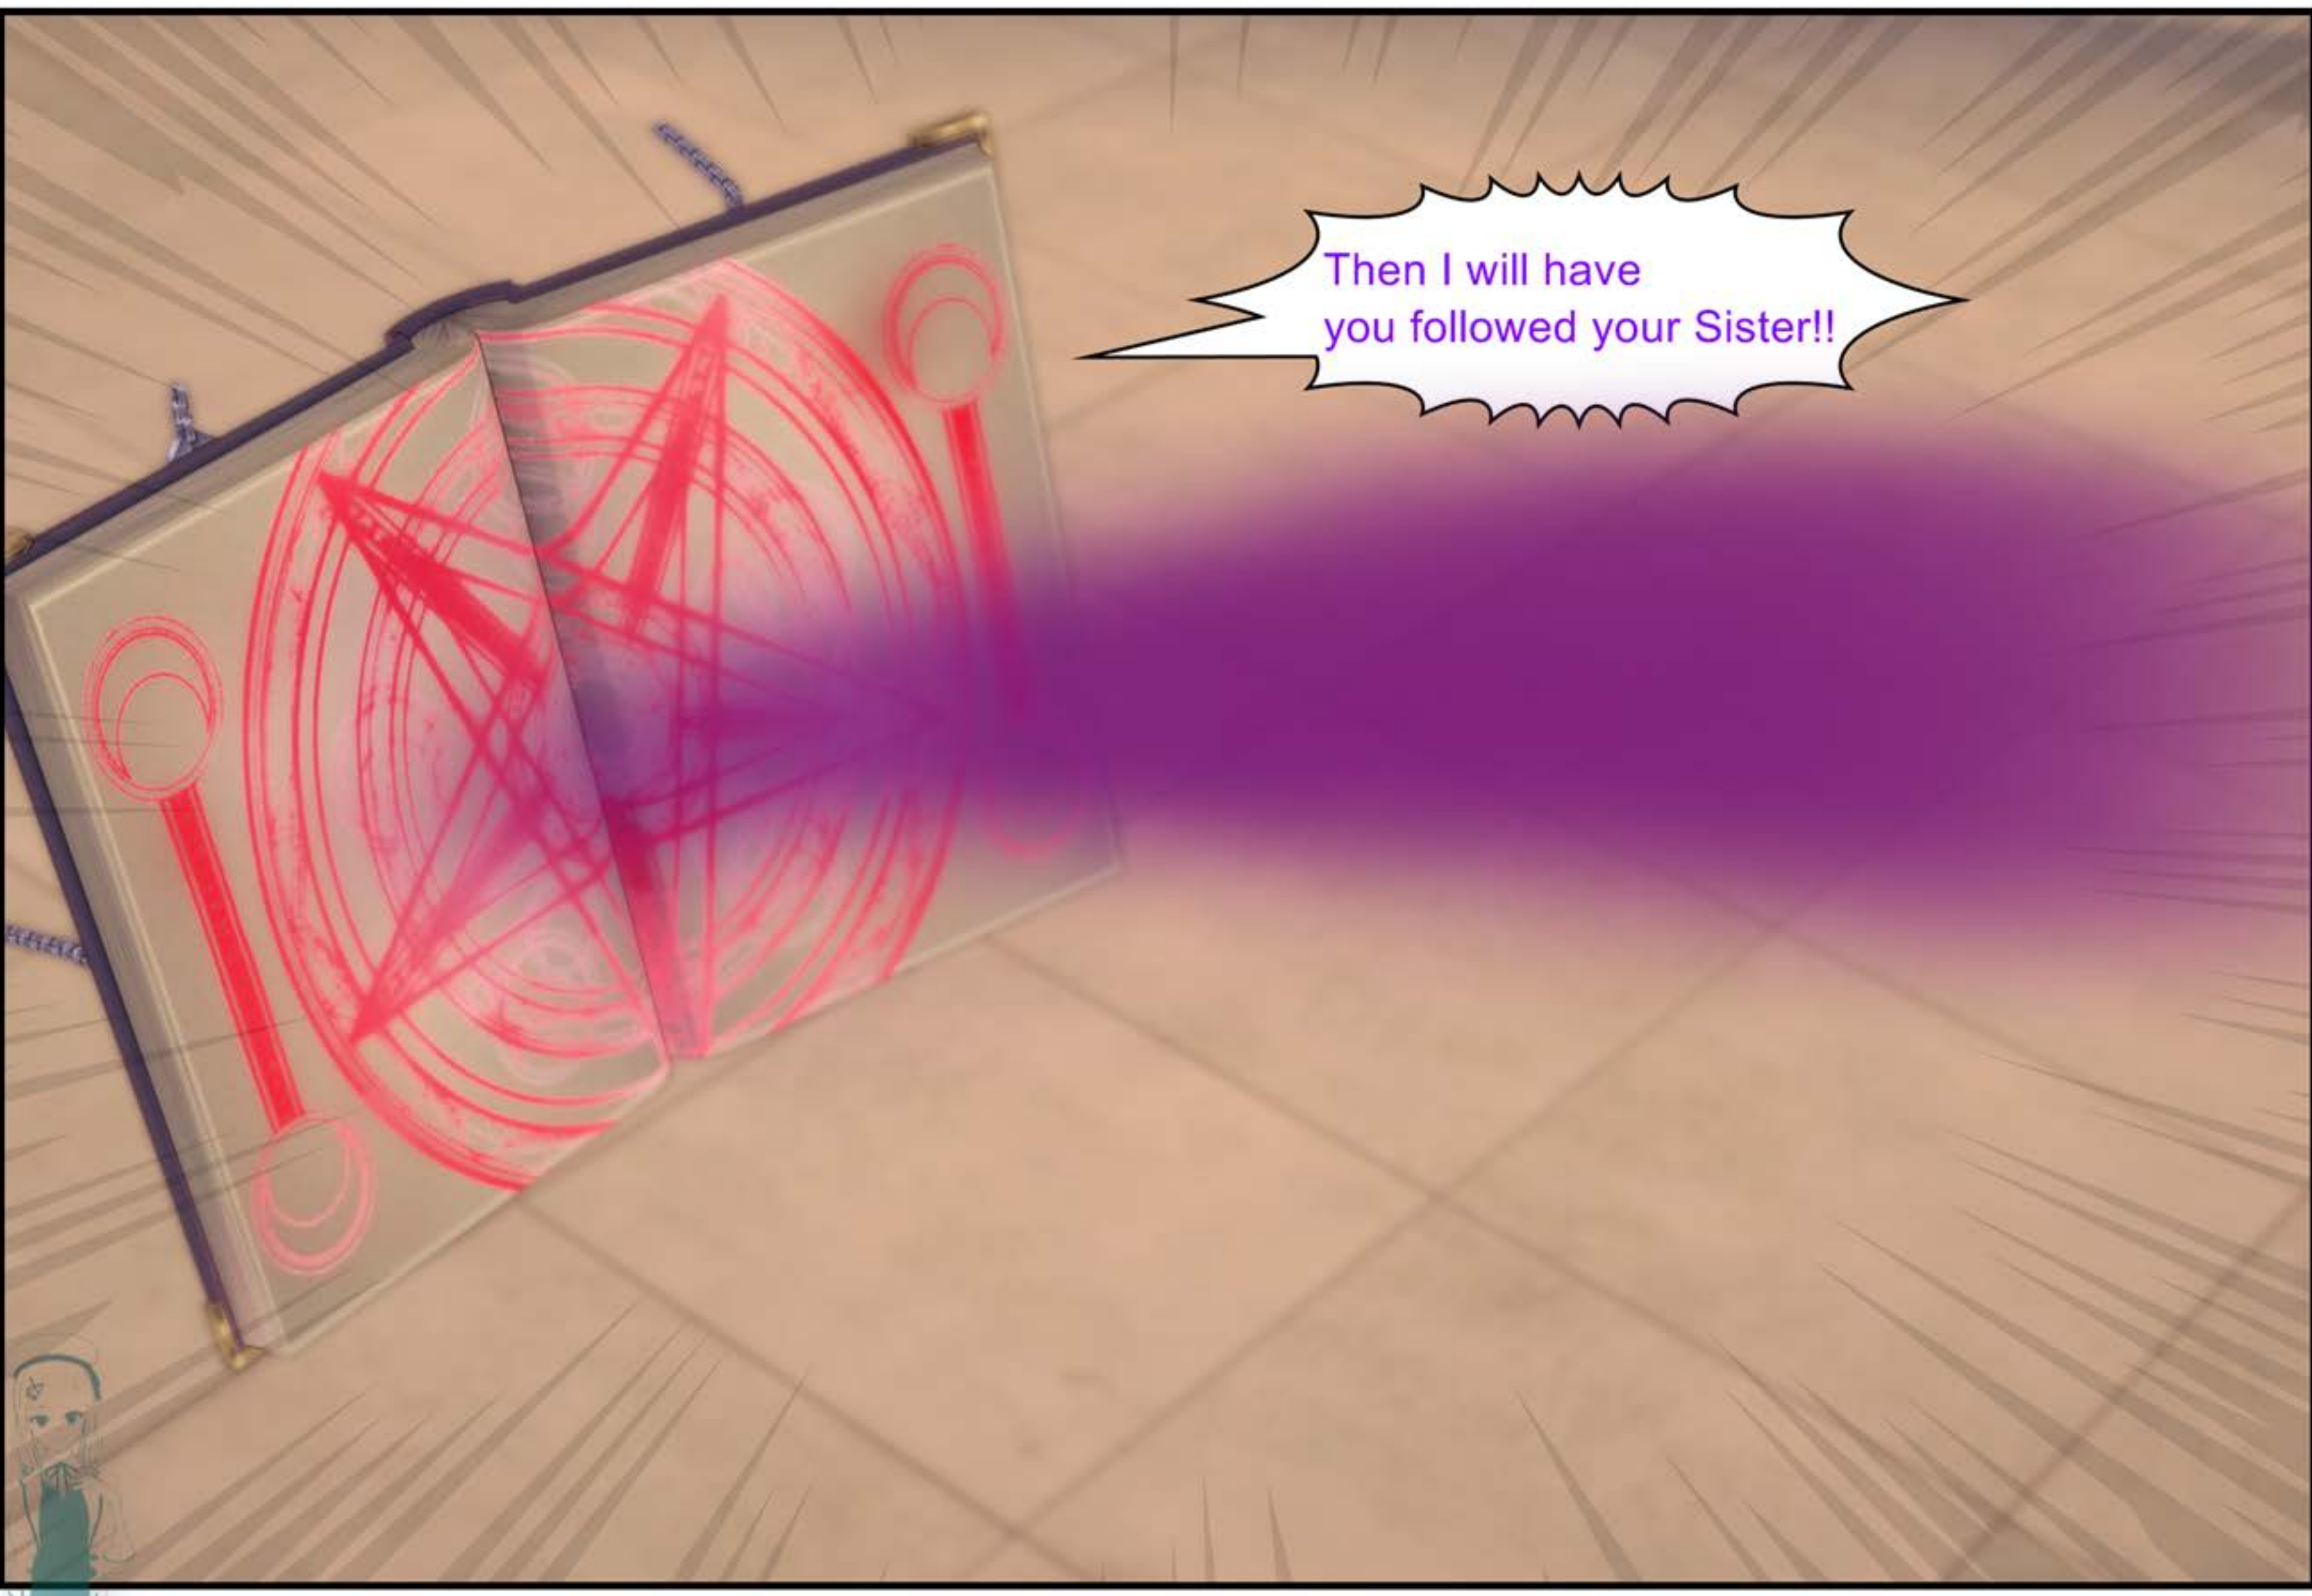

Koji..!!??  
What are you..

A small, stylized signature logo in the bottom left corner, depicting a girl with headphones and a green top.

An open book with a purple cover and gold trim lies on a light brown tiled floor. The left page features a detailed illustration of a spider with a golden body and purple legs. The right page is mostly blank, with a speech bubble containing purple text. The book is bound with white and purple threads.

Haha.. You wanted to die that bad..?

An open book with a dark cover and gold-colored corners lies on a light-colored tiled floor. The pages are covered in dense, chaotic red scribbles. A thick, purple, glowing beam of energy or light extends from the right side of the book towards the center of the frame. In the bottom-left corner, a small, faint illustration of a character with long hair and a green dress is visible.

Then I will have  
you followed your Sister!!

Stop this!! Let  
Koji stay out of it!

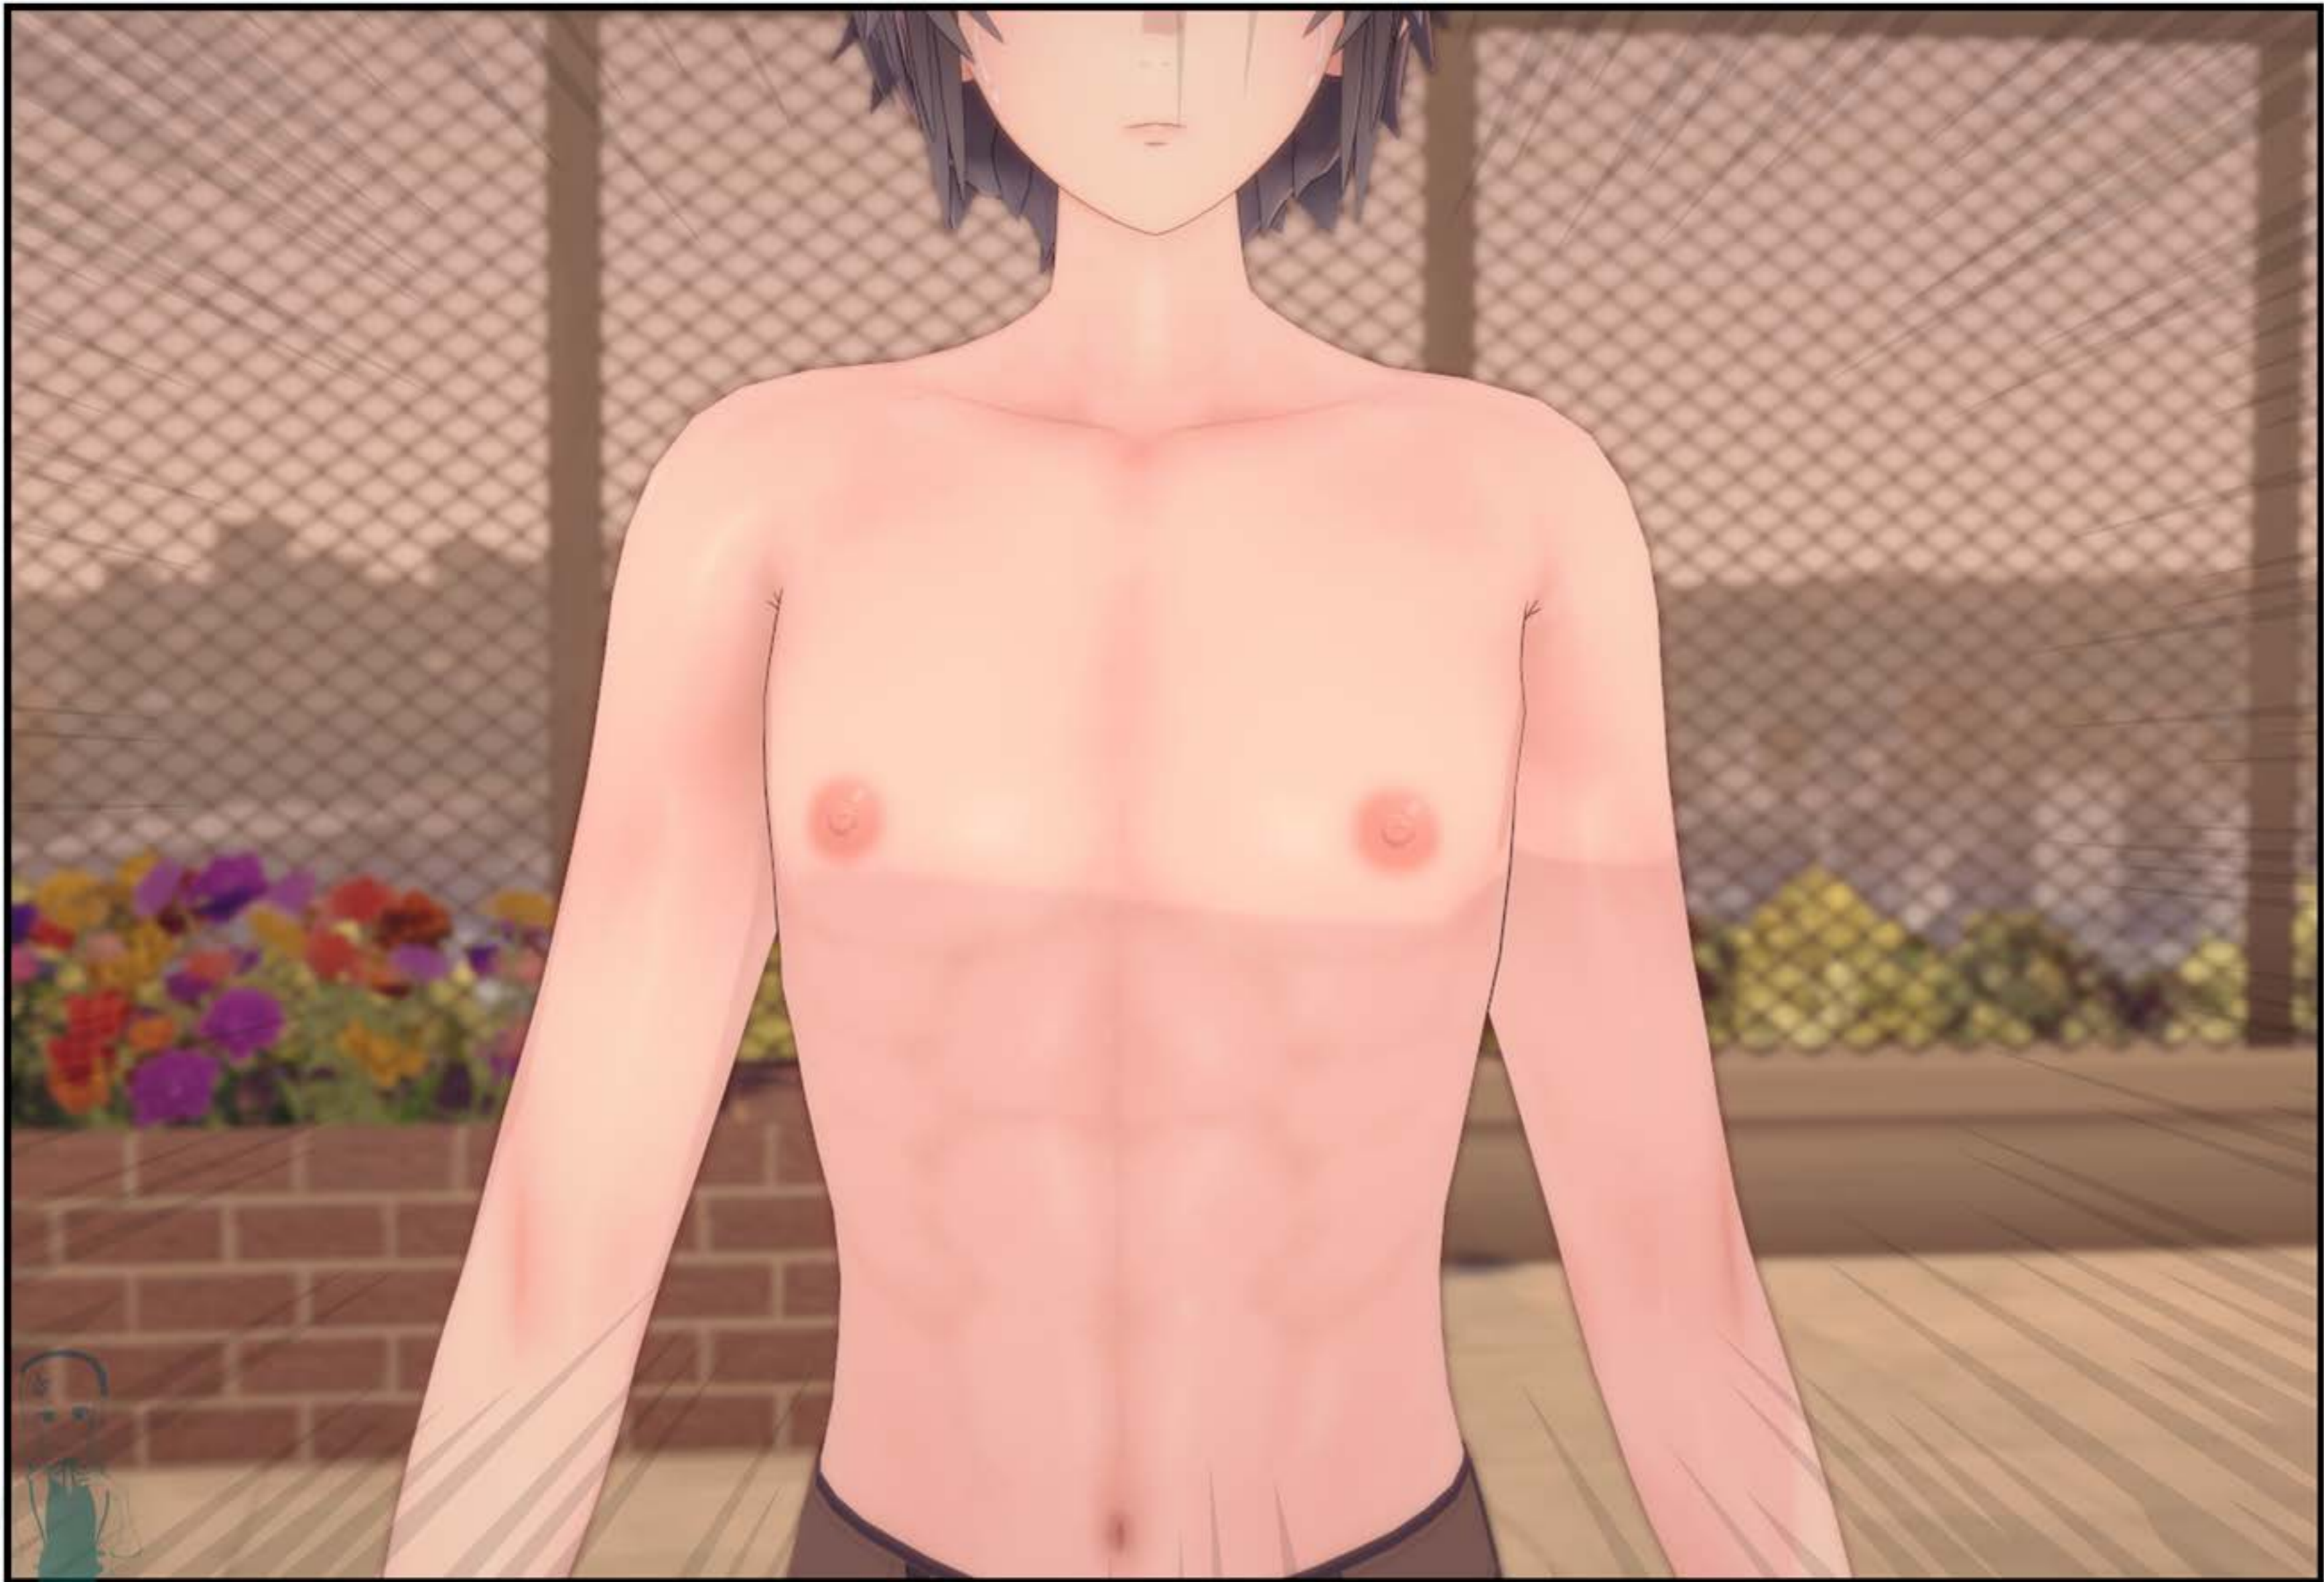

Hm? Would you look how desperate he is now?

I'm helping to  
put him to rest!!  
Ahahaha!!!!

H-Huh..? Where..  
am I..?

"N-Naoko..?"

Hm..? Koji?  
You awake?

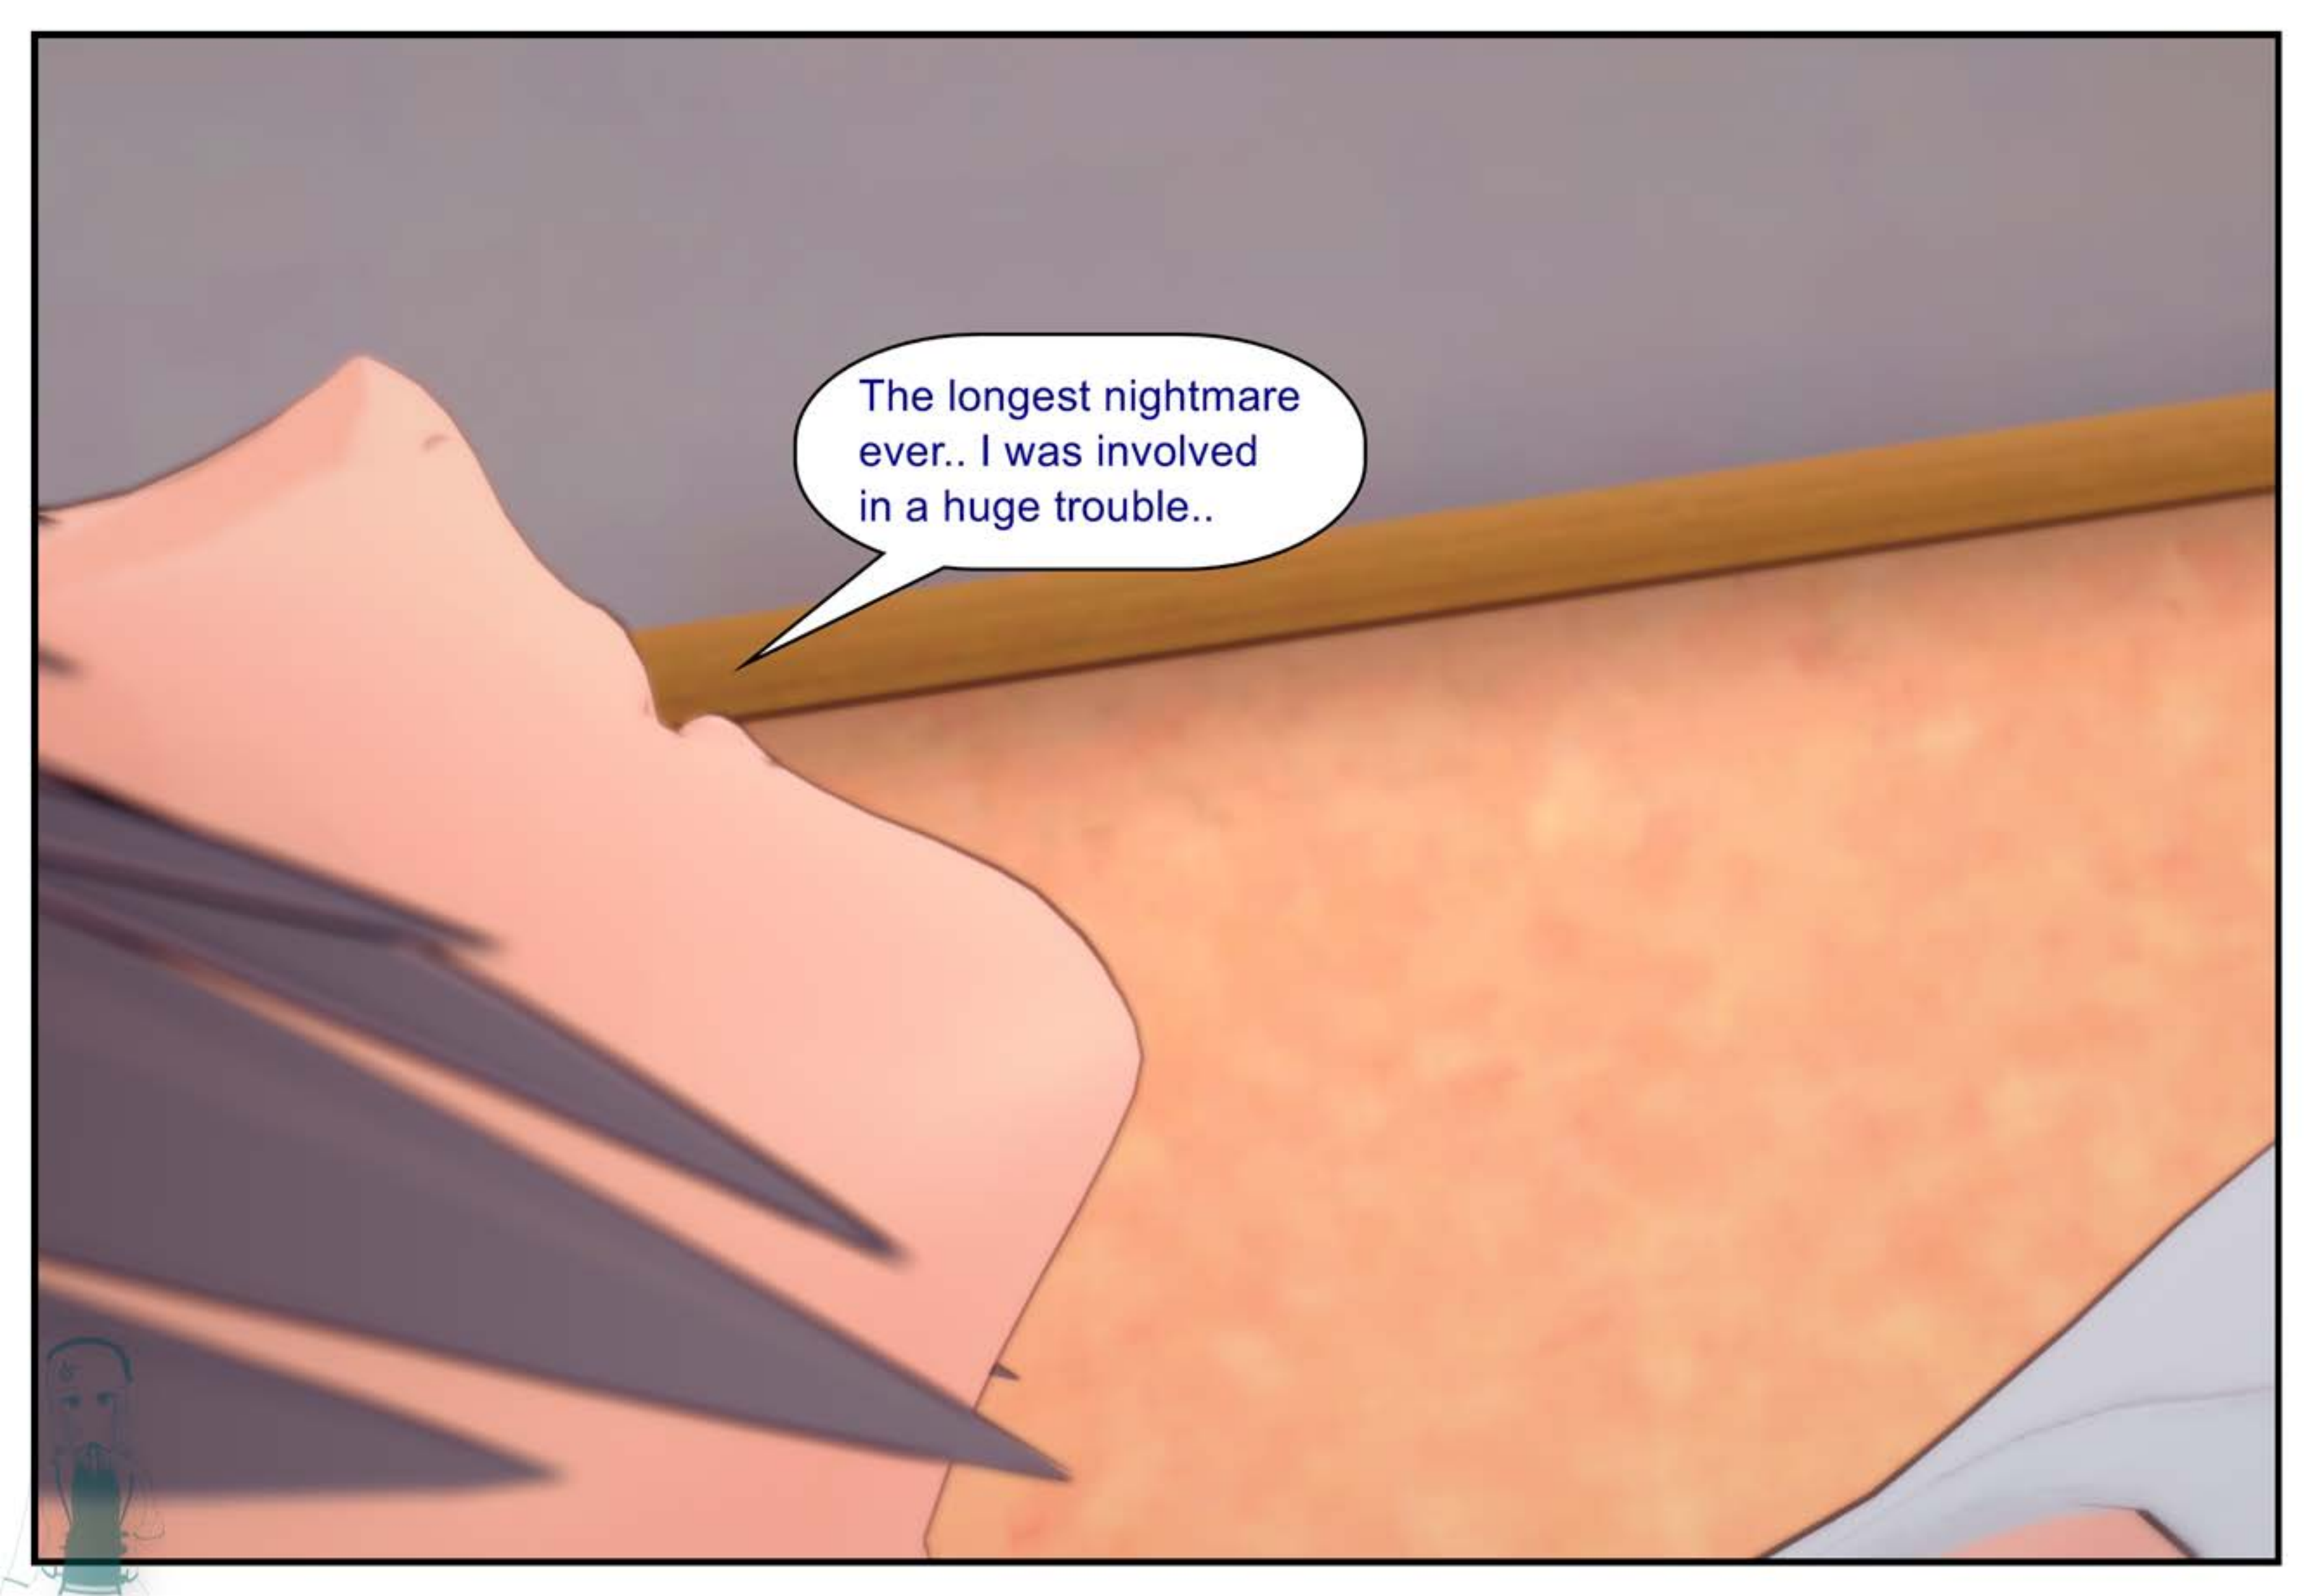

What's wrong..?  
Seem like you just  
had a nightmare?

Y-Yeah.. It was..

The longest nightmare  
ever.. I was involved  
in a huge trouble..

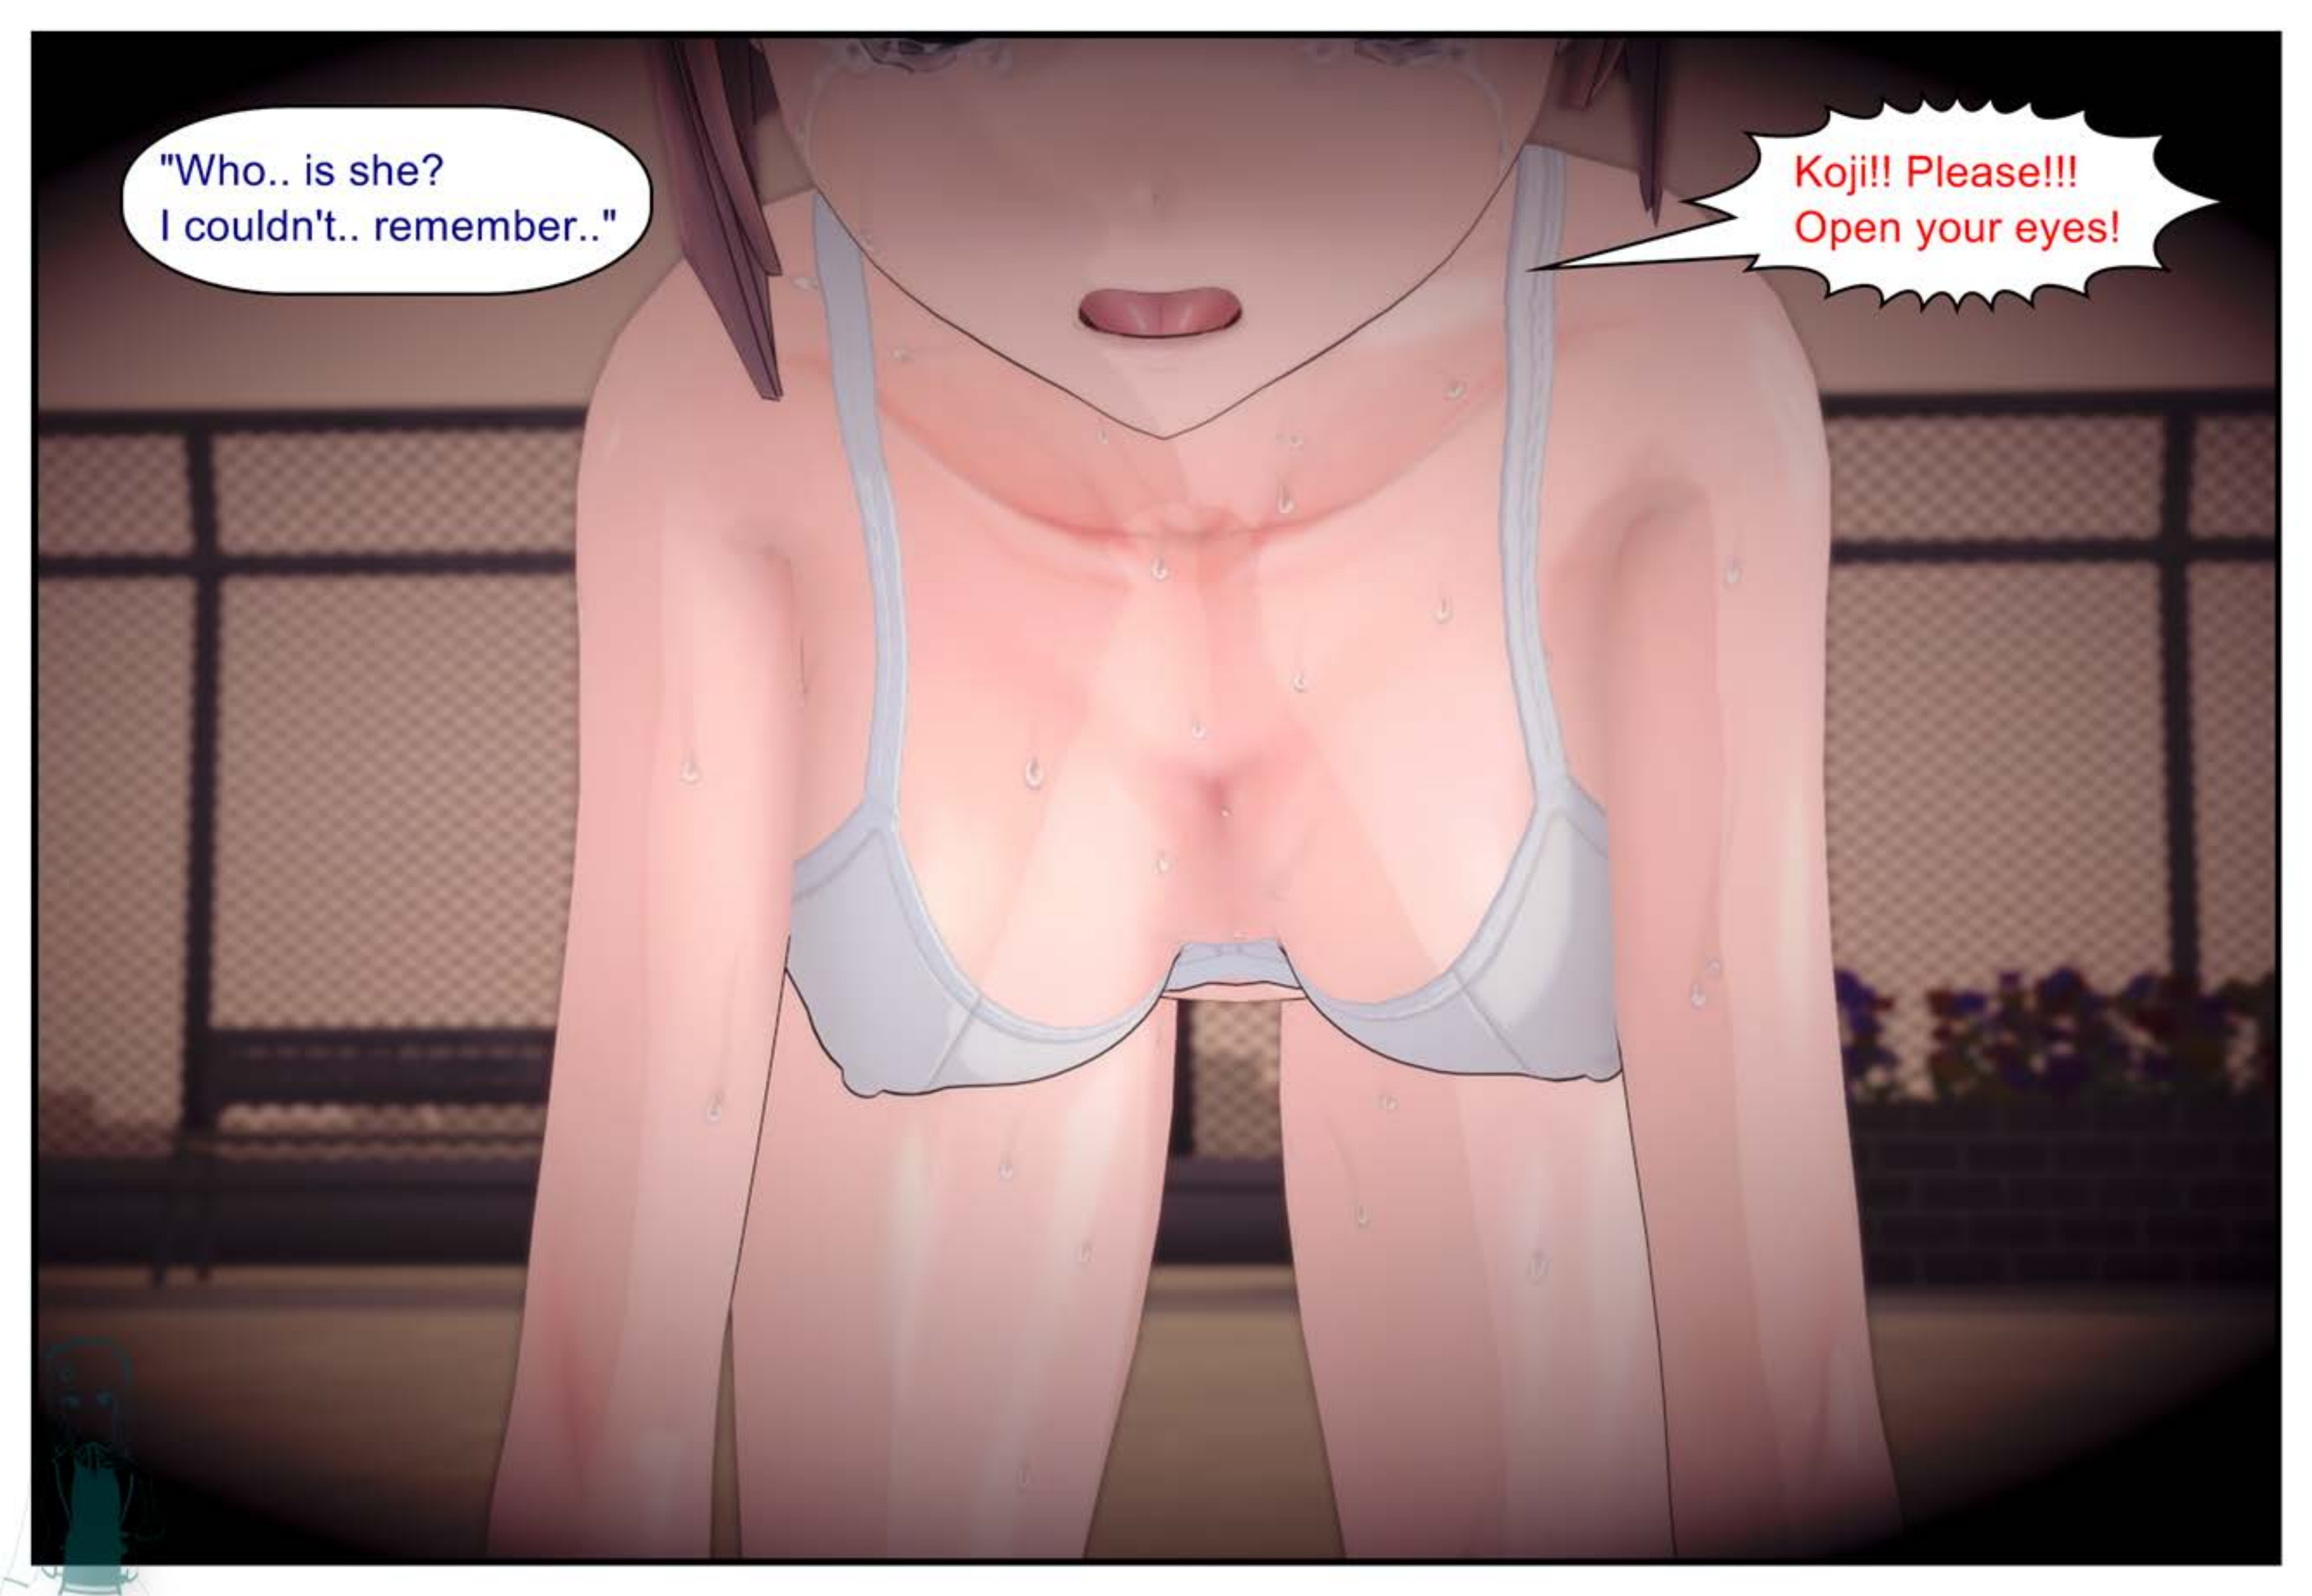

And I lost someone  
important in there..

Haha.. Glad it's just a nightmare. Let me message you, okay?

A woman with long dark hair is shown from the chest up, wearing a light blue bikini. Her eyes are closed, and her mouth is slightly open. She has a speech bubble on the left and another on the right. The background is dark with a grid pattern, possibly a window or a fence. There are some small white marks on her skin, possibly water droplets or sweat.

"Who.. is she?  
I couldn't.. remember.."

Koji!!! Please!!!  
Open your eyes!

"It's felt.. so real..  
And there's a voice..  
keep calling me.."

"Maybe.. it just an  
echo sound of the  
nightmare.."

Un.. Uhm.. Un..  
Nn.. Uhm..

Uhm.. Nn.. Um..  
Uhm.. Hm.. Nn..

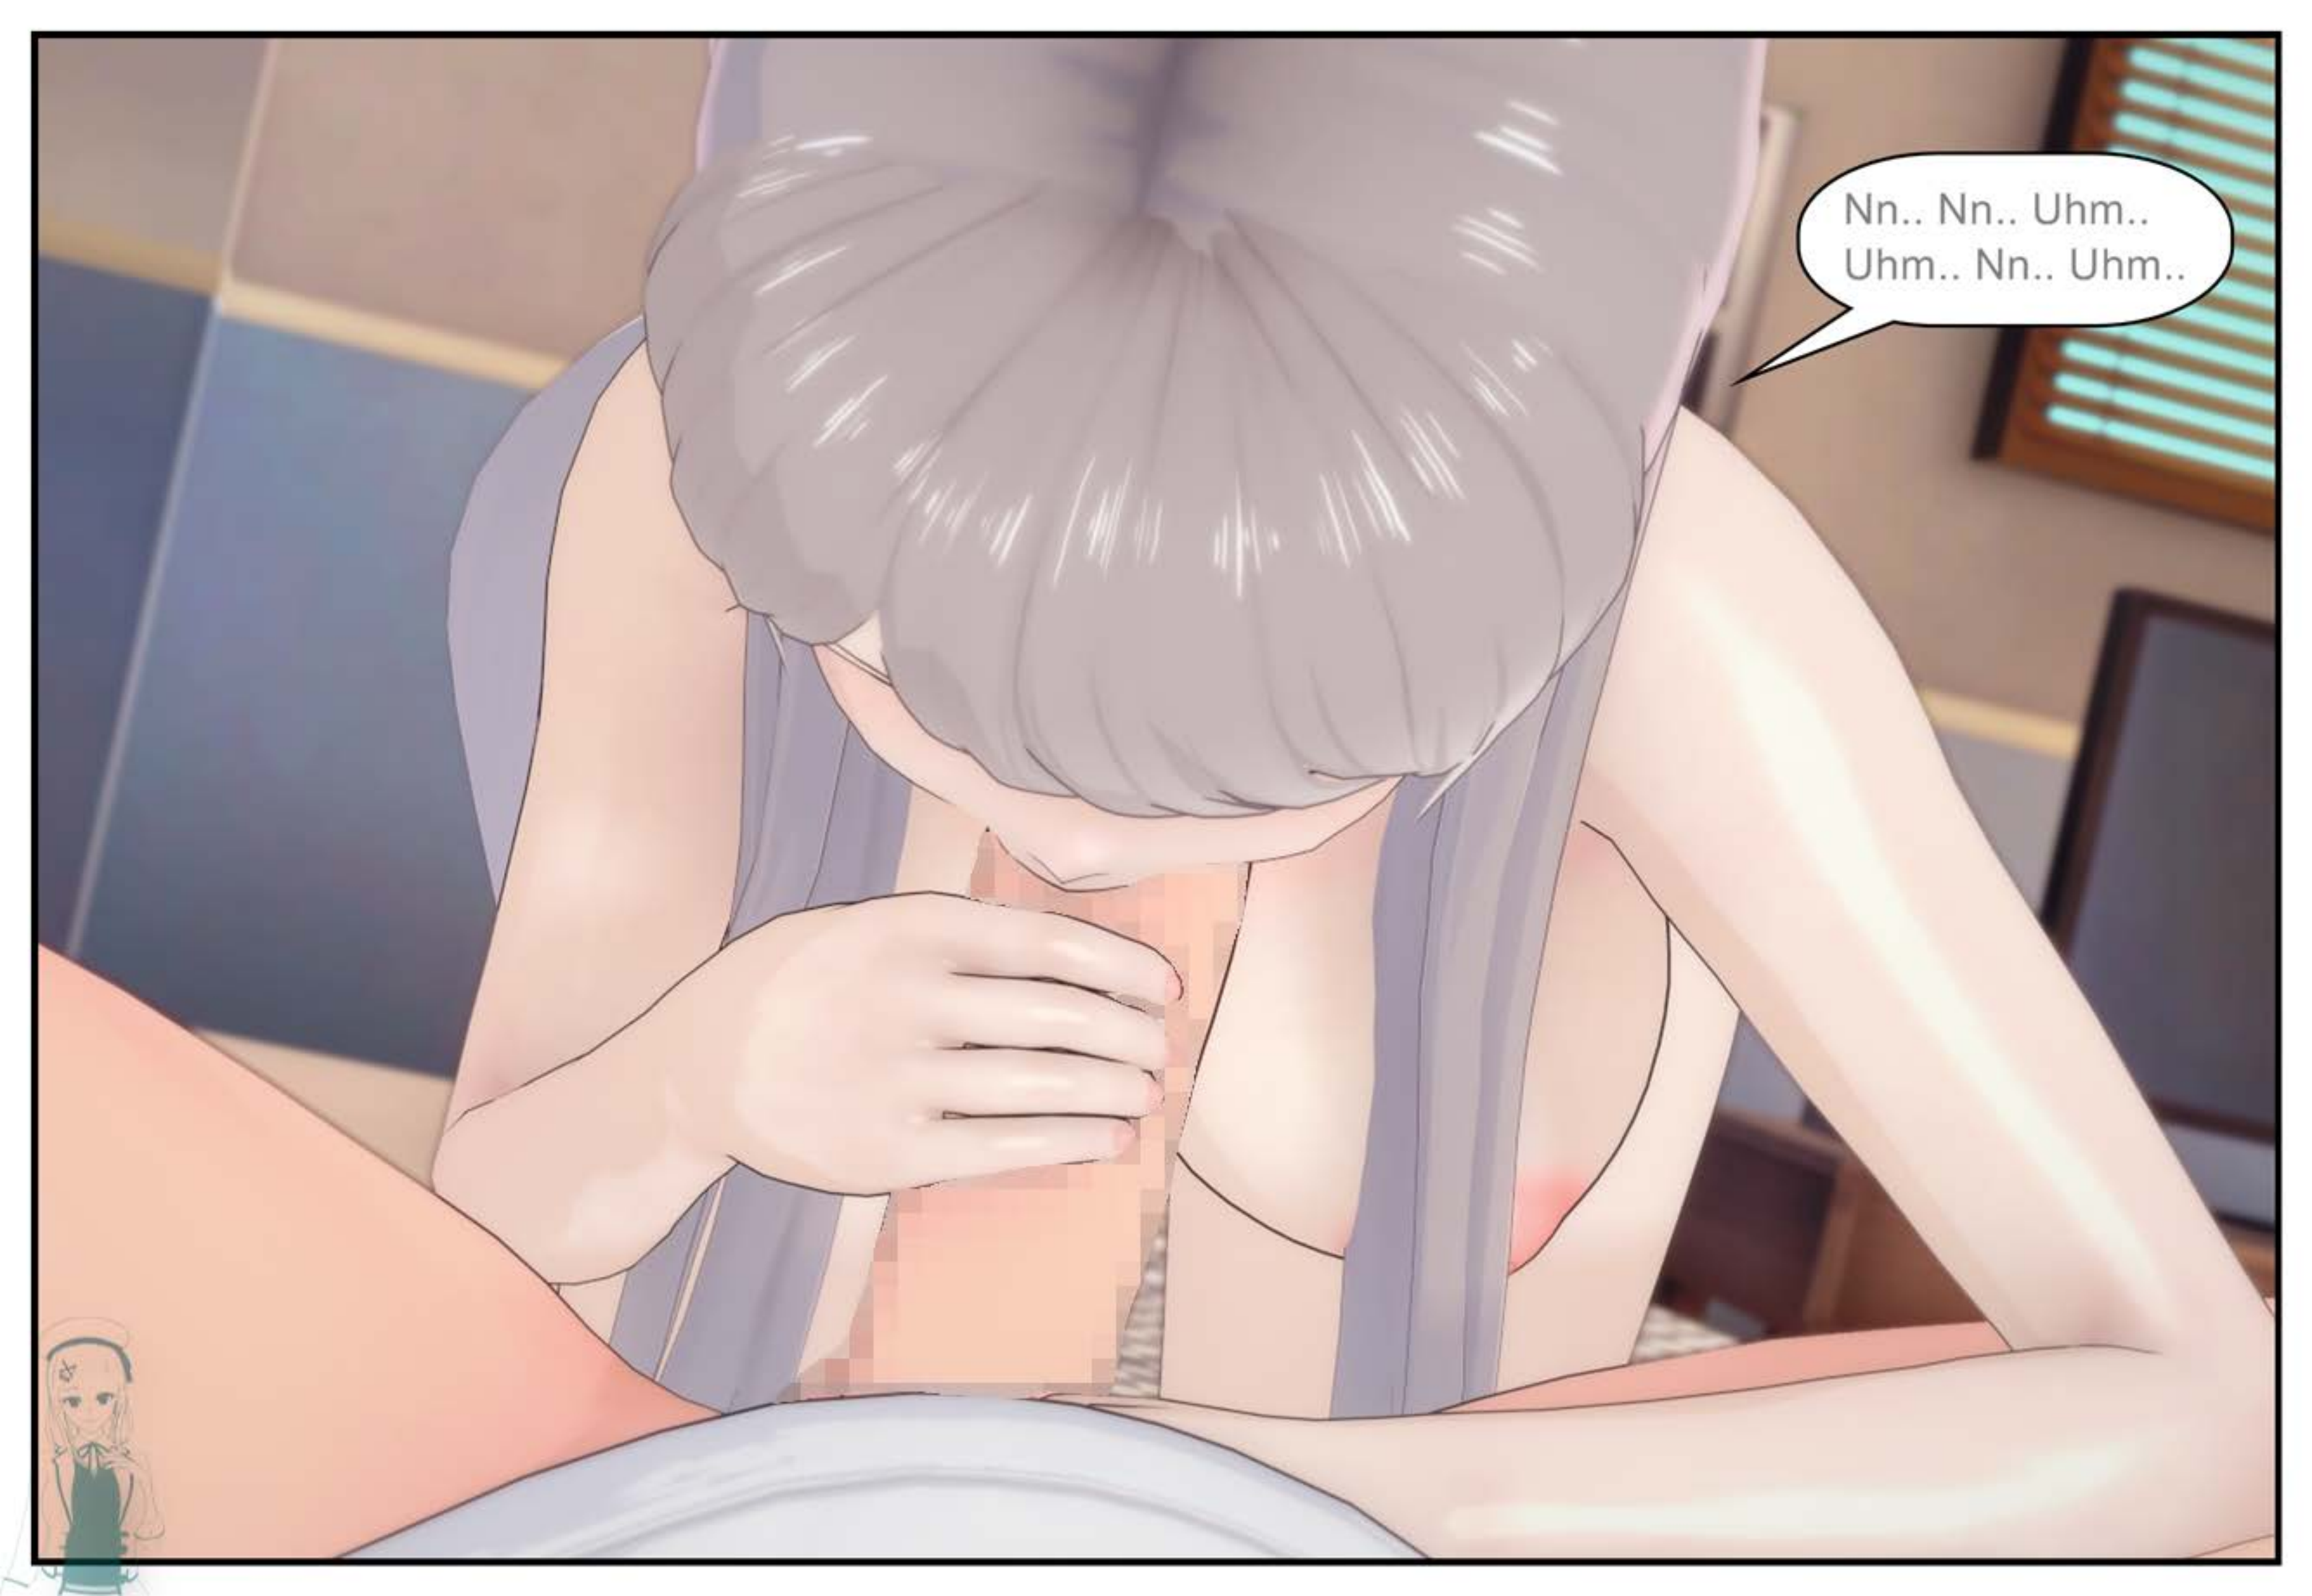

Uhm.. Uhm.. Nn..  
Uhm.. Nn.. Uhm..

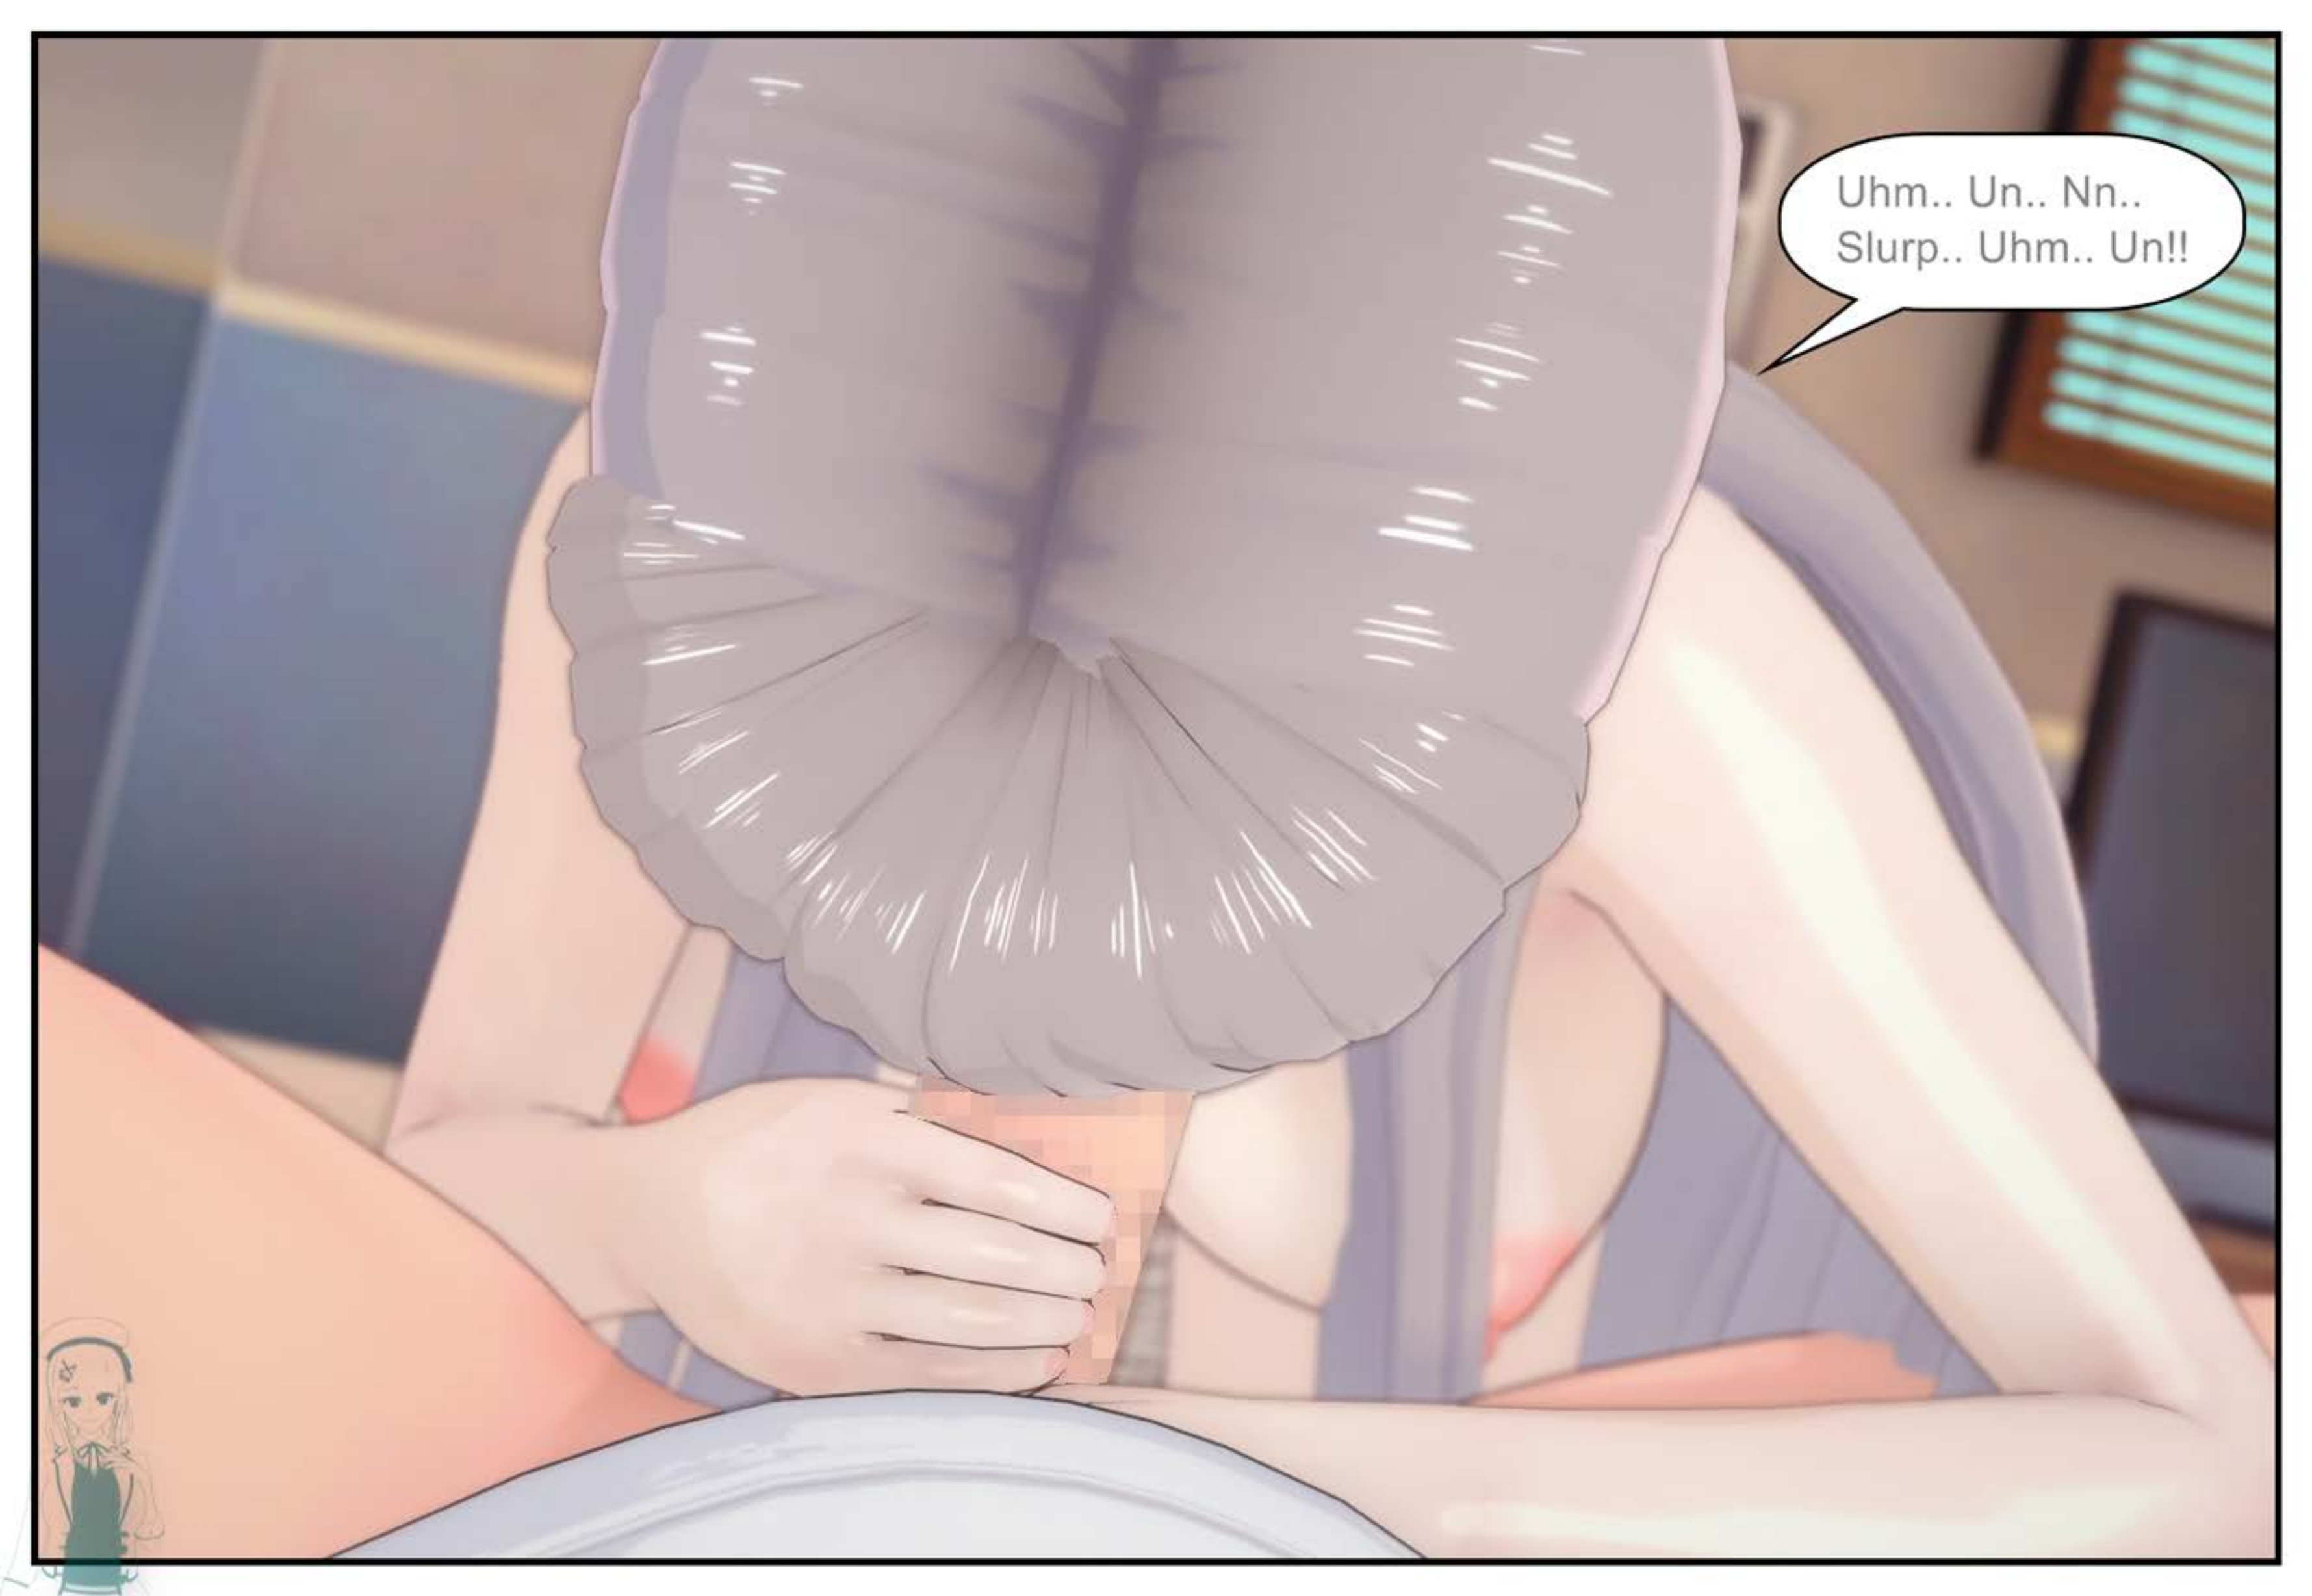

Uhm.. Un.. Uhm..  
Nn.. Uhm.. Mm..

Nn.. Nn.. Uhm..  
Uhm.. Nn.. Uhm..

Uhm.. Un.. Nn..  
Slurp.. Uhm.. Un!!

N-Naoko.. May I  
ask this? Like.. a voice  
keep show up inside  
my head..

H-Hold on.. You  
don't look like Naoko..

You catch up quick..  
But you don't know  
how are you ended  
up here, right?

You are gone..  
This is the reality  
that you wanted.

Let us fuse  
together, Koji..

In peace.. No  
one could stop us..

To be continued?
