Eleonore...
I was not really
showing up, my dad
just commented that
it was a little
bigger...

Are you sure
you don't want to
bring these to the
conversation?
Hahaha!

Bigger than mine?
What do you say Josh?

It's not a
competition...
Dad, you don't
have to...

C'mon Sveva,
I know your father
for a long time,
he likes this!

It's ok,
I don't mind.
I mean, just gazing
at it, Sveva has
grown a lot!
So...

Really Josh?
Here, take a
closer look!

Hey!!
You are pushing him!
Look dad, tell us the
truth!

Well, in the end,
I guess Eleonore
is still bigger...

humpf
But what about
the whole package?
Look at this
ripped body!
It's better
right?!

You don't know
your father at all,
he prefers a more
mature, with more
substance kind
of body.

You two
got really
competitive,
really fast.

LIBRA

You're not gonna bail on us now, right Josh?

Yeah dad. Just say what you're thinking.

If you don't want to choose the best body, what about these packages huh?!

Wow. Those are really big d....

We know they are big dad, but which one is bigger?

HUM... Sorry baby, but again, I have to say it's Eleonore's. By a very slim difference.

Hahaha. I guess I'm on a roll!

That's not really fair, of course you'll win in size, you are old and fat so...

FAT?!!!

I mean not fat fat... I mean you accumulate more body fat as you get older, so you get bigger!

Instead we should see which one feels better!

Fine, let's give him our thighs, of course mine is thicker, but let's see how he likes it.

Now Josh don't be shy, you have been here before!

Here, have a taste of mine too!

Sveva... Your cock is almost at my mouth! And Eleonore, yours is poking my neck...

C'mon dad, is not that difficult to choose, use your hands, have a good feel of it!

It's weird! I should not be doing this at all.

It's not that weird, it's not like you two are related by blood anyway.

Hey!!

Sorry, but that's the truth.

They almost crushed my head between their thighs and cocks.

Alright, we should not push him too much Sveva. Let's get him more comfortable first.

And if there is anything that can get a man comfortable in this world, is a nice pair of tits!

Yeah, but why do you think he would like those saggy things?

I'm sure dad prefers a nice, firm pair of round and young boobs, right dad?!

This is really getting out of hand. I think this is not about me at all.

Nonsense! You are a man, you are driven by sex, you should be able to choose what woman part you like the most!

Dad, it's just a game. Eleonore tells me that you had your share of her cock in the past... Maybe you are more comfortable starting there?

Nice! Good one Sveva, I'm sure he'll like it, but this time you get a good squeeze of them, feel every inch and tell us which one is better for you!

Oh no...

Here Josh,
did you missed it?
So thick right, so many
years of experience, so
much power used to
dominate men and
women alike.
Driving all to the
limits of pleasure that
the human body can
experience!

You are just talk.
Look at my cock!
Look how much potential
it has, at this age and
this big and powerful
already.
It promises
great things,
so many people
that still don't
know that one
day they will
have the best
cock of their
lives!

C'mon
ladies stop it!!
Both of you are
amazing!
Eleonore is mature
and have experience,
her balls are so used to
this that I can actually hear
it producing liters of semen
right now preparing for hours
and hours of sex, and I can
feel the strong muscles
of her penis, sculpted
by years and years
of raw sex...

Sveva is young,
but like she said, she
is so powerful already!
She has so much time
to catch up and even
surpass you
Eleonore.!

I can't stay
here anymore,
the scent of their
dicks is driving
me crazy!

I'm out of here,
I can't take
whatever you are
doing anymore.

C'mon Josh,
I'm sorry, it was
just a silly
game.

Sorry
dad.

See you two
next week.

I see, you remember a lot of myself when I was younger, huge muscles, well endowed. Very good!

It's good to know my roots, thank you for this opportunity, soon I will surpass you!

Well... I don't know about that, you have a long way to go...

I don't mean to offend you, but at this age I'm big as you, and I can do everything you can so, imagine when I'm older.

You can NOT... Look how about we do a contest? I'll show you how much you still have to learn!

Ok, I'm in. What do you want to do?

Since you were bragging about being as big as me...
Let's start with a simple erection and size contest.

Look how easily I can get hard!

HARDENS

HARD

Impressed?!

I think this look really nice...

UP

You know why I like it?

HARDENS

ROCK HARD

Because it's just like mine!
Haha

Well "mom"...
What's next?
Because this is a tie!

Hahaha, you think I'm fully hard?

GROW

I admit I'm impressed with you being as big as I am on my average...

GROW

ENLARGE

My god...

...but you still need to learn how to do a putanari true erection! Do you have anything to say?

Ok, you won... This time I guess...

Ok, how about we see who can shoot further now?

Alright, so how do we do it?

Let's lie in bed and shoot up, let's see which one goes higher!

You know, I'm sure I'll win this! There's no way you can cum more than a puta on her early 20s!

I don't know, I'm very proud of the amount of my cum, ask your father about it!

No, look at this, look how much I can cum!! No man can ever dream to compete with me!

Swoosh
**Wooooo!*

Wait, how? How can you still cum like this?

You are not competing with a man, you are competing with a Putanari cougar, hahaha!

You know, you won again, but it wasn't really fair...

Why not?

Your cock is bigger, so you had a head start, that's why I came higher than me.

Ah c'mon, don't be like that, you could clearly see that mine was bigger and had more volume!

How about we do it again? But this time you step back to have the same start as me, and we shoot forward? It's much easier to measure the distance.

Alright, if you insist...

She doesn't know that my second time is always much stronger, hahaha

OOOWWWW

.....

AAAAAAHH

Wow, look
at that.
I guess I won
this one!

Congratulations...
The volume I shoot
was bigger though.

That was not the
contest, you wanted
to prove who had the
strongest ejaculation,
I won!!

How about volume?
Let's see who can fill
a bathtub, what do
you think?

You are really
competitive today
aren't you?
Ok, let's do
that too!

You know,
back in the day I could
fill this in a few minutes,
but half a tub, it's also
a great achievement
don't you think?

How are you
doing back
there?

Oh, I'm sorry,
I think I'm making
a mess here.

Oh my...
She's...
she a young puta...
How could I
forget that...

I guess you won this one too... I have to say, you are a very strong Puta... I'm proud of you!

Ok, thanks, but look... Does my dick look bigger to you? And my balls, are so swollen. Is this normal?

Yeah, maybe you just work it out too much today... Too much blood flowing...

She's going to have a real Putanari erection soon. If that's how she is right now, there's no way I can win if she gets her full Puta size.

So let me get this straight, now we'll go to these rooms, and fuck a whole bunch on women that won't stop coming until we get tired?

Yes, Putanaris are known for their big stamina, and I'm sure I haven't lost mine, so let's see how do you do compared to me!

But how many women will we have? How do you know them anyway?

Oh honey, you'll have your fuckbuddies as well, you'll see.

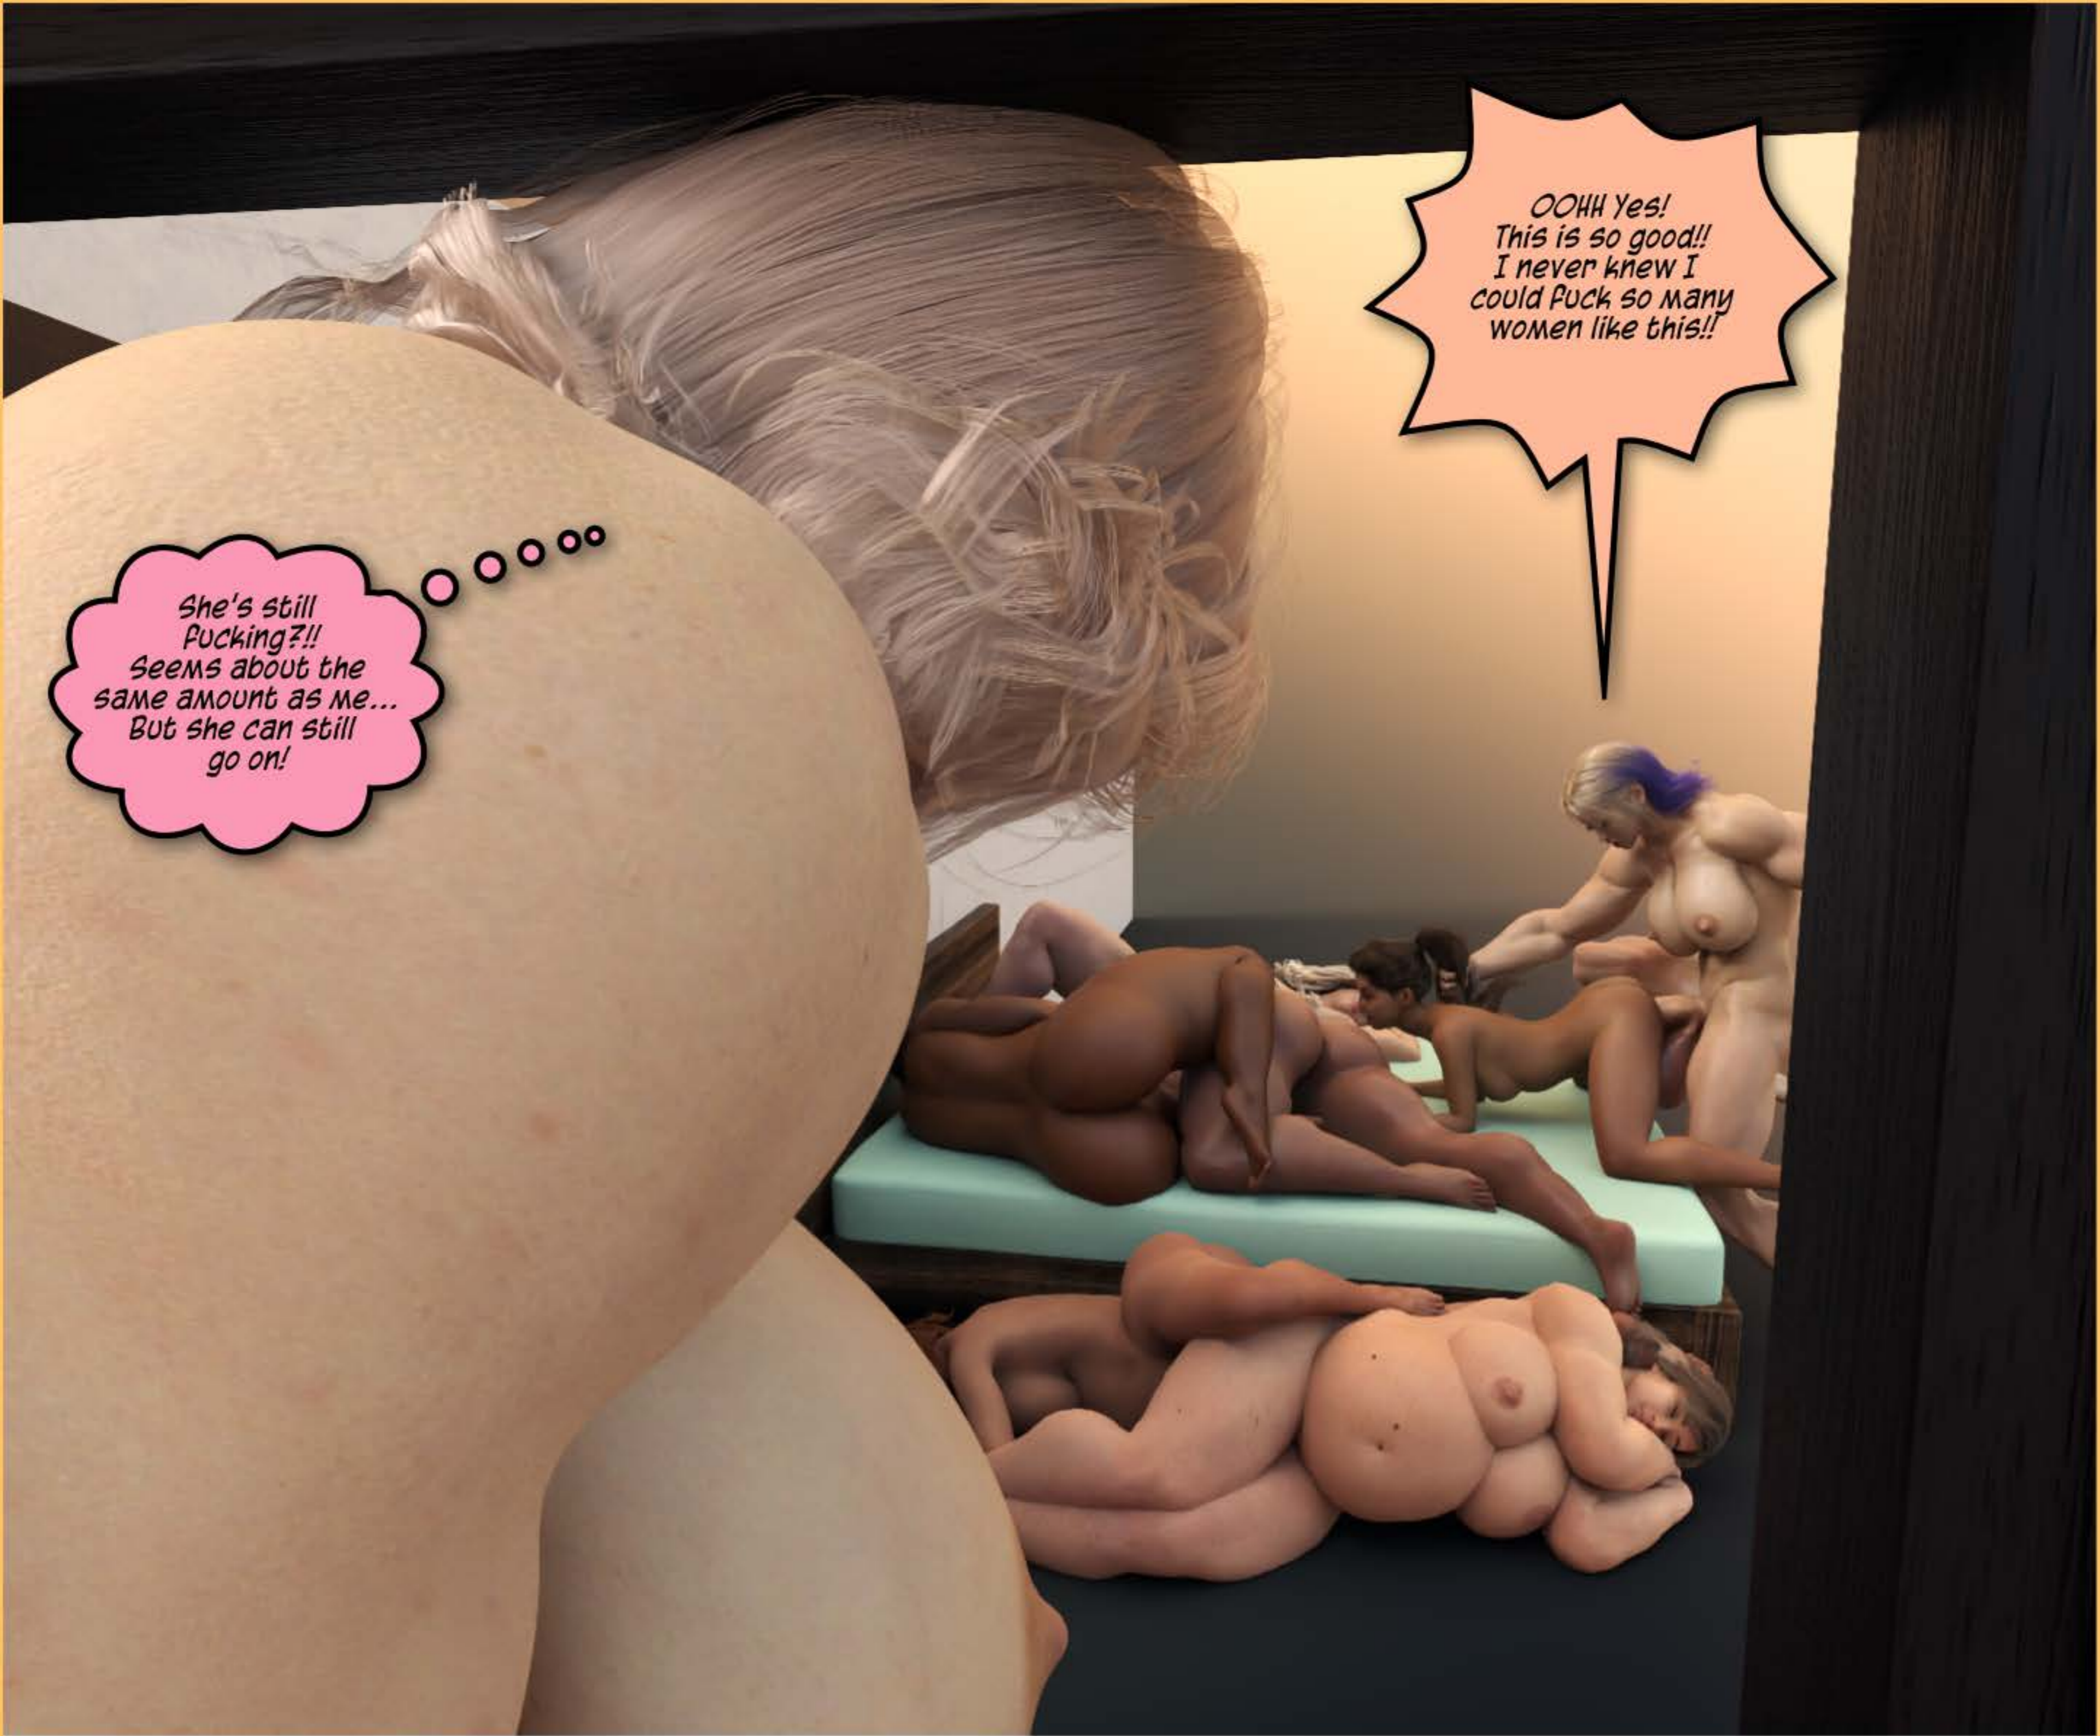

Some time later...

.....

aaffh After cumming so much today, I think 6 is all I can do it for now, but I'm sure Sveva is not doing much better...

I mean, sure she's young, but she's small and skinny, she can't be doing better than me! I'll check her out.

She's still
Fucking?!!
Seems about the
same amount as me...
But she can still
go on!

OOHH Yes!
This is so good!!
I never knew I
could Fuck so many
women like this!!

Do you know
Eleonore for
a long time?
Which cock do you
prefer?

How do you
Feel when I Fill
you up!!

BULGE

LIBRA

You are a big lady aren't you?
How does it feel to be dominated by a Puta shorter than you?

PAP
PAP
PAP

AAAAHHH!

AAAAAAHHH

That's it!
This huge load is just for you amazon!!
Who's the strongest now?!

sloossh

BULGA

It's too big...
So thick inside me it's
unbelievable...

It's alright, just
keep at it!

Look how
far it goes!
And... it's growing!!
I think I should get
up, it's growing
inside me...

No no, keep
moving, it's
so good!

I can't
take it!!
It's going to
rip me
apart!!!

BULGE

GROW

GROW

Just a little
more, a little more...
OOAAAHH

Vloossh

Wow, that was amazing!! Oh, there you are, were you watching me?

Have you finished all of your women?

Yeah, I guess I reached my limit today, how about you?!

I would do more, but there's something wrong with my penis...

Look at it, it's huge! I never seen it like this before!!!

OH MY.... It's... It's really huge actually...

It's bigger than mine right now!

It's way past it my knees! Did yours ever got so big?

Yeah... We putas can sometimes reach a full erection, way bigger than an average erection, and our dick and balls gets gigantic like this, but it goes away after a while so you are gonna be fine.

Oh, alright, it's hard enough to walk around with my actual size...Imagine with this monster hanging below my knees!!

How about the contest? Did I won? I won right, I Fucked more women than you! And all the other things!!!

Yeah you won!! Happy?!! Sorry, I'm just not used to this feeling.

I'm sorry too, I was never competitive like this before.

I might have pushed you a little too much.

But I'm really worried about my cock, do you think my muscles will grow as well? My dad said they looked bigger! I don't know what I'll do if they grow more.

My muscles grew this huge when I was even younger than you, so I think you should be fine.

But her cock is something that is really astonishing right now. Will it go back as it was before? It feels more muscular than just blood flowing inside these veins. Also her balls look really full, she should be empty.

Hey Sveva, do you need to cum a little more?

No, I feel fine for now. Why, is there something wrong?

No! I think we are done for the day then. Let's just find a pair of sweatpants that can fit your enormous new size, haha.

SVEVA vs ELEONORE
