

The secret of supervisor

Author : Lite

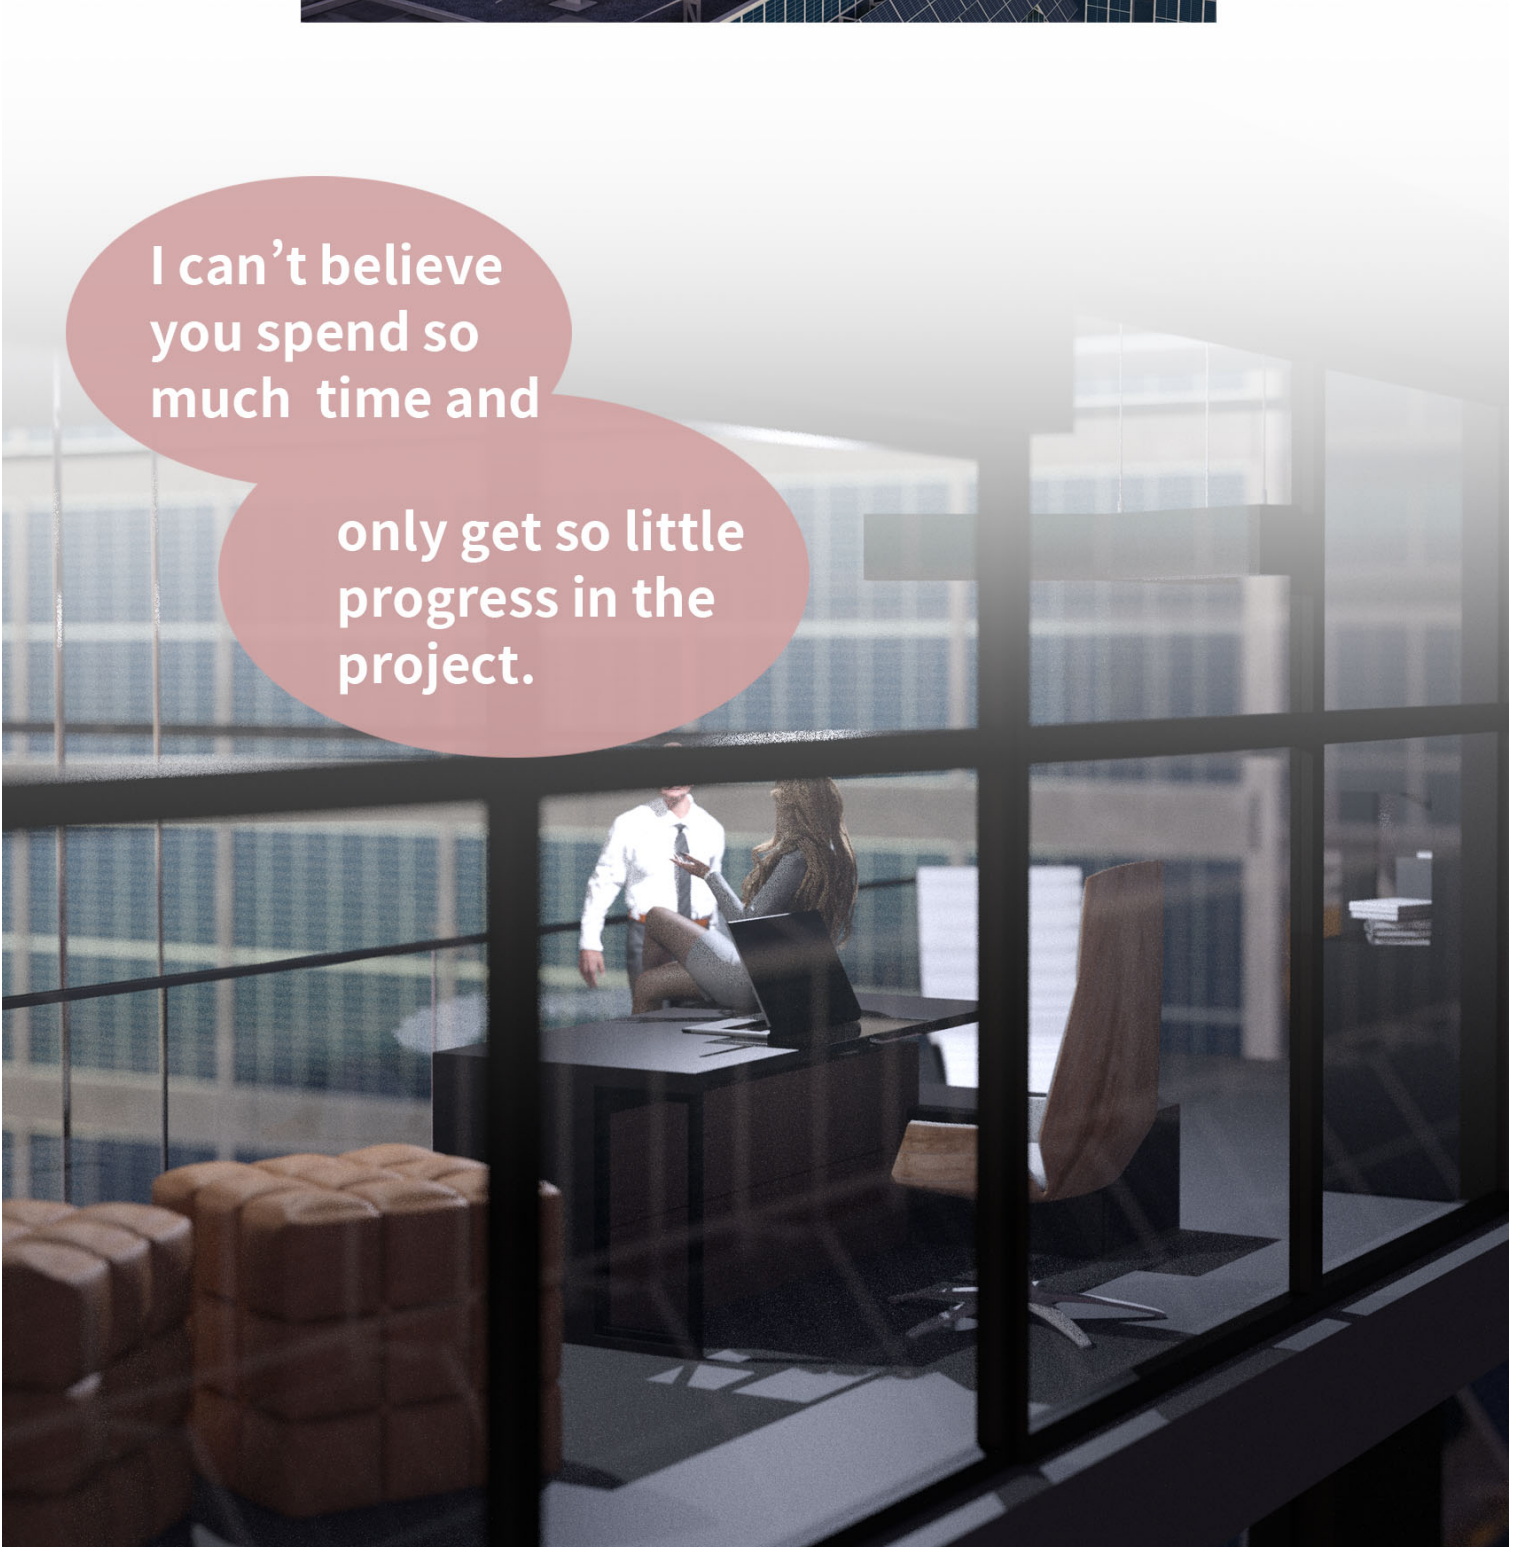

You guys take so long! !

I can't believe you spend so much time and

only get so little progress in the project.

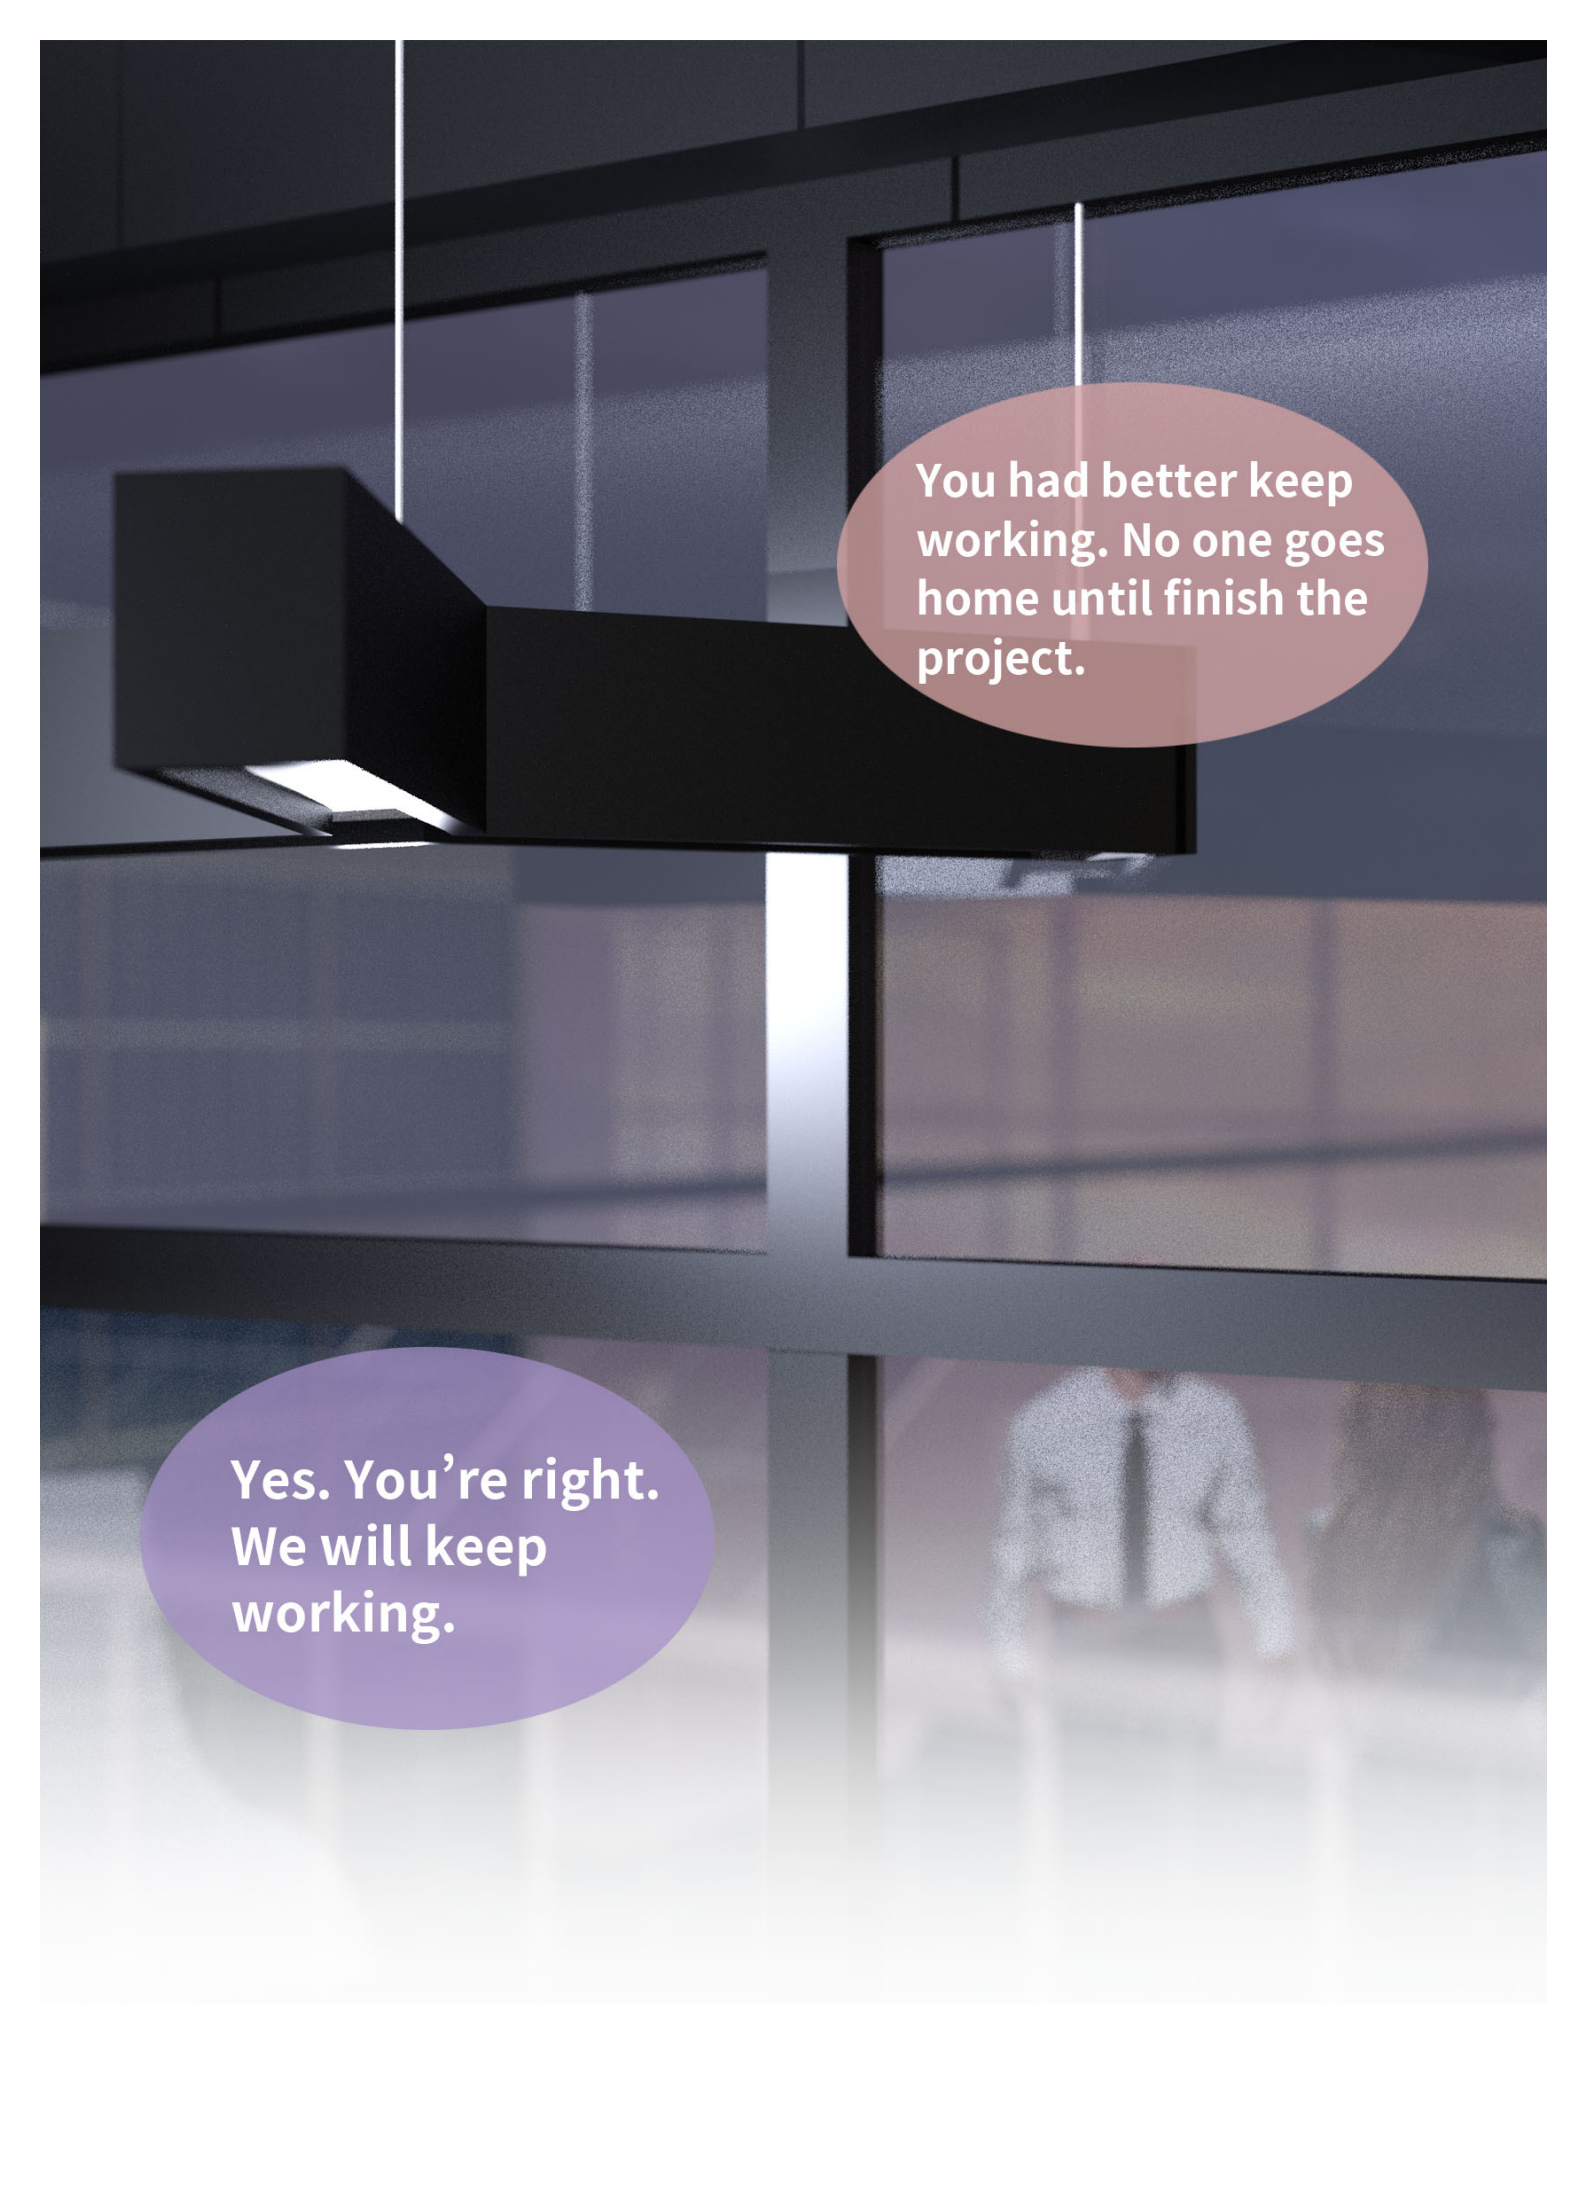

I really don't know
why you work so slow!

Why company would
hire you losers!

I...I'm sorry.
We will review
our work.

You had better keep working. No one goes home until finish the project.

Yes. You're right. We will keep working.

Why company is
full of incompetent
subordinates?
They just need some
scolding.

To train them,
I have to let them
work overtime.

A woman with long, wavy blonde hair is wearing a grey business suit with a white shirt. She is standing in a blurred office environment. A speech bubble is overlaid on the image.

I should go home
and get some rest.

She only get that supervisor job because of nepotism.

I will teach you a lesson ..

by an evil way.

Huff~

Showering after a long day make me feel so good.

喀
嚓

Why there's door-opening sound?

Did I just misheard?
Everything seems ok.

Hehe.....

Huh?

Guess what!

I will let you see
what hell looks like.

Why I can't ...

...move?...

A man in a white dress shirt and a dark striped tie is holding a large, ornate knife behind the back of a nude woman. The woman has blonde hair styled in a bun and is looking back over her shoulder with a distressed expression. The scene is set in a modern office or lobby with grey walls and a white bench.

Yes! It works!

Help me...

Nobody gonna
save you!

Hehehe~She turns into a skin suit perfectly.

The skin knife is so magical ! I don't need to worry about livelihood anymore !

A man with a balding head, wearing a white dress shirt and a dark striped tie, is sitting at a white table. He is looking towards the camera with a slight smile. On the table in front of him is a light-colored, skin-like suit. The background is a modern interior with dark wood paneling and a glass door.

Lin, Siao-Syuan~
Just the thought
of wearing your skin suit
makes me so excited.

You were so arrogant.
But now you will
surrender to me.

Let's start with
Siao-Syuan's legs!

Her legs are so long
and beautiful.

I used to jerk off
during work time
while thinking of
her legs.

The feeling of an old man like me having young woman's legs is very mystical.

Next, I should wear the skin suit's body part.

zip up -

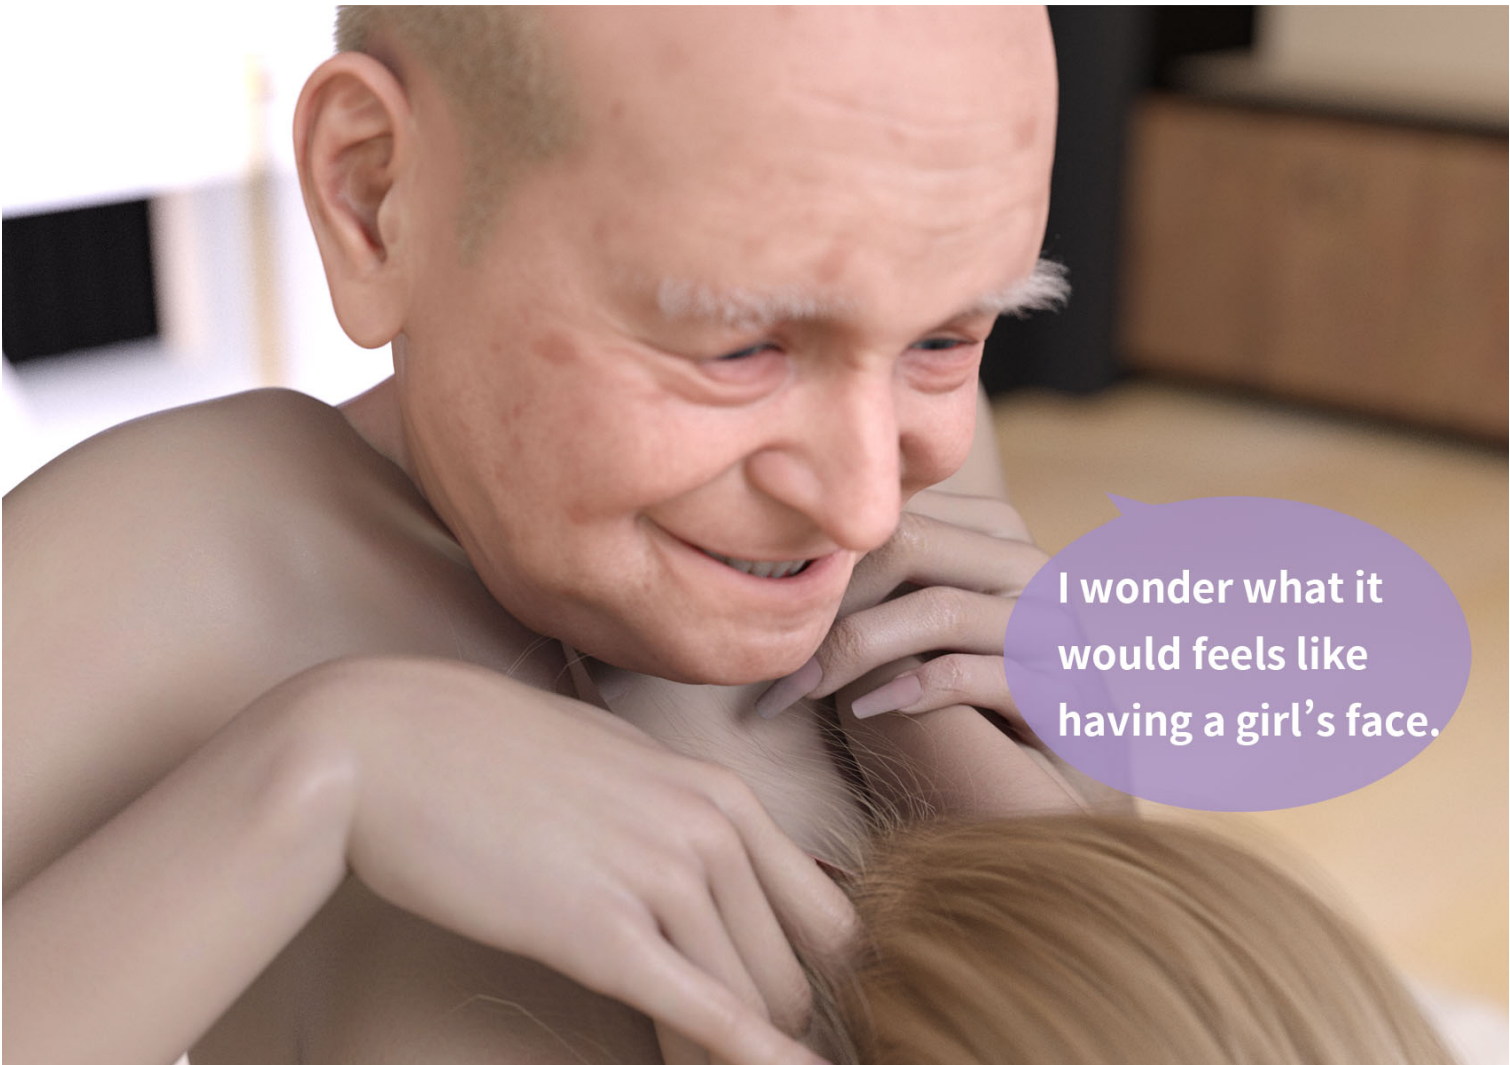

The young girl's
body is so flexible!

Unlike my body is
wrinkled and dry.

The next step is putting on the head.

I wonder what it would feel like having a girl's face.

I can feel the skin starting to adapt.

I just need to slightly adjust the position and it's done.

It's so difficult to adjust skin suit.

Hehe~It's done!
My voice is gradually changing.

This body....
this feeling....
and the voice...

HAHAHA!

From now on, the face and
body all belonged me,
a 65 years old man.

A 3D rendered woman with blonde hair styled in a high, voluminous bun. She has a bright smile, showing her teeth, and is wearing red lipstick. She is topless and has her hands placed on her breasts. The background is a blurred indoor setting with warm lighting.

The boobs are mine too! It feels so good to squeeze!

My hair not only is smooth but also smells good. I can't even!

Oh~I am so obsessed with myself.

Siao-Syuan's breasts are very soft. I never thought that one day I can touch them.

It feels so fucking good to rub her boobs.

Uh huh~

Uh argh~Feels
better down here.

Is this what it feels like
rub hot chick's pussy?

Emm~

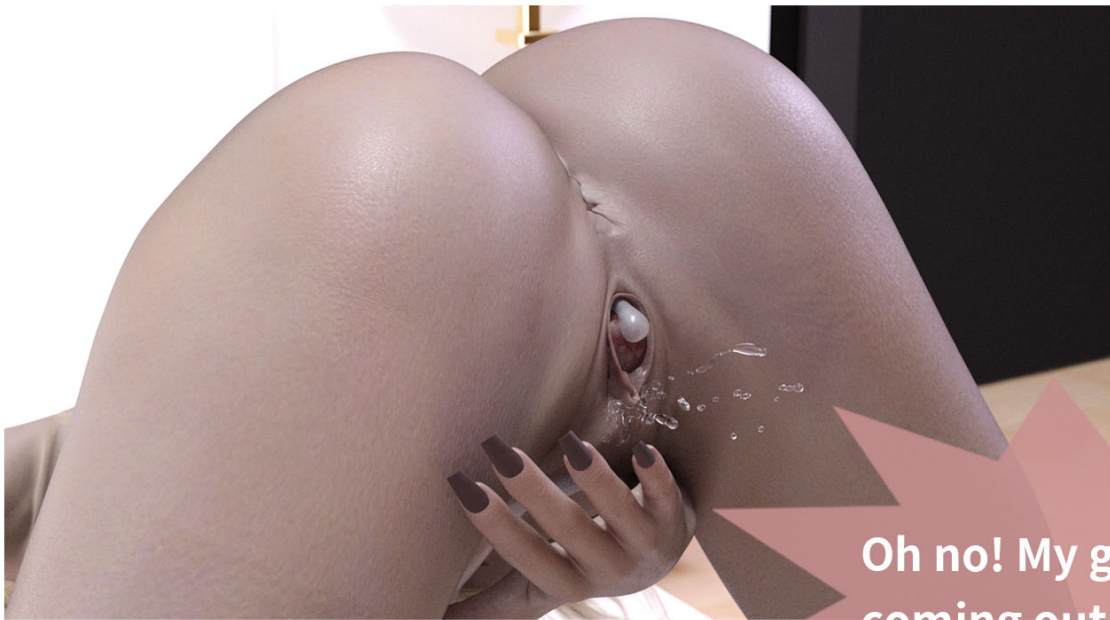

This feeling.... I can't stop masturbate.

It feels so wried. It's like something going to come out.

Arghhh~♡♡

Oh no! My glans is coming out! !

No~ I'm going to jizz!

I gonna come using
Siao-Syuan's body
and my cock!

Arghhh~

Feel so fucking awesome!

Splash~

I decide to use
Siao-Syuan's
identity to live
from now on.
Hehehe~

A dark red oval is centered in the lower half of the page. Inside the oval, the text "What should I do about this?" is written in a white, sans-serif font. The text is arranged in two lines: "What should I do" on the top line and "about this?" on the bottom line.

**What should I do
about this?**

I can't stuff my penis back while it semi-erect.

Siao-Syuan's vagina is being expanded by my cock.

Just moving creates strong thrust pleasure. I don't think my dick will be soft.

Never mind. Let's try on sexy lingerie.

Just as I expected, it's very difficult to stuff my huge cock into woman's panties.

Her sexy lingerie
looks good on me.
This bitch got a
hot body!

Just watching my own
body makes my penis
harder and harder.

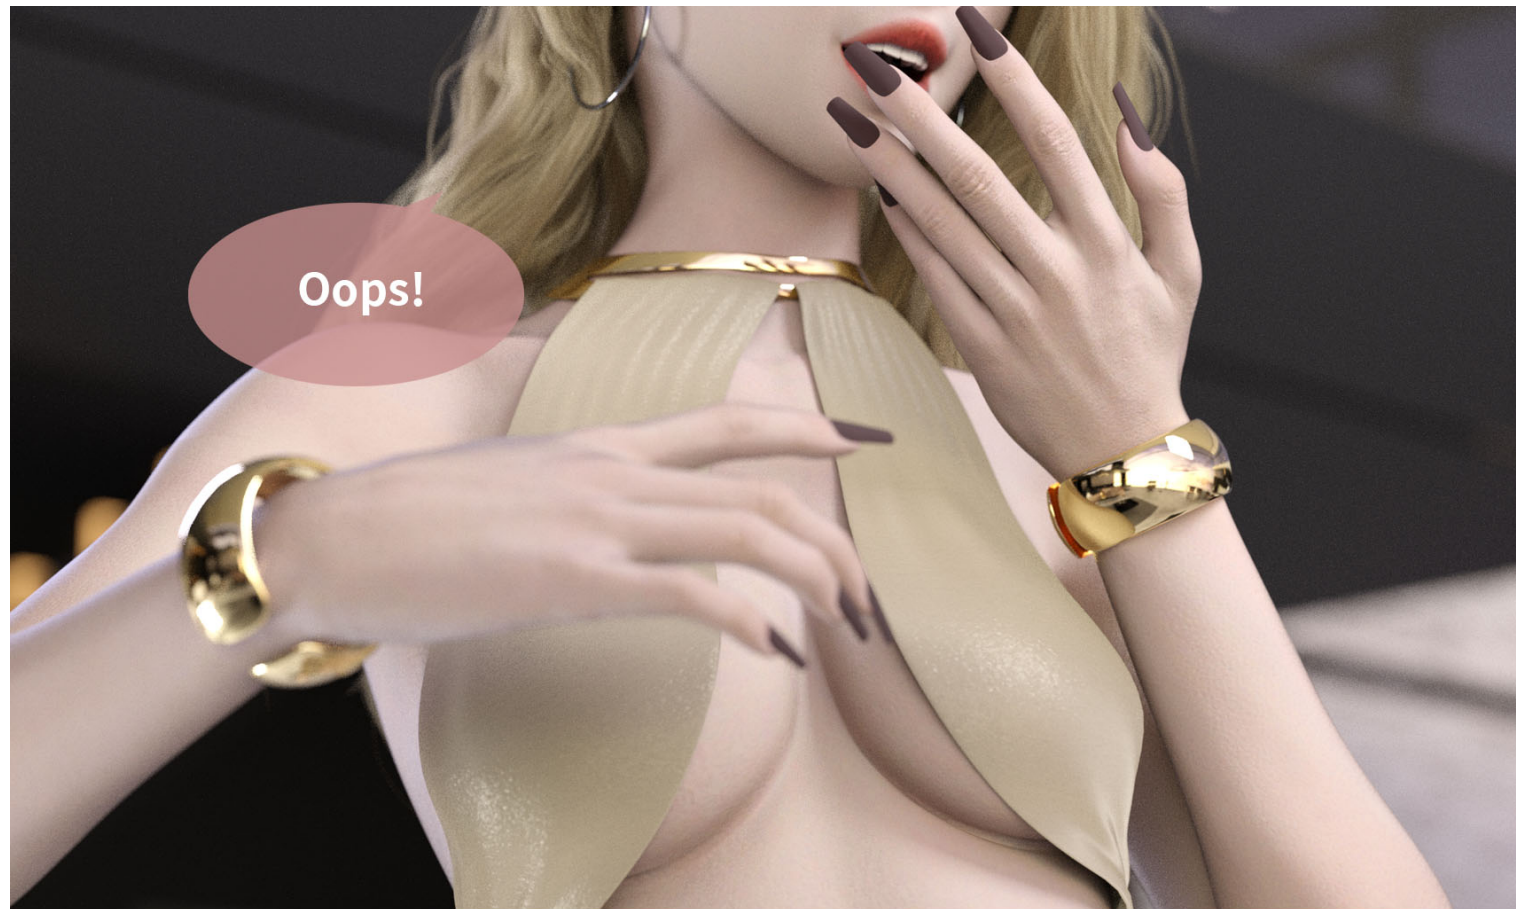

What a shame not
to dress up this body.

Let's try something.

Hehe! No one will know that I'm a 65 years old pervert.

No matter how hard you look, I looks like a 20s hot chick.

A 3D rendered woman with long blonde hair, wearing a gold, form-fitting, two-piece outfit. She has a large, prominent bulge on her skirt. She is looking to the right with a concerned expression, her hands near her face. She is wearing gold jewelry: a watch on her left wrist, a bracelet on her right wrist, and large hoop earrings. The background is a dark, modern interior with geometric shapes and lights.

Being an elegant beauty, how I can have such a big bulge?

There's some semen leaking out. I should not look like this.

Pop up!

It's time to use
Siao-Syuan's identity
making some troubles.

To be continued...
