*This is my first week, but maybe if I always stay late working out like this, I will be huge in no time!*

*Finally I got him alone like I wanted...*

*This gym is great, there are some incredible babes working out here. I wish I had more confidence to hit on them.*

This is it..!

HI!

???

AAAH  
GET OUT OF HERE!  
YOU GUYS THINK  
I'LL STAY QUIET AND  
TAKE IT,  
BUT NOT ME!!

What do  
you think  
you're doing?!  
Who do you  
think you are?!!

\*PUSHING\*

I'll show you!  
You'll never talk to  
me like this again.

**SLAM!**

*\*aagh\*  
waigg-tg,  
wagu-th is  
hapgne-ne-nigng?*

You little puny man,  
do you have any idea  
the situation you  
are in?

*\*ughh\**

*ughPP...  
FUUU..  
I think there  
is a Mistak...*

*Shut up,  
let me show you  
what are you  
dealing with!  
Feel my muscles.*

*I said.  
Feel my muscles!  
Feel my body,  
you tried to  
push me...*

*My  
throat  
hurts...*

*What is she  
planning to do with me?  
Wait... What is this bulge  
down here, she's pressing  
something big and stiff  
against my legs...*

*I said shut up!  
I want you to talk  
only with your body,  
Feel my muscles,  
I want you to know  
who do you decided  
to mess with.*

*I came here,  
and you just  
pushed me for  
no reason!*

*She's going  
to kill me!  
Oh my god what  
I'm gonna do?*

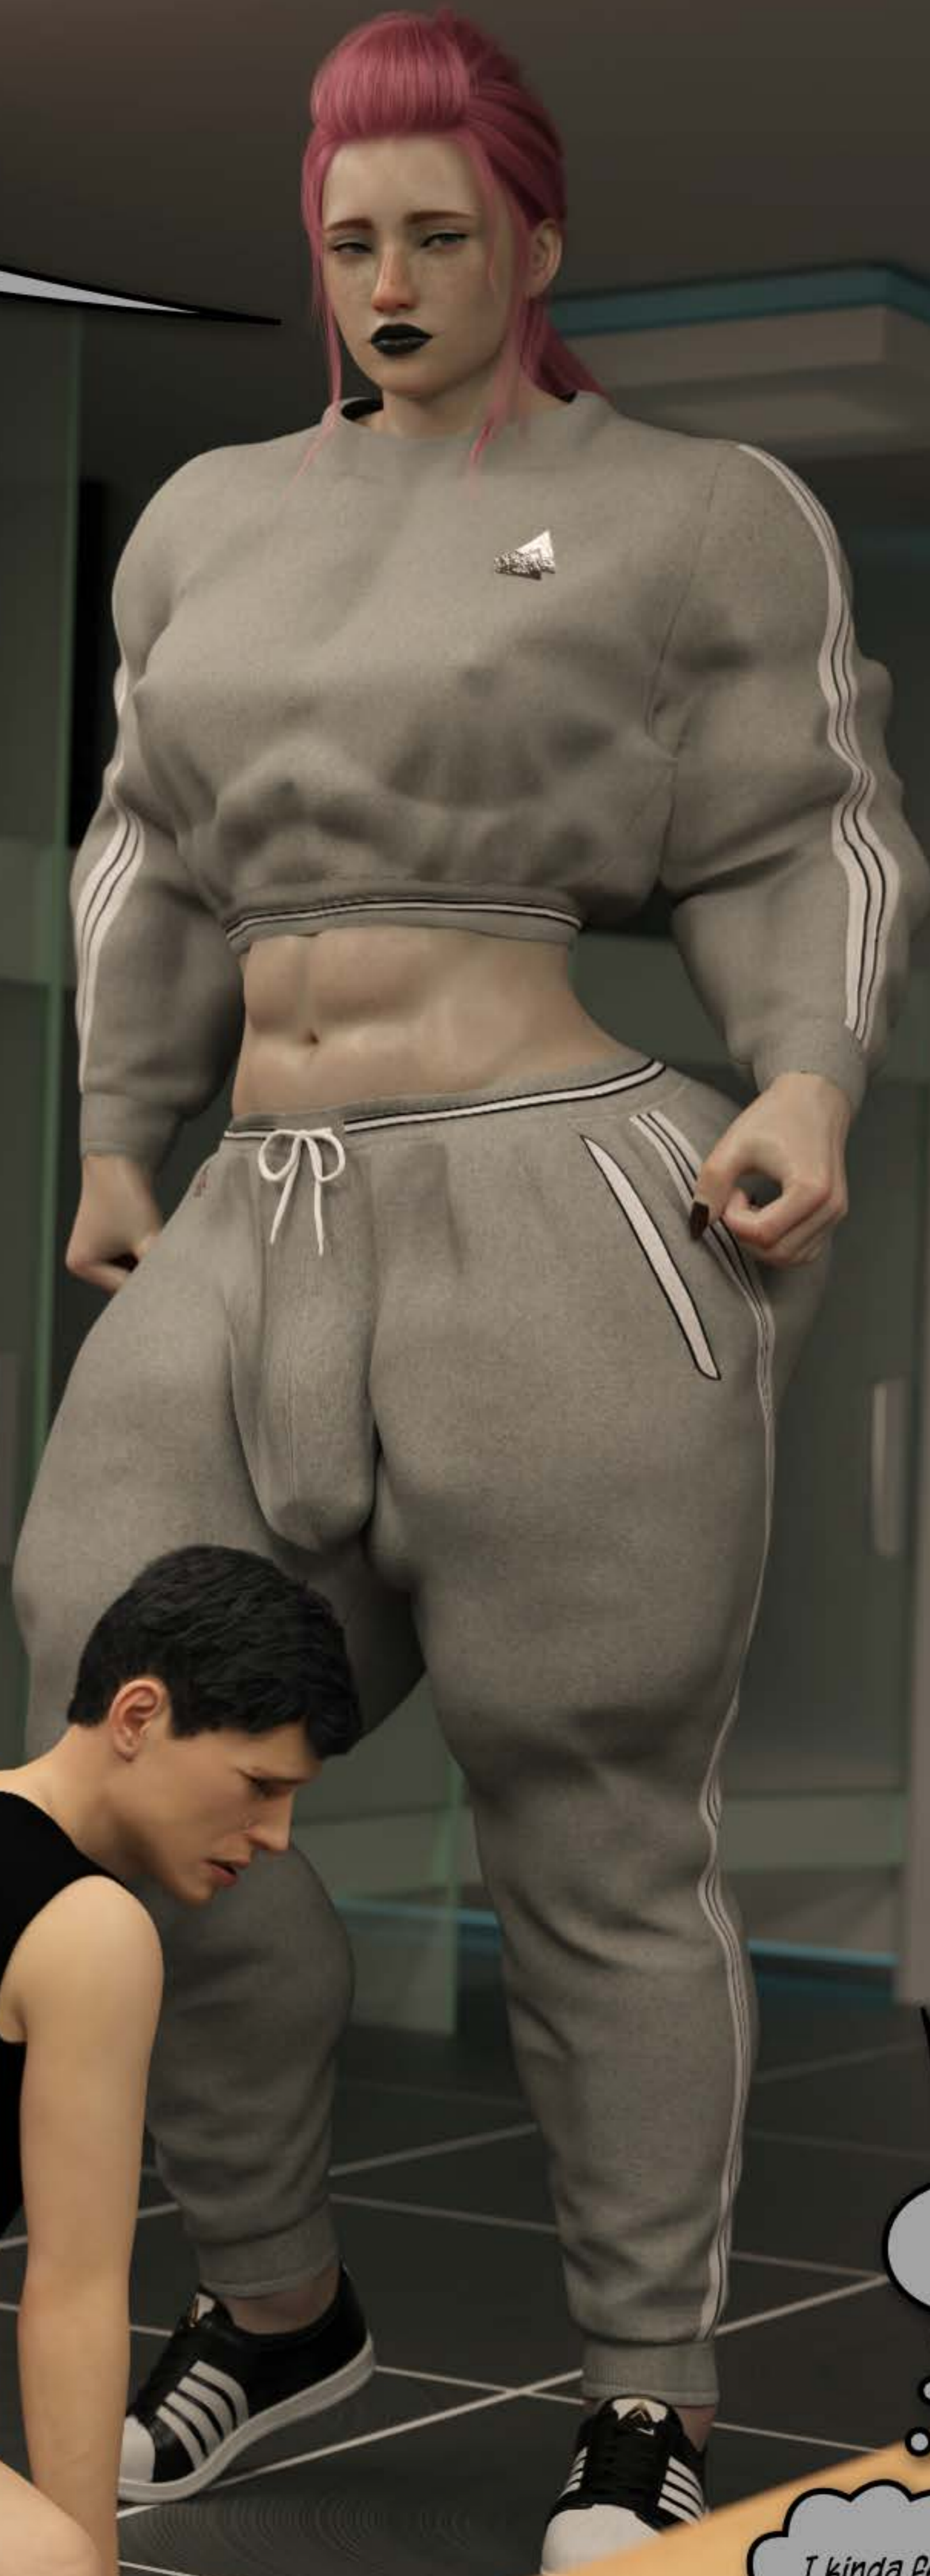

*I could crush your bones just pushing my body against yours on the wall, but that would be no fun...*

*So I decided to give you a chance! You will "try" to run away and I will chase you...*

*NO!! Please!*

*I was in a good mood, and I came here and you pissed me off. So this is what we are going to do now!*

*No, this is all a mistake! Please don't hurt me, I don't want to be destroyed... I didn't mean to push you, I'm sorry! Please I'm so sorry!!*

*\*aPp\**

*I kinda feel sorry for this guy now...*

Ok, I'll lift you from the ground and you'll explain to me why you were so aggressive!

O-ok, I started this gym recently, but there are some guys picking on me because I'm small and scrawny...

So when you approached me, I saw your huge frame and I thought... I mean, you are way bigger than them, but I still thought you were one of them...

Ok ok, I get it, I have something to confess too. I have a crush on you!

I was always this big, and men were always afraid and intimidated by me, I don't even need to work out, I just come here hoping to be around men close to my build and bond, but they are also intimidated!

I have been very lonely all my life...

I was watching you, a different kind of man, and you know, your small frame kinda turns me on, so I came here today not to be aggressive, but to say hi...

What do I do now? Should I kiss him? He's not the type to make a move, specially being afraid of me, he's literally shaking on my hands.

\*SHAKE\*

\*SHAKE\*

I'll kiss him,  
I have him on  
my fingers!  
This guy  
is mine!!

.....

\*SMACK\*

!!

OH MY GOD!  
I'm sorry, I dropped  
you but I thought you  
would stand, what  
happened?  
I'm so sorry little  
man...

**\*SLAM\***

I can't  
believe it!  
This amazon just  
kissed me! She's the  
hottest woman I  
ever met and  
she has a crush  
on me!

Don't worry,  
it's alright!  
I never been happier,  
I just lost strength  
on my legs after  
this kiss...  
Thank you!

Oh my god, I can't believe it, I mean, I'm a scrawny guy that just started working out, then you come here, I was very afraid, and now you kiss me and...

He's really happy, he likes my size, sure he won't mind my "little" friend down here. He'll love it!

Oh, I-I... what is this, I mean... You are... Y-you are a f-puta, that's why you are so... so b-big...

What happened?  
You are pale,  
is there  
an issue with  
my cock?!

Shit, he does  
not like it?!  
What do I do now?  
I'm getting angry  
again... and horny...

...

What do I do  
now? I was not  
prepared for this...  
But this woman is  
super hot...

And what's up  
with this cock?!  
Is a monster cock,  
it's bigger and  
thicker than my  
arm!

\*dangles\*

What now?  
She's waiting for me to do something, I'll grab her cock and try to masturbate her. I can't lose this woman...

Maybe if I make her cum I can enjoy her body and actually fuck her!! I won't be fucked by a putanari and I will be a skinny guy that managed to fuck an amazon!

Her cock is actually a lot thicker than I imagined... And is hot...

God I can't!! I'm trying to blow her, but it's like trying to fit an entire apple in my mouth...

A-ah, you don't need to try this right now, let's do it slowly..

Sorry,  
I could not please you...  
I tried but it got stuck  
in my throat and I almost  
choked on your huge  
glans..

It's alright,  
no one can do it in the  
first try, hehe, not  
that I'm proud of that...  
But I see that you really  
want to try it, so  
we can do  
it slow.

I'm actually  
more focused  
on her body...  
But if I  
have to...

I-I want to...  
ask you something,  
can I take my clothes off?  
I'm a little aroused, and I'll  
be more comfortable that  
way, and maybe I can  
please you another  
way...

Oh sure!  
You don't have to ask me  
that, if you don't, I will rip your  
clothes off your body! Hahaha,  
and we started something that  
can't be stopped now, look at  
me, I am also aroused  
by now...

I always had this thing with amazons... Like, I dream about worshipping their bodies...

Worship?!

I want to touch every part of your body, and kiss it, and massage it... compare it with my own and realize how small and weak I am compared to you, and how you are actually a goddess among men!

Wow, this is very honest of you, ok let's try it! No one ever asked me that before...

That's how he really feels about my body? I never imagined my body would raise this type of feeling... My dick is getting rock hard...

Wow, you went straight to my thighs!!

I love your thighs, they are so big and thick, those strong veins pumping power all over them, imagine what you could do with all this power...

She could easily crush me between them, she has strong and soft muscles, but at the same time, they are hard as steel, she could smash me like a bug...

This is really hot! Way better than I imagined it would be, I will stroke my cock, while she does this...

Wow!!  
Look at this, the difference  
between our legs is crazy!  
Both of my legs don't make  
one of yours...

I could sleep  
lying on one of her  
calves, they are so hot,  
so strong, it's bigger  
than my thigh.

Aahh, are you  
really enjoying this?  
I mean... if it's ok with  
you, I am also  
liking it...

What?  
Of course I am, this  
is the best day  
of my life!

So this is how  
it works with small  
and weak men?  
This is amazing!!  
I am loving it!!

Mmm...  
Can I kiss your  
biceps?  
\*smack\*  
Thish ish...  
\*mmm\*  
sho good...

I am very  
very close to cum!  
This guy is making me  
so hot, I can't believe  
in what I have  
been missing all  
this time!

You can enjoy my arm  
as much as you want,  
please feel every single  
muscle there, you can  
kiss and grab as  
you please!

\*mmm\*...  
It'sh sho big, and  
powerful...  
Please goddess,  
have mercy on me....  
Let your servant  
please you...

You know, I have been massaging and grabbing your entire body, but there is a huge portion of it that I have been neglecting, let me fix that!

Yeah-ah...  
But I was thinking about...  
\*aah\*...  
doing it in a whole different scenario...

I know what you have in mind, but I am still not sure if I can take it, so it's better if I take care of it right now!!  
Just a little more, she's about to explode...

**\*SLOOOOSH\***

Oohh,  
yeass!!  
I am

**CUMMING**

Yeess!!  
Like this!!!

Shit,  
look at this amount!!  
Imagined if she let it out all of this inside of me?!!  
It's good that I took care of it, now I have her entire body all for me!!

You know,  
It's a shame that you  
just came, but we can  
still have fun!  
I mean, I am ready here,  
we can use my own tool  
now if you like...

What he's  
talking about?  
He's never been with  
a putanari before?

Ah little man,  
that's a lot you need  
to learn about  
putanaris!

How are  
you still hard?!  
You came a bucket  
load!

Well, of course  
I am, that was just  
a little bit of what  
I am capable of.  
But don't worry, I will  
show you all  
tonight!

Wow!  
Wait just a  
moment!

Stop! You're  
going to split me in  
half!

This thing is not  
gonna fit!

Relax,  
this is not my  
first rodeo!  
See, the head just  
went in...

Do you trust me?  
I do this all time, I  
promise you'll like!  
Want me to go on?

Aaaahh!!!

O-ok...

Alright...  
This is going to be fun.  
Since you consent, I will  
go all the way in ok?

\*aagghh\*

**\*SLAM\***

Did I  
exaggerate??  
I was so horny that  
I went all the way  
in one go...  
He's so small that  
I reached his  
throat...

Aahhm... this is so good... you are so tight...

I can't stop moving my hips...  
\*āahnn\*...  
I'll fuck you 'till morning!!  
I will destroy this sweet tight ass of yours...

\*uhhg\*  
ghohhgd...

aaahhm...  
It's a shame you're so fragile, I promise not to break your body, but I want to fuck you with all my might!!

This is actually better sex than any I ever had in my life...  
But she's choking me with her monster arms, I can't breath...

Ahhgg..  
She's pounding  
me so hard!  
She is destroying my  
balls with her giant  
testicles...

**\*TAMP\***

**\*TAMP\***

**\*TAMP\***

**\*SLOOOOOW\***

*\*aahmm\**  
All the way through  
a guy's body, this never gets  
old... It's so hot watching my  
cum flowing through their  
mouths in the reverse  
way...

Choking...  
punching my  
balls really hard...  
drowning with her cum...  
my body can't take it...  
I'm...

going to...

pass out...

A 3D-rendered scene in a locker room. On the left, a woman with extremely muscular, hyper-developed female anatomy stands with her hands on her hips, eyes closed in a state of pleasure. She has bright pink hair. On the right, a much smaller, slender man stands with his head bowed and hands hanging down, looking dejected. The background features grey lockers and a red wall. Several speech bubbles contain text.

AAAHH  
that was great!!  
Don't you think  
so little man?!

This was the best  
orgasm I had in  
a while...

Don't be shy now,  
I know you enjoyed as  
well, I can read your  
body and your  
moans!

It's safe to say  
I've been far inside  
you than any other  
person ever, so now  
we have...

WHAT??!

Oh my god,  
I killed him!  
He's so small and frail  
I didn't even notice he was  
still hanging on my cock!  
I am so used to fuck gym guys  
and use just enough strength  
to not hurt them that I might  
have used the same amount  
on him...

Shit,  
I killed this  
guy, and he's filled  
with my DNA...  
I have to do  
something but  
WHAT???

Alright, first I  
need to calm down,  
I have to think...  
First I have to take  
care of the body,  
then I can  
freak out!!

I need to get  
him out the gym...  
And then???

\*slip\*

It's no use,  
I am freaking  
out right now!  
I will take him home,  
there I can think  
more clearly.

*\*hummmg\**  
What the hell  
happened...  
Where am I?...  
Is she carrying  
me ...

**AAAAHHHH**  
WHAT THE HELL?!!

HEEELP!  
IT'S TOO  
DEEP!  
I CAN'T...

Oh God, sorry!  
I'm going to get  
you, hold on!!

*\*SPLASH\**

*\*SPLASH\**

*\*SPLASH\**

*\*SMACK\**

*\*BOOOOM\**

What happened?!  
Did you knock me out  
while fucking me?

Well... yes, sorry  
about that... this never  
happened before. I mean,  
some guys pass out sometimes,  
but you were really out, I  
thought you were dead, so  
I brought you home...

Wait,  
you kidnapped  
me?!!

No!!  
I just, was really  
scared, I panicked, so...  
Do you forgive me?

Yeah sure,  
I never dated an  
amazon before, so  
I guess this is not  
to weird...

It's her  
penis hitting my leg  
underwater? She can't  
be hard again...

Really?!

Yes,  
everything's  
cool!

Well, in that case,  
do you know what's happening next?  
You see, all the thrill of thinking I had  
killed you and hiding your body, gave me  
too much adrenaline, and blood is rushing  
all over my body again!!  
Whoops!  
Look who came to  
say hello!

Oh God...

*Oooohh, you are so sweet!  
I never met anyone like you  
before! So lovely, small, squishy...  
I just feel like hugging you  
and never let go!!*

*\*aaagghh\**

*She's going to break  
all of my bones like this...  
specially with her penis there,  
it feels like I'm being pushed  
against a steel pipe...  
I can't breath again...*

*\*CRACK\**

*I know now that you  
can't handle me very well, and we  
need to take it slow, so how about  
you put out just a little of the  
fire burning inside me?  
If you massage my balls with your  
cute little hands it may help  
me go easier on you later!*

*\*uhhg\*  
o-k...  
Igh ... do it!*

I really need to do this underwater? Well, I'll do anything if it means that I will take less of her cock later...

I just hope I don't drown first.

But she is actually amazing, her cock is gigantic, and look at these balls, is actually nice to fondle them, it's so hot...

I think it's time, her balls got stiffy all of a sudden, and her cock is throbbing a lot...

I'll use her cock to leverage me to the surface, and kiss her glans to make it more powerfull!

AAAAHHNN  
AAAAHHHH  
YEEES!!  
AAHH GOD YESS!!

Great!  
My face is going to be covered in cum, but at least my poor ass don't have to take this huge load...

You know,  
I have to say, you  
have an inhuman  
stamina, I mean the  
way you came  
tonight is...

Yaahhhh!!!

**PULL**

Sorry to grab you like this, but I am so freaking horny! You are so hot to me now, I could eat you...

But instead I'll just feel your entire body close to mine.

Am I going to die?

I want to feel each part of your body... I want to taste each little bit... And I want you to do the same to mine.

If only you could read my mind.

★ SMACK ★

She's kissing me.  
She's handling me with  
one hand, I am really just  
a toy for her, she can  
do whatever she wants  
with me and I can't  
do anything about it...

I am loving it!  
This is really the  
best day ever!!

She's not even speaking anymore, just moaning and guiding me where she wants me on her body. Her nipples are so good.

If I am feeling this good, I can only imagine how she's feeling, how is she planning to use her cock on me later?

*Oh no her  
penis is  
gigantic  
again!*

*Is she really  
going to do this??  
Is she going to impale  
me this way?*

*I can barely  
think straight.  
What is about this guy  
that is making me  
so horny...  
Shit I have to be  
careful now...*

*This scrawny guy  
is so weak that I  
might hurt him, but I'll  
be careful and he will  
have an wonderful  
time!*

**WETTER!**

**\*WETTER\***

**\*SLOOOOSH\***

**YEEAAAAA**

YEESSS!  
THIS IS THE BEST FEELING  
IN THE WORLD!!  
GOD, LITTLE MAN YOU  
ARE SO HOT!!

AAAGGHHH  
\*BGGHHGG\*

DAMMIT!  
I was really careful  
this time and yet he  
passed out again!  
He'll drown if I don't get  
out of the pool...

#SPFLAASH

I am glad you are ok, sorry about tonight, you might be exhausted. I am used to one night stands, so I always go all in... But I want you to know that it was really great! I had a great time!

Yeah, I never, and I really mean it, I never had a woman like you before. Is safe to say you almost killed me tonight, but still was the best night I ever had! haha

Hey by the way what's your name? In a way we got to know each other so "deeply", hehe, but we don't even know each other names!

It's Brian, what about yours?

It's Gemma! Nice to meet you Brian! Hehehe

Nice to meet you Gemma, it's a beautiful name! You said you only do one night stands, why is that?

Ah, look at me, I am a monster, even if a guy finds me hot, either he doesn't take me seriously or is ashamed to assume a relationship with me.

Is that why you are always angry? Hahahaha, sorry, but I don't see why would a guy be ashamed to be with you, you are an amazing woman.

Careful or I might get angry again huh?! If I knew you better I would say you are flirting with me, want to date me Brian? hehe

Well, I would be the luckiest man in the world! Of course I want that.

Are you serious? So this means... We are together now?

Yes!

Aahhm... this is so good... you are so tight...

I can't stop moving my hips...  
\*āahnn\*...  
I'll fuck you 'till morning!!  
I will destroy this sweet tight ass of yours...
