Some time later...

So what is this important thing you wanted to ask me, Mikado-sensei?

How is that why? After all, I have to pretend to be a girl until the pills stop working.

注意

It may sound silly, but why are you still dressed as a girl?

Wait, are these pills still working?

I think so? After all, the tail has not disappeared yet.

No, it's my hair. Lala gave me a shampoo to help me grow my hair, that's why it grew so much.

Nothing but this shampoo. And of course this uniform.

Ymm ... Okay, tell me, is that a wig?

Did she give you anything else or just this shampoo?

I see...

Oddly, the pills should have stopped working a week ago and the effects should be gone by now.

Additionally, why does Rito-kun still have pink hair color?

It's not his natural hair color, so his hair should be half brown by now.

Wait a second is Rito-kun wearing makeup? How could I have missed it before.

Hmm ... Now I understand what's going on here, it looks like Rito-kun is okay with having to pretend to be a girl.

He's probably pretending the pills are still working so he can still pretend to be a girl. Okay, I'll play your game Misaki-chan, hehe.

But I have to confirm it first.

Say Misaki-chan is it true that you recently started a part-time job?

Why did she suddenly call me Misaki-chan? Nevermind.

Yes, it's even a nice job and everyone is nice to me, unfortunately when I get back to normal I will have to quit.

So that's it.

Tell me, Misaki-chan,
do you still have these pills
because I would like to take
a closer look at them?

So that's how he
prolonged the effect of
the previous dose, he
just took another.

Unfortunately,
they are over.

I hope Mikado-sensei
doesn't know that I ate
them all at once. Phew
what a shame.

Thank you
Mikado-sensei.

Okay, that
would be all for
today.

I will try to
order tablets as
soon as possible.

So my suspicions
were correct, Rito-kun
doesn't want to be
a guy again.

I could also order similar pills here on Earth, but they certainly wouldn't be as effective.

I think Proxylain drugs should work for humans, but I'm just going to write Misaki-chan how to use them, because he certainly won't be able to read the prescription.

Besides, he wouldn't be able to make Rito-kun look like Lala, which I see he cares about.

Incredible,
I'll be myself again,
yu hu !!!

And I was afraid
that I would wear a
skirt for the rest of
my life, hehe.

In the corridor ...

Finally over.
pew ...

I can't wait to tell Mikan
about this ... Ymm, maybe
better not, I'll surprise her.

But I think Lali can
tell, he'll probably be
glad to hear it.

Mi-chan? What are you doing here at this time? I thought you were working after school?

I wanted to ask Mikado-sensei how the search for the cure is going.

Yes, but Yuki-chan said she had to do something and asked me to wait a moment for her.

What about you, what are you still doing at school?

Great, it'll be over soon, hehe.

Was
Onee-san telling
Rito that the pill effect is
over. Hmm ... I think he
found out that from
Mikado-sensei

Weird.
Yuki-chan said
she took care
of everything.

It's great!

Fortunately,
everything will
end well.

I can see
Rito is happy
about it too.

I guess I caught a cold in that pool then?

Something happened because you look like you've seen a ghost?

So that's about the surprise, Yuki-chan was talking about.

Relax, Mi-chan, we'll come up with something right now, just don't panic.

Why would I panic?

After all, I didn't hit anything with my wings?

Wait, you know
you got wings?

I get it.

What
Yuki-chan told me back then
is true, Rito really wants
to be more like me.

Of course,
I've even got used to
them already.

Apparently
Yuki-chan is having a
good time with my
Rito.

I'd like to talk a little longer, but Mikado-sensei won't wait.

Hmm?

But before I go.

Ah ... I understand.

Lala doesn't want to talk to me, weird?

Maybe he is really in a hurry?

I just
want you to know that
no matter who you are, I'm
always on your side and
will always love you.

Mi-chan.

Thanks,
ymm I

He he. It's good that the school is empty at this time and no one sees us because it could be a problem.

After all, officially Mi-chan is a girl and Onee-san is her cousin.

Lala must really miss me.

But we see each other at school every day?

Ymm ... I think I'll have to think of something to spend more time with her.

What are they doing, after all they are both girls.

Besides, they are related and Lala is engaged to Rito-kun.

No, no, no that can't be true!

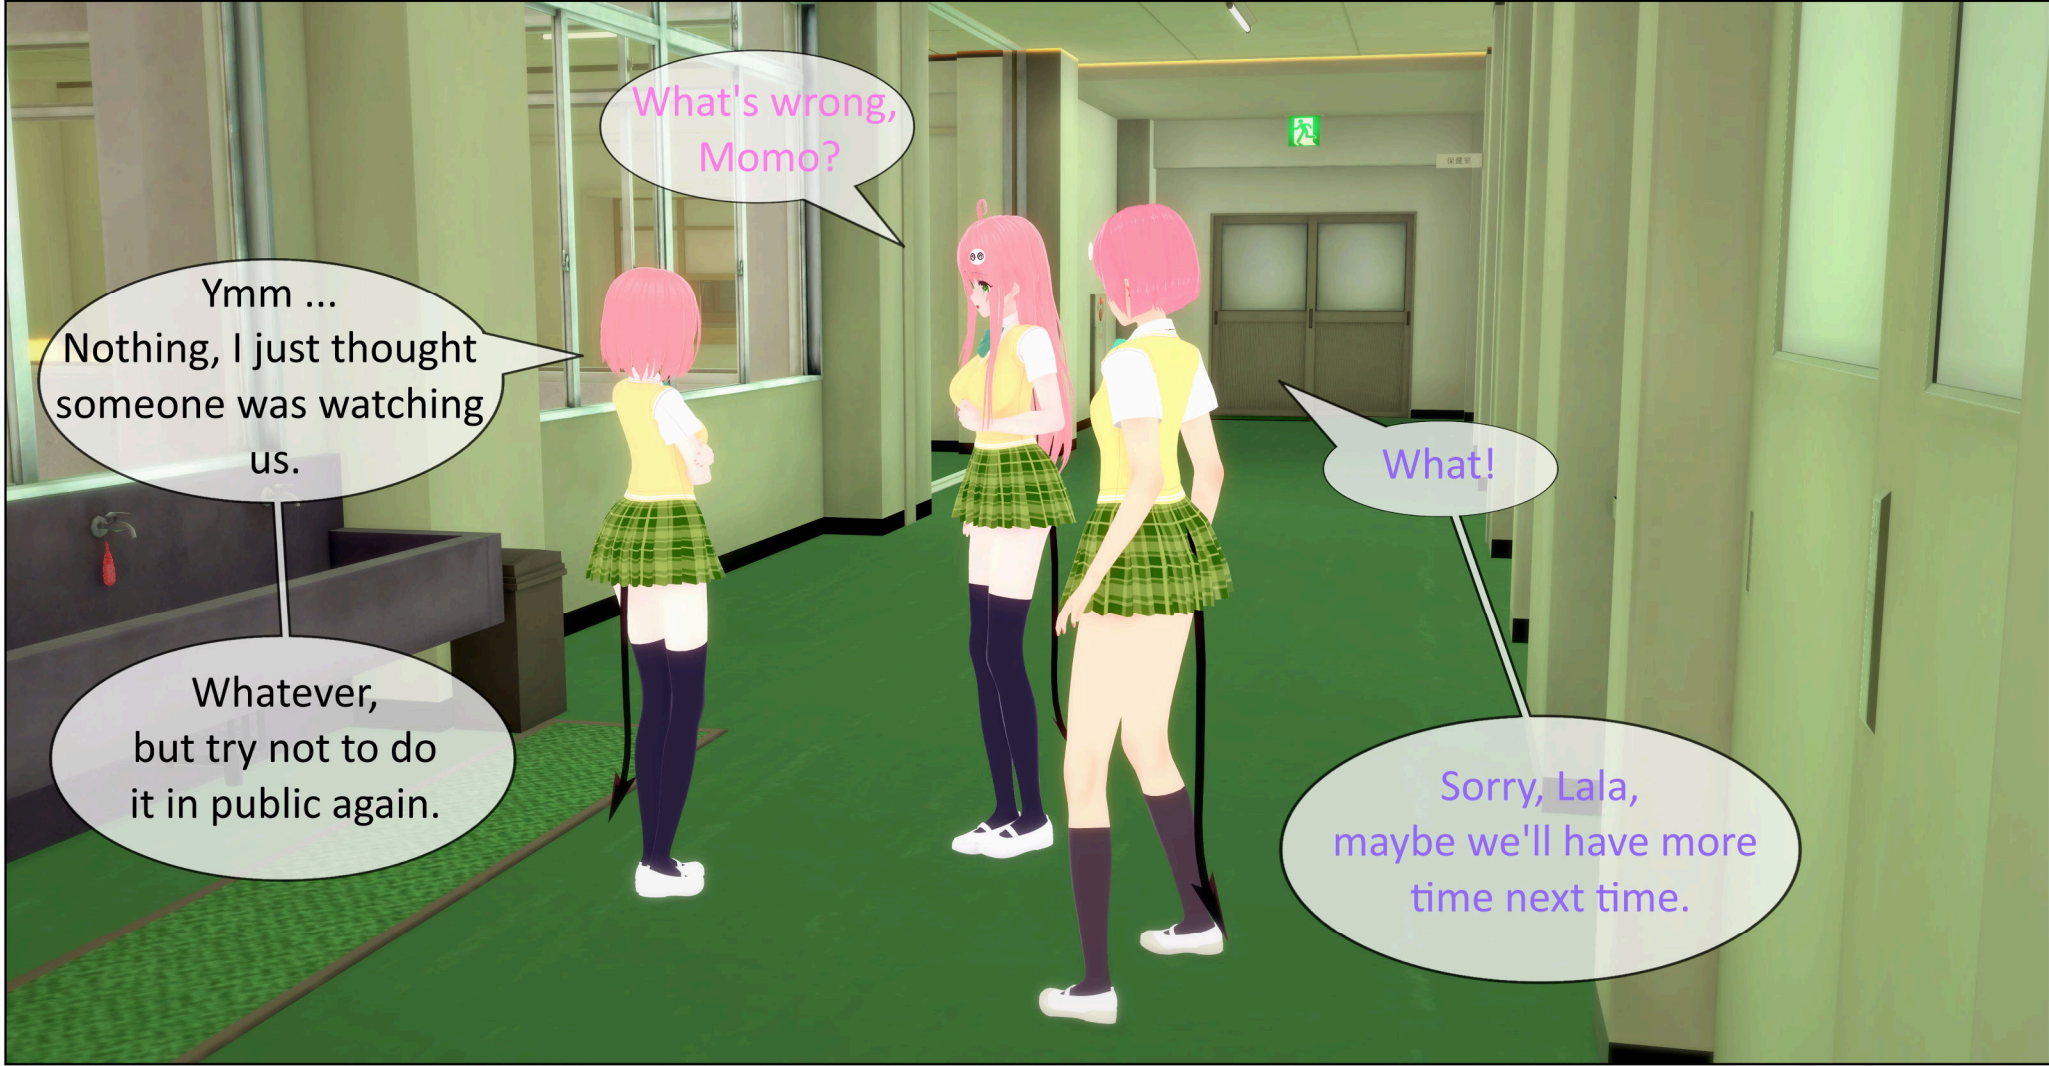

?

Ups...

I hope they didn't notice me. Anyway, I have to get out of here before they do.

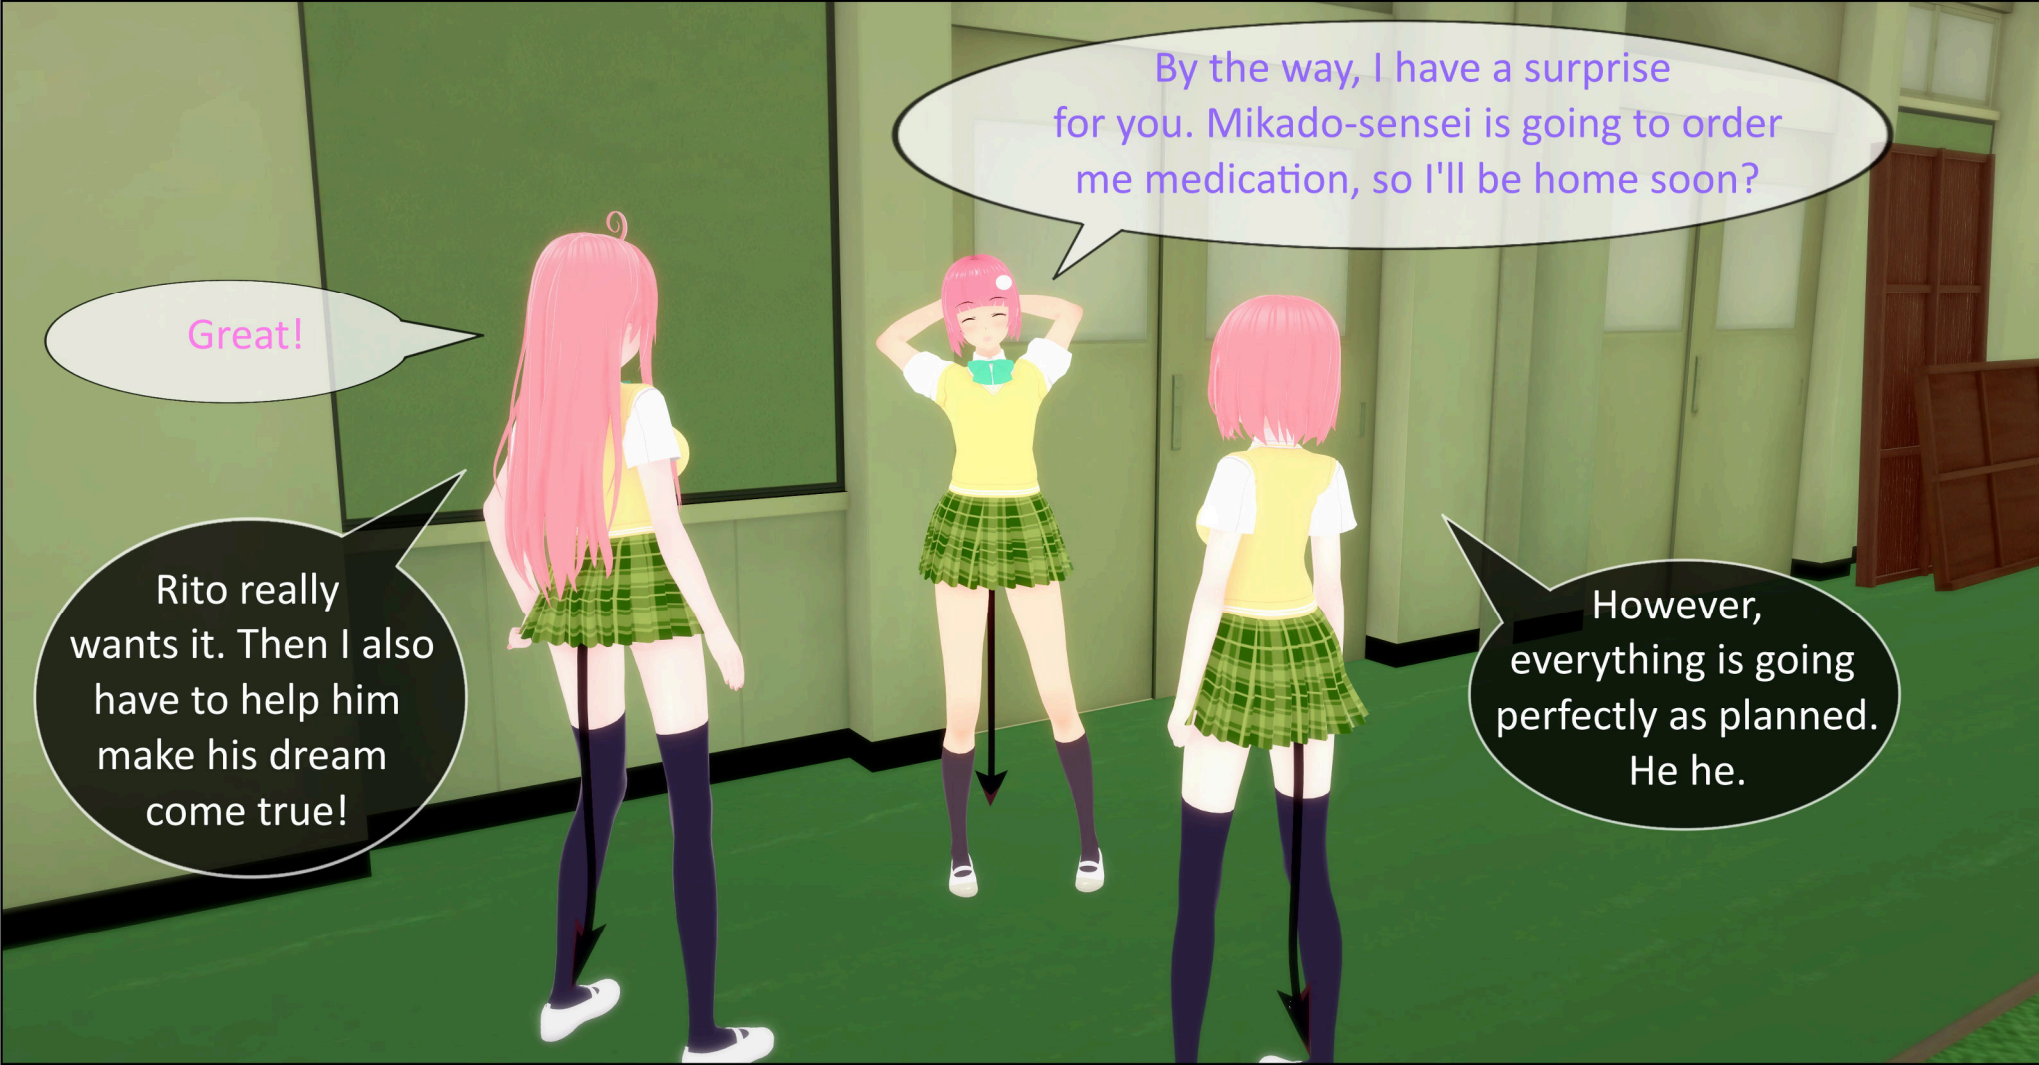

What's wrong, Momo?

Ymm ...
Nothing, I just thought someone was watching us.

Whatever, but try not to do it in public again.

What!

Sorry, Lala, maybe we'll have more time next time.

Great!

Rito really wants it. Then I also have to help him make his dream come true!

By the way, I have a surprise for you. Mikado-sensei is going to order me medication, so I'll be home soon?

However, everything is going perfectly as planned. He he.

I wonder how
Sairenji-chan reacted
to what he saw.

She surely won't tell
anyone because she loves Rito
too much to hurt him.

But did she
love him enough to accept
him as a girl?

Because she
must have guessed that
Mi-chan is actually Rito.

In the evening after
work ...

I never thought
that Lala would miss
me so much.

I mean, we see
each other at school
every day.

At least it will all be over
soon and I'll be back home, then
her mood will surely improve
immediately.

Interesting. When Lala kissed me it turned me on, but it doesn't seem like I've changed.

It was the same with Yuki-chan back then. Is the effect of the pills over?

I guess so, because apart from the length of my hair, nothing has changed.

It is a pity that these effects will not disappear by the way yet. *Sigh*

So now I have nothing else to do but wait for my body to return to normal.

I wonder if I will have my original height again or not?

Because the breasts will probably disappear by themselves. I guess?

Strange, could they have become more sensitive?

Because they seem different now.

Maybe they have already shrunk?

Hng..!

Ngh

Squeeze

What is that feeling?
It is completely different
than before.

Is this how
women's breasts
should feel?

I shouldn't be
doing this, but it's just
too good.

Besides, if the pills stopped working, nothing will happen.

After all, I don't do it very often.

Ymm ... I don't think one time will hurt.

Ngh!

Unlike my body, my penis doesn't seem to shrink at all, which makes it seem even bigger now.

And that for some reason excites me even more.

I guess I have no choice but to do this.

In the meantime,
in the corridor ...

It's nice that
you have decided to invite
Misaki-chan to have dinner with
us, but is it good to favor one
of the girls?

No worries. The other
girls know that Mi-chan
is my friend.

Besides, I only invite her
to dinner together. And when it
comes to work, I treat everyone
the same.

In the room ...

Did you
have to do that
now Mi-chan?

Good evening,
Misaki-chan, would you like to
have dinner with us?

For Andersen's wounds, Can someone explain to me what's going on !!!

I'm coming !!!

Exactly what I was most afraid of happened, and even worse.

Please no,
it's not his fault. I was
the one who talked
Rito into all of
this.

Rito had terrible
problems at school
and he just wanted
to disappear.

So I
offered him to work for
me and pretend to be a
girl at the same time.

What?!

Hmm ... I see,
but why did you make
him pretend to be
a girl.

Because Rito
always dreamed of being
a girl, but choked that
dream all the time.

And I
couldn't look at it any
longer so I decided
to help him.

Besides, look at him, no,
look at her, you know how
much she has to go through.
Do you want all her effort
to be wasted?

Now it's your turn. Say it's true what the lady said, do you really wanna be a girl?

Really?

Of course! This is my dream!

I got into trouble and had no choice but to do this, sorry.

So I was right
about you, you really
are a good girl.

Clean up
this mess and go to
sleep. Tomorrow I will think
about punishing you.

Over this month
you proved that you are a
hardworking girl, so I will give
you one more chance.

Wait, I'm
not fired?

Thank you.

But wait a minute, you said you hate transvestites, so why am I not fired?

I understand. And sorry again, I promise it won't happen again.

Because you don't do it because you are some pervert, but because you have to, besides, you told the truth and I respect that.

I'm sure.

I still can't believe she's really a guy.

I just wonder who he is hiding from. Hmm ...

She must be scared of him for sure, since she's gone so far as to take hormones to better hide.

Even the hideout seems brilliant, after all, who would look for a man in a place where only girls are?

I think I have to help her because I will have remorse if something happens to her.

But before I help her,
I will make sure that what I
saw today does not happen
again.

After all, you
are either a guy or
a woman.

There is nothing
in between!

The next day at school ...

Don't worry, I'm sure she wouldn't.

But for the future, close the door, okay?

I was afraid she was going to kill me.

For the future? Now I'm even afraid to pee. So I do it sitting down.

He he...

Mi-chan
what are you
saying? After all,
girls always do
it sitting down.

Eee ... yeah
I just mean ...

Isn't that
Momo-chan
and Yami-chan?
I wonder what
they are talking
about?

Hello girls.
What's up?

Onee-san?
After all, she just
went home?

Onee-san are you back already?

What, I haven't been anywhere?

Besides, Onee-san?

Oh that's
you Mi-chan,
sorry.

But you
have really
similar
voices.

Indeed, Princess Lala and
Princess Misaki have quite similar
voice tones, I would say
almost identical.

Yes you are.
After all, your last
name is Deviluke and
your uncle is the ruler
of the galaxy.

What!!!

I don't have
a similar timbre
at all.

Besides, princess?
I'm not a princess!

Haha. Girls, it doesn't work that way. you are not a princess if your uncle is king or emperor.

See Yami-chan, I not a princess.

I didn't know, I'm sorry.

But I don't think anyone will be angry with you when you call her that.

Yes, and what do you think of it, Princess Misaki?

Really?

Relax, you'll get used to it, hehe.

* Sigh * Do what you want, I don't care.

Slowly I have the feeling that it is all going in the wrong direction.

In the evening after work ...

I never thought
my colleague was
a princess.

So it's a lie
you're the king's
niece?

I've already told
you 5 times that I'm
not a princess.

No, it's true,
but I'm not a
princess.

If I was a princess,
would I work as a maid?

After all, I'm
not even a girl.

Hi Yuri-chan,
good evening princess,
hehe.

Please stop.

Good evening
boss, I mean
Yuki-chan.

Something happened?

At this time, we're already closing.

Nothing big, actually. Only someone wants to see Mi-chan.

This is someone special.

Hi .

You can come out now.

At school, she complained terribly that she hadn't seen you in a long time. So I told her to just visit you.

I wasn't complaining at all. I just said I'm worried about her!

Because she's next in line for the throne, you know what my father would do if something happened to her!

Why, after all I told you that she is safe and sound?

Mi-chan is next in line to the throne?

Oh no,
I said it.

I mean she,
Rito and ...

Second floor,
straight corridor,
last door on the left.
Mi-chan is also
coming soon.

* Sigh *
Yuri-chan, Mi-chan.

Yuri-chan,
don't tell anyone
what you just
heard, okay?

It's
complicated, just
promise not to
tell anyone.

Sure, but
what is it all
about? Mi-chan
really is a
princess.

Ymm ... Sure,
Mi-chan is my friend
after all.

Right?

I'd love to talk more, but my girlfriend is coming to pick me up soon, so I have to go now.

Of course.

Sure, see you tomorrow ...

Is that a problem?

That's it, I mean you don't mind I like girls?

Wait, do you have a girlfriend?

No, I'm just surprised, that's all.

No, it's up to you who you like or love after all.

A moment later...

What!
this can not
be true.

Unfortunately.
Your teacher said he
wanted confirmation that
you are currently in
some school.

And that's not
all, he also asked me
if you can show him
your last grade
certificate?

The latter is not a problem.

All my certificates are in the cupboard under the TV.

You got me wrong. He wants to see Mi-chan testimony from the previous class.

Well, we have a problem.

It's not so simple.

Can't you just start dressing normally again and stop pretending to be Mi-chan?

Why? After all, you haven't really changed much, you just need a little hair dye and you're done.

Thanks, but I guess that's a bad idea.

Okay, but turn around and don't peek.

So take off that stupid outfit and let's get started, I even have some of your old clothes with me.

What?! Just take off that stupid outfit.

Where it has
already come
* Sigh *.

In fact,
he could just ask
me to leave.

I wonder if
Rito knows I can see
everything reflected in
the glass, heh.

Wait, does he ...
have breasts?

To be continued...
