

STREET INTERVIEW I

By Chrono Eclipse

(Interviewer approaches a pretty young woman on the street.)

Interviewer: “How old are you?”

Young Woman: “I just turned 22.”

Interviewer: “Have you ever thought about what it would be like to be older?”

Young Woman: “Yeah sure.”

Interviewer: “Do you want to be older?”

Young Woman: “Yeah... wait, how much older?” *(laughs)*

Interviewer: “Would you let me age you until you’re 60 years older?”

Young Woman: “Right now?”

Interviewer: “Yes”

Young Woman: *(Giggles nervously)* “...Okay.”

Interviewer: “You’re 82-years-old now. How do you feel?”

Old Woman: “Weird... but better than I thought I would... my back kinda hurts.”

Interviewer: “Are you excited about growing old now?”

Old Woman: “Yeah I kind of am!”

Interviewer: “What were you on your way to when I stopped you?”

Old Woman: “I was on my way to the gym.” (*Laughs*)

Interviewer: “Do you think you’ll still go like this?”

Old Woman: “I might need a nap first!” (*Laughs*)

Interviewer: “Okay do something with your body that you weren’t able to do before when you were 22 and then I’ll make you young again.”

(The age woman thinks for a moment and then begins to flick and jiggle the loose turkey waddle under her chin.)
