I felt empty..  
Truly..

An illustration of the interior of an empty bus. The seats are green with dark grey outlines. The floor is a light grey. Large windows on the right side show a blurred cityscape with buildings and trees. A speech bubble is centered in the lower half of the image. In the bottom left corner, there is a small, faint illustration of a man with a beard and a red nose.

My heart is like this  
empty afternoon bus..

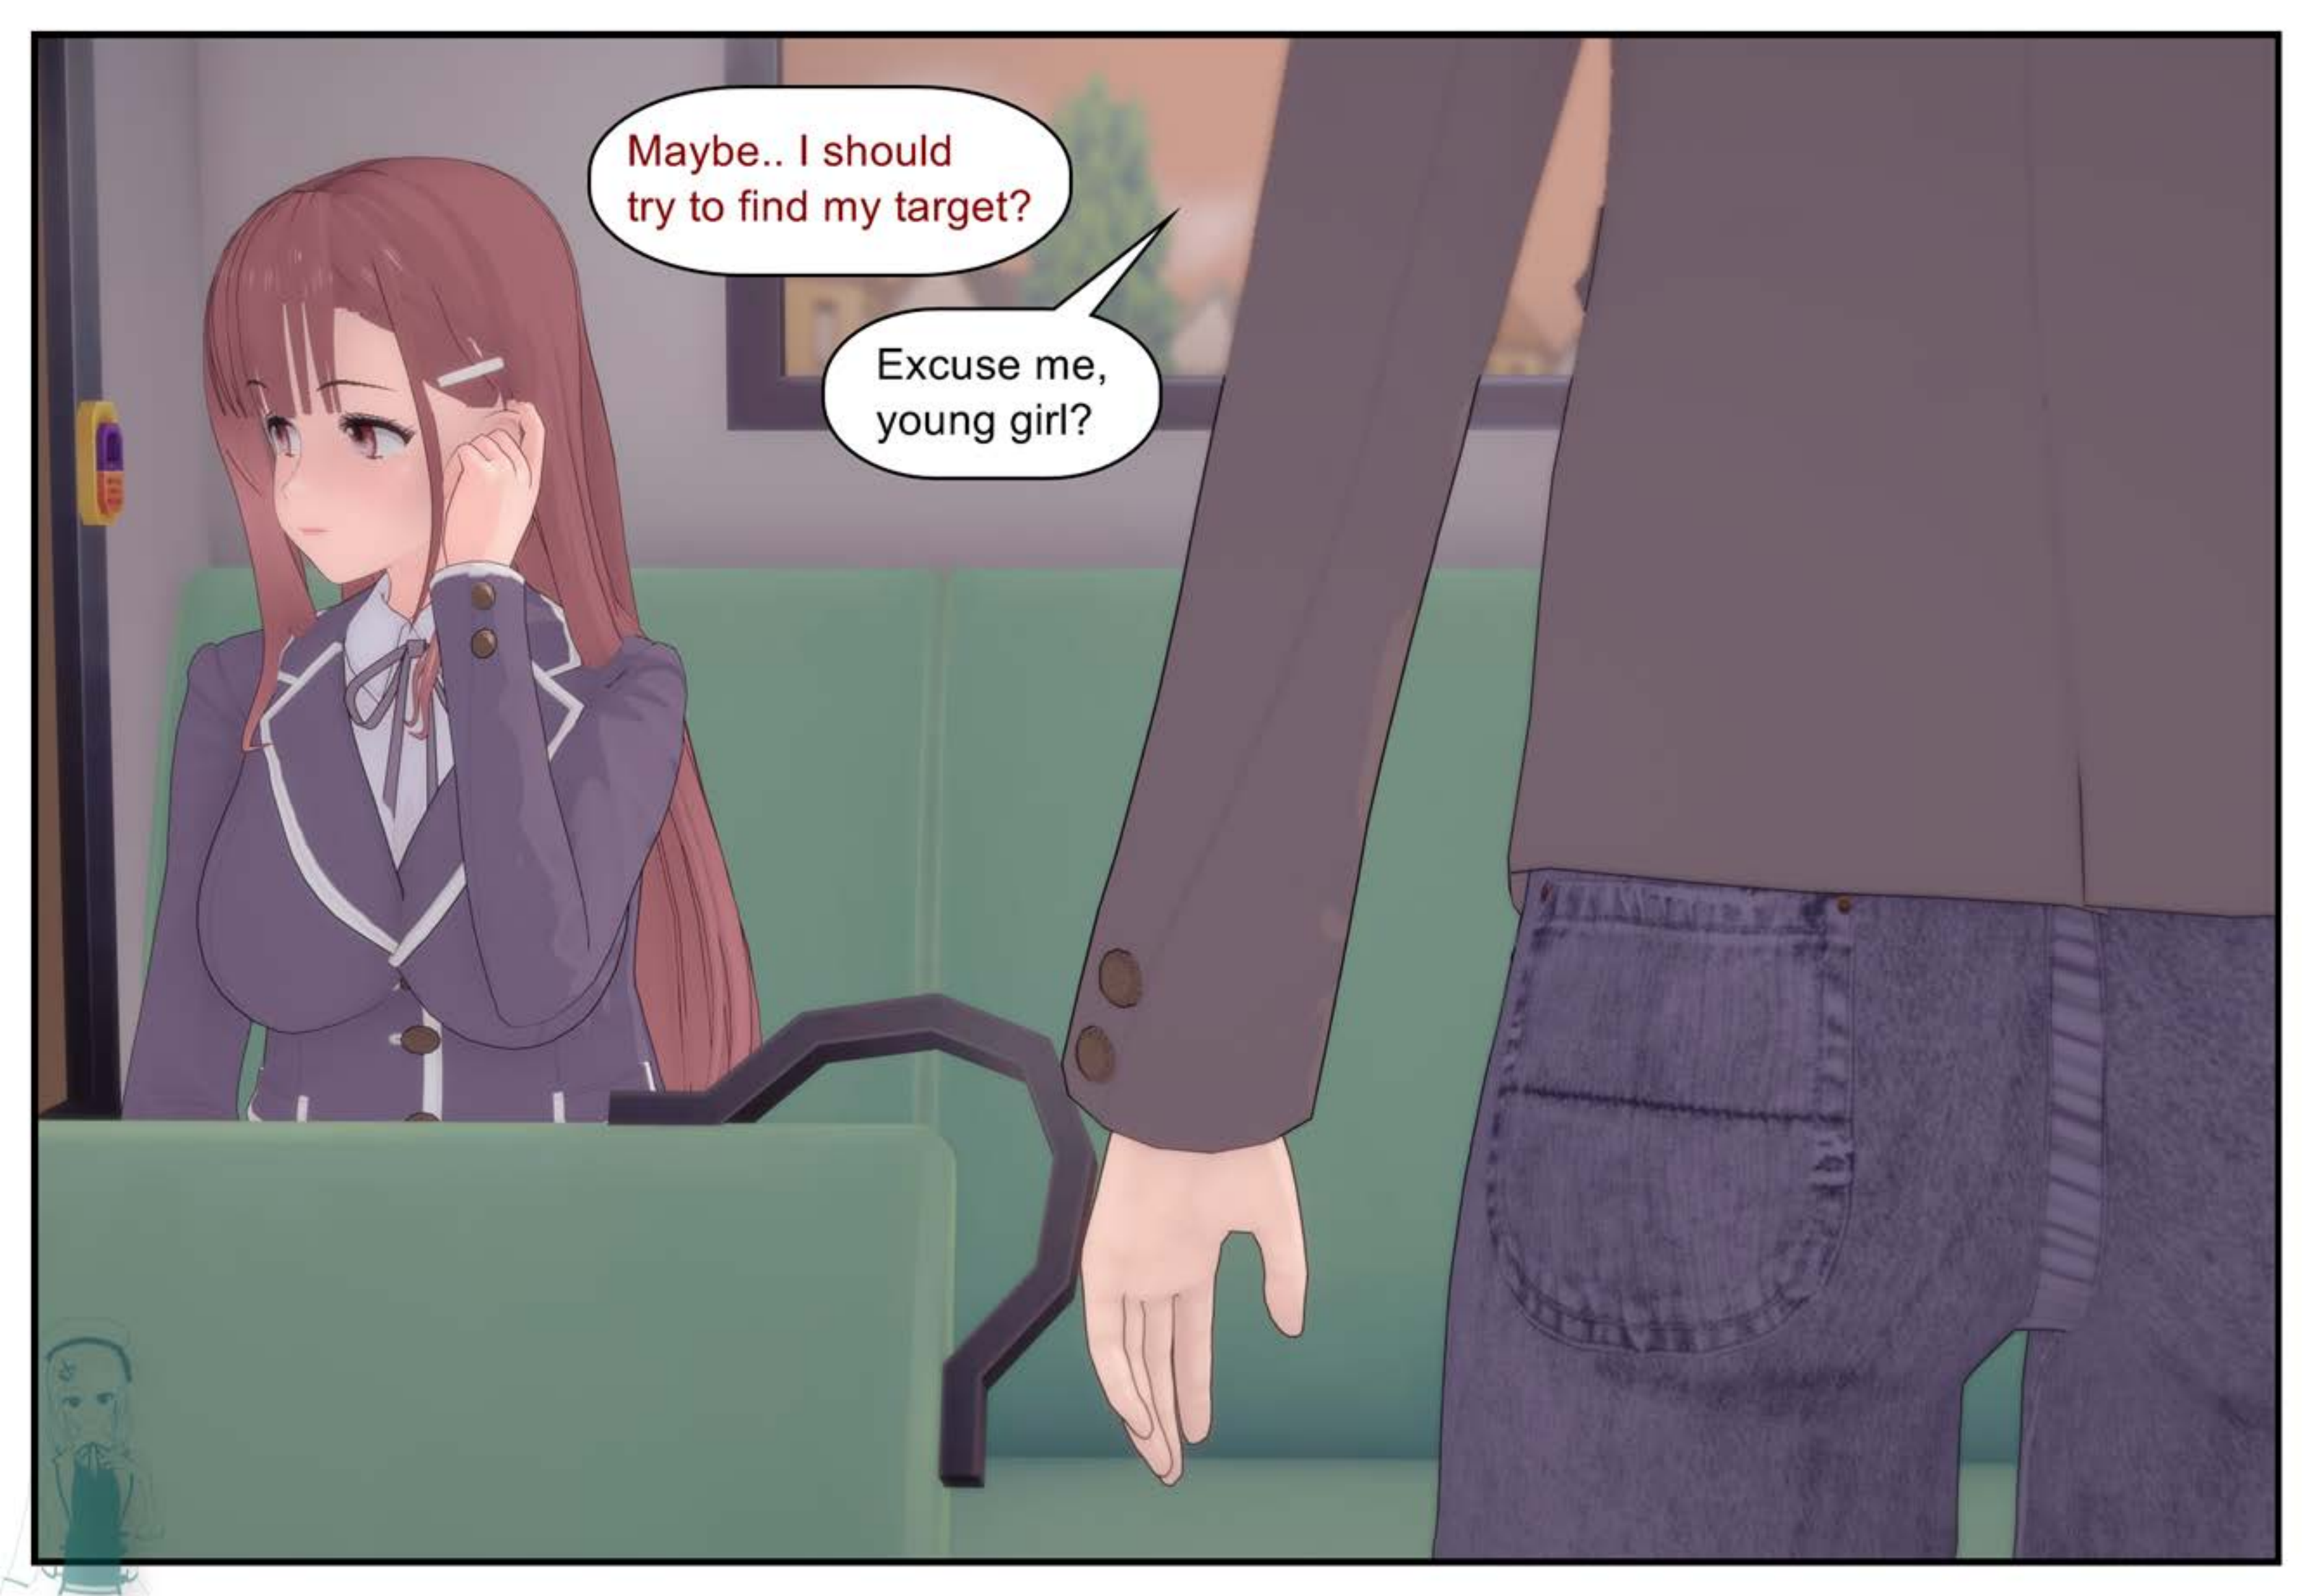

How can I fill  
my heart..? By love?

People say love is  
the medicine for  
your empty heart.

Maybe.. I should  
try to find my target?

Excuse me,  
young girl?

May if I sit  
next to you?

Whatever.  
The bus still full  
of seat anyway.

By the way, I would love to talk with you.

"Just like any other girls.."

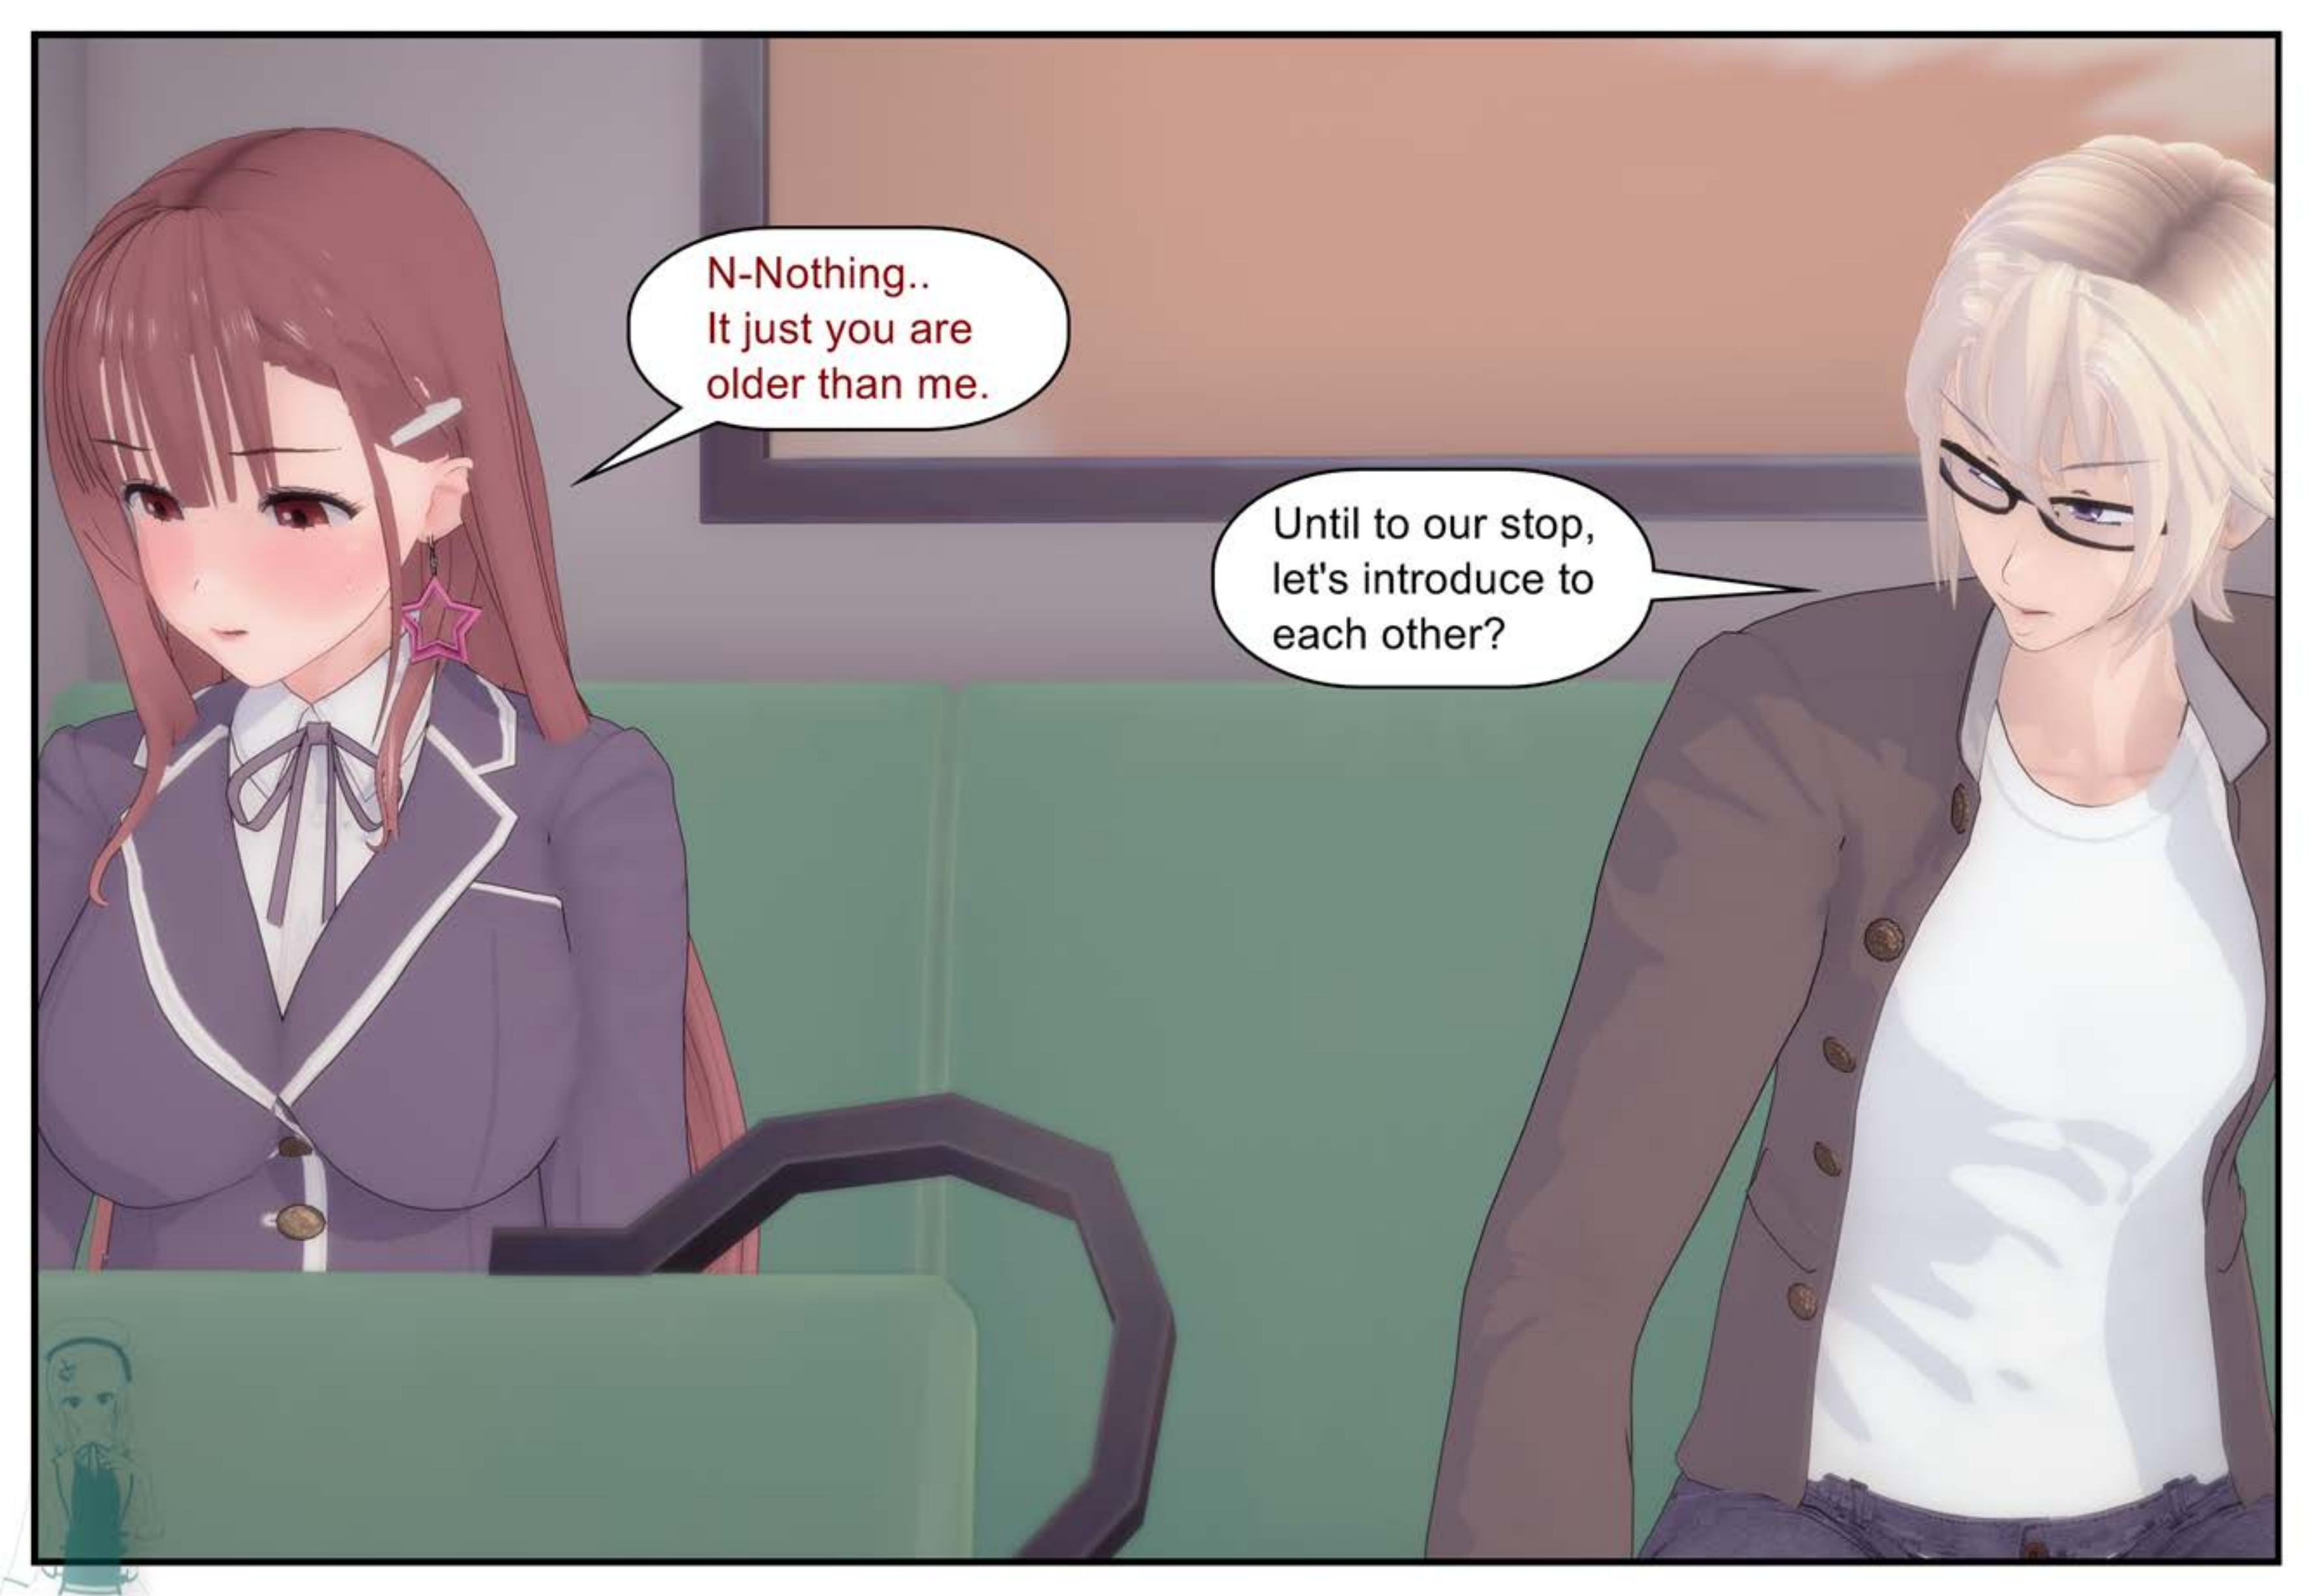

You look nervous.  
Was it because of me?

"..they will see this person is trustful and also, handsome."

N-Nothing..  
It just you are  
older than me.

Until to our stop,  
let's introduce to  
each other?

"It's pretty strange when talking to people you didn't know."

"Surprisingly, I  
and him have  
many in common."

"Then, we decided to hang out after a month of getting to know each other."

"We go shopping,  
to the restaurant,..  
It's more like a date."

You really liked  
that choco-mint  
ice cream?

Since my childhood,  
this is the best place  
for choco-mint.

You wanted to try some? Then, say 'ah'..

"Months later, we went further.."

"I thought.. my heart was filled.."

"But it was not until  
he broke up with  
me shortly after..  
And then.."

"..Someone stole  
him away from me."

Who's that girl..?

Oh, right. Shizaki,  
introduce to you..

This is my new girlfriend.. Kanzari.

N-No.. We haven't been that much.

But we did hang out yesterday, right?

But wasn't mean..

Um.. Shizaki..?  
Are you okay?

"Unforgivable..  
Unforgivable!!"

"She is the cause  
of all this.. She told  
him to left me!"

"I can't.. take it..  
She even smiled.."

"In the end.. I  
couldn't do  
anything than  
run away."

My love for him  
is real! Then why..  
why did he..

Finding a true  
love wasn't easy..  
Is that right?

A character with a large, wide-brimmed black hat and a dark top with a white floral pattern. The character has short blue hair and a small necklace with a blue gem. The background shows a room with a window, curtains, and potted plants. A speech bubble is on the left.

Especially when  
the problem came  
from one of you..

Police? There's a stranger..

W-Wait! What I mean is..

You need help  
to take your  
boyfriend back.

For introduction,  
I'm Lena, a blind witch.

I don't believe it.  
Witch wasn't real  
for hundreds years..

Then.. what if I  
prove that..

..I can make a spell  
where you take  
revenge on Kanzari.

You knew.. what  
I have been through?

Come with a little  
of your eye sight  
as a cost?

Of course, I'm  
a witch after all.

Think carefully,  
if you want to  
trust me.

Help me to  
stop her.

I accept whatever the cost, she has to paid for it.

Fu..

You got it? I will  
extract your soul  
out of your body..

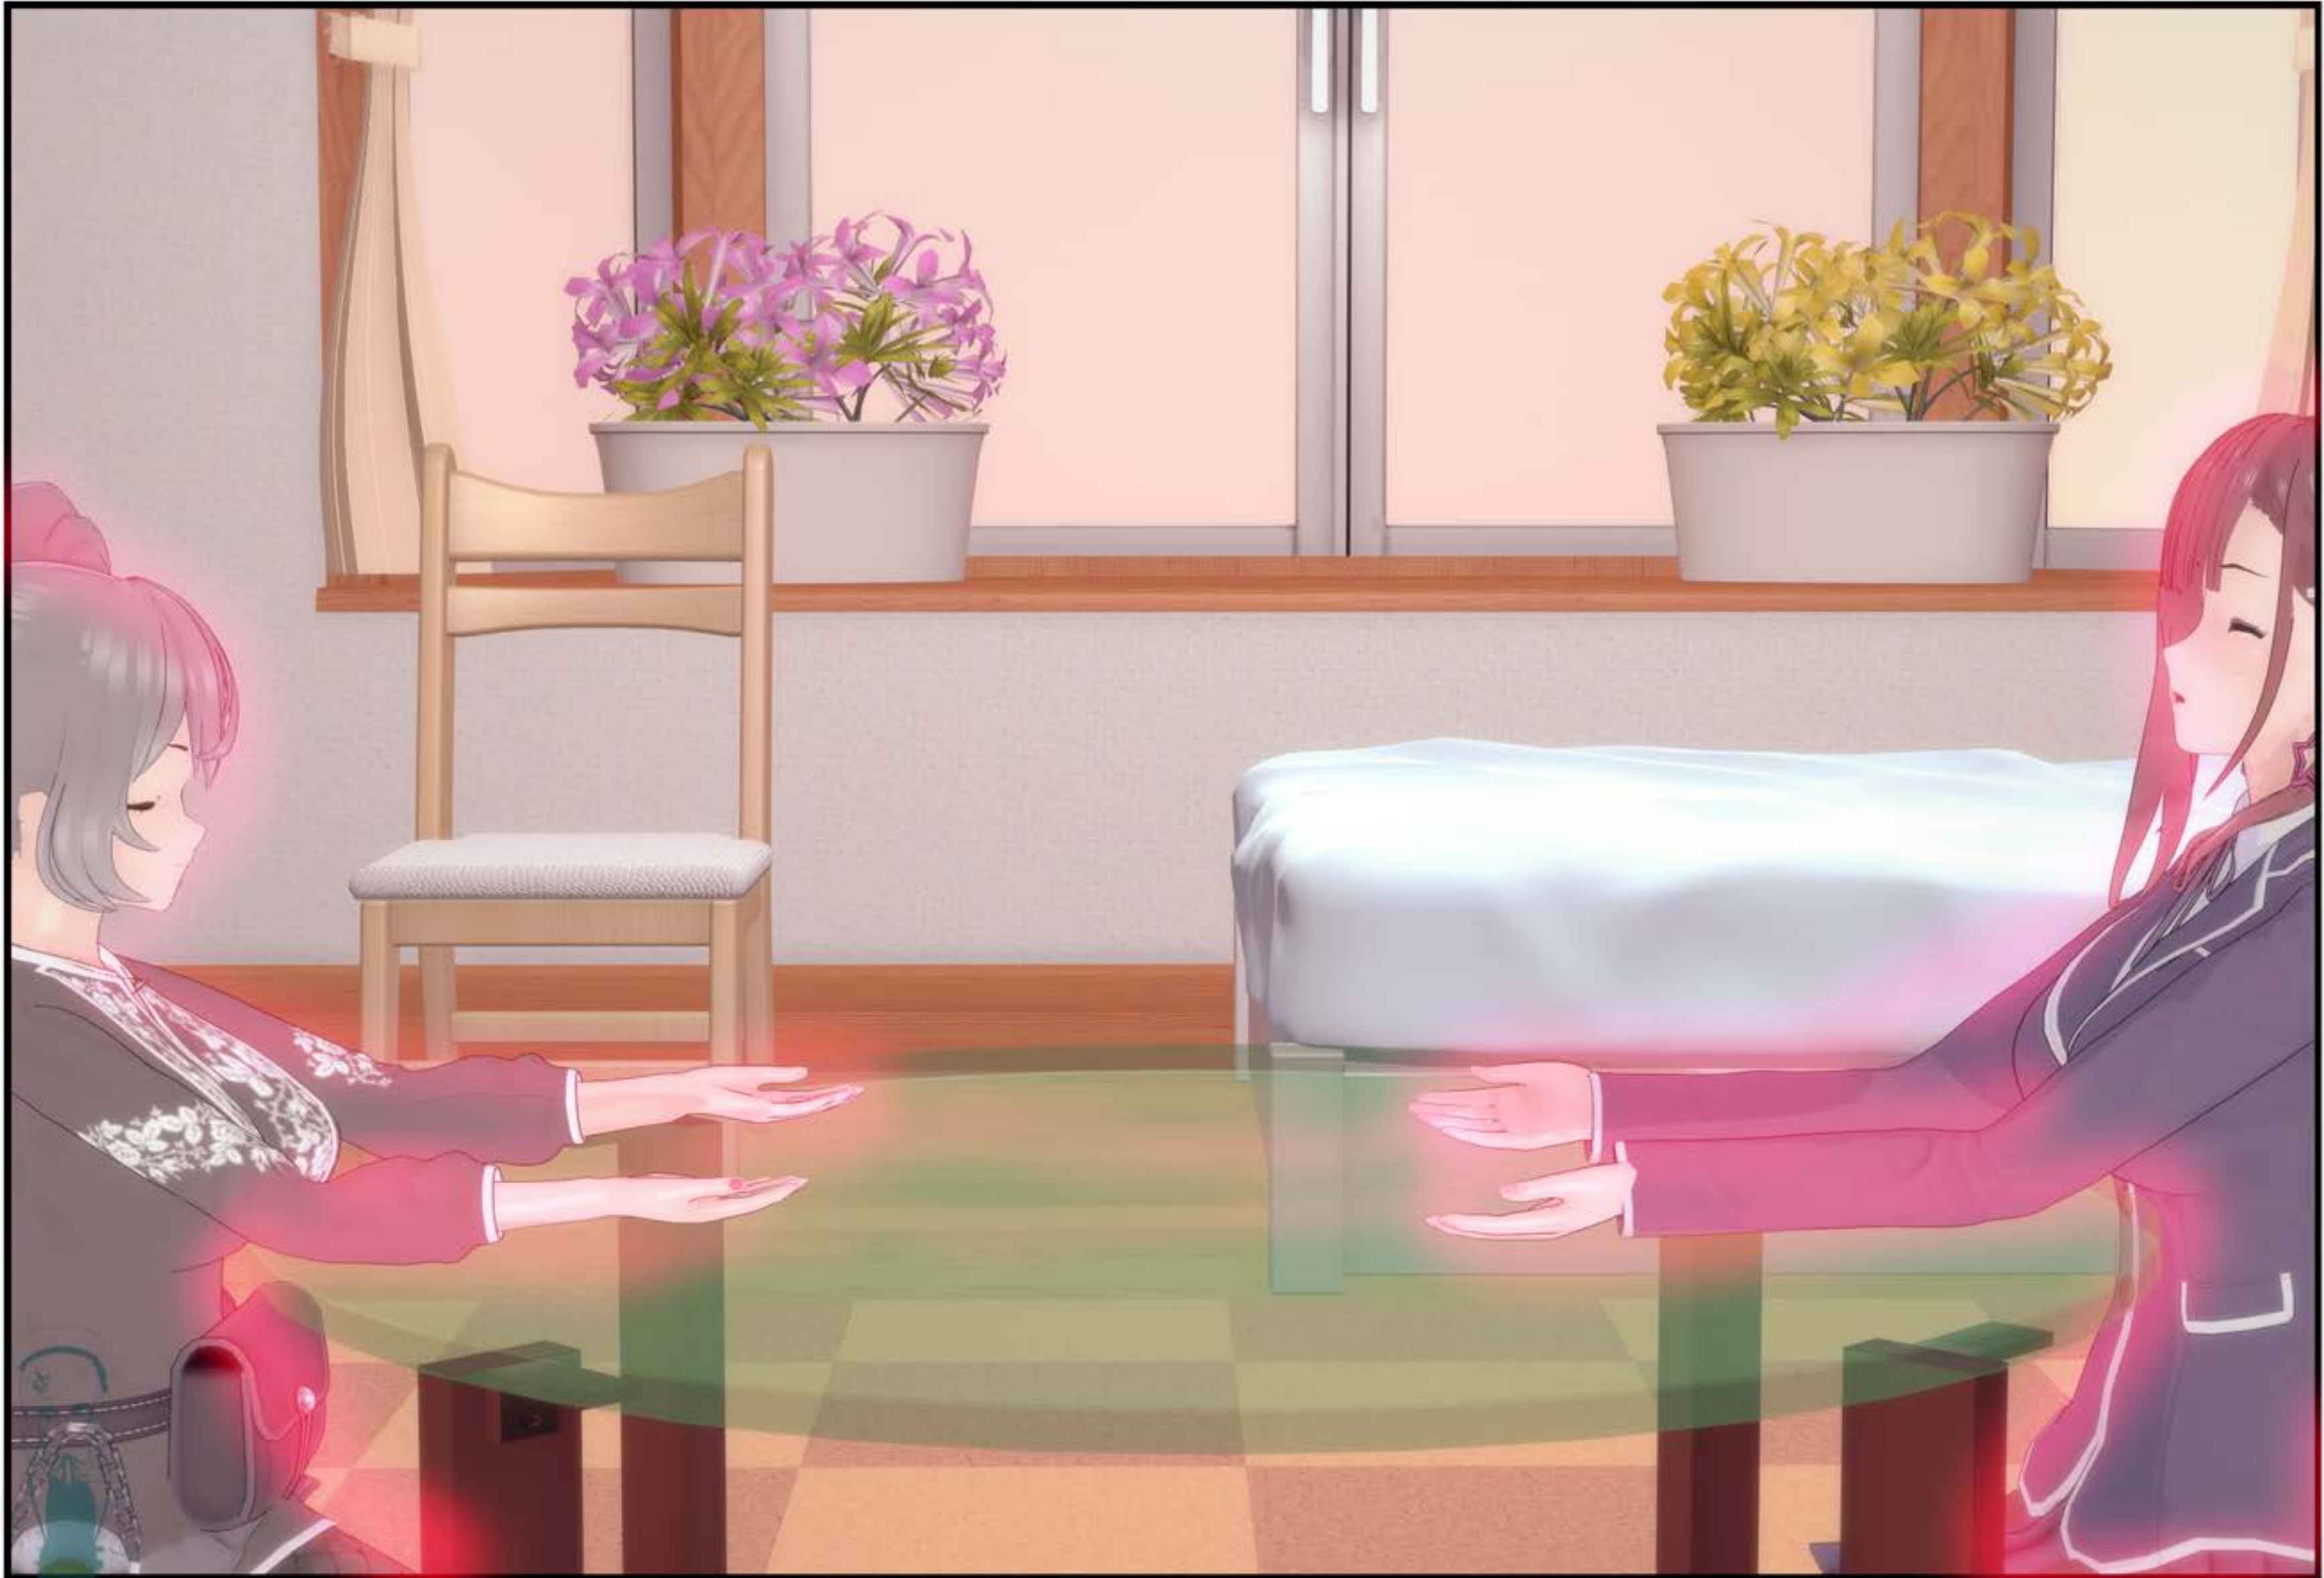

Just do what I  
said earlier.. Now,  
close your eyes  
and hands on table.

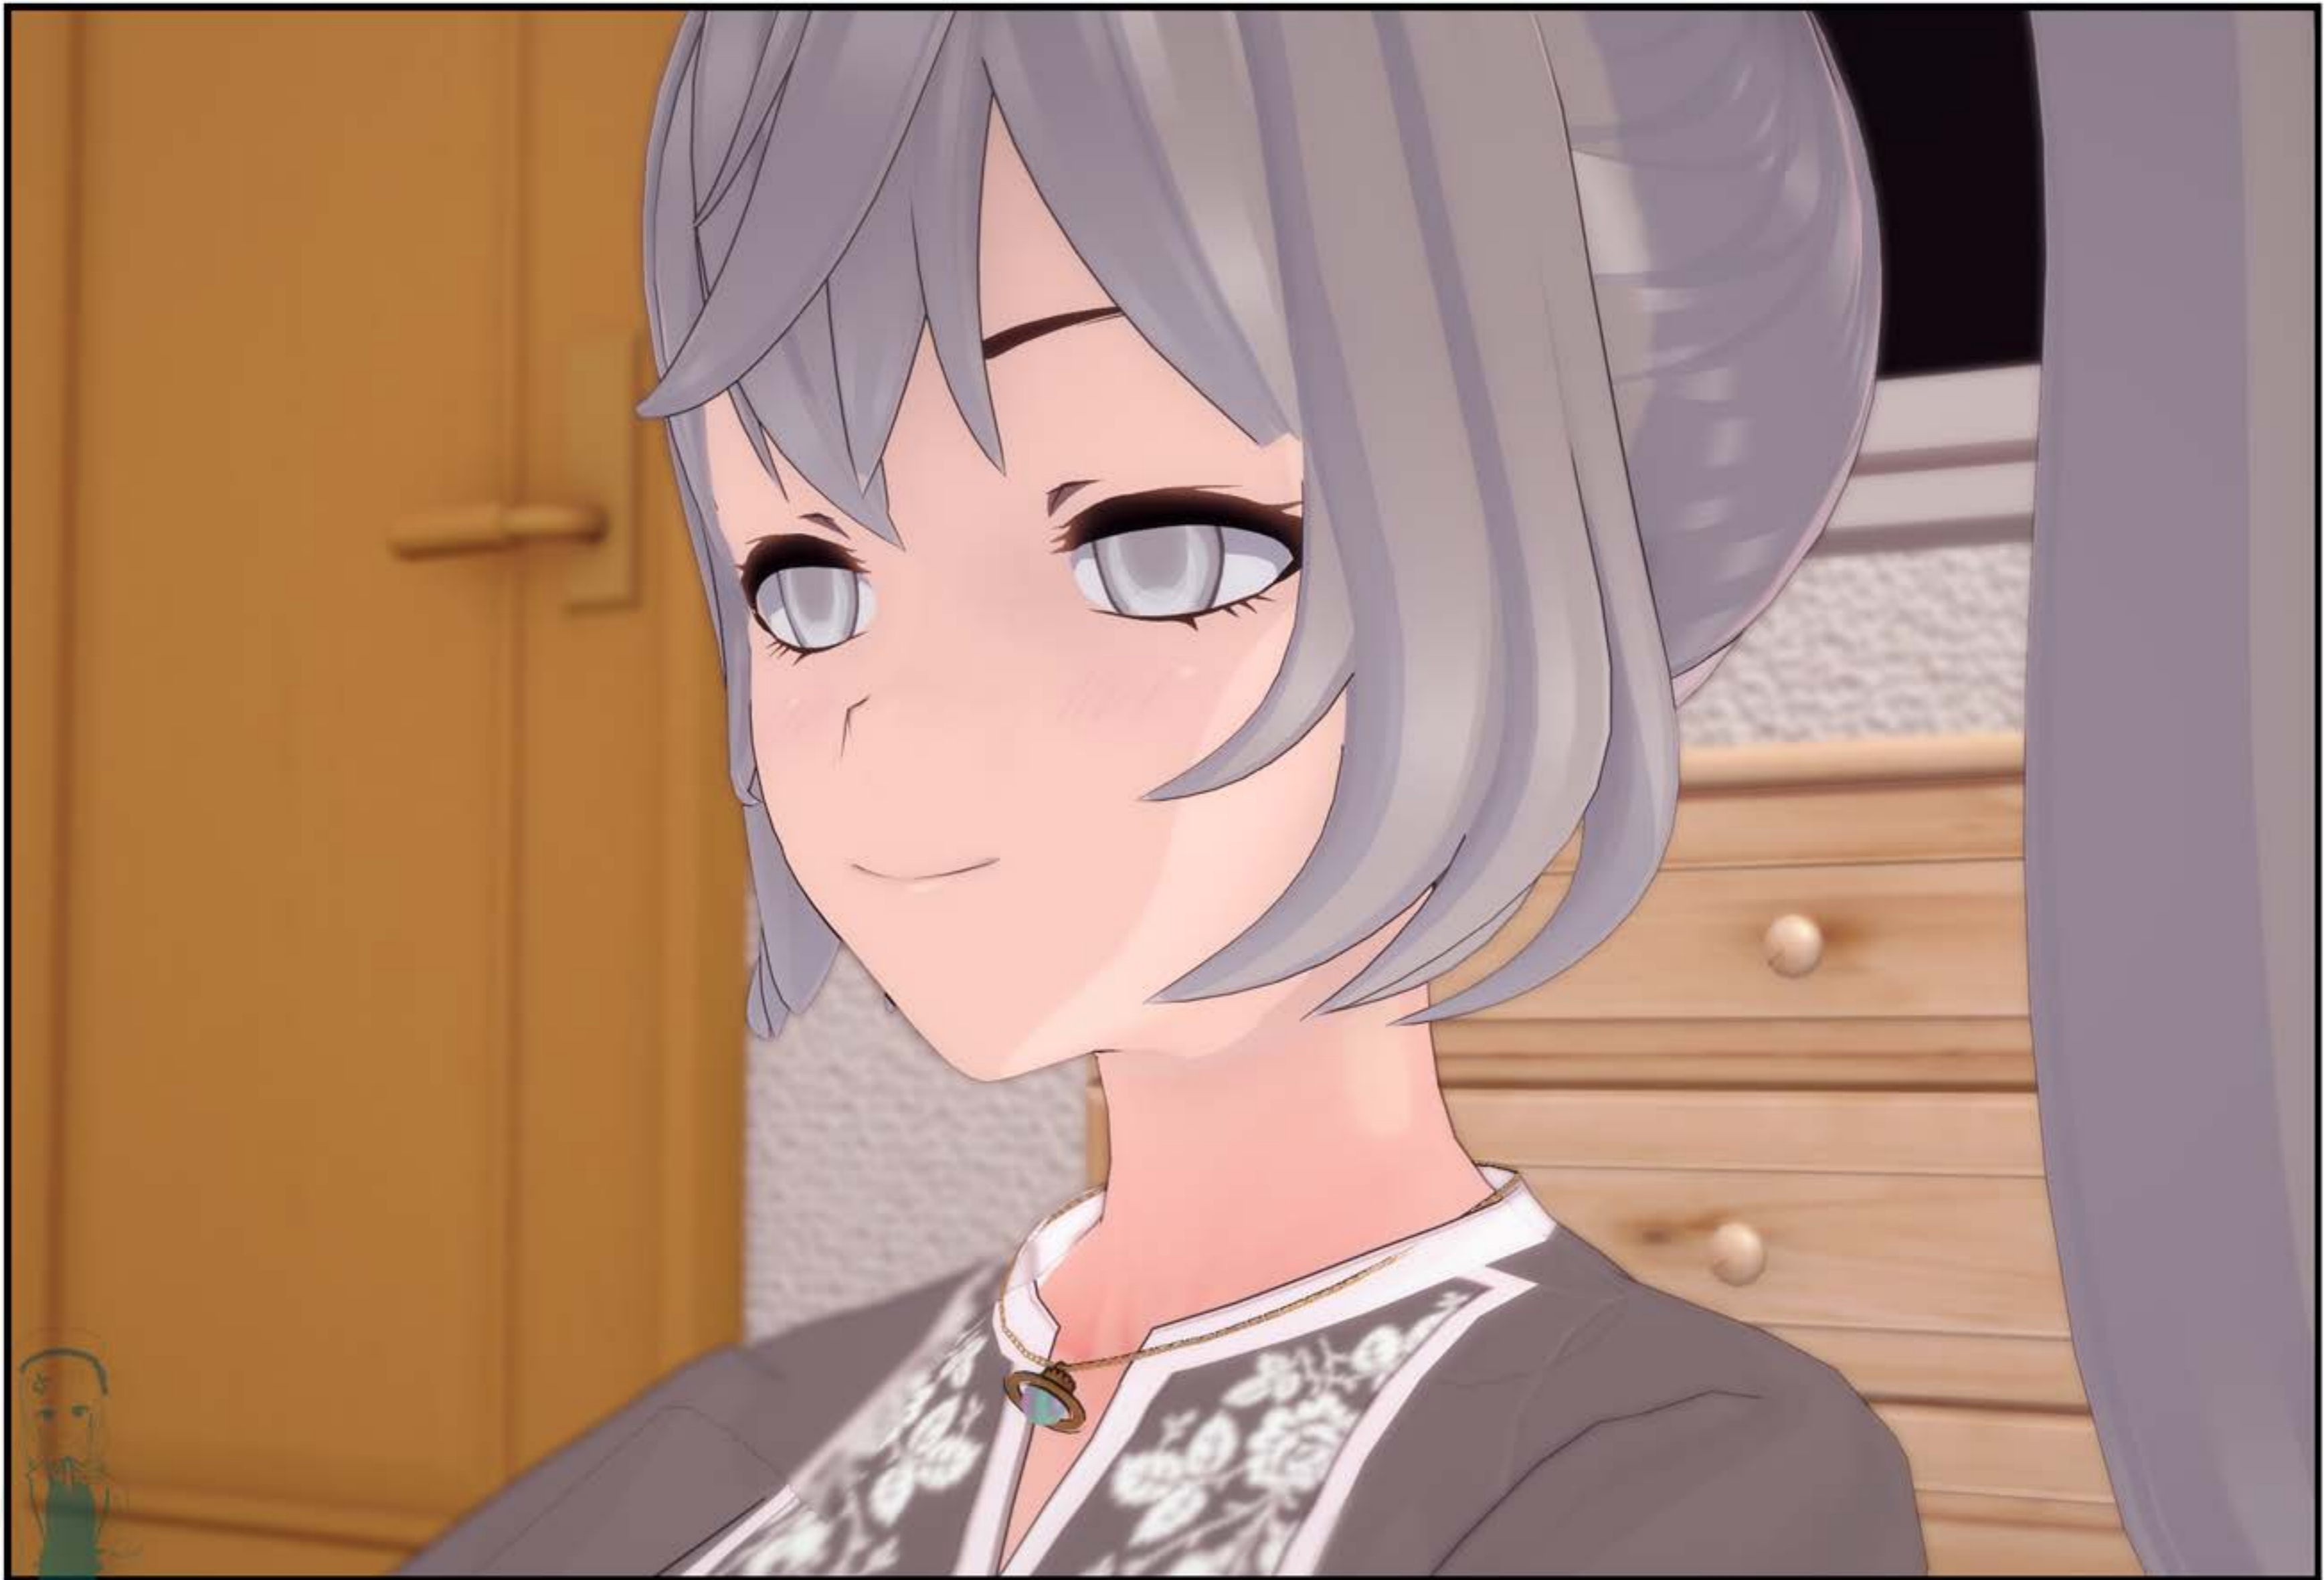

"Hm..? Where  
am I..? This place.."

"T-That's.. her!!  
Kanzari.."

Already finished?  
Want to go for  
another round?

Nah, I have to go home early today. Practice without me.

Oki doki, Kanzari.

"Kanzari.. A leader of school's swimming club.."

"How dare she..  
stole him away.."

"I won't forgive you, Kanzari."

"He loved me!  
So did I! You were  
just an obstacle!"

"The witch told me that I can possess anyone in this state.. T-Then.."

What is.. happening  
to me.. my body..

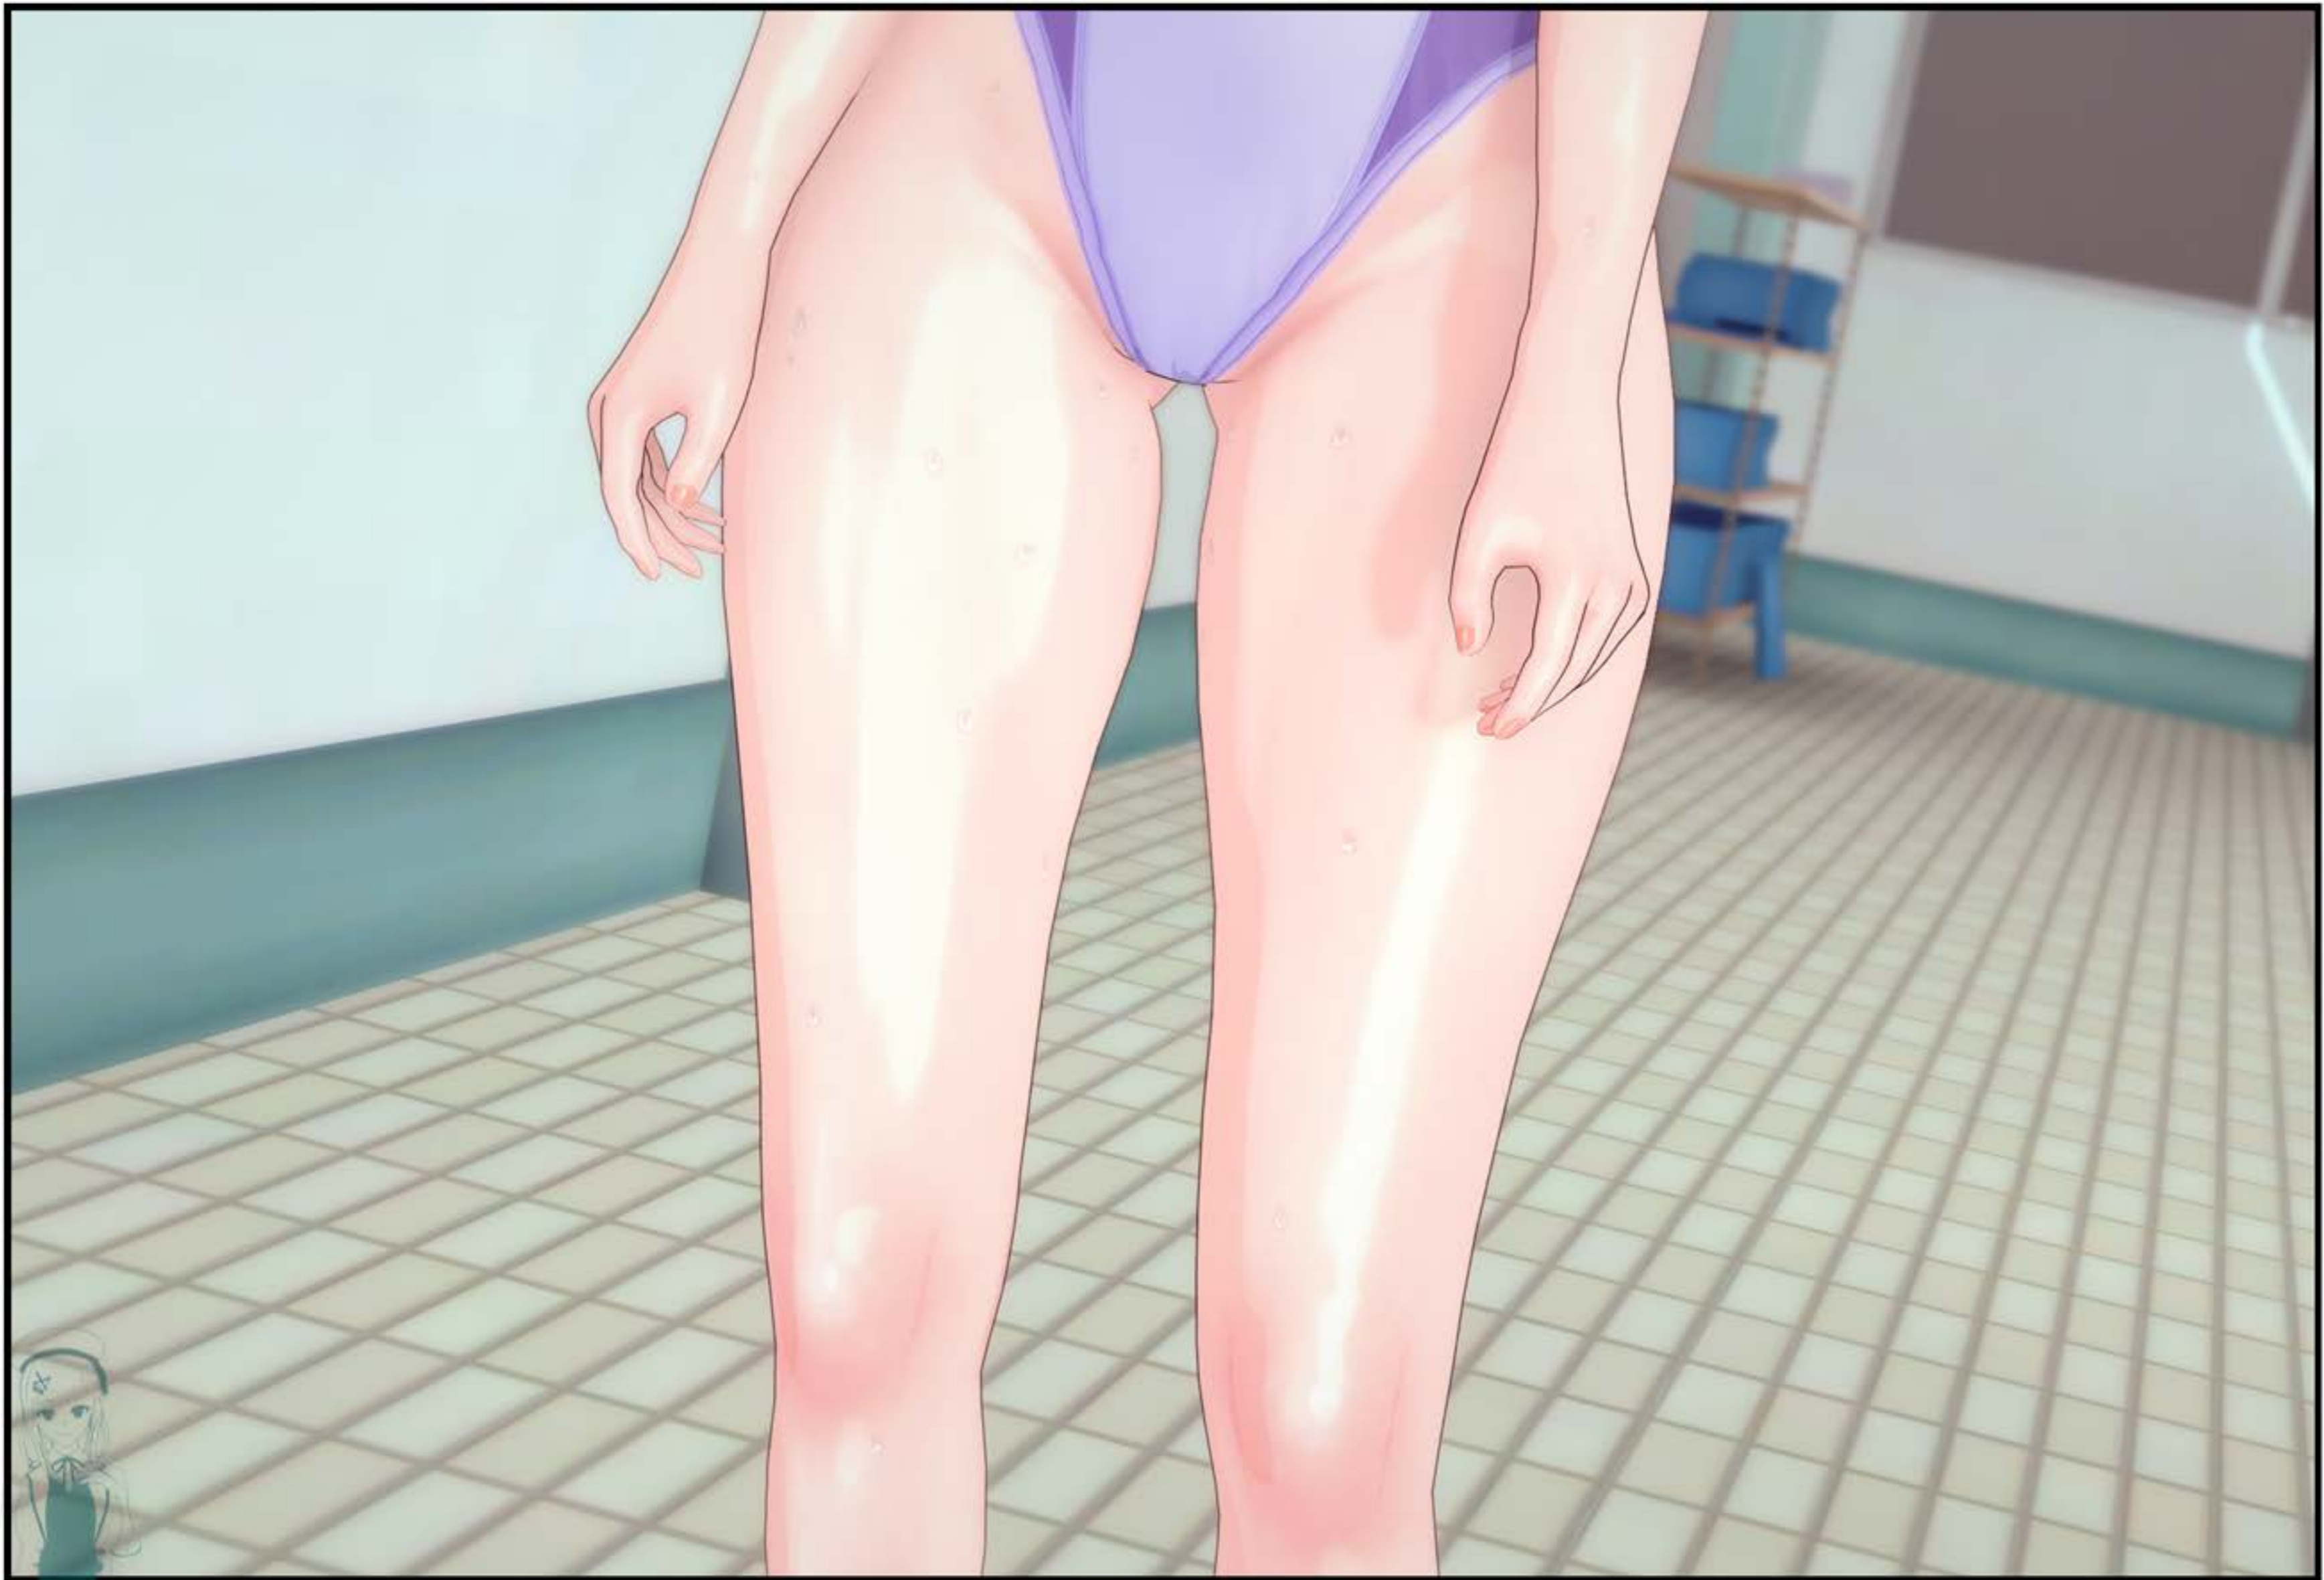

A woman with long dark hair, wearing a purple bikini, is crawling on a light-colored tiled floor. She is viewed from behind, with her head down and arms extended forward. The background shows a light blue wall and a dark teal baseboard.

Kanzari!? Are you okay over there?

Ahaha.. I'm fine.  
A bit dizzy though.

A woman with long, slender legs, wearing a purple one-piece swimsuit, is walking away from the viewer on a tiled pool deck. The floor is made of light-colored square tiles. To the right, there is a swimming pool with a blue cross on the bottom. In the background, there are blue chairs and a white wall. Two speech bubbles are positioned to the right of the woman.

Want me to carry you to the infirmary?

No need, sorry for interrupting your practice.

Then head home safe, alright?

"Nice body you have, Kanzari."

No wonder why  
he felt for you.

"Time to take  
my revenge  
on you.."

Call that person over and destroy your virgin, then?

Half an hour later..

Sorry I'm late,  
didn't know you  
agree to do "that"?

That was the  
reason why I  
called you over.

I thought.. ugh..  
you didn't want  
us to go further?

Woman changes  
their mind fast.. Haha..

A hand holding a glowing orb in a locker room. The hand is positioned in the center-left of the frame, holding a bright, glowing orange and yellow orb. The background consists of red lockers with silver handles. The lighting is dramatic, with the orb being the primary light source. The hand is rendered in a dark, almost black color, contrasting sharply with the bright orb. The overall scene suggests a moment of discovery or a significant event in a narrative.

Tell you this. I  
met a girl on the  
bus months ago..

..she really thought  
that I loved her!  
How hilarious!

"W-What..?  
Who is he..  
talking about?"

Go harder! I'm going to cum..!!

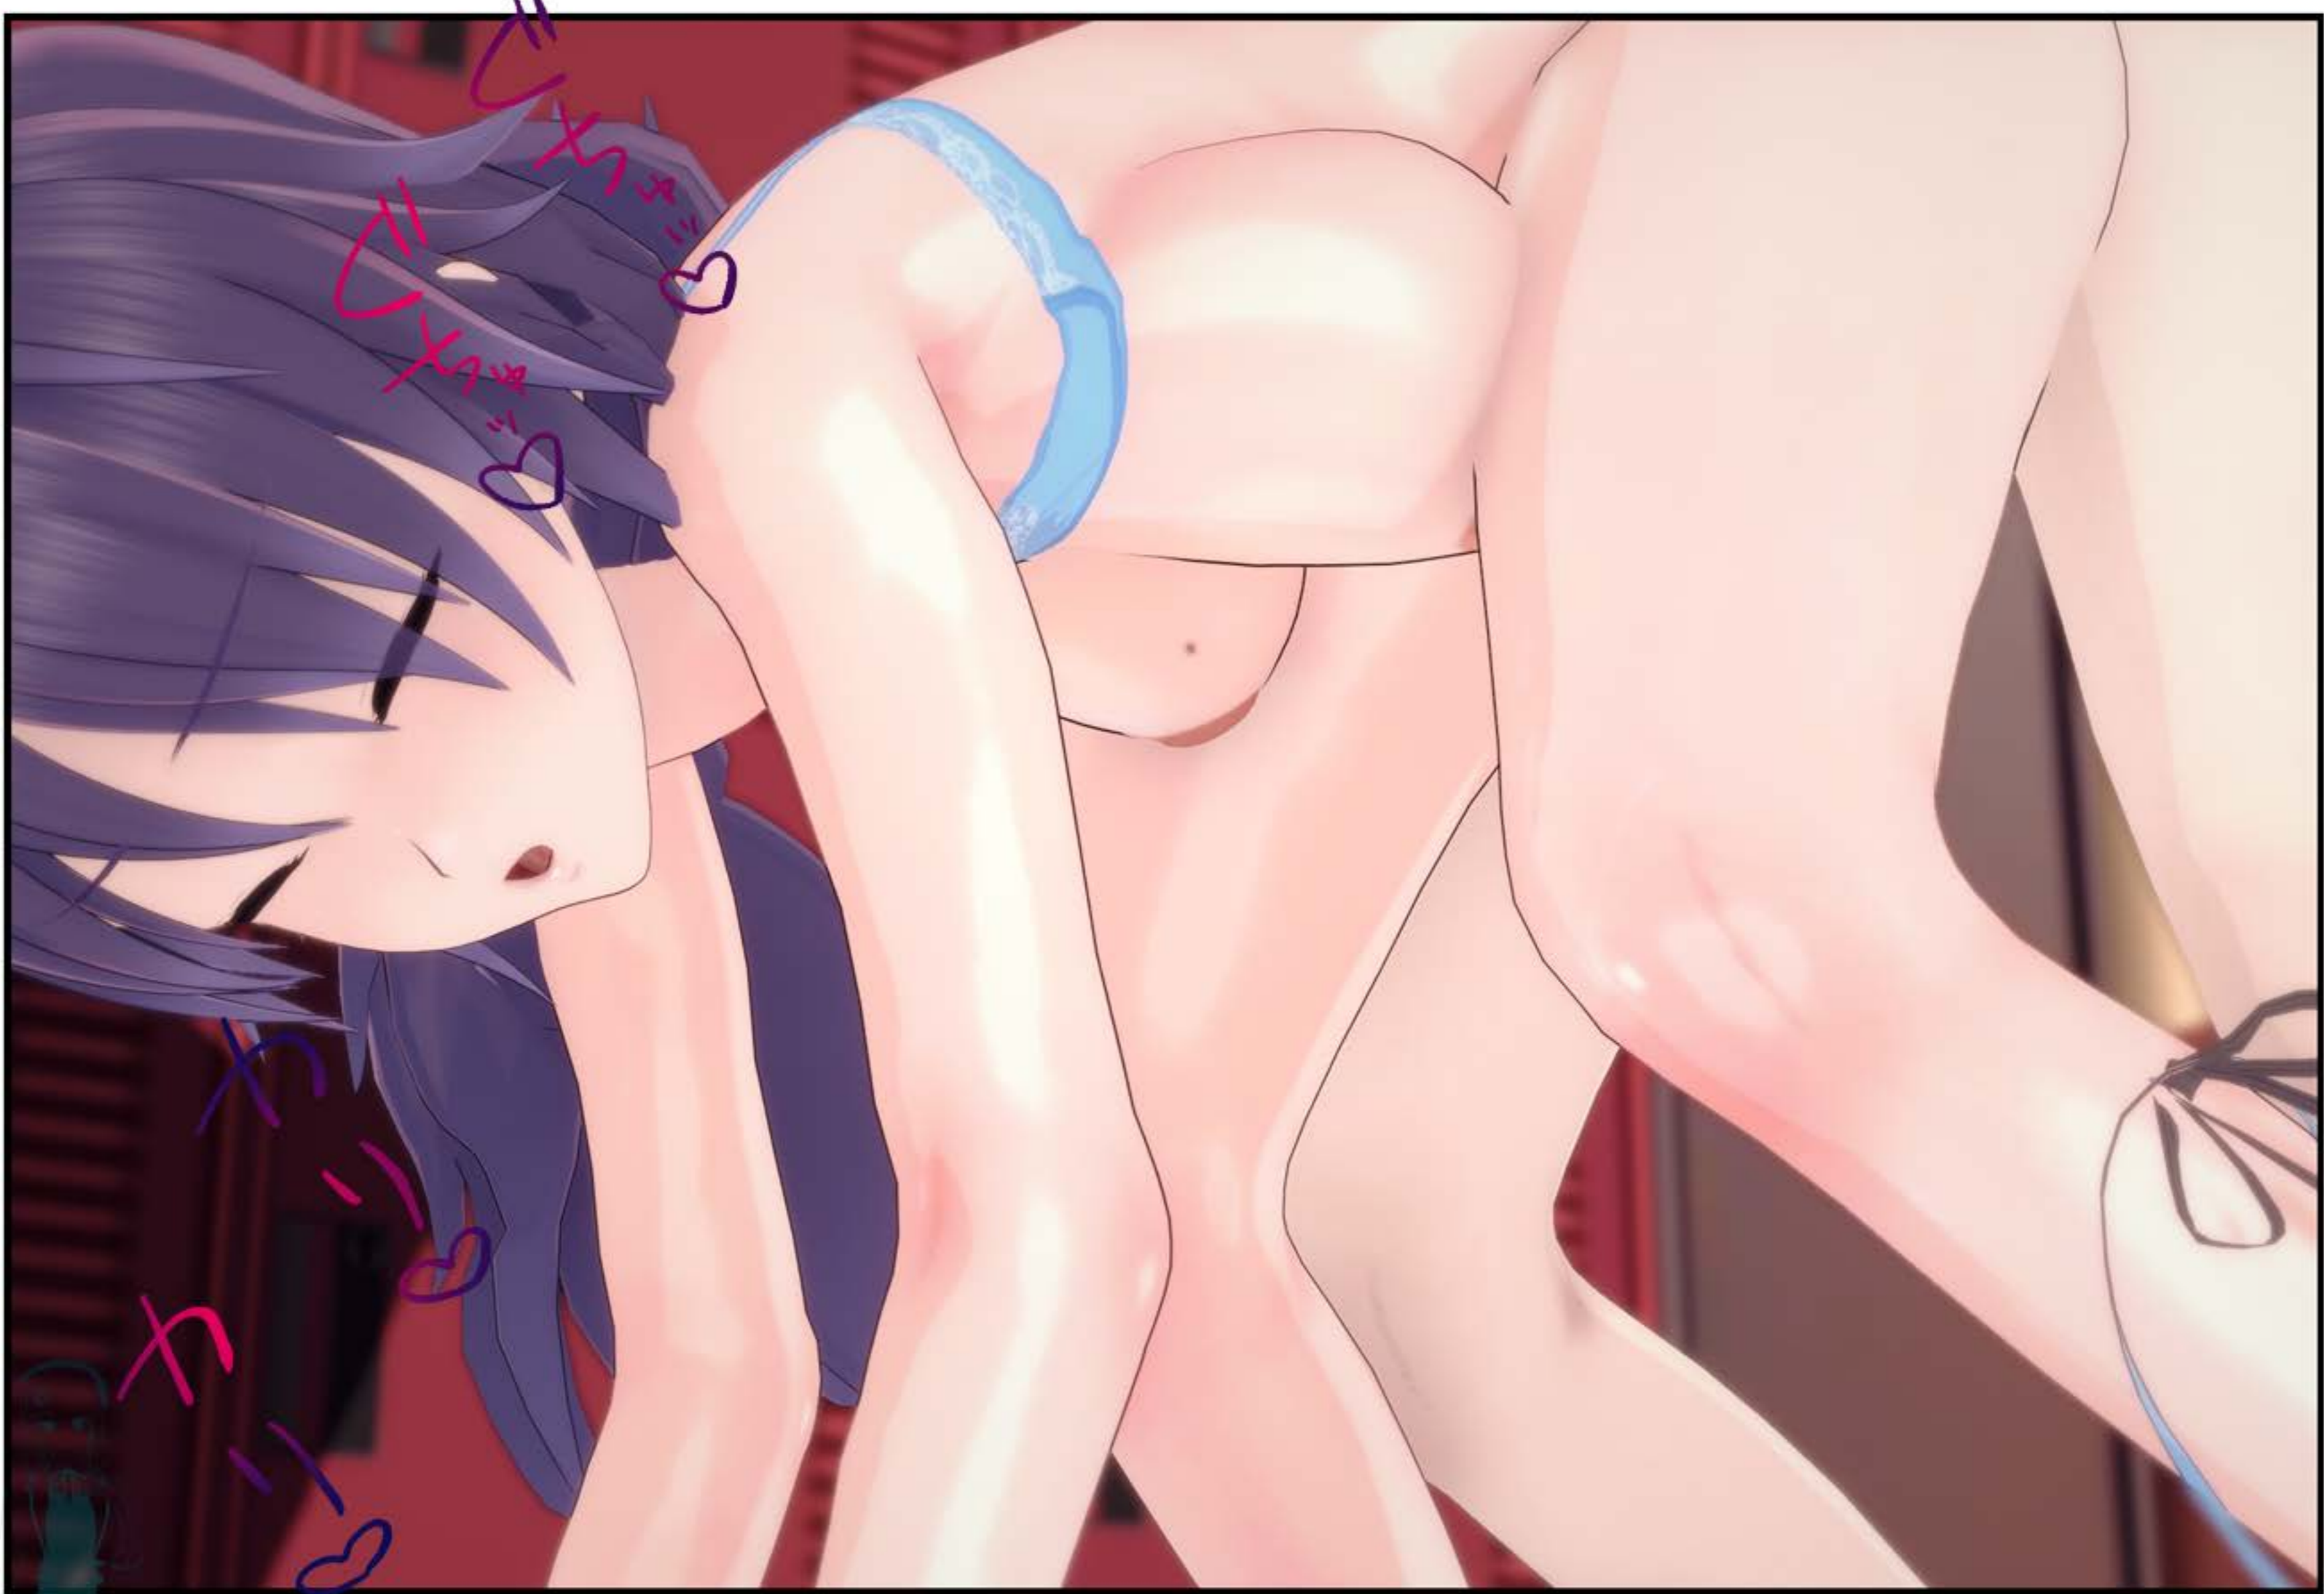

You are.. a cute girl and obidience one, Kanzari.

The girl on the bus  
told me to have sex  
with her.. And then..

..She pregnanted.  
But it was all her  
fault so I dumped her.

Haha.. She  
begging me to  
help her..

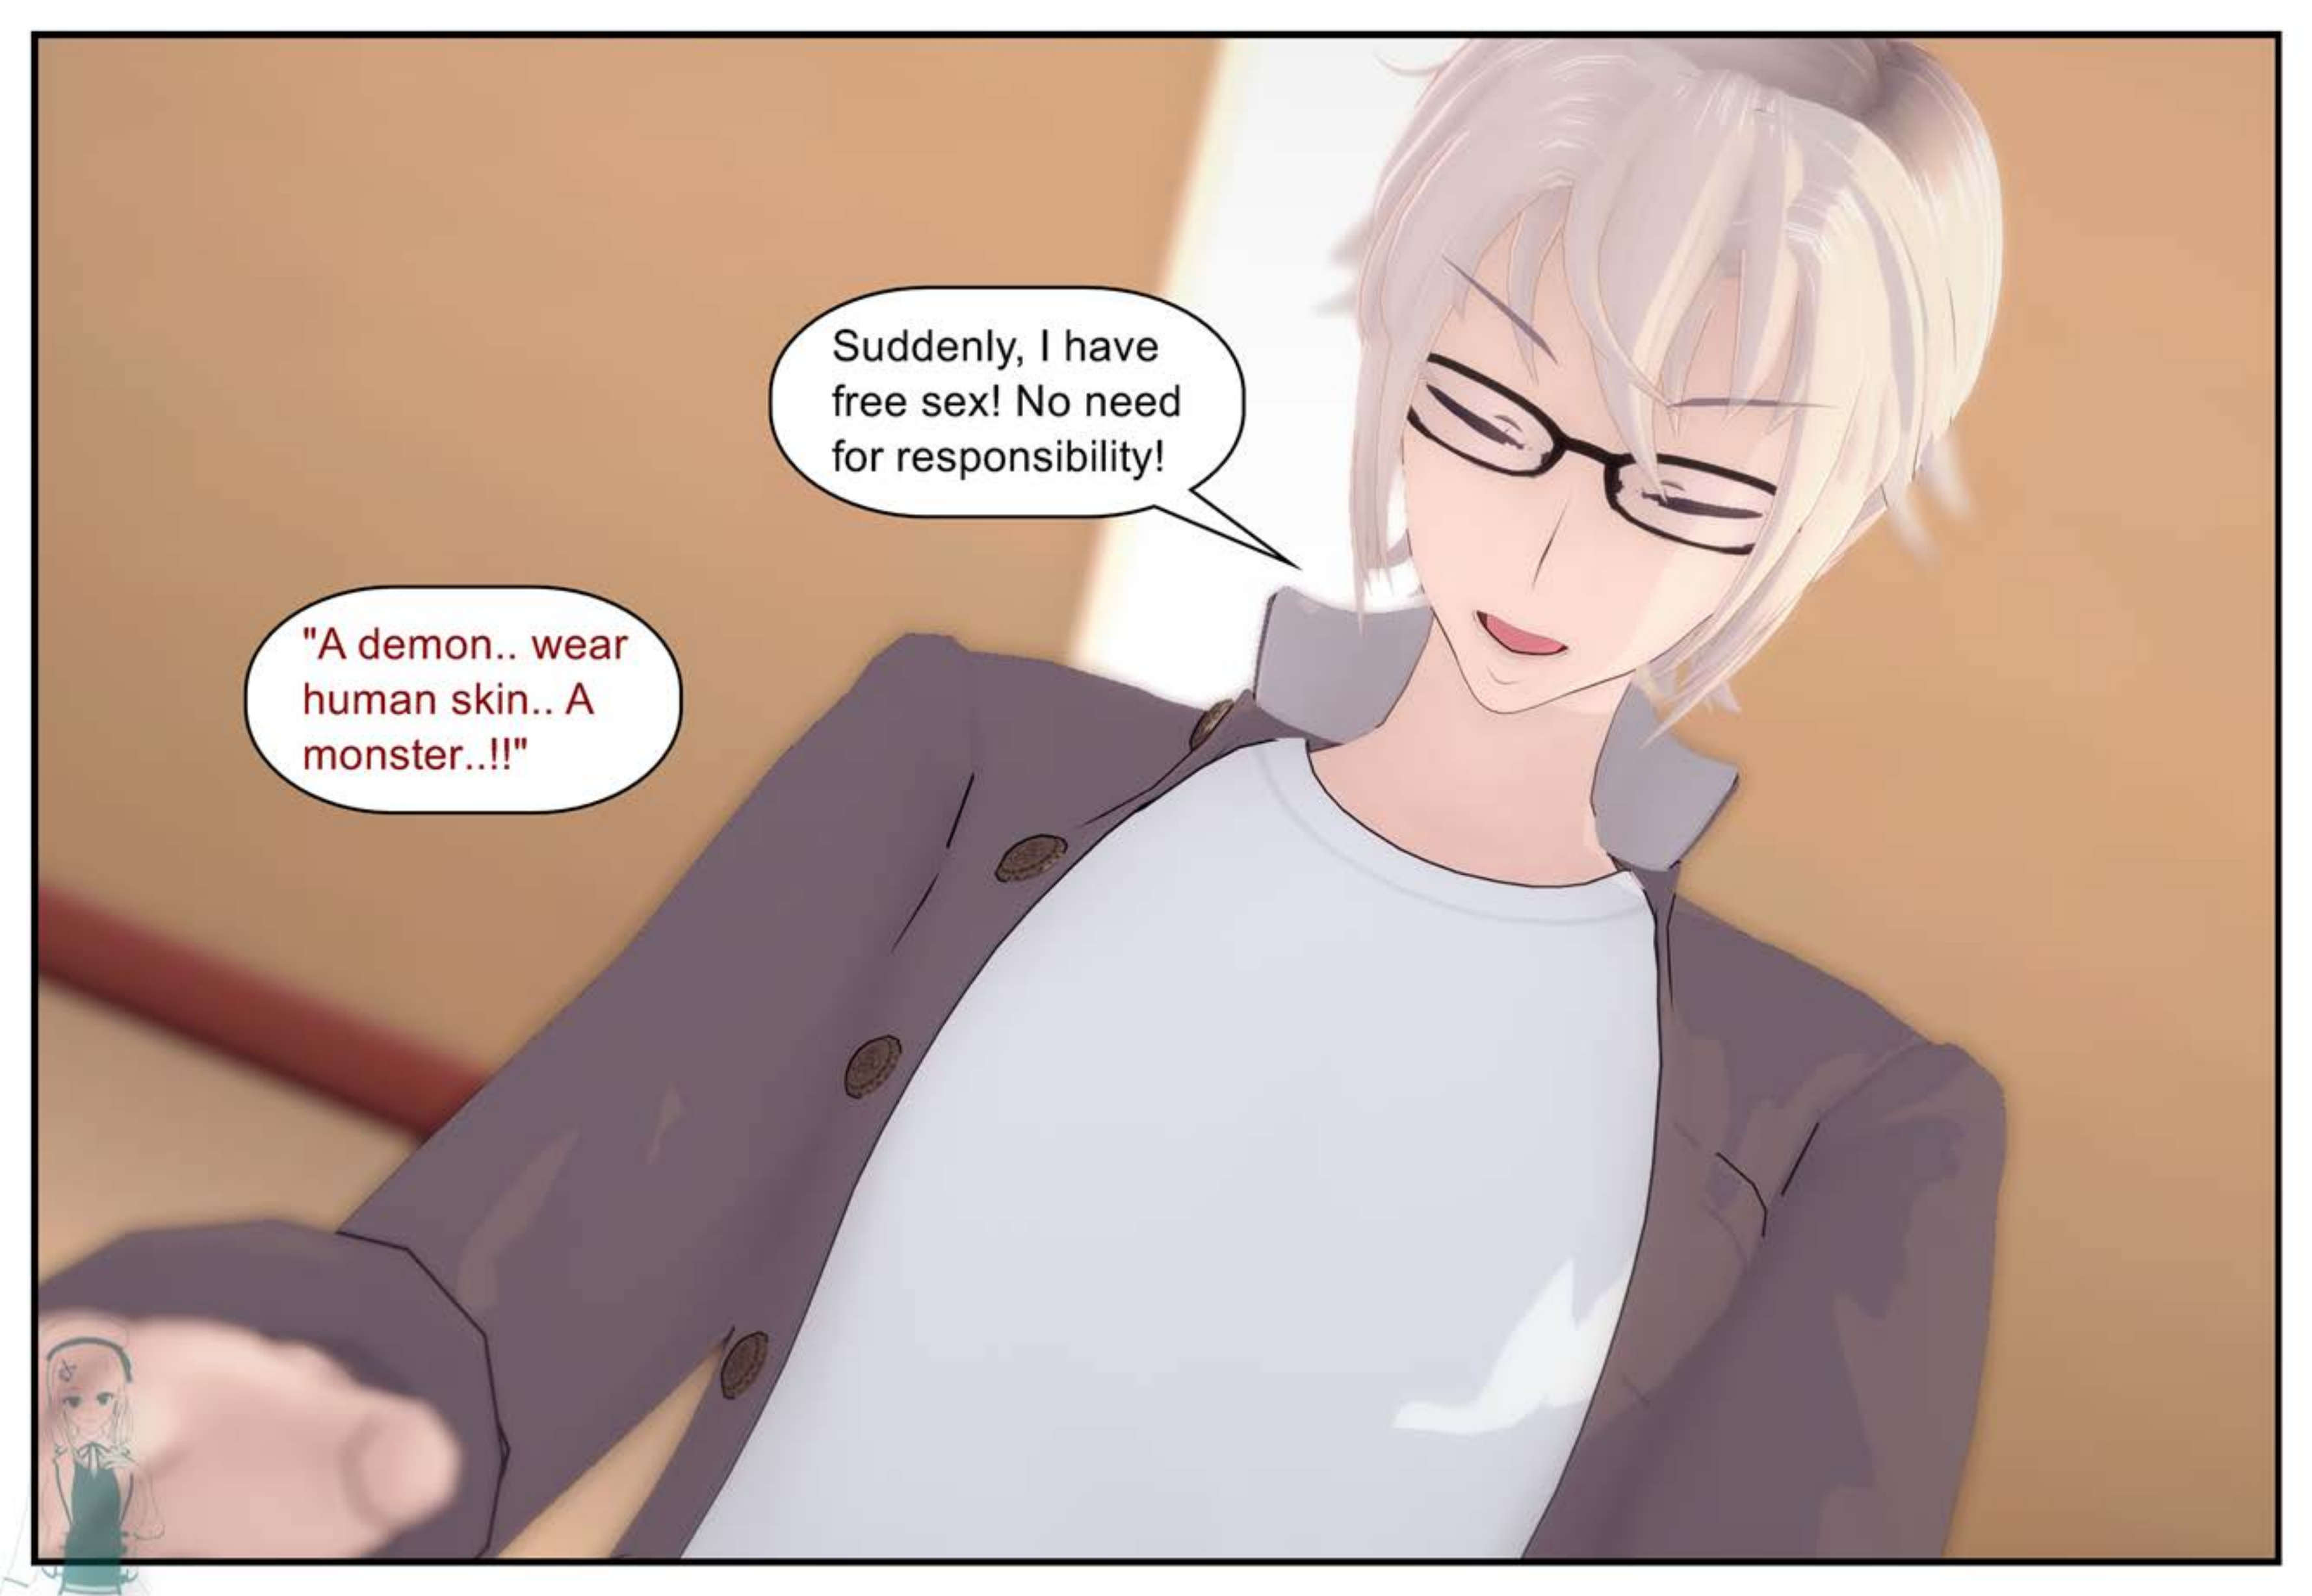

She really annoyed.  
So I suggested her to  
abandon the child.

"I remembered..  
this monster.."

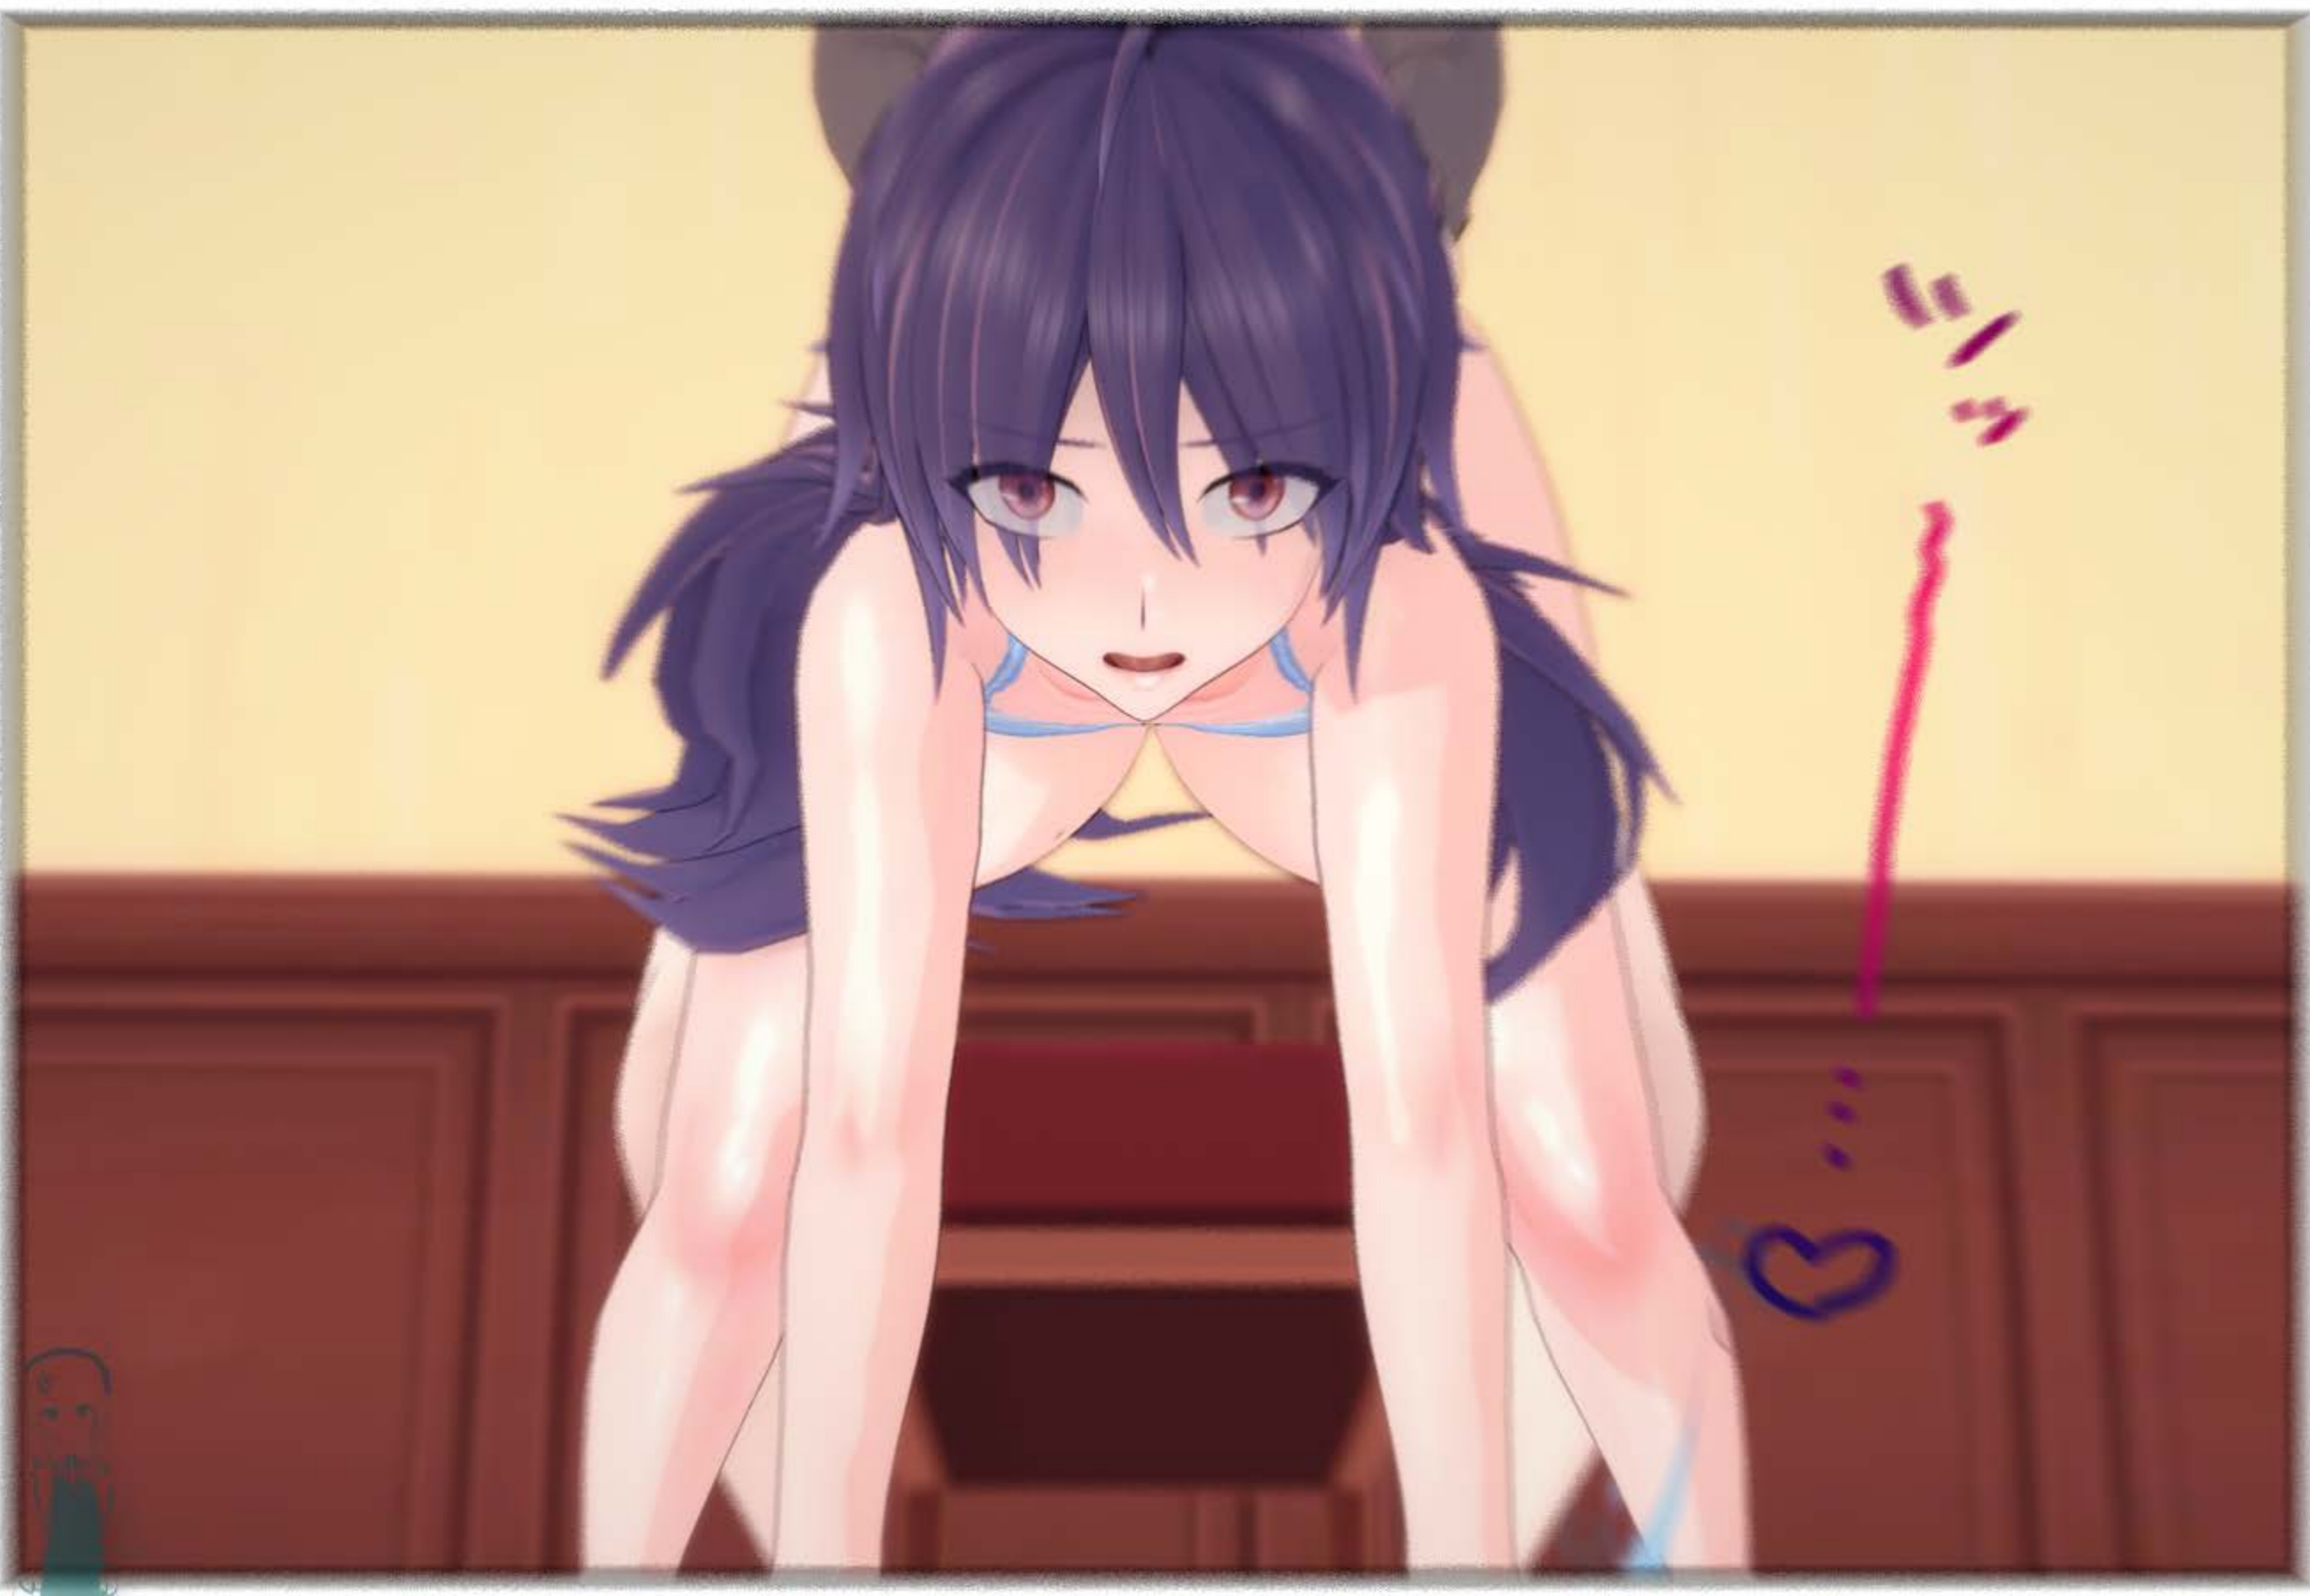

Suddenly, I have  
free sex! No need  
for responsibility!

"A demon.. wear  
human skin.. A  
monster..!!"

I'm going.. to cum.. from outside!!

ニ  
ニ  
ニ  
♡...

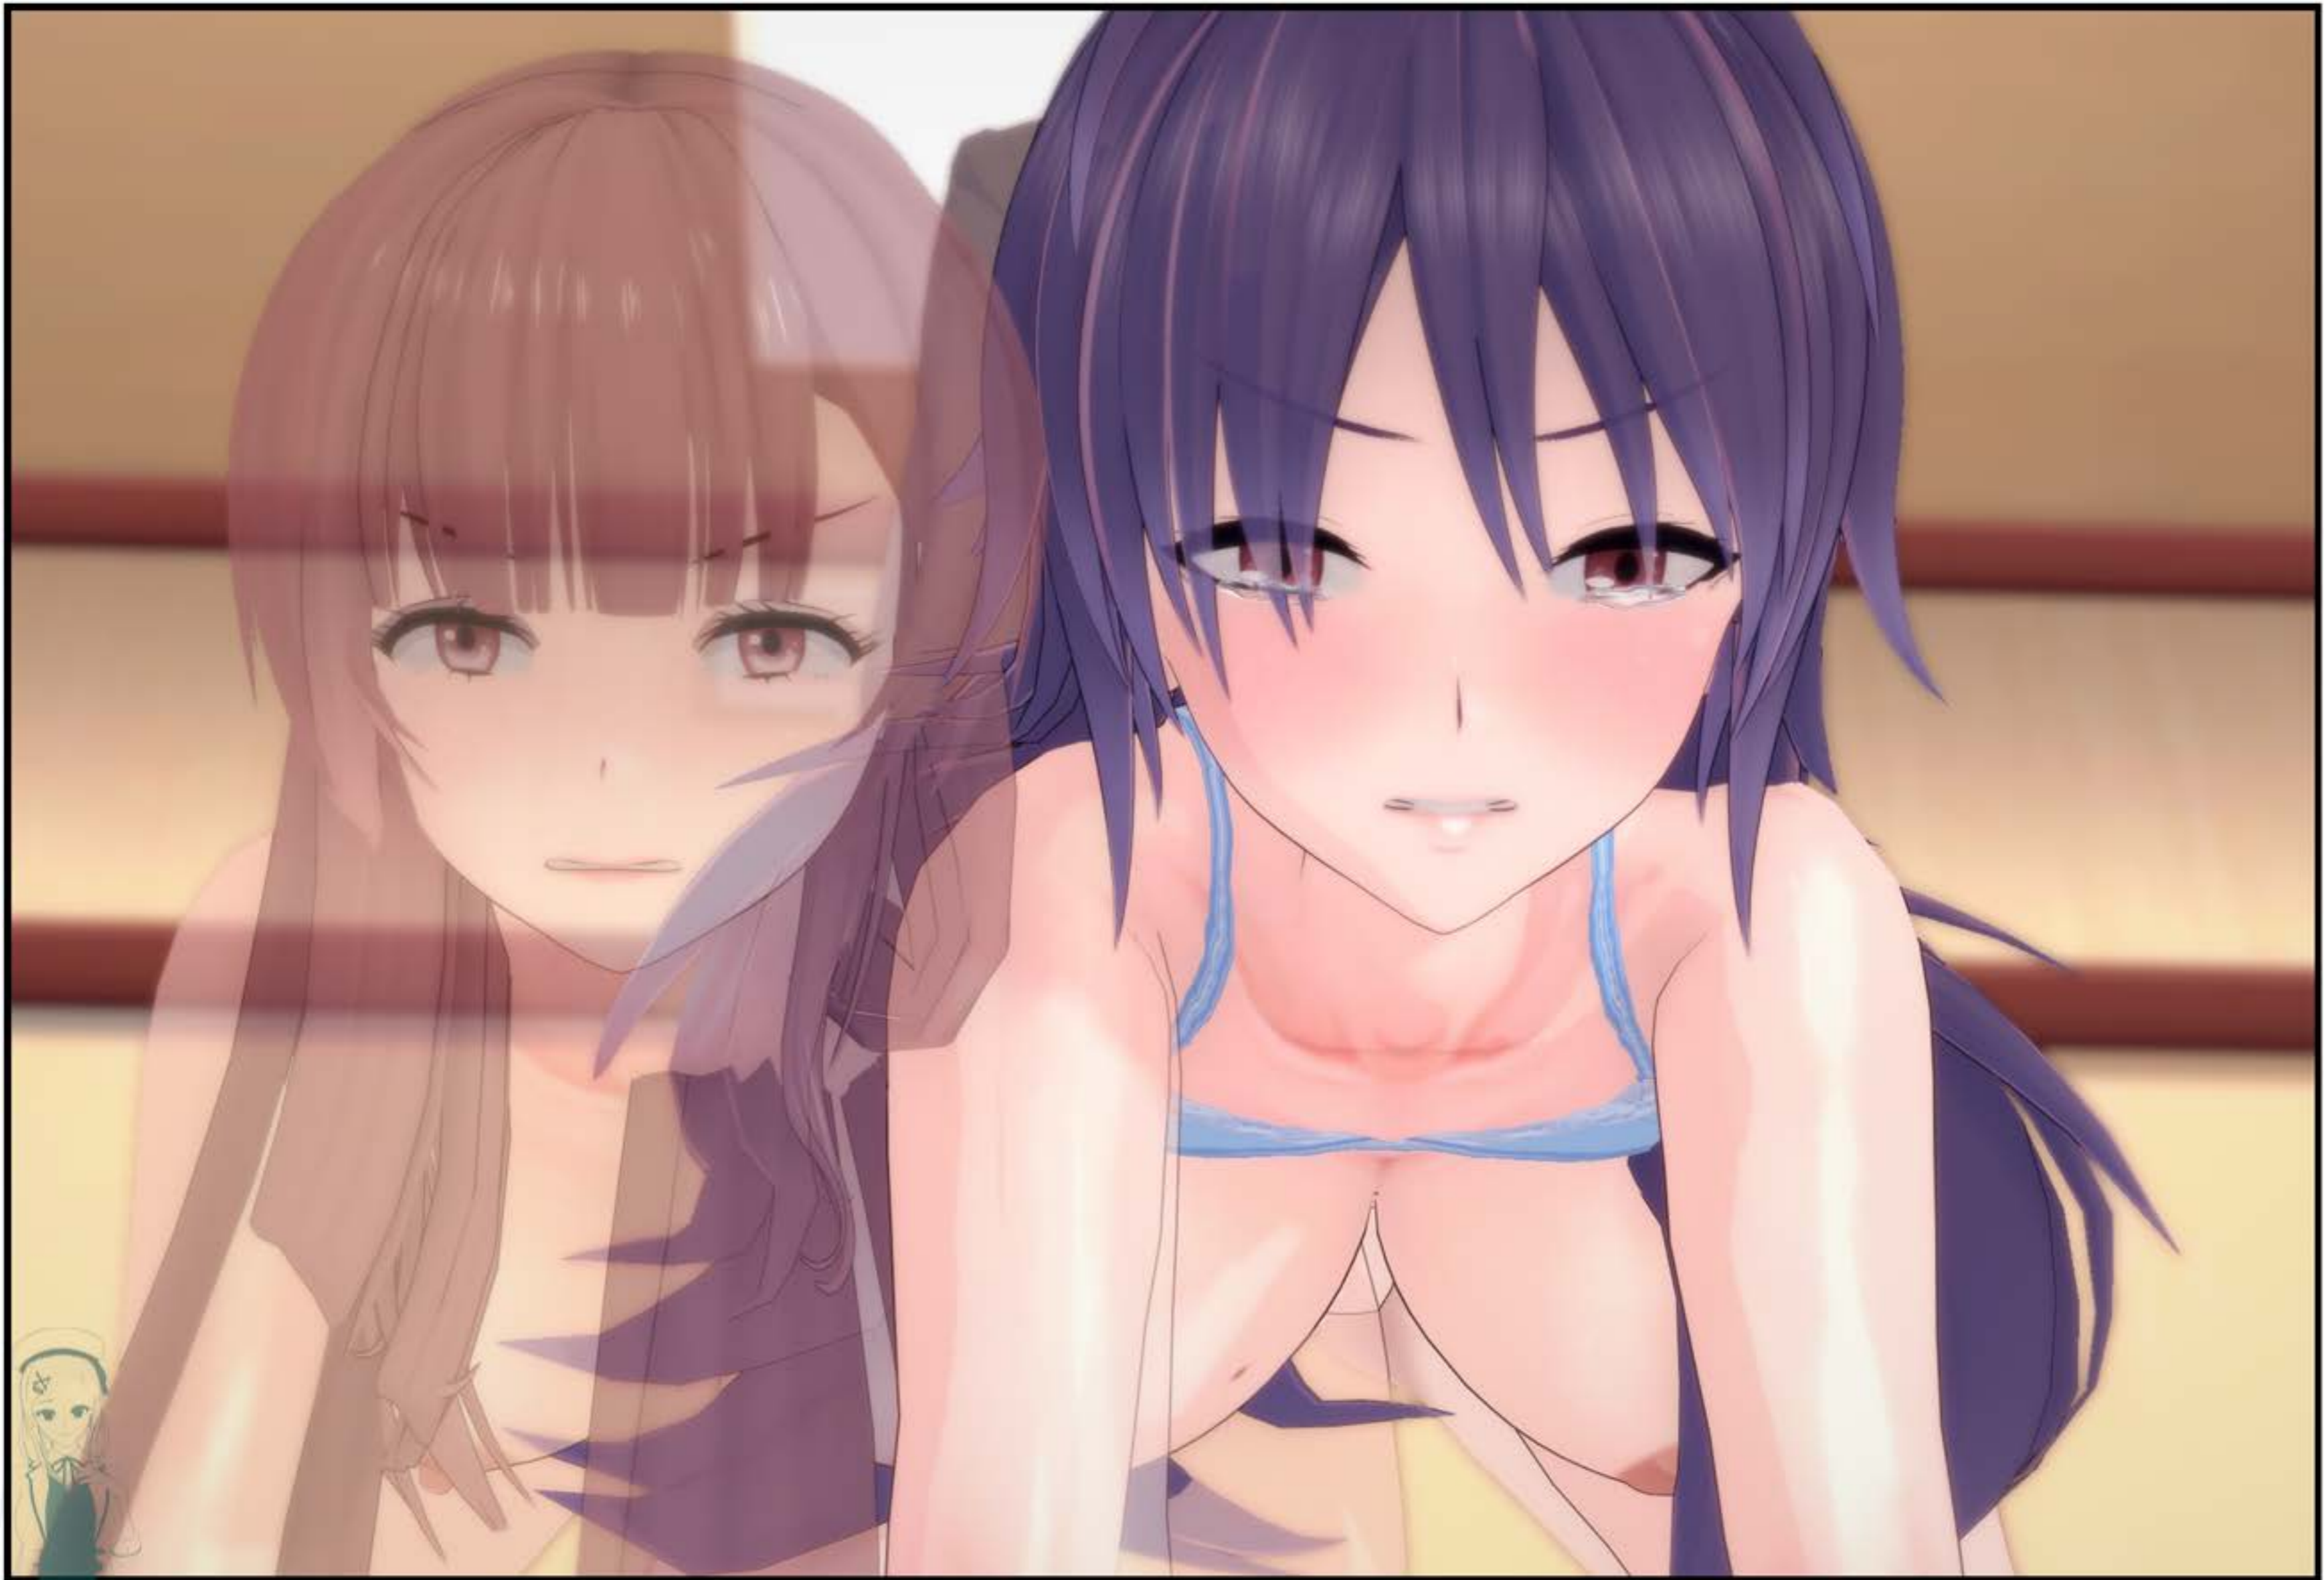

Oops.. I couldn't resist to cum inside..

Oh and I forgot to  
wear condom.. Haha..

H-Hey? What that  
face? Don't worry.  
You won't get pregnant.

"I remembered..  
everything.."

I ensure that  
to you with all  
my life..

"He said the  
same that day.."

"Don't worry.  
You won't get  
pregenant."

I ensure you that  
with all my life.

"What do I do..  
I'm pregnant.."

I have to call  
and ask him..

"Huh? Responsibility?  
Why should I?"

You have to take  
responsibility.. It  
was you who fogot  
to wear condom..

"You agreed to sex with me, remember?"

It was your child also! You have to do something!?

"Then abandon it.  
Kill it or whatever.  
Or else, I will do  
it for you.. "\*Bip\*"

W-Wait!! I can't..  
just do.. that..

"I was shocked..  
My memories were  
erased.. I thought  
Kanzari stole him.."

"I was in hallucination..  
since then.. Haha..  
How stupid I was."

"When I realized..  
of the current.."

"I pushed him..  
broke his neck.."

What have I  
done..!?

"The only option  
for me right now.."

"..is to run back  
to my body!"

"And forget.. everything  
that has happened!"

Welcome back.  
Quite an story, hm?

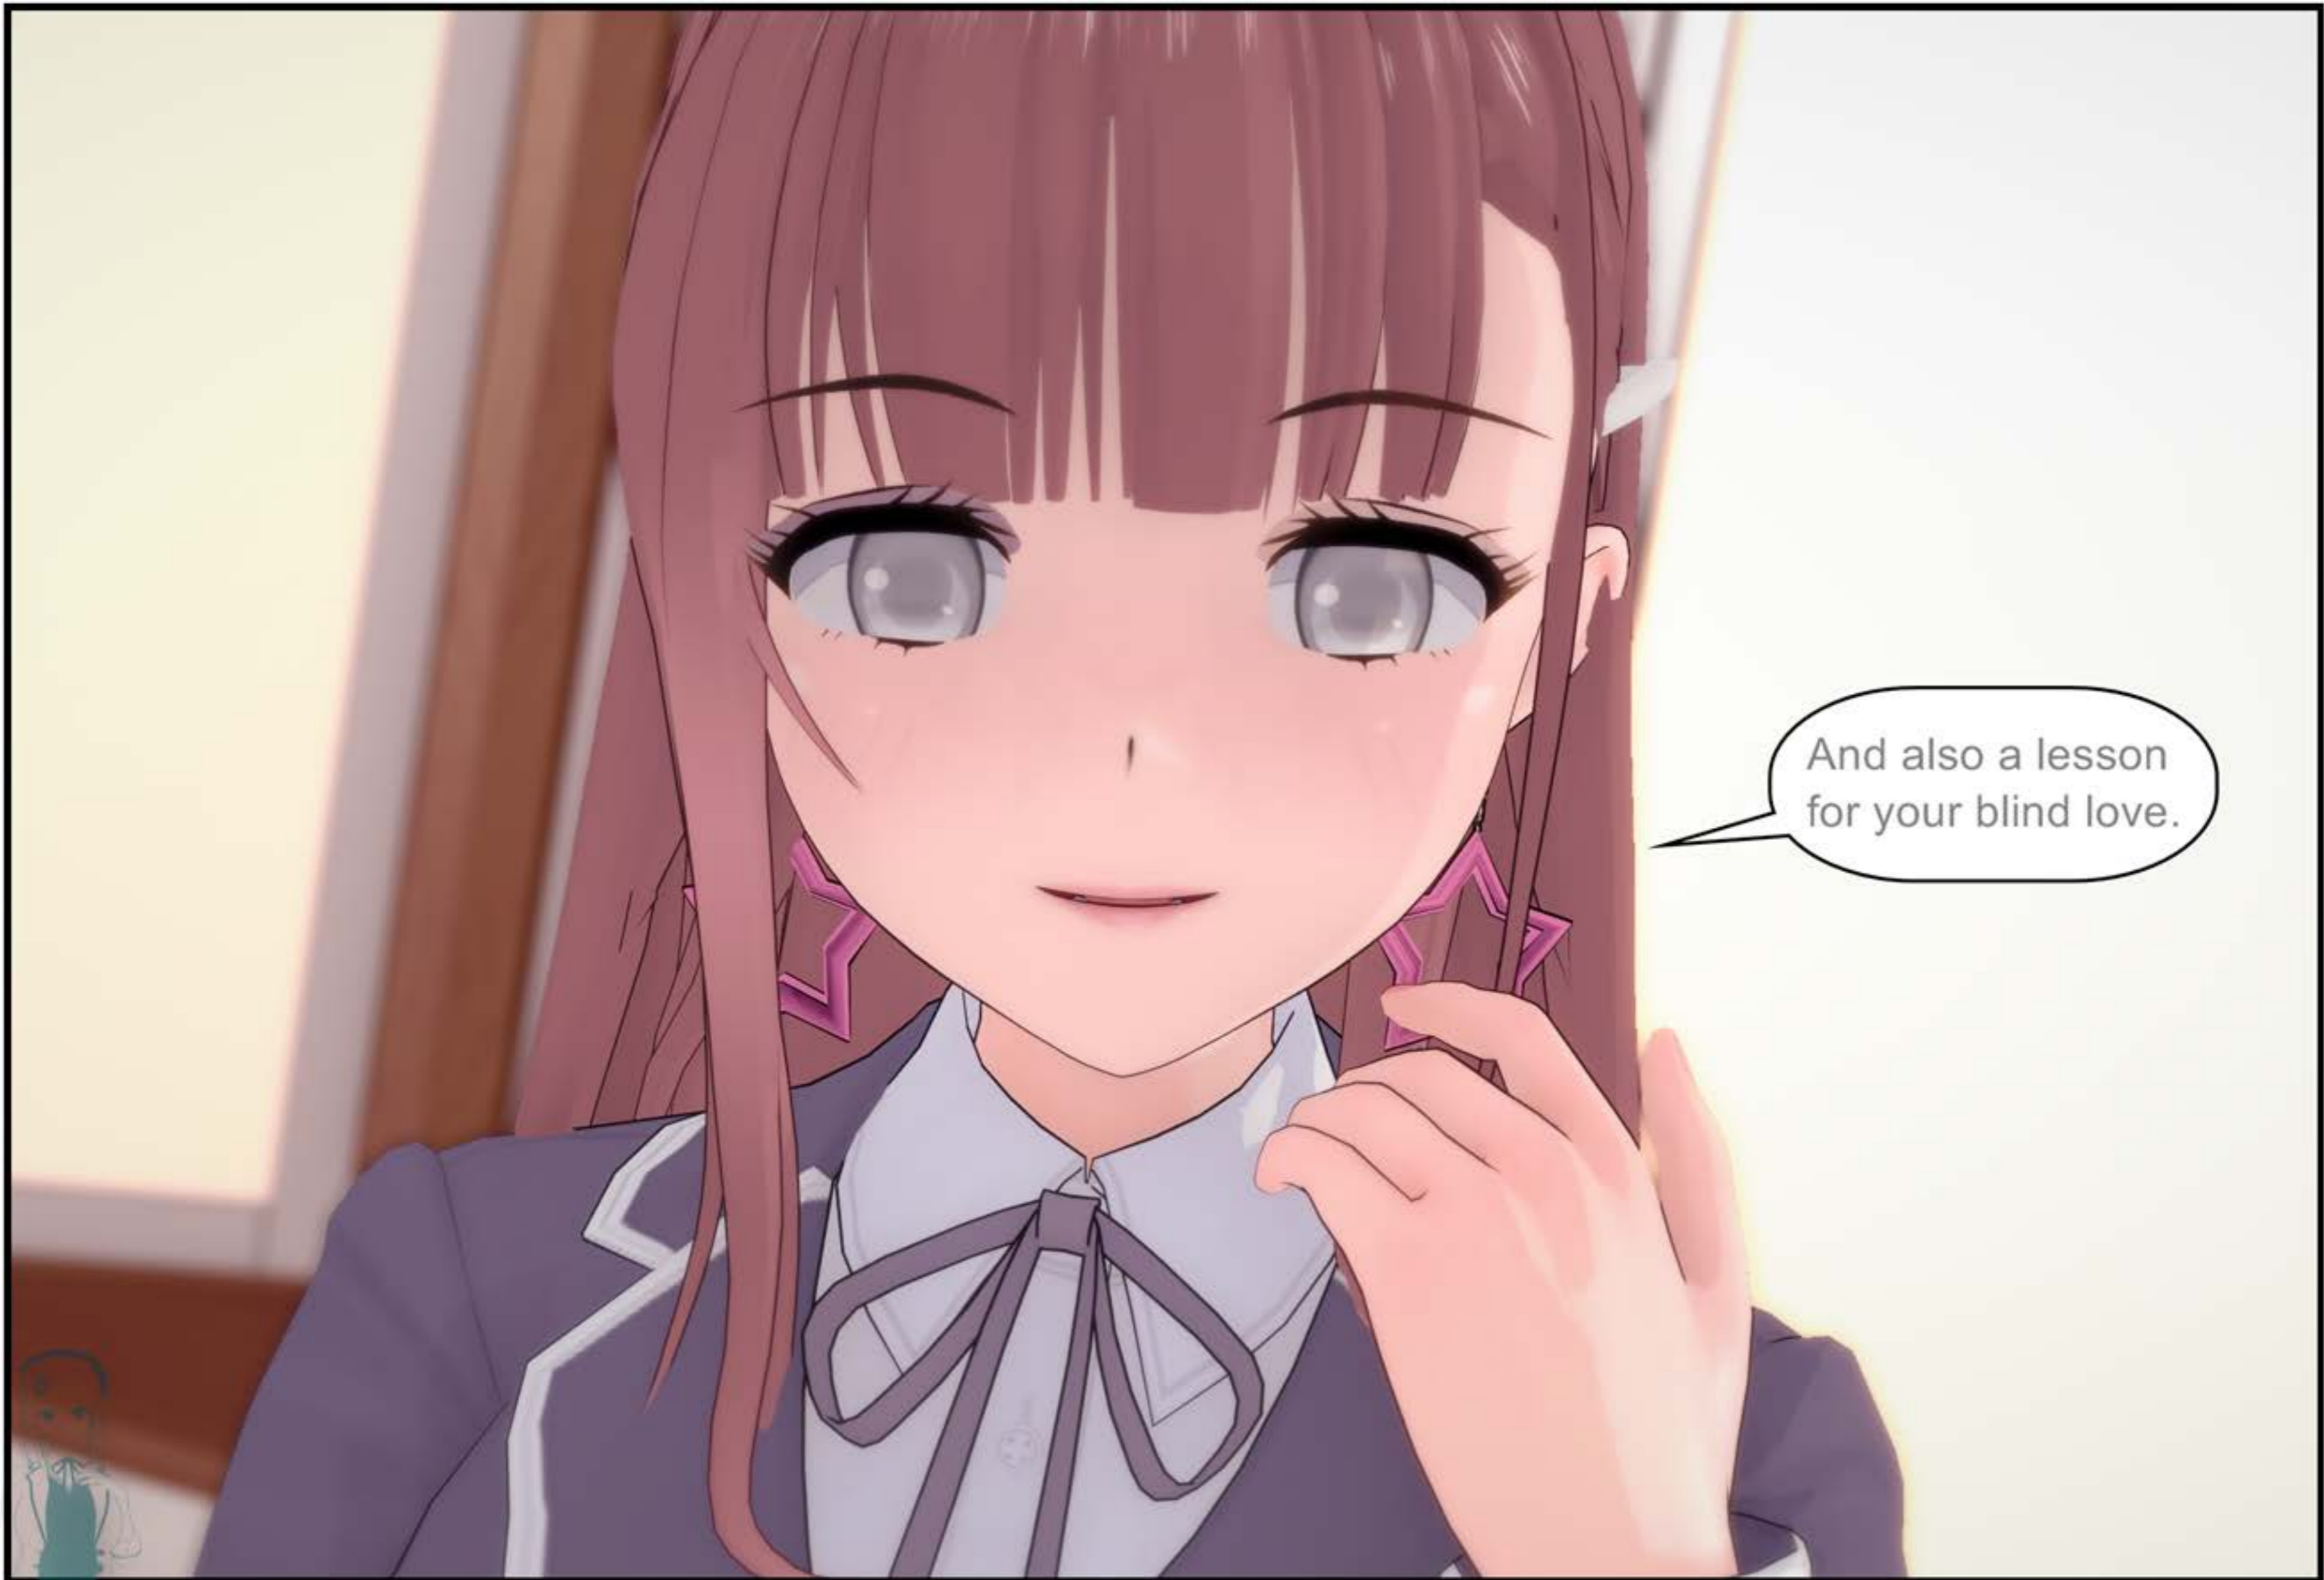

W-What!? That's my body! You said the cost is..

Yes, for a little eye sight to cure my blindness.

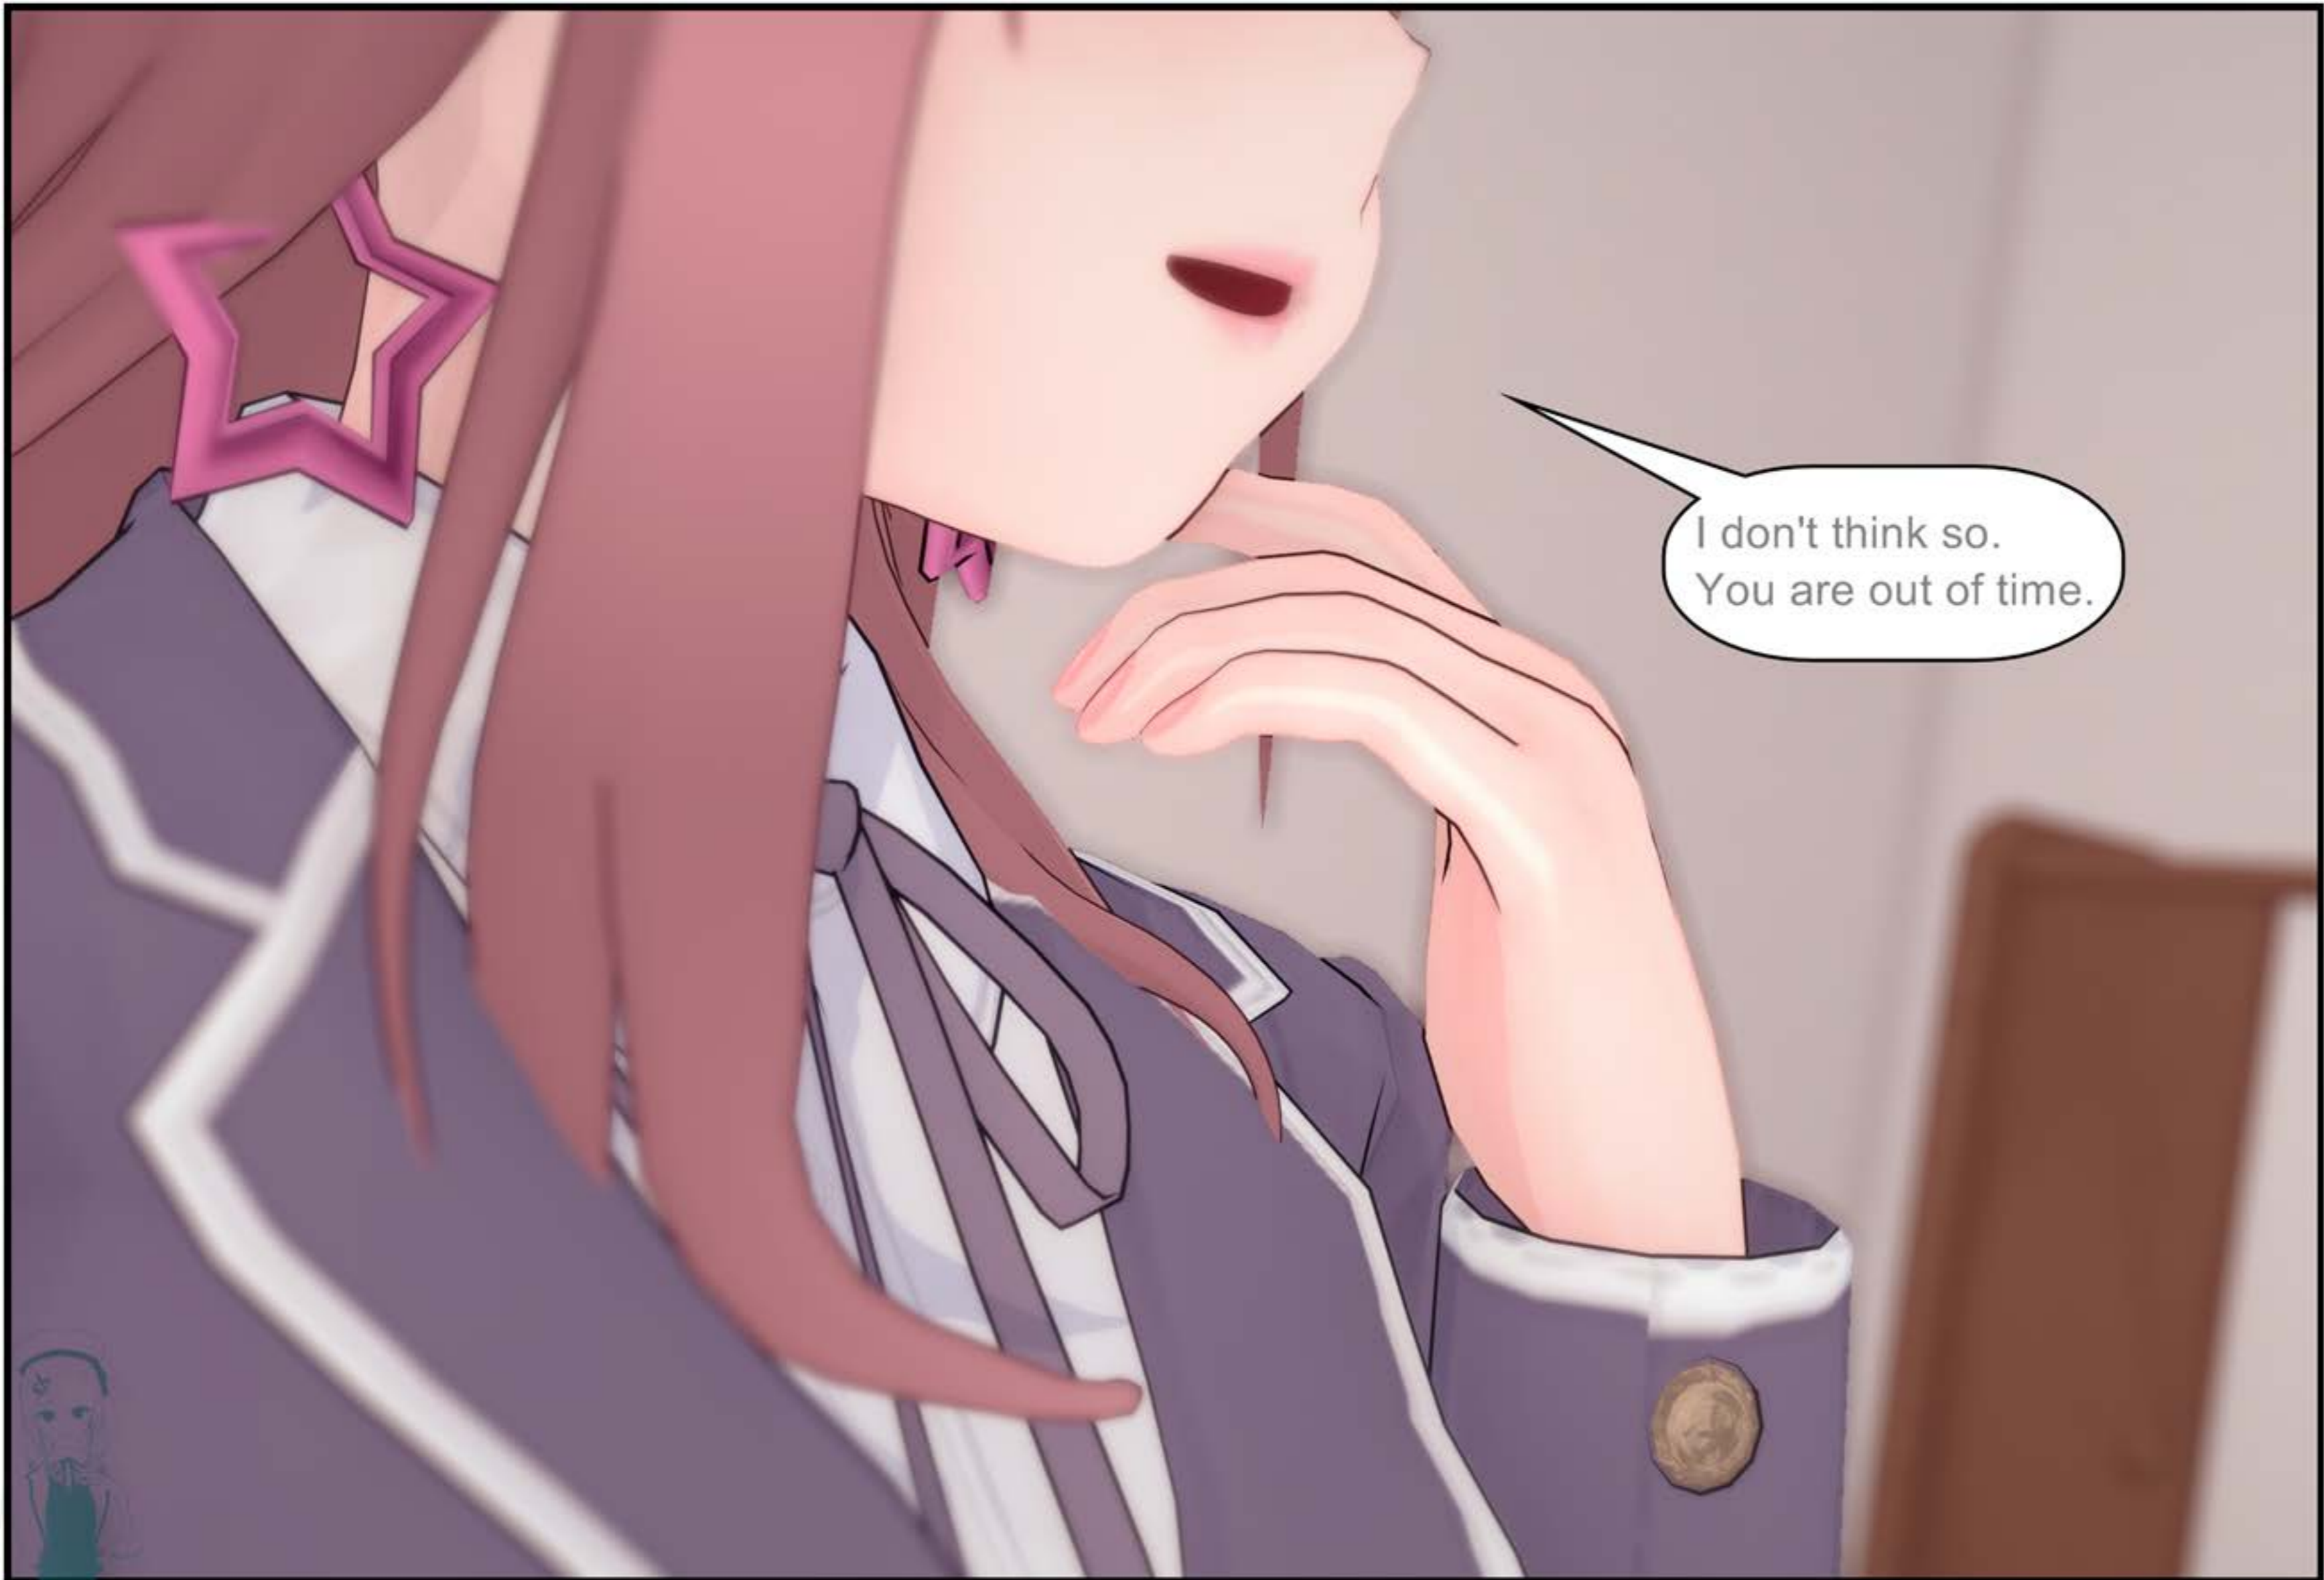

And also a lesson  
for your blind love.

Stop the nonsense  
and give me back  
my body!!

I don't think so.  
You are out of time.

You trusted someone  
so easily, even ready  
to take revenge on  
innocent people.

Please.. don't..  
I remembered..  
everything..

I haven't.. abandoned..  
the child.. I.. please..

I already warned  
you.. about that.

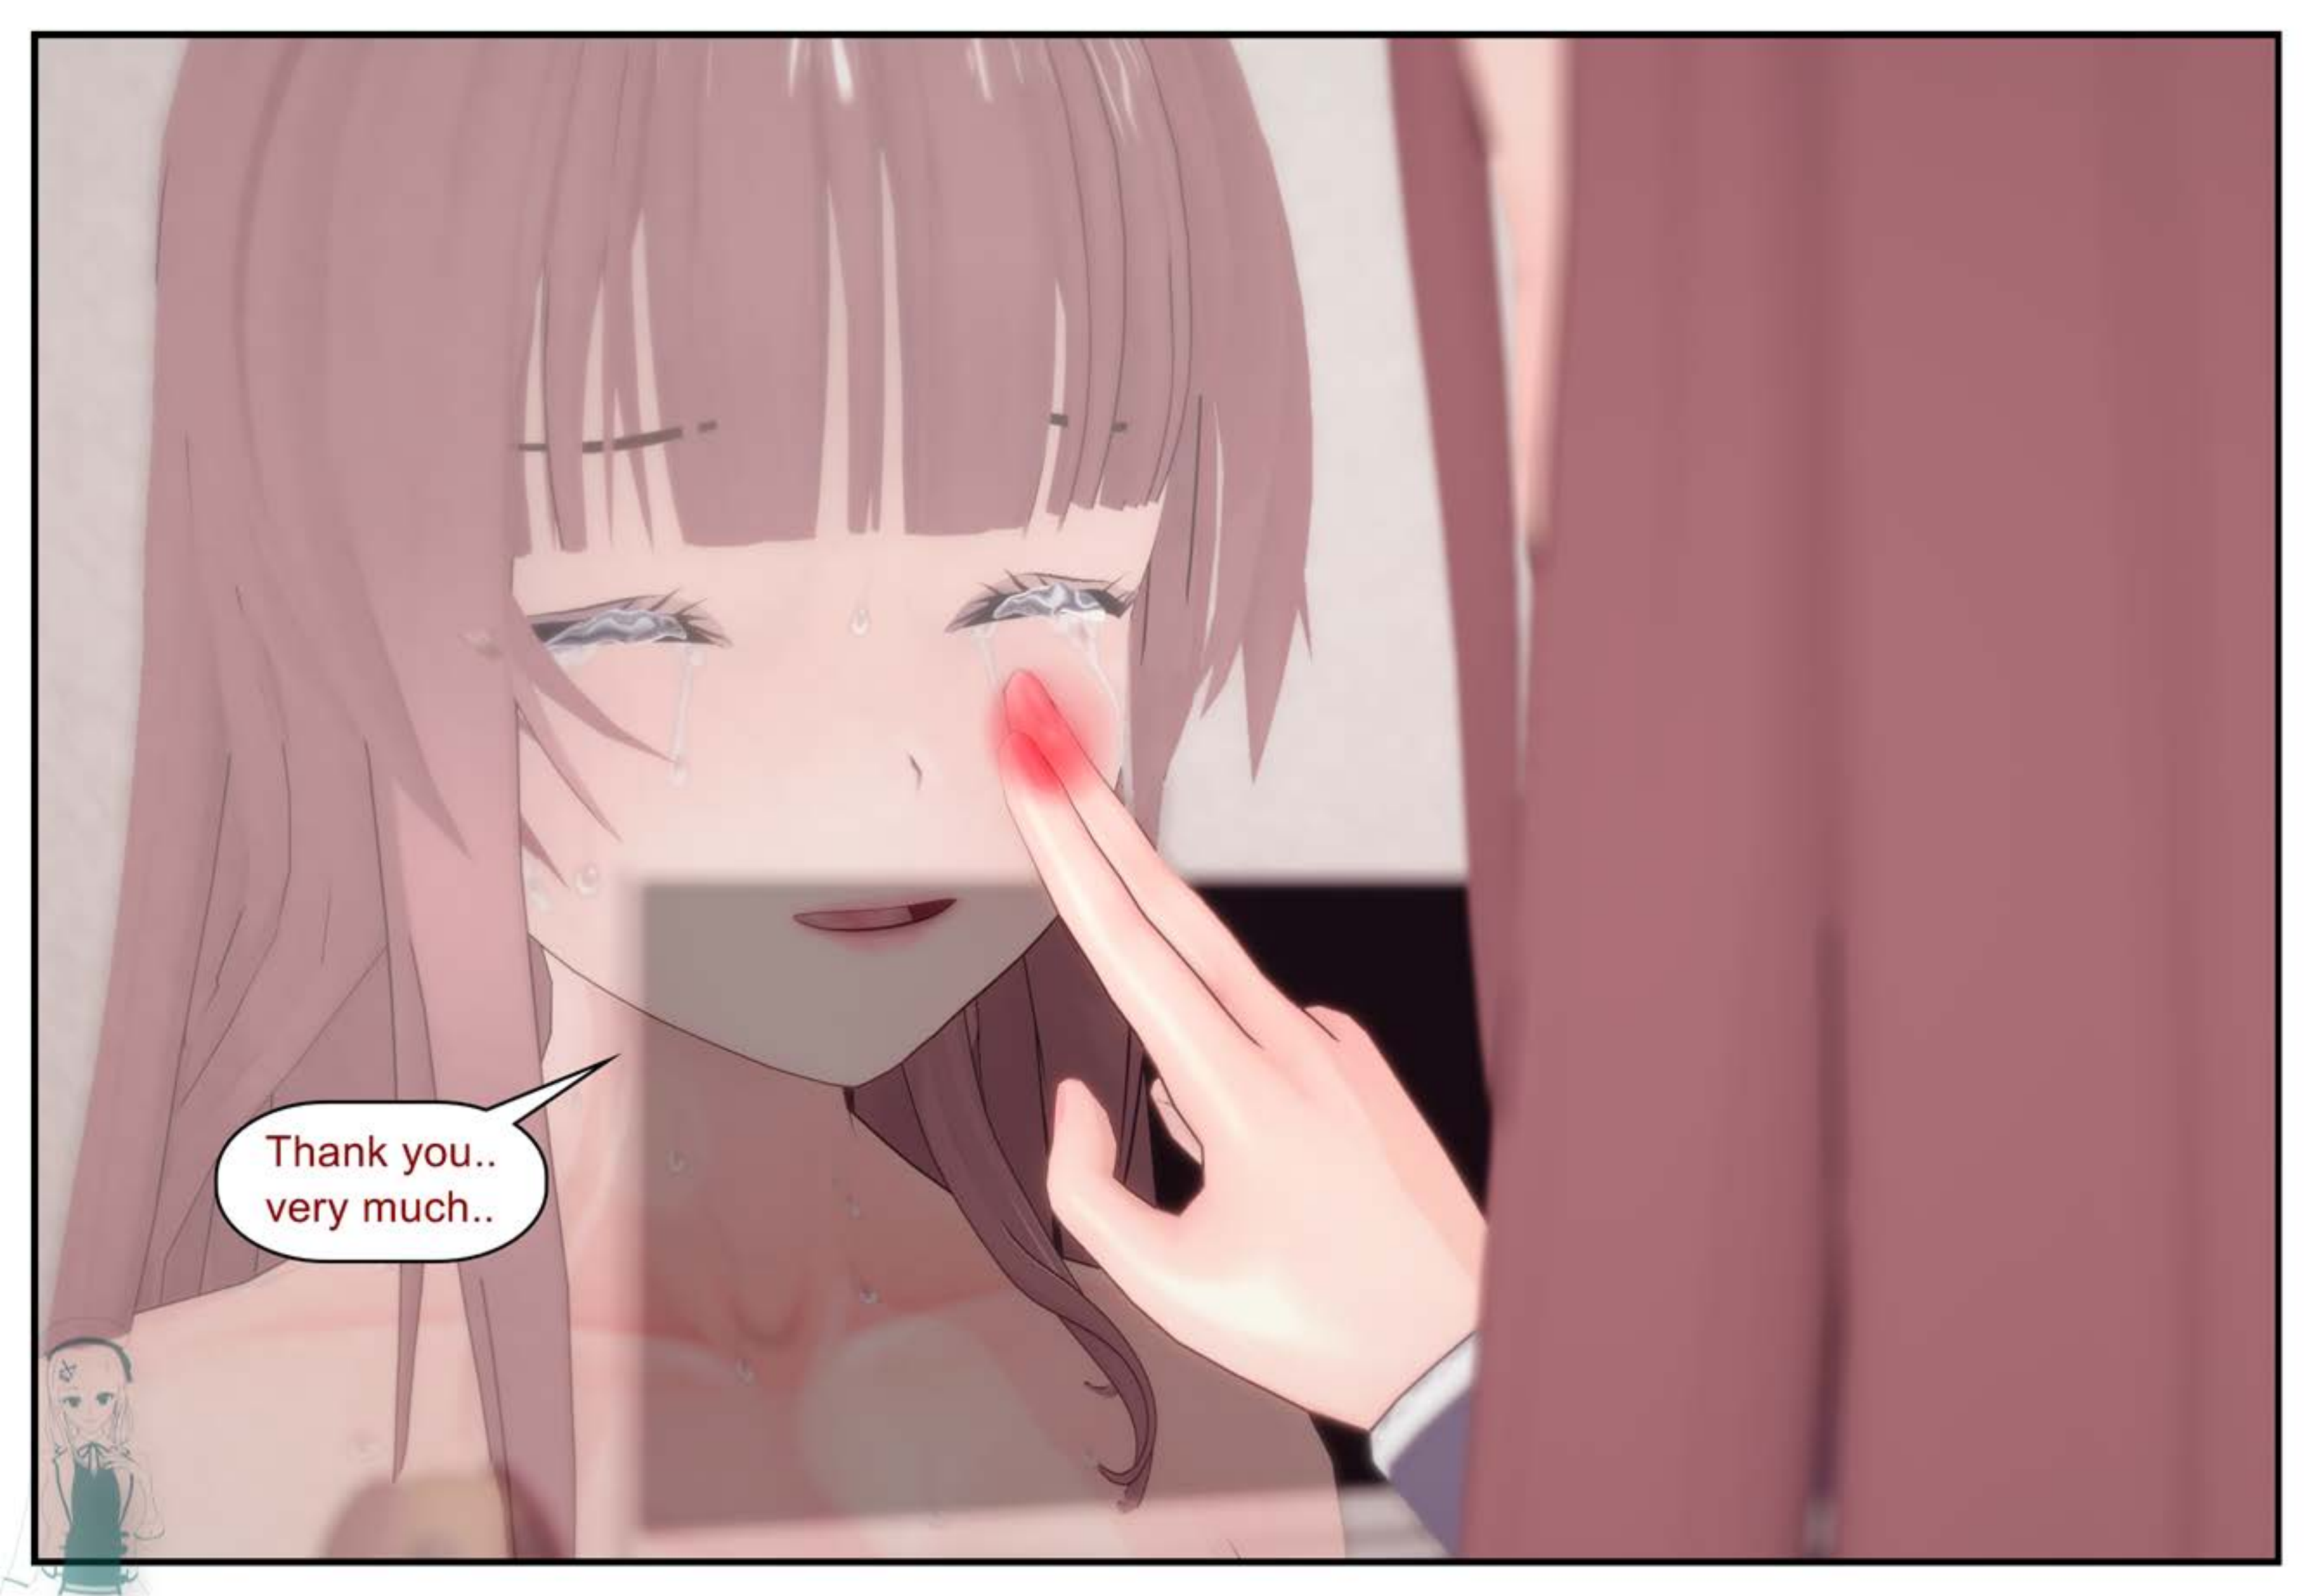

But this body no longer belong to you, Shizaki.

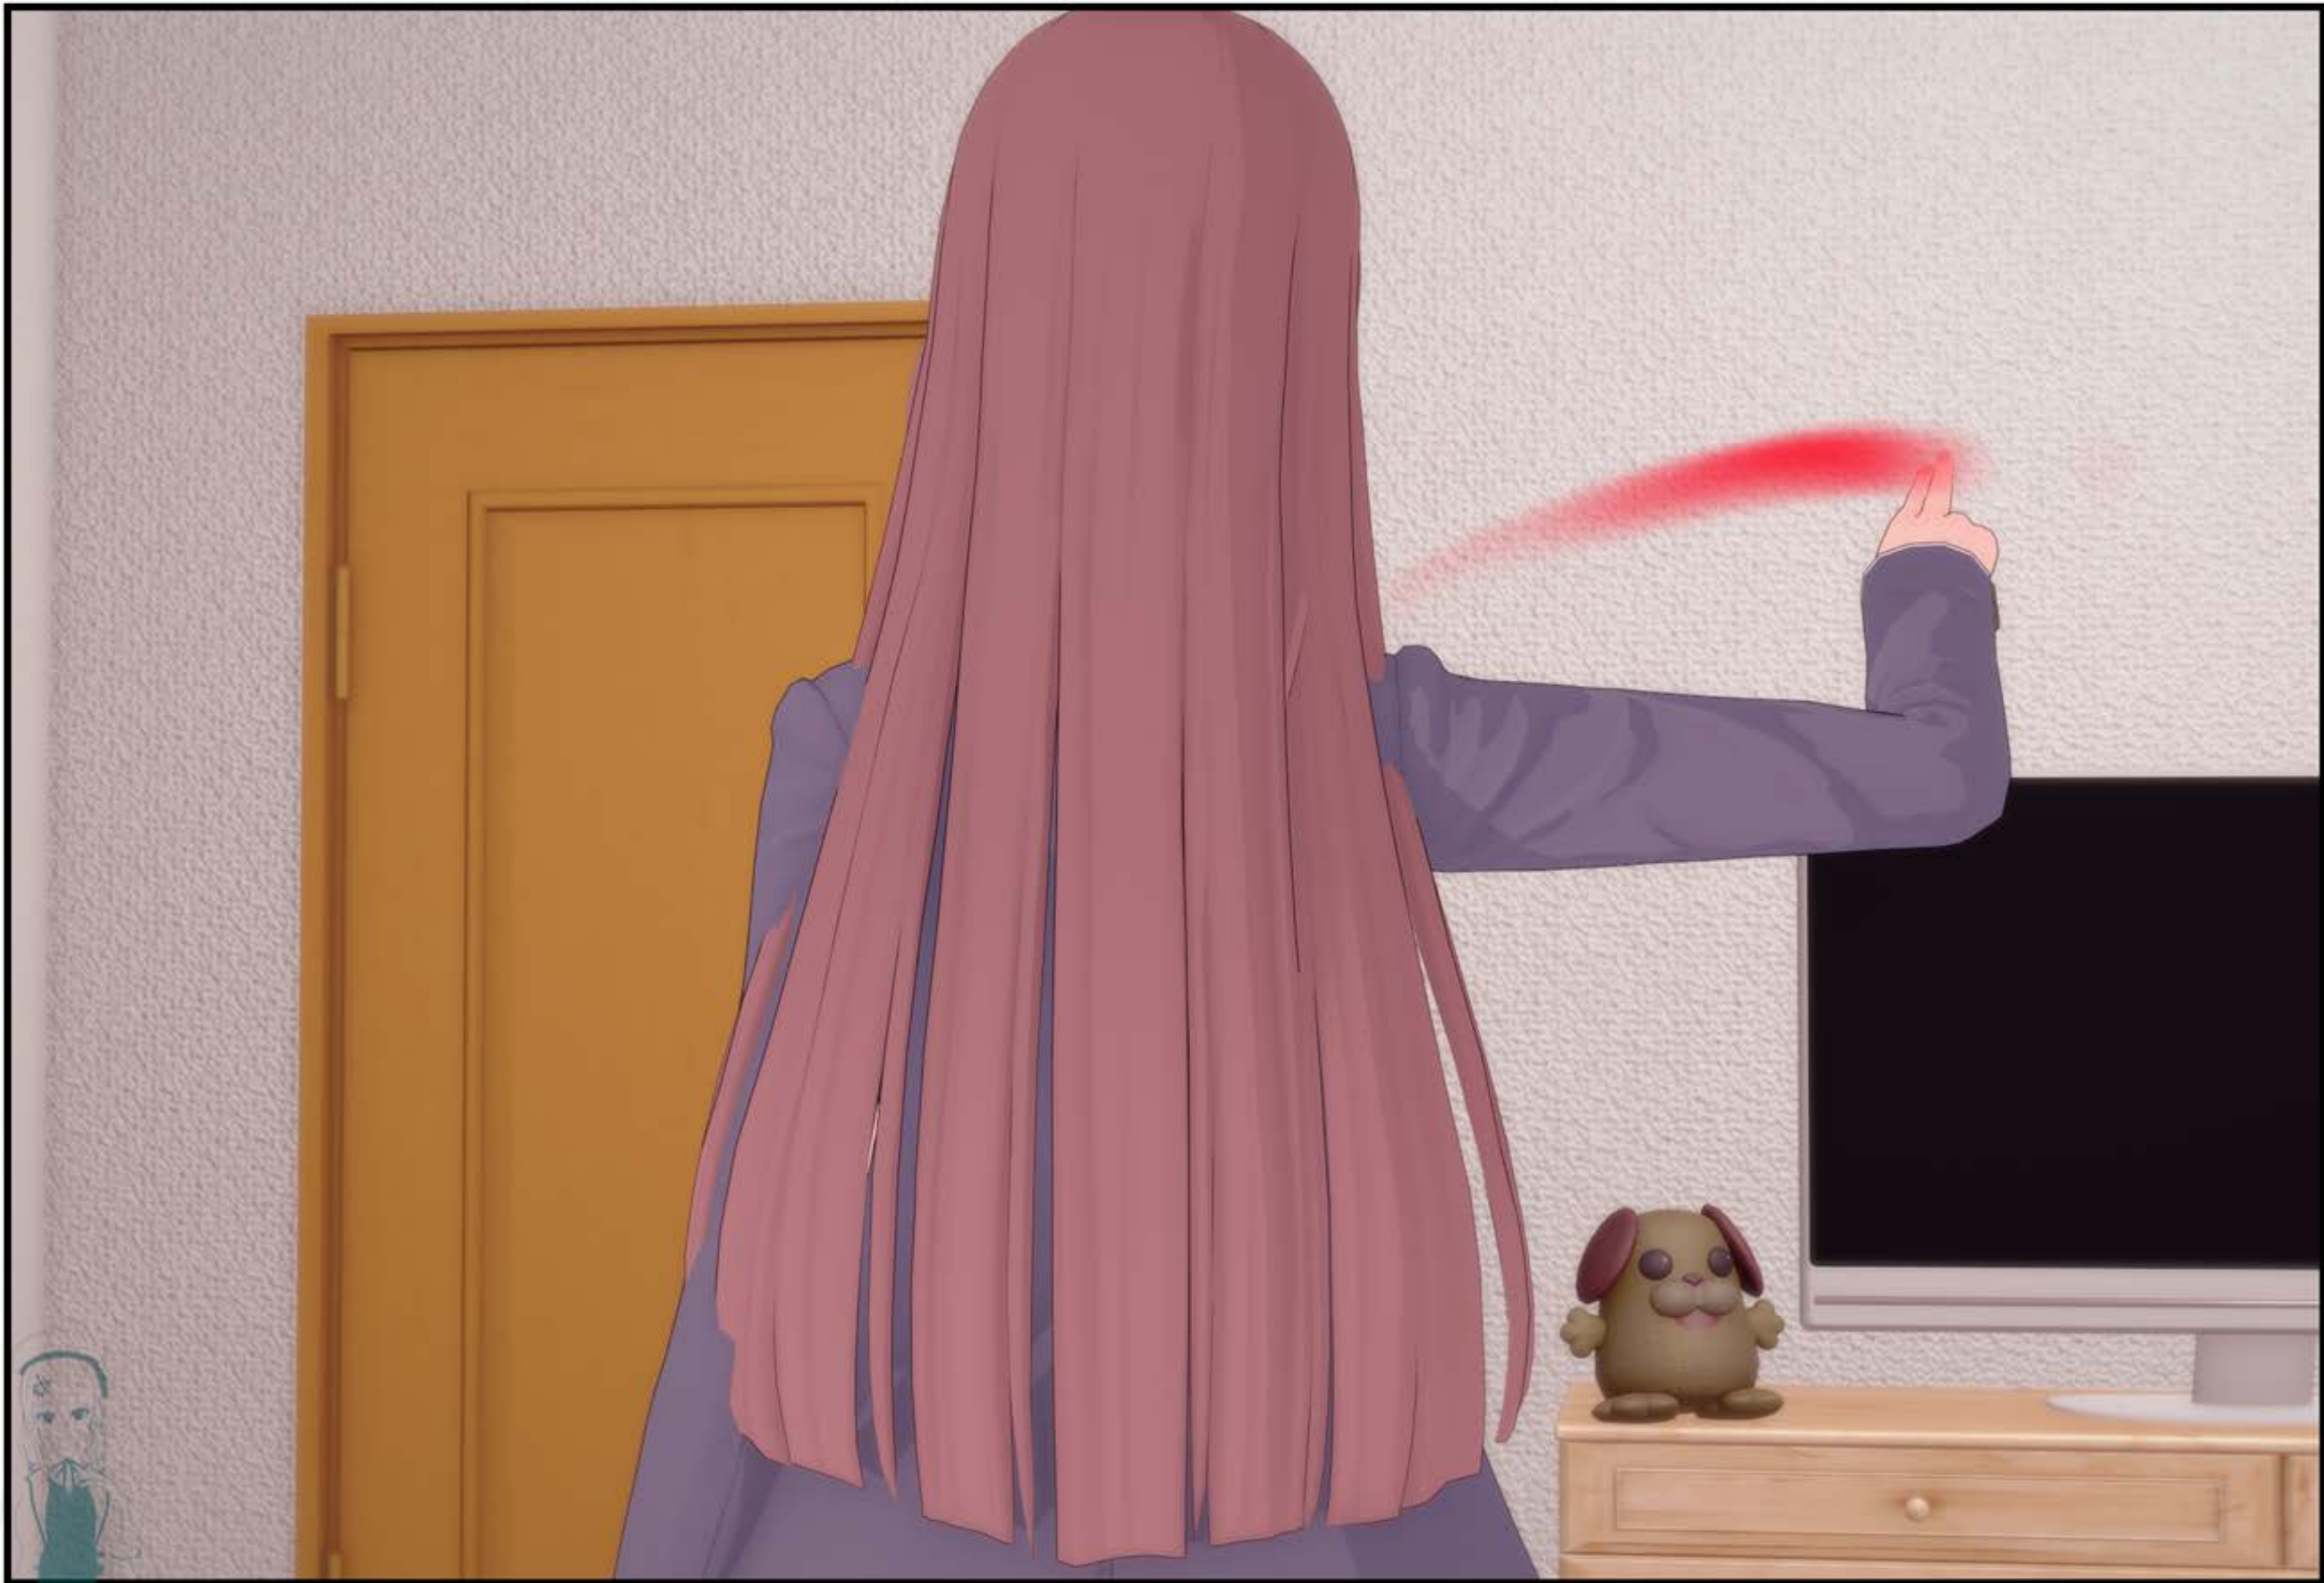

About your child,  
I promise that  
she will reunite  
with her mother.

Thank you..  
very much..

"In possession of your body, I hope you can be reborned for afterlife."

Move on with my adventure..

Hm? You want  
to know if Shizaki  
still alive?

A close-up illustration of a woman with long brown hair, wearing a pink off-the-shoulder top with a geometric pattern. She is holding a baby wrapped in a white blanket. The baby's face is visible, and the woman's expression is gentle. The background is a soft pink color.

Her body still here,  
but the souls is gone.

Rest assure. Both  
Mother and her child  
already in a better place.

**END..?**
