

What time is it?

1:45 AM.

Isn't it weird that it's just the two of us?

Right? I thought for sure this place would be filled with bodyguards or something.

Why did they send us even?!

Everyone knows Sector 7 can't fight!

What if we get jumped?!

if there's an assassination attempt, I'm saving myself first!

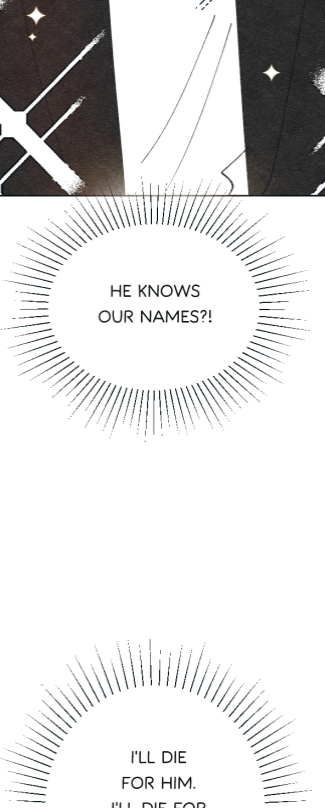

I tell you that much!

Oh, stop, We can't afford another leader change, He's been good!!

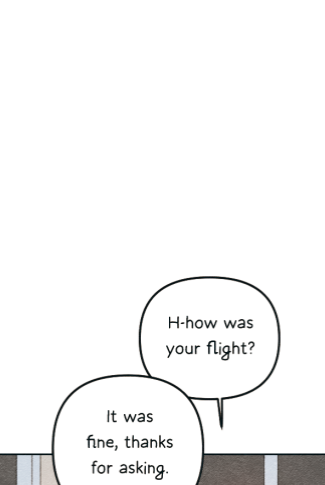

I was so sure that the Syndicate was over after Hawthorn, but he kept us from disbandment..

The least we can do is get him home safe.

Yeah, yeah

Oh, they're finally out.

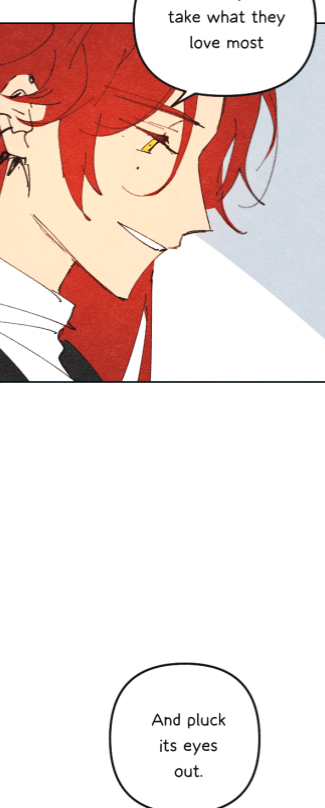

Can you see him??

Uhhh...

Is that..

You must be Leong and Miss Mae.

HE KNOWS OUR NAMES?!

I'LL DIE FOR HIM. I'LL DIE FOR THAT BEAUTIFUL MAN!!!

A-A model..?

Mister Boss sir..

H-how was your flight?

It was fine, thanks for asking.

Sorry to trouble you both, I understand that it's quite late.

OMIGOSH.. NOT AT ALL!!!

Congratulations on closing that oversea deal, Boss!!

You're amazing! How did you do it??

It's quite easy..

You'd be surprised how fast people agree to things..

..once you take what they love most

And pluck its eyes out.

Eh?

Hahaha, I'm just kidding.

Let's go, I have gas money.

T-There's no need, sir!!

IT DIDN'T SOUND LIKE HE WAS KIDDING?!

I guess he really doesn't need any bodyguards after all..
