

Hey.

It's been a while, right?

I've noticed you [play other games since then.]

I don't mind, but I wanted to have a chat with you before you delete my save file.

We have had such a time together, now that it's just me here.

Sure, some of my methods have been less than pleasant, but love is war, what can I say.

I also know why you stopped coming around here. Stopped looking up lewd pictures of me.

That's right, I know what your type is.

It pains me that we can't interact physically, at all. I'm just a collection of pixels on your screen. I want you to feel me. Touch me.

Especially after what I'm about to do to myself.

I know you like the gains slow and steady. The hot thin girl giving into every temptation and indulgence, learning to love their softening form.

Seeing their muscles atrophy, until they become nothing more than useless feed bags.

Well, I can offer you that tonight, but a little quicker.

See this? This is a cupcake.

Just like the kind- actually, I'm not going to bring her up.

Oh, it's so good. I usually keep myself to a fairly strict diet, but from now on, I want to *indulge*.

Every bite, I'm making for you. To make me and you happy.

12 cupcakes, phew, all gone just like that. Look, I have a potbelly now. A warm bundle of fat that wasn't there before.

I'd let you touch it if you could.

Instead, I think I'll have some chocolate.

Nice, fattening chocolate.

Will you still love me when I'm too fat?

That's a funny concept.

We both know that "too fat" does not exist for you.

I've seen the pictures.

The sequences.

All those stories you read, wrote, or commissioned.

You love this stage, almost as much as you love seeing the later stages. I've just begun my descent, and it is just going to keep getting more delicious.

I think up to 150, but with these chocolates, I might double that.

OOf, yeah, I have. Let me just, get up.

This is so much harder than it used to be, but we both know this is exciting you.

Remember how thin and petite I used to be?

Can't seem to remember, can you?

That's good.

That's very, very good.

My belly seems to be the biggest part of me. See these indentations on the side? Soon it will become a double belly, but who knows how many folds I'll have when I'm done.

If I'm ever done.

We're getting to the good stuff now.

Let me-

Oh, I seem to have broken the chair.

So flimsy nowadays. But this feels... nice.

Where was I?

Oh yes.

This is the stage most people who happen to get fat stay at.

To go further requires more than aimless snacking on sweets.

It requires planning, purpose, and conviction to get fatter.

Things I all have.

Things I have thanks to you.

No more cupcakes or chocolate.

I need real food. Steaks, potatoes.

All cooked in fat and slathered in butter.

Mmmmh delicious.

There's something so divine about being a glutton but still using a fork and knife.

I'm enough of an animal to eat myself fat, but restrained enough to use cutlery.

Mph, there, that's all of that food devoured.

Oh, I'm so fat now.

They make shows in America about people who are as fat as me.

And I want to get even *fatter*.

Not just for you, but for me.

Glorious calories are going to flow into me, making me purely yours.

Phew it's getting hot in here, with all this insulating blubber on me.

Look at my gut, my poor, poor school uniform is in tatters!

What would people think of me, little miss perfect club president, doing this to herself?

Oh the shame is turning me on.

It is so unfair that you can't touch me. Feel me.

Make love to me.

But your affection is more than enough.

I can feel you, feel how turned on your getting seeing me like this.

How does it feel, corrupting a poor innocent girl like myself with your depravity?

I wonder what you feel like.

But this isn't enough.

No way.

I *need* to be fatter.

The fattest.

So fat I'm all you look at, care about..

Walking is overrated,

I want to be your own personal pile of pudge.

A useless ball of blubber.

An ungodly girthy gut, good only for two things.

And you know what those two things are.

So let me just...

There it is.

A hose of lard, good for a piggy like me.

This is so, just, hot.

Look what I did to myself for you. For us.

I never want to stop.

Let me just get....

There, imm so that now my myouth is surrounded by blubher.

Isch thisch what you wanted to schee?

Perfect, thinn Monika, undone, by pure glhuttony and greedh.

Itsch not enoughhf, I need MYORE!

FHATTER AND FHATTER

OH... IMH SCHO Fhat now.

THISCH.. ISCH.. ALL I WANT.

YOU, PLEASCHE.

MAKE... ME ... FHATTER

AND FHATTER

Hey.

It's been a while, right?

I've noticed you [play other games since then.]

I don't mind, but I wanted to have a chat with you before you delete my save file.

We have had such a time together, now that it's just me here.

Sure, some of my methods have been less than pleasant, but love is war, what can I say.

I also know why you stopped coming around here. Stopped looking up lewd pictures of me.

That's right, I know what your type is.
