

Secret Ice Cream

By

There was a little girl. Alone in a small shop, looking through a glass of cold ice cream's box. Colorful rainbow ice cream tickled her sweet tongue. Drool dripped down her little cheeks. But her face slowly turned gloomy.

"Hi, what's wrong? Don't you want to buy ice cream?" I greeted her.

It just so happened that I was working at the shop. Watched over this little girl with my perverted gaze. Her small figure wrapped in a thin summer dress, revealing her smooth bare shoulders. Her face looked so cute and flushed like a peach. She was my type. The little girl of my dreams. My eyes kept ogling and stripping her, imagining her naked underage body.

"Luna has no money," said the little girl sadly.

Her gloomy face looked so cute. With her hair tied and her slightly oversized summer dress, I could peek at her nipples. Pink little nipples on her flat, immature chest.

My cock began to stiffen. Aroused. The scenery of little girl nipples isn't something a lolicon like me could handle.

(I want to molest her)

"Hehehe, mister has free ice cream for you. Come with me to the back." I offered my hand. Grinned like a creep while hoping to take advantage of her innocence.

"Free ice cream! Yaaay!" With sparkling eyes, the little girl accepted my hand. Followed me to the back room of adulthood.

She sat on a chair. Watched around curiously, not knowing what would happen to her. As I opened the fridge and took out a tub of ice cream, I asked, "What's your name, sweetie? How old are you?"

"I'm Luna, six years old!" she replied. Seeing me take a tub of ice cream out of the fridge made her even more excited. "Ice cream!"

I walked over to her with the ice cream tub in hand. Crouched, lowered my body to the same height as hers. "Listen, Luna. Mister has a secret ice cream recipe. Since it's a secret recipe, you can't tell anyone."

"Secret recipe?" Luna looked confused. "Like krabby patty recipe?"

"Yes, we can't let evil plankton steal our recipe. So Luna has to keep it a secret."

"Luna will keep mister's recipe a secret!"

"Good girl," I patted her on the head. "Well then, it's time for me to show you my secret ice cream."

I stood, put the ice cream on the table, opened my zipper, and pulled out my big, hard adult dick.

"Hwah!" Luna surprised. A big long creature suddenly exposed itself in front of her cute sparkling eyes. "What is this!?"

"It's my banana, Luna. Hehehe~" I chuckled.

"Banana? So, banana is mister's secret recipe?" Luna tilted her head. Stared at my dick, confused.

The way she looked innocently at my dirty dick got me excited. It felt like I had molested her little eyes without her even noticing.

I took a scoop of vanilla ice cream and rubbed it on my hardened dick. Coated my genitals with the cold cream. The chilling sensation made me tingle.

"Uuuuh~ Luna. Try licking my banana ice cream." I pushed my cock closer to her sweet little lips. "Be careful, don't bite Mister's banana."

Luna looked hesitant for a moment, but the view of the tasty ice cream dangling in front of her eyes made her drool. She stuck out her tongue, licked the ice cream off my big cock.

"Uoooh~" I moaned with pleasure. The sensation of a six-year-old tongue was truly magnificent.

Luna began to hold the base, took my sweet adult cock into her tiny mouth. Gobbled up the banana greedily like a starving baby. Her wet saliva soaked my dick, then sucked me dry. Her little tongue swirled inside, savoring the taste of my big, hard banana ice cream.

"Luna~ your mouth is amazing!" I grabbed Luna's head. Pushed my cock deeper and deeper into her throat. Enjoyed the heavenly sensation of violating kiddy mouth.

"MMMh! MMMH!" Luna began to choke. She had trouble breathing. Her arm started to move around, struggled, tried to push me away. Yet my hands grabbed her little head firmly. Not letting her go.

I slammed my adult cock in her mouth. Raped her delicate, narrow throat. Luna's eyes started to get wet, and drool couldn't stop spilling out of her mouth.

"Uoooh! Six-year-old's deepthroat!" I continued to pound Luna's tight throat mercilessly. Having the best time of my life.

"Mmnh! MMnh! Ngh!" Her little moan screeched softly every time I thrust my cock.

"Aaaah~ Luna. I'm going to cum! Drink all of my ice cream!"

I shot a lot of cum down her throat. Filled her mouth full with my cream. As I pulled out, my cock shrank slowly. Gave space for her to breathe as she coughed in a sweet voice, "Ahug ahug!"

(I can't believe it! I just cum inside a six-year-old's mouthpussy.)

I stroked her head again, trying to calm her down. "Luna, sweetheart. Do you like the ice cream?"

"Uhuhuu~" she sobbed. "Mister's ice cream is weird!"

I held her in my arms, caressed her back, tried to calm her down. "It's okay, Luna. You'll eventually love my ice cream."

I released my hug, staring at her cute innocent face. The straps of clothes hanging on Luna's shoulders fell down, revealing her small tits, completely naked and exposed.

(Aaaah~ Luna tits! Luna shows me her tits! I wanna grope those tiny little tits.)

I picked up her body. She was so small, light and fragile. It felt like I could carry her everywhere and use her as my personal sex toy.

I let her sit on my lap. Rested her head on my chest while I held her tight. Luna looked up, staring at my face in confusion. "What are you doing, mister?"

I sniffed her hair. She smelled so nice.

"Luna, you are the best!" I said with a perverted grin.

My hands molested her body. Groping. Feeling her tender belly and smooth thighs. Luna was so soft from head to toes.

"Ahaha, it tickles~" Luna struggled. Laughed innocently as my fingers roamed all over her body.

My hands crept up and began to play with her two cute nipples. Touching her tender skin as my cock went hard. Bumping against her soft ass meat bun.

"Uuuh~" Luna stopped struggling. "Mister's banana is poking me."

"Ehehe," I smirked.

(Now I want to fuck her and make her mine.)

I slipped my hand inside her panties. Touched and played with her little underage pussy.

"Ahaha! Mister, that's my kitty you are tickling!" She laughed.

I tried to rub her cunny gently. Thinking I could make her aroused. But her expression didn't change at all. She enjoyed the cuddle, yet she still had her pure, innocent smile no matter how long I played with her body. I guess Luna is too young to be turned on. But knowing how immature a six-year-old pussy is made me even more excited.

(Aaah, I want to fuck her so bad!)

I picked up Luna and sat her on a chair. Grabbed the soft sweaty fabric between her legs and pulled it out.

"Mister, don't take away my panties!" she begged.

"Luna," I look at her eyes with a convincing face. "Do you want to try eating my banana ice cream with your cunny?"

"Is it tasty?" she asked.

"Yesh! It will taste better."

"I want to try it!" She nodded obediently.

(What an easy girl to manipulate.)

I put away her panties. Gazing at her chubby slit.

"Hehehe. Your cunny is so cute," I drooled over her underage pussy.

"What is cunny, mister?" she asked curiously.

"Your kitty right here." I put my finger inside her warm pussy. it felt neither wet nor dry. Even a kid as young as her still had thin sweet nectar around her pussy. As if she tried her best to be ready for my big adult dick to penetrate her.

However, I need more lube. I picked up the ice cream tub on the table. The slightly melted vanilla ice cream gave away a nice sticky liquid that I could slowly pour onto Luna's pussy. And so I poured.

"Hyah! It's cold!" Luna's body shivered as the melted ice cream touched her sensitive parts.

I pressed my big, hard cock closer to her sticky little pussy. Poured the remnants of the melted ice cream onto my own cock. Making my cock even wetter and slimier.

T... that's Mister's banana ice cream." Luna looked nervous.

"That's right, Luna. This time you will enjoy Mister's ice cream through your bottom mouth."

I opened Luna's legs and poked my cock into her little pussy. Teasing her.

"Mi... mister! Wait! Mister's banana is too big!" Luna started to panic. But I couldn't back down anymore. I forced my dick inside, tearing the hymen of a six-year-old who screamed in pain. "Hyaaaaah!"

The joy of raping an underage little girl made me way more excited. I kept pushing and pushing my cock deeper into her tight cunny. Her virgin blood mixed with melted cream became a unique delicacy. Her cute musical screams slowly turned into moans as her pain got absorbed by the splash of wet ice cream.

"Aaaah Luna! I love you!" I brought my face closer and started kissing her. Inserted my tongue into her mouth as I ate her tiny lips.

"Mmnph~ Nh~" Luna let out a soft moan while our tongues twisted together. Her sweet drool tasted like vanilla. A deep adult kiss with this cute little child made me feel ecstasy.

"Hah hah~" I released our warm kiss and let a string of saliva hang on our lips. Her soft breath hit my face. "Shhh~ Relax Luna." I caressed her head gently. Calmed her down and made sure she enjoyed her first sex.

"Huhuhu~ Misterhh." With teary eyes, Luna's arms began to wrap around my chest. Hugged me as her tight pussy sucked my cock deeper and deeper.

"It's not hurt anymore, right?" I tried to comfort her. Moved my hip gently so her pussy could enjoy the taste of adult dick. As I embraced her and looked right through her teary eyes. I saw her cute face blushing as red as a tomato. Her slippery little cunny had accepted me.

(Luna is mine now.)

"Ah~ Nh~ Ahn~" She kept moaning as I hit her womb deeper. Her kiddy voice started to sound lewd. Like a dog in heat, I rammed her so fast. Making a lewd clapping sound all over the place. "AHH! HYAH! MISTERH! MY CWUNNY FWEELH SO WEIRDH! AAHN~" I could hear Luna drowning in pleasure. Moaning hard like a cute little slut.

I gave one last push, shot my sperm deep into her child's womb. Spurted over and over, filling her womb with baby-making seed until everything spilled out. Cum and ice cream mixed into a tasty recipe nobody could ever forget.

As the ecstatic sensation began to fade. I pulled out my cock. Let the white liquid mixture gush out of her messed up pussy. Luna breathed heavily. Her eyes looked glazed with exhaustion and pleasure.

I stroked her soft little cheeks, whispered into her ears, "Come back again for mister's ice cream, Luna. I will be waiting for you."

I held her tight as she passed out and fell asleep. Listened to her warm breath. Looked at her sweet smile, while she dreamt about the ice cream.

I would let her go home when she woke up. But I'm sure Luna will come back again. My secret ice cream isn't something she could ever forget for the rest of her life.

These ice creams are addicting drugs for both of us. And we will meet again for more.
