While Pixie and Saffy were really starting to get into it and truly enjoy themselves, the rest of the crew were discreetly trying to decide how to pass the time while they waited for the two of them to be done.

They could be a while, so what do you think we should do?

Hmmm, I'm not sure, but I know I'm not going over there. I might not be able to stop myself.

Yep! I know what you mean.

Grab!

QqqqohhHhh!!!

Squeeze!

YyyeEeesSsss!!!

Beep, boop. Wooo...

1 hour later...

Sooo...
read any
good books
lately?

No,
but I sure
wish I had one
here with me
right now.

Zzzzzz...

2 hours later...

Good grief! Are those two rabbits or what? They are still going?

Weeee!

Nine hundred and ninety six jumps. They're energizer bimbos - like the rabbit, but bustier.

3 hours later...

Don't ask me where they got the exercise balls... just... don't...

The location and equipment aren't bad, but this gym's taste in background music really blows...
giggle

Thunk!
Thunk!

Ugh!
I think I'm done here, sensei. Calgon take me away!

4 hours later...

Brynne, Lana, and Tanky did what they could to entertain themselves, but Lana's patience began to wear thin after hours and hours of listening to the fuck-fest on the other side of the container.

Screw this! Are they planning to fuck the rest of the day away? I'm going for a walk - explore this place some more.

We better go with her. Who knows what might be out there? Besides I don't think I can sit here much longer.

Wooo...

Meanwhile...

Hold on tight, girly, cause here I come!

Yes! Stuff me full of thick dick! Fill me up to bursting!

The echoing sounds of Pixie and Saffy's love-making were maddening, and the trio couldn't take it any longer. Saffy and Pixie were having a great time on the other side of the container though.

The two vixens had been going at it on the floor for a while, but it was becoming uncomfortable. They switched positions so that Pixie could get a really good angle to pound away at Saffy's hungry pussy and fill her full of dick.

That is the plan. I'm going to fill you so full of cock that you won't even believe it.

Oh gawd! I can feel it. It's so deep inside of me. It's so big. It's **sooo** good!

Distend!

And fill her she certainly did. Pixie slammed her massive member deep into Pixie's waiting hole. The sheer size of Pixie's dick stretched Saffy out in ways she never imagined were possible, and she was absolutely loving every minute of it!

Damn!
You really
are one hell of
a horny slut. You feel
so good wrapped
around my fat
dick! I can't get
enough
of you.

QoQoohHhh!!!

Pixie pounded away for an hour or more, Saffy's head almost slammed into the support beam as the two of them went at it hard. Eventually it was time to switch positions again. Saffy grabbed Pixie's dick and pulled her to the ground. Lying down, Sapphire shoved Pixie's huge cock deep into her expansive cleavage.

Need a bit of a break? That's understandable I guess. I've been pounding your delicious holes for an hour or more.

Stroke!

Leak!

I want to feel this monster between my fat, jumbo jugs! I want to see how small your monster looks next to my mountains!

Fuck me!
That is one
fucking hot as hell
view! You look so fucking
sexy like that, with my
huge cock shoved
between your
huge tits!

Saffy stroked the massive member
with one hand, and occasionally
slammed her arm into her own
enormous boob as she did so.
The attention from Sapphire, and
the incredibly sexy tableau laid
out before her, caused Pixie's dick
to start leaking semen again.

Pribble!

MmmMmmMmm!!!

Sapphire eyed the viscous fluid like a drowning man eyes water in the desert. She licked and nipped at the tip of Pixie's penis, teasing further juices from the throbbing member. She used her tits too, mushing and mashing them around the thick rod as she varied the pace of her strokes.

You're pretty hot too. I want to taste you. I want you to fill me up. I want you to pump me full of your thick juice until I can't take any more.

Prip!

You want to be pumped full, eh? Well fill 'er up, you cum-hungry fuck-slut! Ding, ding.

MpOoAaanNn!!!

Slide!

Pixie responded to the comment that Saffy moaned out as she pumped her titanic ta-ta's on her splurting cock. She picked Sapphire up, turned her sideways, and resumed thrusting into her. Pixie even grabbed her hair for more leverage, as she reintensified her pounding against the support.

Pixie pounded away as she pondered what might have brought Sapphire to this point. Had she always been this way, or had recent events moulded her into something new? Sapphire held on for dear life as she received the pulse-pounding reaming of a lifetime. She could do little more than moan out her pleasure.

Yes, that's right. I will treat you just like the brainless bimbo you clearly want to be. I'll fuck you so good and for so long, until all you can think of is cock.

YyyeEeesSsss!!!

Pump!

Pump!

Pixie thrust, pounded, and pumped away for a while, until she felt it was time to switch things up again. She grabbed Saffy once more and tossed her down on the floor. She pushed her to her knees and positioned herself behind her.

Get on your knees slut! I'm going to fuck that fine ass of yours. Your holes are just there to be filled - to take it like a good bimbo.

Mmmm. Yes! Fuck this slut's dirty ass. All of my holes need to be filled.

Mmmm!
Damn, you
sure are tight
down here. Not like
that sopping wet,
hungry pussy
at all.

Oh
gawd! It's so
big! Saffy's bubbly
booty may not
be able to
take it!

Sapphire seemed to be in absolute heaven. It appeared that she truly enjoyed being treated as little more than a thing, just a sexual object there to fulfill her partner's filthy needs and fantasies. She coo'ed and moaned out her delight, as Pixie shoved her to the ground.

Pixie grabbed her own butt for a little more leverage, after positioning herself, and then slowly forced her thick, throbbing rod deep into Saffy's butt hole. She had to grunt, shove, and thrust to get it in, but eventually her fat dong was buried deep inside of Sapphire's ass.

Ahhh!
Yeah! It's going in. Part those cheeks, slut! Fucking... take it... **deep!**

Shove!

Stuff!

QqQqohhHhh!!!

Hours went by, as we already attested to. Pixie used Saffy like a living sex toy, and Sapphire seemed to thoroughly enjoy the rough play and abuse. This turned Pixie on to the point that she found a little more spunk deep inside of her and finally exploded in another epic-sized cum shower!

Ohhhh!
Fuuuccckkk!
Gawd damn, you
are one fucking sexy
slut. Your body really
is meant for
nothing but
pleasure.

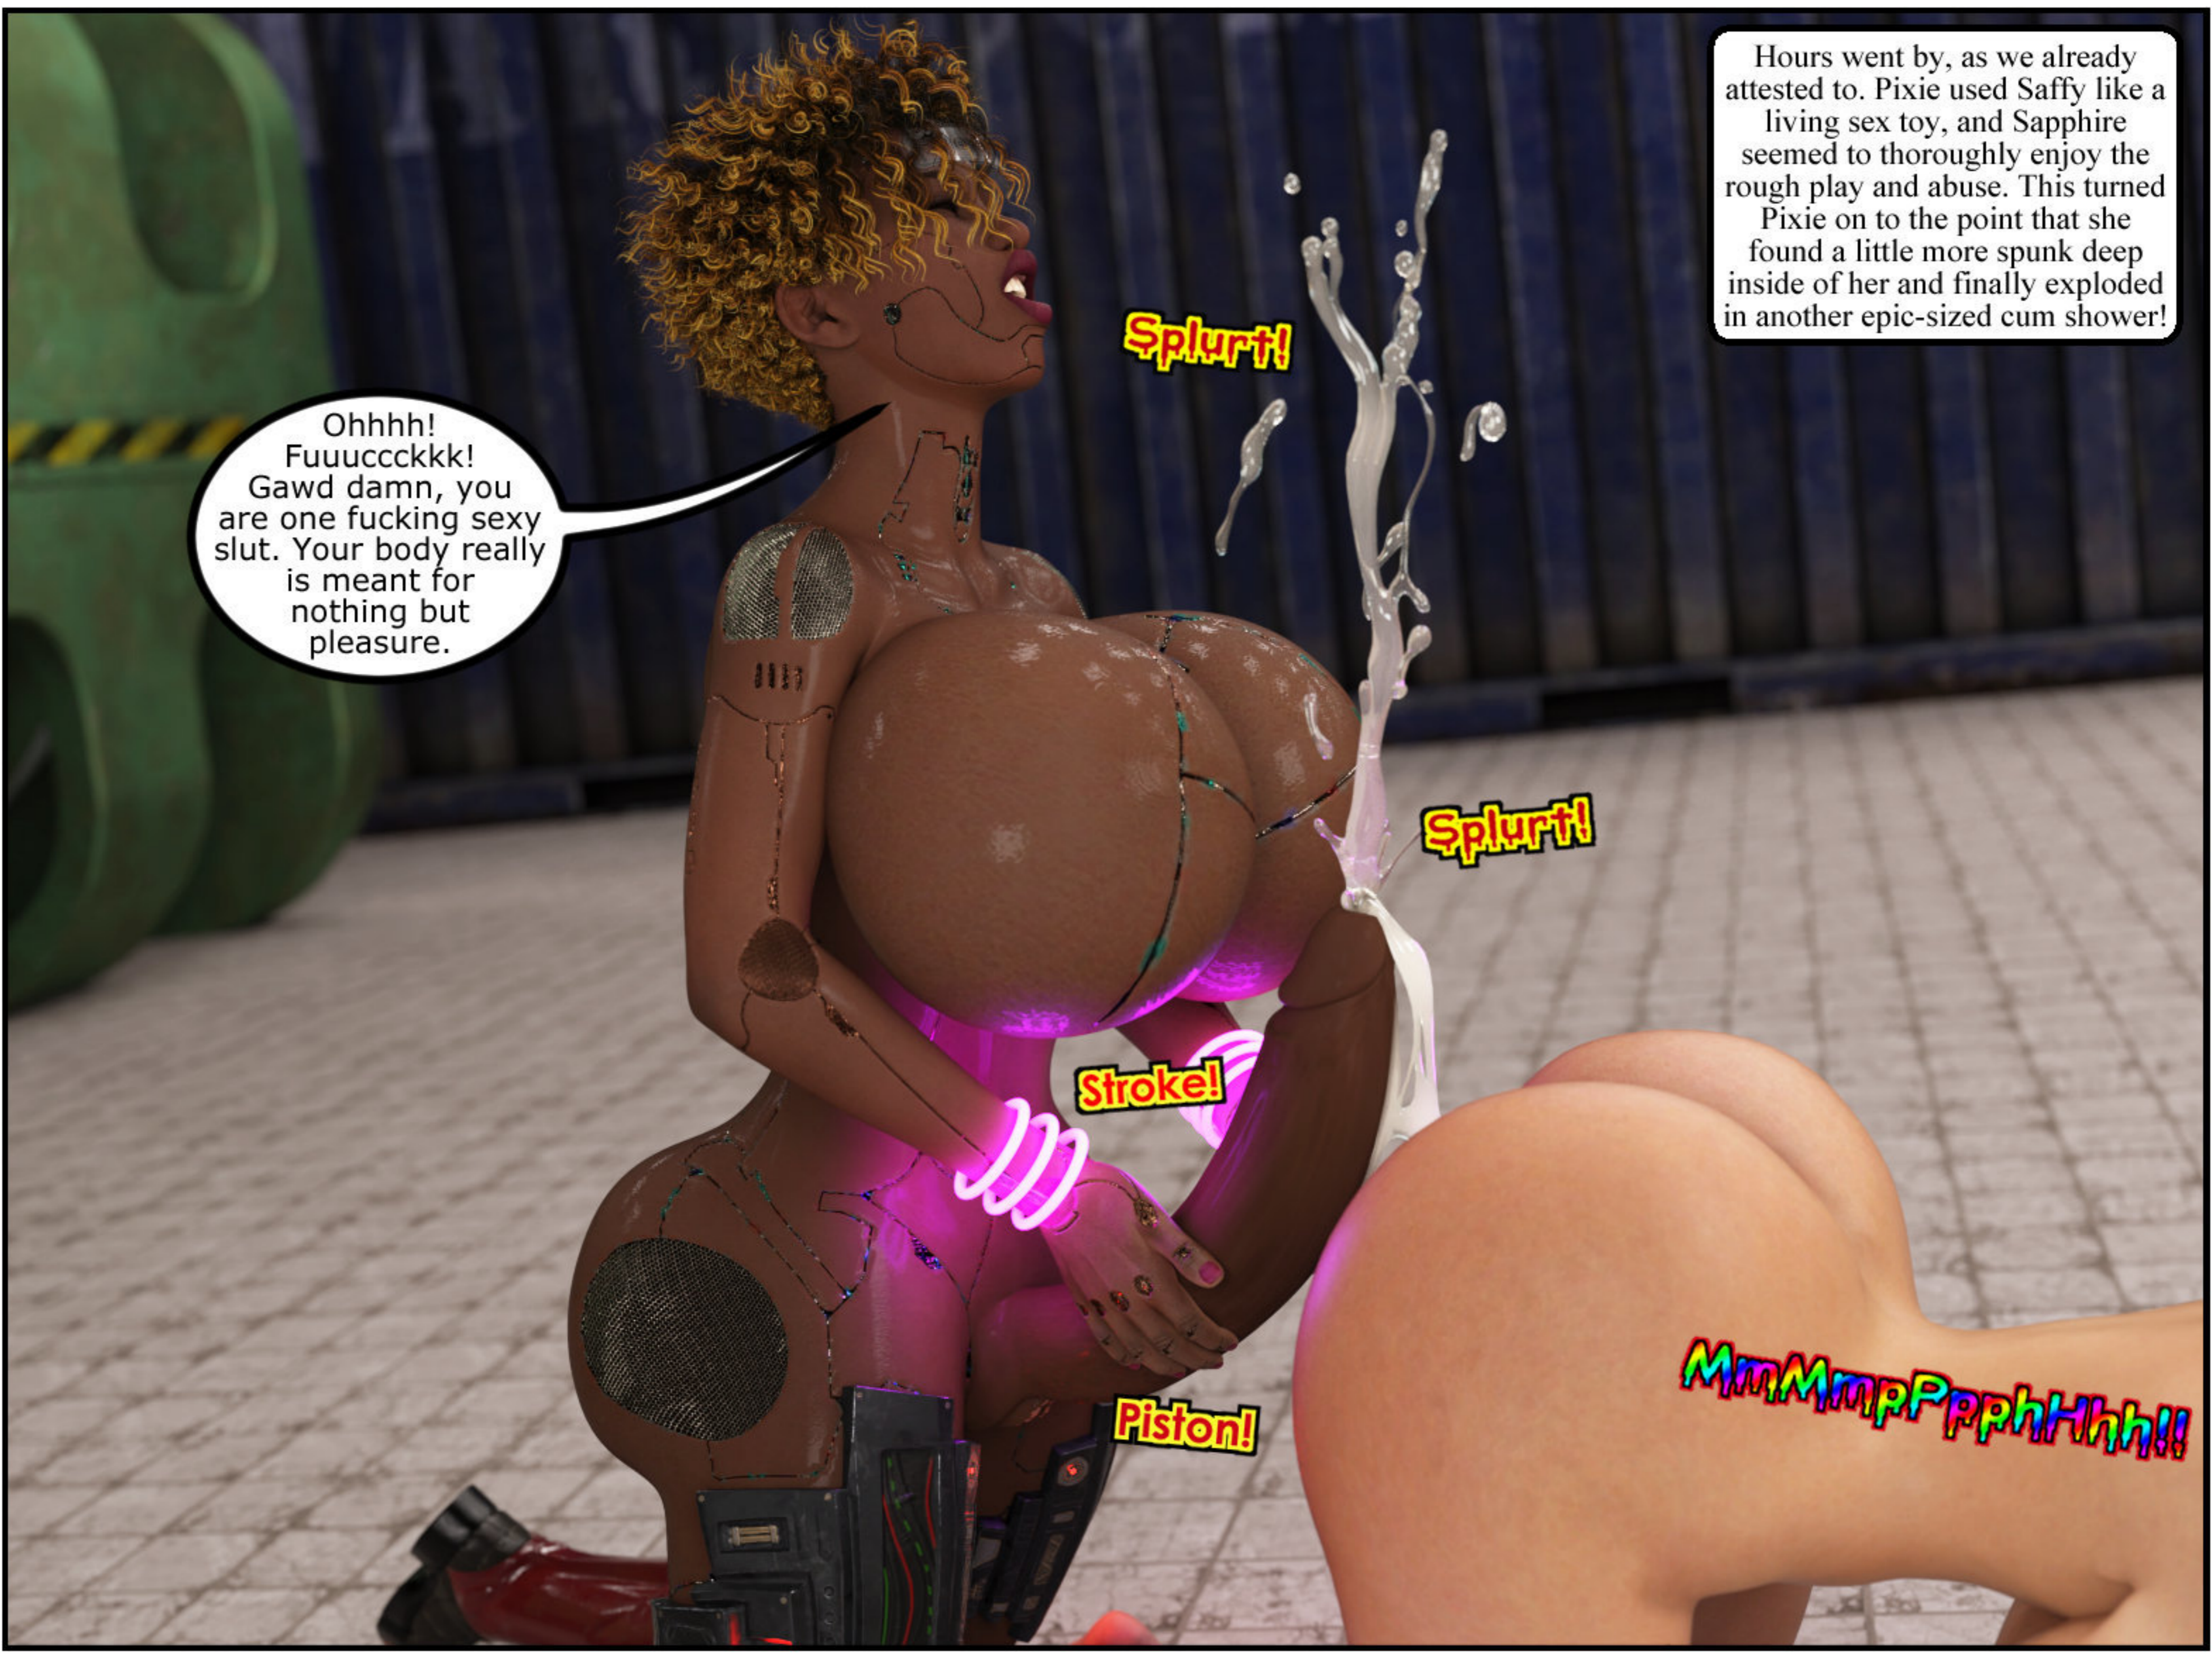

Splurt!

Splurt!

Stroke!

Piston!

MmmMmpPppHhh!!

Yeah, and did you really have to be so loud? Also, are your tits smaller, or is it just me?

Sounds like you two had fun. You finally done? And where's Sapphire? Shouldn't she be with you?

We had a fantastic time. She's sleeping it off. She should be along here shortly.

I love the proportions you gave me, Lana. But they do make it a little hard to move. I call this my "travel size".

Wow!

There was a long pause. The silence was only disturbed by the sounds of heavy panting. Pixie recovered first. She picked herself up from where she was slumped on the ground, adjusted her figure a little, and went looking for the rest of the team. It didn't take long for her to find them.

On the other side of the container, Sapphire had slumped forward onto her gigantic jugs and fallen asleep in blissful satisfaction. She mumbled out her pleasure in her sleep. Her body was covered in the remainder of Pixie's last load of super spunk.

Mmmm.
So good.
Saffy is such
a good
slut...
