

Honey: Executive Encounters

I thought this break was supposed to calm her down, not get her worked up?

Part 2

<Insert joke about
"dumping a load" here>
The question is, "What
kind of load? Hmmm?"

Gawd!
Your mouth
feels... I'm not
even sure how to
describe it. Like velvet
or something. It's
so soft. I can't
wait to feel that
pussy.

That's
it you dumb
slut. You can't
get enough, can you?
Take my thick meat all
the way down your
throat! Fucking
choke on it,
bitch!

Agdar can't help himself. He reaches down, grips Honey's head, and shoves his cock even deeper into her throat. Honey doesn't even flinch and takes it like a champ, almost as if she'd been waiting for him to do this all along. She grips his ass even tighter and pulls him in even deeper.

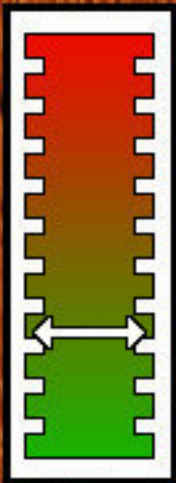

He begins to face-fuck Honey's sexy visage. A face (and body) which he doesn't know has grown much sexier. All he does know is that this is the best blow job he's ever had by a mile. He finally climaxes though as he hits the very bottom of Honey's slutty mouth, especially once she pulls him deeper and chokes, vibrating her throat again.

Agdar explodes in her mouth. His ejaculation is much harder than he's ever orgasmed before. Honey's cheeks bulge out with the release of his mighty load. Agdar's arms go limp as he continues to explode in her mouth. Eventually Honey backs her mouth off of his shaft slowly, savoring every moment of his seemingly never-ending ejaculation.

Oh yeah!
That's it baby.
Just keep cumming!
Cover me in
your special
spunk!

He continues to blow his load all over her, coating her lovely face and massive rack. Honey has been slowly growing more aroused all throughout this process, but further transformation seems to wait for this moment as her jumbo jugs explode (much like Agdar) several cup sizes larger.

Holy shit!
Your tits! They
definitely fucking
grew. They're fucking
enormous! You're...
You're fucking
incredible!

Shlurp!

MmmMmmMmm!!!

Agdar can now clearly see the differences, and watches as Honey's gigantic jugs bloat and swell even more ginormous. He exclaims at Honey as she transforms into a mega-stacked bimbo right before his eyes. Honey just ignores him and then slowly cleans both of them up, delightedly swallowing his massive load in the process.

Shlurp!

Lick!

But
Aggy, I
thought you
liked my huge
boobies?
Hmmm?

Oh,
I do. I
most certainly
do. I love
them!

You might even say that I can't get enough of them, but I'm also curious where they came from? They look even bigger than they were in the boardroom.

You like think too much. Don't like worry about it Aggy. We have more important stuff to do.

After licking up every last drop of semen, Honey stands up and mashes her twin mountains against Agdar's chest. Once she confirms his approval, and distracts him with her size, she grabs his hand and practically drags him out of the toilet stall and into the main room.

Although he doesn't mind, Agdar is still trying to figure out exactly what is going on. Not for long though. Honey leans over the sink counter and sticks her ripe ass up in the air as she gazes meaningfully at Agdar. Despite having a fantastic butt, her figure is still dominated by her massive rack (even from behind).

Such as?
I mean I feel like it's fairly important to figure out how you just grew some of the largest and most perfect tits I've ever seen.

What do ya think?
Are you just gonna stand there thinking about fucking me?
Or are ya gonna get to it stud muffin?

Agdar certainly doesn't need any more prompting than that. He strips off the rest of his clothes and rips Honey's skirt from her body. He enters her slowly from behind and starts building a good rhythm in order to help her develop some decent lubrication.

Right away! You don't have to tell me twice, baby.

Shhh! Less talking and more fucking hunk boy. Take this horny slut to pound town!

Shit! She is already sopping wet. I'm sliding right in like it's nothing. Damn girl!

But Honey's body is more than ready to go. One might even say that it is practically craving dick. So Agdar does as asked and rapidly increases his tempo until he is slamming into her for all he's worth. Whatever is going on with Honey kicks in again as her arousal begins to rise once more, and her fat booty rises and develops along with it!

Her spectacular ass swells and ripens into a thick, jiggly, bubble booty. Her hips grow thicker and wider as well to help support it. Agdar finds that he has to grip her waist tighter and tighter as he pounds away, because it is literally shrinking in his hands!

Fuck me! Is... is she changing again? It's like she is changing into my dream girl.

Thicken!

Pinch!

Widen!

Ripen!

As Agdar pounds away into Honey's rapidly swelling ass, he has a sudden thought, "What if she is changing into his fantasy?" With that thought, he wishes she would change even more and explodes inside of her in a massive orgasm. Only slightly more powerful than Honey's own climax.

Wait, is that what's happening? Fuck yeah! Bigger, thicker, curvier, sluttier! Be my busty, bimbo bitch!

QqQqHhHh!!!

The two of them are so busy enjoying their earth-shattering orgasms, that they don't hear the bathroom door being unlocked or Agdar's co-workers entering the room. They definitely hear their shocked shouts though.

What the hell!?

I expect an explanation. What is the meaning of this?

I... uhhh... I am honestly not sure what to say, sir.

Agdar's boss demands that he explain himself. Agdar stutters for a moment searching for an answer, but there is no hiding what he and Honey are doing. He decides to say nothing, and Allen seems to be very angry at first. But it seems he is actually annoyed that Agdar didn't tell them about the orgy. An orgy that Honey starts to drool over.

I just really can't believe you. Why wouldn't you tell the rest of us?!

Mmmm, yeah! More yummy dicks for Honey. Penis party!

We'll talk about this later. In the meantime, what has happened to her? Just look at her body!

I actually have no idea, boss. But do we really even care? She is clearly hungry for it. She can't get enough of the D.

Fuck no! All I care about is getting that mouth next!

She would make an excellent Yujo. She is very sexy.

The three new additions all strip out of their clothing and surround Honey, who is more than happy to position herself in the center of this yummy treat. Agdar isn't done with her sweet ass and positions himself behind her. Allen takes the head of the table, so to speak, and Honey happily starts giving the other two simply amazing hand jobs.

Geezus!
Her mouth
feels amazing. I've
never felt anything
like it. And the
suction. Just
amazing.

I
know right?
It's not just how
she looks. It's like her
whole body is built
specifically to
pleasure
men.

All four men start going at her, thrusting into her from all angles. Allen holds her head with both hands as he face-fucks her mouth. Agdar rams Honey from behind, pistoning into her hard as he spanks her fat ass. Mike closes his eyes and enjoys the heavenly hand job. Lee also enjoys the handie, but fondles her huge boobs and ripe body.

That
would explain
her hands. How
can hands feel
so awesome?
Mmmm.

I
have always
had a thing for
the American girls with
the big fake tits, but
these feel real. Look
huge and fake.
Feel real.

After some initial observations and small talk, the men fall silent and really get into the orgy. They rub, caress, fondle, grope, and grab Honey as they fuck and fill every available hole. Honey is in pure heaven, and her arousal spikes much higher as she enjoys herself to the fullest. Her body responds in kind, as it becomes much fuller too.

Honey's body grows fuller, riper, and much, much bigger as the four men continue to fuck her. She moans unintelligible little noises of obvious pleasure as she takes as much pleasure from this as she manages to give to the men. Her huge hooters almost triple their immense size, while her juicy booty grows to nearly twice its thickness.

QoQoohhHhh!!!

All four men look on dumbfounded as Honey's body continues to transform. They say nothing as the pleasure they are experiencing continues to intensify with every alteration. Even as they slam into her from all angles, Honey's body goes from total sexbomb to whatever lies beyond that.

Longer!

Curvier!

Sexier!

Not too surprisingly, the four men cannot withstand such sights, sounds, and sensations for very long. Honey's ministrations feel like nothing they've felt before, her body becomes something from beyond fantasy right in front of them, and her erotic moans of pure bliss just add to it all. They all explode over every inch of her body.

The men finally release her from their grips, or she releases them (we really can't be sure which). Honey flips over as the group of men continue to cum buckets all over her. She loves every minute of it and soaks it all up. Maybe its something about her body, fluids, or saliva, but the men just keep on cumming in the same way that Agdar did earlier.

The story will
continue in
the next part.
