

Please hold off on the coronation preparation until I find a good date.

This meeting is adjourned, long live our kingdom.

Long live the Queen.

Wow..!
Have you heard?

The Kingdom has a Prince now!

That's crazy..!

The whole Palace is talking about it!

Yeah!
I don't know how to feel about this.. but the Queen is quite old already, so..

It was only a matter of time..

I'm nervous, but..

If the Prince is half as kind as she is, then I think we're gonna be okay!

Do you know which Chambers he's staying at?

I wanna take a peak, hehe..

Oh no,
He's staying in a secret chambers that only the Queen's most trusted staff can access.

Let's just wait 'til his coronation!
I'm sure they're gonna throw a big one!

Awww.. okay~
