EXT. FOREST. DAY

1

FAIRY TALE GIRL, a sweet lolita dressed in pink, walks alone in a forest. She seems to be lost. A PUMPKABOO peaks out at her as she passes.

She stumbles upon an abandoned railway track, which lead to an abandoned station.

EXT. ABANDONED STATION. DAY

2

FAIRY TALE GIRL walks up to the tunnel, and stares into it. A SPINARAK crawls on the roof. She hears a noise behind her and turns to see nothing there.

She turns back around to see HEX MANIAC standing before her, staring off vacantly into the distance.

FAIRY TALE GIRL
Excuse me? I think I took a wrong
turn somewhere? How do I get back
to the road?

HEX MANIAC laughs. She plays with something in her sleeve. She speaks to her sleeve.

HEX MANIAC
The girl wants to get home does
she? This tunnel will show her the
way.

She looks up to FAIRY TALE GIRL.

HEX MANIAC (CONT'D)
But we won't let you pass unless
you can beat us in a Pokemon
battle.

HEX MANIAC throws out her Pokeball, from which emerges a CHANDELURE.

CHANDELURE
Chandelure!

FAIRY TALE GIRL
A battle, huh? Sounds like fun!
Come on out Sylveon!

FAIRY TALE GIRL throws her Pokeball, and SYLVEON emerges, ready for battle.

SYLVEON
Sylveon!

SYLVEON and CHANDELURE face each other.

HEX MANIAC
Chandelure, show her your
Will'o'wisp!

FAIRY TALE GIRL
Sylveon, start off with Swift!

CHANDELURE starts spinning rapidly and blue fireballs start shooting out towards SYLVEON. Glowing stars form around SYLVEON, and fly towards CHANDELURE. The projectiles hit each other in a stream and explode.

Stars on a wider trajectory fly harmlessly past CHANDELURE. CHANDELURE'S fiery balls fly towards SYLVEON. She dodges a couple and swats away a few more with her ribbons, before being overwhelmed. The balls collide with her and she is blown backwards.

FAIRY TALE GIRL (CONT'D)
Sylveon!

SYLVEON stumbles to her feet and shakes off the pain.

FAIRY TALE GIRL (CONT'D)
Great job! Now, use Dazzling Gleam.

SYLVEON cries out and a blinding light flashes at CHANDELURE, who is temporarily stunned.

FAIRY TALE GIRL (CONT'D)
Follow it up with Quick Attack!

SYLVEON rushes forward and jumps into the air, flying towards CHANDELURE.

HEX MANIAC
Chandelure, use Psychic!

CHANDELURE'S eyes glow. Moments before SYLVEON collides with CHANDELURE, a blue glow appears around her. She stops in mid-air. A panic sets over her.

FAIRY TALE GIRL
Sylveon!

CHANDELURE'S eyes narrow. SYLVEON is thrown into the ground and bounces limply before falling back to the floor. She struggles back to her feet. Behind her FAIRY TALE GIRL looks on helplessly.

FAIRY TALE GIRL (CONT'D)
Hold in there! Use Swift again!

Glowing stars form around SYLVEON.

HEX MANIAC
Chandelure, use smog!

CHANDELURE shoots a cloud of smoke out of it's top. SYLVEON shoots its stars into the smog cloud, before being consumed herself.

Behind her, FAIRY TALE GIRL coughs and splutters as she tries to breathe through the thick smoke.

HEX MANIAC laughs.

HEX MANIAC (CONT'D)
Now Chandelure, take it down!

SYLVEON stumbles around in the thick smoke as it struggles to breathe. She barely dodges CHANDELURE, as it zooms out from the nearby smoke in an attempt to hit her.

CHANDELURE appears again almost immediately, traveling from the other direction. SYLVEON attempts to dodge but takes a glancing blow as CHANDELURE rushes past and back into the fog.

SYLVEON attempts to recover but CHANDELURE is too fast, this time hitting SYLVEON directly and knocking her backwards.

FAIRY TALE GIRL
Sylveon, no!

CHANDELURE floats slowly towards the wounded SYLVEON, looking down on her.

HEX MANIAC laughs wildly.

HEX MANIAC
Let's finish this Chandelure! Use
Shadow Ball!

A ball of energy starts forming over CHANDELURE. SYLVEON looks up in horror.

FAIRY TALE GIRL
Quick Sylveon, use Fairy Wind to
blow away the smoke!

SYLVEON recovers as the smoke cloud obscures all in front of her. She inhales, and Fairy Wind blows away the smoke, hitting CHANDELURE and knocking him back.

FAIRY TALE GIRL (CONT'D)
Follow it up with Moonblast!

SYLVEON dashes forwards and jumps into the air. The moon glints in the sky as SYLVEON draws power from it.

HEX MANIAC
Chandelure, use Flame Blast!

CHANDELURE takes in a breath.

A white ball of energy grows in front of SYLVEON, and she fires it at CHANDELURE, who simultaneously unleashes his Flame Blast.

The two attacks collide, resulting in an explosion.

FAIRY TALE GIRL and HEX MANIAC look on as the blinding light fades, revealing SYLVEON standing weakly before a fainted CHANDELURE, his candles blown out.

FAIRY TALE GIRL puts one hand on the side of her chin, and makes a V-sign with the other.

FAIRY TALE GIRL
Yay Sylveon!

FAIRY TALE GIRL runs forward to SYLVEON, who looks back at her. FAIRY TALE GIRL pats her Pokemon on the head.

FAIRY TALE GIRL (CONT'D)
You did great Sylveon! You deserve
the rest.

FAIRY TALE GIRL withdraws SYLVEON.

HEX MANIAC kneels over the fainted CHANDELURE.

HEX MANIAC
Your candles... It's time you came
back now.

HEX MANIAC withdraws CHANDELURE.

FAIRY TALE GIRL stands up and walks towards HEX MANIAC. HEX MANIAC looks up.

HEX MANIAC
This tunnel leads back to the road.
You can get back to the city if you
follow it.

FAIRY TALE GIRL
Thanks, it was a lot of fun!

FAIRY TALE GIRL walks past HEX MANIAC and into the tunnel. HEX MANIAC calls behind her as FAIRY TALE GIRL walks away.

HEX MANIAC
Next time...

HEX MANIAC turns to look at FAIRY TALE GIRL.

HEX MANIAC (CONT'D)
Next time we won't let you win so
easily.

FAIRY TALE GIRL stops.

FAIRY TALE GIRL
I can't wait!

FAIRY TALE GIRL turns back to HEX MANIAC but she is nowhere to be seen. FAIRY TALE GIRL stares at the empty tracks, confused, before turning and walking into the tunnel.
