

PAGE 17

In the pages that follow, DOLORES refers to Frank's body and FRANK refers to Dolores's body.

PANEL 1

Big panel! Dolores (inside Frank's body) is looking at Grief. Frank is looking up at Dolores, still smeared with cum (but also still pretty).

CAPTION

This is me. Dolores Delgado. Or **DD** for short.

GRIEF

Hey DD! S'up?

DOLORES

Grief, what are you doing to my body?

GRIEF

You don't like?

(cont'd)

I always wanted to see you with big tits.

CAPTION

As you can tell, Grief and I have some history.

PANEL 2

Frank looks stunned. Dolores looks back at him, sneering with contempt. Grief is just hovering there, not commenting.

FRANK

You're...me?

DOLORES

Yeah, with better fashion sense.

(cont'd)

Now shush, the grown-ups are talking.

PANEL 3

Zoom in on Frank. His lips are forcibly shut by magical sparkles.

CAPTION

See, I met Grief a year ago. I didn't look like this back then.

FRANK

MMMMF!!!

PANEL 4

Border panel is shaky and squiggly, indicating a flashback. We're on a university campus. We see a chubby chick with pimples and greasy hair. Plain, ordinary, frumpy. A 4/10 on a good day. Frat guys are either mocking her or walking past her like she's a ghost.

CAPTION

Guys like Frank wouldn't give me the time of day.

PANEL 5

Flashback border panel here too. Chubby Dolores is on all fours on a dorm room bed, ass in the air. A frat boy is fucking her in the ass while another is recording the action on his cell phone.

CAPTION

Except for pity fucks, I didn't exist.

PAGE 18

PANEL 1

Flashback! Grief is casting magic at Chubby Dolores, who's turning into HOT DOLORES before our very eyes.

CAPTION

Then Grief took pity on me.

CAPTION

Gave me a makeover to end all makeovers.

PANEL 2

Flashback! Reuse of page 1, panel 8, where Grief is casting magic

CAPTION

Except sometimes, she goes rogue a bit.

CAPTION

Like a few days ago.

PANEL 3

Dolores and Grief are talking. Frank's not in the frame. Dolores looks a bit annoyed. Grief is waving her concerns away, laughing.

CAPTION

Which takes us to today.

DOLORES

Wish you'd asked me before swapping me with this douchebag.

GRIEF

Stop complaining.

(cont'd)

I bet you jacked off a DOZEN TIMES since you're in there, am I right?

PANEL 4

Dolores, Grief and Frank are all in the panel. Frank seems to be trying to open his mouth, but his lips are pressed together (by previously cast magic).

CAPTION

She's got me there.

DOLORES

Okay, fine.

GRIEF

Which takes us right back to this sweet piece of pussy.

DOLORES

A little respect, you're talking about my body, here.

PANEL 5

Big panel. Dolores is squatting near Frank, who's staring at her, lips still pressed. Grief is hovering nearby, grinning.

CAPTION

Though she's got a point, and my DICK knows it.

SFX

(near Dolores's dick)

THROB

DOLORES

Can I make him do anything?

GRIEF

You got it.

CAPTION

Grief has often given me full control of males in the past. Now I've got control of my former body and can make it do ANYTHING.
