

As Head Mistress of Sissy Princess Charm School I am always loathe to get involved in petty matters like cheating on exams...

Yet, in this instance, I feel compelled.

We're sorry, Lady Alexandra!

Yes, so sorry! It won't happen again!

Sissy Princess Charm School

SUBJECT: Oral Exam

Story by Jessica Presley and 3D Pimp Art by 3D Pimp

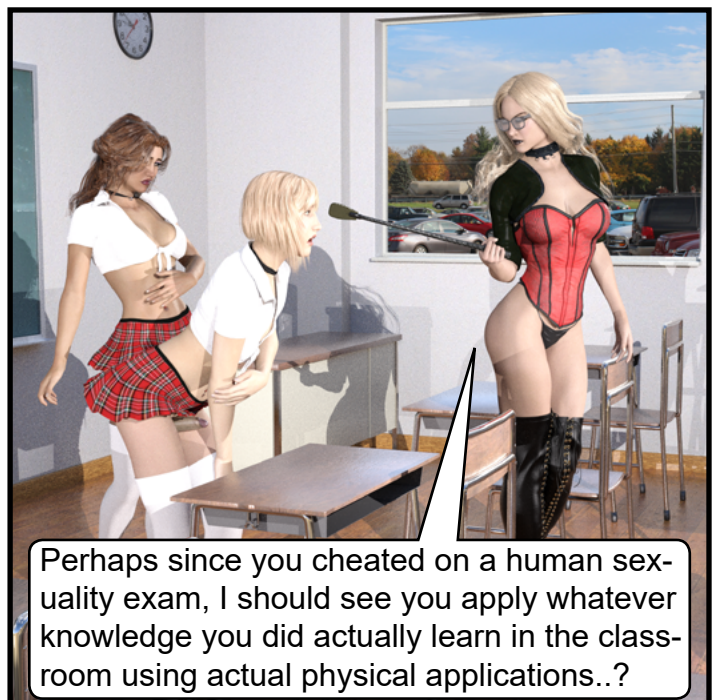

Jessica, one of our best and brightest...

And Madison, one of our, er...

Most enthusiastic...

What to do with the two of you..?

Perhaps since you cheated on a human sexuality exam, I should see you apply whatever knowledge you did actually learn in the classroom using actual physical applications..?

"Actual physical applications", Lady Alexandra..?

Yes, Jessica, and if you do a really good job, I will consider this matter resolved. Now, get down on your knees and suck Madison's sissy cock.

You mean now, right here in front of everyone?!

Everyone would be only the three of us; though perhaps I should gather up a little audience for you now that you've planted the idea in my head.

There you go, on your knees like a good sissy. Now don't just stare at it like you've never seen one before. We both know that can't possibly be the case.

That's it, open up that sissy mouth and let it slide right inside. This is what a sissy's mouth is for; well, one of the things anyway, ha, ha.

Show us how well you can stimulate the head of the cock, and don't forget to fondle the balls. In Sissy Princess Charm School, we will instill in you the ability to multitask.

Always be sure to maintain eye contact with the person you are servicing. It assures them you are one hundred percent focused on them. You must always remember that your pleasure should come from pleasuring others.

Don't be shy about getting your tongue up inside that asshole either. Madison's sissy hole is a lot tastier than some of the more hairy, musky ones you might be required to service in the future, but that will be no excuse for neglect, not from a graduate of Sissy Princess Charm School.

I think it's pretty clear to everyone how much you love the taste of ass, Jessica, dear, but Madison's stink-hole has had more than enough attention...

Why don't we focus back on the cock? Most people prefer the majority of a talented tongue around front and you're clearly already a natural around the corner.

That's it, Madison, feed our new gurl Jessica your hungry lady cock. Take it, Jessica, take it like the sissy slut you know you yearn to be.

It won't take Madison long to cum now. It never takes you sissies long. We're going to have to find Jessica a real man with some long lasting endurance to train her proper, aren't we?

Faster, Jessica, faster! Don't expect Madison to do all the work. Don't expect our clients and benefactors to overexert themselves for you. This is what you sissies are for! Bob that wig rack!

You're so right, Lady Alexandra; it doesn't take us sissies long at all to need to cum. I need to now. Can I please have permission, Mistress?

choke!
gag!

Being a bit of a drama queen with all the choking and gagging are we, Jessica, dear? Go on then, Madison... Spray that slut!

Oh thank you, Mistress! Here it comes... Eeee!

splurt!

Jessica, you're spilling it all over yourself! What a messy gurl!

Great Job, Madison. That's the way to feed a slut your cum!

Thank you, Lady Alexandra.

Jessica, why are you just sitting there like someone dropped you on your head when you were an infant? Why isn't your sticky, cum-covered self standing at attention like Madison?

I'm going to forget the cheating this time, but if it happens again, we won't be having a fun little display of your oral skills. Next time, you'll be spending some quality time in my private bondage chambers.

And for God's Sake Jessica, clean yourself up; what kind of gurl do you want the people to think you are?!

Yes, Lady Alexandra.

Giggle, Tee-hee!
