A Welcome Distraction || Denki Kaminari x Listener 18+

Audio starts with Listener and Kami being in the same room. They live together as pros; the listener is sitting on the bed while Kaminari can be heard playing an online game with others at his computer.

(There's some keyboard sounds, clicking, Denki's playing some online shooter with friends)

Dude, where even are you right now? You back on the ship? I got like two items and I need you to guide me back. I'm lost as hell!

Okaaaaay just hurry, there's some freaky ass monster in here with glowing eyes and I saw it kill Midoriya.

(Turning to listener) Oh, by the way baby am I being too noisy or distracting? I know you're trying to get some paperwork done. **(Enough pause for an answer)** No? Okay sweet! Just lemme know if I'm being- **(someone talks in game)** Huh? **What was that, blasty?**

(Frustrated) I know, I know! I'm listening! Don't gotta yell at me! I'm coming..... **(silence for a sec)** .. Shittt Kacchan my flashlight is about to die. Uh... up the stairs? Okay, okay on my way.

(The listener gets up and starts moving towards Denki's desk.)

Maaan this is spooky... am I going the right way, Kacchaaaaan? Left you said? Kay, going left- OH GOD I think I saw something down the hallway! Im running..-!

(listener slides under his desk, between his legs, shuffling to symbolize that)

Uh-?! H-heh sparks what are you- ... Uh-! Nothing blasty I'm still on my way! **(Surprised whisper)** Sparks..?! W-woah okay you wanna- **(belt and pants unzipping, Denki's breath picks up a little)** .. God... S-sparks that's... Really sudden, I'm digging your enthusiasm..~

(Soft moan as they slip his cock into their mouth) ... fuck... H-huh?! Oh, blasty I uh, I stopped cause there uh.. Was a monster! I'm on my way! Nnnh..~ ... It's nothing, don't worry about it...

(whisper) spaaarks.. Nnn.. you're so naughty... gonna get me caught. I'm playing with Bakugou, Midoriya and Kiri... They're not stupid they're gonna question me if they hear me- ah.. Moaning like this..~

'Just stay quiet'? **(Amused huff)** That's easier said than done when you're so damn good with that pretty little mouth of yours.. Hnn~ so talented.. Ah...

... mmm.. Sec babe I gotta use my walkie talkie to talk with kacchan, he's getting all tilted about me not responding **(chuckle, turning attention back to Bakugou in comms)** .. Cool it blasty I found my way out, i'm heading back to the ship. Is Kirishima there with you? Okaaay, poor Deku. Got absolutely blasted in there.. **(soft groan)** ..

Huh? Oh don't worry about it my uh.. Back just hurts. Yeaah need a better chair... One sec, gonna mute for a sec but I'm still on my way back to the ship! Keep safe you guys, don't get eaten by those nasty dog things while you wait~

G-god.. Baby... **(panting for a sec)** C-come up here on my lap... Come ride on my cock..

K..kay, sink down onto it baby... **(Slick sound as they sink down)** Ahhf-ffuuck... All the way to the base, right off the bat... You always spoil me, baby...~

(listener is only cockwarming at this point, some slick sounds but no fucking yet)

(Whisper) Shit, sorry baby... keep grinding your hips on me, Kiri said something to me so I gotta reply. Gonna unmute my mic again, so be my good little baby and stay nice and quiet for me, kay?~ Those sweet sounds are only for me to hear~

(Unmutes) Mm..Mmwhat Kiri? Sorry I didn't catch that. Hh..hah.. Ohhhhh okay, sure thing. I can, nnn... stay behind and give you guys some direction while the three of you go inside~ Mmmhm. Good luck in there! Don't let the monsters getcha~ **(soft chuckle)**

(Mutes) Okay.. muted again..~ ahh.. Hah.. They all ran off and left me back at the ship, so it looks like we got some time to kill~ Ready for it baby? Gonna take advantage of the time while we can, so let's go all out before they need my help~ **(gentle kiss)** Sweet thing... Hnnn...~ **(he starts at a slow pace at first, slick noises and some skin contact sounds)** ...

So good... Hah... Man, you get so eager sometimes don't you.. Can't even wait for me to get off a game with my bros~ Nngh... **(moaning for a sec)** .. I like that.. Like how when you need me, you take what you want.. Fff-fuck.. It turns me on *so much*..

(You can hear Bakugou cussing Denki out very softly through his headphones:)

Bakugou: *Dunce Face you absolute FUCK!*
