

**NO CHALLENGE  
NO LIFE**

**By GREENTEA NEKO**

I am a Knight. A warrior of Light.  
I am strong. Extremely strong.

I am tasked to slay evil monsters.  
They are weak. Extremely weak.

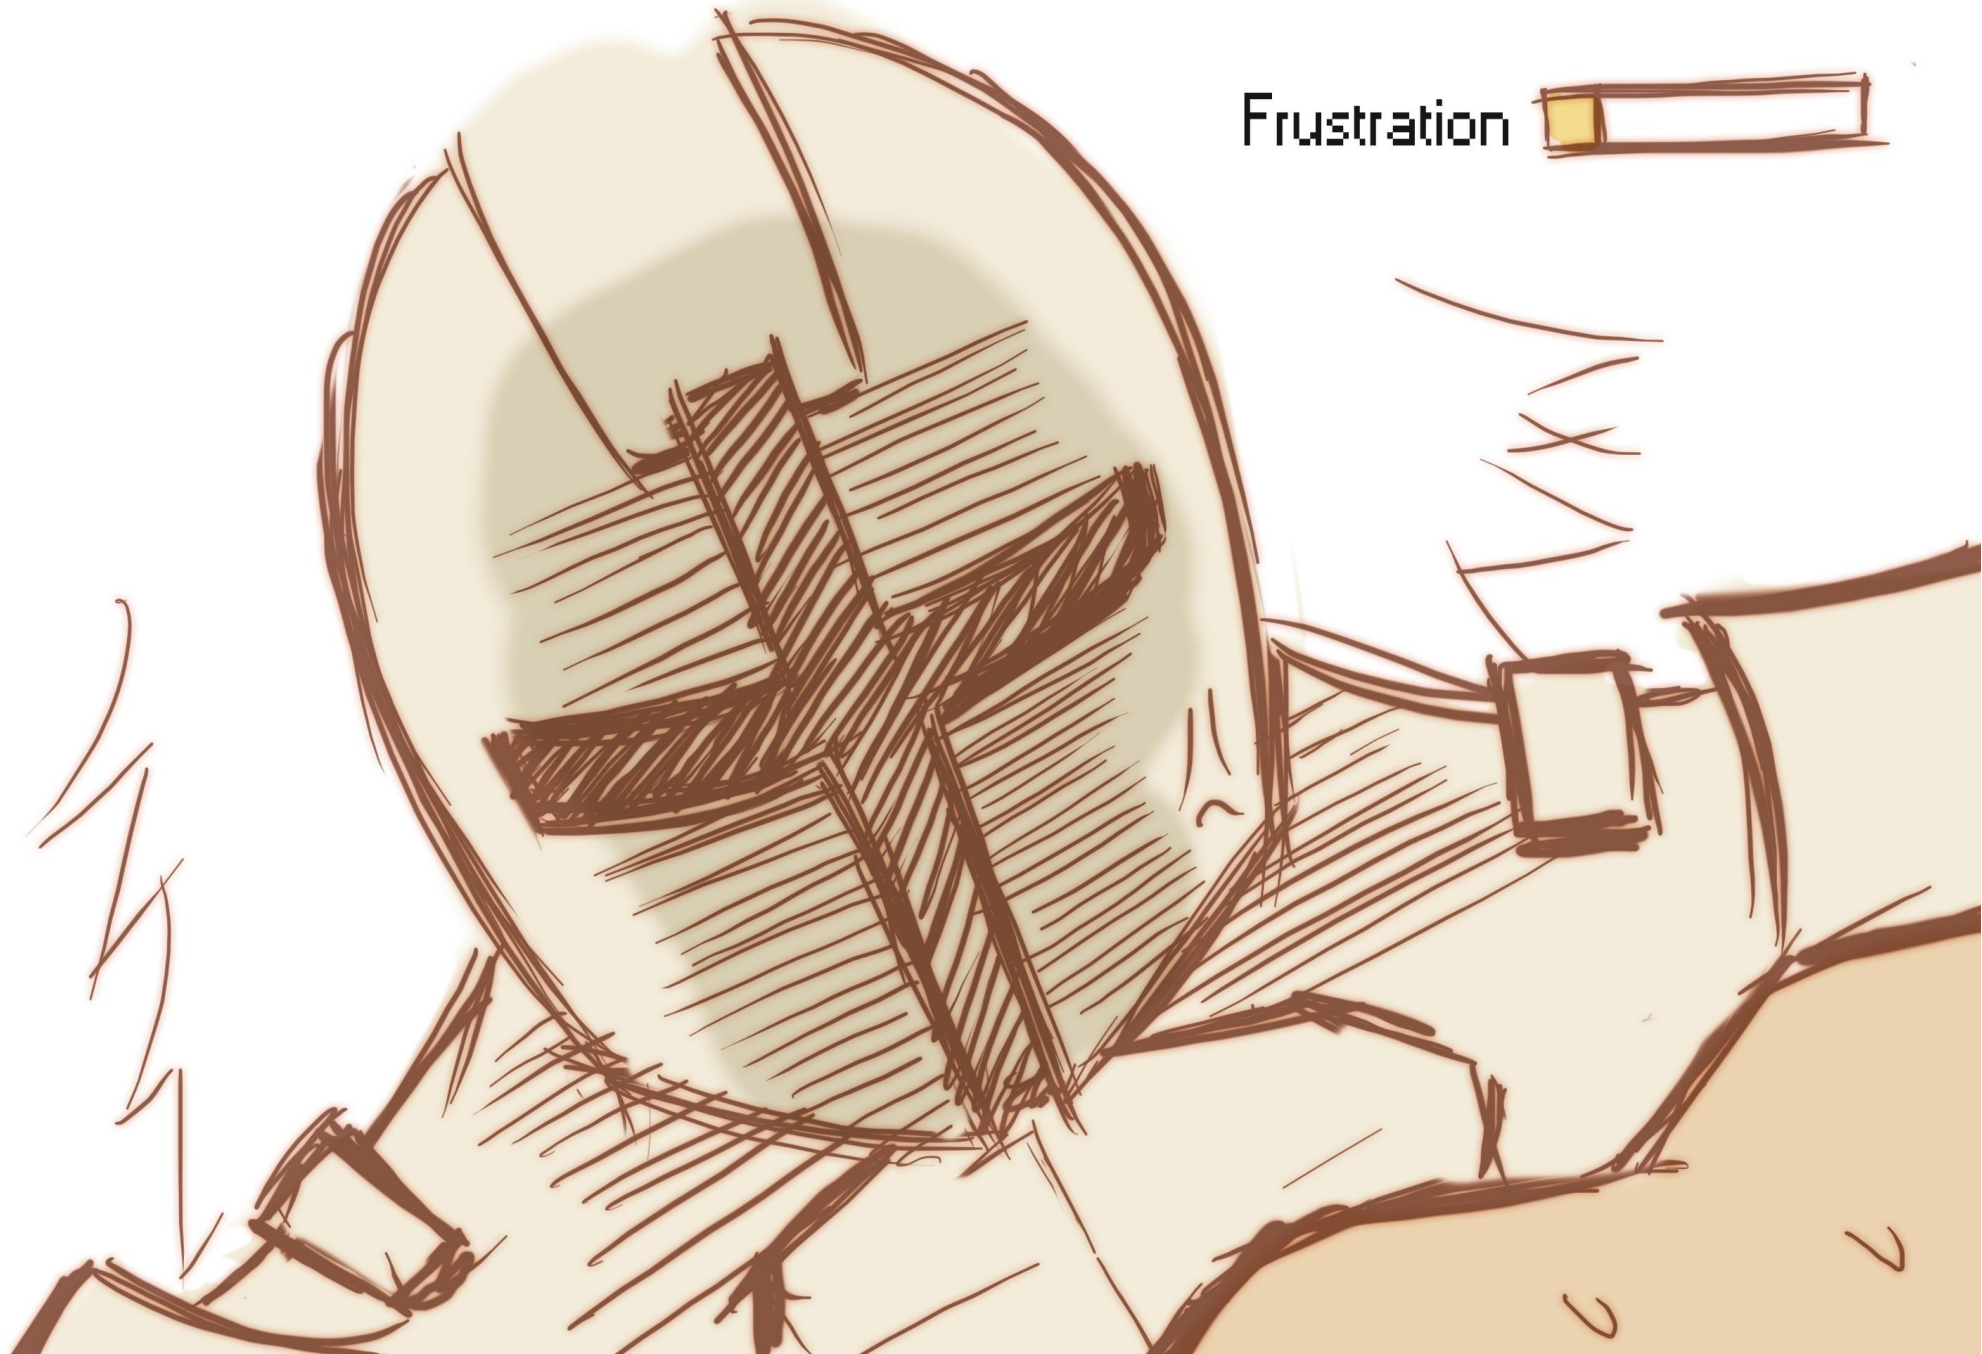

Too weak.  
There is no challenge at all.

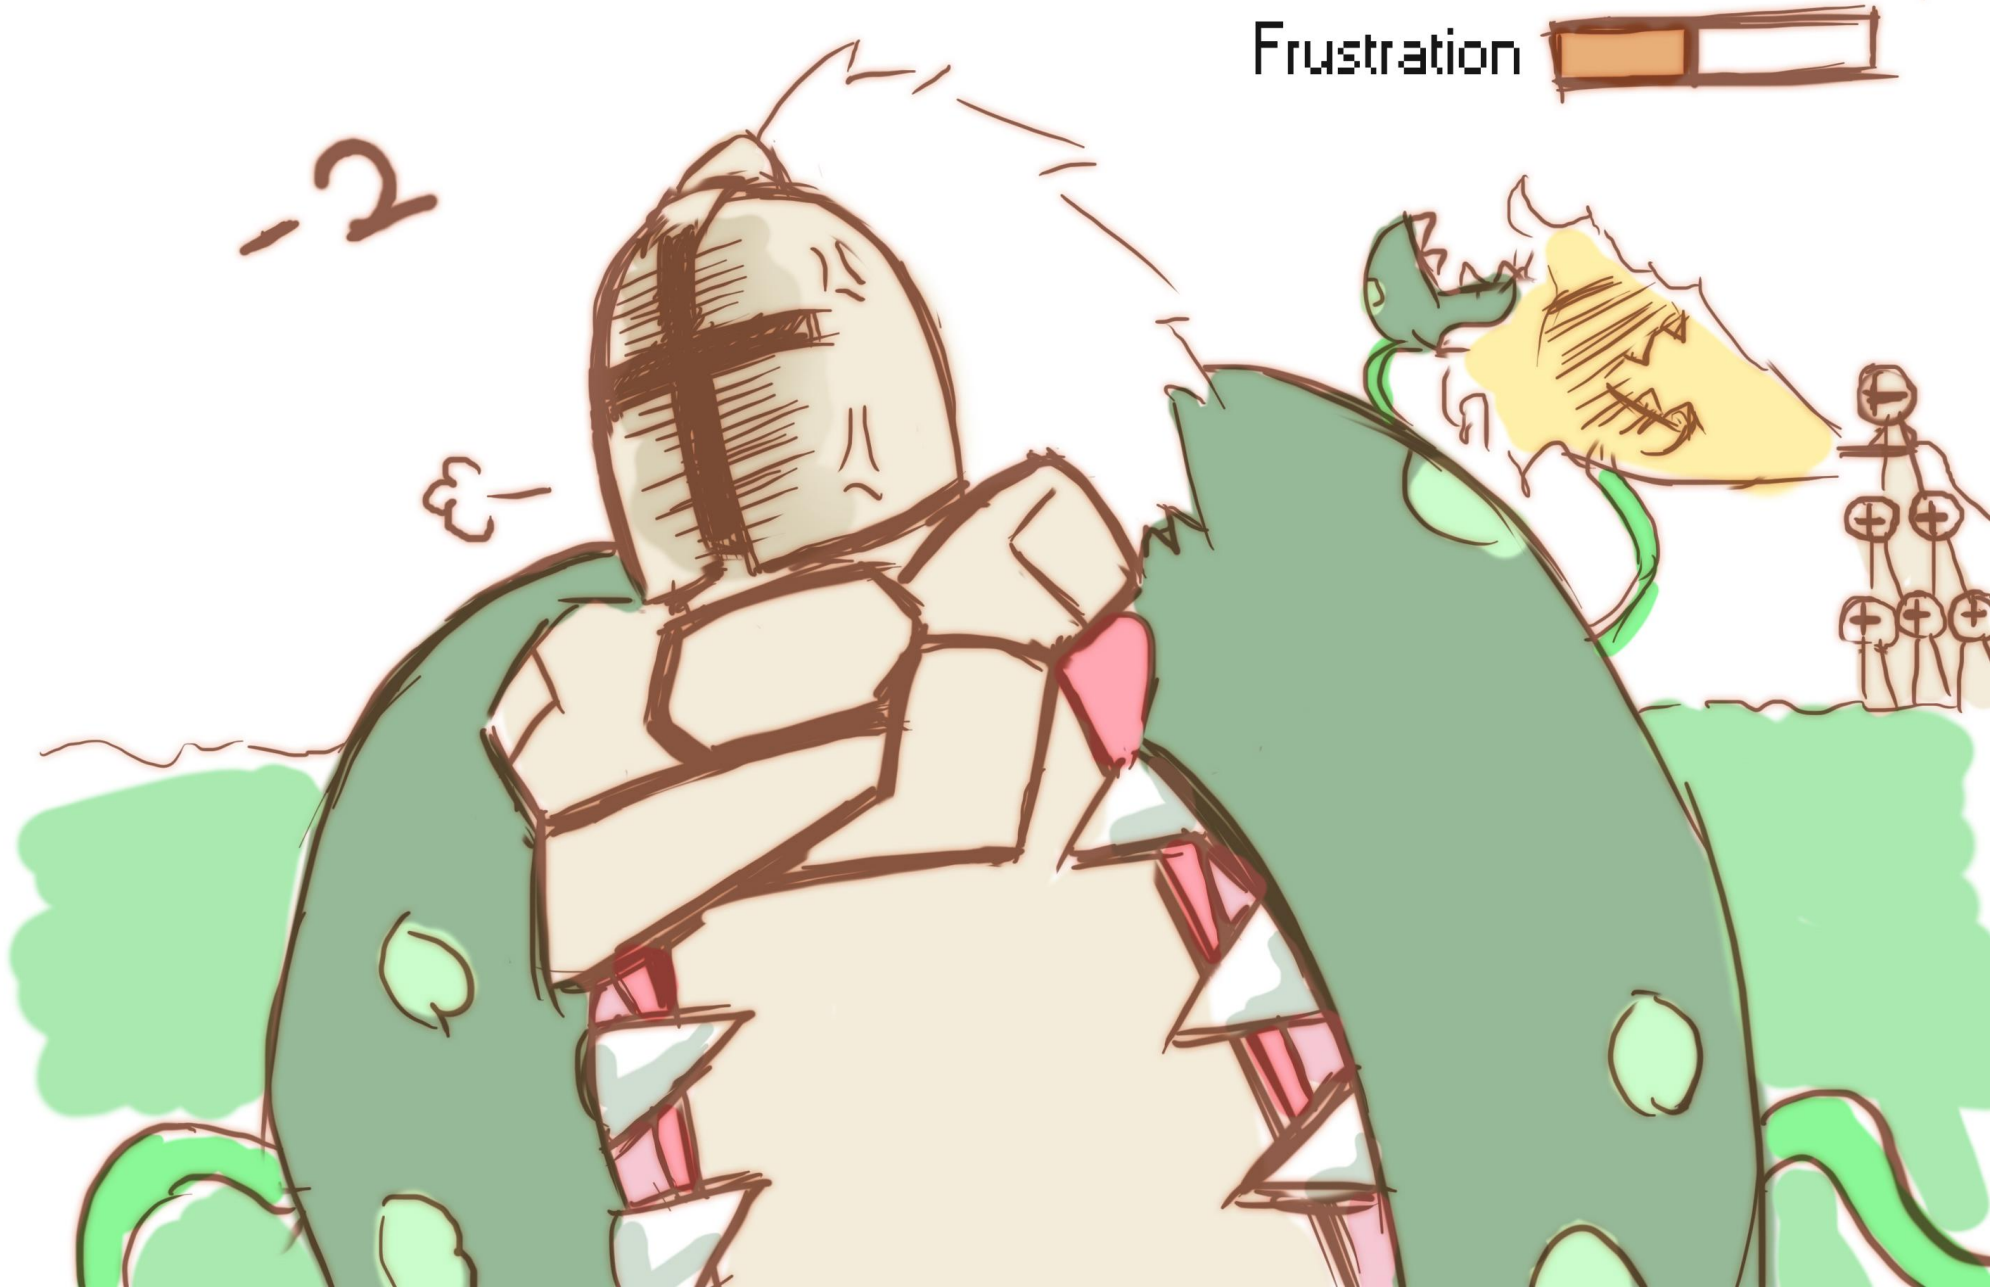

This is a bore.  
Is there nothing challenging at all?

Frustration

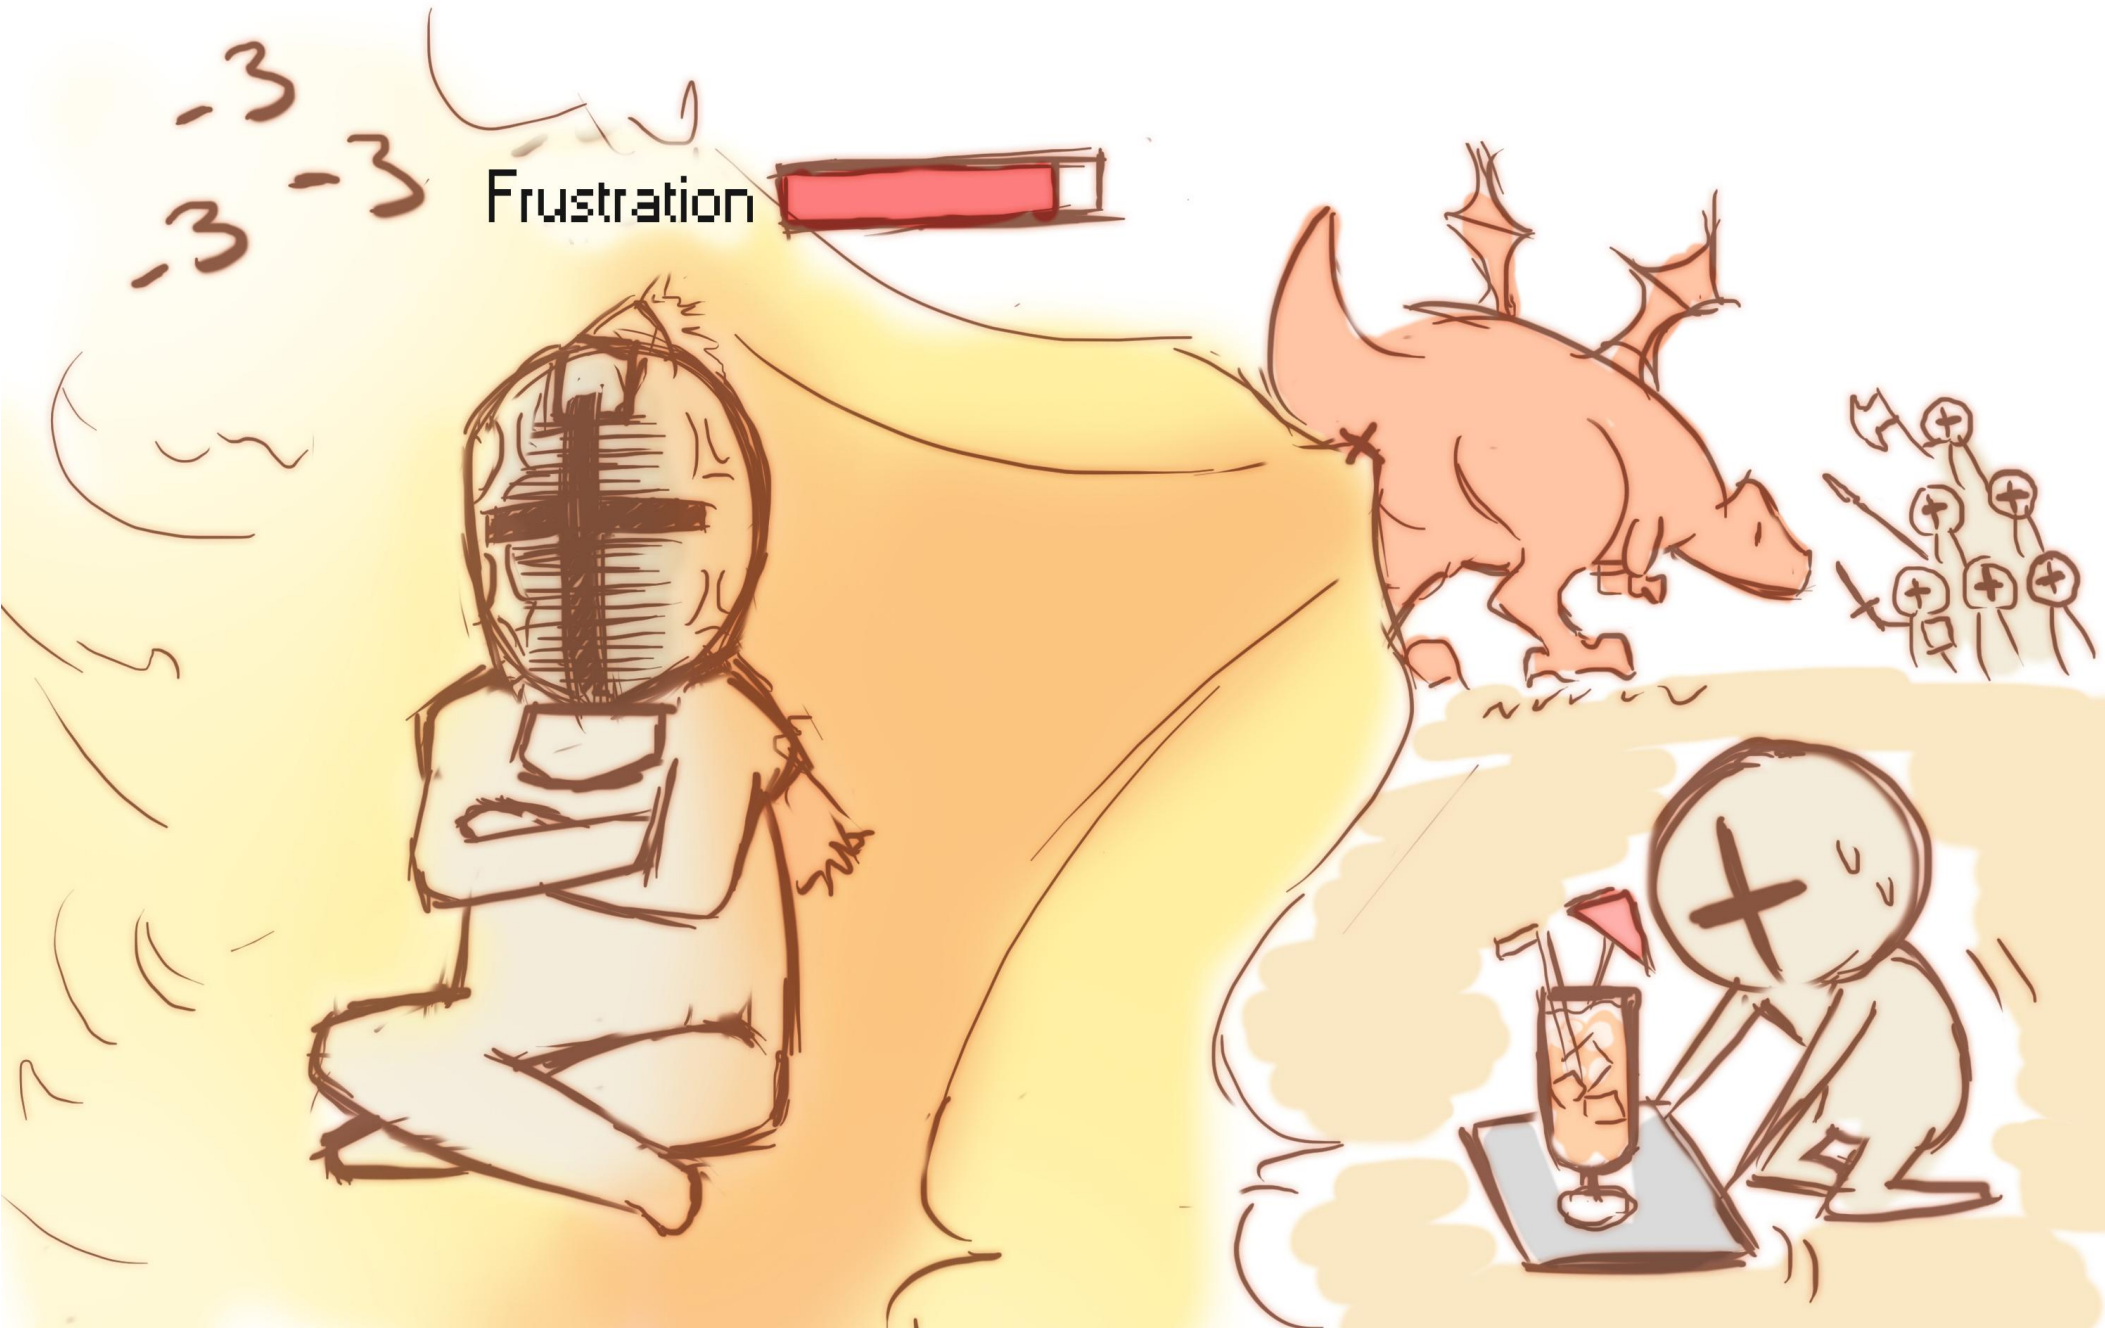

Weak. Boring.

Nothing is worth my time.

Hm. These look tasty.  
I'm feeling slightly hungry too.

A sneak attack!  
How dastardly to attack from behind!

Come! Give me the challenge I seek!

Ah?!

Aaaaah?!?!

Aaaaaaaaaa... 

Stupid carrot thief.

Frustration?
