

## IT'S THE HORNY PDF!

Hey hey hey!

It's DCS again, here with the NSFW PDF for Tomai, woo-hoo!

As I said to a friend of mine recently, "I can't believe there's only **THREE** sex scenes in Tomai." I honestly wish I could have made more-- but Arcade Party and I were on a pretty tight shift for this game.

Regardless; we've got some good ideas for the future so keep your eye out for 'em!  
For now, enjoy this raunchy PDF and thanks a ton for your donation!

-DCS and Arcade Party

DCS: Really so pleased Arcade Party was able to write an outdoor sex scene. Nice.

DCS: If you read any of my other comics...  
You know I'm a big fan of tentacles...

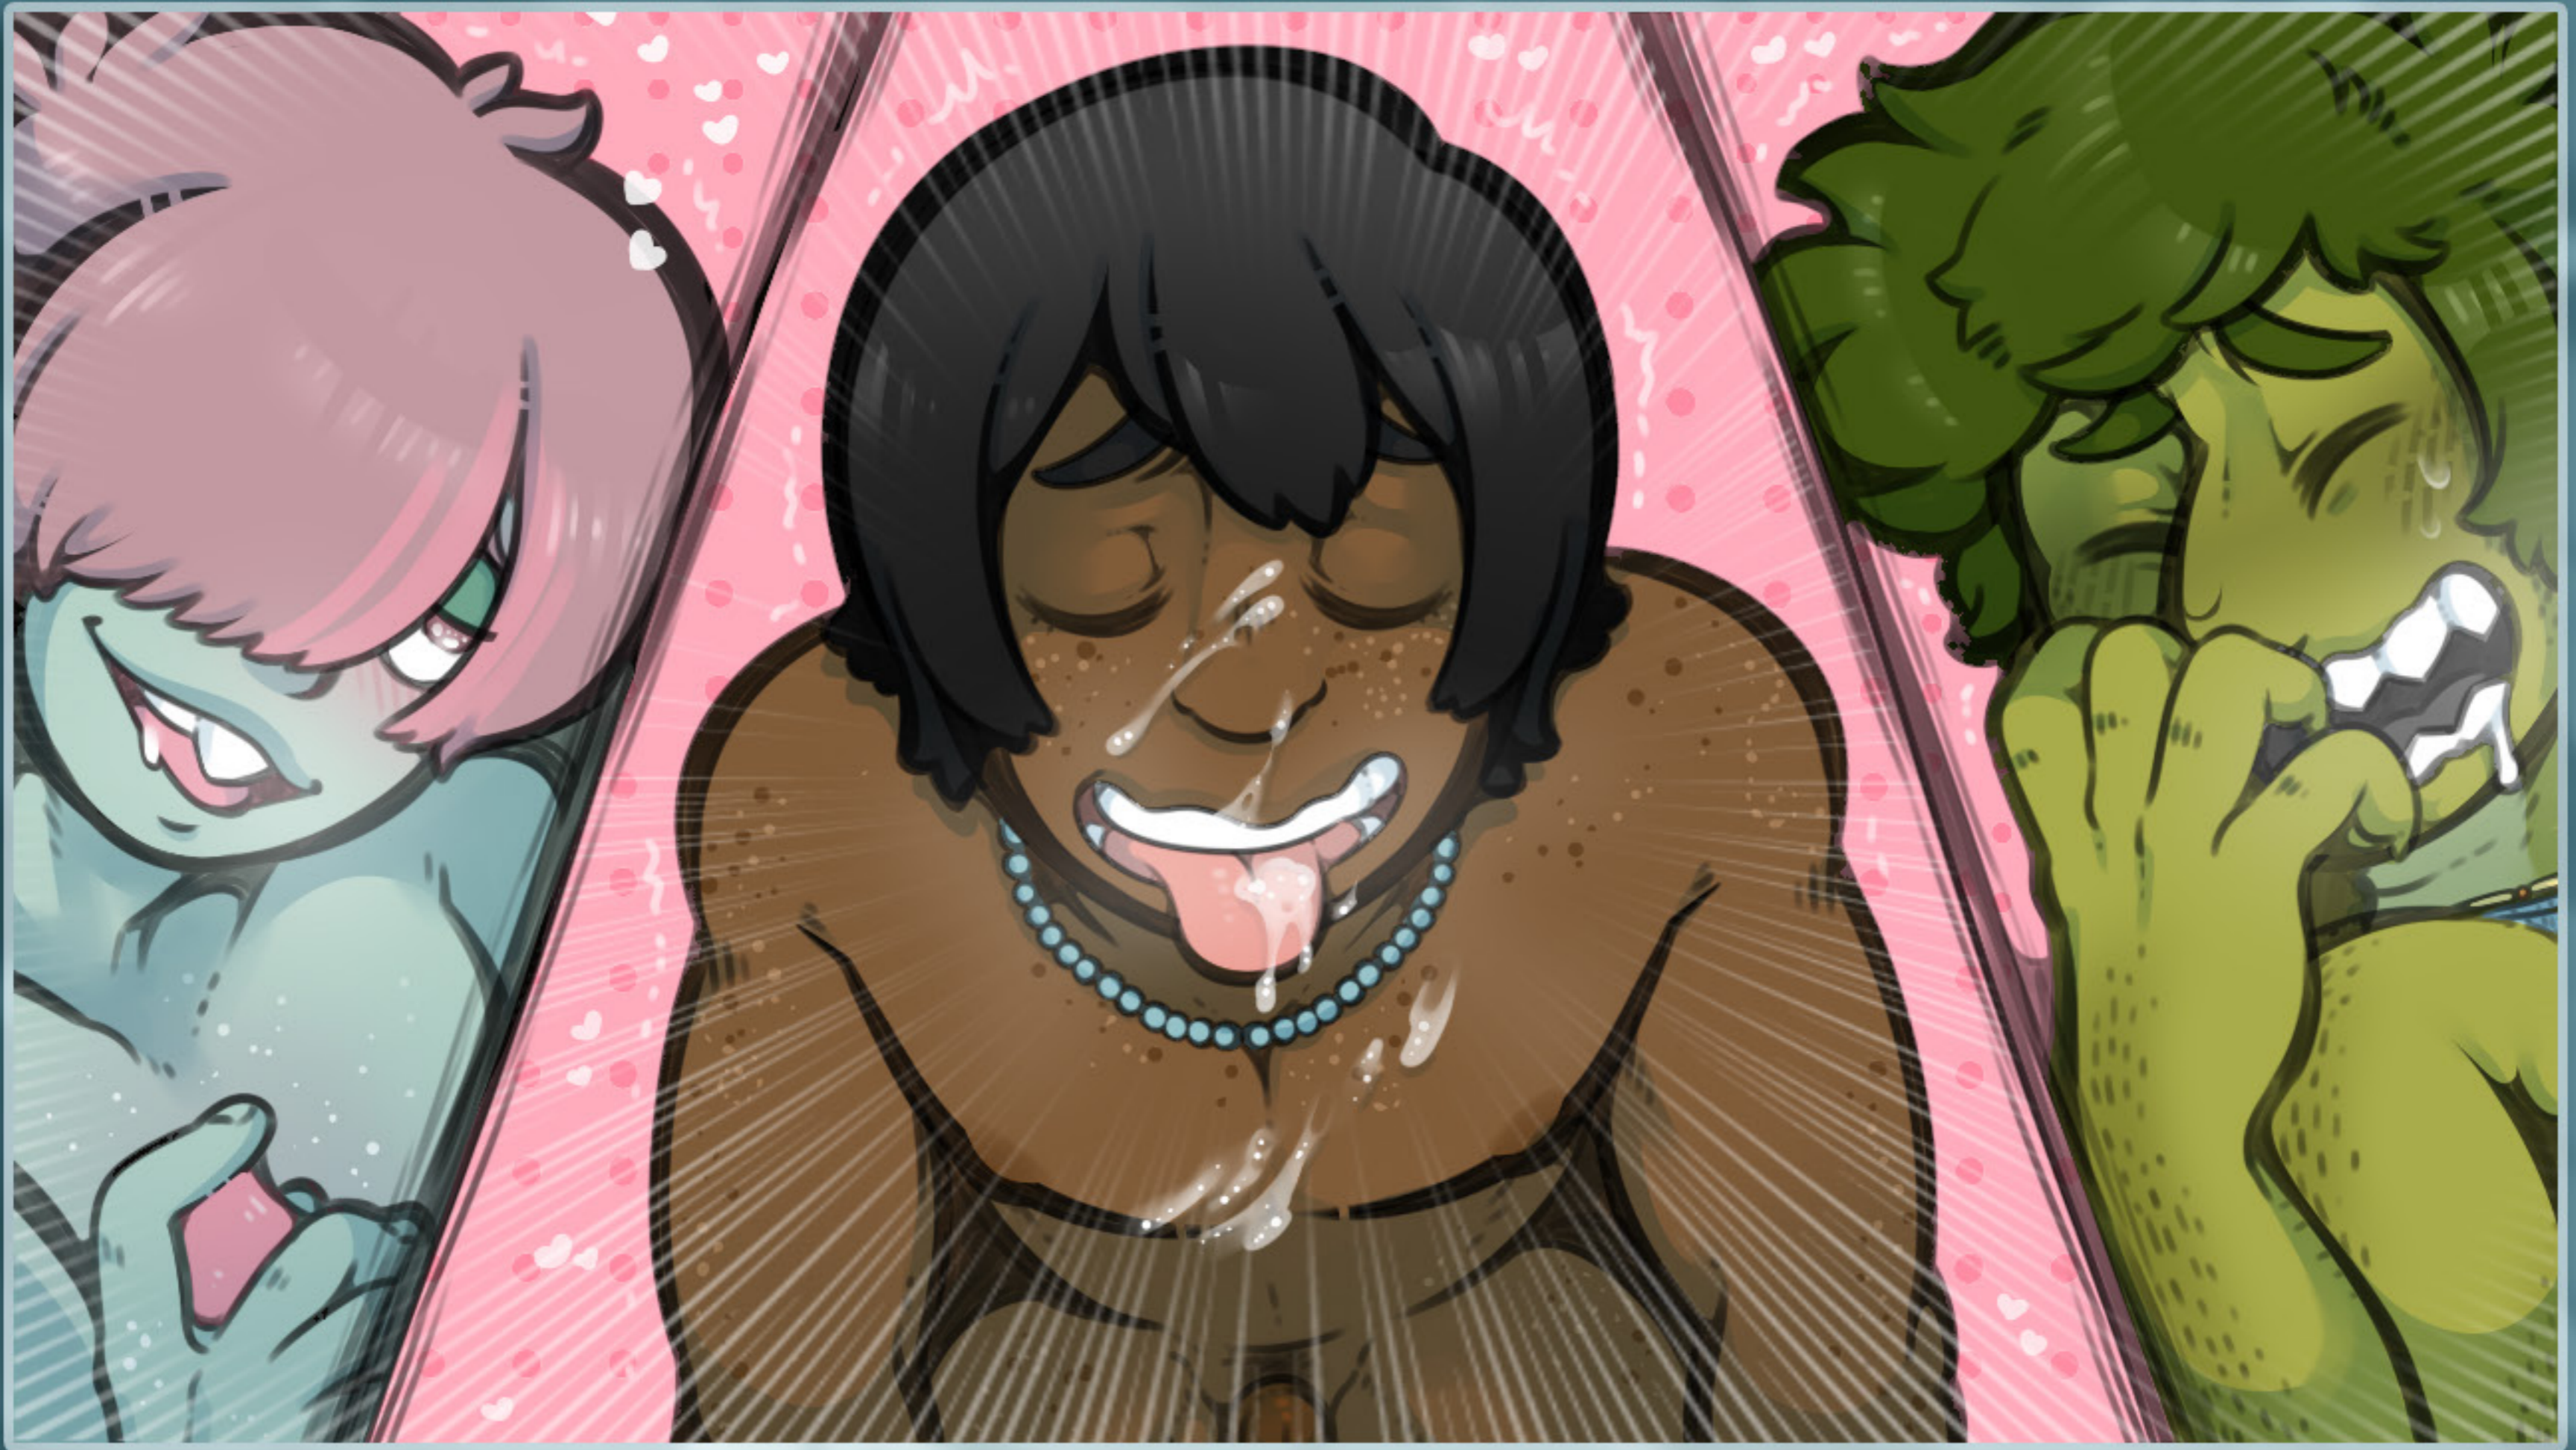

DCS: Porn is nothing without a few laughs.  
I'm sure Arcade Party agrees.

DCS: The threesome was a lot of work but it was  
so worth it. Nice.

DCS: I had to draw Malik a little goofy cuz like--  
isn't that so fitting?!

DCS: It made my day to be  
able to draw all of Burdoc's teeth...

Big...

Both the sketches down below are YEARS old  
by this point.

Seeing Burdoc with his old personality is still a  
bit odd for me!

These are all a few years old as well-- thus Burdoc being different in a few of them.

I'd really like to turn the drawing to the right into a longer scene...  
Seems like it'd be fun to make!

A more recent drawing a Patron asked for!

DCS: These are all of the original design notes for Tomai, Burdoc, and Malik. As you can see, Burdoc was pretty different personality wise.

For some reason, one of the bigger themes I had in mind when I originally made these three was 'nudity'. I guess it's because of all the fishing and swimming?
