

Name:	Spoon of The Fairy Springs	
Rare (one of a kind)	Worth: 500 GP	
	<p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors.</p> <p>This spoon is depicted as a pink rose with a vine décor etched down the stem. When this spoon is planted into soil, the flower springs open and glows a faint pink. All plant life within 30 feet is restored to be perfectly healthy. If left in the ground over time, the radius will increase 30 feet per day, causing the plant life already inside to grow taller and more vibrant. It is said that all ArchFay have tried hunting this spoon down to strengthen their court.</p>
