
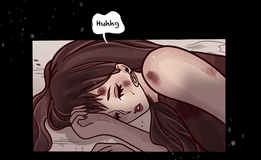
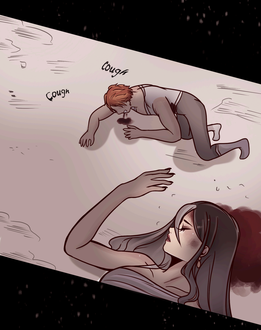
Shhhhh





That hurts.

I can't breathe.

Lilith?

That's how it must end.
Badum
Badum
How it's supposed to end.
That's your destiny Anthéia.

I'll end it all.

Lilith!!

What kind of nightmare?
The one that makes you sweat.
Someone I know snatched my heart.
Saying that it was my destiny.
ARE YOU KIDDING ME?
N-no!
Anthéal Cyera told me that she was making weird dreams about you.
And that maybe Anastasia was mad at you.
And now what? You're dreaming about your death!
...
Aren't you scared?
Are you going to tell me what the f*ck is going on?
Because I'm scared.
I have to tell her...

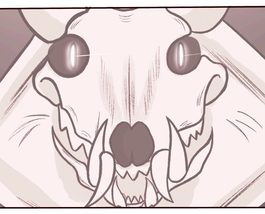
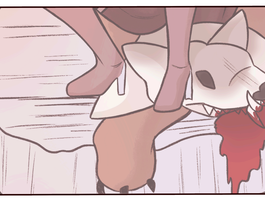
That day... when I ran into a tracker.

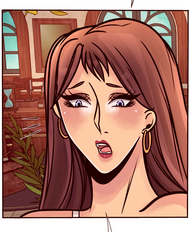


The only reason I came back home safely is because...

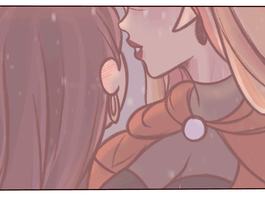


She killed it before it saw me.

She saved me.



And she continued to protect me after that.



She's not a menace.

...

... who are you talking about...?
