

# GIRLS WITH DICKS

An illustrated guide to understanding  
the reality & fiction in hentai & porn

BY DSAN

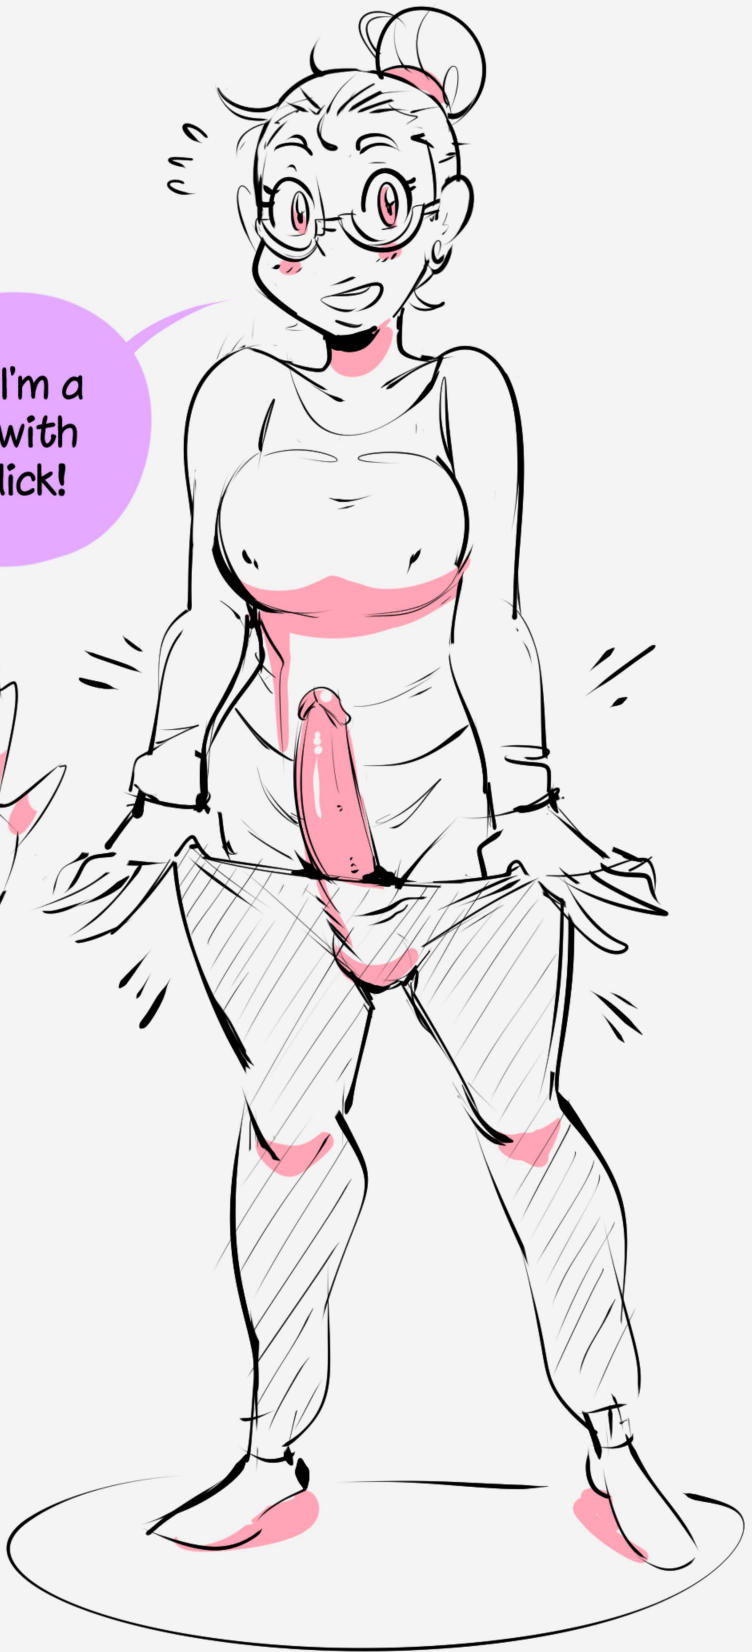

There sure is a lot of porn out there!

Hi there!

I'm Janet, from the webcomic Cup O' Love!

Janet

And I'm a girl with a dick!

This comic will try to help you understand the difference between fiction and reality...

Behold! A girl dick!

...and share some niche fetishes in the genre.

Hopefully, you'll get some 'bang for your buck' as well!

To start things off, I'm a character called a "Futanari"

A futanari has both female and male bits.

I don't prefer futanari though.

I prefer Intersex!

I'm an exaggerated caricature of an intersex person.

The reason...AH... for that...MMM... is that you can get shots... like this!

AHH!!!

In the hentai community, Futanari is a very popular niche fetish.

Dick from Clit, No Balls

Enlarged Clit

Magical, out of the vagina dick

Check out Bible Black for this type.

There are different types too...

Futanari is a Japanese term for hermaphrodite.

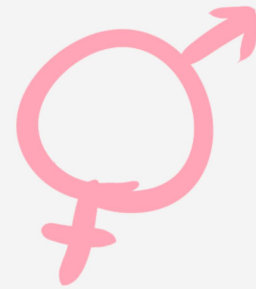

However, that term is irrelevant, and even futanari is a rude term to refer to someone.

(Some people are ok with futanari, but that's up to them!)

The best term is Intersex.

Intersex is a category that reflects real biological variation.

This means any variation is possible; a girl can be born with a large clitoris, or a boy can have penis, testes and even a uterus.

That covers the education part!

Time for the porn!

Transgender

"FTM"  
Female  
to  
Male

"MTF"  
Male  
to  
Female

Homemade trans porn  
is on the rise!

Cute couples  
take the  
director's chair  
& share their  
sex lives with  
fans!

Good terms:  
  
Trans-male  
Trans-female  
Genderfluid  
Amdrogynous

Check out Shiritrap and Nicko Wolfe for  
some awesome MTF on FTM content!

Crossdressing

People that usually go solo.

Some are boys, some are girls but in the end they are always sexy!

Most performers prefer their specified pronouns, while some individuals are alright with "trap"

(Like futanari, the term trap can be rude unless the individual prefers it)

Gender-Bending

That was the real stuff...

Now time for the stuff only found in fiction!

By some twist of fate, (the plot) boys suddenly turn into girls!

This is a form of role-reversal

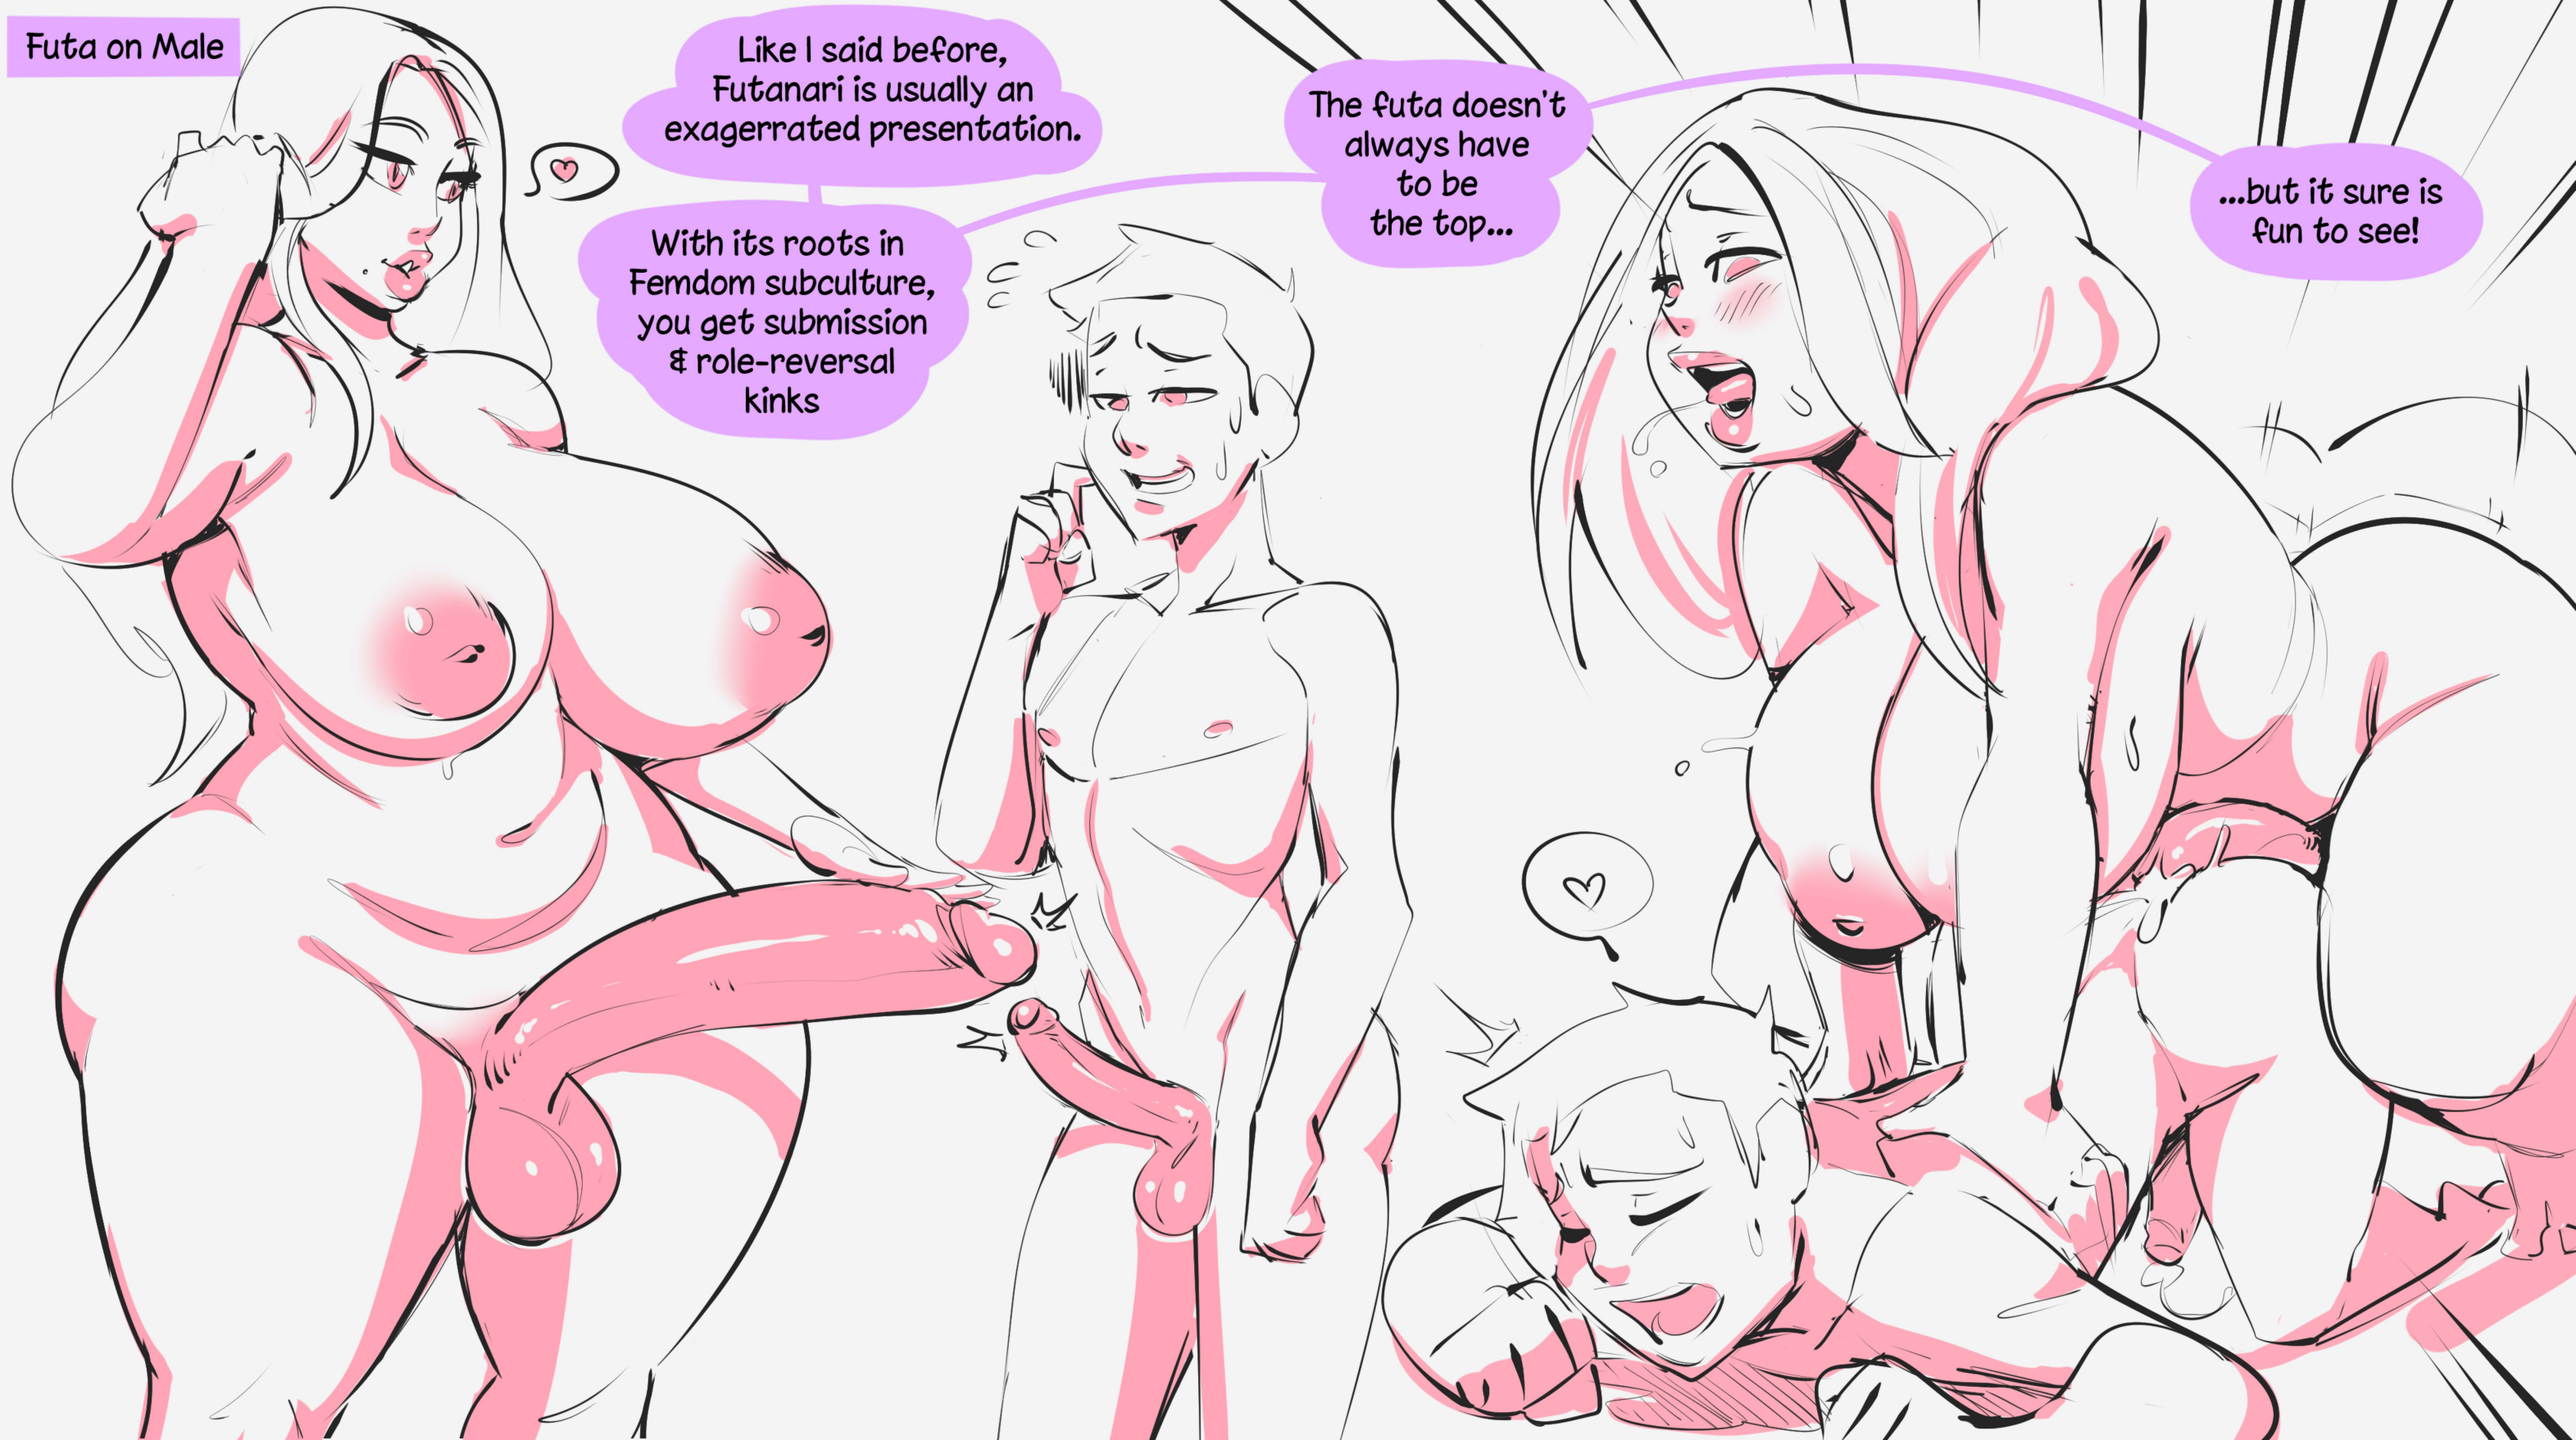

Futa on Male

Like I said before,  
Futanari is usually an  
exaggerated presentation.

With its roots in  
Femdom subculture,  
you get submission  
& role-reversal  
kinks

The futa doesn't  
always have  
to be  
the top...

...but it sure is  
fun to see!

Futa-Furries

Catgirls, Dragons, Canines & even Whales get the futa treatment.

Often referred to as "Herms" since the mid-90's

The furry community takes exaggeration to a whole new level!

That about wraps up the basics!

This was really more of a quick overview of the subject

There is waaaay more perversion out there!

Ack!

Some people think liking girls with dicks make you gay, but that's not the case...

At the end of the day, what you do in your free time is your business.

And besides, if a cute girl stands in front of you expecting a blowjob...

...you wouldn't want to disappoint her...

Would you?
