Jayne this mission is essential to the fulfillment of our plans. I can get you into the server room, but you will need to gain access to the brain scan files.

I'd prefer you didn't. I have something that will make her more cooperative, but she'll still need persuading.

I'm confident you will. There's one other matter. This will either be your final job for us, or you must join our organization.

I can get myself into the server room. That's the easy part. That data is protected by an encrypted password. I'll need a way to get the technician to cooperate. Is torture allowed?

I'll handle that. Don't worry.

Dr Williams I've completed every mission perfectly. I'm ready to be let in.

To join our organization, you'll need to complete the mission with this inserted.

We need to know how you perform under pressure. Now please lift up your skirt.

Dr Williams is that a good idea?

♥Yes Doctor.♥

Jayne you seem to be leaking already. I haven't even put it in yet.

Jayne I need you to always maintain control. You're not allowed to cum until I give you permission.

♥ I'm sorry Doctor. It's just everytime we meet you do these things to me. ♥

♥ Yes Doctor! ♥

OUR  
OWN  
OF  
ZING

♥ AAHHH!!! So Deep! ♥

If you cum without permission, you fail the test. I need to know that I can trust you to maintain control.

You haven't felt anything yet. Are you ready for more?

♥ AAAHHH!!! Doctor... I can't... ♥

♥ I'm trying Doctor. Oh God! This feels so good! ♥

♥ Yes Doctor! ♥

BUZZZZ

That's O.K. pre-cum doesn't count, but no orgasms.

Until I decide to stop. For asking we're going to go longer.

Oh really?

♥00000!!! Doctor I can't stop it leaking out.♥

♥Oh God Doctor how much longer?♥

♥It's too intense.♥

BUZZZZZ

I see you like the electric shock feature.  
Remember to maintain control.

♥ AAAAAH!!! ♥

♥AAAAAA!!! Doctor it's leaking out!♥

Don't worry my dear, I certain amount of leaking is unavoidable. You didn't cum and that's all that matters. I've turned it down. I think you're ready for your mission.

♥Thank you Doctor.♥

Jayne do you need anything before you start the mission?

♥Dr Williams it looks like you've developed a...  
"situation". Is there anything I can help you with  
it before I go?♥

♥Why don't you make yourself more comfortable  
and have a seat. I'll take care of everything Doctor.♥

Well it would be unprofessional for me to see clients in  
my current state. If you could help alleviate the problem  
I would appreciate that.

I put myself in your capable hands. Your professionalism  
is duly noted.

♥ Oh Yes, please continue. ♥

♥ Does this help Doctor? ♥

♥ My pleasure Doctor. ♥

Jayne I'm looking forward to see how you handle yourself.

Trust me Dr Williams. You ain'y seen nothing yet. I have skills you wouldn't believe.

**What is it?**

**Dr Williams you are without a doubt  
he most interesting employer I've  
ever worked for.**

**Take this and be extremely careful handling  
it. Use it on the Technician.**

**It's a powerful aphrodisiac invented by my  
my partner Dr Mertens. It's based on her  
hucow formula.**

**Wait till you meet Dr Mertens.**

All right Jayne this is your big chance. You've got this!

AUTHORIZED  
PERSONEL ONLY

**This is a secure room. What are you doing here?**

**I met with the Director this morning, and he didn't say anything about this.**

**I'm the security consultant that was hired to review your protocols. The Director should have called you.**

**Well give him a call.**

Ow!

Yes Jayne I can hear and see everything. Thank you.

You need to be milked Eka, that will ease the aching you feel.

She's all yours Jayne.

Dr Williams? What did you do to me? My breasts hurt! My breasts feel . . . full?! They're so full what did you do?!

Milked?! Oh God! This is because I refused to help you and Dr Mertens with your evil plan! Oh God! You're turning me into a hucow?!

Dr Williams I've rerouted the surveillance system. Do you have video and audio?

Eka we're going to have some fun, and you're going to give me your security codes.

♥ You didn't wear panties today, and your pussy is already dripping. ♥

♥ You're a little slut! There's nothing to explain.  
Dr Williams knows how to pick them. Let's have  
some fun. ♥

♥ You don't really want me to stop. Tell  
me what you really want. ♥

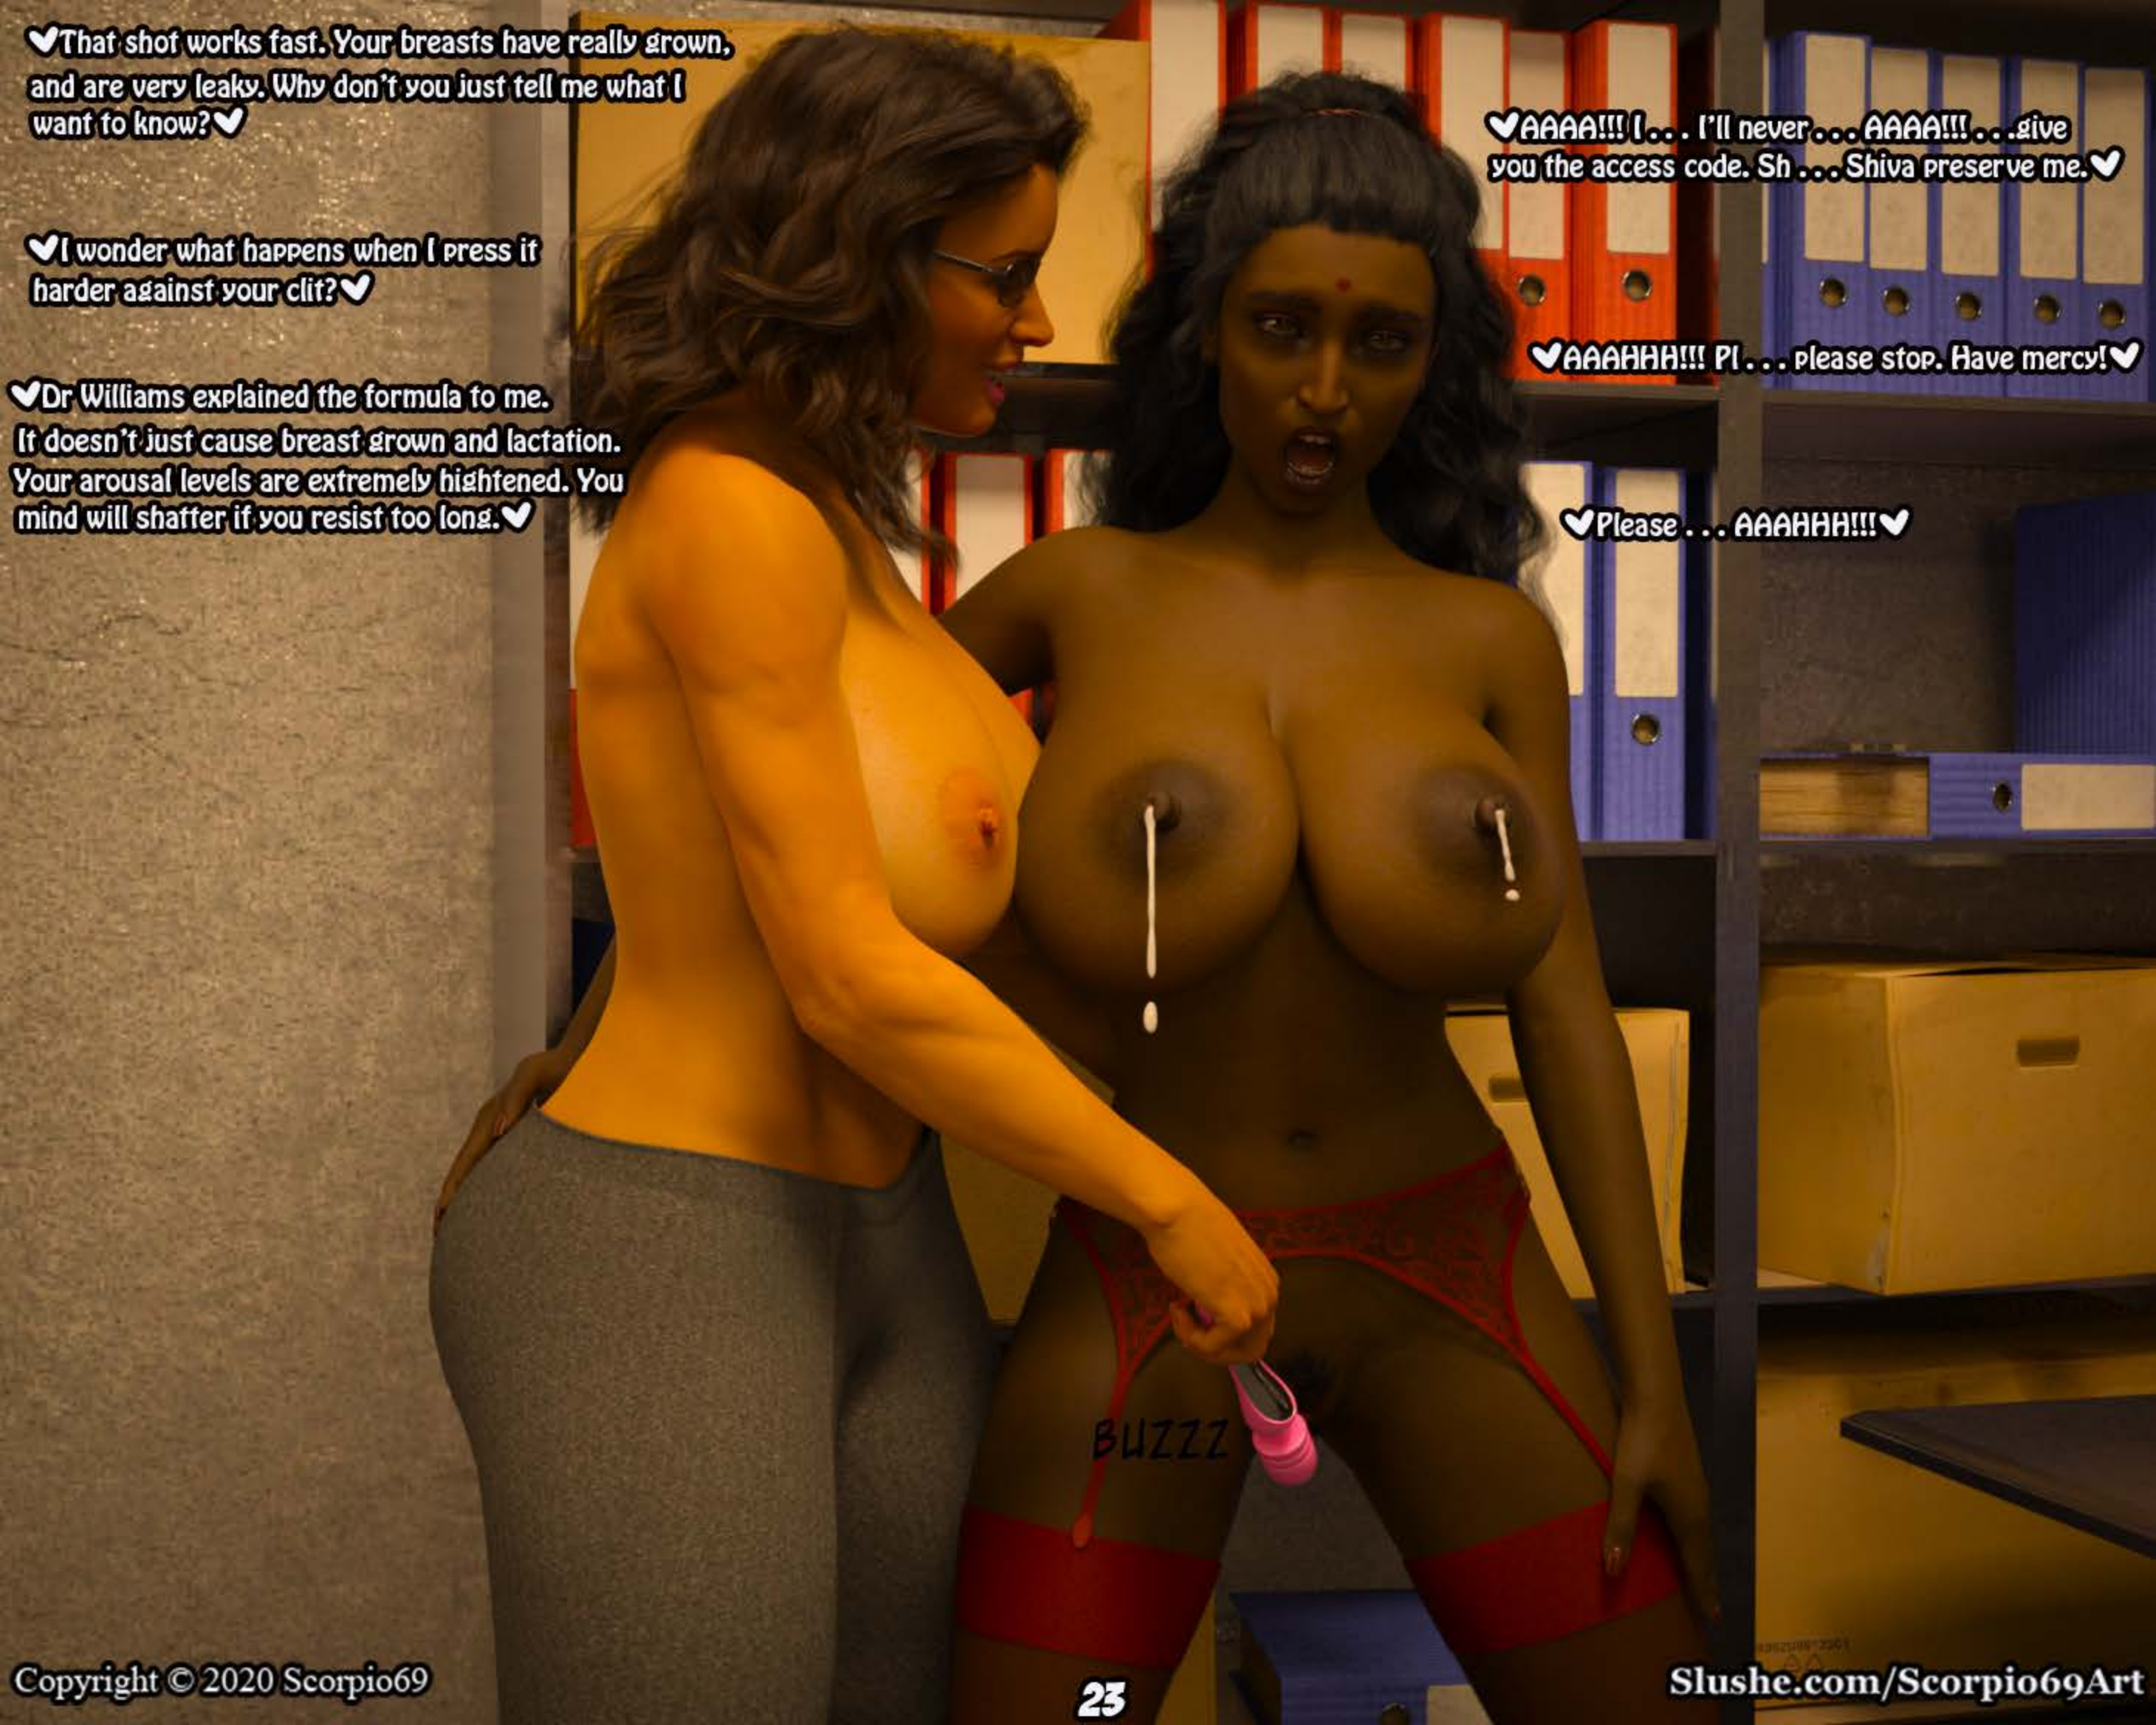

♥ I ... I can ... AAAA!!! ... explain. ♥

♥ I'm not a slut ... it's just ...  
Oh God, please don't touch  
me like that ... AAA!!! ♥

♥ Please st ... st ...  
ki ... kiss me. ♥

♥That shot works fast. Your breasts have really grown, and are very leaky. Why don't you just tell me what I want to know?♥

♥I wonder what happens when I press it harder against your clit?♥

♥Dr Williams explained the formula to me. It doesn't just cause breast grown and lactation. Your arousal levels are extremely heightened. Your mind will shatter if you resist too long.♥

♥AAAA!!! I... I'll never... AAAA!!! ...give you the access code. Sh... Shiva preserve me.♥

♥AAAHHH!!! Pl... please stop. Have mercy!♥

♥Please... AAAHHH!!!♥

BUZZZ

♥AAAAHHH!!!♥

♥You'll break eventually and I've got all day.♥

Actually Jayne, you don't. Here's some motivation.

Dr Williams wait... don't!

BUZZZ

Jayne she needs to give you her access code before you cum.

♥ AAAHHH!!! Don't touch it! ♥

BUZZZ

♥ It's so big! I need it! ♥

Remember Jayne - Control. You can do this, I believe in you.

BUZZZ

♥They keep growing bigger! Please don't squeeze them like that, they're so sensitive.♥

♥Look at these milk-filled beauties. You look like a proper hucow slut.♥

♥ You mean don't squeeze them like this? ♥

♥ AAAHHH!!! ♥

♥ See something you like Eka? ♥

♥ And you won't suck one now unless you beg me like a good slut. ♥

♥ What did you say? ♥

♥ You know the price little slut. ♥

♥ Mistress! ♥

♥ Since you begged so nicely - yes. ♥

♥ I... I've never sucked a cock before. ♥

♥ Please! I'm not a slut, you and Dr Williams did this too me. Oh my breasts hurt so good! ♥

♥ I... um I meant bad. I'm confused ... ♥

♥ I need your cock. Please let me suck it. ♥

♥ Mistress please let me suck your cock. ♥

♥ That's a good little slut. If you want that dick, you need to suck it deeper. ♥

♥0000! Go Slow! Go Slow! AAAA! It's So Big!♥

♥Don't worry, I'll let you get used to but you're taking every inch.♥

Jayne I don't think you're trying hard enough. Let me motivate you.

♡ So Deep! ♡

♡ AAAAAH!!! ♡

BUZZZZ

Fuck I'm so close, I can't last much longer!. Her ass is so tight!

♥NNNNNN!!!♥

♥AAAAHHH!!! My Ass! I can't.....♥

BUZZZZZZ

Nicely done Jayne. You may cum whenever you please.

♥ AAAHHH!!! I'll talk. I'll talk! ♥

♥ YES!!! ♥

AAAHHH!!!

Jayne you've done an excellent job.  
Our mutual friend was right to recommend  
you. It's time for you to meet Dr Mertens.

Dr Williams you should see the  
data feed coming in now. It will  
take a few hours to complete.

Thank you Doctor.

The effects should last for a few more hours, then she'll return to normal. Just lock the door behind you, so she won't be disturbed.

♥ I'm sorry to leave you so messy, but I have to go. Dr. Williams how long will she be like this? She seems out of control? ♥

♥ I had fun today, and I think you did too. I left you my number. Call me when you're ready for round two. I'll bring more of the huCow formula. ♥

♥ AAAAAH!!! ♥
