

Bimbo Nurses - Chapter 16

Two bimbos, a hottie, and her boyfriend all hanging out on the beach? I think we know where this is going!

Story Outline
by Noreborio

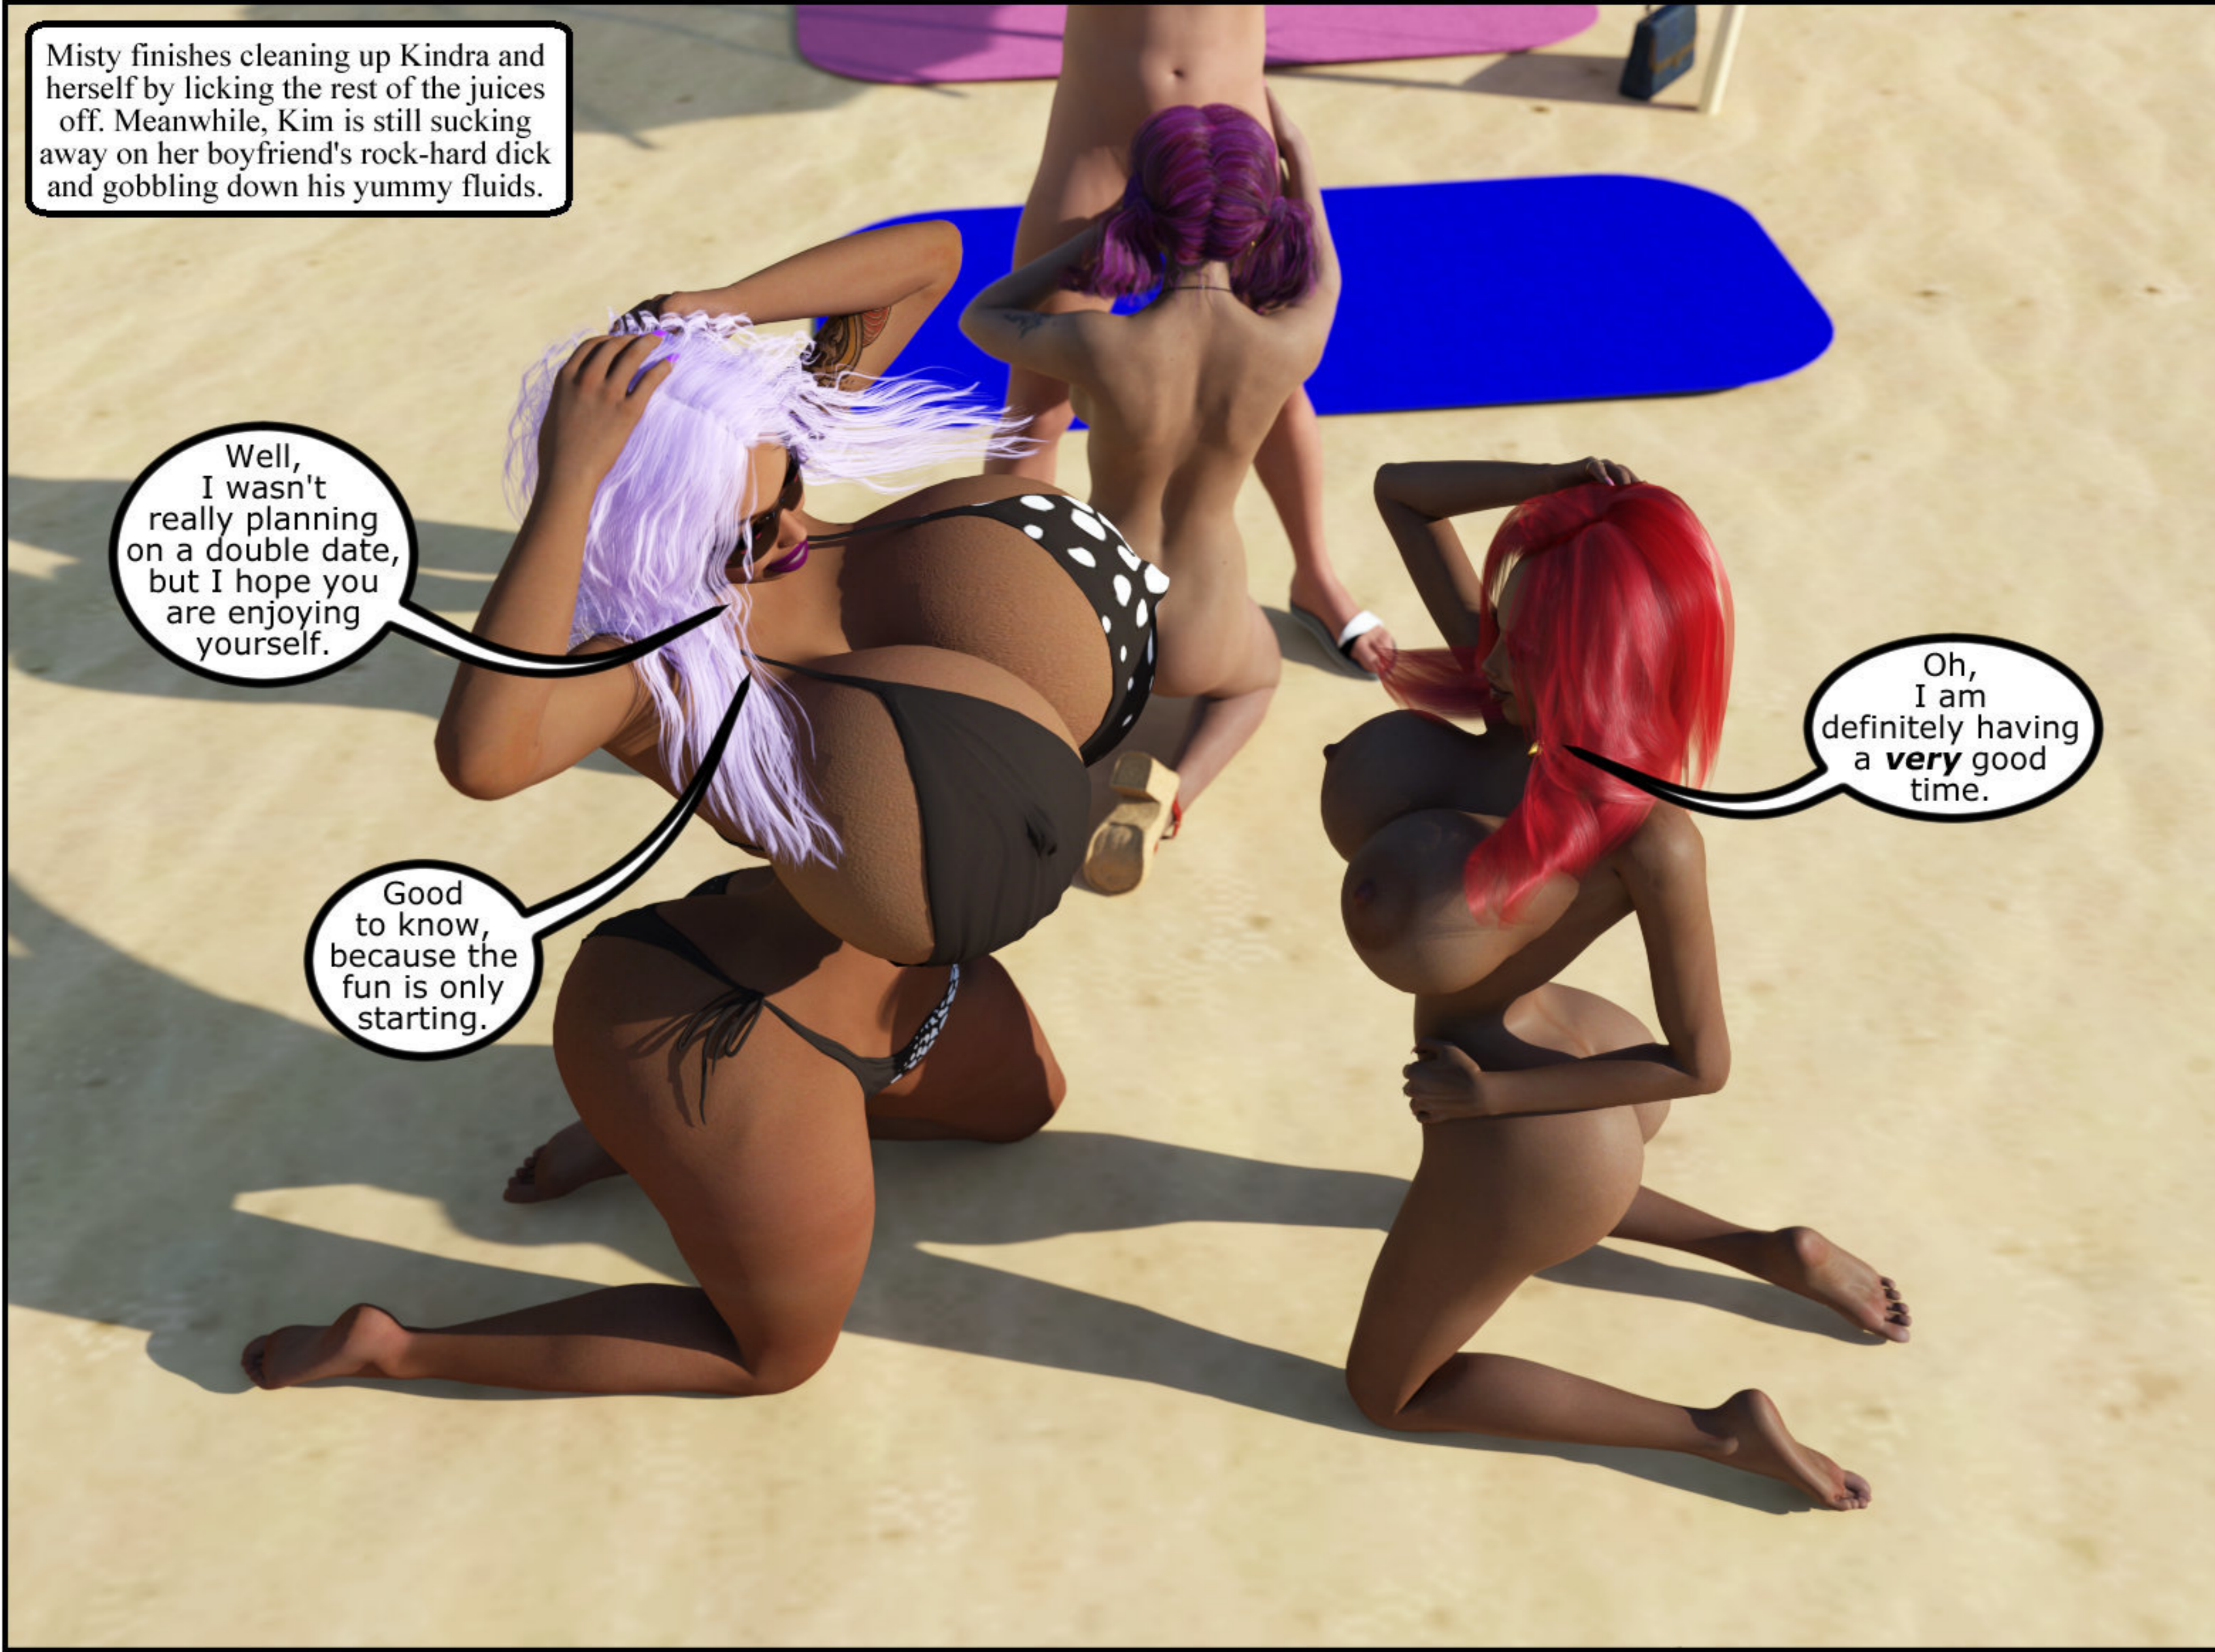

Art by Mr Phoenyxx

Misty finishes cleaning up Kindra and herself by licking the rest of the juices off. Meanwhile, Kim is still sucking away on her boyfriend's rock-hard dick and gobbling down his yummy fluids.

Well, I wasn't really planning on a double date, but I hope you are enjoying yourself.

Good to know, because the fun is only starting.

Oh, I am definitely having a **very** good time.

Fuck
yeah! Just
like that, babe!
That feels so
good!

Looks
like we're
not the only ones
that are having
a good
time!

She's
not bad.
Actually, she's
pretty good. Sounds
like she has
excellent
suction!

Maybe
you could
give her some
pointers like you
did with
me?

Kindra and Misty take a moment to admire Kim's technique, as she sucks away on Ryan's cock. Kim relishes the delicious taste of Ryan's fluids mixing with Kindra's. It motivates her to suck even harder as her sexy spectators watch all the action.

She's a great teacher, and something of an expert.

giggle
There's so much more than just sucking that I can teach.

Ryan, I'm sure you'll figure out how to repay me. And I'd love to take some lessons from you, Kindra.

You sure seem eager today, not that I'm complaining about that at all.

Kim finishes off her boyfriend and stands up. A little bit of his jizz still drips from her, as she lets Kindra know that she can't quite take all of Ryan's length. She stares at Kindra's thick lips, thinking that she is likely a bit of an expert on the subject.

Misty gets up and struts her way toward Kim, eyeing her hungrily. Kim begins to ask what she has in mind. Misty buries her face in Kim's cleavage, and then starts kissing, nibbling, and licking her way down Kim's body and cleaning up the rest of the fluids as she goes.

Holy...
fuck! I...
damn! This...
feels... sooo good!
Maybe... ohhh... there's
more than... mmmm...
one expert on the
beach today!
Yum!

Wow!
This is quite
something to watch.
Maybe I should be
taking notes,
babe?

That's
a lovely
sentiment. How
do you not have
her do this all
day long,
Kindra?

'Cause
there are so
many other fun
things to do with **and**
to her! Ryan? Can
you give me a
hand here?

With Misty's face buried in
between her legs, Kim struggles to
ask Kindra how the two of them
ever get anything done. Ryan
watches the "proceedings" with
keen interest, as Kindra begins to
strip out of her bikini.

He has good hands, Kim. I think you made a really good choice.

Happy to help! Man, your body is unbelievable, Kindra. Just ridiculous!

Maybe you are not the only one that should be taking some notes? Hmm?

After Kindra's question, Kim urges Ryan to lend her a hand with her outfit. Kindra removes her sunglasses, as Ryan moves in to finish the ties on her top. He runs his hands over her awesome body as he slowly removes her suit.

I helped her and she helped me. I've changed a lot since we first met, but I always think of her when I look in the mirror. Being bimbos has brought us closer.

How are you two this curvy? I mean, it's insane! How is it even possible? Plastic surgery?

Misty finally comes up for air, as Ryan asks the all important question. The one that's been on his and Kim's minds since they saw these two bimbos. While Kindra gives a vague answer, Ryan continues to enjoy every single curve of her fantastic body!

Awww!
That is so sweet!

I love her sexy face so much! And her ass, tits, and lips too!
giggle

By this point, Misty's tongue olympics have gotten her and Kim all worked up. Misty practically jumps on her, driving her to the ground, and straddles her. Kim reaches up to pull her in closer, as Misty fondles her lovely breasts.

I can't wait any longer! Enough with the foreplay! Gimme those titties!

It's not like I've been trying to stop you. Come in here, cutie. I need a kiss.

You really are good with your hands. How do you like my ass?

It feels fucking amazing! You two are fucking amazing!

Rub!

Rub!

giggle
I can tell by how hard you are. You definitely wanna fuck me, but you'll have to wait until I help my good little girl over there.

Once Ryan gets Kindra's clothes off, the two of them turn around so that they can watch the sexy action between their girlfriends. However, their hands never leave each other the whole time. The fondling, caressing, and teasing continues unabated.

Well
maybe I
can help you
both with that?
It would be
my absolute
pleasure!

QqQqohhHhh!!!

Ryan offers to help Kindra help her girlfriend. He positions himself behind Misty, who is still mounted on top of Kim. Kim notices and moves her hands to Misty's waist to help steady her for what comes next. Ryan does not hesitate to slide himself deep inside of her.

Ryan vigorously thrusts in and out of Misty with all his might, pumping his dick deeper and deeper into her hungry hole. Kim and Misty cheer him on, as Kindra talks dirty to her slutty and very sexy girlfriend. One of Kim's hands slips down to her nether regions, and she begins to pleasure herself.

How does it feel, babe? I know you've been craving a big, thick cock in you.

Oh yeah! Harder, baby! Much harder!

Pound her for all you're worth!

Kim, Misty, and Ryan all enjoy themselves for a space of time before they explode in fantastic orgasms. Kindra moans loudly too, enjoying the show that the other three have just put on for her and the state of her girlfriend. Ryan's semen fills Misty up and leaks out onto Kim.

Everyone takes a moment to recuperate. They hold each other closely in their arms. Kim and Ryan flirt with one another while Kindra helps Misty recover. She cuts things a little short though because of what she hears Kim and Ryan saying.

You feel wonderful lying on top of me, but I'm afraid that I'm going to have to ask you to move.

I'm not sure that I... that I can even move yet. I feel... whoa!

That was really hot, but I'd still rather be inside of you, babe.

Mmmm, that was so hot to watch. My finger might not have been enough. I might need that lovely cock right now.

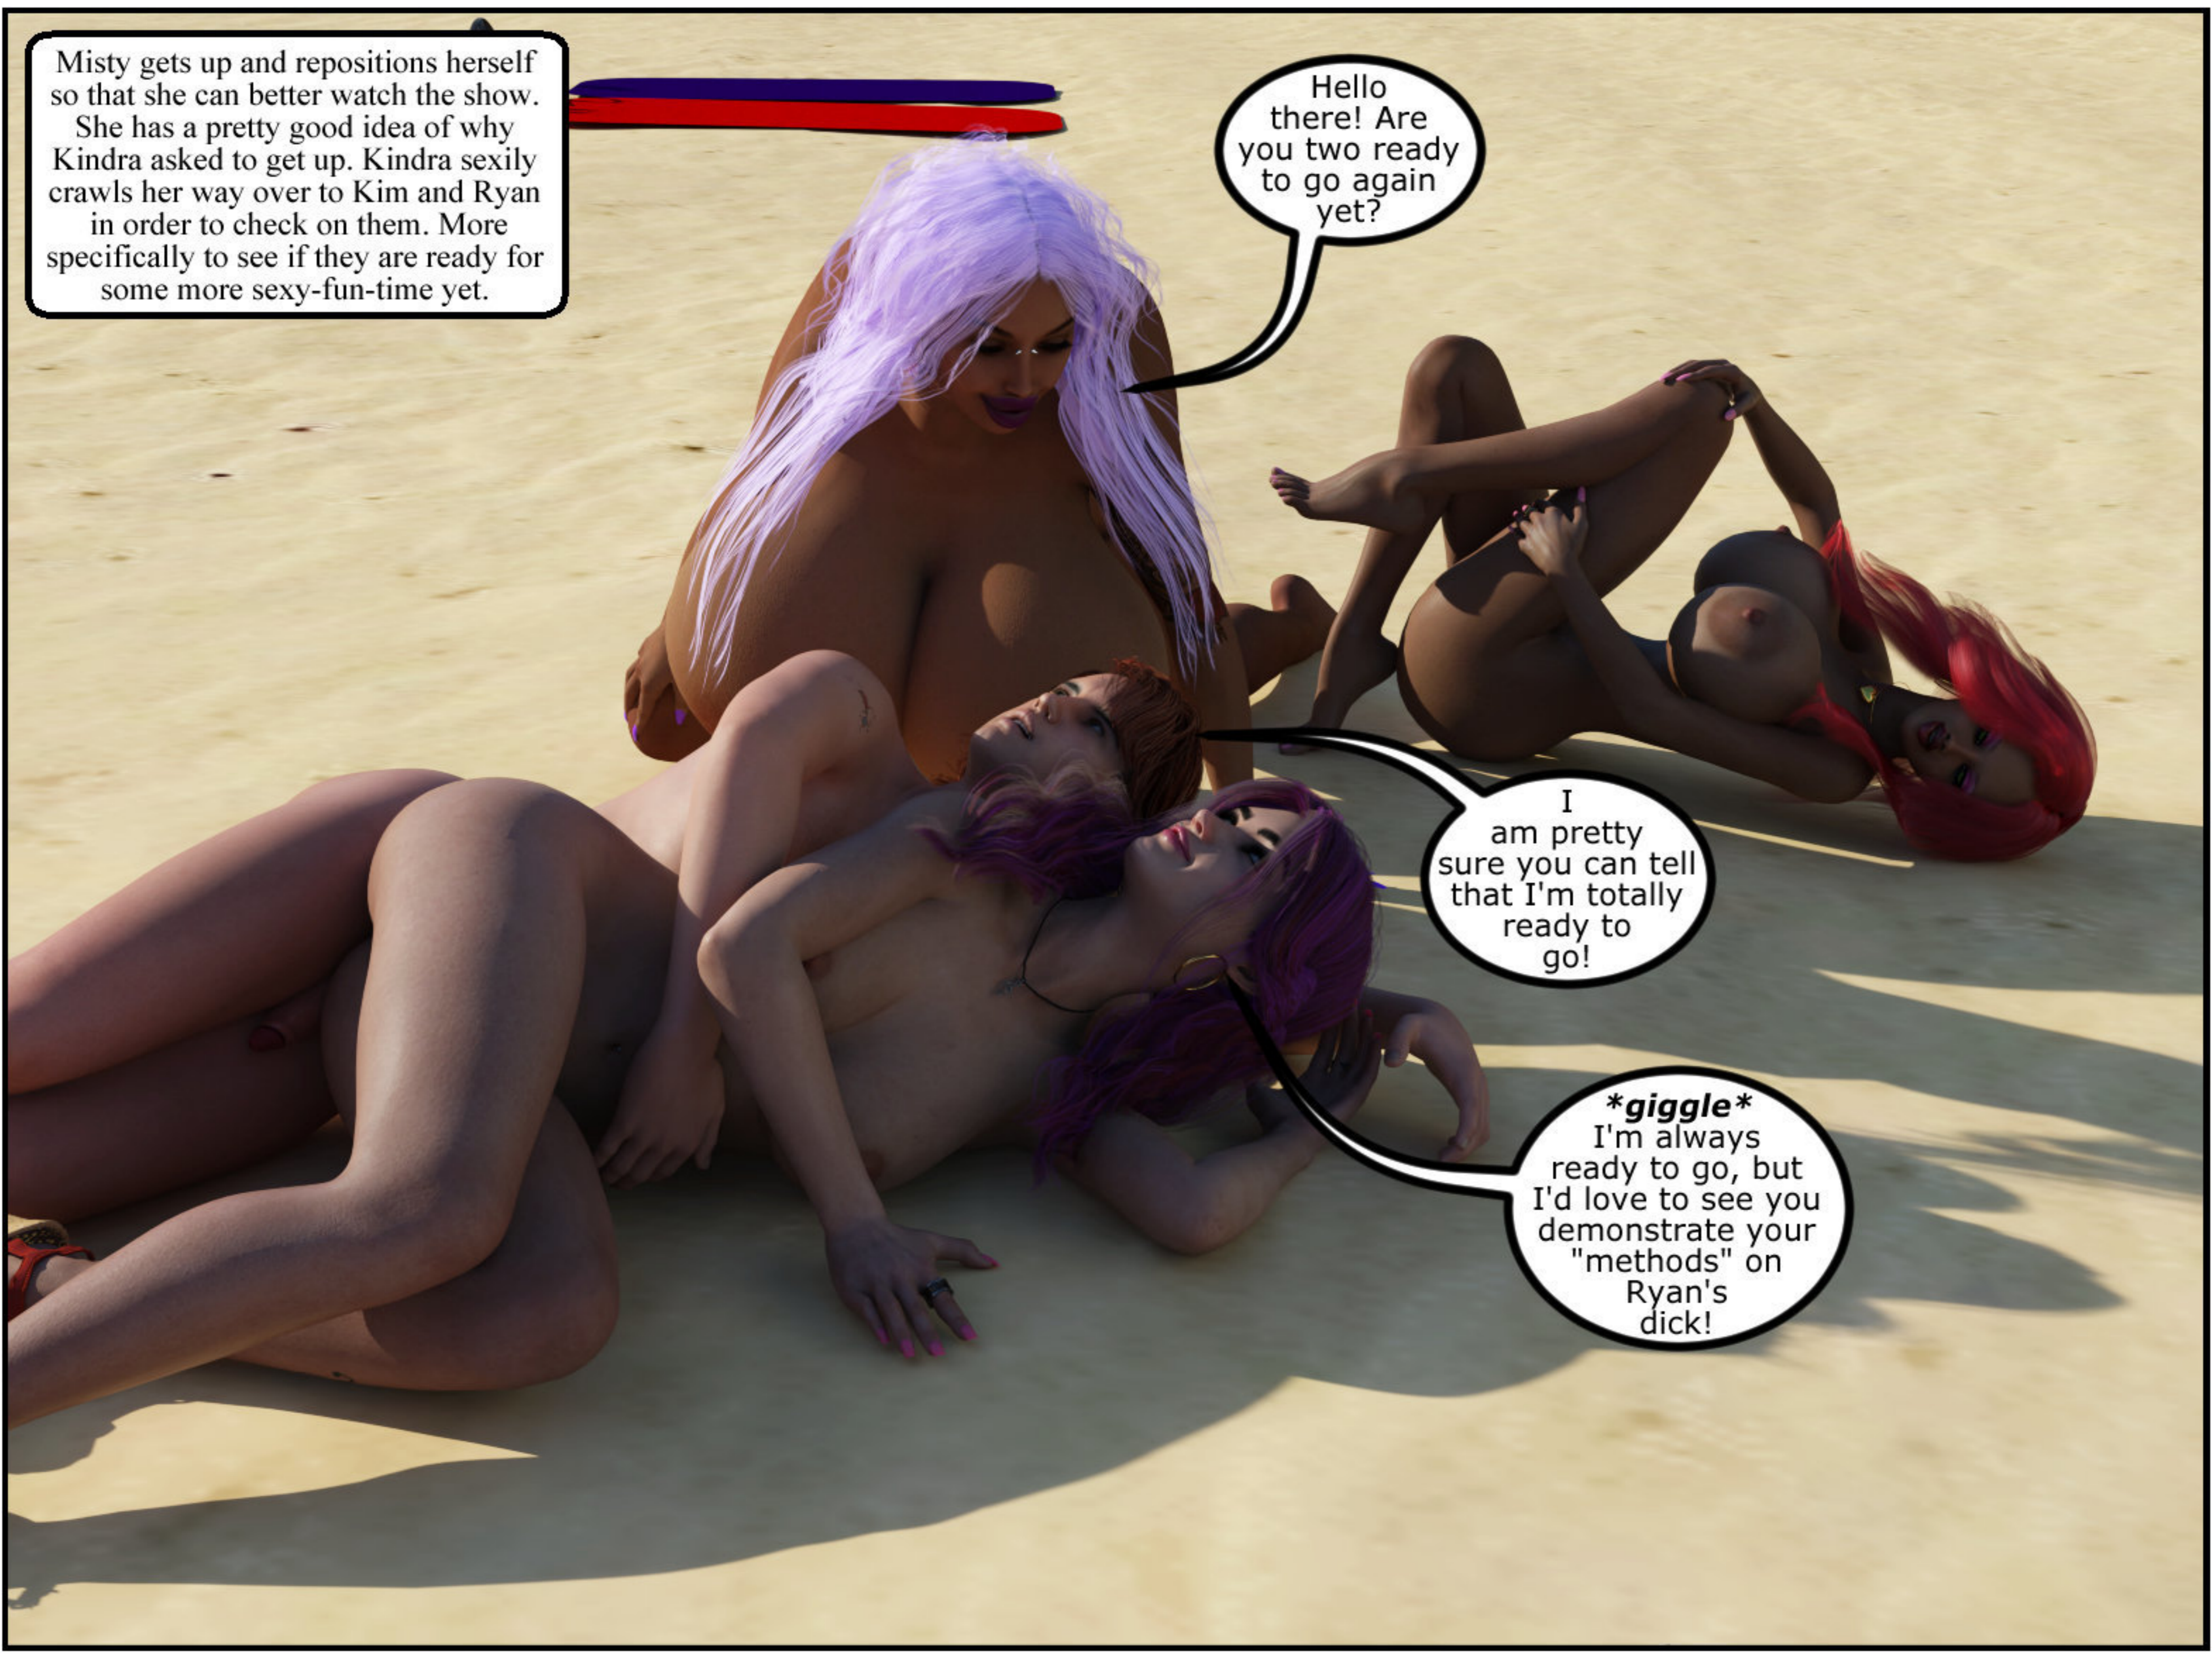

Misty gets up and repositions herself so that she can better watch the show. She has a pretty good idea of why Kindra asked to get up. Kindra sexily crawls her way over to Kim and Ryan in order to check on them. More specifically to see if they are ready for some more sexy-fun-time yet.

Hello there! Are you two ready to go again yet?

I am pretty sure you can tell that I'm totally ready to go!

giggle
I'm always ready to go, but I'd love to see you demonstrate your "methods" on Ryan's dick!

Kim and Ryan shift their positions so that Kindra can have access to Ryan's dick, which is still hard as a rock. Ryan lies back on the sand, while Kindra straddles his face. She grabs his fat member and starts to slowly swallow his cock. She plays with his balls and pumps his shaft at the same time.

Holy shit! Now that is something to watch! She is really choking it all down!

Depthroat!

Kim,
there's no
need to just watch.
You should join
us!

I
thought
you'd never
ask!

Mmmm,
somebody
has clearly been
paying close attention.
Haven't you,
Ryan?

Gawd!
I love
watching you
work. It's so
hot!

MmMmpPppHhh!!

Kindra comes up for air and glances over at Kim, who is licking her lips. Kindra nods her head suggestively and sits up, grinding her crotch deeper into Ryan's face. Kim joins her on top of Ryan and starts bouncing up and down on his delicious cock.

In the middle of having her pussy nearly licked off, Kindra suddenly feels a hand spanking her ass. It looks like Misty decided that she could only watch for so long. She orders Kindra to get up, which gives Kim a tough choice: move from Ryan's fat dick or continue to enjoy herself.

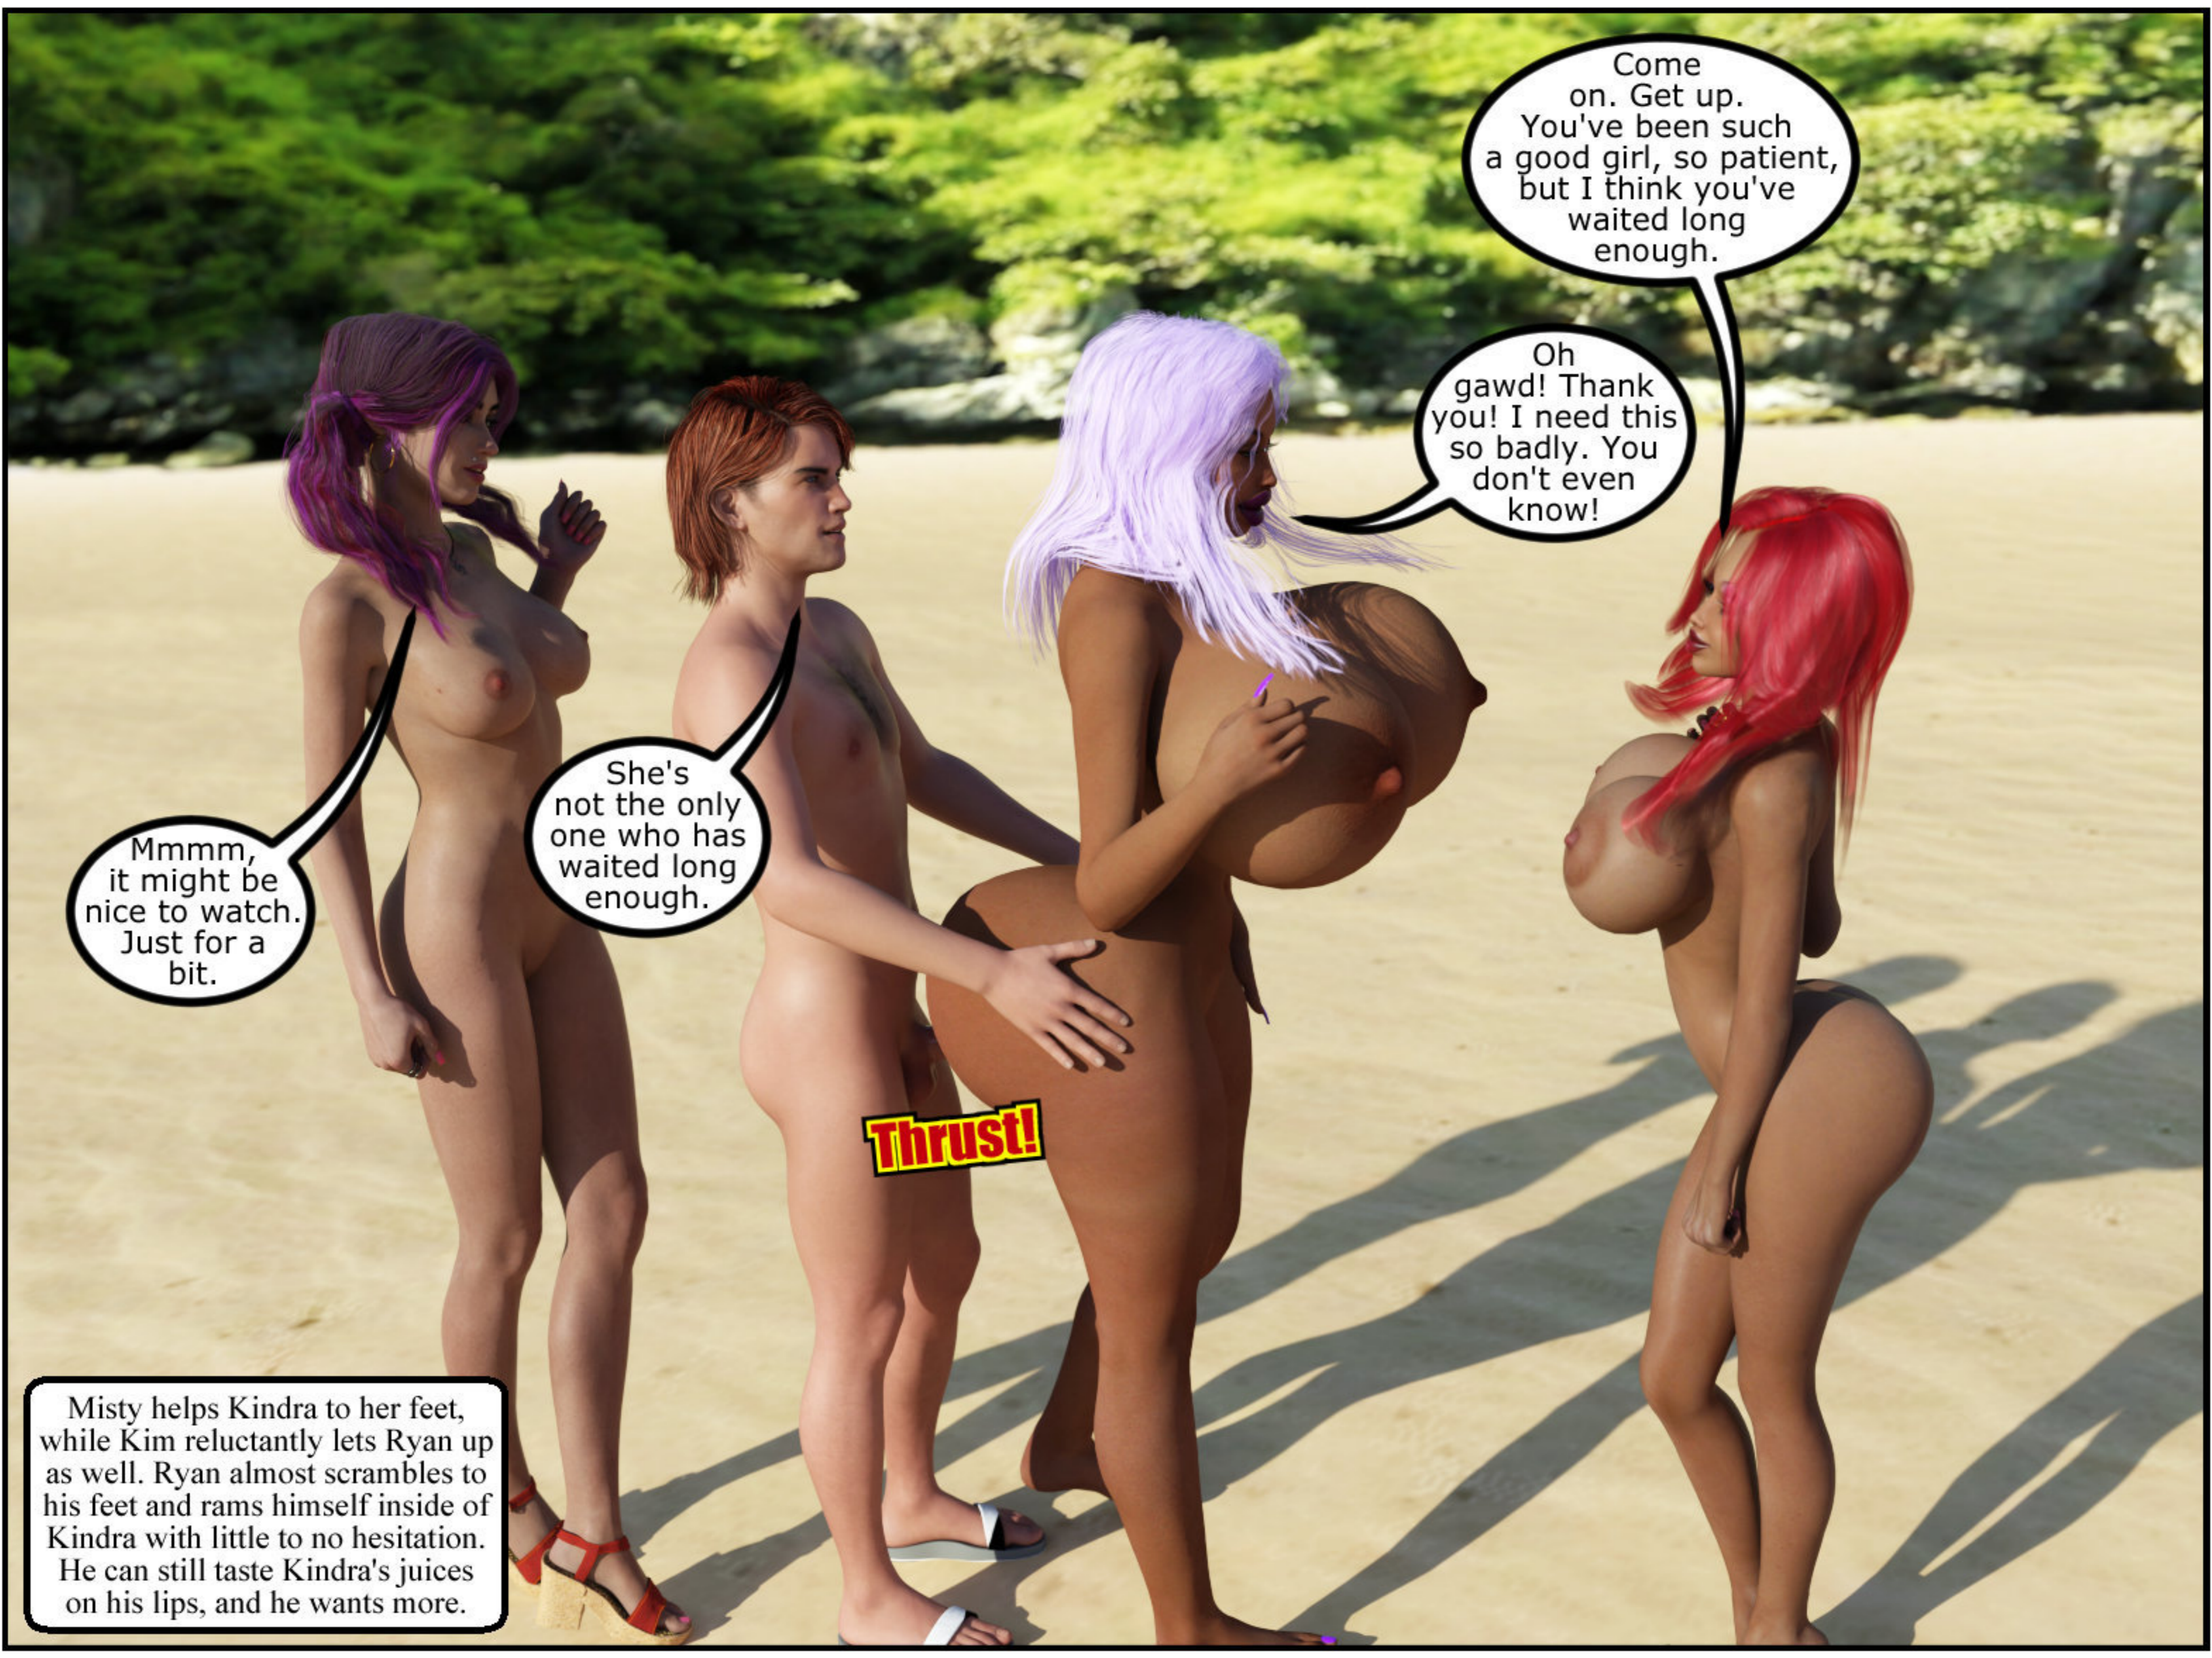

Oh, you frisky minx! Just couldn't keep your hands off!

Get up! It's time for you to get fucked!

Oh my! Decisions, decisions. So much fun to go around!

Slap!

Come on. Get up. You've been such a good girl, so patient, but I think you've waited long enough.

Oh gawd! Thank you! I need this so badly. You don't even know!

She's not the only one who has waited long enough.

Mmmm, it might be nice to watch. Just for a bit.

Thrust!

Misty helps Kindra to her feet, while Kim reluctantly lets Ryan up as well. Ryan almost scrambles to his feet and rams himself inside of Kindra with little to no hesitation. He can still taste Kindra's juices on his lips, and he wants more.

Fuck yeeesss! Ram me like the horny slut that I am. Treat me like your bitch!

She's right. She's just a brainless bimbo and a horny slut. She's only good for one thing.

That's it, honey. Fuck her brains out. Fuck that big, fat ass.

Pump!

Pump!

Ryan pounds away at Kindra, fucking her with everything that he has. The horny bimbo urges him on, though Ryan has no intention of stopping. Misty and Kim cheer the both of them on while they enjoy the show.

Give it to me! Gimme that big, yummy dick of yours!

Oh, I'm giving it to you all right. Take it, slut! Take it all!

Watching them is pretty sexy, but what happens if I do this?

Oh gawd! Just look at that log pumping in and out of her. Look at those tits jiggle and bounce. That is so hot!

Rub!

Rub!

Kim decides that she wants to do more than watch. She slowly saunters her way over to Misty, tracing a hand along both Kindra and her boyfriend as she passes. She positions herself behind Misty, holds her hands against her stomach, and then starts to slowly caress and massage her pussy.

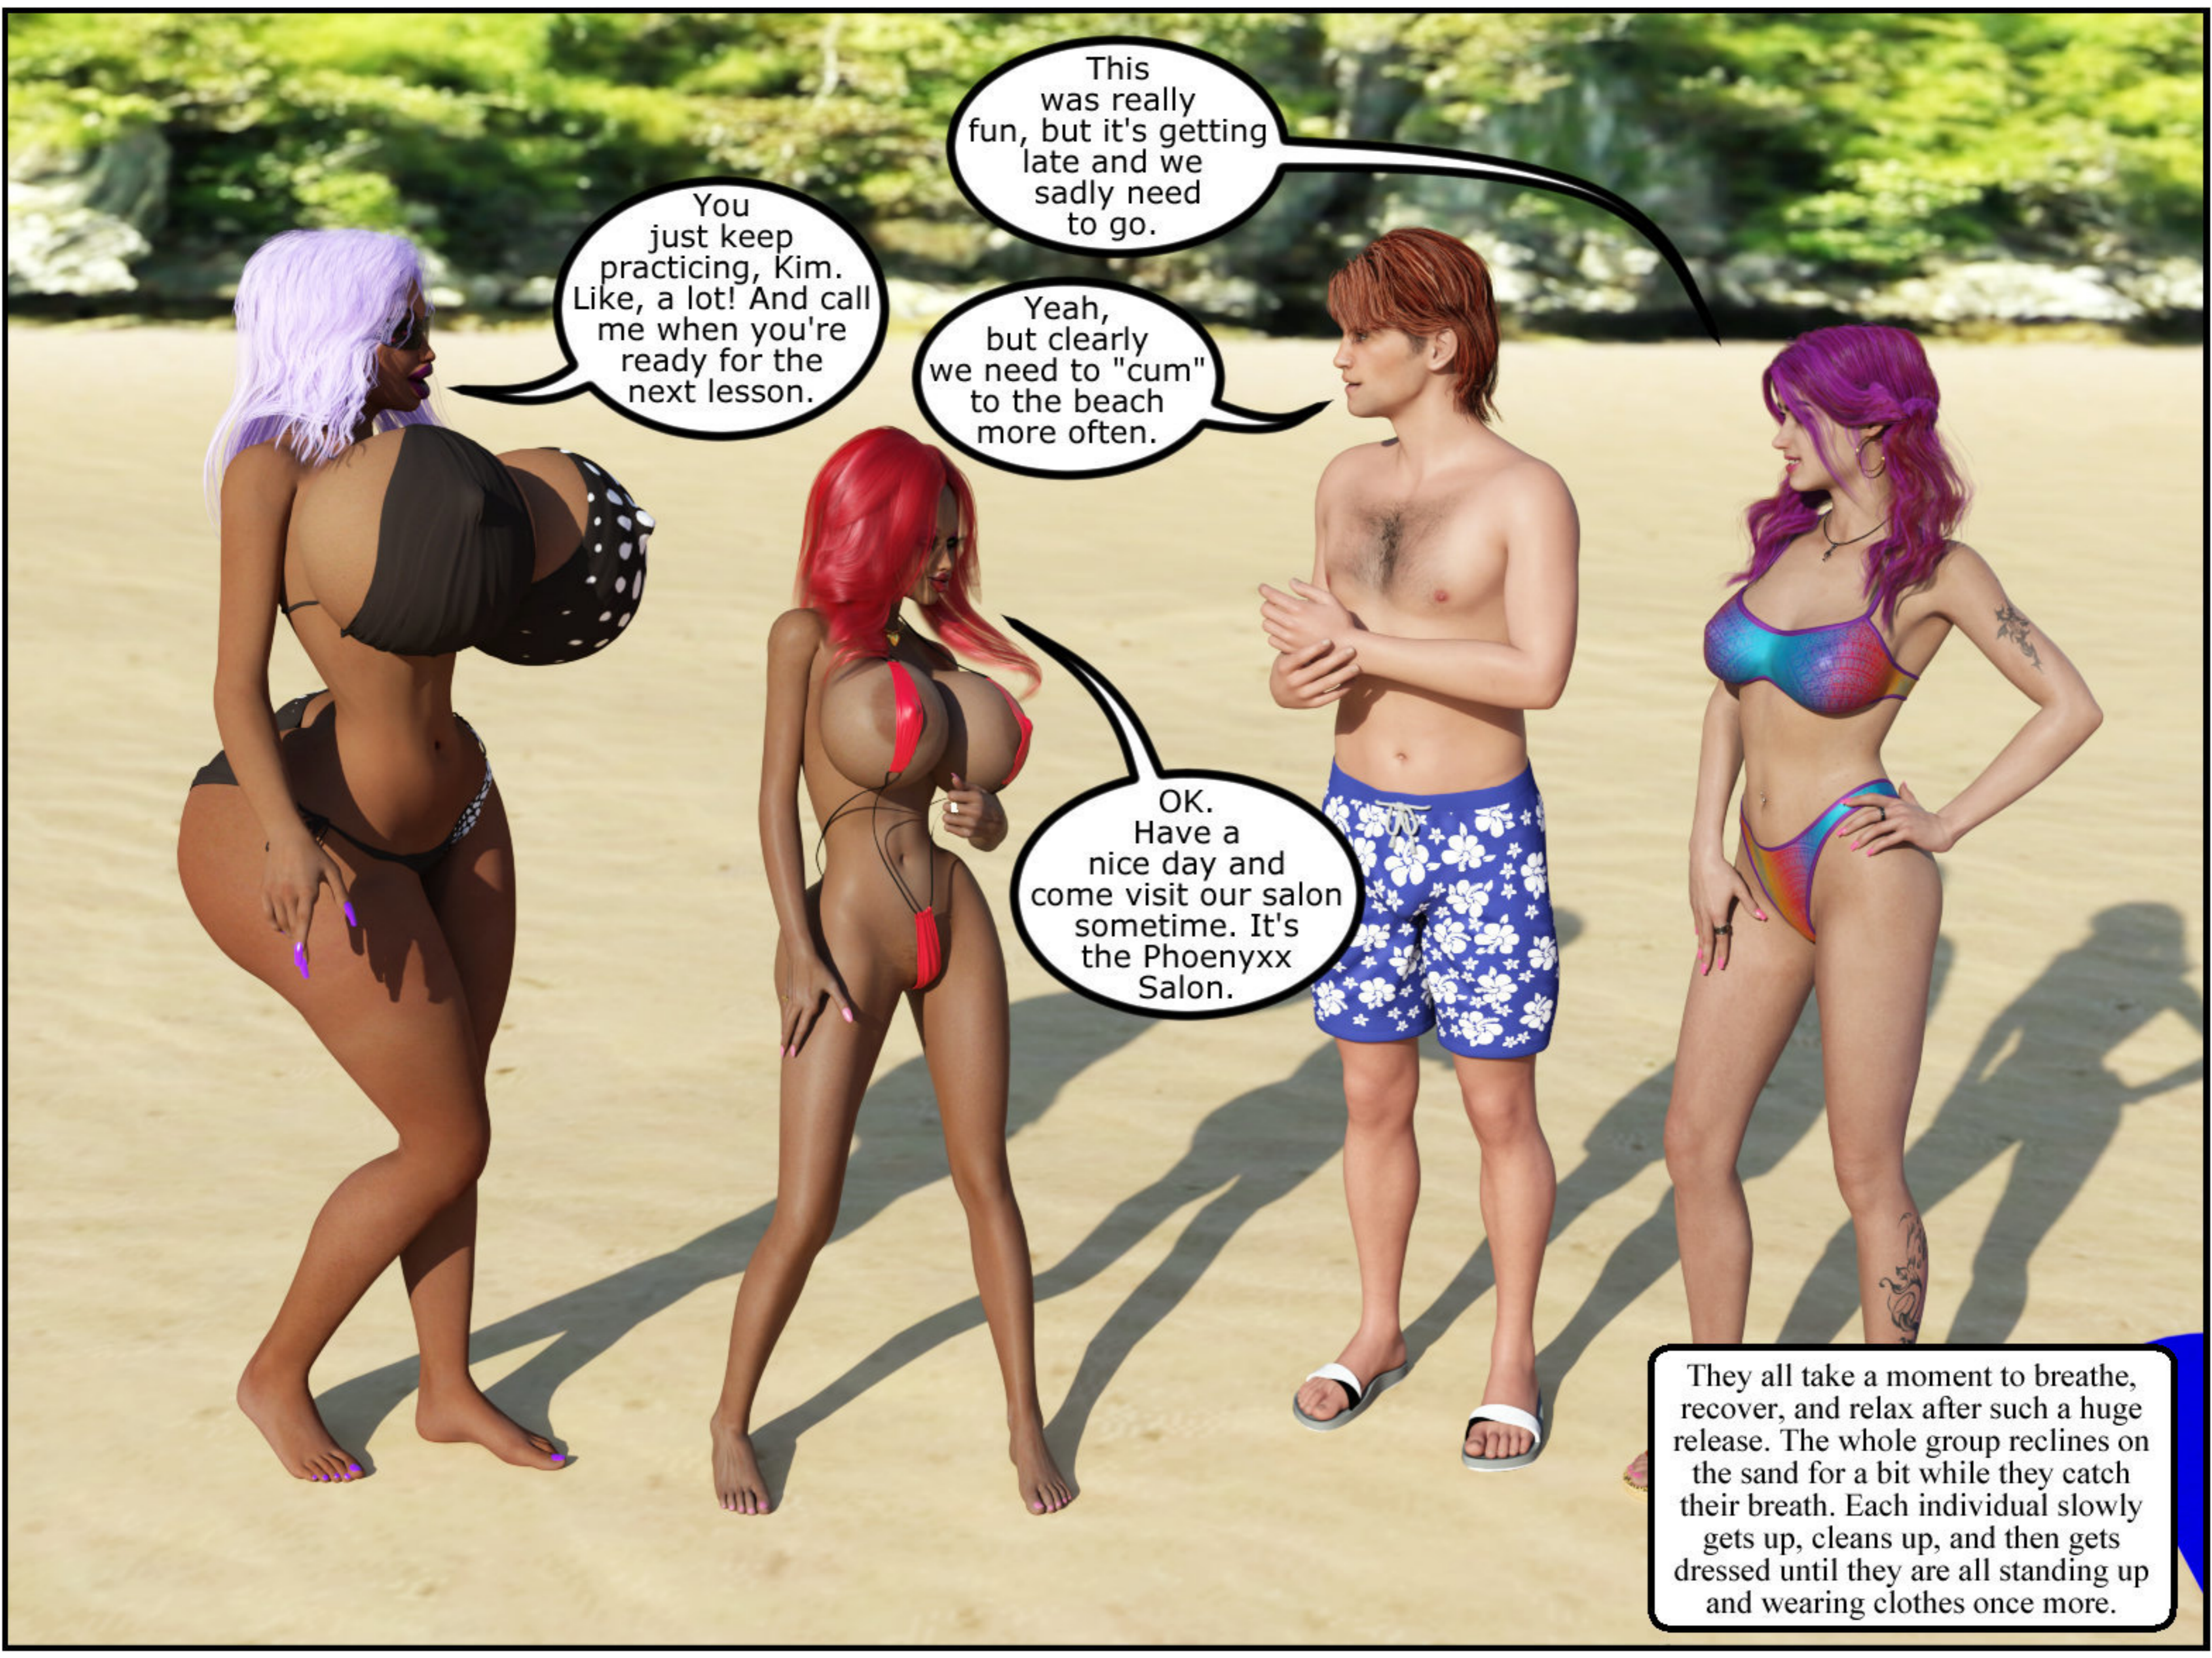

FffuUucCekKk!!

YyyeEeesSsssSsss!!

Explode!

Kindra and Ryan experience explosive orgasms simultaneously. They scream out their pleasure while Kim and Misty continue to watch. Thick streamers of semen erupt inside of Kindra, and they continue to spray all over her as Ryan pulls out.

You just keep practicing, Kim. Like, a lot! And call me when you're ready for the next lesson.

This was really fun, but it's getting late and we sadly need to go.

Yeah, but clearly we need to "cum" to the beach more often.

OK. Have a nice day and come visit our salon sometime. It's the Phoenyxx Salon.

They all take a moment to breathe, recover, and relax after such a huge release. The whole group reclines on the sand for a bit while they catch their breath. Each individual slowly gets up, cleans up, and then gets dressed until they are all standing up and wearing clothes once more.

That was a ton of fun. What a great date! I'm not sure if either of us are going to be walking right any time soon.

giggle
You're welcome! I think I might still have some of his cum leaking out of me. I'm gonna take a shower. Join me?

Hell yes!

Kindra and Misty gather up their belongings and head back to the salon. They talk about how wonderful the day at the beach was before they get the idea to take a shower together. Much like Kim and Ryan did earlier, they decide that they should probably do that sort of thing more often.

The following
afternoon...

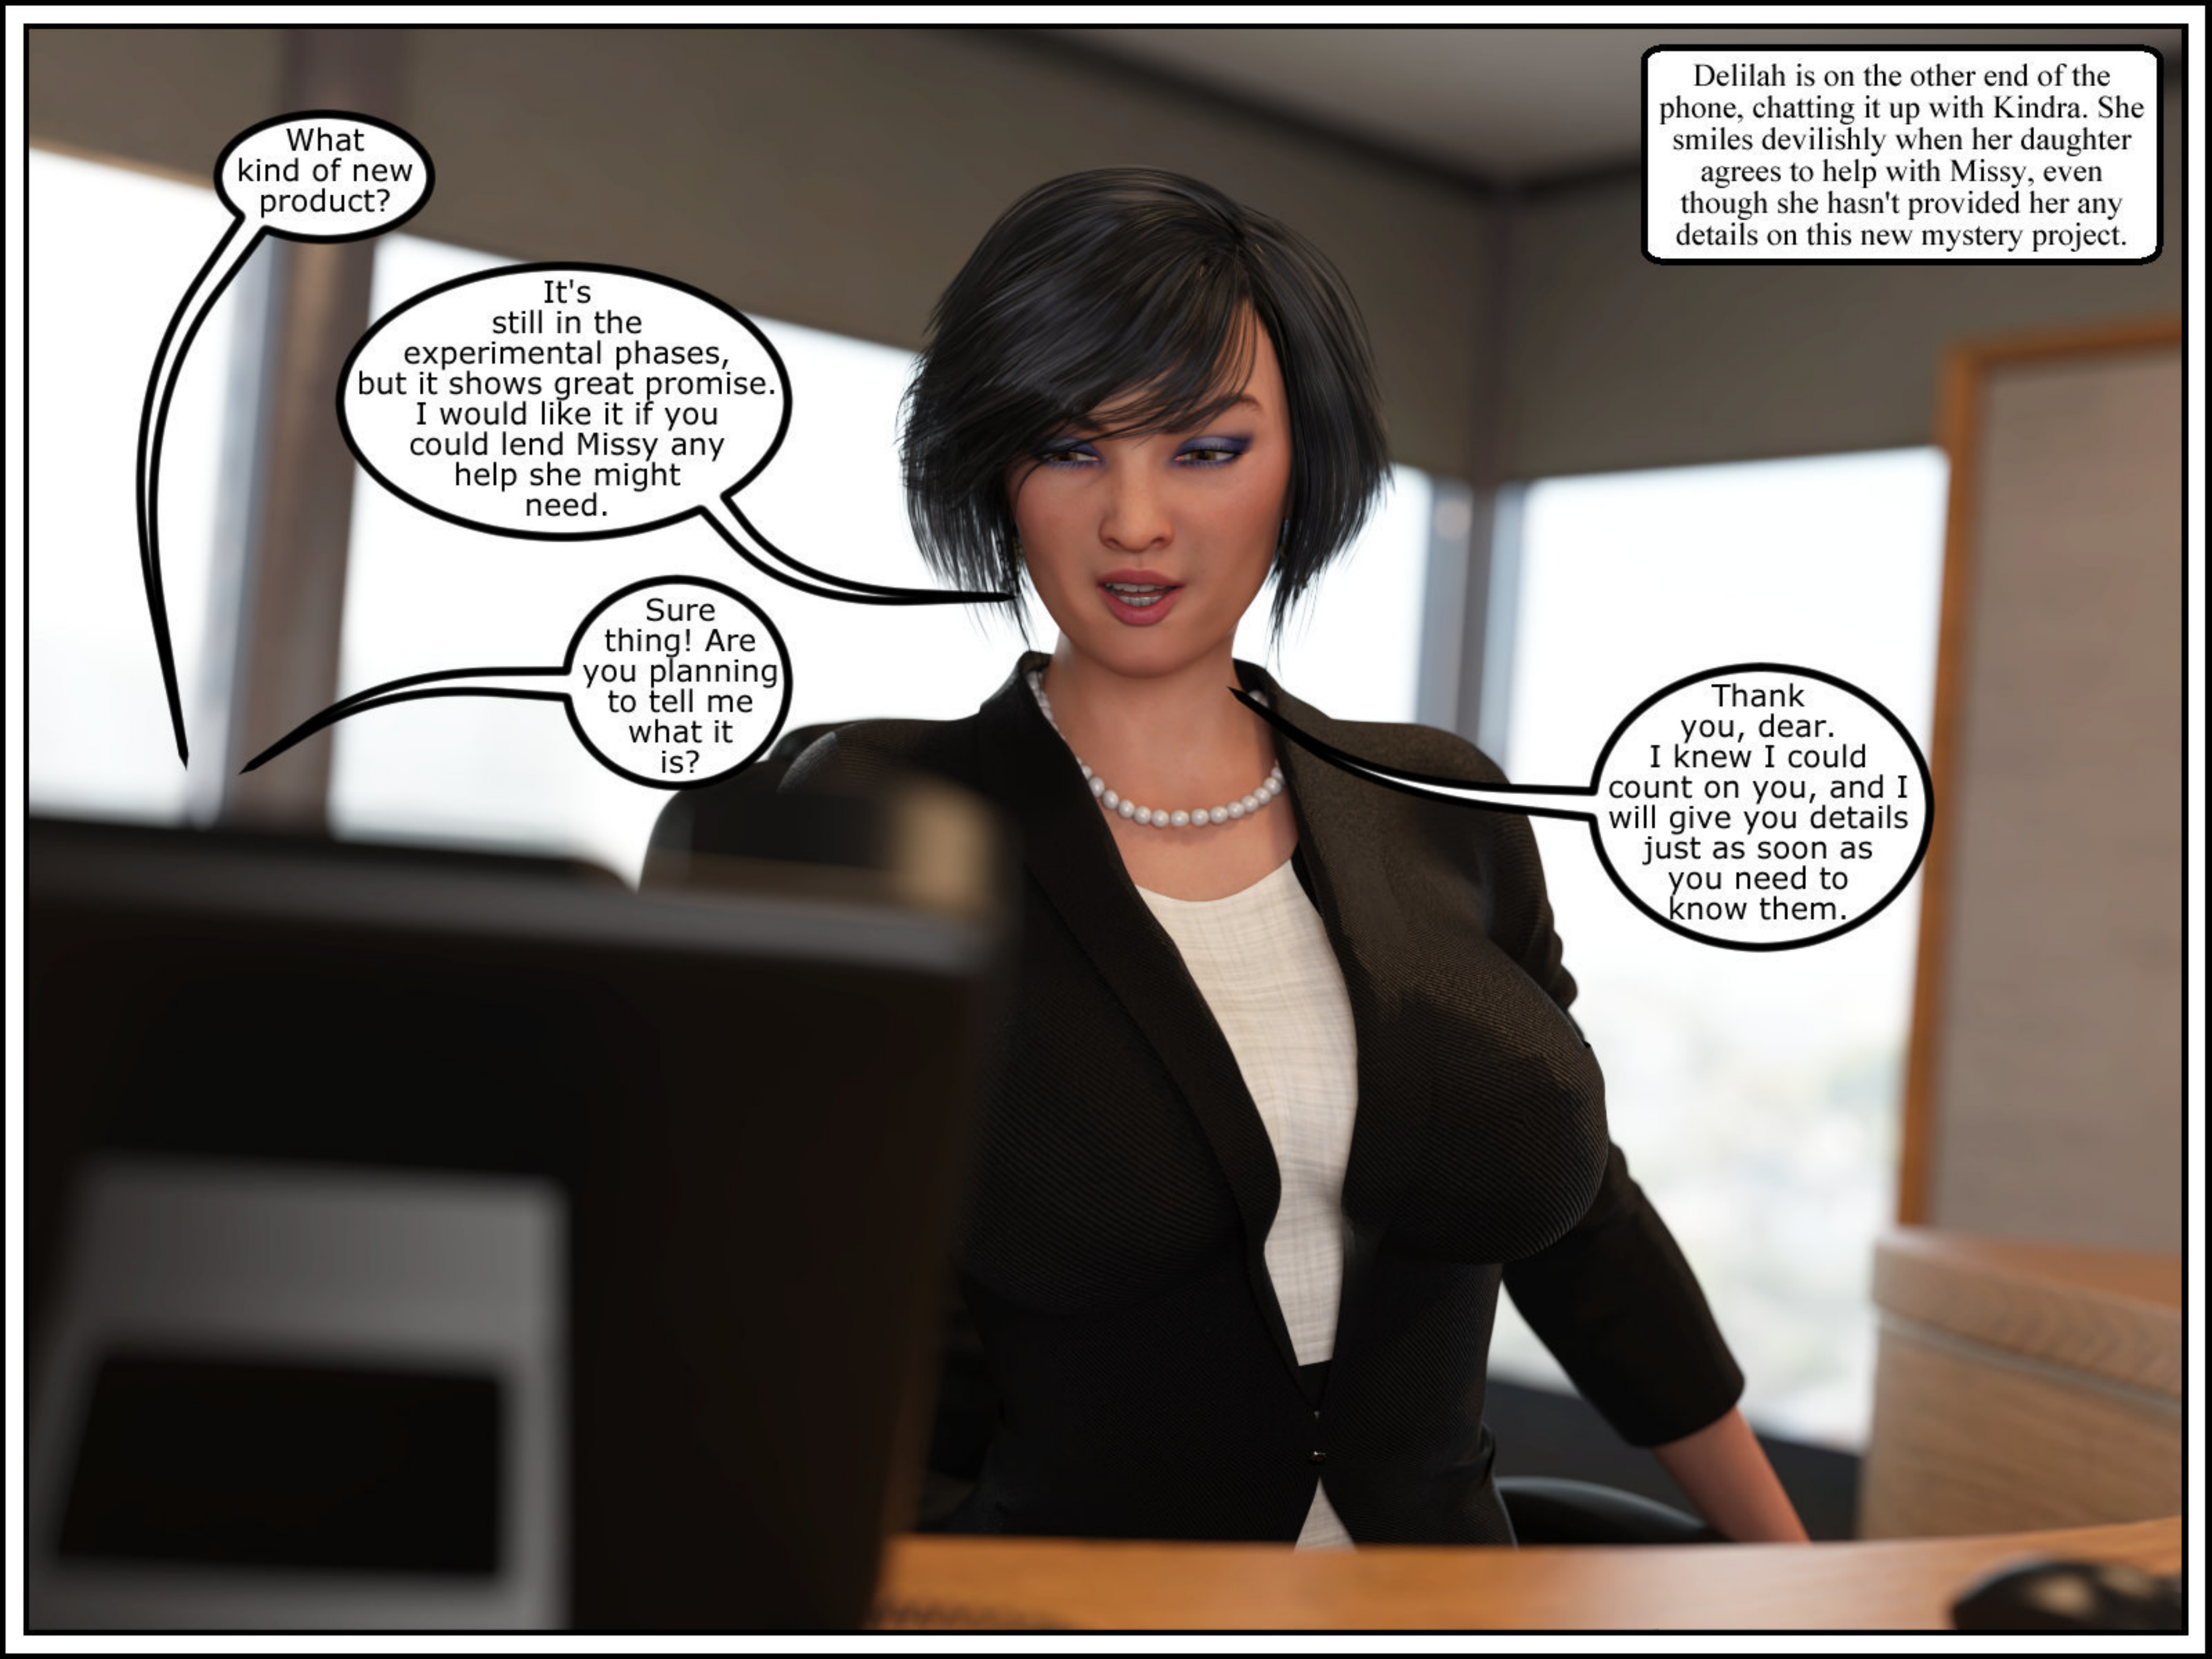

So
I heard
that your meeting
with Missy went
pretty well,
Mom.

Her mother
sounds nice. I
hope I get to
meet her one
day.

We move forward to the next day.
Kindra and Misty have opened the
salon for business, and they're
standing at the front desk waiting
for their first appointment. Kindra
has a hot new outfit on, while Misty
is wearing her normal attire.

It
did indeed!
I have high hopes
for her. In fact, I have
an interesting new
product that I'm
hoping they can
help with.

What kind of new product?

It's still in the experimental phases, but it shows great promise. I would like it if you could lend Missy any help she might need.

Sure thing! Are you planning to tell me what it is?

Delilah is on the other end of the phone, chatting it up with Kindra. She smiles devilishly when her daughter agrees to help with Missy, even though she hasn't provided her any details on this new mystery project.

Thank you, dear. I knew I could count on you, and I will give you details just as soon as you need to know them.

The story will
continue in the
next part.
