I'm... going to climax!!!

Ha... Hah... It's
so good, Traveler...

Un... I enjoyed the
pleasure a lot, too...

Ahaha!!! I can't stop myself laughing from this scene!

Have their souls swapped,
and they didn't even know
who they were...

W-What was funny about that, Eula!?
This is my privacy with Nilou!

Privacy, huh?
Thinking you are him.

Look like my new
discovered ability was
pretty interesting.

I don't understand
what are you talking
at all!

No need you to...
Let's get change.

くき

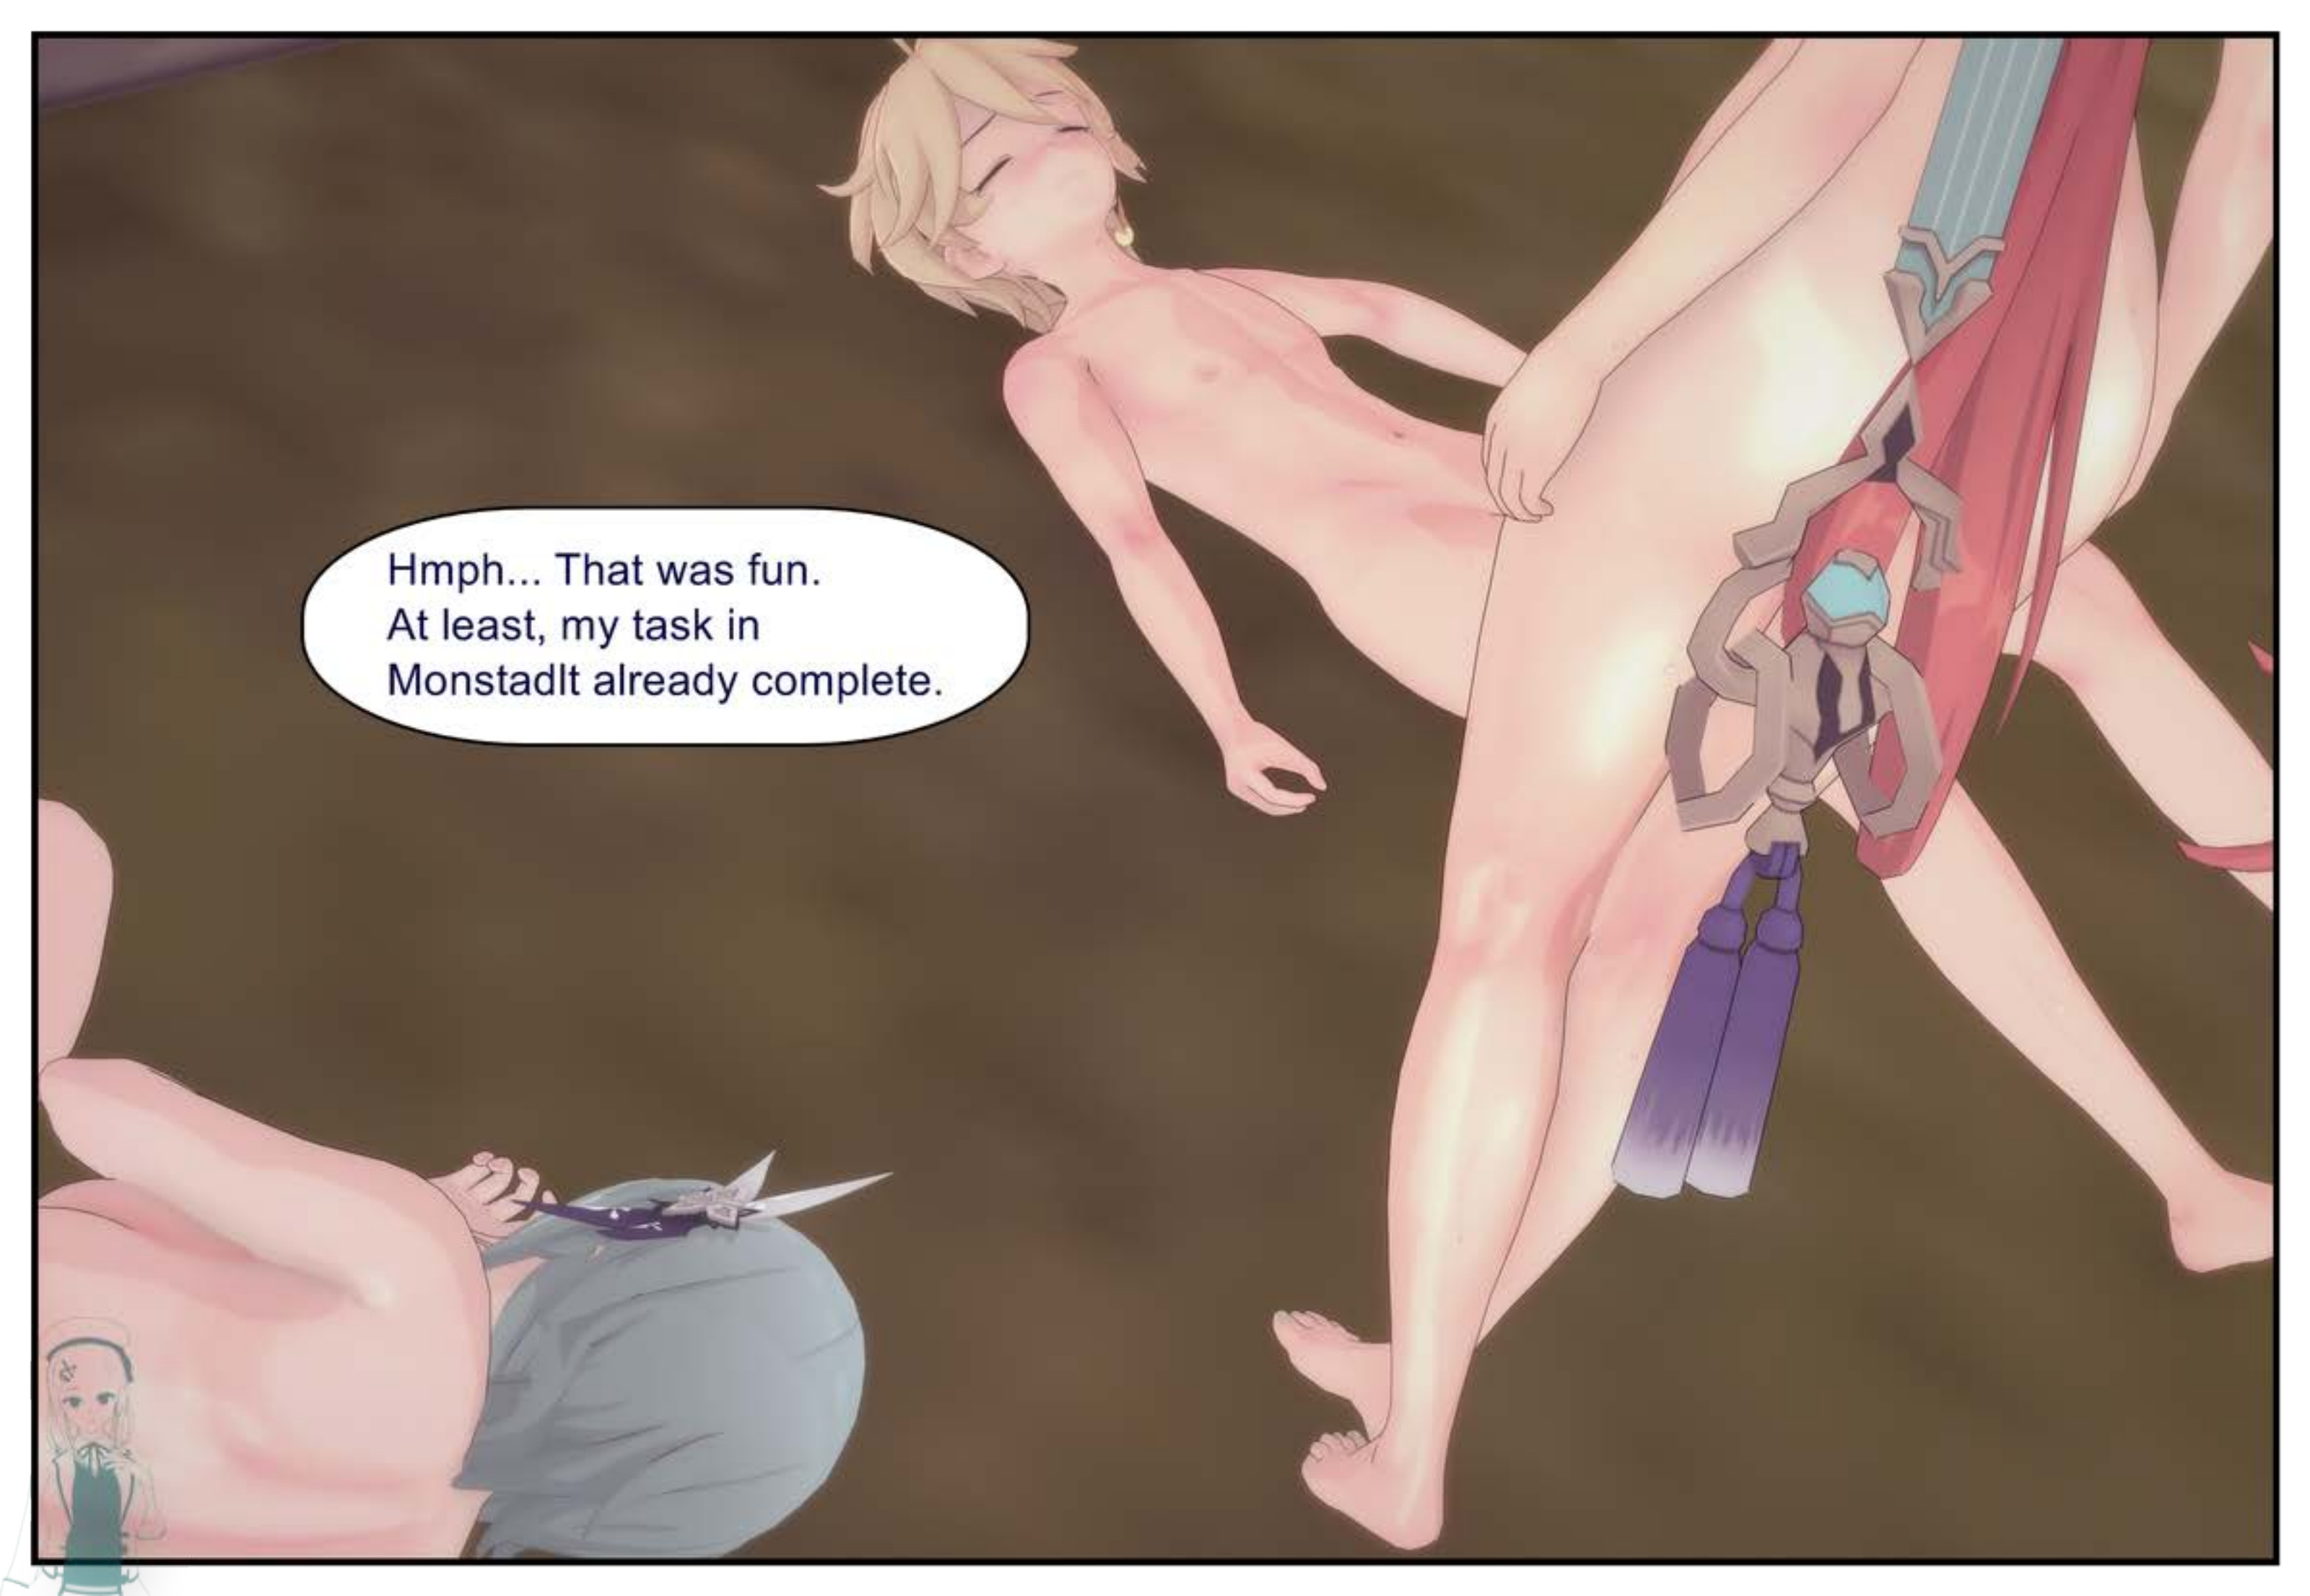

Hmph... That was fun.
At least, my task in
Monstadt already complete.

And it was the time to
have joyful moment
in this boredom!

Hm... I'm surprised that Nilou's body is so flexible... She's a dancer, so no doubt.

"Seeing people around is preparing for something..."

"I should leave the scene before anyone pass through spot it."

**The next day...
A festival is held
in Monstadt.**

Please come and
try out Dandelion Wine!!!

Juicy meat for
the first person to try!!!

Ah... The atmosphere
is so bustling!

There's so much fun,
and delicious food
that I've never seen!

Ganyu, we are not here to dive in the festival.

I know, but I wish to after it.

A character with long, flowing green robes and a red tassel on their head stands in the foreground. The robes have a light green and white pattern. In the background, there is a stone archway leading to a path, with a blue sky and some greenery visible. The scene is set outdoors.

Shenhe was right. We
are here to see the
Knights of Favonius's Leader.

Though, only myself
is enough. Have you
two to come along...

...is another way to learn about the world outside of Liyue.

Really!? I can participate the festival!?

No wonder why you told us to put on these outfit.

Come on, Shenhe!
Let's try out these
food stall!!!

Alright... Slow
down a bit, Ganyu.

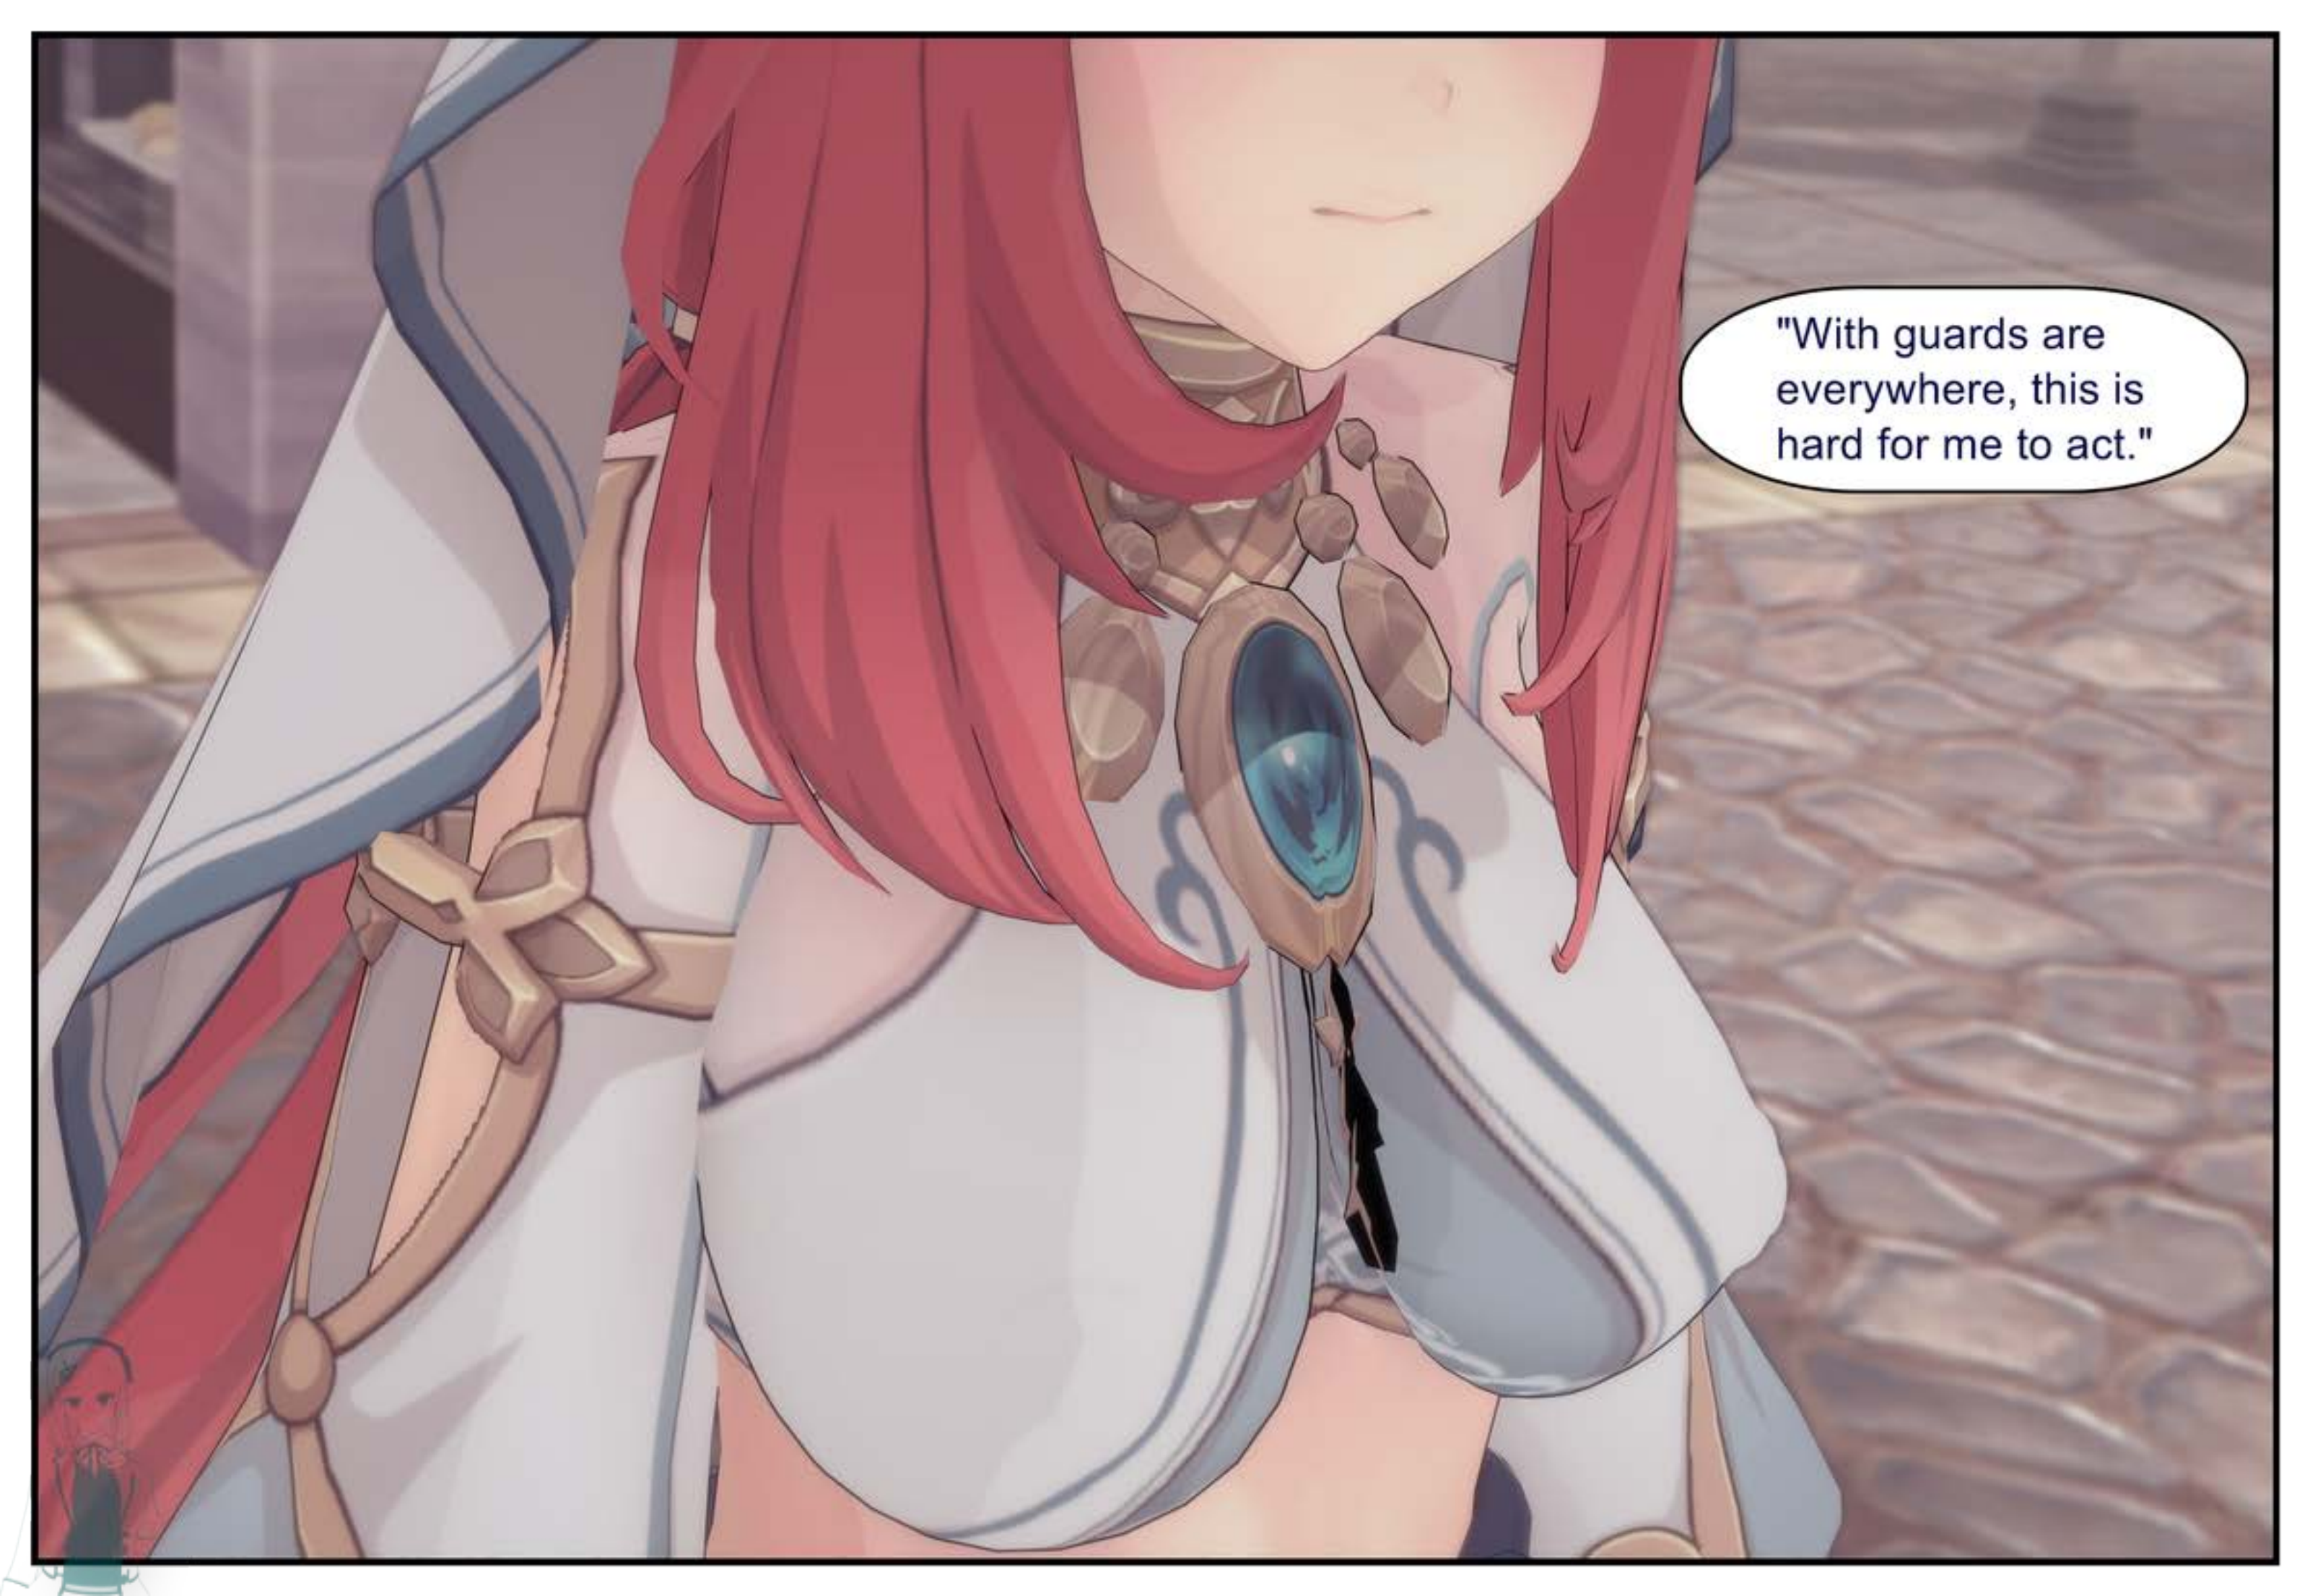

I will call when I need
you. Have fun at the festival.

See you, Madam
Xianyun!

"Crowded than I expected..."

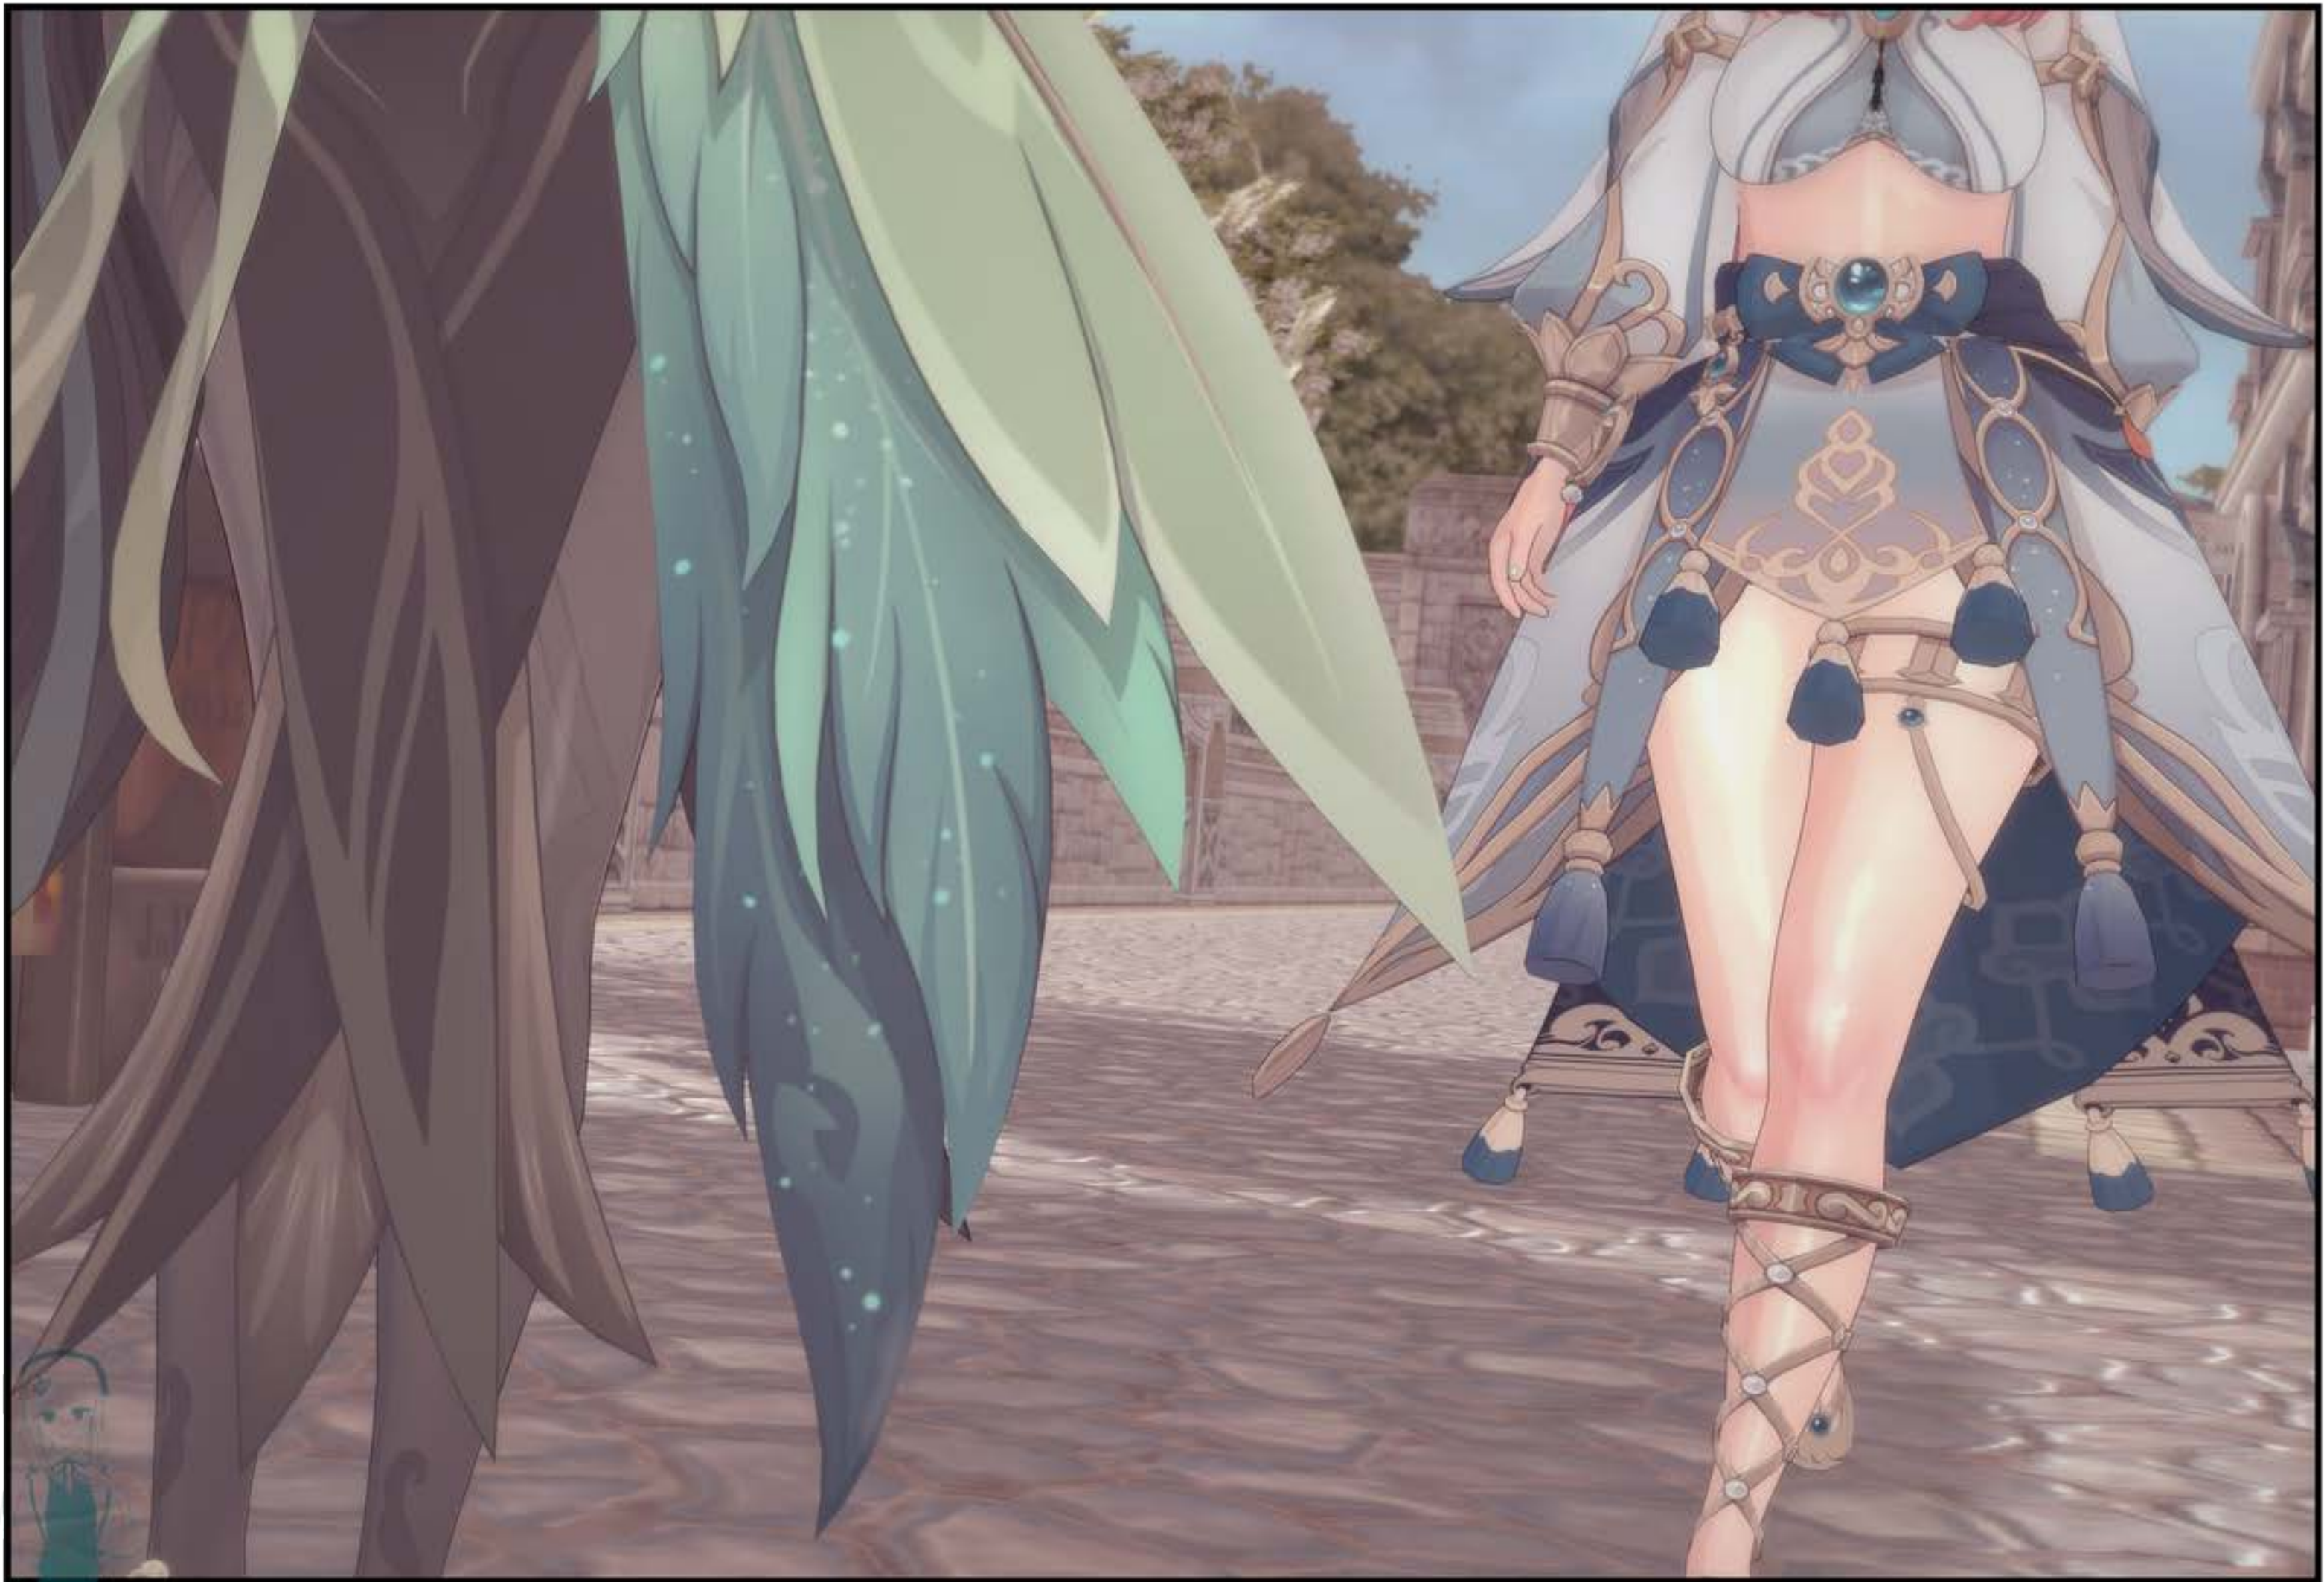

"With guards are everywhere, this is hard for me to act."

"Probably, I should
get on with a way to
turn myself back
to normal."

"Hm? Her outfit seem... like Liyue."

& INN
SCHE

"Maybe... She could be a helpful hand."

Here you go, Miss.
A spicy bread for you.

I hope you will have a great time at Monstadt!

Thank you very much!

TRISTA STATION

N-No, I'm coming.

Shenhe? Is something wrong?

Um~

Ah... A bit hot
and taste like
Spicy Tofu!

Danger maybe around.
Can't let my guard off.

Shenhe...? Why are
you keep looking around?

Really...? But I think
there's soliders everywhere...

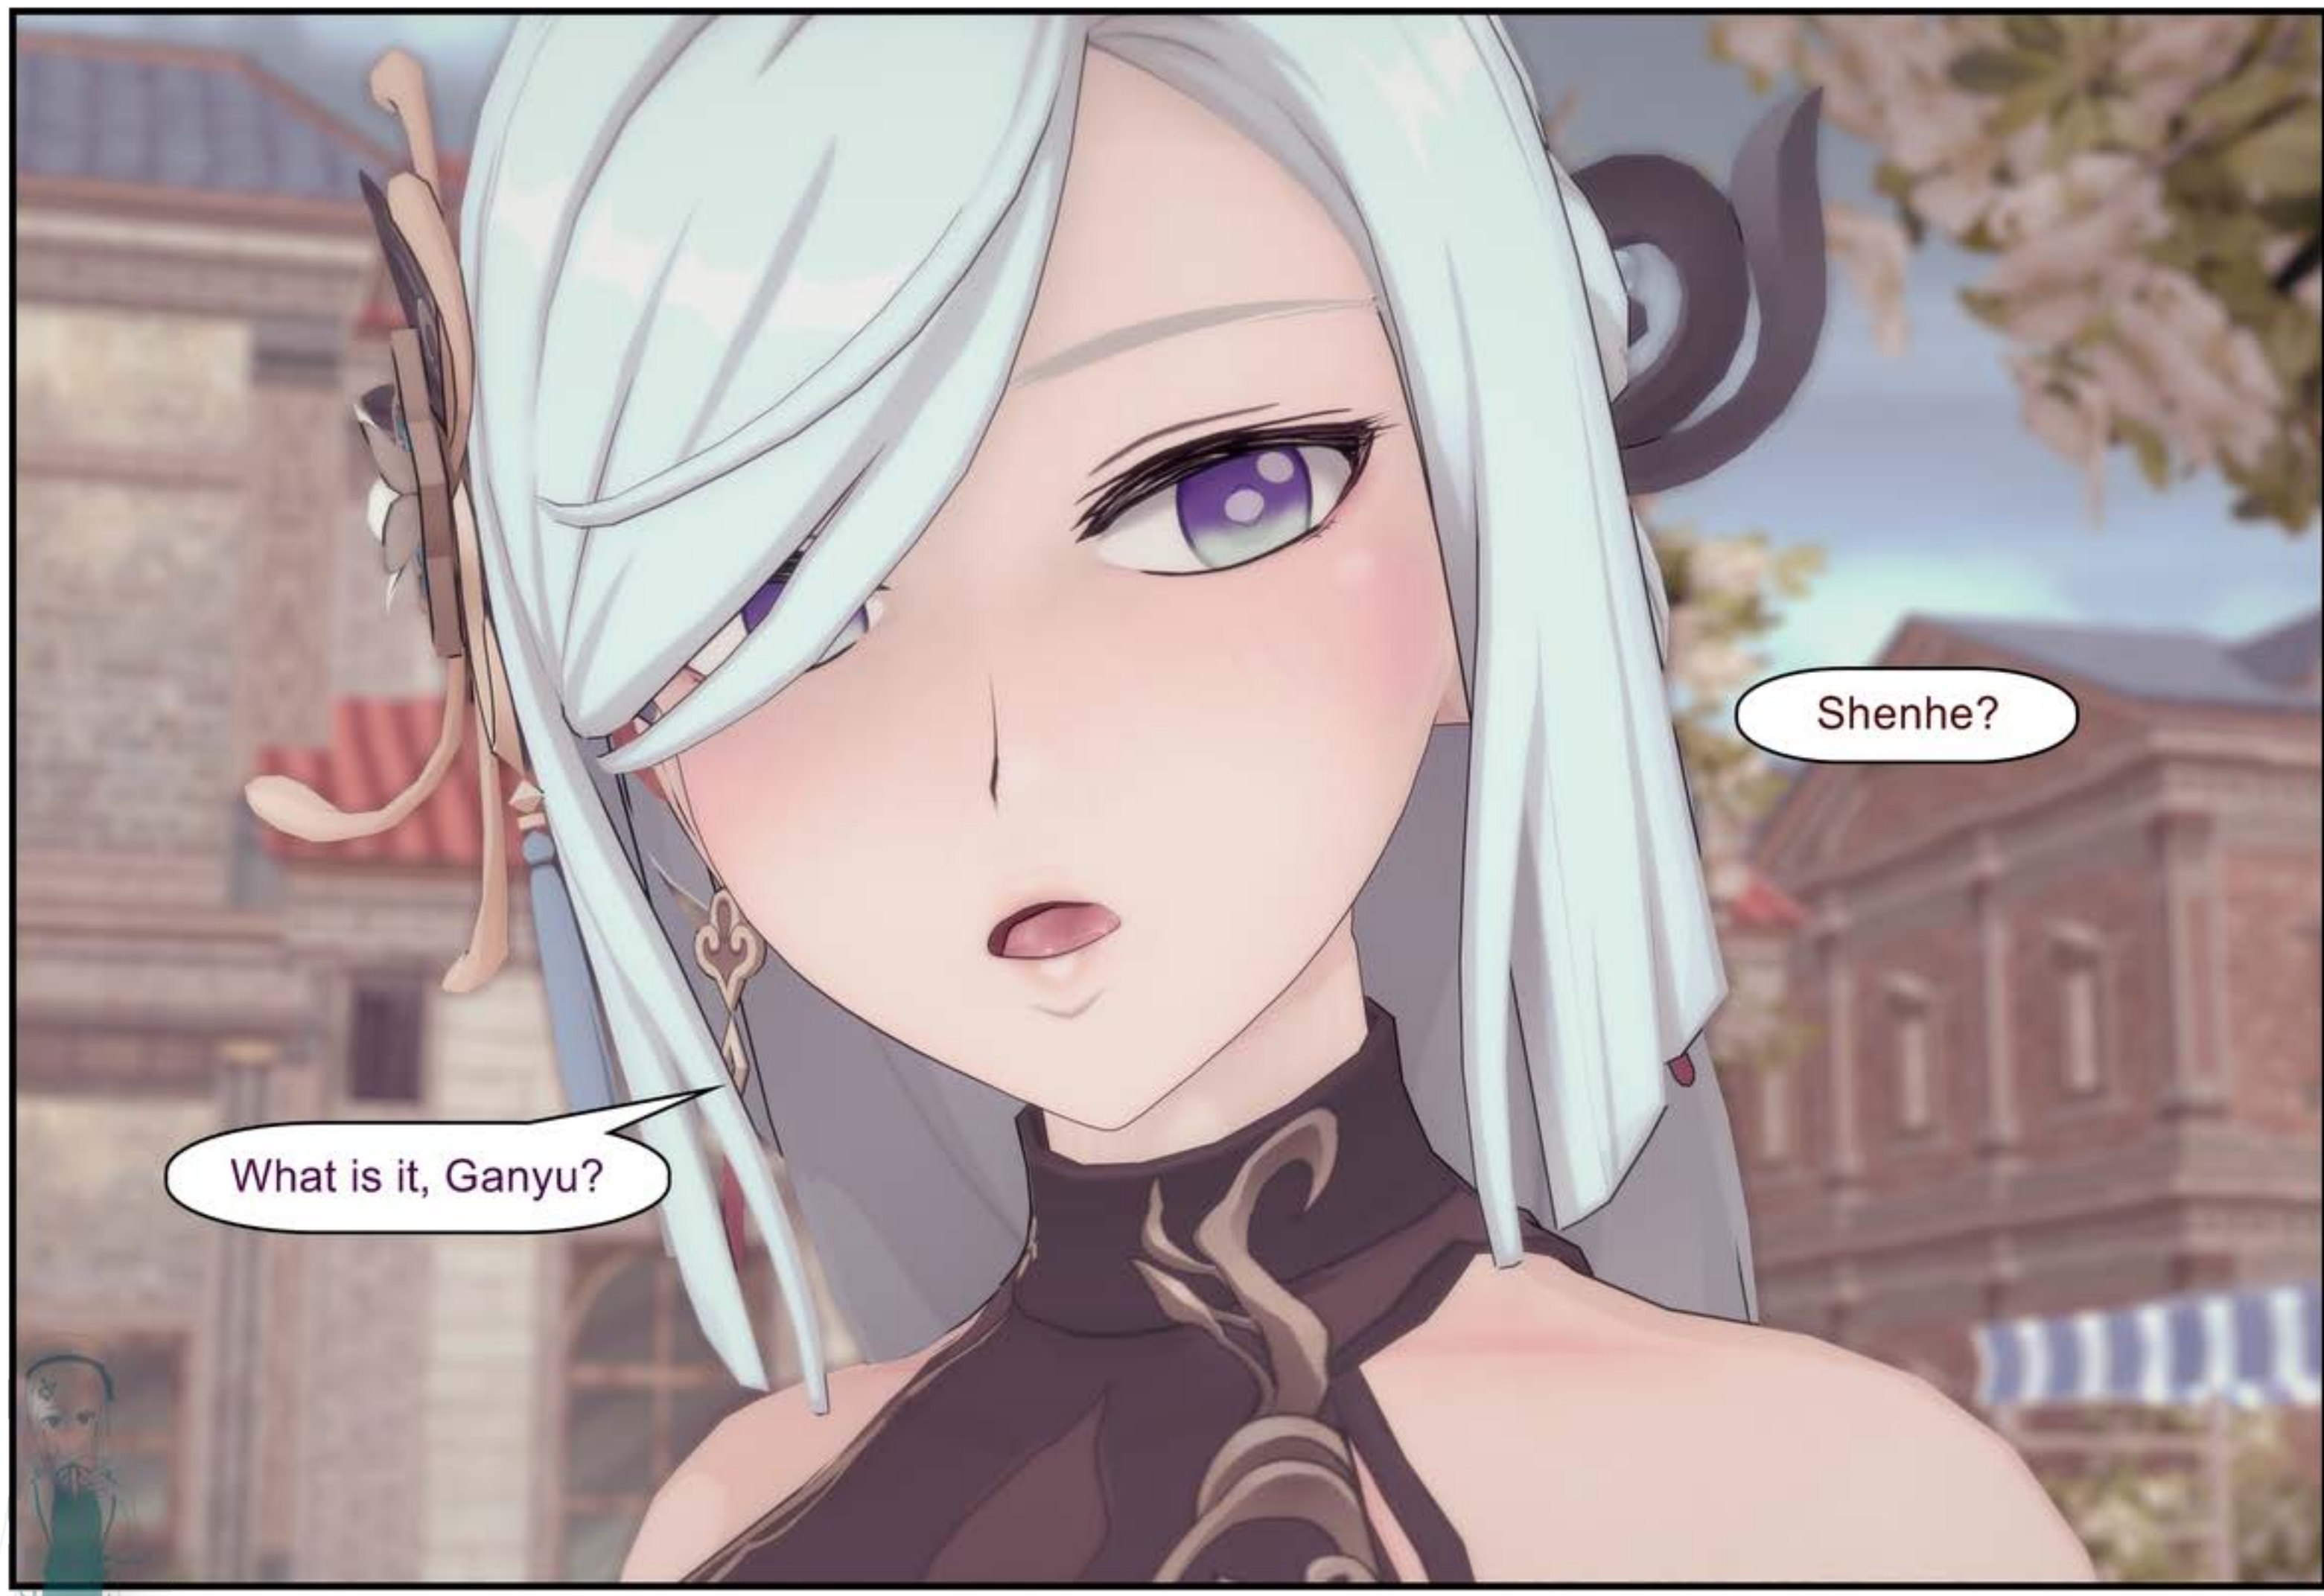

We should be ready for
any threat, Ganyu.
Better be cautious.

Hm... Festival
always occurs
unexpected.

What is it, Ganyu?

Shenhe?

Um...?

Is it delicious?

It's... okay. Like you said, like Spicy Tofu.

S-Shenhe...?

You got sauce on your face...

It's not great to have it around your mouth.

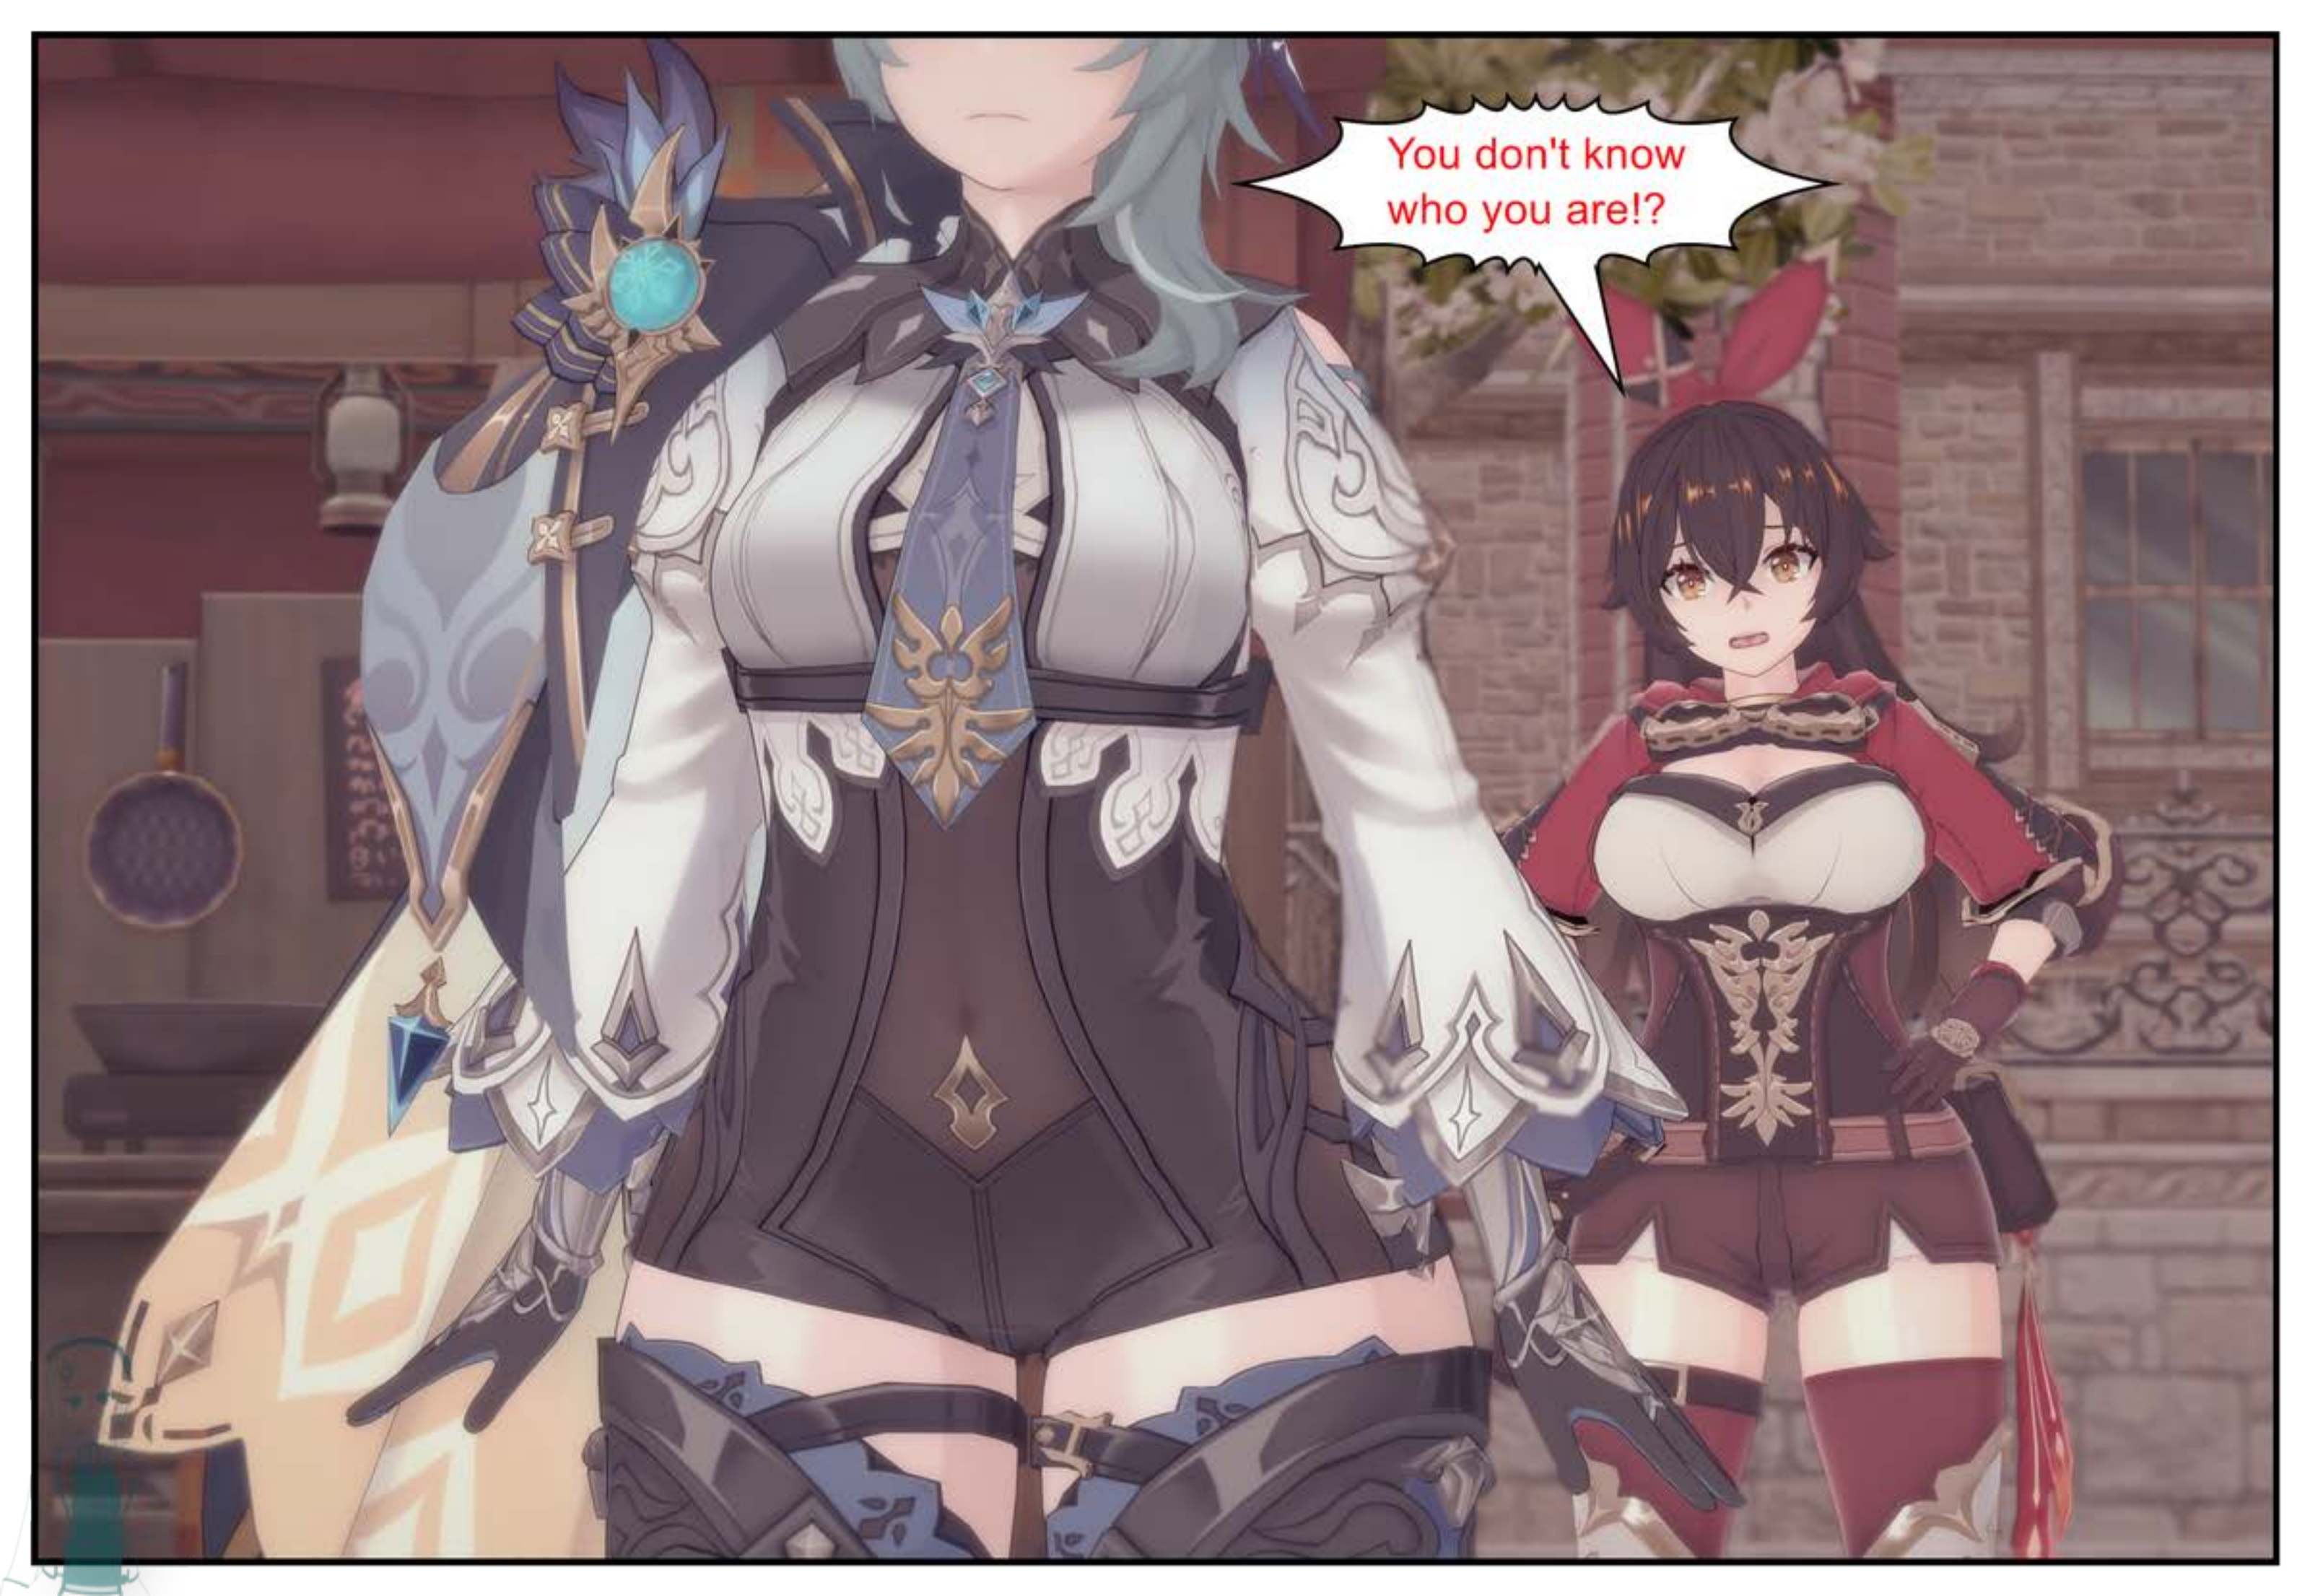

Hehe. Thank you.

What are you saying, Eula!?

You don't know
who you are!?

A character with light blue hair and a surprised expression is shown in a town square. She is wearing a white and blue outfit with gold accents and a dark cape. A speech bubble above her contains the text: "I don't know what happened either! Why am I here!?" The background features a stone building with a porch and a tree with pink blossoms.

I don't know what
happened either!
Why am I here!?

Look...You are Eula,
a Knight of Fevonius
and we are here to
enure the safety around.

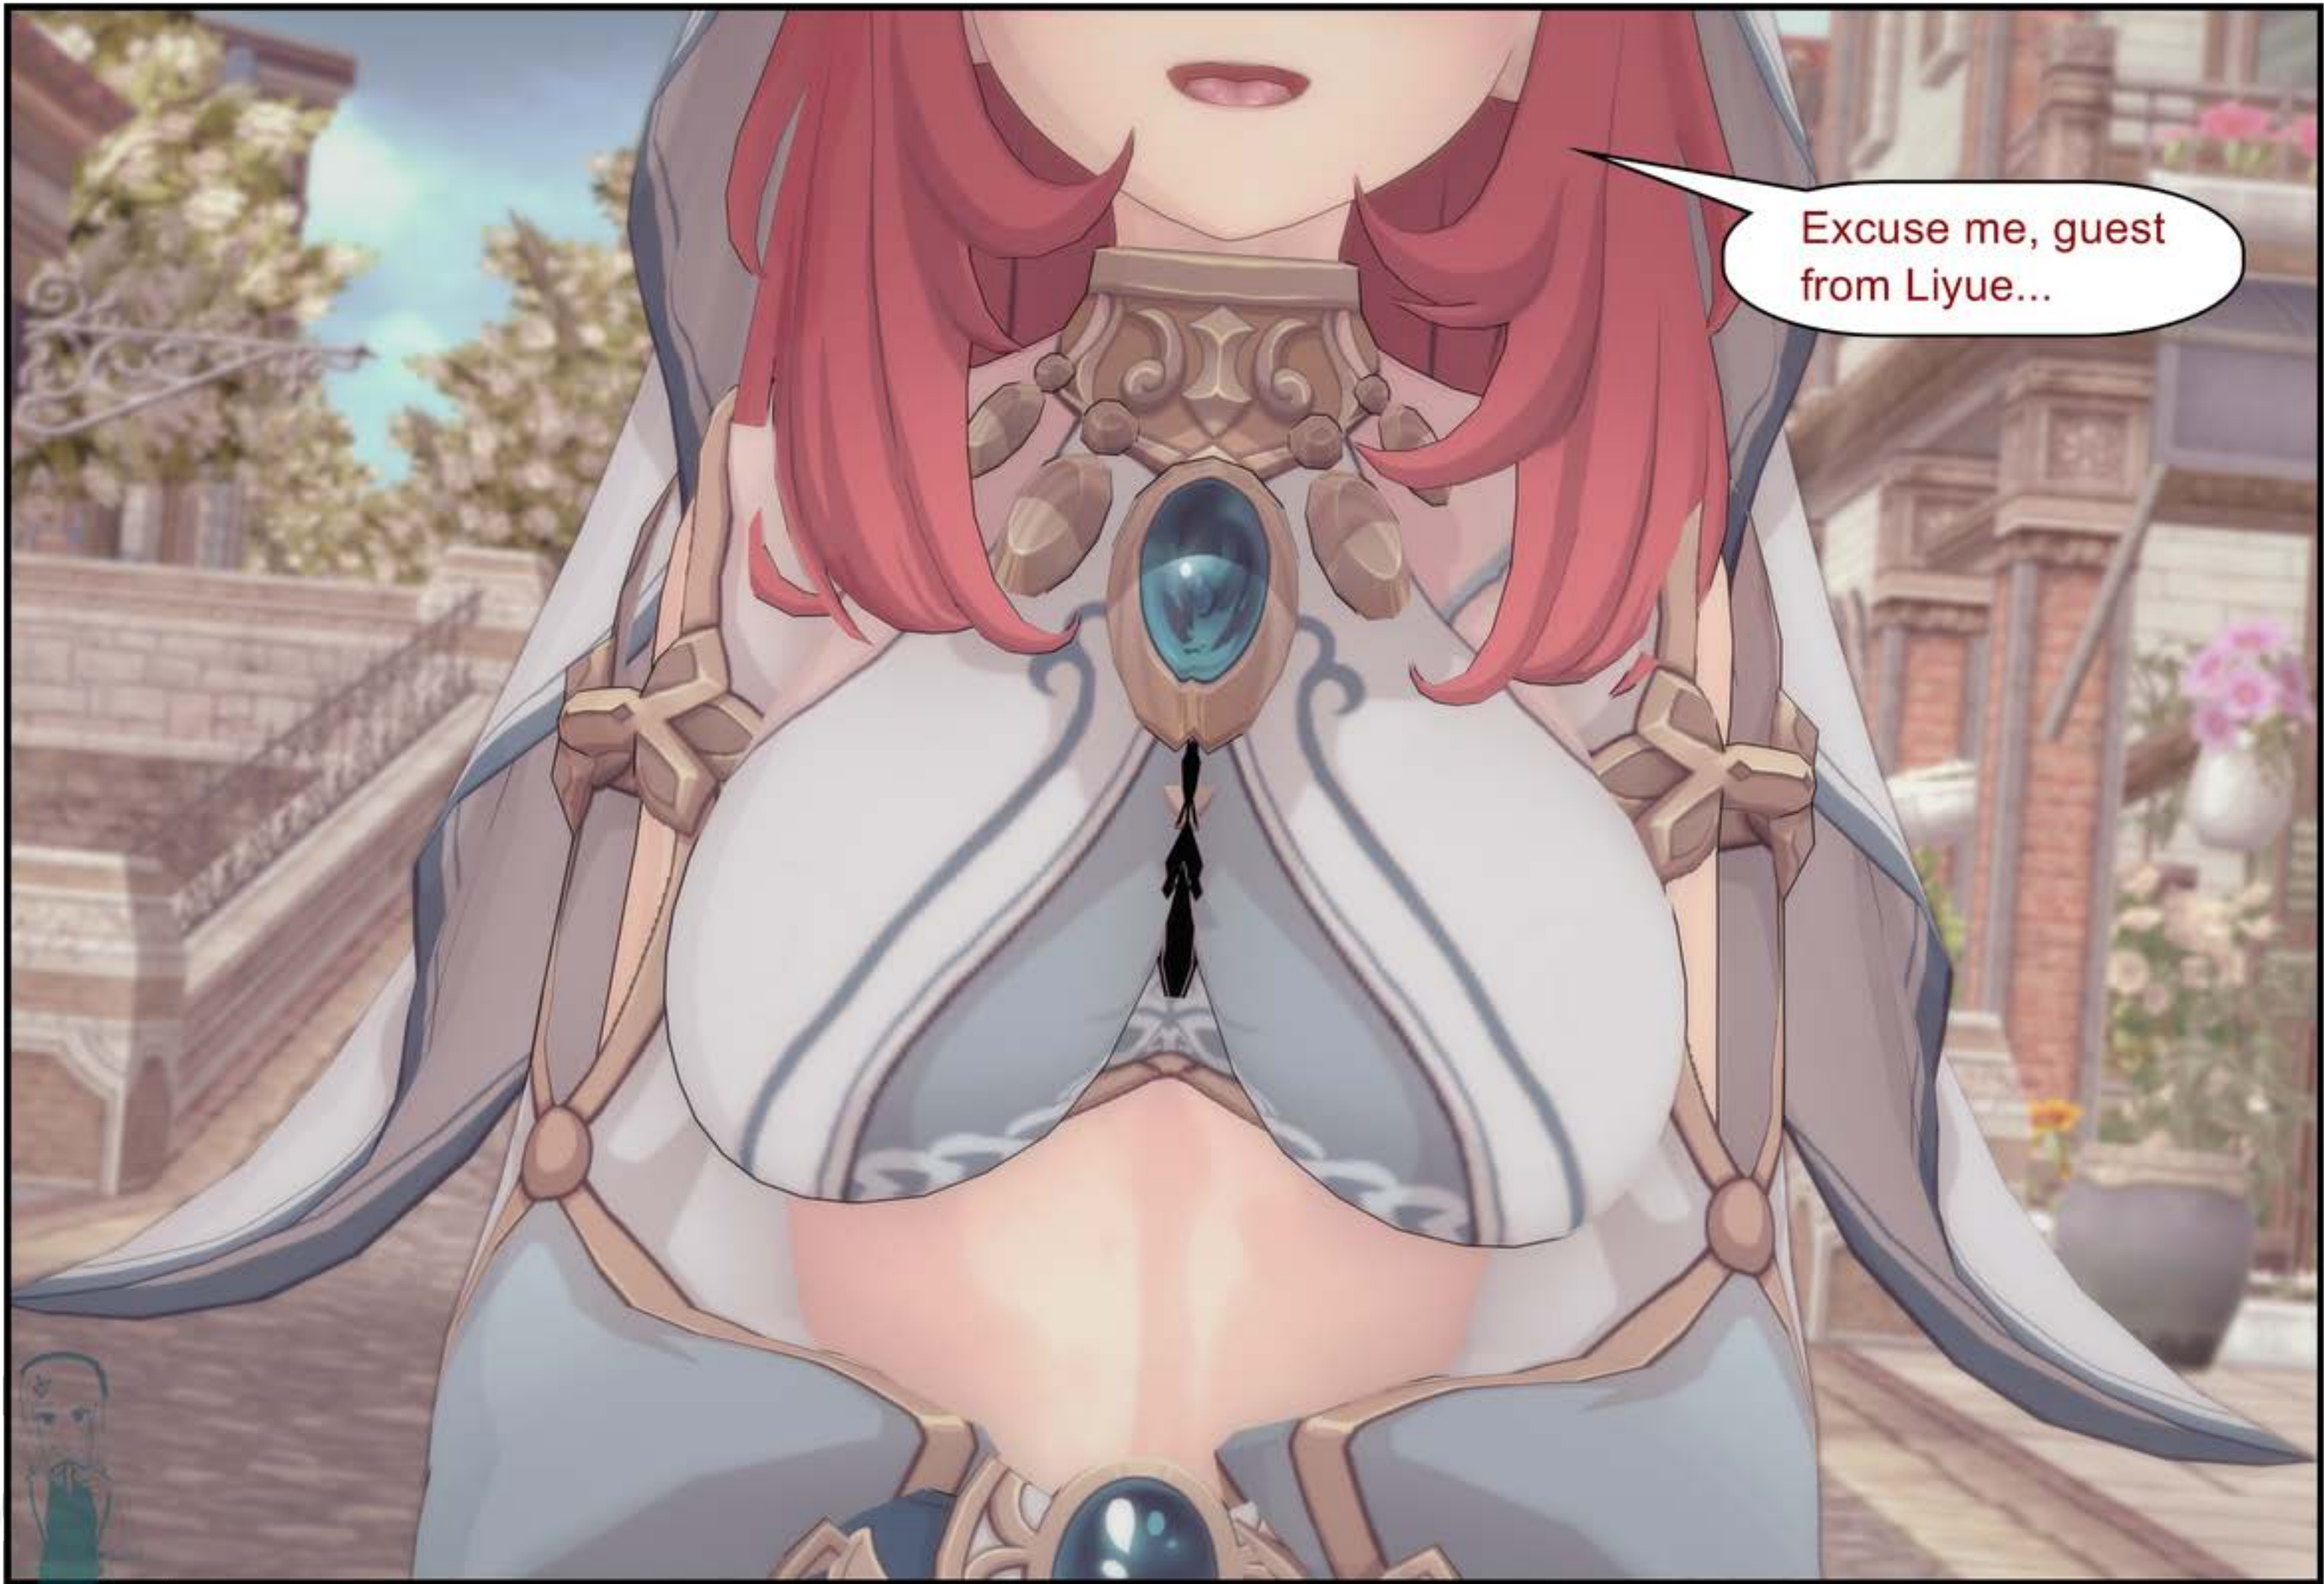

I-Is that so...? My name is... Eula...?

Is something hit
your head today?

Are they... the
festival's guard?

I think so... They
arguing something.

Excuse me, guest
from Liyue...

I'm kinda new... and being lost so...

Can you two take me around with, please?

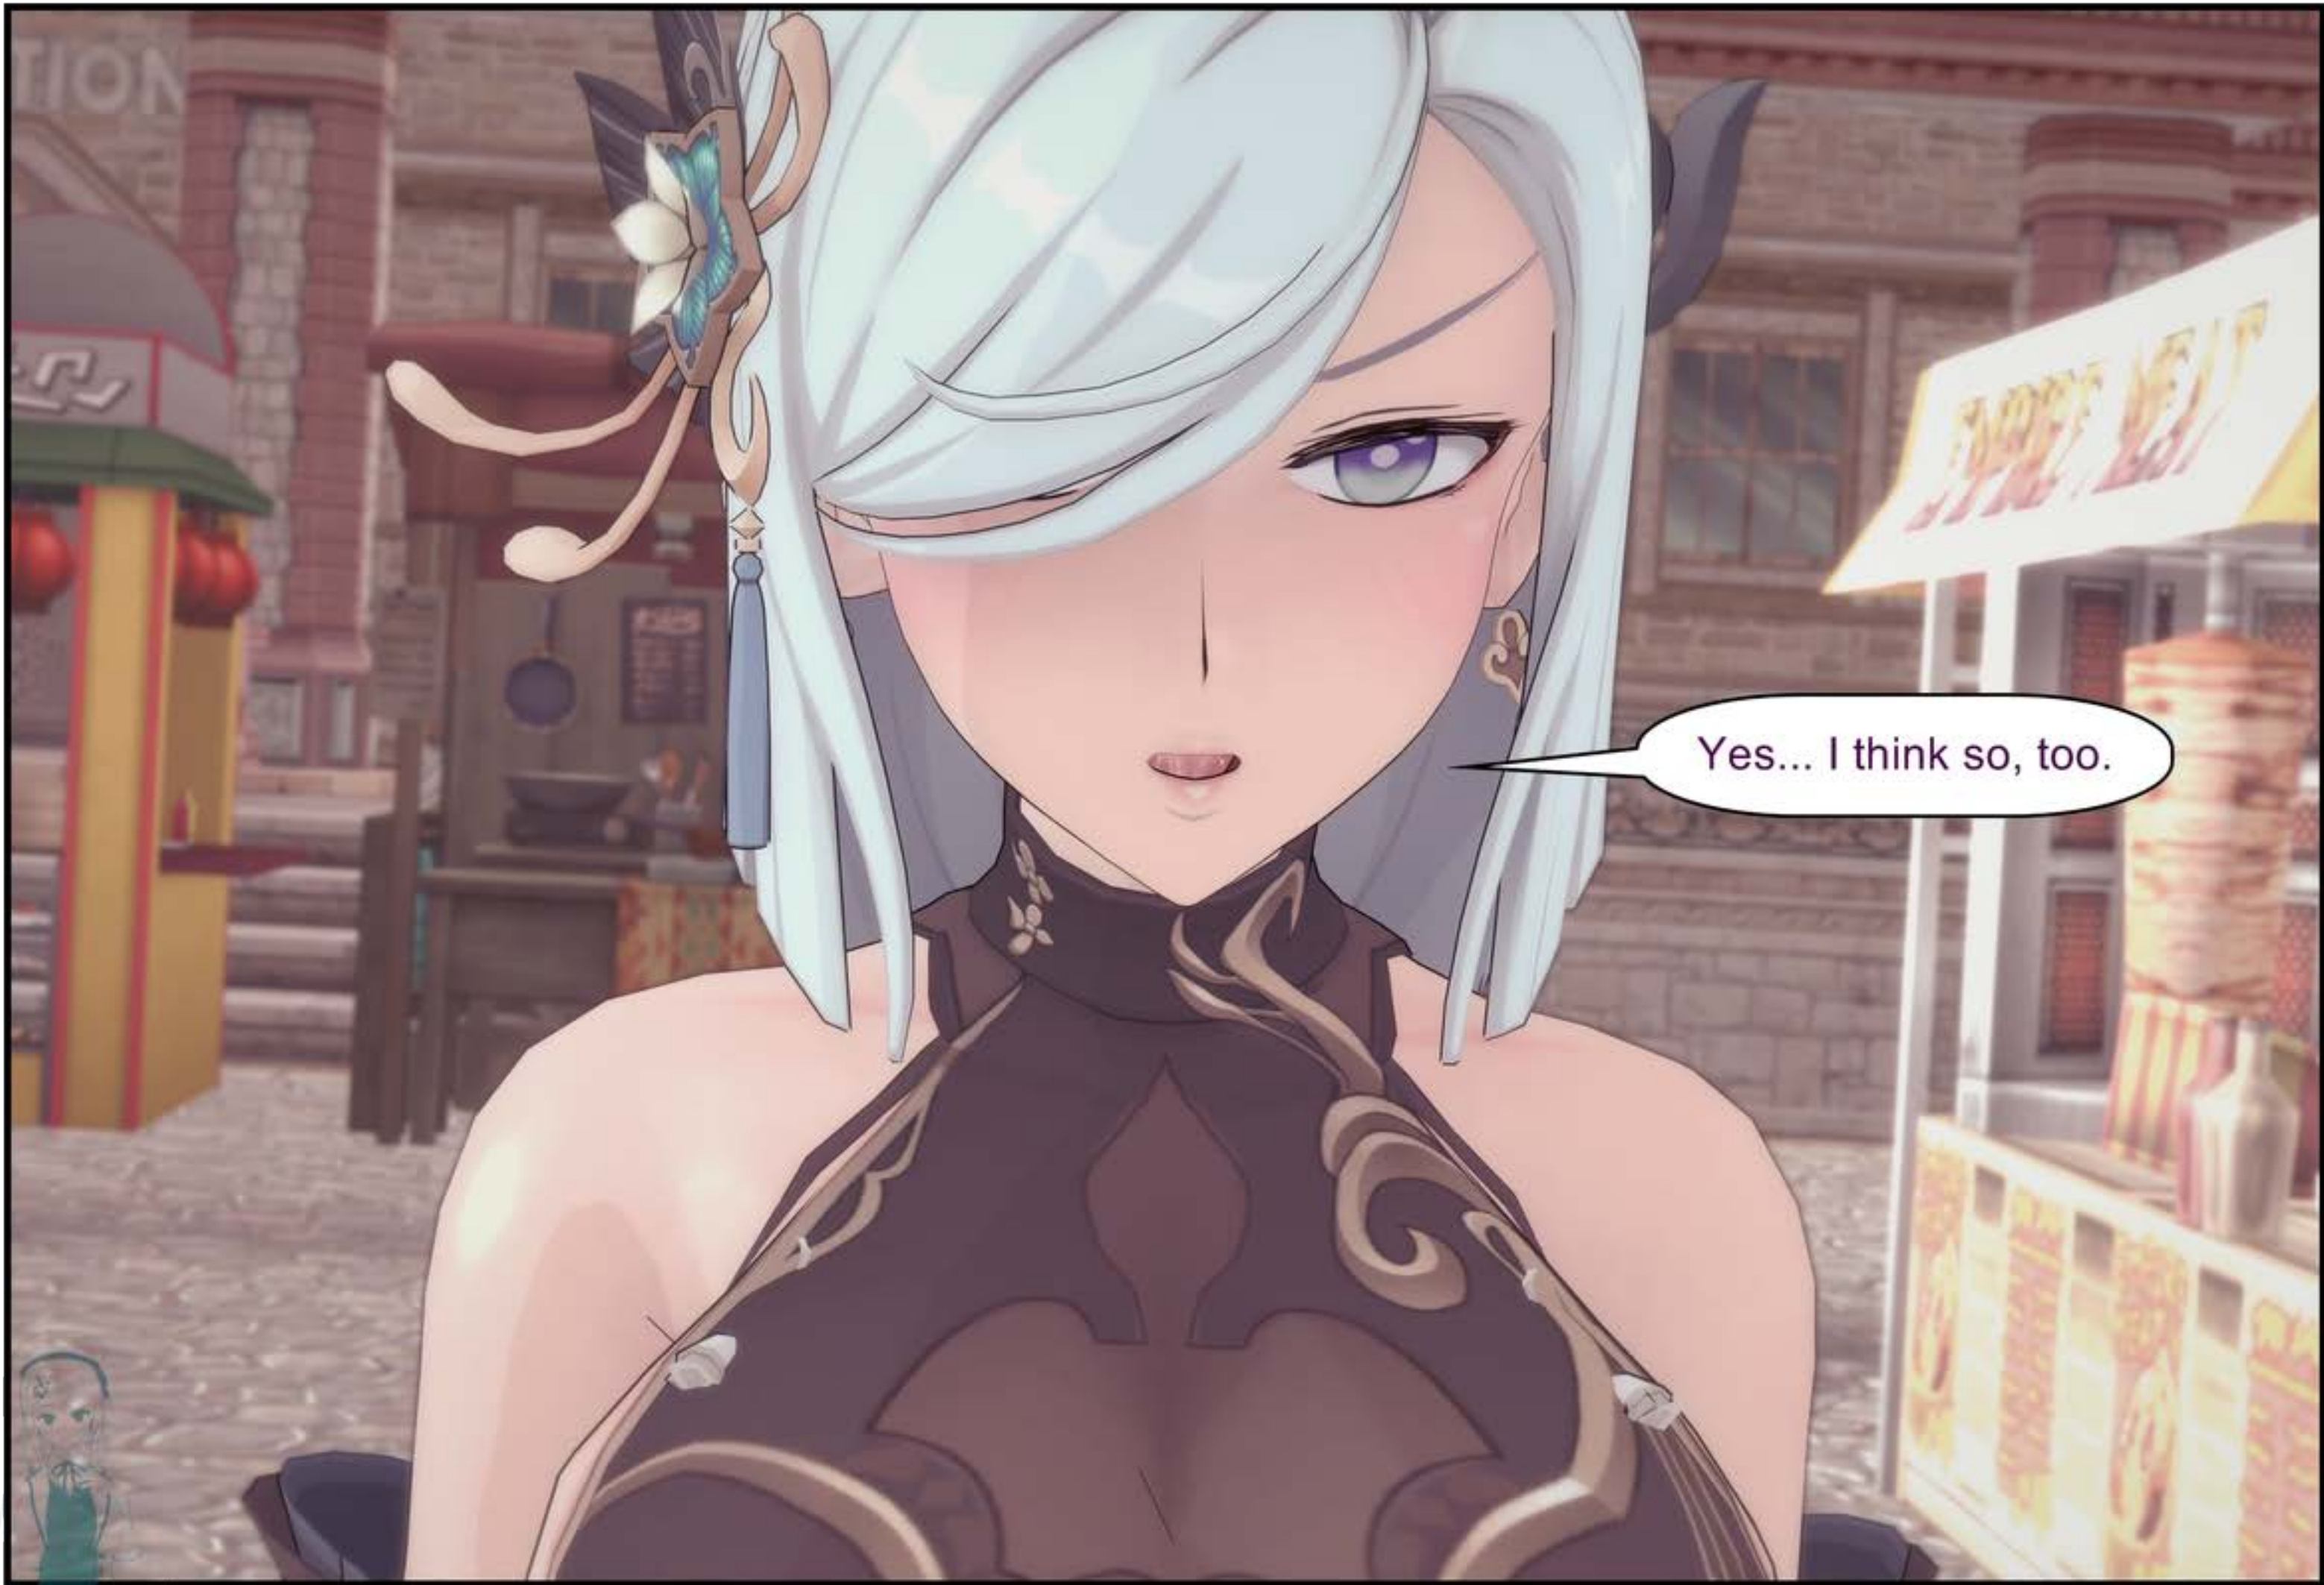

Sure, we can go together.

Thank you very much! So lucky...

I think it's better to help her out.

Yes... I think so, too.

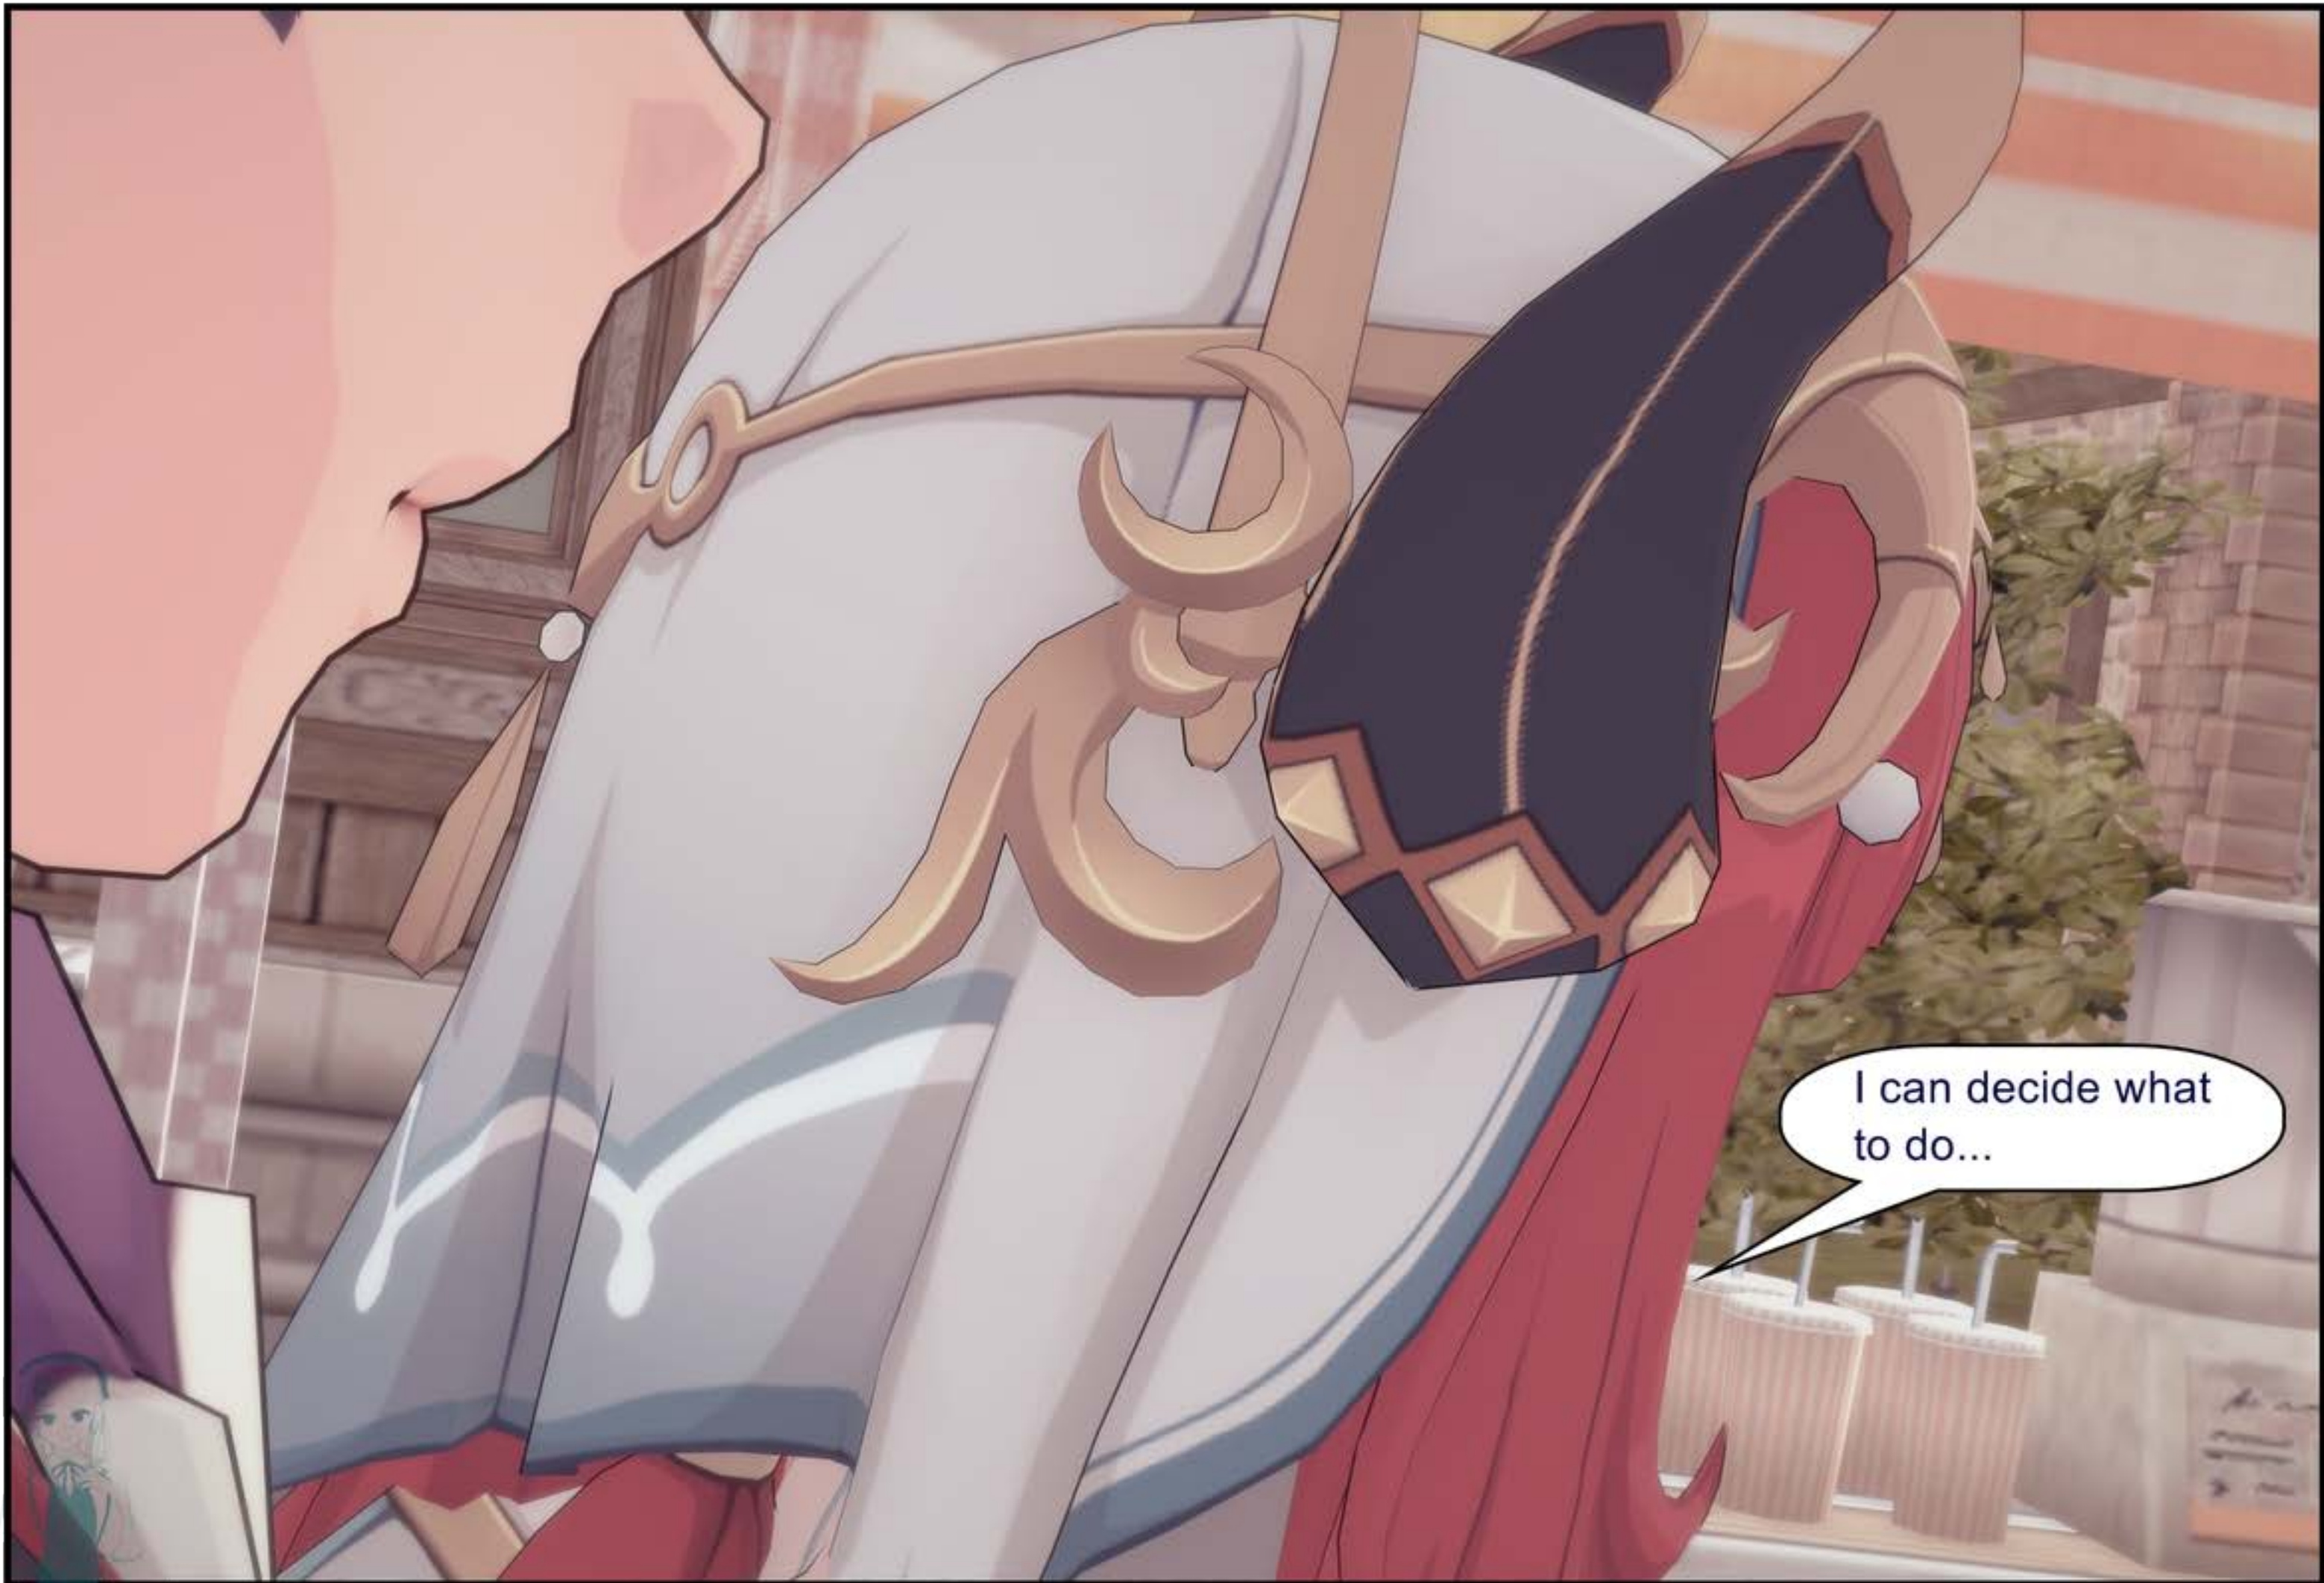

Hmph... I know
what you are going
to do here.

I suggest that you stop wasting time and use that power for other stuff.

I can decide what to do...

No need someone
like my own self to
tell me what to do.

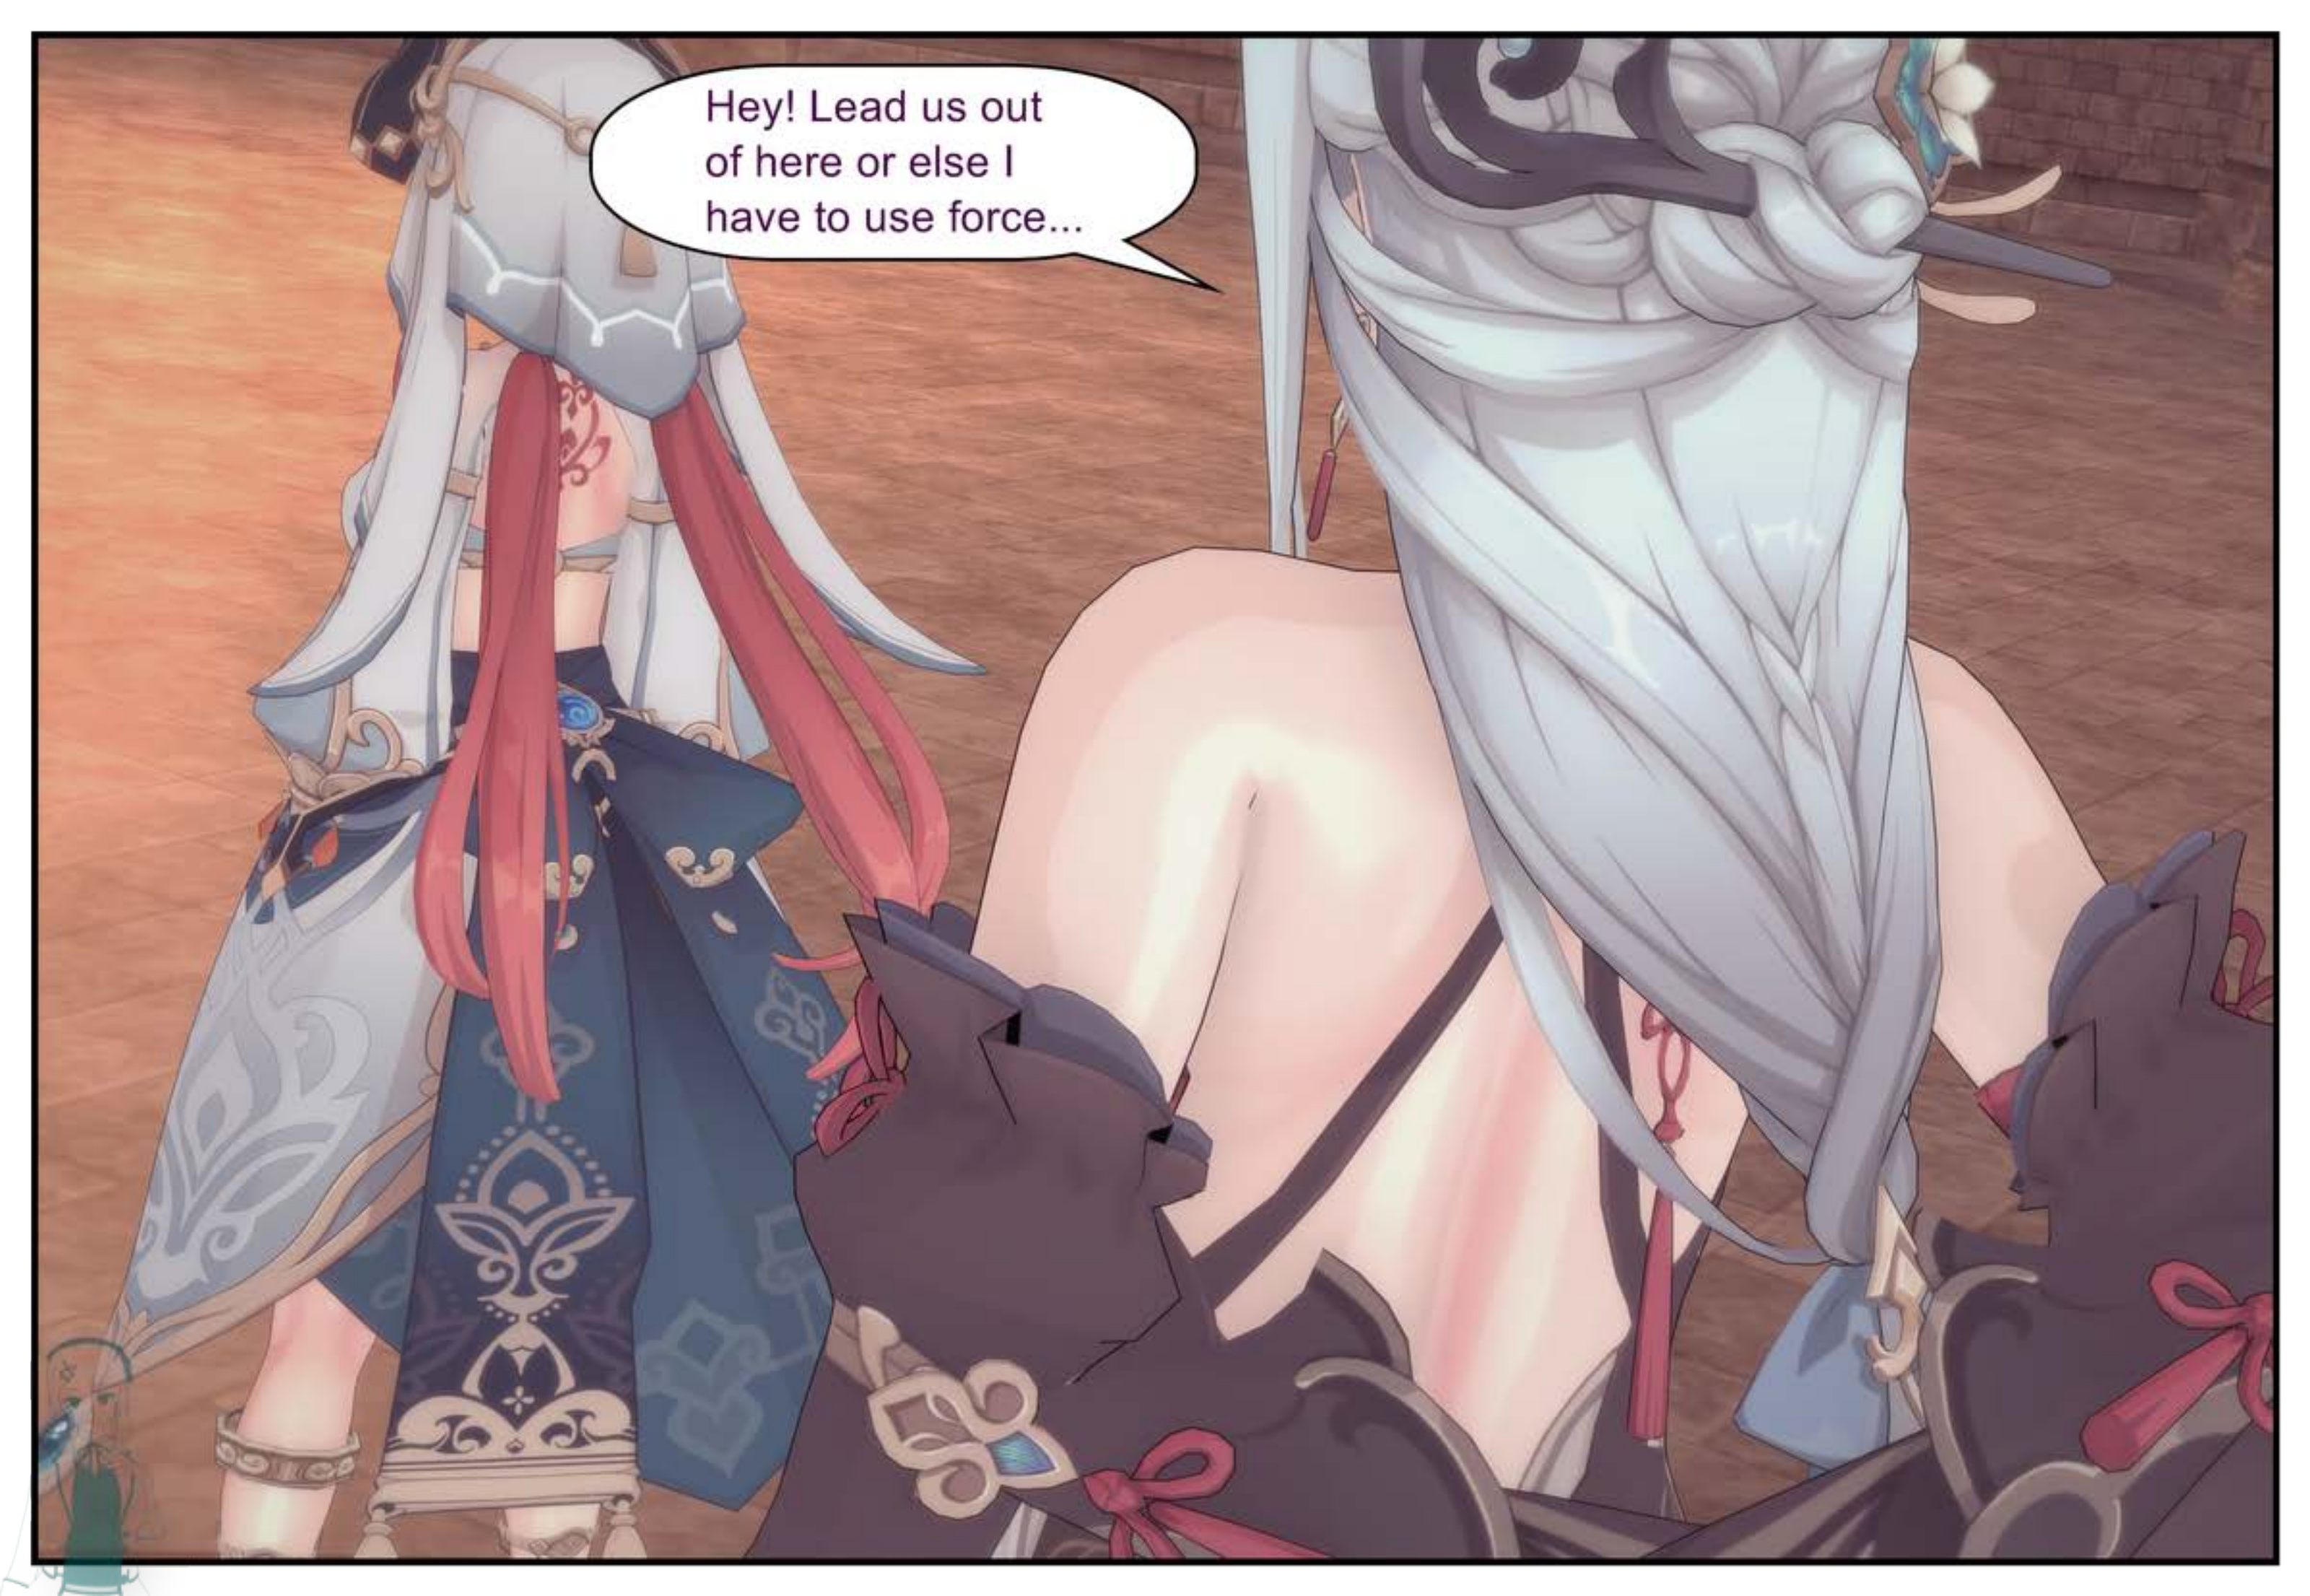

W-What is
this place...?

Something odd. We need to go, Ganyu.

It's... underground...
We actually followed that girl...

Hey! Lead us out of here or else I have to use force...

Are you listening!?

S-Shenhe... Wait...

W-What...!?

Uhm... Nn...

Shenhe... Above!!!

Enemy nearby!!!
Stay alert, Ganyu!

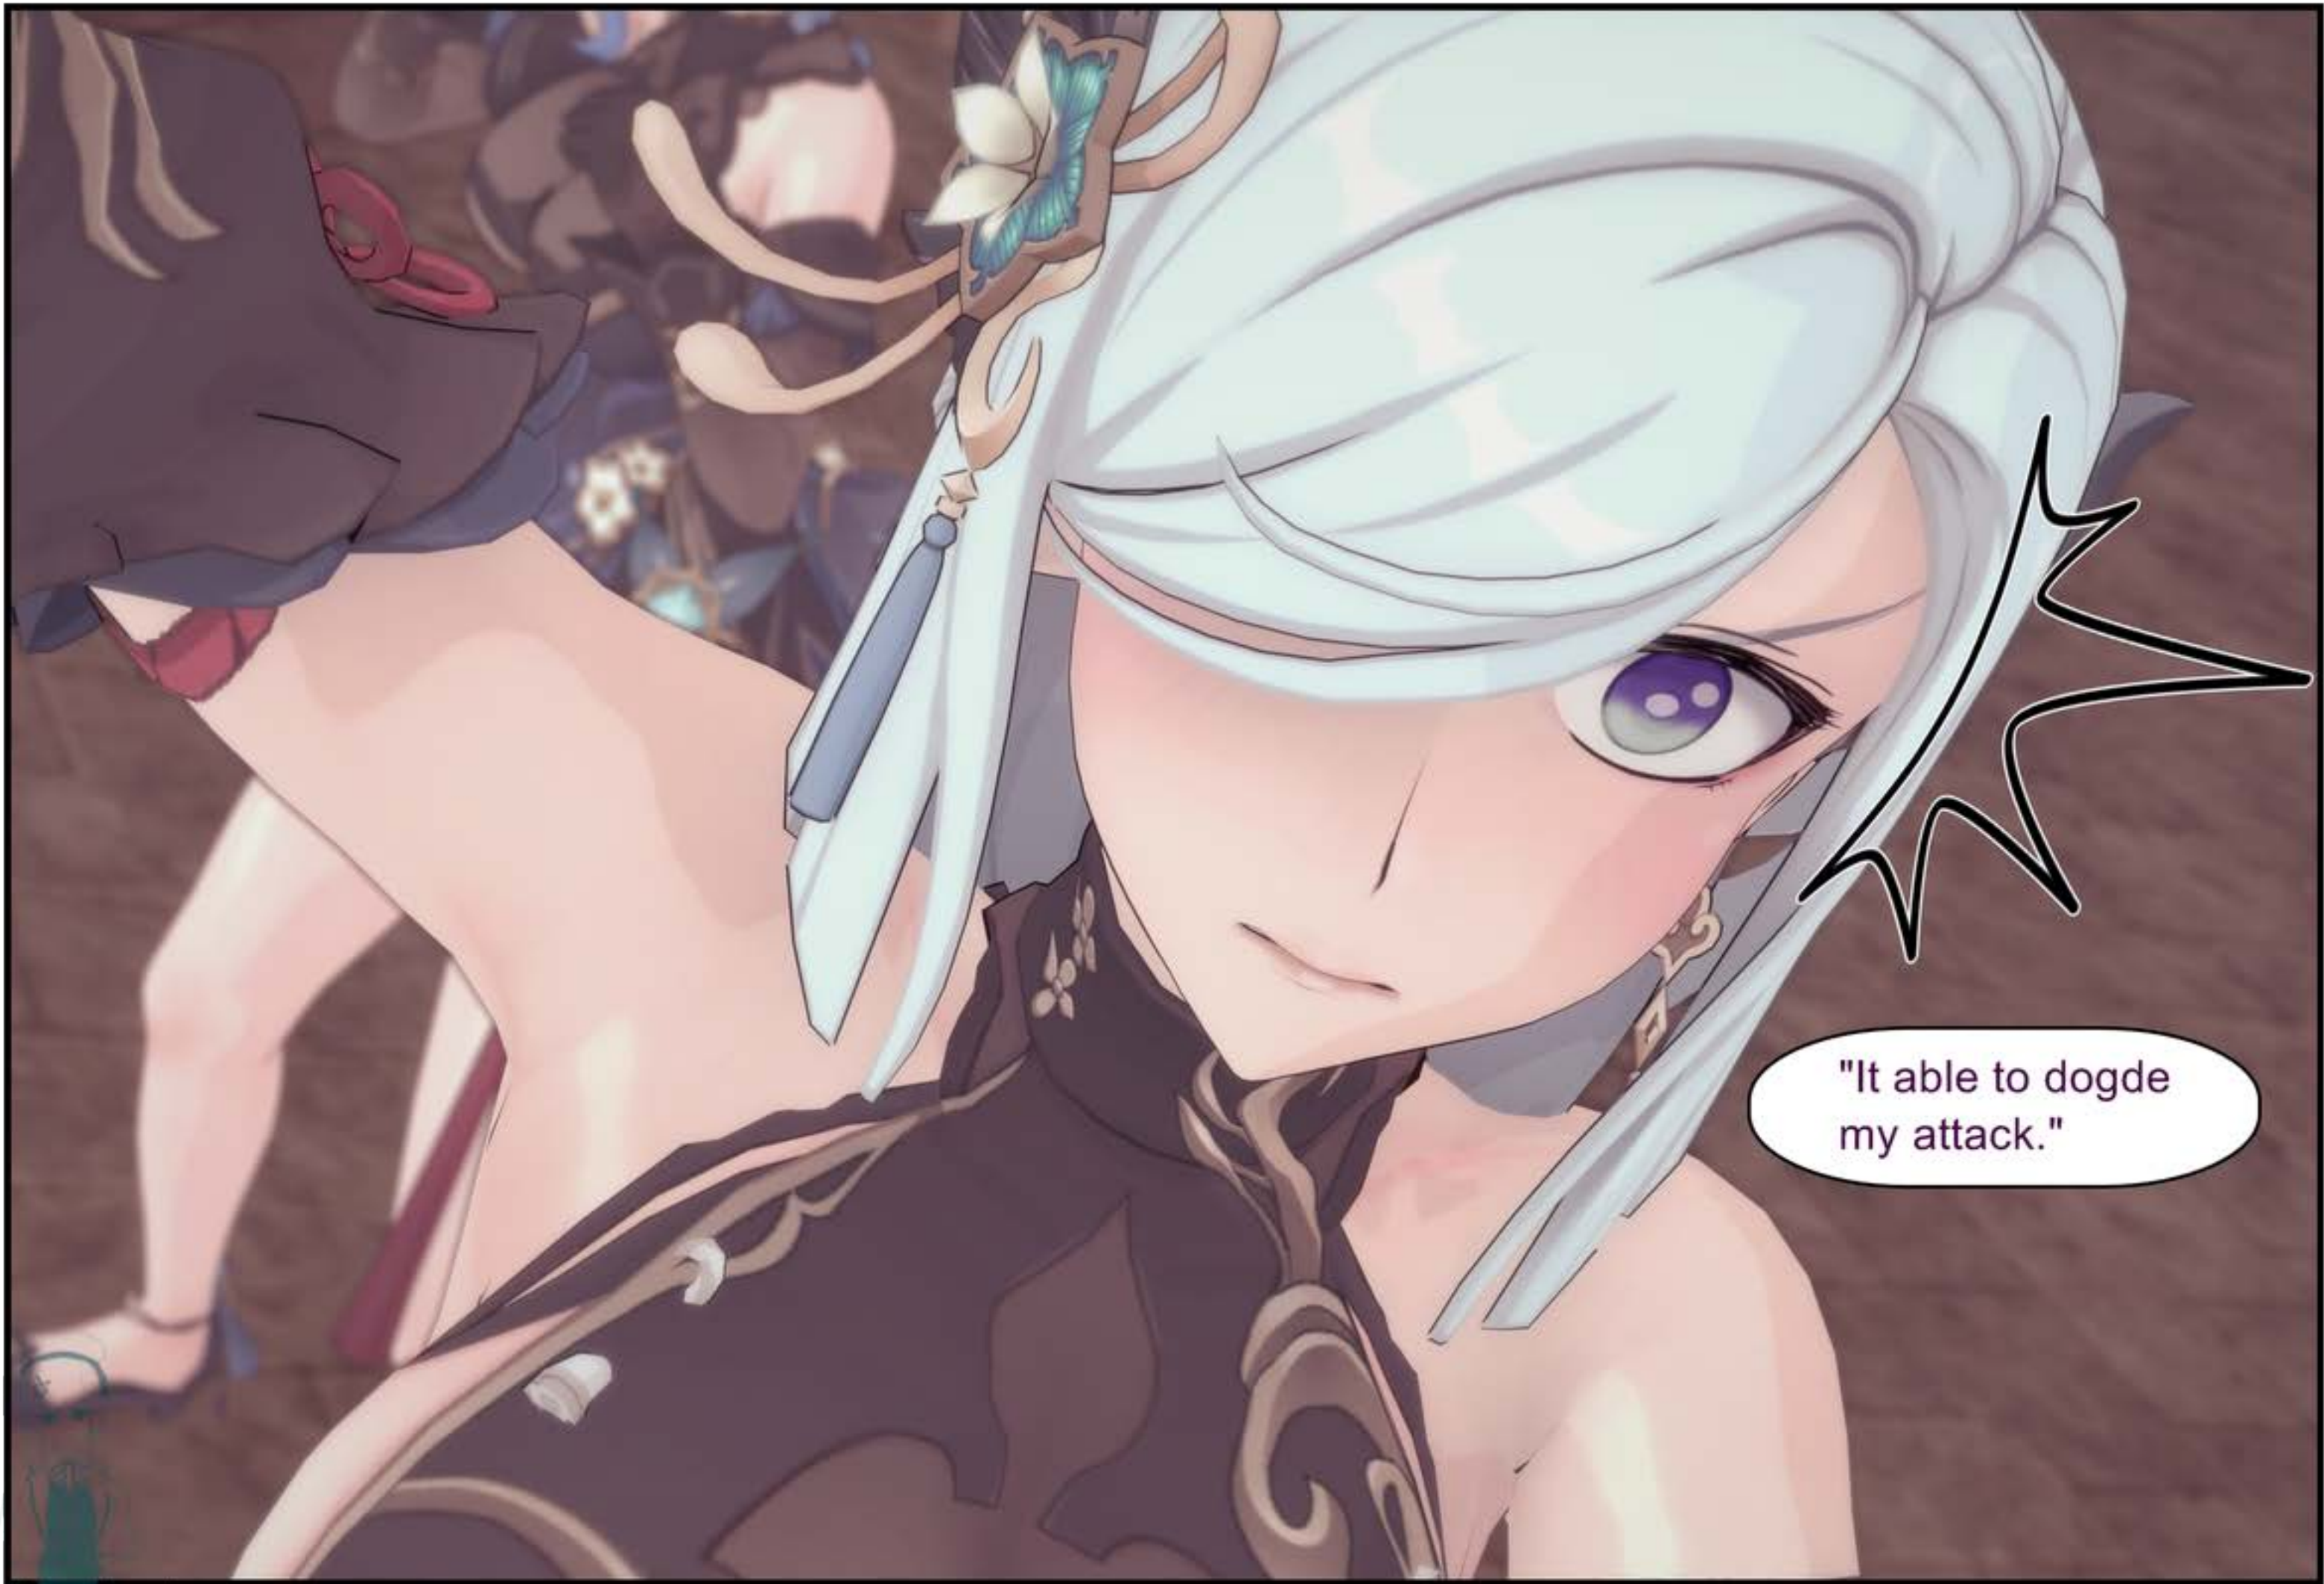

I-It's a hat...!?

Here it come!!!

"It able to dogde my attack."

Get... it... off!!!

A 3D-rendered anime-style scene. In the foreground, two women are shown from the waist down. The woman on the left wears a black, pleated, sleeveless dress with a high slit and black high-heeled shoes. The woman on the right wears a blue, ruffled, sleeveless dress with a high slit and blue high-heeled shoes. A speech bubble from the woman in blue says "L-Let me come help you a hand!!!". In the background, a man in a white and blue outfit is lying on the floor, and another man in a dark outfit is standing nearby. The floor is made of brown bricks.

L-Let me come help you a hand!!!

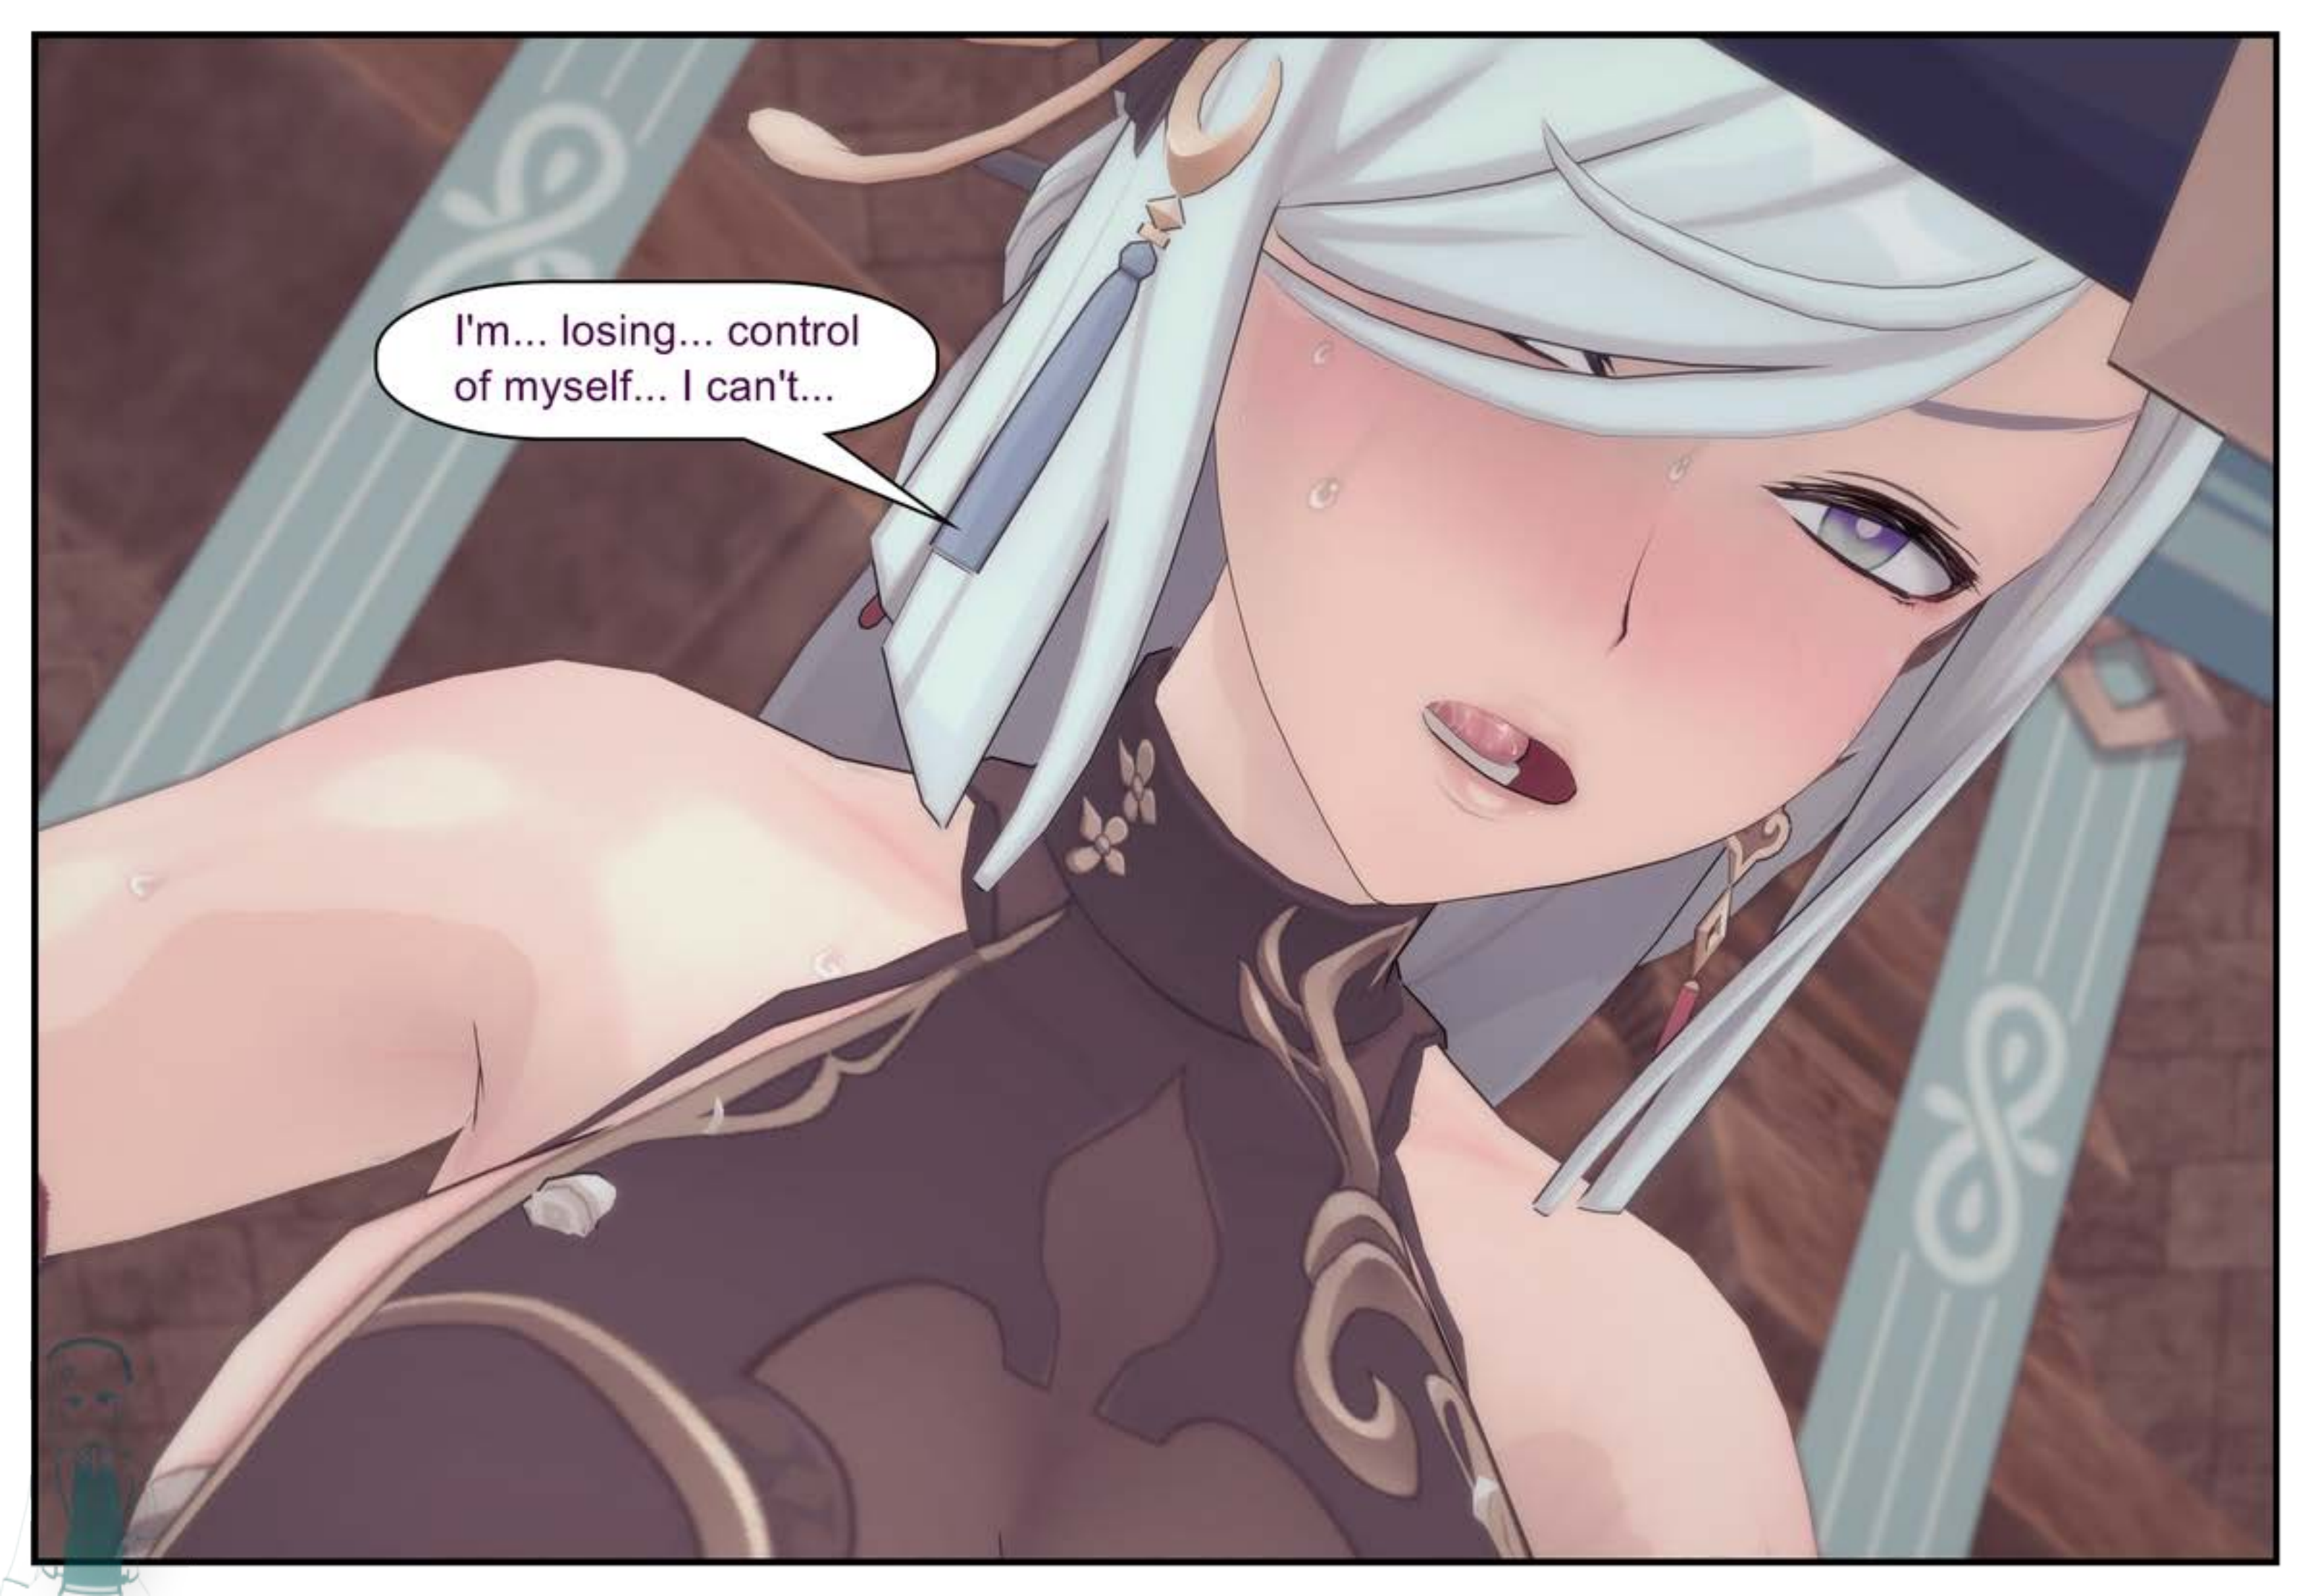

Hang in there,
Shenhe!!!

Run, Ganyu!!! Get
away from me!!!

I'm... losing... control
of myself... I can't...

Shenhe...?

Hehe... Taking
over complete...

Seem that your
friend possess a
Cryo Vision.

Interesting... What do you think, Ganyu?

Ah... These accessories weight me down...

I'm eager for
some fun...

...and you two are
so suitable...

"Shenhe's power!?
Also... it's spreading
very fast with Ameno
element!?"

A-Aahhh....

A manga-style illustration of a woman's torso and arms. She has several piercings: a navel ring, a belly button ring, a nipple ring, a ribcage ring, a wrist ring, and a hand ring. She has dark hair on her pubic area. The background is a dark, textured wall with a window showing a light source. A speech bubble is in the top right corner.

U-Um... Where are we... What is this place?

Who... are you?

Um...? Me...?
But... who am I?

What's going on!?
Why are we here!?

I don't know... Like
I've been through
a long sleep...

We need to find
a way to get out...

I know who we are...

We are lover, come down here to have fun!

Hm... That so...
I think it's true...

Maybe we tired and
passed out half way...

Anyway, what do you want to do now?

Feels so... different...
Like it's our first time.

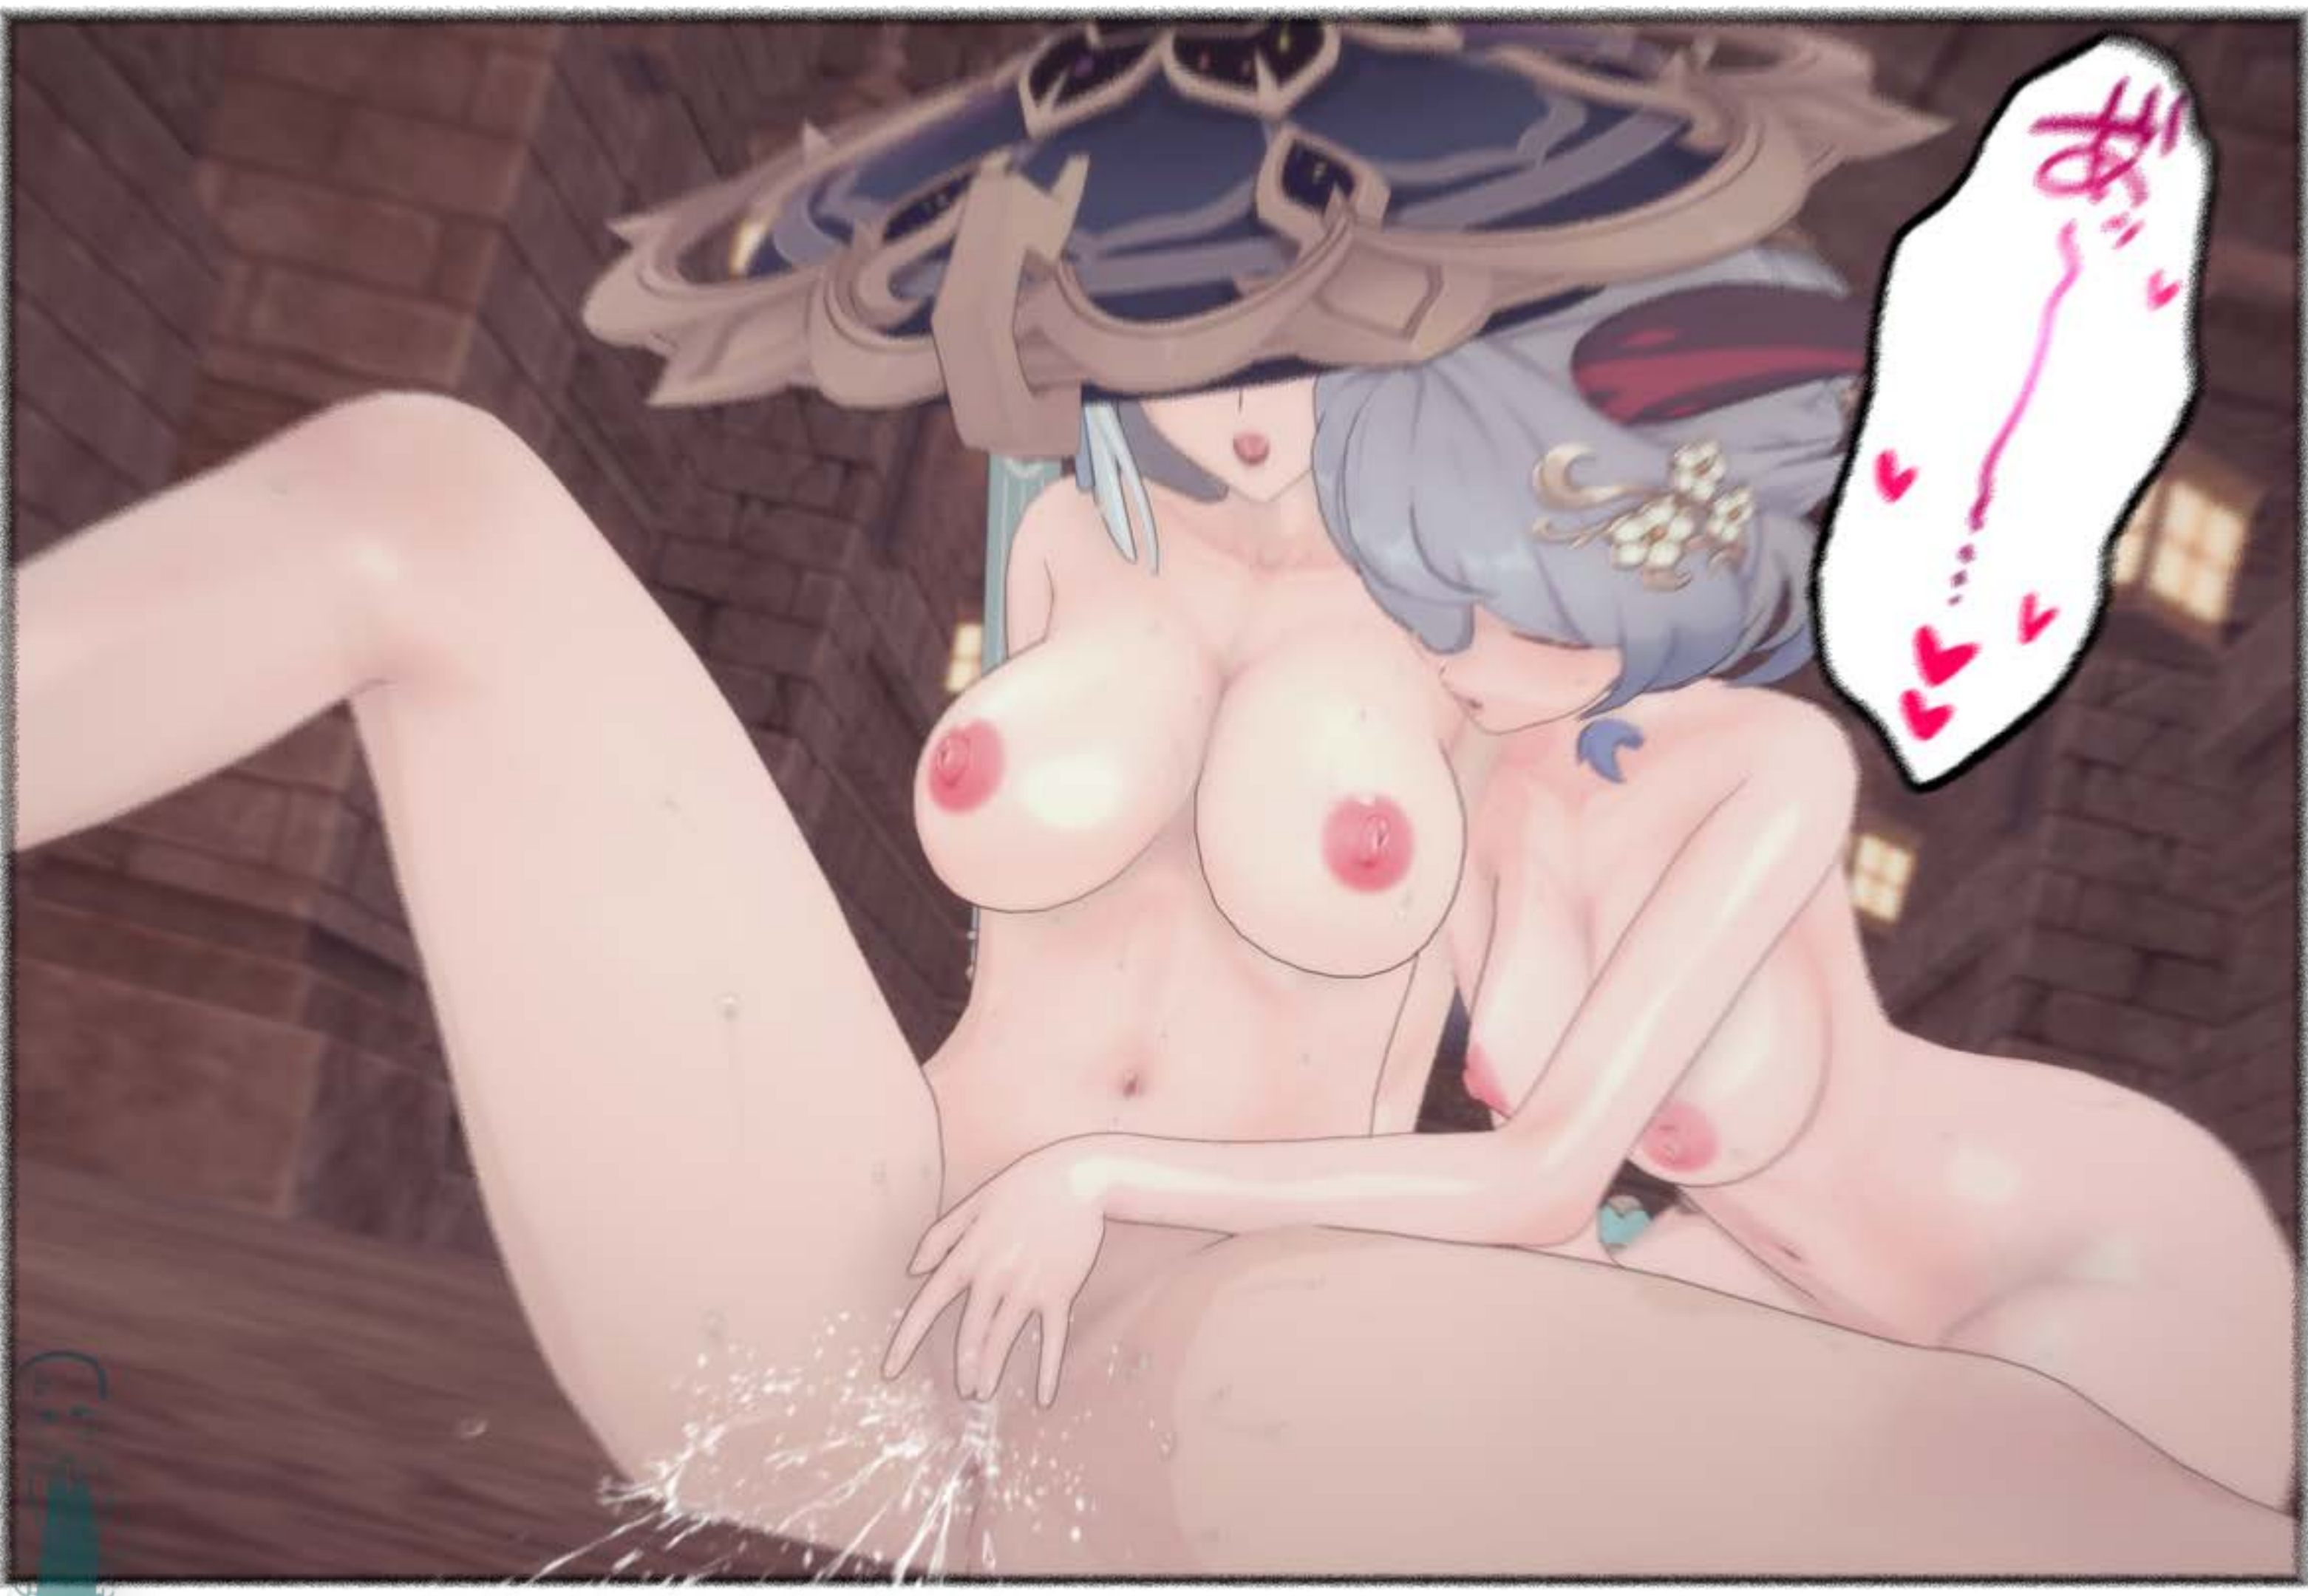

But I'm so glad that
we are here together...

お風呂 ♡♡♡♡

Ah... So much juice...

Yes...

Tsk... How pathetic...

Also, didn't you feel it? From deep inside, about someone who left you like garbage.

Yes, that woman
is here too, right
in Monstadt.

Hm... Different from what I thought...

We are here, Shogun. Monstadt's festival.

Let's see what this festival have, Yae.

By your side.

To be continued?
