## I Got Isekai'd! Well Shyt! Vol.4

### Chapter 1 The God's Tear 🦴

A month has passed since Rya started practicing water magic as well as Fire and Wind magic. Once she realizes she had a connection with them after recalling the dream that Nils entered during the battle of the Roses and told her she unlocked all the elements to her. The Mages Guild along with the help of Master Hajdah did everything in their power to allow Rya to practice her magic.

She learned from the ancient tomes that she can use her magic in different ways than what the other mages were doing and that she could not only create magic but enhance it. Stunning the mages' world when word would start to spread about this new young mage that was the Agon's only known healer.

And what excited Hajdah and the other mages was Rya's breakthrough in enhancing the three elements of Fire, Wind, and Water.

With Fire, she found out how to strengthen the spells into blue flames. Making them more powerful and allowing her to have more control over the heat. This helped Hajdah to become the most respected Archmage in the land, making him most likely to become the new Grand Master in Fiafyr Kingdom's Guild.

With Wind, she found out how to make it stronger and able to move around the area with ease and was able to glide around almost like she was flying. She also was able to learn how to use wind magic to create lightning by creating wind friction, ionizing the particles in the air. Which needed far less mana to cast compared to Razor-phoon. This helped wind mages from being mostly support mages to allow them to become main players in battle. This made Akashia the Wind Mage ecstatic that she can team up with Suhail who was the Lightning Mage.

With Water, she found that she could generate powerful waves which allowed her to swim faster and further. And learned how to cast ice magic. This helped Mystic Liaka become known as the Ice Dwarf of Ironside.

And it mainly was the help of her unique gift from the Dark Elven Goddess Nils. Which allows her to read dead written languages from all of the ancient tomes that were in the Mage's library.

This was something no other mage had ever done before, so they started calling Rya "The First Mage".

Rya also found a tome on time magic but she never was able to cast it no matter how hard she tried.

'Hmm? I guess I have no affinity for time magic. I guess when Nils said "I unlocked all elements," that didn't include time magic. Whatever! I have more than enough to do whatever I want.' Rya thought to herself as she paged through the Time Tome.

After learning about her new magic Rya decided to train herself harder and improve her skills as an earth mage. And got better at creating her golems that they no longer were naked and she could almost get them to speak.

While training herself she took up slaying skeletons of the fallen Mercenaries that came back from the dead. Thanks to a blood moon that raised one night and casts negative mana onto the dead and reanimated them into skeleton warriors. This would be Rya's duty to kill the undead skeletons in the name of the Fiafyr Kingdom and strengthen her mana vein.

And while her golems were out on patrol they found all the materials she needed to create the Seer Stone. Most of the materials were easy to find but the bane of her existence was looking for a crystal called the God's Tear. Which is a crystal that falls from the sky like a falling star. And the tricky part is they disintegrate if exposed to the sun.

She spent weeks searching for one and lucked out after three weeks when one of her golems finally found a rock that resembled a God's Tear just before sunrise.

So her golem named 2E secured it and brought it back to Ironside Palace.

The palace seemed quiet as dawn was about to break in the next hour or two, though there was a bit of activity here and there in the city. The morning birds were singing their songs when the night sky started getting a warm glow over the eastern horizon. And a figure that looked like Rya was running full speed towards the Baron's Palace.

Rya was sleeping in the arms of her fiancée, Prince Quinus. He was combing his fingers through her long white platinum hair as he gave her a kiss.

"Good morning," Quinus said with a smile.

Rya blushed and smiled back, "Morning... I'm sorry for being late last night."

Quinus laughed, "Well, you've been busy of late. I'm assuming your golems have been running around everywhere? I haven't seen any of them lately."

Rya nodded, "Hmm. Yeah, I wanted to make sure none of those skeletons were around the roads that lead out of the city. And 2E sent a message to me in the middle of the night. I think she found the last material I need to complete the Seer Stone."

Quinus' eyes lit up, "Really?! So, your golem found the God's Tear? Do you think you can create that thing? I wonder if it will function like the book says it will. You know people are going to get the wrong idea when they see you reading from a demonic tome, right? We can't let the people use this against you."

Rya shrugged, "Oh please! I should have never told you that the tome was written by a Demon Sage. If you are going to act like this then I should have kept it a secret so you wouldn't make such a big deal out of it!"

Quinus smiled and grabbed her chin and turned her towards him.

"You don't need to be alone anymore. I'll be there for you always, babe," Quinus said as Rya saw his two golden eyes up close and it made her heart raced every time she looked into them.

Rya felt her body heat rise as she looked away. "Y-You are just trying to make me horny again! I thought I could outlast you because of my female body, but you are too much Quin. I-I need to stop looking at your eyes and focus on my work."

Quinus chuckled, "I'm just trying to soothe your soul. You've been working so much that you seem distant. I want you to feel good again."

Rya's lost her breath for a second as Quin's right hand pinched her right nipple through her nightie.

"Oh!" Rya gasped out loud.

The sound made Quinus excited as he slid down to her neck and kissed her nape softly before moving onto her chest. His lips moved closer to her nipples until they were in his mouth.

Rya let out another gasp and moaned as her hips buckled slightly while Quin's fingers slipped easily under her panties.

"Q-Quin? Aunh! H-Hurry, please! I can't take it anymore," Rya said as she pushed her hips up to meet his hands.

Quinus smirked, "See? You are in desperate need of your fiancée's touch to pleasure you."

Rya looked at him with a glare, "You are teasing me again- Aunh! Hah! Ah!"

Rya's nightie was pulled up over her head as Quinus' left hand slid inside her underwear. His fingers ran along her wet folds and rubbed her clit.

"I only tease you because I know you like it. It makes you so hot," Quinus said as his tongue flicked her nipples.

Quinus had Rya's hand tangled up in her nightie preventing her from moving as his mouth worked on her erect nipples. Her legs trembled and her hips rocked forward into his fingers.

"Aaahhh! Q-Quin! OHH! Aaahh!" Rya screamed as Quinus' fingers rubbed her clit so hard that fluids started rushing out of her.

"That's it Rya... Just let go of your stress. Let me do all the work," Quinus whispered as his fingers rubbed harder and faster against her sensitive flesh.

Rya's back was arched and she cried out as she felt electricity rush through her body.

"Quin! Quin! Ah! Quin! A-Ah!" Rya moaned out as she was at the mercy of Quinus' tongue and fingers.

Her entire body shook as she bit her bottom lip to halt her from screaming out loud as she felt an unstoppable force building inside her. Which made her body spasmed and quivered as she lay there on the bed, pinned by Quinus.

Quinus smirked, "I think you liked that."

Rya opened her eyes slowly and looked at him with a smile, "Y-yes."

Rya's libido was still buzzing and her pussy was still soaking wet. The memory of Quinus pleasuring her earlier in the day came to mind.

Quinus was the only person that could dominate her. And her body willingly accepts it.

'Why!? Why do I crave this man so? Is it my dark elvish blood? Aunh! Quin! You need to fuck me! Please!' Rya thought as she felt herself blush.

"Rya... I will say this every day of my life. I love you and I can't wait to get you to carry our first child," Quinus said as he kissed Rya on the lips.

Upon hearing Quin's voice Rya's body began to react on its own as her nipples grew even more erect and hard as diamonds. While her pussy had an itchy sensation that she hadn't experienced since she was still a virgin.

'Fuck! His deep voice is so sexy! I want to hear more of him!' Rya thought as she blushed.

Rya's body was still shaking and her breathing was heavy. She desperately wanted to ride him until they both collapsed.

Rya couldn't control her movements as she tried to pull away from Quinus. But his right hand was on her hip and his left was holding her hands above her head.

"You're mine Rya... and no one else's."

"Mm!" Rya moaned as he kissed her.

Quinus moved her panties to the side and started to thrust his cock into Rya's dripping wet hole.

"Aunh!? Mm! Yesssss!" Rya groaned as she felt his large cock fill her up.

Quinus reached out to Rya and grabbed her breasts. He squeezed them gently as he continued to kiss her.

"You feel so good Rya. So hot and tight around my cock. Ahh! Fuck!" Quinus moaned out as he pushed her down onto the bed and pinned her arms above her head.

All Rya could do was wrap her legs around Quin's hips and arch her back. Her body was shivering and she was having trouble catching her breath.

"Quin... I'm so close to cumming." Rya whispered as she stared at his handsome face.

"Tell me that you wish to carry our child, babe. I want to hear you say it in your own words. Don't make me beg for it," Quinus ordered as he pulled her hair and slammed his cock into her pussy.

Rya didn't know how to respond to his demand. She was no longer human and the odds were that she wouldn't get pregnant for years.

But she was also craving his seed and needed his child.

"I-I want to bear your children!" Rya whimpered as she closed her eyes and bit her lip.

"Yes! How many children do you want?"

"As many as you'll have with me. All of them! AUNH!" Rya said as she moaned out louder.

"So loud! I love it when you talk sexy like that. I want to hear you scream my name."

"Y-yes! Please, Quin! Fill me with your cum! AUNH!" Rya begged as her pussy clenched around his cock.

Quin stopped moving his hips for a moment, "As you wish..."

He then started to move his hips again as he drove his cock deeper inside Rya.

"Oh! Ooooh! Yes! Fuck me, Quin! Make me cum! AUNGH! OH GOD! YES! AHHH!" Rya screamed out as she felt herself approaching her climax.

Quinus slammed his cock deep inside Rya and held himself there as he rammed his cock into her cervix.

"AAAAHHHH! FUCK! AHHHHH!" Rya screamed out as she came hard.

She could feel Quin's cock pulsing inside her and she could feel his warm cum filling her womb.

"Holy shit! Uuuuuggghhhh fuck! I love you so much, babe. You're amazing." Quin said as he collapsed next to her on the bed.

"Un.. Un... Y-You know it's going to take time for me to get pregnant right?" Rya said as she looked down at her stomach and saw that Quin had filled her with his seed.

"Oh? So, you're saying you're up for a second round? And third? Fourth?" Quin teased but was hoping she would say yes to another round of making love.

"Ha... ha... I'm starting to understand why women get annoyed with men that push their luck. Especially now that I turned into one of them." Rya joked before she kissed him and snuggled into his arms.

"So that's a no then? For seconds?" Quin asked.

"Quin... You've been fucking me almost every night since you proposed to me. I fear that I'm becoming an object to you." Rya said as she rolled off of the bed and stood up.

Quin quickly followed Rya and sat on the edge of the bed and grabbed her hand.

"Rya... You aren't an object. You're too special to me and I plan to marry you and stay with you forever... And if I ever do act like a jerk you can set me straight, okay?"

Rya looked down at his big sincere eyes that made her heart melt.

'Aw! He's so cute when he gets sincere and serious... God, I've truly become a woman. Haven't I... But I can't help it! I love this sincere side of him, that I almost want to give in!' Rya thought to herself.

"I love you, Quin. More than anything. I don't want to lose you." Rya said as she leaned down and kissed his cheek.

"Same... I'm sorry for teasing you so much. I can lay off if you insist. I'll try to restrain myself from making fun of you. But I really will keep trying to tease you even though it's stupid. Promise." Quin said back and smiled at her.

"Hehehe! I know the feeling... I do like your teasing, but not all the time, okay? Also, I'm not gonna lie. It's kind of adorable when you're flirting with me." Rya admitted as she kissed his lips again.

"So? You want a second round?" Quin asked playfully.

Rya smirked and shook her head while moving her right hand up to Quin's forehead, pushing him back on the bed.

"You know how to ruin a moment... Don't you..." Rya joked as she walked back to her wardrobe and put on a robe.

Quin laughed and stared at her body.

"I don't know how your body defies gravity. Your breasts and ass look amazing. My God... How did I deserve such a woman?!" Quin said and stared at her.

"I'm glad you think so. I'm always happy when you compliment me." Rya said as she finished putting on her clothes.

\*THUMP!\*

A sound came from their balcony. As a figure that looked like Rya had landed there with a loud thud sound. The figure looked up and saw them.

"There's 2E. What took you so long? Have you been spying on us again?" Rya said to her golem.

"You... And... Q... Having..." 2E was cut off by Rya.

"I know! I know! So, you were spying on me and Quin?" joked Rya.

Quinus sat up on the bed and looked at Rya's clone.

"It's amazing that you were able to give your golems their own individual conscience. How did you pull that off?" Quin asked.

"I lucked into it, with the help of Hajdah. My brain was getting stressed seeing everything they were seeing. So, I tried to see if I could create a brain for them so I don't need to control them 24/7. And it worked! Some day I'll create a golem that came talk in complete sentences." Rya explained as she got up and went to the balcony. "Hey, 2E. I felt your excitement. Did you find the God's Tear?"

"Yes... Ma'am!" replied 2E as her stomach turned from soft-looking skin to earth and slowly opened up to reveal a glowing crystal inside.

"Oh my God, this thing is gorgeous!" exclaimed Rya with a starry-eyed look.

Quinus walked up and examined the crystal as well. It was the size of a chicken's egg and the color of a deep blue sapphire as it gave off a beautiful blue glow from within the center of the crystal.

"This is the God's Tear! My girls found it! Can you believe that?" Rya said excitedly.

"So that's the last thing you needed to craft the Seer Stone? You're almost done then, right?" Quin asked.

"Yeah. We should be able to make the Seer Stone now. Let's get it ready, shall we?" Rya suggested as she headed towards the closed door.

"2E, protect the crystal and wait for me in the laboratory by the forge. I need to clean up before we start working on the Seer Stone." Rya instructed and walked into her bathroom.

"Yes... ma'am!" 2E answered as her stomach closed up and looked like Rya's tan skin again.

Quin smiled and shook his head. While following Rya into the bathroom.

"Huh!? Quin!? Mmmmmh! Yesssss!" Rya moaned from behind the door as Quinus snuck up behind her and started groping her supple breasts.

"Let me help you clean up, Rya," he whispered into her ear.

"Mmmm, yes..." Rya groaned out.

Quinus smiled as he continued to massage Rya's large mounds through the fabric of her black robe. He reached down and grabbed the hem of her garment and pulled it up from her waist.

"Don't stop, Quin!" Rya gasped.

Quinus moved his hands from her hips to her chest and began rubbing her tits.

"As you wish, Mistress Rya," Quin responded.

Rya let her arms fall back against Quin and moaned softly as he sucked on her neck and massaged her breasts. She gave him a sexy wink and channeled her mana into the Fae-Bath to let the water start to warm up.

"Oh yesssss," she moaned as she felt the water getting warmer.

Quinus kept massaging Rya's breasts and pinching her nipples between his fingers. His cock was hard and throbbing against her rear end as he rubbed her breasts.

"Quin, please! Please! Make love to me!" begged Rya.

Quinus smiled as he grabbed Rya's ass and began grinding his shaft up against her pussy. As he moved into the bath with her, he removed her robe and laid her down into the warm water of the Fae-Bath. Then he slid himself into her.

"Ahhhhhhh, hnnnngggg!" Rya moaned loudly as she felt Quin's thick cock slide inside her tight pussy.

"Got to make sure to clean out every part of you, my love," Quin replied.

He started thrusting his cock in and out of her wet pussy and rubbing her clit with his thumb. The harder he fucked Rya, the louder she moaned and squirmed around in the warm water.

Quin stopped moving his hips and leaned forward to kiss Rya deeply before he started to pump his cock in and out of her hot box.

"Aunh! Yes! Clean out my pussy with your big, beautiful cock!" Rya moaned loudly.

Quinus smiled and kissed Rya again as he started to pick up speed and thrust his cock in and out of her faster. He pressed his tongue against hers as he sped up his movements.

'Aunh! No matter how much I try to fight it! I love how Quin touches me! Aungh! I love feeling his cock inside me!' thought Rya.

Every time she thought about the fact that she used to be a man and now was in love with one, her body reacted to him even more.

Her eyes rolled back and she let out a loud moan as she came for the second time that morning.

"Mmmm... fuck! You're so good to me, my love," Rya panted.

Quinus moaned as he felt Rya's pussy squeeze his cock tightly. His hips bucked as he made quick thrusts into her tight hole.

"I'm going to cum soon, Rya," said Quin.

"Cum inside me, darling. Give me all of your hot seed," she whispered.

Quinus growled and pushed his cock deep into her pussy one last time before he released his load.

"Ahhhh! Ahhh! AUNH! SO HOT!" cried Rya.

"Gah! Fuck yes!" grunted Quin.

After a few moments, both of them caught their breath and relaxed as they floated in the warm water together.

"Ha... Haha... You are dangerous, Quin. I feel you are trying to dominate me, through pleasure," laughed Rya.

Quinus blushed and chuckled a bit. "That is not true! I am just showing my affection."

Rya smirked and looked at him. "You're a bad liar."

"No, I wasn't lying. But I won't deny that you're falling prey to my touch feels like a benefit too," admitted Quin.

Rya pouted, "Why isn't it the other way around? Don't you fall prey to my touch? Or do I have to force myself on you?"

Quinus blushed, "Rya... My eyes fall prey to your beauty every goddamn day of my second life and I don't want that to change, ever. You make my heart beat faster and my body responds with... Well, a desire to please you. I think I will always succumb to your charms."

'God! His golden tongue knows just what to say to me!' thought Rya with a smile. 'I'm glad he can't take his eyes off of me either.'

"Good..." said Rya with a wicked grin. "Because I plan to keep these feelings from changing. I love the way you look at me."

Quinus smiled and kissed her deeply.

And with that, they played around with each other for a bit more before cleaning themselves and getting dressed for the day.
