

**Leather
pants
Step-by-step**

Paints required:

Leather pants

- **Dryad bark**
- **Abaddon black**
- **XV-88**
- **Ivory (Vallejo)**

**Basecoat the pants
with a 1:1 mix of dryad
bark & abaddon black**

**Now layer all the
raised areas on the
pants with pure dryad
bark**

Now layer halfway towards the knee with a 1:1 mix of dryad bark & XV-88.

Now layer $\frac{1}{4}$ towards the knee with pure xv-88.

Now highlight the very front of the leg, & upper part area of the kneecap with a 1:1 mix of ivory & xv-88.

Now shade all the recesses with abaddon black – add 3-4 parts of water to this mix.

Optional : Make random thin lines with XV-88. Everywhere where the lines cross each other, make a dot to connect the lines with ivory. Done!
