

Bio Story 03:

On most days, and in most classes, Silas as a rule hated group projects.

Mostly because he was the one left with doing all the work.

He was after all so studious that he had literally studied his way into being a wizard of the flesh, the Bio Mage of the campus, but he still didn't think that meant he should have to do all the work on a group project.

But today was different! Silas had missed the class when groups were announced only to find he was paired off with two very stunning sports stars. Honestly he wouldn't have minded doing all the work if it meant spending time with these two lovely women, but instead he had found them to be just as focused on getting a good grade as he typically was.

Silas' first partner was the volleyball star Kara Haugen. She had shining golden hair that went all the way to her trim waist and framed a slender face with stunning light blue eyes, giving her an ice queen look, one many would say matched her personality. A slender frame with toned abs perfectly accented her notably wide

hips, thick thighs and what was often described about campus as legs for days!

After her was the two time softball champ Jessica Garza. Jessica had an elegant face with nice cheeks and brown eyes, usually with her auburn hair tied back in a ponytail with a similar physical frame to Kara but behind those wide hips was a big bubble butt and meatier legs overall.

Silas could never have asked for more beautiful partners. Working with them and admiring them wasn't enough for Silas though. Ever since his sexual escapades had begun, he'd found himself more confident and prospective partners responding to that and the duo had been no different, though each constantly casting side long glances at each other as if trying to size up which of them was going to be the alpha female and claim him. The project was coming to an end soon and he decided to make their final meetup one they wouldn't forget.

After two hours of Kara explaining and doodling on the classroom dry erase board, Jess spoke up when Silas hadn't been able to fit a word in edgewise, "Ok ok ok, I need some air. I'm gonna get us some energy drinks 'cause at this rate I'm going to pass out of *boredom*! Back in a sec!"

Before Kara could protest though Jess was out the study room. "Ah... ugh.. typical! She always has to have her way doesn't she?" Kara rhetorically asked, huffing and turning her back on Silas as she got back to writing, her blonde hair swishing in the air behind her, drawing Silas' eyes to her pert and perky ass.

Silas was both bored with the subject matter, they'd discussed to death over the last month, and turned on by Kara's stress. He stood and made his way silently behind her, his cock erect against his stomach until he pushed it slowly between Kara's toned ass-cheeks barely hidden by her skirt.

"You know... there's a way to help make this project more exciting..." Silas whispered into her Kara's ear making her give a warm shudder, leaning backwards against him as she slowed her breath. Silas began rubbing his hot member up and down Kara's cheeks making her lose her grip on the marker snapping her out of her trance with the noise it made hitting the ground.

"Oh god I... Silas I want this but... I need to go to the bathroom. I ...*wow you're big...* just.." Kara backed herself to the door catching a glimpse of Silas' hard dick and dripping with precum. Just as Kara took off Jess walked in clutching

three energy drinks, the blondes early knocking them out of the brunette's hands as she made her swift exit.

"What the fuck was her prob-" Jess didn't finish her sentence, seeing Silas standing there showing off his erect cock. "So... we still having energy drinks? Or would you enjoy a different kind of pick me up?" Jess smiled dropping the cans to the desk next to the door as she sashayed towards him.

Shorts were dropped to the floor before Jess kneeled on them, some analytical part of Silas' brain thinking that she'd done this before and had no intention of hurting her knees. How many times before? The line of questioning, along with that part of Silas' brain, shut down completely as Jess tucked her brunette hair behind her cute little ears and she began gulping down Silas' cock and gagging at her attempts to get it's length down her throat. She more than made up for it with her tongue swirling the head and letting saliva drip down the shaft.

Silas was impressed and was definitely more awake than the slow nod he'd been doing during Kara's soliloquy on their project. Making a decision that choking this sexy brunette with his cock wasn't the sexiest thing he could be doing, he tapped her head once to get her attention. "Wow... that's some tongue work you got Jess... let me return the favor!"

Lifting Jess up, much to the woman's delight at the sudden show of strength, Silas sat her fine bubble butt onto the study table, scattering papers before running his tongue across her finely toned thighs. He loved feeling her shake all over, trembling now and again as he licked her lower lips and twisting his tongue around inside her most sacred of places... slowly... over and over.

Jess stretched her legs out with every deep thrust of Silas' tongue, settling on putting her meaty thighs on his shoulders, her calves idly kicking and twitching as he played her like a flute, driving her closer and closer to an edge she desperately wanted.

Before climax, Silas caught a glimpse of something he did not thin he'd see over the tan skin of Jess, the firm white ass of Kara. Jess's Juice across his face, Silas simply said "be right back!" Upset at the unfinished nature of the encounter, yet still satisfied Jess made a glance at one of the energy drink cans on the

ground, where it had gotten knocked upon her move to the table. "...I paid money for that."

In the bathroom Kara was still collecting herself staring at the mirror with the wet feeling of her own juices running down her long legs. "that cock... so... oh my god I want it so bad... but I swore I'd save myself!"

"Save yourself for what?" Silas commented, appearing behind her in the mirror, naked from the waste down, hands already caressing Kara's hips and waist.

Kara for the second time that day was caught off guard and couldn't form coherent words with Silas' cock hard against her rear.

"If its being a virgin that's got you so concerned... there's another way you know!" Silas said pulling Kara's skirt angling his cock between her pert and perky butt.

"Wait, do you mean...? My cute little butthole?" Kara said leaning forward letting Silas slowly force his cock head into her tight asshole, inviting him in with a smirk over her shoulder. "You wouldn't be the first."

"There we go... nice... and sloooooow we go," Silas said pushing half his cock in and out of Kara's asshole, now wet from his precum and still a bit of Jess's saliva. In and out he went, over and over, slowly pushing more of himself into her, making her stand on her tippy toes. Thinking she was ready, he pulled back to the tip of his cock and then pushed himself all the way in to the base of his cock, she'd really taken it all.

"..ah..." was all Kara could say before she passed out on the restroom counter.

"Um... maybe you weren't ready for the whole thing.. heh." Silas said balls deep with his cock holding up Kara's unconscious body on the counter.

Coming back to the study room Silas was greeted with Jess laying on the study table legs up, pushing an energy drink into her soaking pussy smiling with

delight at Sila's return. "Hi there! And here I thought I'd have to finish myself off! Let me just..."

"Oh! No need, Jess!" Silas swiftly moved to the brunette and pushed the energy can deeper into Jess with the base of his hand, following up with pushing his wet cock up her asshole.

"Oh yes! Push that man meat into me! Ugh I can feel both those thick cylinders filling me to the brim!"

Silas felt turned on past any point he'd been today, feeling his cock bulge rubbing against the can inside Jess's pussy alternating both holes about to reach climax with Jess screaming "Yes! Here it comes!"

That was until the interruption of Kara's voice "WHAT THE FUCK is this?!?!" both Silas and Jess swiveled to see Kara, naked, her amazing abs glistening in the room's light, apparently ready for round two with Silas, and a look on her face that could kill. "I swear... it isn't enough that coach has you always up to bat and I'm benched like every game?! I thought for once my hard work had finally paid off! That maybe hours and hours of school work got me a guy I like to... to... *come on to me!* No you have to go and steal that spotlight too! I mean..."

Jess felt her own fury bubble up inside her and twisted her whole torso around to face Kara, Silas making a startled noise as he was still balls deep inside her ass. "Oh fuck you, you rich little white girl! You're just upset cause daddy can't just hand you everything you want now! Unlike you, I work for my shit! I work for my spot on the team and I work for this big cock up my ass!"

"Girls! Girls! I've gotta a solution!" Silas swiftly pulled out of Jess, making the brunette shudder as the unattended energy can also fell away from her slick pussy. Before the blonde Kara could make a comment again, Silas lifted her up and lay her on top of Jess's already sweaty body followed up by his big cock up her ass.

"Ah wait! Oh... ugh... so much cock.." Kara eyes were already rolling back into her head, her hands trying to find purchase and instead finding Jess underneath her.

“No! No you don’t!” Jess said pressing her lips to Kara’s making her eyes widen with surprise.

“What the hell, Jess!” Kara managed to gasp. “A softball player going Lezzy? Can you be any more of a-”

“Oh shut up and kiss me you ice bitch. Though, I gotta admit feeling our bodies against each other is quite a turn on.. with.. ah!” Jess was about to comment until the feeling of Silas’ big cock head pushed up her ass!

Silas continued to alternate his cock between both girls assholes, becoming slick with precum and ass juice from both beautiful assholes already red from soreness. He was really starting to feel it and neither woman seemed to be getting closer to the edge he wanted to drive them over. “Ugh this is exhausting... Ok, plan B. Jess help me with Kara real quick!”

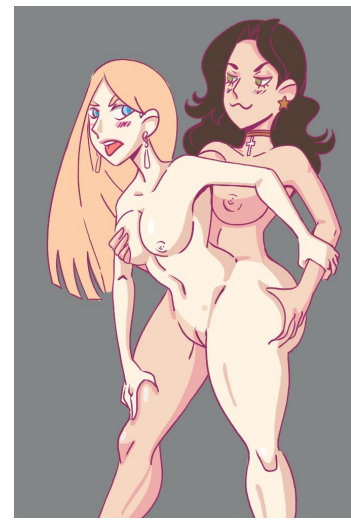

“Wait... what?! What are you doing?” Kara looked around as she felt Jess and Silas flip her over on the table onto her front, with Jess laying on top of her.

“Ok, we’re flipped, but I don’t see how this is going to change anythingNNNNNG!” Jess had looked over her shoulder and across her big bubble but at Silas, who interrupted her by shoving his cock home.

“That’s great for her, but my ass is being.. Uh... oh that’s hot.” Kara blushed, feeling squished by Kara, but the heat of the two of them fucking, it almost felt like they were melting. Melting... together. She looked down her side, surprised in more than a little shock. “S-Something’s happening!” Kara said as she could feel Jess feeling warmer above her. Kara tried moving away from Jess but Silas was pinning them both down with his cock slowly forcing its way into Jess’s asshole.

“Oh god you’re stretching it.. wait!” Jess screamed through her gritted teeth grabbing Kara’s shoulders for balance. Silas finally pushed with all his strength, not only getting all of his now fifteen inches into Jess’ ass but forcibly pushing her legs and ass down into Kara’s, fusing both their lower halves into a pair of legs and ass twice as big as either woman had sported before.

Kara now gasped sharing the sensation with Jess of having Silas’s massive cock inside her as well. Silas himself gasps at the

immense warmth and tightness he now felt from all the ass-meat around his thick cock.

“Oh my god... Oh my god... what the fuck is happening...ugh my ass is on fire!” Kara screamed, sweat dripping down her slender face as she attempts to push herself up.

Jess strained, feeling the weight of Kara on top of herself. “Ugh... wow.. that... now that is a dick! Umf!” Jess comments biting her lip and squeezing her... *their* asshole around Silas.

Silas cringed a bit, finding their combined ass muscles a bit too much even for his monster, pulling back to see the immense caramel swirled ass his dick was shoved into. “Wow... didn’t think this would work! But man do I like this!”

Silas slowly began pulling his cock out inch by inch, watching both girls upper torsos shake. Before they had time to catch their breath Silas quickly shoved his full length down their asshole with a wet slurp, both women gasping at the deep intrusion.

“OH GOD YES! MY ASSHOLE! It’s in my stomach!!!” Jess screamed licking her lips!

“OUR ASSHOLE, YOU ASSHOLE! OH GOD... How... I... can’t even right now,” Kara said, face pressed against the desk.

“Wow... this feeling is amazing! Two girls moaning, both bodies shaking with such a huge, jiggy ass!” Silas couldn’t help but give it a slap as he slowly pulled his cock out with a pop and sat down to catch his own breath, so close to cumming but not wanting this adventure to end quite yet.

Jess collected her composure and pushed her and Kara’s new body up, clumsily standing and holding Kara up by the breasts from behind. “Oh... We’re not done with that cock just yet!” Jess angled the newly formed giant ass over Silas thick cock, still standing tall and strong.

With some strain and moaning from Kara the girls asshole engulfs the whole cock to the base. Up and down their ass starts going with sloppy sounds of sweat and juice. Jess doing most of the effort of bouncing up and down while Kara lost her mind in pleasure with the feeling of Silas inside her and Jess’s fingers rubbing and pulling on her supple breasts.

Silas had fucked Bella before with Winter merged with his cock but this was on a whole other level with his cock being plunged deep up the composite ass

over and over, and he realized that combined, these two had passed Bellas in the 'best ass on campus' category.

Silas could feel himself on the brink of cumming but wasn't about to quit just yet. Using all his strength Silas lifted both girls with a loud "Umf!" and used their weight to lean them both against the wall, again squishing Kara against the wall with both Silas and Jess's torso weight against her.

"Lets see how high I can lift you both with my cock now!" Despite the girls being combined, they were still shorter than Silas, allowing him to push his cock at an upward angle, lifting them off their toes. Silas pushed harder and harder into their ass, using the wall as a stopper allowing him to bury himself all the way to the base.

"OMG HARDER! HARDER TEAR US IN HALF WITH THAT COCK!!" Kara screamed licking the wall in ecstasy!

"Ugh! YES! DON'T STOP!!" Jess found herself agreeing with her 'booty partner' for the first time since the two had met.

All that screaming and was just what he needed as Silas felt himself swell inside the girls' asshole before cutting loose a thick load of cum.

All three gasped as Silas pushed Jess down on Kara, by the shoulder, and his other hand gripping tightly on their right butt cheek. The girls felt hot cum course through their anus filling them so completely until it bubbled back around the rim of their ass, dripping out over their legs and spilling onto the floor.

Silas, shaking from the effort and the reality of fucking the best ass he'd ever seen, pulled back out, letting both girls collapse to their knees, quivering with a steady stream of cum dripping from their ass and leaving a thick and sticky trail leading back to the Silas' cock still covered in his own cum and the girls ass juices.

Kara breathing heavily, face to the ground, gasping under her breath...
"...cock ...cock... so much cock... yes... yes."

Jess on the other hand raised her torso up and reached back, fingering her, *or was it their?*, asshole, letting more cum drip out. "Oh come on... *gasp* ...I know that cock can go harder... or aren't you man enough to fuck these two sluts?" she smiled.

Silas smiled back, feeling his cock grow thicker and harder “Well then...aren't we eager? Well then don't say I didn't warn you...”

Silas then flipped both girls over so now he was facing Kara lifting their legs upward towards their shoulders, allowing him to aim his cock downward towards their asshole. Kara seeing Silas' new, thicker, cock, felt her eyes go wide, “oh... *god yes... yes just shove that right... IN!*”

Silas went to work, literally sitting his cock down into their asshole over and over, each time spurts of cum being pushed out around their connection. Harder and harder he went, each thrust sounding louder and wetter, stretching their asshole to the limit until he climaxed a final time.

Silas knew this feeling before... like that time with Bella when he still had the Winter-Cock. His cock was burning deep in their core, letting loose cum in waves and waves, causing both girls stomachs to bulge until finally Kara belched cum all over her own face, letting it pour through her blonde hair down on to Jess's face beneath her, before the brunette also followed suit with cum flowing from her lips!

“Uh... girls?” Silas said looking down, cock still in their ass, while both girls went silent gurgling through masks of thick cum surrounded by a puddle of the same white cream. The project wasn't going to get finished that night...

“Ah well, you two look better together anyway, and besides, all eyes will be on you two during the presentation. No one will care it's a mess.”
