Audio Stories Catalog

Thanks for your interest in my XXX Audio Catalogs!

You can purchase most of my audio recordings directly from my [Gumroad](#) store, but if you'd prefer to send me a bulk order, you can compile a list of all the Audio#s into a list and [email me](#) in order to make a single payment.

Original Episodic Series - I've released several episodic audio series over the years, written by some very talented, handpicked scriptwriters. My series tend to be some of the most popular audios in my catalog!

Main Recordings List - A listing of all my XXX audios that are Patreon/Gumroad TOS friendly

Taboo Releases - A separate list of audios involving taboo themes like incest, non-consent, and even bestiality. Thus many cannot be advertised on Patreon/Gumroad. (Please view at your own risk only if these topics interest you.)

I look forward to hearing back from you with your request list! Email your order to candy@voicelikecandy.com and I'll respond with the total. You can choose from these [Payment Options](#) or just buy them from Gumroad, the links are listed in the PDF.

I also accept custom commissions! Visit my [Commissions Page](#) for details on how to hire me to voice your stories.
