Gabriella we need to talk.
Your therapy has gone very well.
Two months ago I told you that you
didn't need anymore sessions.

I'm glad Gabriella, but
we also need to talk about how you
have been dressing. For the last few
weeks you've been dressing
very provocatively.

I know Dr Williams, but
I feel so much more comfortable
when we have our sessions. You've
helped me so much over the
last year.

Dr Williams you've
been a wonderful Therapist. I
feel like a new person since we started.
I'm so much more confident now,
but...

...I have absolutely no idea what you mean by dressing provocatively.♥

This is exactly what I'm talking about Gabriella. It is very inappropriate for you to behave like this. You have to wear panties to our sessions.

Dr Williams you've helped me so much. Are you sure there's nothing I can do to help you? I'd love to help you relax.♥

Well it has been a long day, and I do find you very attractive. A little fun couldn't hurt.

I'm so happy Dr Williams. Let's get a little more comfortable.♥

Gabriella remember what we've worked on and try to have confidence in yourself. You just deep-throated a huge cock, and it felt awesome.

I've never sucked a dick that big before. Did I do a good job? Did you like it?
