

# Guideline v0.8

This is not a complete detailed walkthrough (see the walkthrough mod for that) but a general guideline which will help you progress in the story the way you like.

---

## How it works ?

### Relationship stats

For each main girls, you will have a relationship status that can go from 0% to 100%.

At the start of the game, you will have 50% with each girl.

The girls have their own life as well and will progress in the story at the same time than you.

The actions you will decide will earn you points, or lose point with the girls.

What you will do with a girl in a specific event/lapse time, you won't be able to do it with others.

Therefore, do not expect to reach 100% with all girls in the same run, it won't be possible.

At midnight each day or at each end of update, you will have a status screen with your results.

### Choice selection

You will get 2 types of choices selection menu :

#### Normal Choices Menu (the majority of them)

They will not have immediate consequences on your story, but they will influence a little bit the relationship points with the girls. Do not worry if you think you got 1 or 2 unsuitable results, it's the accumulation of them that will have consequences later.

#### Important Choices Menu (you will get a warning).

Those choices will change your story and can influence a lot your relationships. It is recommended to make a save during important choices if you wish to run different routes.

---

## FAQ

### **If I make one wrong choice for the girl I'm rooting for, am I screwed?**

No. There is tolerance for mistakes when it comes to normal choices menu.  
On the other side, the important choices menu is to be considered more carefully.

### **If I select one important choice with a specific girl, I am forced to go for that girl all game ?**

Not at all. You can mix the important choices, the game will be still interesting and quite complete, but that naturally will make your romance harder (not impossible though) as you will likely not get enough points for the best outcome for each girl.

### **Can I make a Harem in this game ?**

No. However, you can seduce and have hot moments with several girls during the same run of play.  
That will be possible, but that can have negative consequences too, so you have to be careful.  
I will call this the playboy route, but it's not Harem. Don't expect the girls to close their eyes on that.

### **Only 3 girls can be romanced, does that mean they are the only we can have a moment with ?**

No. You will meet other girls at some points of the game, but they won't have a relationship score, and it is a likely to be a onetime thing only. It can have consequences on your actual romances.

### **What about the kind of relationships I can find in this game ?**

Rion has already a BF at the time you start the game, if you decide to romance her it will be basically Netori as you will try to snatch her from her BF.

On the other girls, it is a more classic relationship, even though it can go wild.  
There is no NTR possible with the girls that have > 50% relationship, which is easy to do.  
NTR is optional and avoidable. Choices leading to those will be indicated.

Threesomes can happen. Harem cannot. It's not the goal of the game.

Please note that if you pursue one girl and go far with her, the other girls you ignored might have their own moment and their own story progression and possible romance.

### **Is there some extreme unrealistic sex in the story ?**

Yes, there will be some unnatural fantastic scenes because of the story, that won't be the majority though, you will have a lot of romantic/normal scenes too.

## Guideline for v0.8 update

### === DAY 1 ===

#### All the choices from the start of the game until lunch time at the riverside

From the breakfast scene, you can figure out quite quickly that :

**Maddie** is more the **serious** type and therefore such choices have a good chance of success with her  
(not always, but most of the time)

**Rion** is more the **funny** type, and therefore such choices have a good chance of success with her.  
(not always, but most of the time)

As for **naughty** options, it's a bit more of a gamble, it can work very well or it can fail.

#### During lunch at the riverside

Here it's pretty logical, talk with the girl you want to have points with.

Talking with **Julian** will award you a few points with both girls.

#### In Nefertari temple with the priestess

You will again have the option to talk to Rion, Maddie or Julian.

It's pretty tense between Rion and Julian

Talk to **Julian** if you wish to patch up things.

Talk to **Rion** if you wish to take advantage of the situation.

Talk to **Maddie** if you don't care and prefer to focus on Maddie.

#### IMPORTANT CHOICE in the maze under Nefertari temple

Your first game changing choice. Rion, Maddie and Julian will disagree on what to do.

**Rion** and **Maddie** have opposite solutions and agreeing with one or the other will bring you a lot of points with that girl and a big event with her, but will make you lose many points with the other girl.

Agreeing with **Julian** will mean not siding with any of the girl. You will have later the chance again to join Maddie or Rion, but you will get less points from it, however you will also lose less points with the other girl, so it's not necessarily a bad choice if you want to keep your chances open.

## Anubis temple

### **Maddie's Anubis Road**

You will discover the hidden Anubis temple with Maddie and have a few events. You will avoid the trap and at some point you will have a little puzzle to solve with the anubis guards.

You will have 5 options to choose from. In all cases you will be able to advance, the difference is that in one case, you will be the one to find the solution and get some respect from Maddie.

From there, you will have different outcomes depending on the points you have with Maddie.

First, you will end up on top of her, and Hicham will discover both of you in a funny situation.

If you have **less than 60%** with her, she will kick you out of shame and get out

If you have **more than 60%** with her, you will have a nice dream (you can get a wild dream or a romantic one, your choice) and she will side with you when Hicham is bitching you

Then, on the way back to the hotel, in the souk,

If you have **less than 70%** with Maddie, you will have an ending where she is not trusting you yet

If you have **more than 70%** with her, you will have an ending where she is starting to trust you.

### **Rion's Anubis Road**

You will discover the hidden Anubis temple with Rion and have a few events. You will not avoid the trap and fall into the water. You will have to find another escape route.

After a few events and logical choices, you will reach some shore outside the temple. From there, you have different outcomes depending on the points you have with Rion.

If you have **less than 60%** with her, she will not want to stay too long resting on the big rock.

If you have **between 60 and 70%** with her, she will want to stay more, and you will have a cute moment with her and a nice dream (you can get a wild dream or a romantic one, your choice).

If you have **more than 70%** with her, she will want to stay more, she will accept to remove her top, and you will have a nice dream (you can get a wild dream or a romantic one, your choice).

<< end of v0.1 >>

## Back to the hotel

You will meet back the others at the hotel, and the discussion that will happen at the garden will depend a lot on your previous choices. You will get more or less explanation on the mystery but in every case, you will proceed smoothly to the next big event.

If you have **more than 70% with Maddie or Rion**, you will have a chance to get to their room and see them just after their bath.

### **During the evening, at the bar**

First, you will meet the ladies nicely dressed. Depending on the girl you have more points with, they will react a bit differently to your compliments, and ask you to make a toast. Your choice of toast will also have different impact, but it's pretty logical there.

### **IMPORTANT CHOICE, who to spend the evening with ?**

Your second game changing choice. You will have a lot of options in total! It is recommended to play a little bit with all possible choices before selecting your definitive choice as it will make a big step with some girls and also with the kind of relationship you could have.

### **JOIN JULIAN AND ZAYA AT THE BAR**

Choose this option if you want to have a go at Zaya. This option is of course not well considered by both Rion and Maddie and you will lose points with them. You will have the option to help Julian seducing the waitress, just watch him having trouble, or snatch the waitress for yourself.

First option will lead you to a little photography contest. From there you can get a lot of different outcomes, but in most of them you will be able to make out with Zaya, losing points with only Rion or Maddie (not with both like 3<sup>rd</sup> option).

Second option will bounce you back to either **Rion** or **Maddie**, depending on who you have most points with.

Third option is more straight forward, you know what to expect. The other girls will also guess what you are doing.

### **JOIN RION AT THE TABLE**

This will lead to another **IMPORTANT CHOICE**, which will indicate the kind of relationship you might reach with Rion.

You will discuss Julian and Rion relationship problems. If you don't have enough points with Rion, she will say it's not your business, and you will be forced to check what **Maddie** is doing.

If you have **more than 70 points with Rion**, she will open up to you.

From there you will be able to act in 3 different ways :

- *You can try to add fuel to Julian and Rion relationship*, in hope she will turn back to you.  
If you have **more than 75 points with Rion**, you will have a romantic scene  
(Choose this option if you prefer a **romance route** with Rion) **+ 1 to romance level**
- *You can propose to help Rion...in a sexual way*. If you have **more than 75 points with Rion**, you will have a hot scene (Choosing this option will lead to possible **threesome, NTR, sex friend** relationship) **+ 1 to lust level**
- *You can propose to help Rion...in a friendly/funny way* (this doesn't close any route, but it doesn't help you much either)

Note that in the 2 first cases, Maddie will have a glimpse of it, and disapprove the fact you are cheating on Julian.

## JOIN MADDIE AT THE JUKEBOX

Maddie wants to dance, so what are you waiting for?

You will have 5 songs to choose from. This is also an **IMPORTANT CHOICE**, as the outcome can be pretty good, pretty funny...or pretty bad! Have fun trying the options.

"SOME WEIRD POP MUSIC, LET'S HAVE FUN": Maddie won't like this, but Rion loves it, that will make you bounce to **Rion** and join her at the table later with some bonus points

"SOME CLASSIC ROCK, LET'S RISE THE DEAD": Maddie won't like this, but Julian loves it, that will make you bounce to **Julian** and **Zaya** story at the bar

"SOME LATIN MUSIC, LET'S DANCE SALSA": Maddie will like this. If you have **more than 70 points with Maddie**, you will be able to take the lead and you will have a flirty moment. You will be able to convince her to have a follow up in her room later.

"SOME SLOW JAZZY MUSIC, LET'S BE ROMANTIC": Maddie will like this. However, if you don't have enough points with Maddie, she will just want to listen. If you have **more than 70 points with Maddie**, she will accept to dance a slow with you. If you have **more than 75 points with Maddie**, you will have a romantic scene. However, she will get quite emotional after and then run back to her room. Living you there with a very angry Rion that saw all the scene... You will have a chance to go to her room later, but Rion will be keeping an eye on you...

"SOME DISCO, LET'S BURN THE DANCEFLOOR": Maddie will like this...at the beginning only, lol. No bad consequences here, just a funny scene, but maybe you missed a chance to get further with Maddie.

### Later at night

Depending on your actions at the bar, you will either go the jacuzzi with Zaya, go to Maddie's room, or take a stroll outside before going back to your room.

What happens in the jacuzzi is pretty easy to guess. The number of scenes with **Zaya** is different depending on how early you got there (the more straight forward you were).

Joining Maddie's room can happen in 2 manners (romantic / lust), but in both case you will need more than 80 points with **Maddie** to be able to get in there. Once inside her room, the more points you have with her, the sooner you can try to pin her (which can lead to **NTR/sex friend route**) **+1 to lust level** or avoid doing stupid things, and get to know more about her (better for **romance route**) **+ 1 to romance level**

**Rion** will return back to her room with **Julian** in every case, but their mood will be very different depending on what you did before. It is just a matter of time

If nothing went well for you, you will take a walk at night in the hotel, and you will still get something cool, don't worry.

### Very late at night, in your bed

Enjoy the scene, a very important one for the story!

<< end of v0.2 >>

## === DAY 2 ===

### Morning in the Lobby of the hotel

Depending on which girl you have more points with, it will be either **Rion** or **Maddie**, who will look for you. The scenes will be slightly different also depending on the number of points you have with the girls but the consequences will be the same, you will lose a lot of points with both girls due to your behavior.

### Morning in the Bus

Depending on which girl you have more points with, it will be either **Rion** or **Maddie** who will come to sit with you on the bus and discuss what happened. The discussion will be quite different depending on the number of points you have with the girls and also depending on how much you had fun with **Zaya**.

From there you will have an **IMPORTANT CHOICE** to decide with either **Rion** / **Maddie**.

- *You can tell her everything without hiding anything :*

The girl will appreciate your honesty but will be pretty upset hearing you had sex, even more if you had fun with Zaya in the jacuzzi, and even more if you had a lot of points with her (>70) which meant that you will hurt her feelings. It's a bit risky in the short term as you can lose a bunch of points, but it could pay out in the long term, as you fully trusted her.

- *You can tell her the truth but avoid talking about the sex scene with Zaya :*

If you have more than 70% with the girl, you will lead the discussion towards the dreams you had in the Anubis temple and get some hint on what was her dream + some points. If you have less than 70%, the girl will have doubts on what you are saying, and maybe perceive that you are hiding some parts of the story. You will lose a few points but not too much compared to some other options.

- *You can lie to her and just tell a her some story to not involve her in that mess :*

You will give her a random explanation on what happened last night, you prefer to keep that for yourself and not involve the girls too much. The girl will have doubts on what you are saying, and maybe perceive that you are hiding some parts of the story, but they won't insist. You will lose a few points but not too much compared to some other options.

### Noon, in the old town

You can choose to have a talk with either **Rion** or **Maddie** during the walk toward the restaurant uphill. You will discuss the program of the day. You can earn a few points with some good choices.

### Noon at the restaurant on the hill

Just enjoy the cinematic and discover the new girl **Nora**.

### Afternoon, at the “harem”

You will have the choice (or maybe not) to discuss with **Nora**.

There will be 3 ways to engage the discussion and a few possibilities after:

- *If you chose to enter the pool, **Nora** will refuse to join, however you can join **Tal** and **Neith** there and have a little bit of flirt, and maybe more later. You can also decide to look for **Rion** or **Maddie**, instead of talking of **Nora**, which will allow you to keep your points with **Rion** / **Maddie**.*
- *If you chose to drink a tea with **Nora**, you will be able to engage the conversation, know more about her, and get some points. After a while, you will be able to choose to look for **Rion** or **Maddie**, instead of going further of **Nora**, which will allow you to keep your points with **Rion** / **Maddie**. If you continued to talk with **Nora**, you will get more points with her but you will lose points with **Rion** or **Maddie** who will see that you two are getting awfully close.*
- *If you chose to play senet with **Nora**, she will teach you the game and then play a game against you. You will have to select between a few moves. If your moves were wise, you get a few points with **Nora**. If your moves were stupid, you lose a few points with her. At some point you can try to cheat, but as you are bad at it, she will see it right away and laugh. Good luck beating her...You will probably have to endure her victory celebration. You will earn quite a lot of points with **Nora** with this event, however you will lose points with **Rion** or **Maddie** who will see that you are getting awfully close.*

<< end of v0.3 >>

### Afternoon, in Aswan

**Rion** and **Maddie** will not agree on the program from the afternoon. **IMPORTANT CHOICE**

If you choose **Rion**, you will visit the dam with her. **Nora** will join and guide you there.

If you choose **Maddie**, you will go to the city to look for a jeep. **Nora** will join and try to help.

### **Rion's Aswan afternoon Road**

During the visit of the Dam, you will have a little problem **Nora** forgot to mention. At some point, you will have to either help **Rion** or **Nora**. In both case you will get out of the bad situation, but obviously you will get more points with the girl you helped.

If you help **Nora**, try to be efficient and open the door before **Rion** arrives.

After you escape, you will arrive to the orangery and be able to rest. You will get to know a little bit of **Nora's** background and have a cute time with both girls.

If you **have more than 60pts with both girls**, you will have a nice dream.

Back at the hotel, you will learn that **Julian** and **Maddie** failed to find a Jeep. But **Nora** will have a solution for you.

### **Maddie's Aswan afternoon Road**

You and Nora decided to help **Maddie** find a Jeep but it won't be easy. At some point you will have to go to a dangerous area and have to choose between following **Maddie** or staying with **Nora**.

Choosing **Maddie** will provide you some hot action with her and some bonus points. Recommended if you wish to romance **Maddie**. **If you have more than 75pts with Maddie**, it will get a little intimate and you will get an invitation for tonight.

Choosing **Nora** will make you learn more about her background and give you some bonus points with her. Recommended if you wish to romance **Nora**.

After the dangerous event, **Nora** will have another idea and then you will visit her former camp and family and learn a few things about her as well as a solution for tomorrow.

### **Evening, at the "harem"**

You will assist to another extraordinary show of **Nora**.

However, there will be a problem and **Nora** will be a danger.

Look carefully on the screen, and chose the right time to jump if you wish to save her and get max points with **Nora**.

**Rion** will appreciate that you jumped to try to save **Nora**. Even if you couldn't catch her at the end.

**Maddie** will appreciate the fact you saw the problem and tried to warn **Nora**. But she will not really approve if you jump.

<< end of v0.3.5 >>

### **Night, the investigation**

It's straight forward, you can choose all options and once you got everything, you can move on.

Note that you can get a midnight rendezvous with **Tal** by chance, so don't miss it 😊.

## Spending the second night with a girl

### TRY TO SPEND THE NIGHT WITH RION

If you have less than 50 points with Rion, you will get a NTR scene where you can see Rion and Julian fucking in the toilets (can be skipped). After that, you will be able to look for other girls.

If you have between 50 and 75 points with Rion, you won't find her, so you will look for other girls.

If you have more than 75 points, Rion will find you and jump you on the toilets. From there :

- You can choose to fulfil Rion horny desires (**+ 1 to lust level**). You will get a few very intense scenes with Rion, some hints that she is not against a threesome with Nora (wink wink). After the scenes, you will have a critical moment where you almost get busted by her boyfriend (**+ 1 to lust level**). You thought you escaped it, but when you get out of the toilets, Maddie is waiting for you, having realized what you were doing. Although Maddie said she won't tell Julian, Rion got emotional and decided to run back to her room.
- Or you can choose to invite Rion to your room instead because you don't want your first with her to happen in the toilets. She will finally accept but she will have to find a plan to not make Julian suspicious. Once done, she will knock to your door and jump on you on the bed for a cute sex scene. (**+ 1 to romance level**).

After the sex, you can choose this moment to push Rion to quit Julian. (**+ 1 to romance level**). Or you prefer to not put pressure on her yet as she could take it badly. (**+ 1 to lust level**).

### TRY TO SPEND THE NIGHT WITH MADDIE

If you have less than 50 points with Maddie, you will get a NTR scene where you hear her fucking some guy in her room. You won't know who is the guy. After, you will be able to look for other girls.

If you have between 50 and 75 points with Maddie, you will knock to her door, but she will say she is busy with work and she doesn't have time for you. So, you will look for other girls.

If you have more than 75 points, Maddie will open the door but not let you enter. Instead, you will go to your room and have a pretty intense fucking session with her.

- You can let her have the lead **+1 to lust level**, she will be a little bit dominatrix, but she will also perform some crazy stuff to you, it can be quite cool to let her manage.
- Or you can try to take the lead **+1 to romance level**, to your surprise, she will show some signs of obedience that you thought were impossible from Maddie.

After sex, you will have a serious talk, you can

- try to push Maddie to reveal her real intentions and you will tell her your love, **+1 to romance level**
- let it slide, the carnal relation with Maddie is enough for you, you don't want complicated problems **+1 to lust level**,

## TRY TO SPEND THE NIGHT WITH NORA

Whatever the number of points you have with **Nora**, you will be allowed to enter her room. You will talk about the accident, your investigation, and you will have the possibility to suggest a culprit. Depending on your suggestion, **Nora** will trust you more or less, and ask you to stay with her.

- *DO NOT MAKE ANY ACCUSATIONS, YOU HAVE NO IDEA WHAT HAPPENED*

She will appreciate your honesty. If you have more than 70 points with **Nora**, she will trust you.

- *SUGGEST THAT SOMEONE FROM THE HOTEL STAFF MAY HAVE CUT HER RIBBON*

She will agree with your theory. If you have more than 65 points with **Nora**, she will trust you.

- *SUGGEST THAT HER DANCING PARTNERS, TAL OR NEITH, MAY HAVE CUT HER RIBBON*

She won't really believe this theory but she will admit that there can be a doubt with **Neith**. If you have more than 75 points with **Nora**, she will trust you.

- *SUGGEST THAT MADDIE MAY HAVE DAMAGED THE RIBBON*

She will be surprised that you are badmouthing one of your friends. She thinks you are telling BS so you will need more than 80 points with **Nora** to have her trusting you.

- *SUGGEST THAT NORA SELF DAMAGED HER OWN RIBBON ON PURPOSE*

She will be shocked and disappointed by that theory. She will tell you to go back to your room. You will have to look for other girls.

If **Nora** decided to trust you, she will ask if she can sleep with you tonight as she is afraid to remain alone. Of course, you are going to say yes.

Once in your room, you will have the possibility:

- to take things slowly and focus on comforting her, and it might end up even better than expected 😊 **+ 1 to romance level**
  - to judge, from **Nora's** sexy attire, that she came here for sex. You will try to have a go at her, a bit forcefully. She will let you have your way, but she will not like it and will return to her room after that. **+ 1 to lust level**
- << end of v0.4 >>

## MEETING TAL AT NIGHT

Meeting Tal at 2am will mainly have consequences if you slept with Nora before, as she will spot you leaving the room and decide to follow you by curiosity. You will lose a bunch of points with her and she will know your secret if you decide to grab the stone while having sex with Tal.

With Tal, you can choose the kind of scene you want with her, at some point you will have the possibility to use the stone on her and start the **"evil/paranormal" route**.

If you don't grab the stone, you will finish the sex scene in a normal way and go back to your room.

If you went for deepthroat, grabbed the stone, but let her go **+ 1 evil point**

If you went for deepthroat, grabbed the stone, and didn't let her go **+ 3 evil point**

If you went for doggystyle and grabbed the stone **+ 2 evil point**

### **=== DAY 3 ===**

In all cases where you had sex with Tal and grabbed the stone, on the morning, the director of the hotel will request you to come to his office because of Tal's complaint.

Then you will proceed to the breakfast scene.

Otherwise, you will proceed directly to the breakfast scene with Rion and Maddie.

#### **BREAKFAST AND FLASHBACK WITH RION AND MADDIE**

If you have any romance or lust points ongoing with Rion, you will have a flashback of her in Highschool.

If you have any romance or lust points ongoing with Maddie, you will have a flashback of her in College.

#### **ACTION SCENE WITH NORA AT THE CITY CENTER**

For now, just follow and enjoy the scene and the surprise.

<< end of v0.4.5 >>

#### **ON THE REAR OF THE PICK-UP WITH THE 3 GIRLS**

At some point, you will have to choose between siding with Nora or with Maddie

Siding with Maddie will bring you to the continuation of the flashback dream in College, with some dream fantasies from the MC. Rion will side with Nora

Siding with Nora will be appreciated by both Nora and Rion. You will get a nice scene with the 2 of them.

#### **ON THE BANDIT'S HIDEOUT**

You can check everyone in whatever order. When checking Rion, you can intervene (more points) or wait for Nora to intervene when she gets molested by some bandits (less points).

Once the car is ready, you will have to decide who goes at the back as there is not enough room inside the car.

You can choose any of the girls for which you have at least 80%

If you don't have enough points with any of the girls, select the last option, and the girl who has the higher score with you will join.

### ON THE REAR OF THE PICKUP, ON THE DESERT, WITH MADDIE

- *PUSH HER TO CONTINUE THE STORY* (need romance lvl with Maddie) (+1 to romance level)
- *CHANGE SUBJECT AND ASK ABOUT THE MYSTERY* (+1 to lust level)
  - o You get some questions about Egypt, if you listened to her in previous episodes, it should be easy 😊

### ON THE REAR OF THE PICKUP, ON THE DESERT, WITH RION

- *A PENNY FOR YOUR THOUGHTS*  
Select this if you are more interested about the romance aspect of Rion.
  - o GO DOWN ON HER LAP => (+ 1 to lust level) Cunnilingus
  - o GRAB RION AND KISS HER => (+ 1 to romance level) Kiss and discussion about Nora
    - NORA IS GREAT. BUT YOU ARE THE ONLY ONE I LOVE (+ 1 to romance level), but close the 3some route with Nora&Rion
    - NORA IS GREAT, BEAUTIFUL AND SEXY. IT'S HARD TO NOT LOVE HER (only if score with Nora > 80%) you open a 3some possibility (+ 1 to Rion&Nora),
- *A PENIS FOR YOUR THOUGHTS*  
Select this if you are more interested about the lust side of Rion.
  - o NO, I'M NOT. I'LL SHOW YOU (+ 1 to lust level) Cunnilingus
  - o IF YOU'RE SO BRAVE, SHOW ME (Need Lust lvl with Rion) (+ 1 to lust level) Blowjob

### ON THE REAR OF THE PICKUP, ON THE DESERT, WITH NORA

- *ASK HER MOTIVES FOR HELPING US TO THAT EXTEND*  
If you have **lust level** with Nora :
  - o I'M SORRY. I SHOULDN'T HAVE DONE THAT => + 1 to lust level and a dream scene
  - o I SAW YOUR TACTICS. (Need evil points) => + 1 evil point and an evil dream sceneIf you used the stone with Tal => + 1 evil point and an evil dream scene  
If you didn't use the stone with Tal: + 1 to romance level and a romantic dream scene
- *TALK ABOUT LAST NIGHT AND HOW SHE SEES OUR RELATION* (Need romance with Nora)
  - o If you had sex with Tal and used the stone: + 1 evil point and an evil dream scene
  - o If you had sex with Tal but did not use the stone: + 1 to lust level and a dream scene
  - o If you didn't have sex with Tal: + 2 to romance level and a romantic dream scene

<< end of v0.5 >>

## CYNOPOLIS, HARDAI TEMPLE

Just follow and discover the (abandoned?) temple.

When Rion STARTS A RACE, chose your party to earn points with that girl.

At the end of the race, you will have the option to climb the wall with Maddie or go trough that hole with Rion.

- FOLLOW RION AND CRAWL INTO THAT HOLE.

You will lose points with Maddie. Then you have to choose whether you go first or let Rion enters first. While Rion will find it more gallant to let her go first, Nora will suspect you just want to watch Rion's butt and will not like the second option.

- FOLLOW MADDIE AND CLIMB THE WALL.

You will lose points with Rion. Then you have to choose whether you help Maddie or not. While Maddie appreciates the help, Nora will suspect you did that for perverted reasons and will not accept any help after. If you didn't help Maddie, Nora will accept your help.

## CYNOPOLIS, ANUBIS ROTUNDA

Finally, you arrive to some kind of Rotunda with the Anubis statues you were looking for.

At some points, Rion will make jokes on Anubis potential dick, which will excite your imagination.

From there you have the choice to see **an optional NTRish dream** with the 3 girls playing with Anubis dicks, or to **skip** and continue the adventure.

During that time, you see a scene of what happens to [Julian](#).

You and the 3 girls are trying a lot of options with the statues, but none of them seems to work.

At some point, there will be 2 suggestions:

Maddie wants to continue moving the statues. Nora wants to climb to the top of the pillar

### CYNOPOLIS, ANUBIS ROTUNDA PUZZLE, **NORA'S OPTION**

- *NORA WANTS TO CLIMB TO THE TOP OF THAT PILLAR AND CHECK THAT ANKH ON THE TOP*

Nora pretends she is able to climb that pillar, but Rion won't let her climb without a safety rope.

Maddie has a rope in her bag, but it's in the Jeep.

- o GO BACK WITH RION TO THE JEEP IN ORDER TO BRING BACK THAT ROPE

If you have **lust or romance level** with Rion: **+ 1 to lust level** and a hot scene in the Jeep

- STAY WITH NORA AND LET MADDIE AND RION GET THAT ROPE IN THE JEEP
