

Sissy Whispers - Panties

It's back to basics with this one girls. Before you can even develop the confidence to come out as a sissy full time, you need to feel like a delicate girl in her cutest underwear as much as possible. That's why I'm proud to announce that "*Sissy Whispers - Panties*" has improved on my previous "*Whispers*" files to guarantee all my sissies finish their sessions with their minds completely mushy and open.

You'll soon learn to love the confidence you get from wearing your favorite thong as you go about your day. Become reminded of how great your cute little butt looks in your sexy underwear, and even develop some fun new compulsions to show it off! Learn to keep that tiny clitty small in your delicate feminine panties and while you develop lots of healthy phobias towards any male underwear. Panties have always been the center of your world, you just needed help being reminded.

New sissies can use this file as a way of starting their transformation into the beautiful girly princesses we already know they are deep down. More experienced sluts can feel free to use this file as a primer to make sure their love of sexy feminine panties never fades!

- ✧ Wearing my lacy thongs.
- ✧ Feeling my silky panties sliding against my sissy clitty.
