

I turned
eighteen,

and I began
to realize
some things
are just part
of who I am.

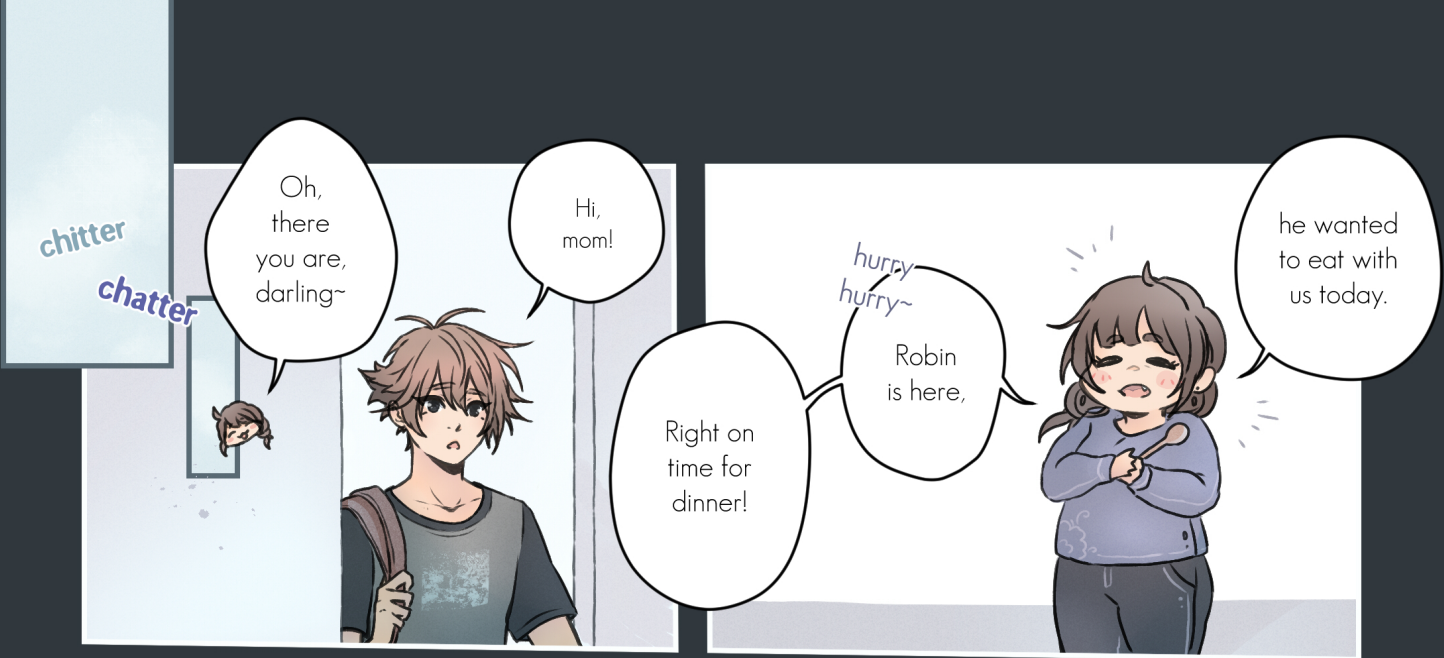

For
example,
I'm not
looking for
anyone.

And I
don't have
to be.

... Hi!

Been a while...

Mhm,

I missed...

Martha's cooking.

I bet.

Oh!!
Right-

When did
you get
a tattoo?!

ta-da~

whoa

Last
week!

hehe

A red flower, hm?

It's beautiful.

... really suits you.

There is someone I want to be happy for.

I found the one I want to be with a long time ago.

... I just had to reach out to him again.
