You are not my secretary..

The real Kaminari.
Where is she?

Ahaha.. You must be kidding! I just worried about the base and you suspicious me?

You must have played
the game that had
an alien among the
crews too much?

A character with long, dark blue hair is shown from the waist down, wearing a dark blue suit jacket and a grey skirt with a black belt. They are holding a dark green handgun with their right hand. The background features a wooden cabinet and a red curtain. A speech bubble is positioned in the upper right corner.

Then, let me ask
you a question..

Were you still
smoking lately,
Kaminari?

H-Hold on.. I
quit smoking
for ages..

Wrong answer.
I will never say that.

You just admit yourself
is an impostor..

How.. did you..
Argh..!! I was in
your perfect shape!

A character's legs and hands are shown in a dark red, textured environment. The character is wearing black gloves with red cuffs. A large, bright blue splash is visible on the ground between the hands. The character's legs are positioned as if they are walking or standing. The overall scene is dramatic and mysterious.

It was our own way of communicating. I asked if you still smoke, but the real Kaminari will never denine it.

I still hide the Commander to do that, but I usually lied that I didn't.

Non-sense!!

Haha.. Just you waited. Mother is on her way.

Who am I? I was
borned as one of
her perfect childs.

She entrusted me
with this mission!
We already won!

And you will be all
her puppet..

Hah.. Does villian always this talkative?

I was careless to let
you attacked from
behind and shape-
shifted into me.

Heh.. I suggest you should run when you still can.

She is coming
along with her new
puppets..

Shown up right
on time, I give that.

And you! You
agreed with that
impostors!

The entire Wolf Squad gone M.I.A! It was your fault!

Have you ever
thought what will Hibiki
do to their bodies!?

Haha.. Sooner or later.. Hibiki still has her aim into the Wolf Squad.

I already signal the emergency evacuation, on the roof in 20 minutes.

Enough time before
Hibiki come..

You are about
to run away!?
After push the
whole squad
into suicide!?

Stop.. just
listen to me..

Listen! That evac
is for you, Kaminari!

I have.. been through many wars and came across a lot of hard decisions.

And it always
for myself.. have to..
left someone else
to die.

Why you.. *Sigh*..
Guess I can't stop
you, Commander.

You must.. alive and come back in one piece..

Small white teardrop-shaped marks scattered on the woman's arms and hands.

It's my honor
to serve you,
Commander!!

It's my honor to have a secretary like you, Kaminari!

30 minutes since
Kaminari left
with the evac..

This may not
enough to take
Hibiki down..

A character with teal hair, wearing a light blue long-sleeved top and a dark tactical vest with multiple pouches, stands in a room. Her right hand is on her hip, and her left hand is near her chest. A speech bubble points to her from the right. The background shows a wooden door with a yellow handle and a window with a frame.

Hm.. You should
prepare bigger
fire power, Commander.

By the way, why did the base was so empty? Where's everyone?

Oh and look what I just collected!

They were your squad, right? Look at how they betrayed you to follow me. Bad soldiers..

Protect our mother.

Protect our mother.

Protect our mother.

Well, they are mine now. Hey, where are you, dear Commander?

Oh? Could you
stop being so
talkative and
kill me, please?

Does you villian
always talking
this much, hm?

Give her what she wanted.

Yes, mother.

"Tch.. Look like they won't stop firing."

"I have to use that.. it's now or never!"

"Skill activation.."

Adrenaline!

"Huh..? Suddenly..
a cold is running
through my spine."

The image depicts two anime-style female characters in a tactical setting. They are wearing dark headsets with large earcups and black tactical vests over light-colored, possibly white, tops. Both characters have short dark hair and are wearing glasses. They are holding black assault rifles. The character in the foreground is looking directly at the viewer, while the one behind her is looking slightly to the right. The background shows a dimly lit room with a framed picture on the wall. Three speech bubbles are present, containing dialogue. A small, partially visible image is in the bottom-left corner.

Where are you!?
Show yourself!

I'm reloading!

"N-No.. I can't
see her movement.."

Adrenaline: A skill that can boost the host's strength and mobility in a short time.

N-Noooo!!!

A character with short black hair, glasses, and a headset is shown from the chest up. She is wearing a black tactical vest over a grey and white patterned bikini top. She has black tactical gloves on both hands. Her right hand is raised, holding a black handgun pointed towards the upper left. Her left hand is also raised, holding a black handgun pointed towards the center. She has a determined and angry expression with her mouth open. A white speech bubble with a black outline is positioned above her head, containing blue text. The background is a dimly lit room with a framed picture on the wall to the left and a dark wooden door or cabinet to the right.

You killed my
Sisters!! I won't
let you hurt
my mother!!!

"N-Not good..
My childs are
being slaughtered.."

"It hurt.."

Just die
already!!!

"The Wolf Squad..
I think it's time.."

"..to put you
to rest.."

"We have had a great time on battlefield.."

"I will end your squad's misery!"

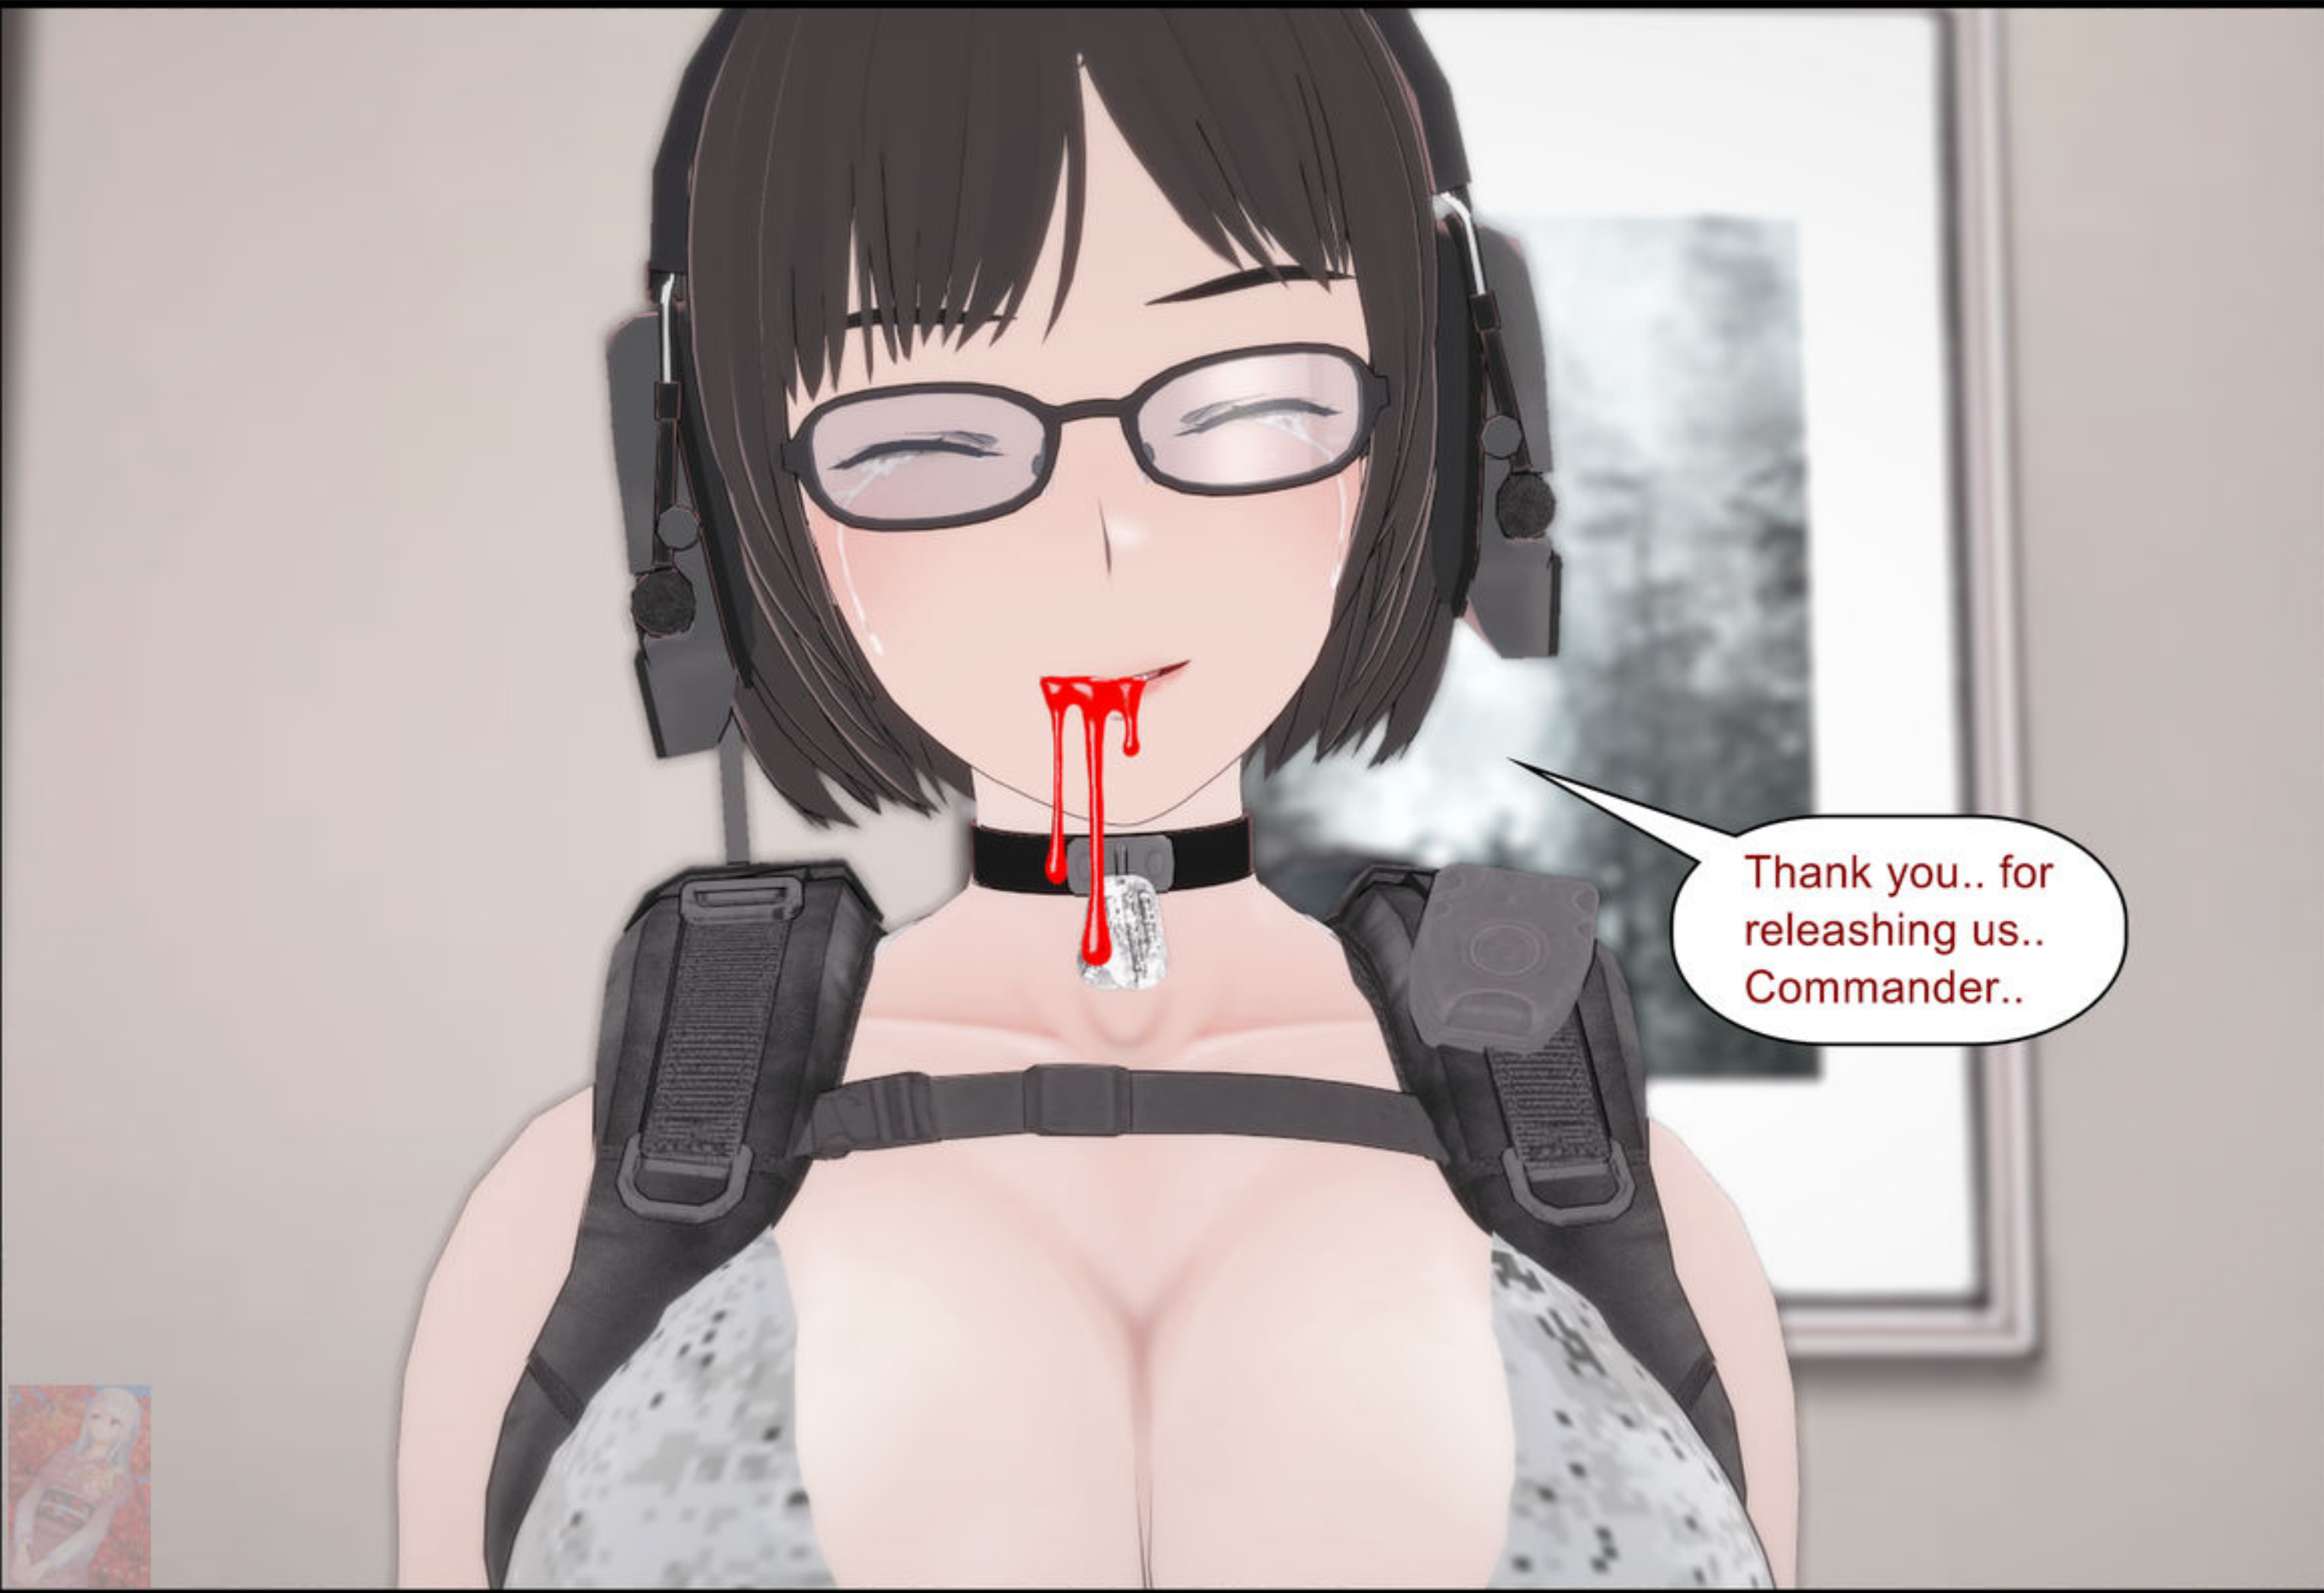

Hah.. Still quick drawn as usual..

I can't never win you at this gun fight..

Thank you.. for releasing us..
Commander..

My childs.. How could you..

Huh..? You can
only last that
for a period of time?

You are.. going to pay for what you did..

I'm all ready..

I won't.. let any
of my soldiers
suffer as your
puppet..

Then.. You will
replace their
position!

We meet again..
Commander.

Don't try.
I'm a liquid form.

Now, I will show
you, my true
ability!!

Open your
mouth wide!!

Yes.. Yes! Keep it like that!

Hoho.. So this is inside the human body!!

A woman with dark hair, wearing a black bikini, is leaning forward with her mouth open in a state of pleasure. Her skin is glistening with sweat. She is in a room with wooden beams and a framed picture on the wall. A speech bubble is positioned to her left.

Going down
like this.. This
feeling~ So good!

Yes, mother! I'm going up to her brain now!

That body is now yours.

Ah.. Uhm..
Ah.. Hah..

Relax as I
covered over
your brain~

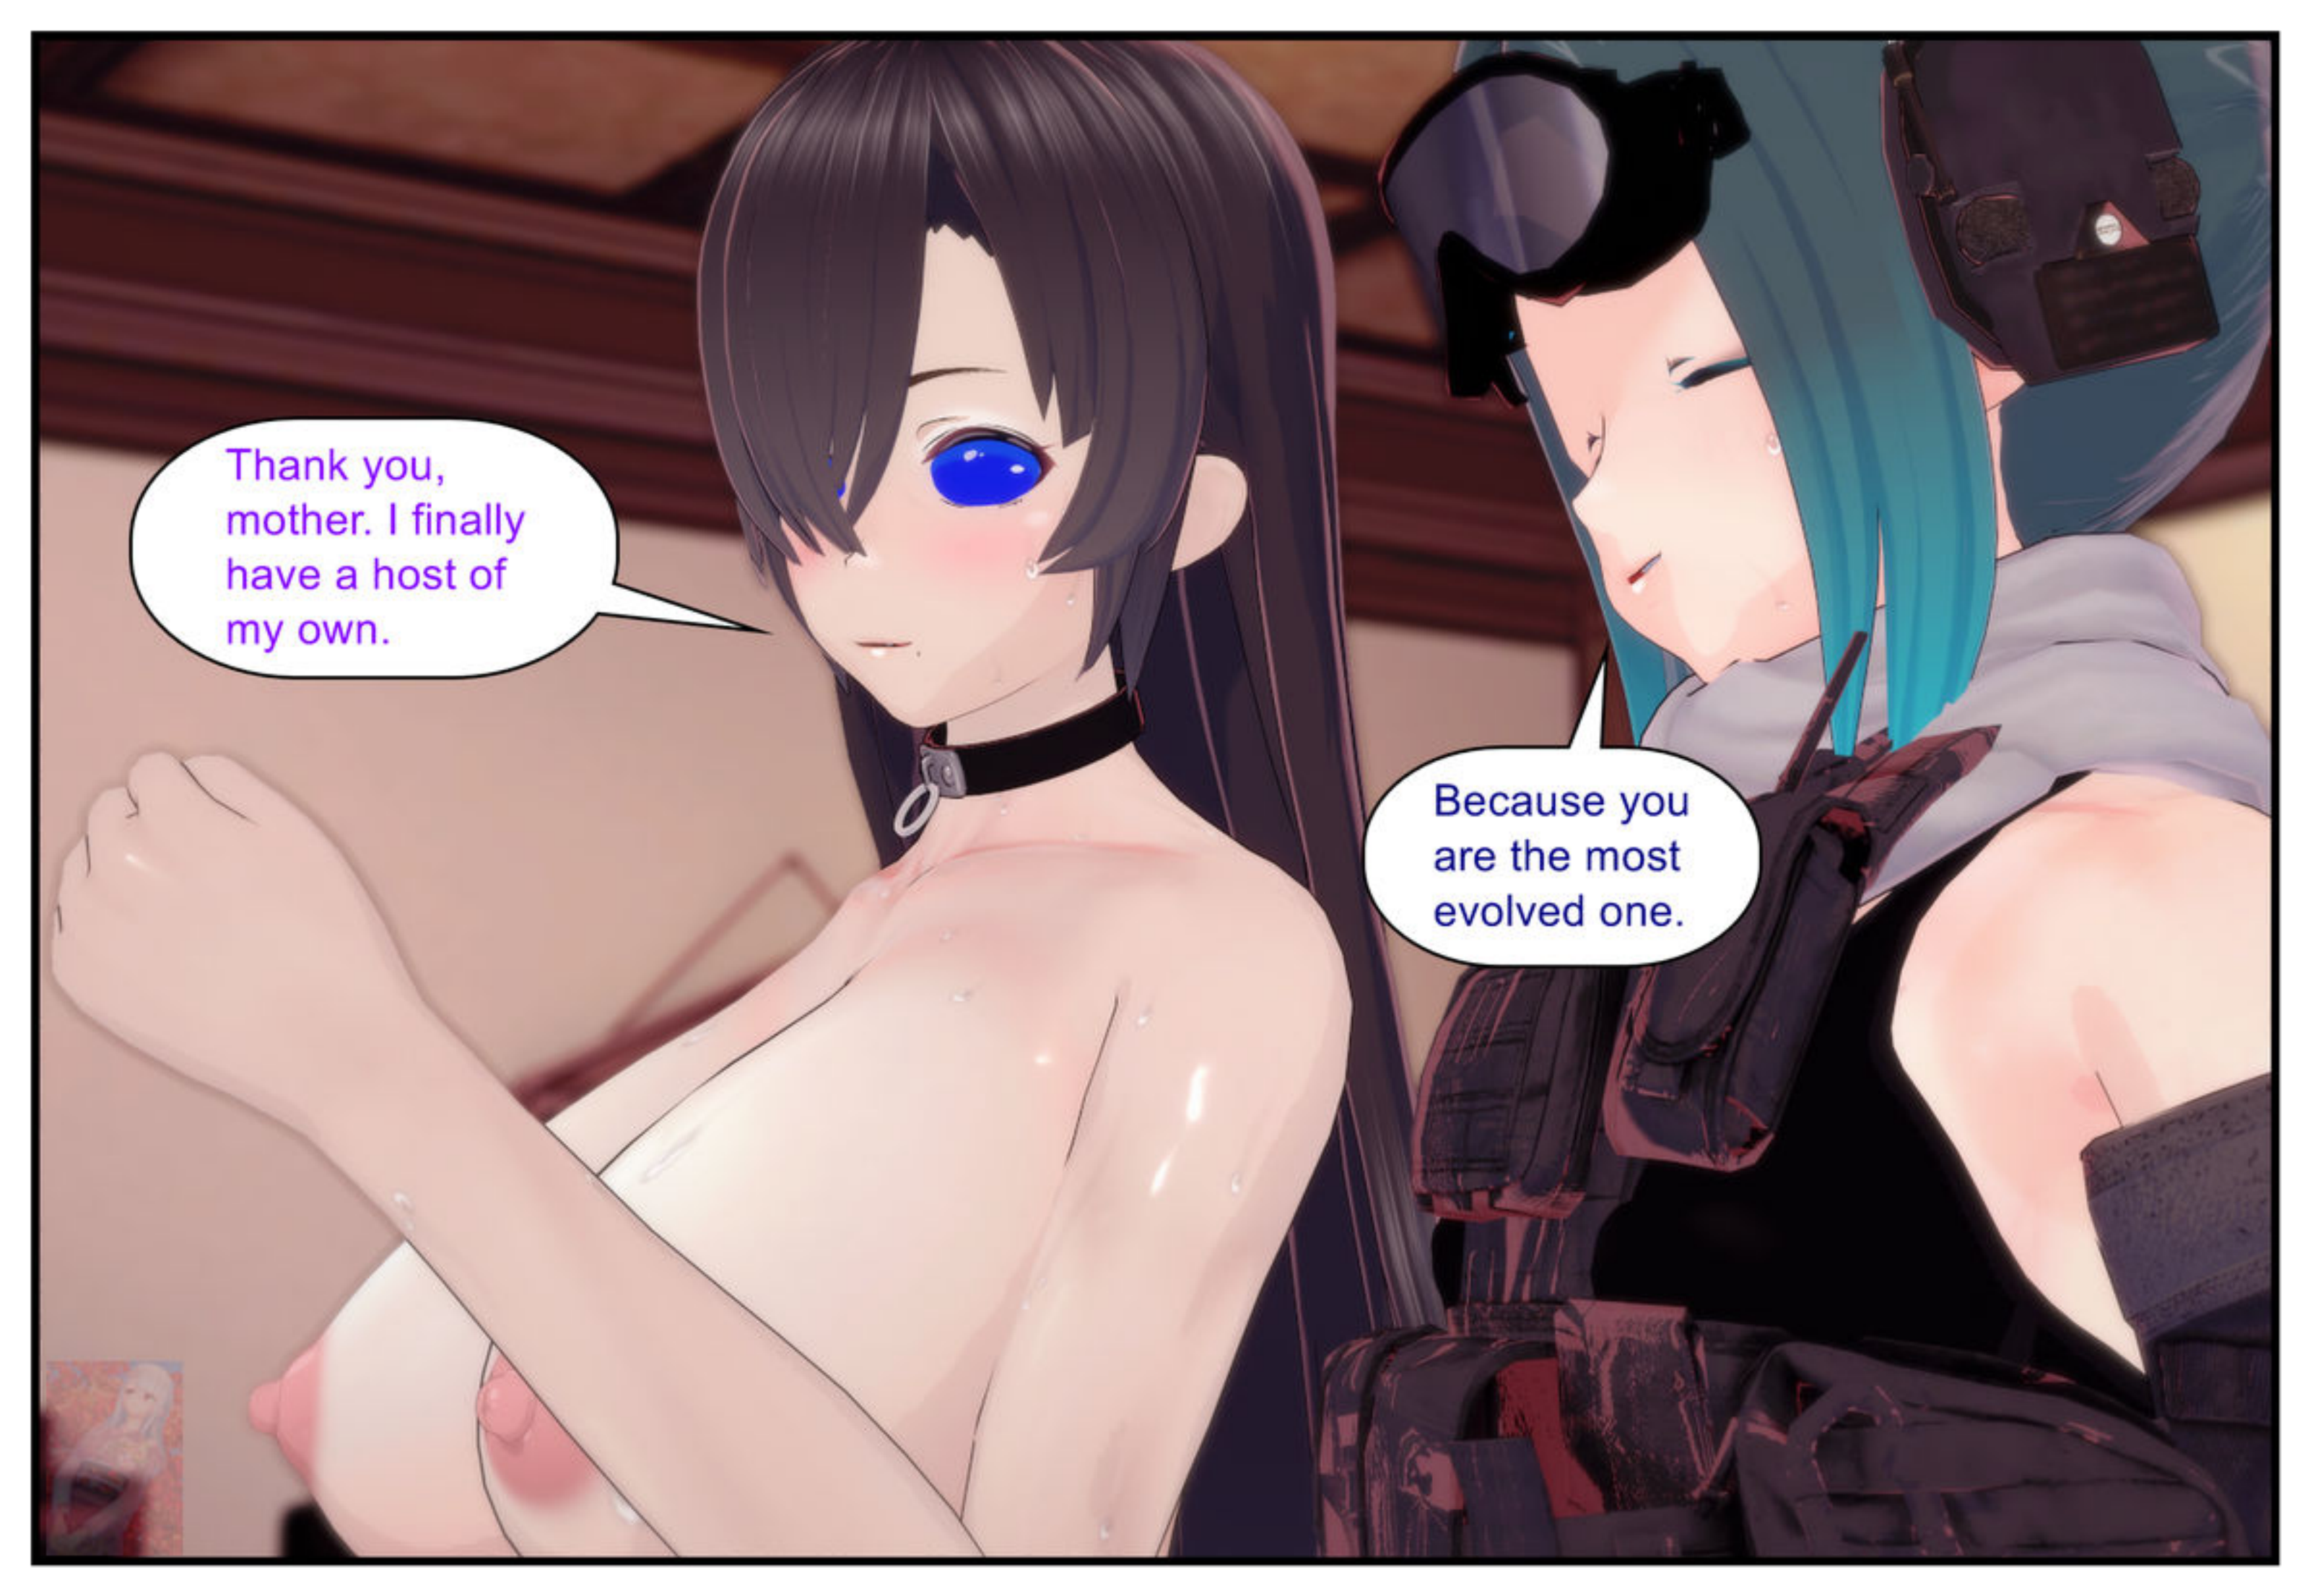

I can control
most of this body.

How do you
feel now?

Thank you,
mother. I finally
have a host of
my own.

Because you
are the most
evolved one.

Your sisters haven't reached the final stage like you yet.

Also, I want to see how well you handle that body.

As you pleased,
my mother.

Yes.. I can feel where you are rubbing..

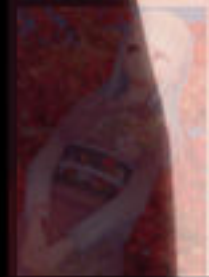

あはあ

あはあ

You really..
know handle
what you are
parasiting in.

I'm proud of you, Kira.

Acording to this
one's mind, there's
another squad out
there.

I wanted them to
be my Sisters
too, mother!

It was.. Akane's
Rougue Squad..

Then? What's
your plan?

Not yet.. but I want to get my hand on them soon~

And they will soon
join our family!

I understand
the situation..
You all did
what you could.

We.. couldn't
stop Hibiki..
and Commander..

We can't just sit
duck here forever.
Right now, just
stay here, Kaminari.

Soon, I will have to deal with Hibiki.

"Hibiki.. the forgotten and betrayed soliders.. I'm coming!"

Forgotten Soldier
END.
