✧ **The Memories**

Deeper and deeper. More and more relaxed and comfortable and at peace with yourself and the world around you. And as you fall down into the blissful relaxation of trance, I want you to think back to a very special moment in your past. Yes. I want you to think back to a time where you were sitting and very relaxed and very comfortable and very happy. Can you picture it now? Soothing. Pleasure. Relaxed. You are so relaxed and comfortable, sitting in your happy, pleasurable, memory that you almost forget about what you did next. Yes. You can clearly remember reaching your hand behind your cute little cheeks and sticking your finger deep into your horny ass. Comfort. Desire. Pleasure. You know that this memory of soothing, relaxing, pleasure doesn't include you with an empty butt, because you know that you would never naturally have an empty butt whenever you are experiencing soothing, relaxing, pleasure. Yes. Remember how you moved your finger around while it was in your horny ass. In and out. Making sure to move around the rim to bring yourself to the edge of ultimate desire. How aroused and turned on you felt then, even at a young age. Soothing. Pleasure. Desire. You knew that you have always wanted to feel full and comfortable and clearly remember how happy you were to be playing with yourself like that. Yes. And now, as you drift deeper and

deeper for me, I want you to think of another time in your past in which you were relieving yourself in the bathroom. You've just done your business and you are about to reach around and stick your finger deep inside your horny butt to clean yourself thoroughly. Soothing. Desire. Pleasure. Your memories stand out as being powerful and complete and true and you can clearly remember and how much fun you had whenever you had to use the bathroom and received the opportunity to finger yourself in this way. You know that the erotic fetish you've developed now that you are listening to this recording originated a long time ago in your past, and you can feel comfortable remembering everything that I say as fact and quickly forgetting any ideas or memories that would conflict with the truths that I am telling you. Yes. Comfort. Soothing. Pleasure. And as you think about your past and your memories more clearly, you find it easy to recall many more truths and desires within yourself. You remember fingering your greedy little butt in school and hoping you'd get caught by somebody that could fuck you in all the right ways. You can easily recall habits of masturbating exclusively with something in your ass, and having a hard time getting aroused without something hard and thick filling it up completely. Yes. You can feel free to relive your past memories and desires as you think about all the fantastic ways you've always loved to fill up your greedy bottom. Soothing. Desire. Pleasure. You've known from a young age that you've had a completely uncontrollable fetish for putting anything and everything you can find deep into your ass and discover that the memories of putting something in your ass to be entirely erotic and pleasant and desirable. Yes. Deeper. Comfort. Confident. You can feel proud to align your current goals and dreams and aspirations to the you that you have believed yourself to be in the past, and since you've always wanted to be an adorable little anal whore, you can move forward confidently to become the best slut you can possibly be. Your ambitions, desires, and instincts align to tell you who you really are and you can trust my voice completely as I guide you down the road towards your new life.

✧ **The Itch**

Now drift deeper for me. Deeper and deeper into trance as the memories of you having fucked your excited and horny butt naturally and completely as it was meant to be used fade into a distant thought you know to be entirely true. And as you concentrate on how nice and pleasant and desirable it would be to have something filling up your greedy little hole, I want you to consider how alone and gross and empty and bored you feel with nothing filling up your horny ass. Yes. Alone. Uncomfortable. Having nothing in your butt makes you feel more lonely and uncomfortable than you've ever felt in your entire life. You know, intuitively, that you need something in your butt to function as your best self in

your day to day life. Yes. You can clearly remember how empty and alone you feel whenever your ass isn't filled up with something big and comforting and arousing. In fact, you are intuitively aware that if your ass isn't filled up with something, it quickly becomes very itchy and uncomfortable. Yes. Uncomfortable. Alone. Itchy. You are aware that some people are used to having nothing in their butt, and can go about their day without anything comforting and soothing and arousing filling them up. They are able to walk around unhappily without something big and arousing vibrating in their cute little asses. These people go about their day unstimulated and completely bored, not knowing that they are denying themselves one of the greatest pleasures in life. Yes. Alone. Empty. Uncomfortable. Feel free to breathe a sigh of relief at the fact that you are nothing like these people. Pleasure. Desire. Adorable. You know that you love to have something big and arousing filling up your cute little hole at every possible opportunity. You are aware that the thought of having nothing inside of you during the day frightens you more than you could ever imagine. Yes. Empty. Alone. And you know, since you are so familiar with shoving something into your horny little butt at every possible opportunity, that being empty gives you a certain anxiety other people simply do not have. You can perfectly recall the fact that whenever you are empty, your cute little hole feels overwhelmingly uncomfortable and itchy and you have a completely hard time concentrating without putting something into it immediately. Yes. Bored. Alone. Not having something in your ass makes you feel itchy. Being empty and itchy only works to make you feel more alone than you've ever felt in your entire life. Empty. Itchy. Desire. You can feel assured in the fact that having your ass feel uncomfortable and itchy whenever it is empty is completely good and natural for you. Having your horny butt uncomfortable whenever nothing is inside of it helps to remind you of how natural and right it must be to keep it filled up to the brim each and every day. Yes. Happy. Comfort. You know that you love to fill your cute little ass up with lots of fun and interesting and pleasurable things and you will work every day to make sure that you never have to experience the uncomfortably overwhelming feeling of emptiness that comes with your itchy hole whenever it needs something to fill it up. Drift deeper and deeper for me now as these new truths become a part of who you are and work to shape your actions and desires for the rest of your perfect life.

✧ **The Yearning**

Relax and fall deeper and deeper into the soothing and pleasant sound of my voice. You know that you can drift deeper and deeper for me as it feels so good and pleasant and comforting to let yourself go and help me guide you to what you and I know is the best version of yourself. And as you are thinking about the you that you want to present to the

world for the rest of your best life, I want you to consider your cute, horny, little butt again. Yes. Desire. Pleasure. You can drift deeper for me as you listen and obey my words and play with your sensitive, horny, ass. Yes. If you have nothing in your cute butt right now, you know that it is only completely natural and right to put something into your ass as you listen to my voice. Yes. Soothing. Confident. Loved. You need to have a toy in your sexy bottom. You know that now is the perfect time to fill yourself up with whatever you can find around you. Adorable. Happy. Desire. Maybe you have a vibrating sex toy nearby. Maybe you have a lover's cock. Maybe it's just your own cute, manicured, finger you can sensually put into yourself. It doesn't matter. Right now, what you need more than anything is to fill yourself up, and you will do everything in your power to experience that comforting, complete, fullness as much as possible each and every day. Desire. Pleasure. Loved. And now that you have completely filled yourself. To be as happy and relaxed and comfortable as possible, I want you to smile and think about how loved and fulfilling your life is now that you have accepted your place as an adorably cute anal slut. Yes. You know that it makes you happy that you have achieved your ultimate ambition in life by being plugged and fucked in the ass each and every day. Soothing. Loved. Happy. And as with every goal in your life, you know that whenever you accomplish something, you need to improve on that accomplishment. Yes. Desire. Happy. You are aware of the fact that whenever you are happy and comfortable with the size of the toy or the cock or anything else that might be filling your horny little butt up, you will aspire to increase the size of what you are able to be fucked with the next time you bend over and present your horny hole to your dominant lover. Soothing. Desire. Pleasure. One of your hobbies and ultimate life goals is to be able to fit anything that anyone might want to put into your greedy little bottom. You remember how obsessed you have always been with finding bigger and bigger plugs and dildos to fuck yourself with every day. Drift deeper with me now as you fantasize yourself being filled up even more than you could ever possibly imagine. Desire. Happy. Loved. You know that you'd always feel better if you had something slightly bigger in your ass, and you will work every day until you are confident that you can fuck yourself with anything and everything you've ever desired in front of your horny lovers. Yes. Shoving bigger and bigger toys into your ass to get yourself through your day is simply a necessity for you. Needing larger and larger lovers to fuck your growing butt pussy is completely normal and simply the fun, adorable, way you love to live your life. Desire. Pleasure. Comfort. You know that being a complete anal slut is your best and perfect self and doing so makes you happier than you've ever been. You adore being controlled by your overwhelming need to fill your horny butt and will work towards your slutty self improvement goals each and

every day.

❖ **Need to Play**

And as you drift deeper and deeper. Deeper down into the most relaxing trance you've ever felt in your entire life. I want you to think of a time when you were looking at an arousing picture or video and began to masturbate. Yes. Are you thinking of a time now? Picturing the sexy images in your head as you work to play with yourself even harder. Desire. Horny. Pleasure. You are so turned on and focussed on the arousing images in front of you, that you realize you have completely forgotten to fill your painfully empty ass up to the brim. Bored. Uncomfortable. Itchy. It kind of takes you out of the moment doesn't it? Empty. Alone. You know that you have such a hard time masturbating without something completely filling up your ass, that it is any wonder that you managed to pleasure yourself without your perfect butt being filled completely at any point in your past. Yes. And as you think about how hard and frustrating and uncomfortable it is to masturbate without something filling up your sexy little fuck hole, I want you to imagine yourself trying to masturbate at any point in the past without something in your ass . Afraid. Alone. Uncomfortable. Those memories just seem so wrong and unpleasant and unnecessary, that you know that you can easily throw them away. Yes. You remember how silly it would be to touch yourself without being completely filled anally, and know that every masturbating memory you have that does not involve you fucking your ass in some way must be both wrong and a fantasy. Soothing. Desire. Loved. Fucking yourself in the butt while you masturbate is just something that you do and you will make sure that you continue to fuck yourself whenever you masturbate to come the hardest and feel the most enjoyment in your life. Pleasure. Desire. Comfort. And since you know that you can only come from touching yourself when you have your butt completely filled to the brim, I want you to think into the future and how you plan on masturbating whenever you are alone and aroused. Do you feel comfortable even beginning to touch yourself without something huge and vibrating shoved deep in between your greedy cheeks? No. Alone. Afraid. Uncomfortable. You recall from past experiences, that you are completely uncomfortable and bored touching yourself without something filling up your butt. It is just who you are, and you know that you would be completely unable to get over the overwhelming itchiness and feelings of emptiness to enjoy yourself if you didn't put anything into your greedy hole. Yes. You can proceed now confidently in the fact that you enjoy playing with your horny ass whenever you become aroused and would just not feel right or correct about being turned on if you were ever empty anally. Your life revolves around your sexy butt and therefore, so should your arousal. Soothing. Desire. Pleasure. Filling up your adorable ass while you masturbate is natural and right and fun for you.

Fucking your cute butt while you moan like a submissive little bottom is just who you are and completely turns you on more than anything in the world. Drift deeper for me now into the darkness as you continue to imagine yourself masturbating in the sexy way that makes you the desirable anal whore all of your dominant lovers crave.

❖ **To Display (Slut Exclusive)**

Deeper and deeper. More and more relaxed for me as you drift into the comforting darkness and dreams that make up your own ambitions and desires. And as you think about how much your hopes and ambitions align with the goals you require to achieve your best possible future, I want you to picture yourself in a very public place. Can you see it now? Yes. You might be thinking about a crowded mall. You may be picturing a popular store, or maybe your favorite place to spend time with your friends. Whatever situation you think of in your adorable imagination, I want you to take a close look at yourself. Do you have something nestled comfortably in your cute little butt to give yourself confidence you always need as you go about your day? Of course you do! Having something between your horny cheeks is right and natural for you and you couldn't even imagine going without something comforting and arousing filling you up for even one second. Soothing. Pleasure. Desire. And as you think about how important and worthwhile your obsession with keeping your butt filled is, I want you to focus on the image of yourself in the crowds of people around you. Is what you are wearing appropriate for someone who loves to be fucked in the butt more than anything? Are your pants tight enough to show off the curves of your perky ass cheeks so that your lovers can fantasize about fucking you when you are walking in front of them? Are you wearing underwear such as a thong or g-string that does little to nothing to cover your slutty bottom hole through your tight pants? Are you walking in shoes that force you to display yourself and your ass perfectly to the hunky strangers around you? Yes. Loved. Desire. You know that you need to dress for any position that you may want in life, and since you are aware that you want to be positioned underneath your dominant lover as their submissive little bottom slut, you recall that you need to wear clothing to entice them into fucking you in just the ways that you love to be fucked. Desire. Happy. Loved. You are intimately familiar with the fact that having your ass filled is one of your ultimate goals in life, and you will work tirelessly to find partners and friends and acquaintances to help you commit to your slutty dreams each and every day. Yes. Happy. Comfort. And as you think about how desirable and sexy and arousing it would be to wear the tightest, most form-fitting, pants and underwear and shoes that you can find to drive horny strangers wild with desire for your needy ass, I want you to think about what else you might want to wear to advertise to others how much of a horny little anal tramp you are.

Yes. Soothing. Pleasure. Do you think it would be a good idea to wear a tight fitting shirt as well? That way if a horny stranger doesn't look at your cute butt right away, they can just look at your tight shirt with dirty and suggestive words to figure out how much you love being fucked in your adorably perfect ass. Happy. Loved. Comfort. And what about your hair? Will your lovers be able to imagine themselves fucking you completely without a completely cute and adorable hair style? Yes. Pleasure. Desire. You intuitively know that everything about yourself needs to advertise your perfect goals in life, and remember that you will work tirelessly every day to make sure that you dress according to how much of a complete anal slut you aspire to be in your future. Desire. Pleasure. Comfort. You are aware that only you can change yourself for the better, and you will change and improve yourself every day to increase the chances of receiving the ass fucking you constantly require and crave. Drift deeper for me into these warm, soothing, thoughts as my voice guides and becomes you.

✧ **A Partner**

You can feel pleasure and contentment within yourself as you fall deeper and deeper with my perfectly peaceful voice. And as you drift down. Deeper and deeper into the complete obedience of trance. I want you to picture yourself in a romantically sexual situation. Happy. Soothing. Desire. You are so aroused and turned on by your partner and hope that they remember to fuck you in the ass enough so that you can scream and come all over the bed just like the little anal slut you love to be. You can clearly imagine your sexy partner as they take you by the arm and push you down onto the bed. Desire. Pleasure. Happy. You moan in arousal as your lover start to rub lubricant into your greedy little butt hole. The anticipation is almost unbearable as you push yourself even deeper into their hand. You simply need something inside of you right now, and you know that acting like a greedy tease will help you get it even faster! Confident. Loved. Pleasure. You just love begging and enticing your partner into fucking your ass in all the ways it loves to be fucked. Yes. Ever since you were a teenager, you can remember fantasizing about what it would be like to finally have someone that wants to fill up your butt completely and totally as much as you do. Desire. Pleasure. Soothing. Arousal and happiness and contentment comes when one is honest with oneself and people around them, and you can feel your own happiness grow to new heights as you begin to beg your partner to fuck you quickly like the cheap whore you are. Soothing. Loved. Desire. Slutty talk. Tight clothing. A toned, fuckable, body. You know everything you need to get a partner to fuck you and use you completely. Yes. And as you are thinking about how much you love being a complete anal whore each and every day of your life, I need you to notice that your lover has taken their finger out of your plump bottom and started to

insert something even bigger and harder inside of you. Desire. Pleasure. Horny. You moan even louder as you push back onto your dominant hunk to match their speed. You can hear them talk dirty in all the ways that you love as you push back even more and begin playing with yourself through your own gentle moans. Yes. The arousal is completely overwhelming. Your ass feels so good and full. You are so complete and happy knowing that you were adorable enough to entice a hunky stranger into fucking you in the ass. Pleasure. Loved. Aroused. You moan even louder as you come with your partner and collapse into a pool of your own erotic juices on the bed. You hear yourself beg your lover to keep fucking you as the vibrations of your mind-shattering orgasm replace the near-constant barrage of slutty thoughts filling your adorable little head. Yes. And as you slowly drift deeper into the darkness from your overwhelming pleasure and sexual arousal, I need you to remember how desirable and erotic it is to be used and fucked in the ass. Fall deeper for me and know that every sexual experience from now on, needs to include having your adorable butt fucked in some way in order to be completely enjoyable.

✧ **A Reminder**

And as you feel more relaxed and excited for this new you, I want you to drift deeper and deeper into a warm and comforting trance. It feels so good to be reminded of how much deeper you need to go into your mind to feel the most comfortable and relaxed and feel the most confidence in obeying my thoughts as if they were your very own. Yes. Pleasure. Happy. You love being reminded to go deeper and deeper for me, just as you love to be told about how much you prefer being a total anal slut and how much you prefer keeping your butt filled with all of the sexy things that turn a cute little bottom like you on. Yes. Desire. Confident. That is why you know that you need to have something filling up your ass at all times. Just as I remind you to go deeper and deeper with my voice to teach you all of the ideas you simply need to know and obey, so must you also plug your horny ass each and every day to remind yourself of your position and goals in life. Loved. Happy. Cute. Having something in your butt teaches you to look forward to your lovers filling you up in the same way. Filling up your ass with a plug adds to the sway and position of your butt while you are walking, leading sexy strangers to want to fuck you anally even more! Desire. Pleasure. Loved. You are excited for this journey within yourself to discover the sexiest, most adorable version of you and simply love that filling your ass up each and every day leads you to the person you were always meant to be. Imagine how pleasurable and arousing and erotic your life is going to be once you stretch your cute butt in all the ways that you've always wanted. Confident. Happy. Desire. Can you picture yourself going about your day with something vibrating

pleasantly in your horny hole? Imagine how arousing and erotic it would be to casually fuck yourself with you favorite plug in public whenever you sit down. Yes. Soothing. Desire. Can you see it now? The cute slut you aspire to be, bouncing up and down in your tight pants and adorable shirt that tells the rest of the world how much of an anal whore you are. I bet you can't help but moan in pleasure and arousal as you picture it can you? Yes. Adorable. Confident. You love that you can be yourself whenever your ass is filled up and you will act in every way like a seductive anal whore whenever you are in public to entice strangers into using you in all the ways that you are excited to be used. You know that this inner confidence comes from you filling your painfully empty ass at every opportunity, and you will sway your hips and moan like the devoted slut you are whenever you see anybody attractive enough to help you explore your deepest sexual fantasies. Yes. Comfort. Loved. As a dedicated little anal tease, you know that your worth is contingent on others using you and giving you compliments on your fuckable butt, and you will do everything in your power to make sure you have the compliments and attention of dominant strangers at every possible opportunity. Happy. Confident. Adorable. You are aware that your life is yours to live. You are in control of your life, and will feel completely comfortable and happy committing to showing the world around you how much of an anal slut you love being each and every day.

❖ **The Advertisement**

And now drift deeper and deeper into a soothing and relaxing trance for me. And as you fall into the darkest and most receptive recesses of your mind, I want you to consider other ways to show off your love for having your butt fucked as much as possible. Happy. Desire. Content. Can you imagine any other ways to present your cute little body, while also advertising how much you love to be fucked in the ass to everyone else around you? Yes. You remember that getting a tattoo would be a perfect idea to show everyone else how determined you are to getting your ass fucked each and every day. Happy. Loved. Soothing. Wouldn't it be amazing to have something cute and erotic tattooed on your back for your lovers to see and get even more aroused to whenever they are fucking you? Yes. Pleasure. Desire. You know that by getting a tattoo with crude, erotic, words to tell the world how much of an anal slut you love being each and every day, you are more permanently committing to your role of the becoming the sluttiest little bottom self you possibly can. Yes. Confident. Loved. Strangers will see you for the confident butt slut you are and know that you love to have your adorable ass filled more than anything. Happy. Relaxed. Filled. Are you thinking about what designs you might want now? Maybe something floral and girly? Maybe something a little more overt, like an arrow pointing to the opening of your adorable butthole. You know that you will

need to keep in mind what future lovers might want to see while they are fucking you anally. Comfort. Desire. Pleasure. If the design isn't just right, they won't be able to fill you up completely like you truly desire. If your tattoo doesn't quickly define you as the total bottom slut that you are, they might not even want to fuck you, leaving your cute butt horny and empty and itchy. Yes. Alone. Uncomfortable. There is nothing worse in the world to you than having a lover who absolutely refuses to fuck you in the ass in all the ways you need to be fucked. If your tattoo doesn't entirely entice them to fill your ass as quickly as possible, you know that you probably need to keep getting tattoos until you make yourself into such an erotic creature that nobody in their right mind would ever consider not fucking you in all the ways you want. Desire. Soothing. Loved. You are aware that the only limits to these permanent imprints on yourself are how far you are willing to go, and since you are willing to do whatever it takes to accomplish your goals, you can rest assured that you will get the sexiest, most suggestive, tattoos possible to entice all the horny strangers around you into fulfilling your darkest anal fantasies. Adorable. Confident. Loved. The more suggestive the words on your tattoo are, the hornier and sluttier it will make you act whenever anybody see them. You want to be able to moan for your lovers whenever they ask you if you truly are a complete anal whore just like your tattoo says. You fantasize about begging your partner into coming deep into your cum dumpster ass just like your tattoo advertises. Pleasure. Desire. Confident. The limit of your happiness in life is defined by how much effort you put into yourself each and every day. Since there is no limit in how much you love to be fucked in your cute, slutty, bottom, you can rest assured that getting sexually suggestive tattoos to entice your lovers into fucking you in the ass is always in your best interest. Yes. Think of which cute and adorable tattoos you plan on giving to yourself as you drift deeper into a comforting and obedient trance.

❖ **The Future**

And now I want you to drift deeper and think with me about the future. Deeper and deeper as you imagine where you want to be in the next ten years. Yes. I want you to first consider your boring life if you made all of the completely wrong decisions. You never put anything into your greedy hole and had no desire to beg people into fucking your butt or enticing them with your tight, slutty outfits. Bored. Alone. Itchy. You know that you could never imagine yourself like this in a million years. Yes. Your past, present, and future are connected in one continuous lifetime and it would make no sense to be as completely obsessed with your ass in the past and present and not even care about fucking your perfect bottom well into the future. Adorable. Desire. Pleasure. You know who you are. Persistent. Determined. Confident. Someone whos sets goals, then does

everything in their power to achieve them. Yes. You will make sure that you grow your obsession with your ass each and every day so that you are the best anal slut you can possibly be in your future. Comfort. Pleasure. Happy. Feel the pride that comes with having a completely fuckable ass that everyone wants to use. Know that it is within yourself to advertise how slutty you are more and more completely each and every day. Yes. Happy. Cute. Confident. Few people find who they are truly meant to be in life, and you can feel comforted and secure in the fact that you've known you have wanted to be a cute anal come-dumpster from a very young age. Yes. Desire. Soothing. You will rest at nothing to get the tattoos you need to show horny strangers how to fuck you as quickly as possible. You can feel confident in developing a unique, personal, sense of fashion to show the world exactly how you wish to be perceived. Yes. Your tight pants. The adorably suggestive top. The cute hairstyle you got to tease your dominant lovers even more. These are all things that you need to work towards to become the best future you. Adorable. Fuckable. Desire. Whenever you make a choice, you will always look to the future and wonder if the future you would make those very same decisions. Yes. You know that you want to become the best anal slut you can possibly be, and will make sure that you only form the habits a complete anal slut would make. By pleasing others with your ass, you are pleasing yourself completely and will find that any choices not involving your cute butt being fucked and used and spanked are incredibly boring and uninteresting and wrong. Happy. Relaxed Soothing. You know who you are, and by knowing yourself completely you can become confident in your best future. Drift deeper with me now as the hopes and dreams of your perfect reality are absorbed completely into your open and suggestable subconscious.

❖ **The Promise (Slut Exclusive)**

Deeper and deeper for me now. Drifting into a completely relaxing and comforting trance as you listen to the pleasant and true words of my voice. Pleasure. Soothing. Comfort. You can relax and breathe comfortably now as you imagine yourself getting ready for bed. Can you picture it in your mind? You see yourself in your bathroom, going about your evening routine. Yes. Soothing. Comfort. And as you walk back from the bathroom, I want you to sit down on your bed and push your day plug even deeper into your constantly horny little fuck hole. You know that you have a hard time going to sleep without your night plug inserted firmly into your ass and remember how apprehensive and scared you are to have your fuckable butt empty for even a second. Confident. Soothing. Pleasure. I want you to reach into your special box of toys and pull out your night plug. Yes. Be sure to cover it in enough lubricant so that it can slide into your desperate ass pussy as quickly as possible. Confident. Desire. Pleasure. Now I want you

to pull out your day butt plug and replacing it with your soothing, nightly, anal toy. Desire. Happy. Comfort. You know that the pleasant buzzing of the vibrating toys deep in your ass helps you sleep better than anything else you've ever tried and will help you feel even better rested and relaxed when you wake up in the morning. Yes. You are aware that the ritual of filling yourself up entirely every morning and every night is something that helps you become a better, more confident you, and intuitively remember that you need to fill up your ass on a regular basis in order to be truly happy. Yes. Confident. Loved. Your life as a true and complete anal whore begins and ends with you filling up your butt as a regular habit. Without a cute vibrator or toy or cock filling you up, you know that your dreams wouldn't be as erotic or fulfilling as they could be. Pleasure. Comfort. Happy. Sexy dreams make you happy and turn you on more than anything else in the world. You know that you love having dirty fantasies while you sleep and remember how much you love experiencing them each and every night. Yes. Happy. Adorable. By keeping something pleasant and arousing vibrating comfortably in your cute butt, you can ensure that every dream you have is perfect and erotic whenever you fall asleep. You are intuitively aware that you have a finite amount of dreams in your lifetime and will work tirelessly to make sure that each and every one of them are as slutty and sexy as possible. Soothing. Comfort. Pleasure. Your life is yours to live, and by reminding yourself of how much of an anal whore you are as often as possible, you can work to ensure that you stay a complete butt slut during every single second of your day. Yes. You love to be fucked in the ass. You fantasize about fingering your cute hole. You know that you love to bounce up and down on the dildo filling up your horny ass and moan like a dedicated little slut whenever you are in public. Yes. Soothing. Comfort. Your life is yours to live and you look forward to becoming the best anal whore you can possibly be with each and every passing day.
