Hey there, do you think that... skinsuit is real?

A character with short dark hair is shown from the chest up, wearing a light grey zip-up jacket with dark grey suspenders. The character is looking slightly to the left. The background is a modern office with large windows, indoor plants, and a desk with a computer monitor. A speech bubble is positioned to the left of the character.

If you think so,
then me too.
Because we are in
a fantasy world after all.

I'm Shojiro, working
as a Assistance Manager.

And if you ask me
whether I have crushed
on someone, yes.

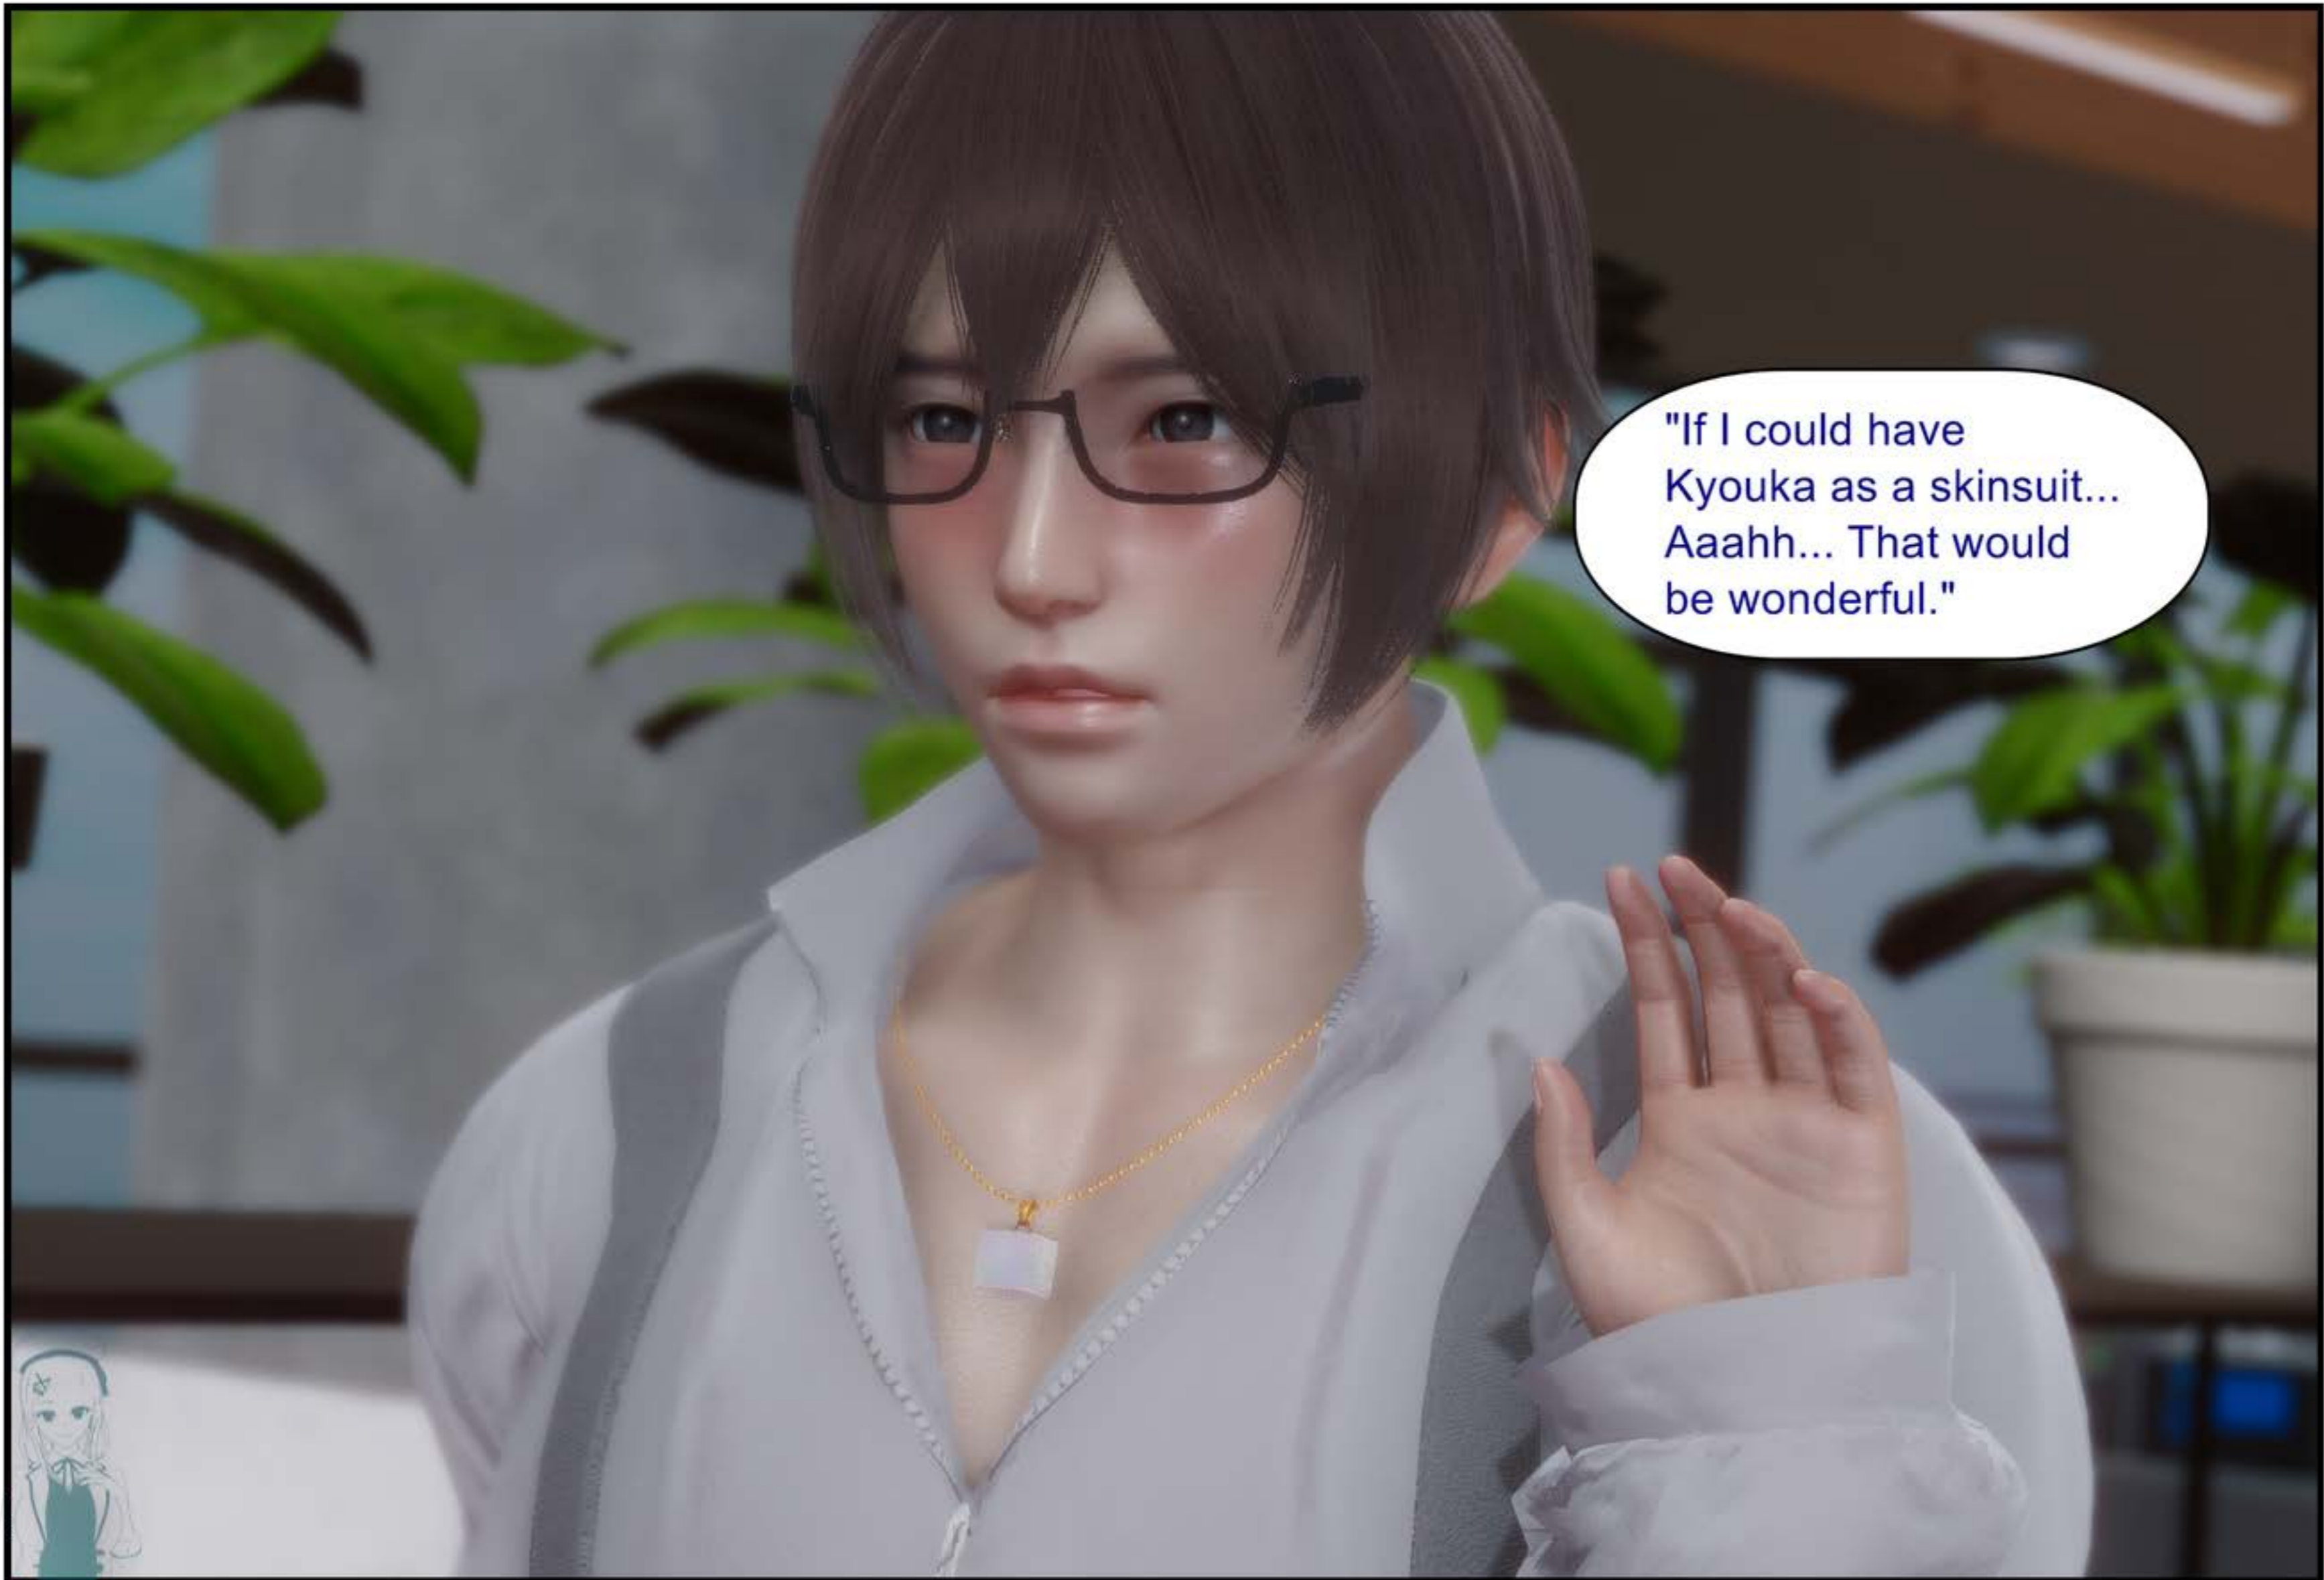

H-Hi, Kyouka...
How are you
doing today?

Morning, it is
nice to see you.

"If I could have Kyouka as a skinsuit... Aaahh... That would be wonderful."

You were heading
to main office, right?

I think it's the best
for you not to let
the Boss wait.

A screenshot from a video game. On the left, a character with short dark hair and glasses is shown from the waist up. They are wearing a light blue zip-up jacket with dark grey suspenders and dark grey trousers. They have a small white square pendant on a gold chain. A speech bubble above them contains the text "I... I will get going right away!". On the right, the back of another character is visible, wearing a dark grey suit jacket. The background is a blurred indoor setting with a staircase railing.

I... I will get going right away!

"Talking with Kyouka
make my heart racing..."

"Hm... He has a
crush on this one."

"I'm going to have fun with him later on."

Inside Kyouka's
private workplace...

"Preparation is finished.
I will head to the main
office soon."

Well, we still
have time to spare...

I must say... You are pretty cute.

Slurp... Yes, soft skin also...

Phew... That was really hot to be in a skin.

I have an idea...
but just in case.

"With this, no one would recognize she is a skinsuit."

"Next will be..."

The image features two 3D rendered female characters against a black background. The character on the left has dark hair and a neutral expression, with her chest and nipples rendered in a realistic, somewhat fleshy style. The character on the right has dark hair and a slight smile, with a more refined and polished appearance. A white speech bubble with a red border is positioned between them, containing the text "She is going to be my second layer." in red font. In the bottom-left corner, there is a small, stylized teal logo of a character with a beard and a topknot.

She is going to be my second layer.

"Just to make sure, nothing special."

What do you think
of this skin? Or you
want a new one?

The next skin for my collection would be the head of company.

Let's get to
the meeting then.

Oh, you finally
came, Director Haruna.

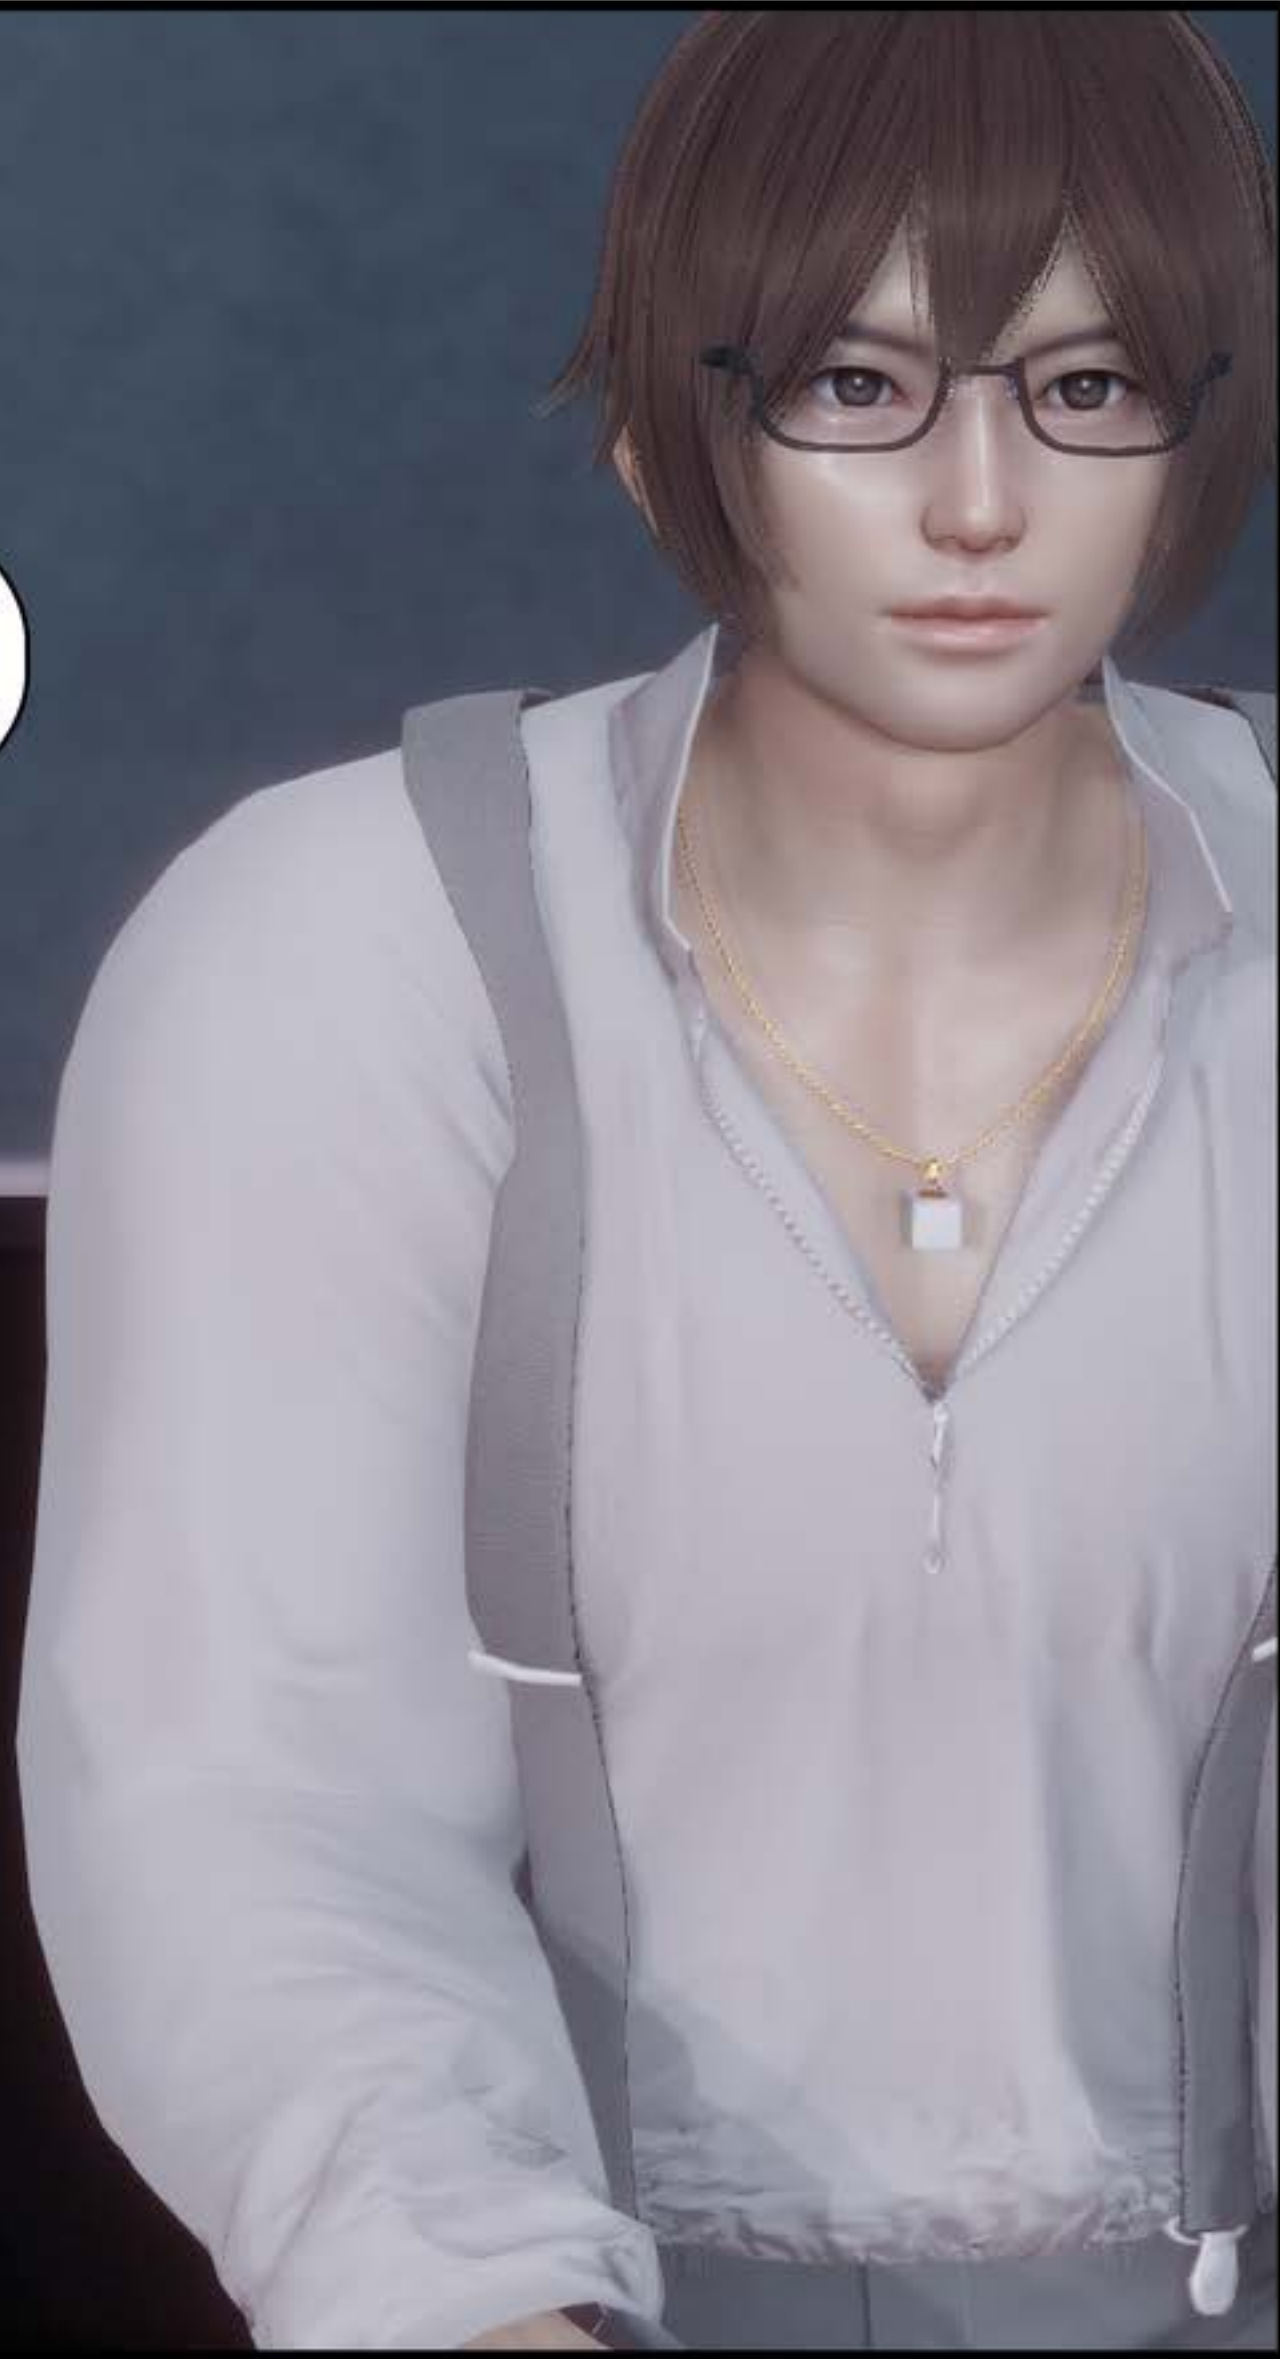

Alright. First up,
the current head
of our company...

"Right... Even that
guy is here, too."

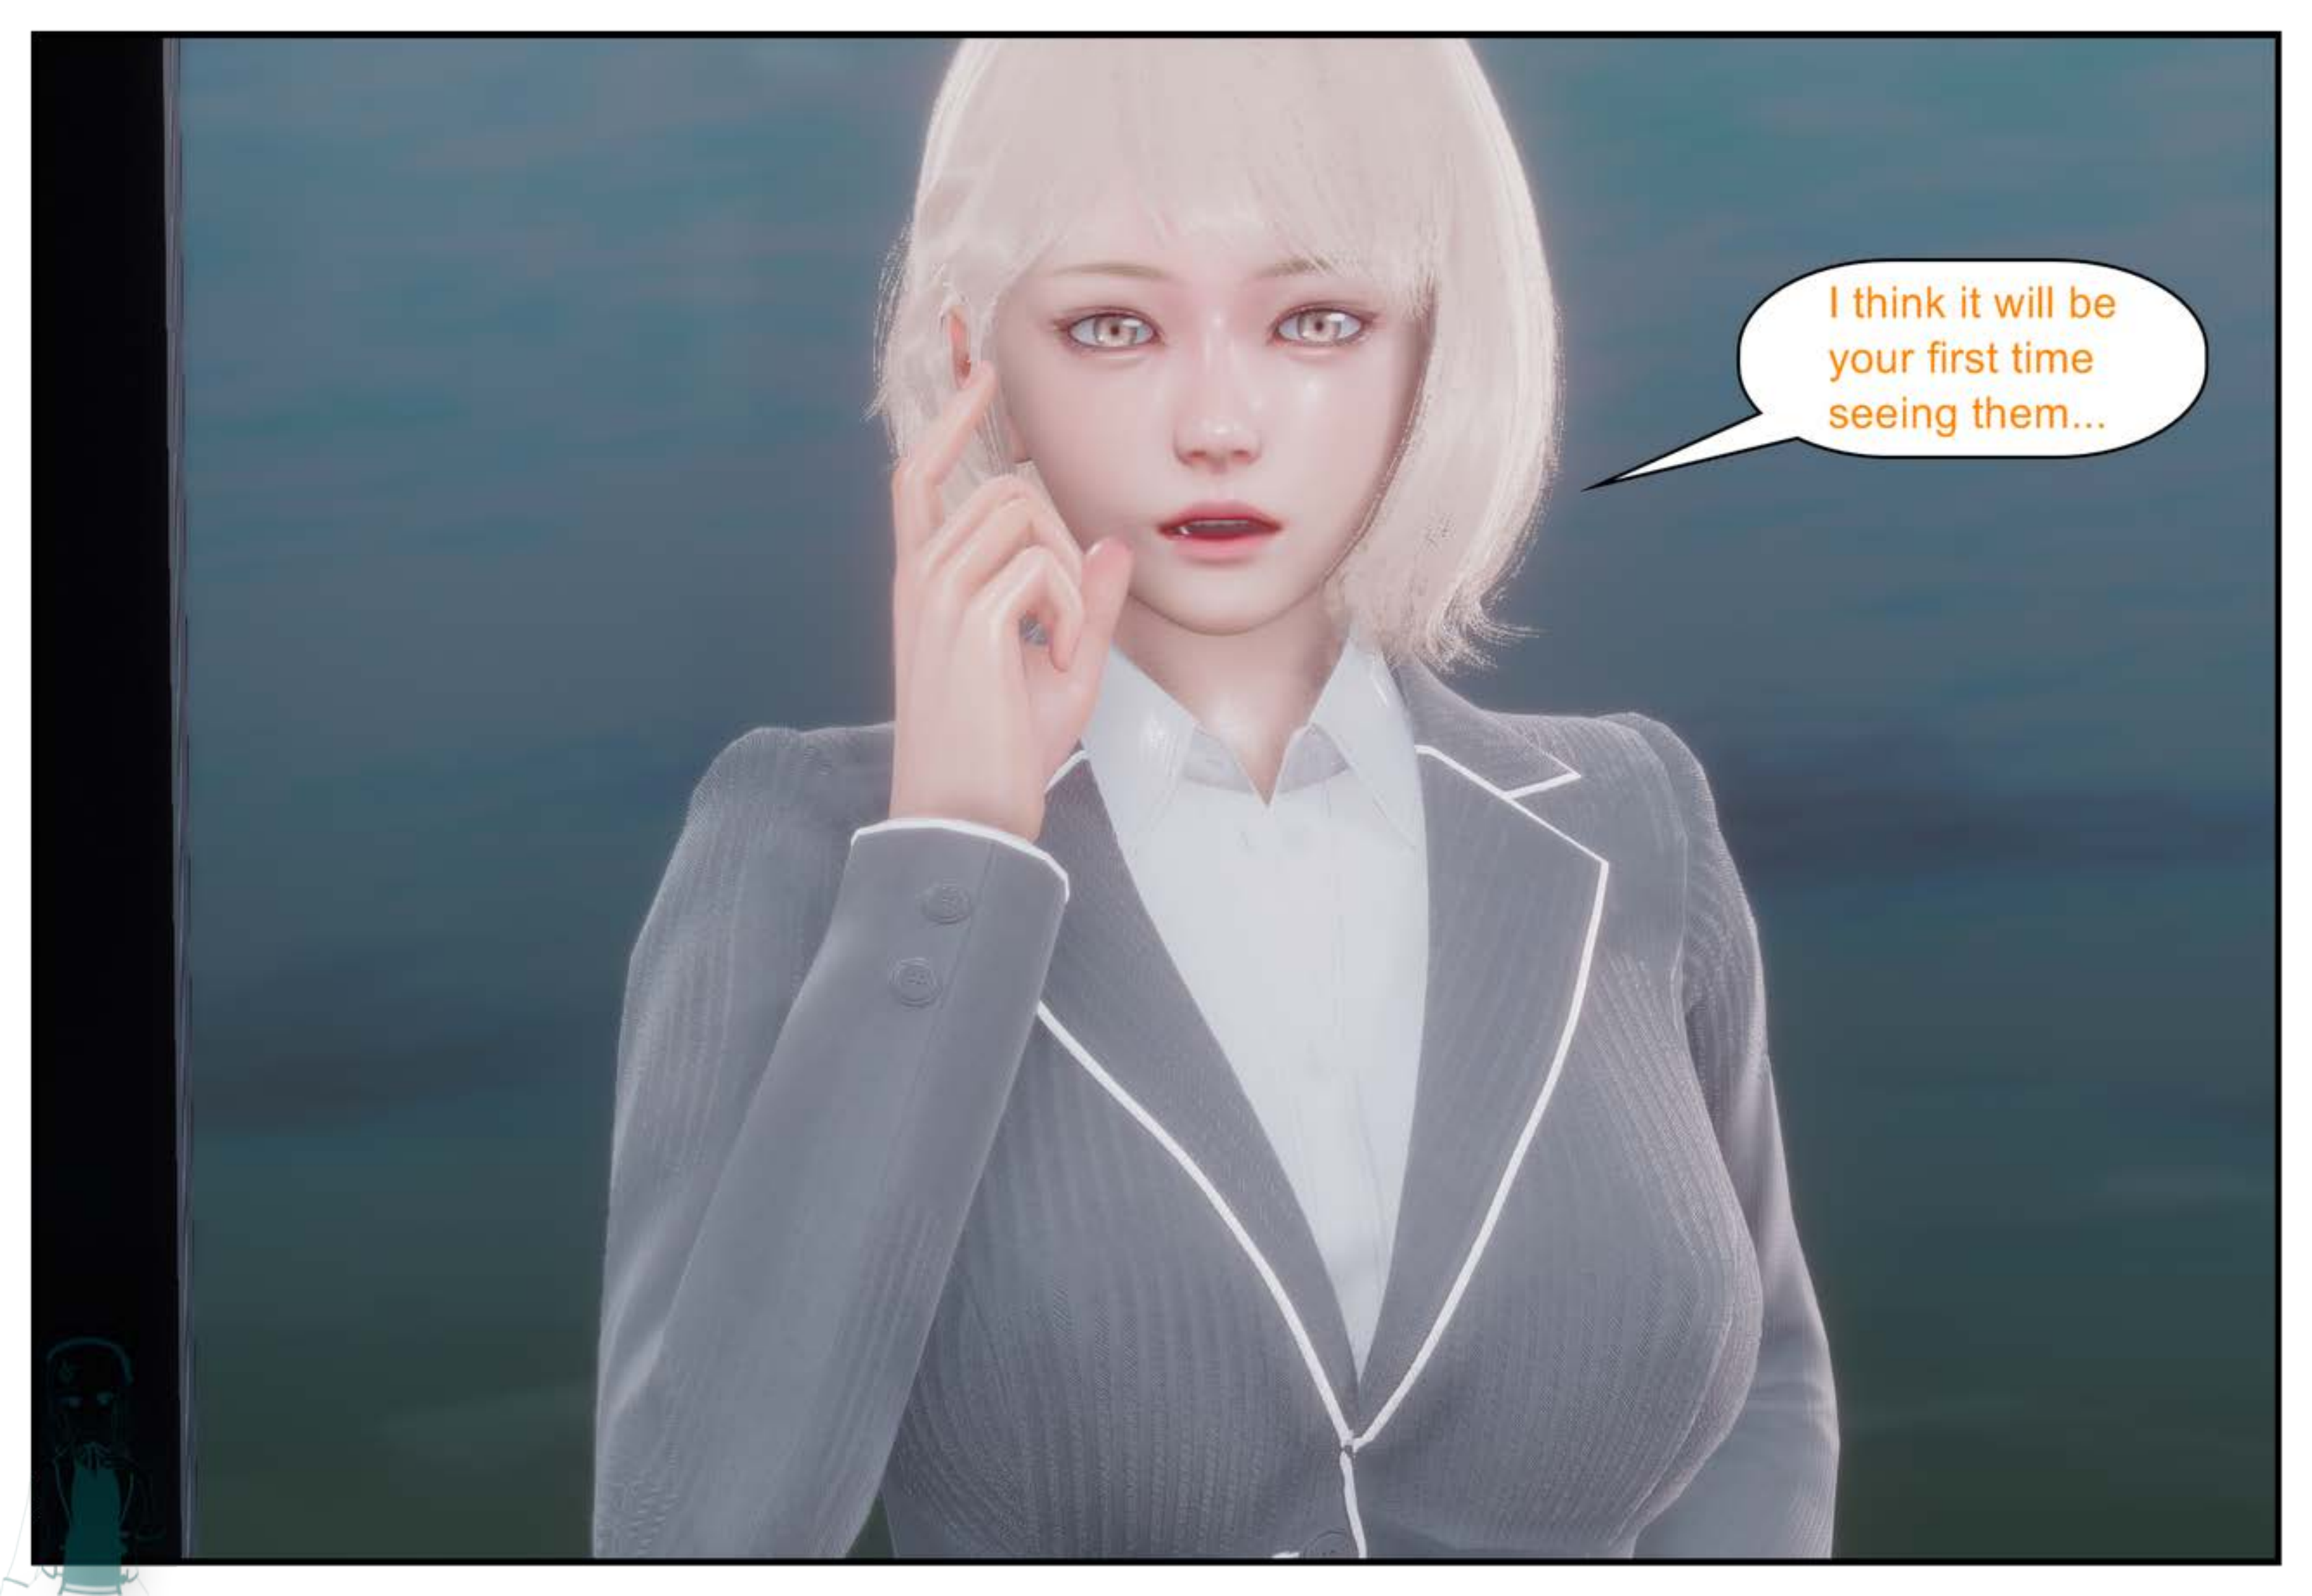

...she has been
moved to another
facility due to her
performance.

So... The Council
has given us a new
person who will be
in charge.

"Hold on... Did I just
hear that..."

I think it will be
your first time
seeing them...

"I get it, because we
are in the fantasy world..."

Then they are not
human, aren't they?

Yes, they came
from the other world.

"...we will see other species aside from normal human."

I apologise for coming late...

"Elf - A kind that smart, and high working efficiency."

Bad traffic and other paper that need to be done.

I have been briefed
by the Council...

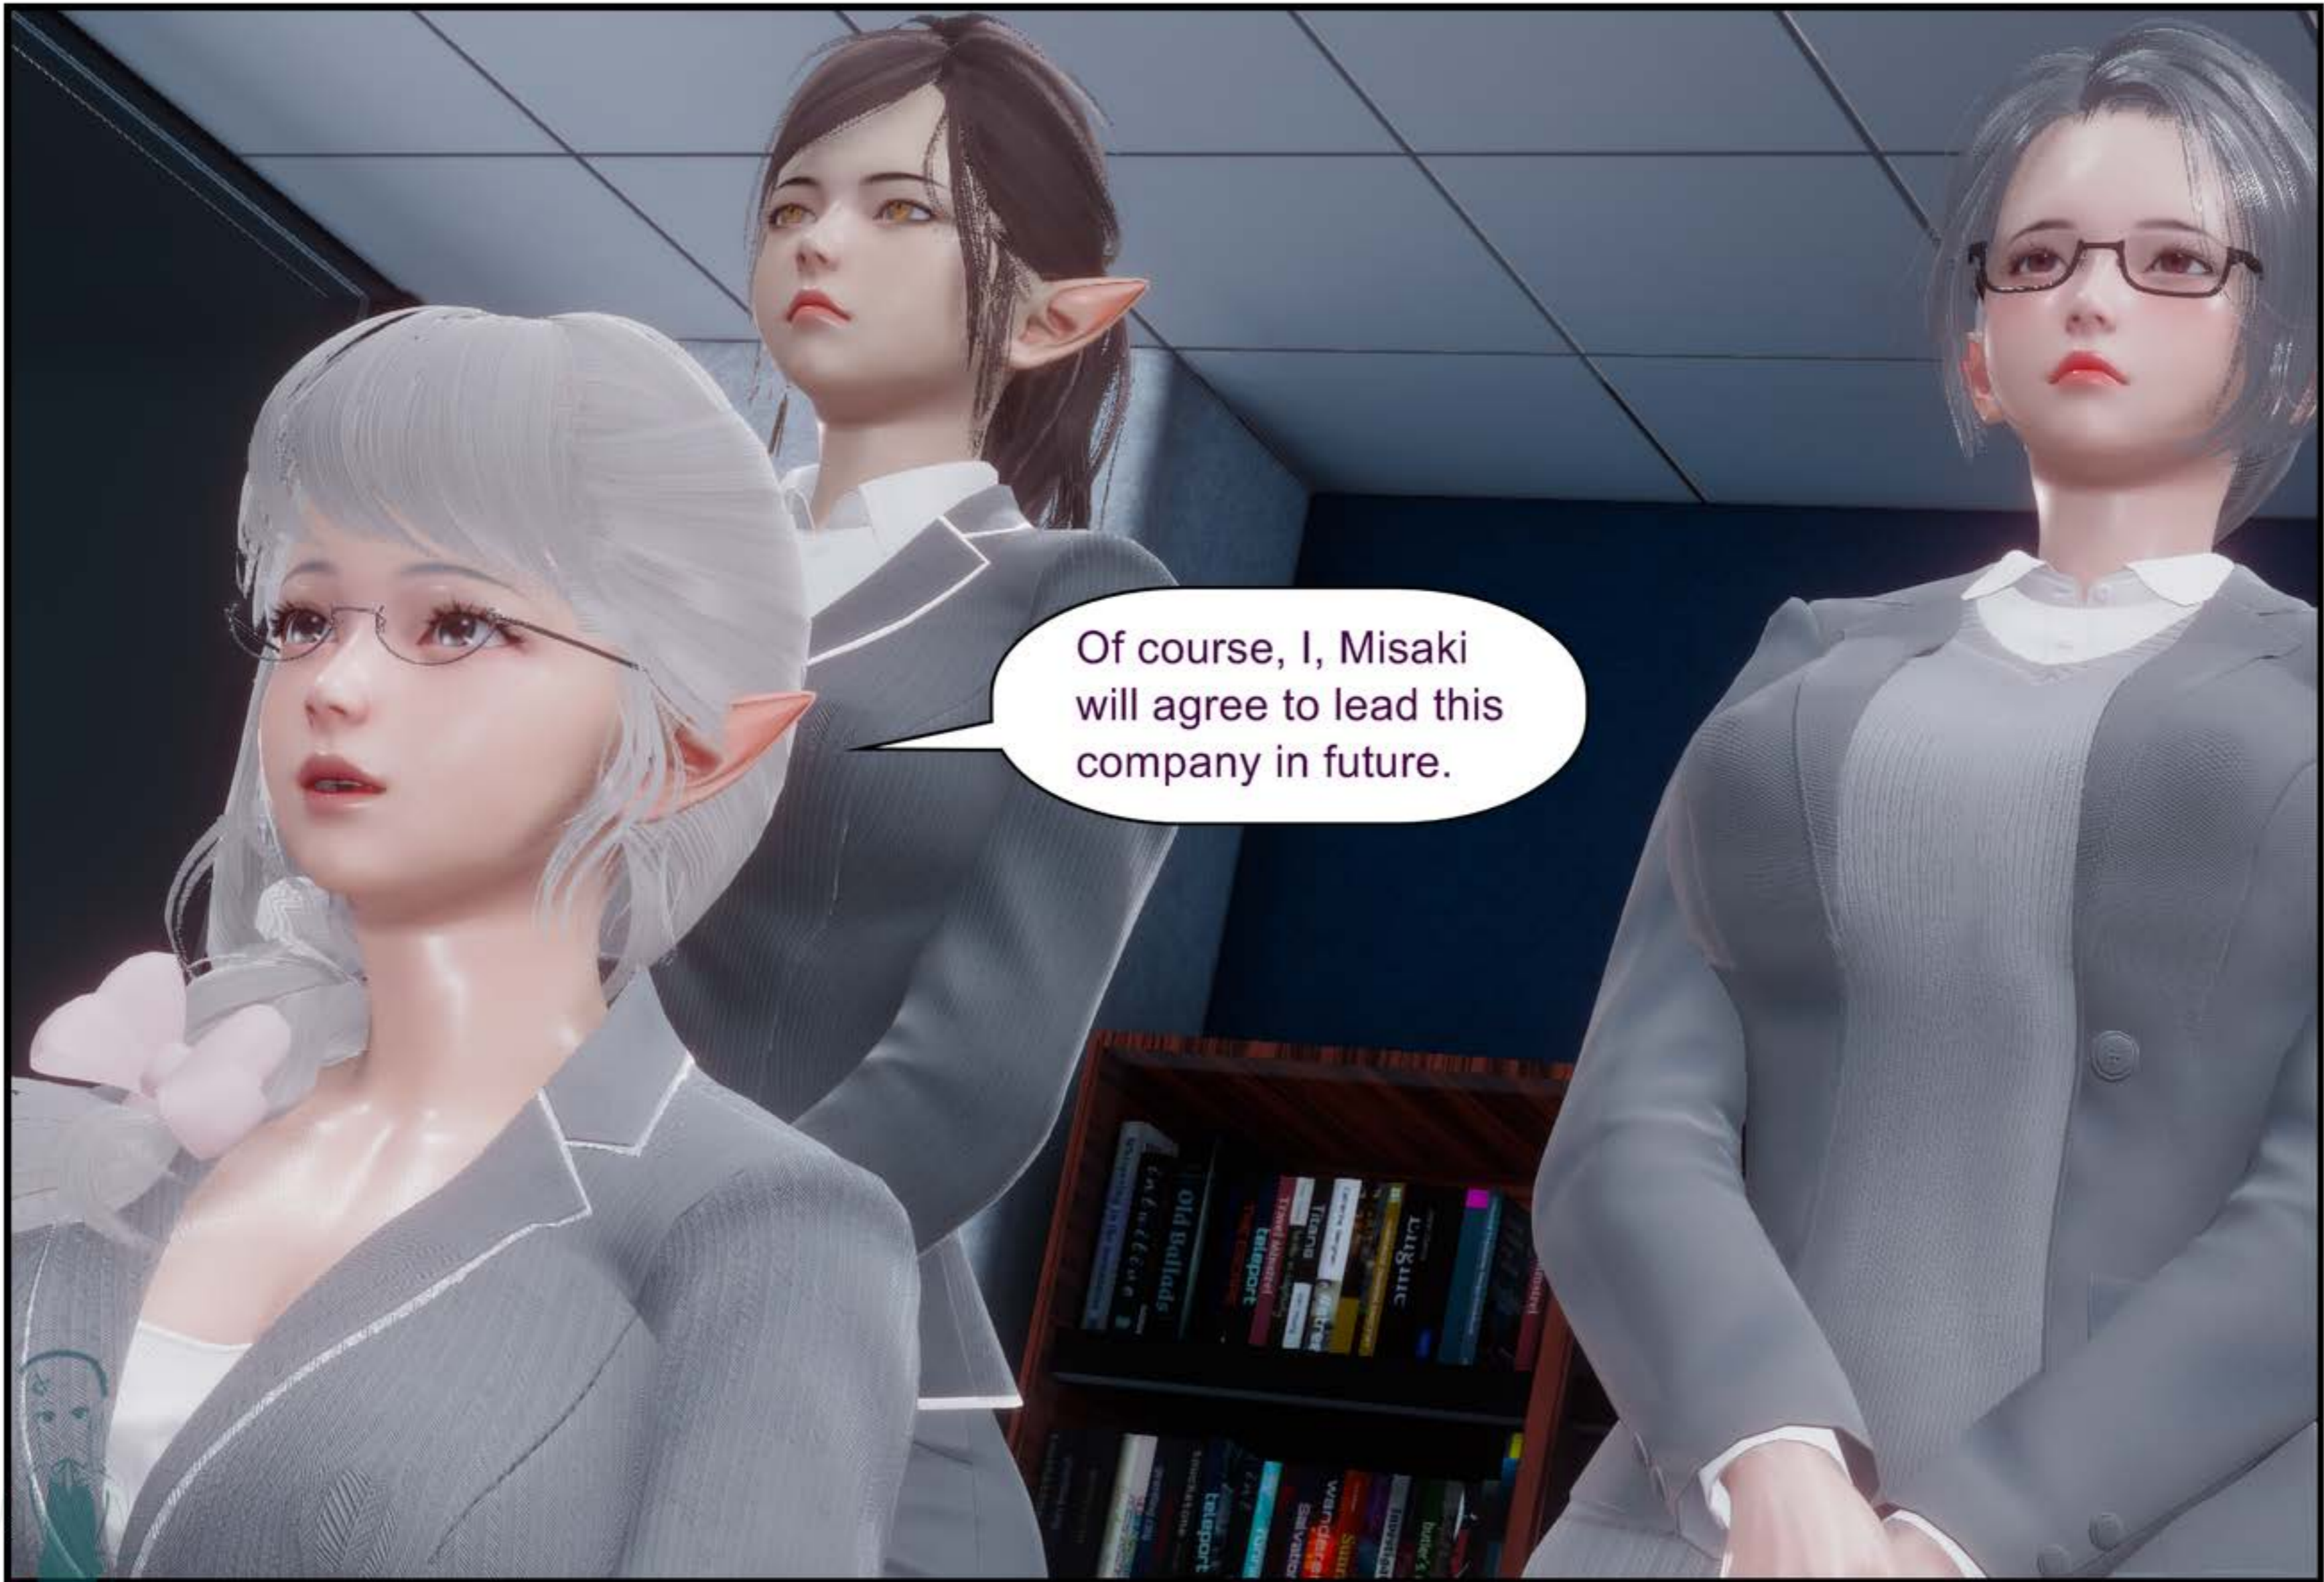

...About what our company is facing, and missing a leader.

Yes, I'm temporary
in charge for now.
But if you have
thought through...

Of course, I, Misaki will agree to lead this company in future.

"Heh.. This seem
to be more exciting
than the previous Boss."

Then, from this moment, you are our leader...

Yes, and before that, I want to make some changes for myself.

The two positions
represent the face
of our company will
be replaced...

…for my two assistants here.

Please wait, Ms. Misaki...
This will have to go
through some procedures...

I made my decision,
and the Council already
accepted my request.

If you precious
those two so bad...

...Then your position will need to be changed too, Ms. Maki.

I'm sure that you,
a 8 years of being
Assistance Manager...

...is going to give her right decision for herself, and for the whole company.

Due to... some changes
in the company, I
want to announce that...

Don't you worry,
just say it out.

...your position as
the Director, will
be replaced...

...and Ms. Misaki's
assisstants will move in...

...the decision has effect from this moment.

"This is... the hierarchy system in the company?"

This isn't fair! I worked so hard just to be replaced!?

This is
oppression!!!

If you want to
filed for complaints...

Then, I would like
to recieve it. If not,
please leave.

"Seem like... everything not getting very well."

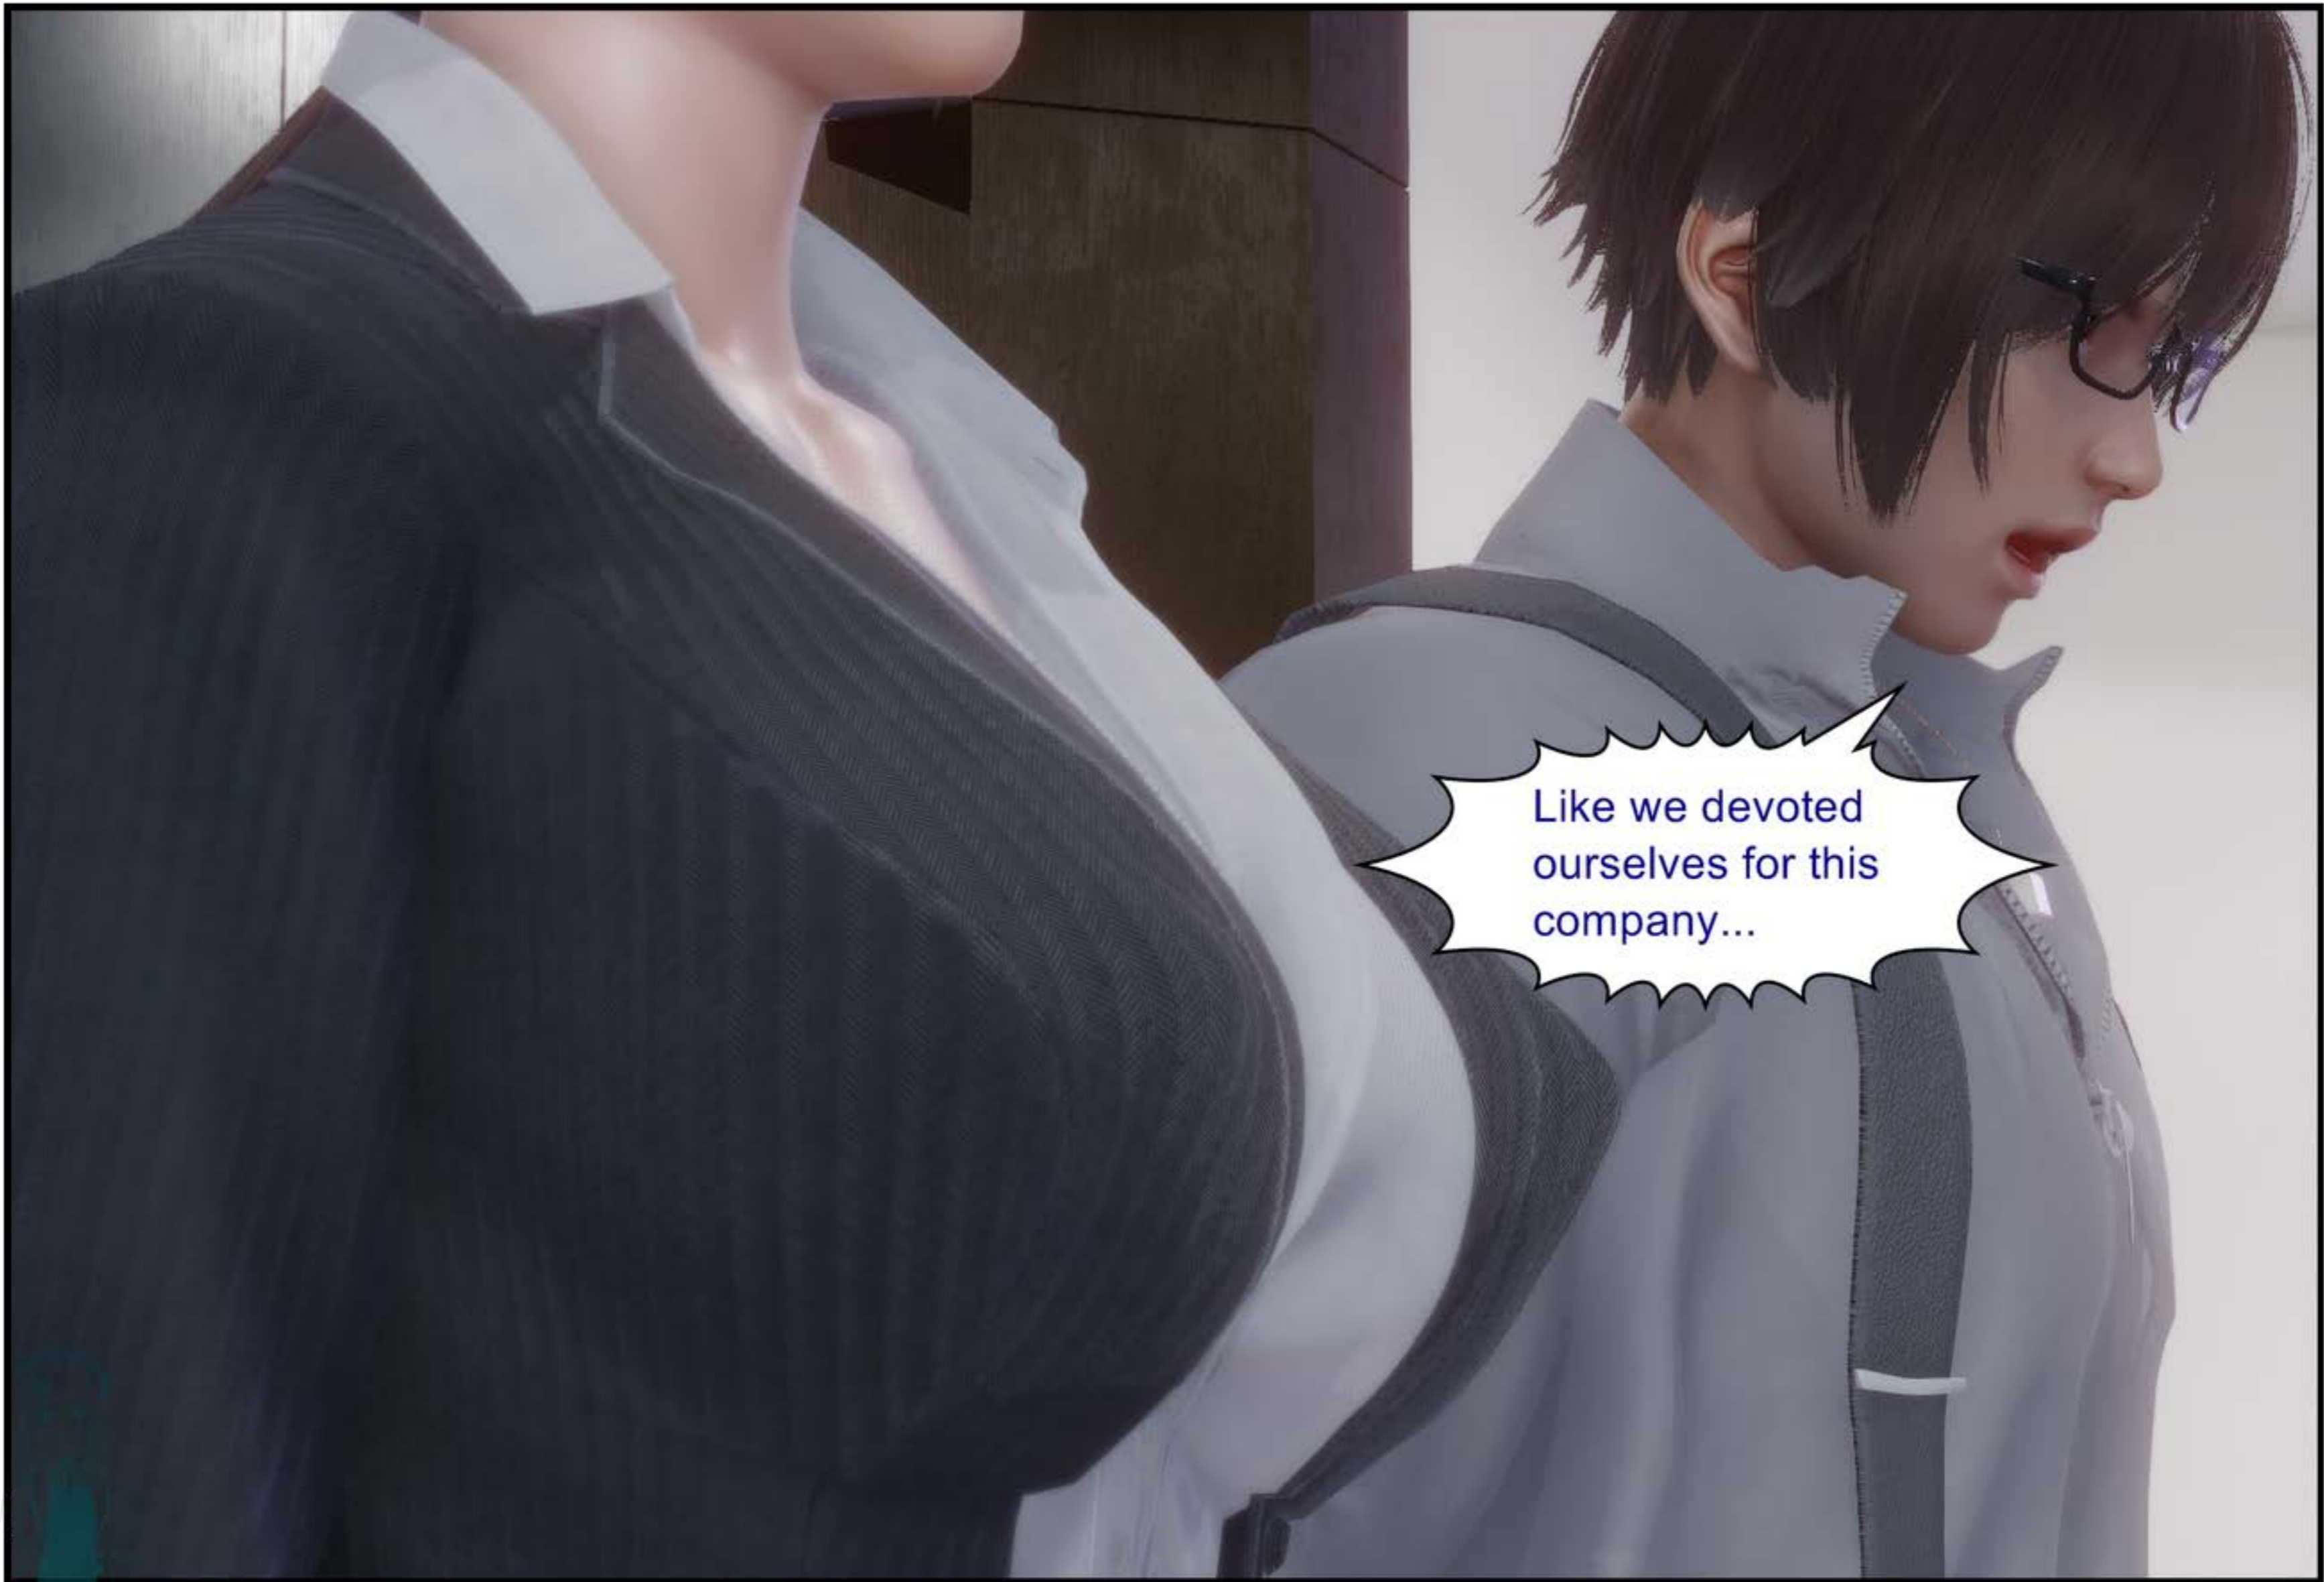

"But for me, I have a different plan."

I can't believe...
that she replaced
our position!

Like we devoted
ourselves for this
company...

Let's calm down
for a sec, maybe
we could figure
something out?

If you agree to be my ally, I will tell you a secret.

Of course, in
a more private place.

This should be
privacy enough...
then?

Let's have
some fun.

W-What...?

Surely... You
have no patience
at all...

Now, what secret
you want to tell me?

As I said, we can use this way...

A scene from a video game. On the left, a character is shown from the back, wearing a realistic, skin-like suit. On the right, a character with short black hair and glasses looks at the first character with a surprised expression. A speech bubble points to the character with glasses.

K-Kyouka...? You were... in a skinsuit!?

Yes, there is magic
in this fantasy world.
Why don't you try to
put her on?

So... that knife...
it could turn a
person into skinsuit...

Incredible... I
can't believe it
with my own eyes.

And of course, if you agree to with me...

We... are going to take over this whole company.

I only wanted to
take back what's mine...

We can't let those
elves do whatever
with their power...

To be continued?

If they think they
were better than us,
then wrong!

To be continued?
