"Please stop... Don't leave me here!"

"Nobody notices me. I'm so screwed!
How? How did it come to this?"

Subsin13

Subsin13

"Guess I won't be
getting much last
minute shopping done.
Should've known

"Oh, shit!"

"Not like my husband cares about the holidays, anyway. Maybe I'll get the best gift of all, and get news that he fell out of his 20th story office window."

"Nooo!!!"

Subsin13

"God, no!!!"

Subsin13

Smush

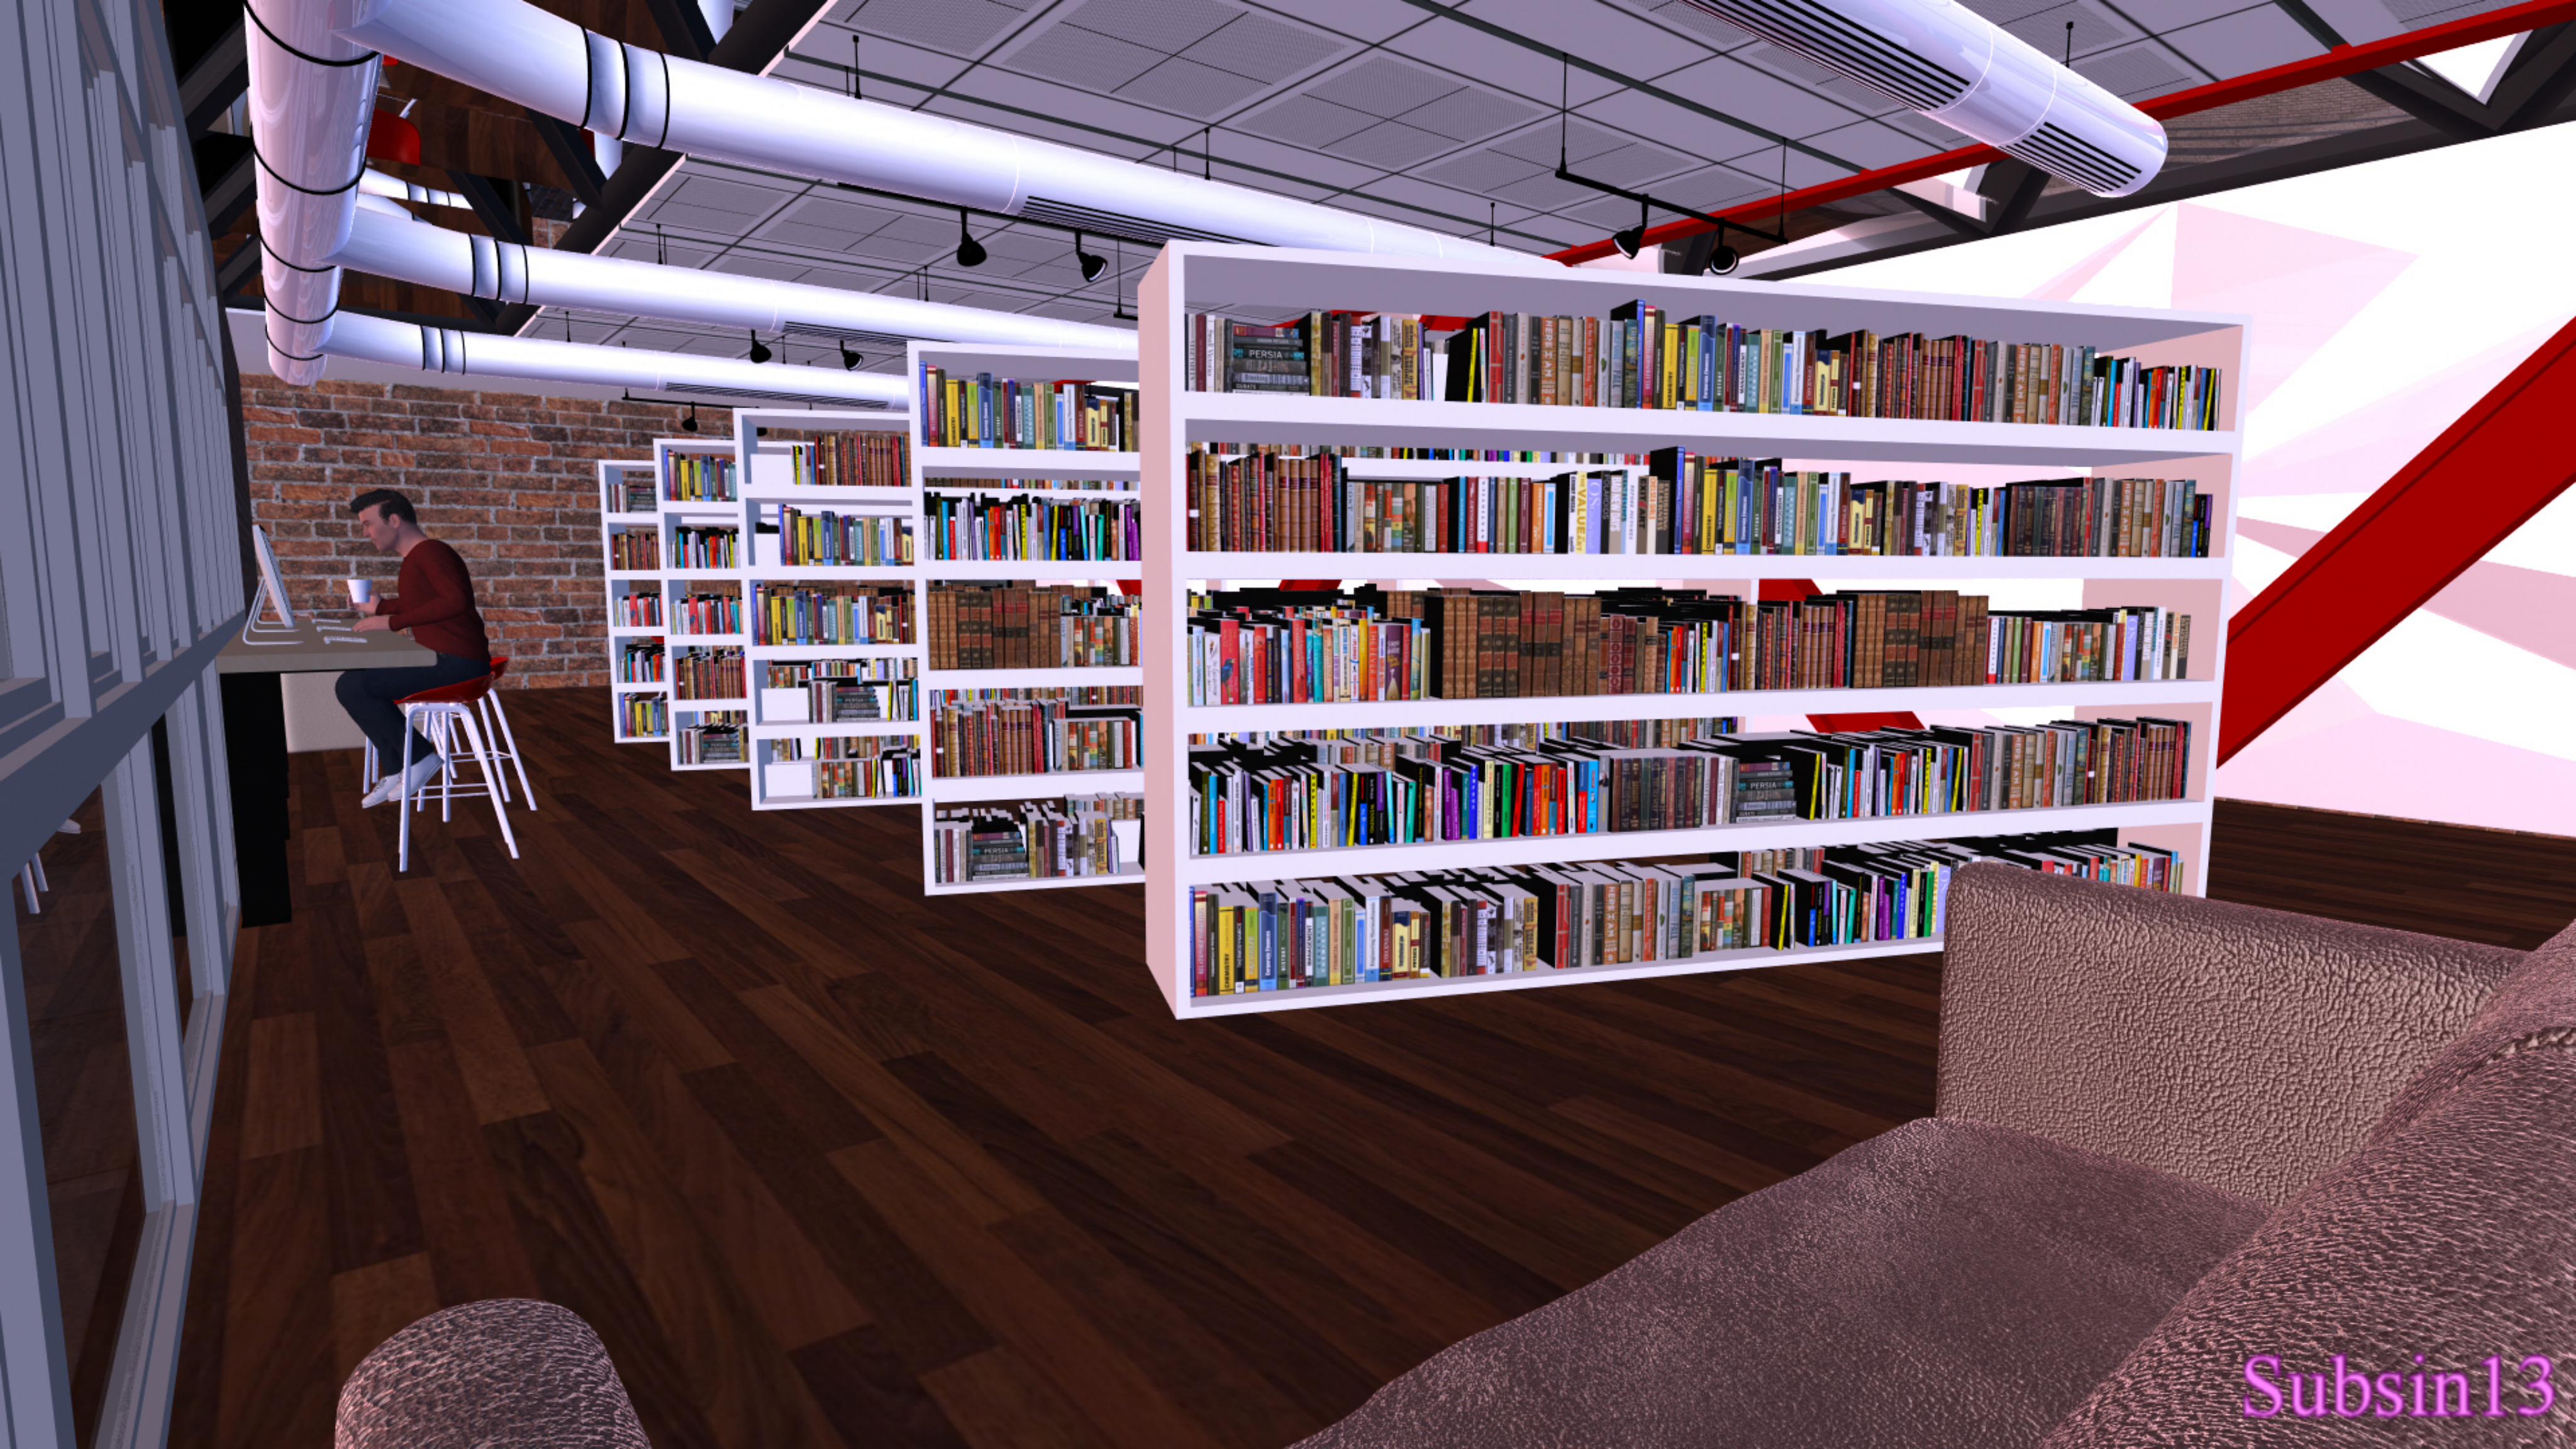

Subsin13
