

Good Vibrations

Warning: contains slightly intense popping

“Mmmmm... O-Oooh yea...”

Mara lay sprawled across her bed. Not a single piece of clothing covered her naked body as she breathed and worked a finger around her clit. It didn't take much for her own fluids to lubricate her digits and coat her inner thighs. She quivered with anticipation from her clenching body. Ample breasts squished between her biceps as she stretched and let the pre-orgasmic waves wash over her.

“Ok...” she panted, feeling heat rising from her cheeks and cleavage, “I think we're warmed up enough.”

A pristine box sat on her nightstand. It had been unwrapped just enough to where Mara needed only reach over and pluck her newest toy from its velvet bed. The device was long, curved, and silver like something out of a sci-fi novel. Features listed on the box boasted its ability to stimulate a woman with fulfilling pleasure either from the outside or inside. Mara couldn't decide which method to try first.

BZZZZZZ

A button on the vibrator's handle brought it to life. Vibrations tickled her hand and made excitement flourish within Mara's core. Feeling herself dripping with anticipation, she brought the smooth head between her thighs and pressed it against her clit.

“Auugh!!”

Lightning coursed through her body. Mara's legs clamped around the toy and secured it in place, knowing her shaking hands weren't up to the task.

“Oh that's good!! Oh GOD that's good!!”

It felt as though a thousand tiny tongues were showering her crotch with attention. The toy vibrated in such a way that it confused her pussy in a whirlwind of pleasure. Heat blossomed at the back of her head and she arched her back. She could feel her F-cup breasts shaking in rhythm, wobbling back and forth like mounds of pudding. Each nipple flared and stood tall when goosebumps spread across her body in warning of an orgasm.

“AAahhhHHH!!!”

Mara threw her head back and lifted her body into a bridge. Every nerve ending tingled while she waited in pleased paralysis.

“M-MMMM!!! MMMM!!!” She couldn't help but purse her lips and whimper against the forces. The vibrator's efforts drove rivers of heat into her crotch. These sensations traveled up her body where they settled in her breasts as if they were reservoirs of ecstasy. It continued to build throughout the length of her orgasm, the heat becoming so intense it felt as though her breasts themselves were gaining weight.

Finally, the orgasm ceased. Mara relaxed like a puppet being cut from its strings. As she opened her eyes, however, she found her heartbeat unable to slow.

“W...What...?”

Mara blinked several times. She knew the shape of her bust very well. Her breasts always laid flat and to the side of her chest when she was on her back. They were different now. She stared in confusion at their rounded shapes and increased firmness.

“They’re...*bigger!*”

Her hands slid up her abdomen to grope them. Two additional cups-worth of flesh filled her grasp. She’d always been big, but these were plainly enhanced. The vibrator continued its work between her legs and dryness overtook her mouth with anticipation.

“There’s no way. There is no way this toy could possibly...” she whispered, watching her swollen bust move up and down. She didn’t want to get her hopes up, but suddenly being unable to see over her breasts was difficult to dismiss.

With giddy haste, Mara grabbed the vibrator and held it against her sopping crotch.

“*Mmmm... N-Nnnngh!!*”

It was still sensitive from her earlier orgasm. Normally she could never bear to stimulate her clit again after such an assault but her curiosity was overpowering.

BZZZZZ

“*Nnghh!! O-Oooohh!!!*”

An orgasm was faster to come this time around. Heat welled within her like a geyser preparing to burst. In a vast river hidden within her loins, the warmth gushed into her chest until Mara felt like a cork was ready to pop inside of her.

“*AAUUUGH!!!*”

Sweat poured down her face as her body endured a second orgasm. It wasn’t used to such a small break in between releases. Mara paid her fatigue no mind, however. This time, she watched her breasts intently.

SWEEEEEEELL

“*A-Ahh!! Oh my GOD!!*”

Her tits bloated outward. Their weight increased like water balloons on a faucet.

“*They’re growing...! My boobs are growing!!!*”

As if something were inflating under her skin, Mara’s watched her breasts expand in all directions. Their naturally-flat shapes domed upward into hemispheres. The space between them closed like a pale canyon coming together. Within seconds she found herself more than doubling her original size. Generous melons heaved on her torso with enough girth to dwarf her head.

BZZZZZZZ

The vibrator reminded her of its presence. Mara swallowed.

“This toy... I-It makes my tits grow when I come...!”

The possibilities were endless. Having to guide her hand blindly, she grabbed the vibrator and spread her legs. It slid into her pussy with little resistance before the flared handle bumped against her pelvis. It could go no deeper.

BBBZZZZZZ

“OOOHHHH YES!!!”

A muffled buzzing came from her belly button. Mara squirmed against its penetrating power. Every inch of her pussy screamed for a final release. Edging herself closer, she sank her hands into her chest and squeezed. Skin bulged between her fingers and swallowed her palms.

“It feels so...good!!! I LOVE BEING THIS BIG!!”

Heat flourished. Pushing her body to its limits, Mara mentally prepared herself for a third orgasm, and possibly a fourth, fifth, sixth, or seventh.

“M-Make me big... I want...to be huge!!!”

Her mammaries jiggled with firm ripples and burned against her palms.

BBZZZZZZ

“Aaaaauughhhhh!!!”

Mara’s mind exploded from orgasm. Staring through the hair fallen over her face, she watched her breasts surge. Forces pushed against her skin from their centers. Try as she might, she could not keep them from pushing her hands outward.

BBBZZZZZZ

“M-MMMNNNGGGGGHHH!!! Hooly shit!!!” Mara nearly fainted when the toy drew another orgasm from her before the previous onslaught had time to finish. The waves of pleasure doubled into crashing monsoons. She would have felt like she was floating if her breasts weren’t so heavy. No move was made to remove the vibrator

“MMMMMM BIGGER!!!” she demanded.

BBBZZZZZZ

Tugging and twisting on her nipples, Mara encouraged her growth. Her vision turned blurry as if the vibrator was shaking her entire body. Flesh overflowed her torso and bulged around her arms. Gasping for breath, Mara found herself tilting her head upward so as to not pass out from the engulfing heat of her cleavage. It swallowed her neck and chin before shooting toward the ceiling in a line of engorging fleshy mounds.

“M-More!!! Oh make me blow up!!! My tits are like BALLOONS!!!”

SWEEEEEEEEEEELL

Skin stretched against her hands. Mara’s eyes fluttered open after losing count of her orgasms. She was surprised to find herself unable to reach her nipples. A pile of flesh over two feet high had come to bury her torso. Her arms could hardly reach halfway around their forms.

“O-Oh God... Holy shit I’ve gotten big...”

The first signs of common sense were coming back to her. Finding it hard to breathe under her new weight, Mara felt as though she were pinned to the bed by two weighty bean bags. Flesh extended in every direction to the point of reaching the edge of the mattress.

STRREEEEETCH

“N-Nnngh... O-Oww...”

Mara winced when she felt her skin tighten and pull. It was nerve-wrackingly firm against her fingers and refused to indent. What she could see of her nipples told her they were puffy and swollen with areolas domed and shiny.

BBZZZZZZZ

“O-Ok, that’s enough I think...” Mara’s heart fluttered. She was still growing from the past several orgasms but her skin was having difficulty keeping pace. The bigger she grew, the tighter it stretched.

STRRRREEEEETCH

“Nnngh!! A-A-Aahhh ok that’s enough!!”

Pale veins arched down her tits. She could feel them throbbing with pressure.

BBZZZZZZZ

“That’s enough!!” Mara went to withdraw the vibrator from her crotch, only for her heart to sink; she was unable to move. The sheer weight and expansive mass of her chest had her pinned to the mattress. Her arms were unable to reach their destination. Feeling the toy buzzing between her thighs and creating another wave of heat, Mara grew worried.

“N-No... Please, don’t make me come again! I don’t think I could take--”

BBZZZZZZZ

“M-Mmmngh!!” Mara grunted. As much as she dreaded what may come, it was impossible to resist the toy’s efforts.

STTREEEEETCH--CRRREEEEEEEAAAANK

“Aahhhh no no no!!! Ooohhh they’re starting to ache!! I can’t stretch much bigger!!”

Mara panted. Moisture ran down her cleavage. Her fear wasn’t powerful enough to overcome the heavenly buzzing against her clit and inside her crotch.

“I-I don’t think I can handle another one!!”

BBBZZZZZZZ

CCRREEEEAAAANK!!

“Ooohhh I’m gonna pop!!! Don’t make me burst!! Please don’t make me burst!!”

BBZZZZZZZ

CRREEEEEEEEAAAANKKK!!!

“M-MY BOOBS!!! They’re...nnngh!!...too...FULL!!!”

Mara squirmed and wiggled. It only made her dangerously-tight skin heave and creak. Heat poured from her pussy. Soon the vibrator would push her over the edge. She could only resist it for so long.

BBZZZZZZZ

CCCRREEAAAANK!!

“Nnnghhh!! Oooohh nooo!!! OOH GOD!! I-I’M GONNA COME!!! I’M...I’M GONNA POP IT FEELS LIKE!!!”

BBZZZZZZZZ

“AAUUUGHH!!!”

Mara’s hands clenched into fists when a final orgasm rocked her immobilized body. It shot up her frame before settling in her chest. She watched with panting fear as her cleavage groaned and gurgled in front of her face.

GRRROOOOAAAAAN

“O-Oh no!! NO NONONONOOOO!! No I’m too big as it is!”

Flesh stretched like latex until veins shown vibrant and proud.

“AHHHHH I’M GOING TO EXPL--MPPHHH!!!”

Her cleavage engulfed her head in a skin-tight embrace. Breasts bloated to massive globes, they quivered with unmaintainable pressure.

GRRRRROOOAAAAAN!!!!

Mara tried desperately to move. Her chest wouldn’t give her an inch.

“MMMPPHHHH!!!”

KA-BLOOOOSH!!!!

Mara’s breasts expanded past the point of no return. In a shower of heated goo, the room was doused in a coating of clear slime. It dripped from the walls and ceiling in silence, accompanied only by the buzzing of an abandoned vibrator on the bed.
