

You'll lick it off me, right?

Please let me lick it...♥

Stareee♥

(Fhv) (Fhv)

You're a very slutty toddler, not afraid of an erect penis, but curious and rutting in front of it. I want to have sex with her as soon as possible, but sex education is important... Patience, patience...♥

Exteeend!

It was a nice, childlike greeting, but... not quite ready for sex.

You have to be in heat from being sprayed with cum before you can have sex.

Starev

(Fhv) (Fhv)

When your dick feels better, you'll cum on it, right?
