## *"Devilish Blues Run in Cmaj - Patreon Lick of the Week for 3/7/16*

One of the easiest ways to diversify your lead guitar playing is to learn techniques that blend two or more scales and/or positions. This week we will tackle lick that utilizes the minor pentatonic and major scales and a variety of embellishments included slides, slight-bends and vibratos. Let's get started by learning our scales!

### Source Scales:

#### Minor Pentatonic Scale in C (standard position) & Upper Extension:

E	-----8-11- -----11-13-
B	-----8-11----- -----11-13-----
G	-----8-10----- -----12-----
D	-----8-10----- -----
A	-----8-10----- -----
E	-----8-11----- -----

#### Major Scale Key of C:

E	-----7-8-
B	-----8-10-----
G	-----7-9-10-----
D	-----7-9-10-----
A	-----7-8-10-----
E	-----8-10-----

With your Source Scales Practiced and Memorized, Let's tackle your lick of the week!

E	-----8-----8-(10)/13b-11b-----
B	-----10-----10-----10-----13vv---
G	---9---9---9-----
D	---8---8-----
