“You just had to piss them off huh!?” The anthrophonic wolf girl snarled as she backflipped from a claw swipe from the female Werewolf in front of her. Her chinses combat dress fluttered with her footwork. Her large bushy cream colored tail swiped in the air as she gracefully landed. Her lilac colored eyes shined with amusement but mostly annoyance as she glared at her ally. Her short, neck length hair flowed freely save for the bang hanging over her face. Her dress floated up to show the bulge of her, or in this case *his*, testicles as she landed gracefully on the ground.

“Tch! Like I was going to let some filthy dogs have their way with me! BURN!” The dark elf in an alluring pitch black crop tight that covered her flat chest with vialded puffy sleeves. His wide, flaunting hips is the white decorative cloth in the front of his groin. And the thin thong, barely holding in the bulge in his crotch. Looking more like a sultry dancer than a powerful fire mage from a noble family.

“Less bitching more fighting!” The lovely knightly woman with a long flaming red ponytail snapped at the two boys before summoning a blade of blue light to parry the claw slash of the smaller werewolf girl, knocking her back and blocking a heavy slash from an alpha werewolf. Taller than her, the dark furred woman licked her maw as she hummed. Though the so called armor she wore did nothing to hide her curvy hips hidden by the tights and short skirt.

“You should have taken our offer cutie! Though I can’t say I don’t like breaking in bitch boys like you.” The alpha werewolf woman snarled as she licked her muzzle. Her leather bra and loin cloth being the

only thing that covers her full, figured body. Though the simple loin cloth did not do much to hide her steadily growing erection between her legs.

“You know, I wished that wasn’t the fifth time I heard that come on this week. Nao! DO IT!”

The young boy shouted before jumping back as blast of light sent the werewolf flying back into her pack.

“Damn these’ monsters are tough.” Dressed in skin tight black and red leotard, the young Taimanin dropped from the trees. A then tail wiggled out from behind his lovely hips while his snow white hair framed his face. A small charming visage that not even the most stunting of models could replicate. it is marred in a worrisome frown as he watched the alpha wolf and her pack stand up from the blast of his gun.

“Tougher than demons that’s for sure.” Nao said as he reloaded his light gun.

“Pfft. You call these whores tough?” Marley snapped his fingers. “It’s nothing but a bunch of bitches and their boy toys. Doubt they could even make our own bitch squeal.”

“Yeah, you were not saying that when we first met.” Hao chuckled under his breath.

“Marley. Please stop provoking them.” Kedeas sighed as he could feel the heated glare from the alpha wolf go through him and right at the mage.

“Tch! You’ll be the first one to gag on my dick!” The woman roared as she sharpen her claws. Her packmates, or to be accurate her harem of lovely werewolves howled behind her. All of them alluring, attractive women with wide hips, and cute faces. Though calling them women is only half right as all of the women in the harem are effeminate males. Each one is as cute and womanly as the next as the only real way to tell their gender is the hidden lumps under their loin cloths.

“I’d like to see you try you limp dick tramp!” And Marely challenged back with a fire ball in each hand.

“Get them!”

ACTION!

“I’ll turn you whores into my cock sleeves!” The alpha wolf woman cackled as she dashed across the forest. Her blinding speed surprised the young man as she suddenly appeared in front of Hao with her claws glimmering in the light of the summer canopy.

Alpha w rolls to attack with howling rush Roll:

“Whoa!” Hao grunted as he guarded against the woman’s sharp claws with his arms. Though her laceration grazed his arms, it really hit their real mark being the bottom of his combat dress. Slicing his spats underneath, letting his cute round ass show to the world and his cock, cutely nestled into its sheath, poke out from the tight clothing.

As the young martial artist took a step back to recover from the blow, the alpha set her sights o Kede. Bounced off the tree she tries and flank the young man from behind. Getting a tasty look at his pale, lovely tush while she was there.

Roll: Result: 16

Hit. Kede takes 8 damage.

Kede saw her try to strike him and summon his blade to counter. Swinging in a wide arc, his bright blue ethereal sword sadly only cut the air as she ducked under his swing and slashed at his crotch. The blow knocked him back, but her sharp bladed nails did the job and cut away

While Kede quickly stood up from the blow, the alpha turned her sites towards the Taimanin. Seeing the lustful hungry glow in her eyes, Nao aimed his canon at her as she rushed towards him.

Roll: Result: 16

Hit. Nao takes 8 damage

Noa fired off shot after shot of light bullet so deter the wolf woman. But she ducked through the spray. Tilting her head just right to barely avoid the shots before zipping past the young taimanin’s guard. Tripping the young Taimanin, knocking him off his feet before slashing down the front of his Taimanin suit.

Nao was above to recover, spinning in midair to land on his feet. But his face flushed red in embarrassment as his cock, small and flaccid, bounced in the warm summer air. Hairless it twitched a little from the adrenaline running through his body and the hungry stares of the other werewolves salivating at seeing his ass and cute dick.

With the taimanin trying to cover his shame, the alpha set her sights on Marley.

“Tch! Like hell you will!” Marley said as he conjured a fire ball in his hand.

Roll: Result: 15

Hit. Marley takes 8 damage

However the alpha is still too quick, high on her lust and eagerness to turn the mouth elf boy into her personal slut. She slide under him and slashed at his groin though the young man only felt a passing breeze.

“Ha! Ya miss bitc-“

only for him to see her twirl his thong on her finger.

Looking down the young mage can see a bulge poking from his dress and a cool breeze between his legs.

“Heh heh. You all will be worshipping my dick soon.” The alpha reared her head back and let lose a deafening howl. Her lowly betas cowered in fear at her roar of dominance that shook the forest.

“Hey, let go of me!” Marley snapped and struggled against the wolf woman's strong grip but pause in his flailing as he felt something glide along between his thighs and throb under his unaroused shaft. Left the bottom part of his dress, the wolf woman's massive red dick beat between his legs. Larger than his own cock, which is slowly becoming erect from the sweltering heat coming off of it. It humming with dangerous lust as it throbbed between his bouncy ass. Smearing his twitching pucker with pre-cum that oozed from the tip of her cock and playfully poking at it.

“Told ya you'd be the first to choke on my dick~.” The alpha hummed as she reared her hips back.

“You-haa~!?” The squeal of a true whore ripped through the forest as the alpha shoved her cock deep into the young man's ass. Her shaft creating a large bulge in his belly as she began thrusting like made. Pumping her hips into him, her knot crashing through his sphincter as his cock shot up in arousal. Hard and lustful, betraying the glare in his eyes as the alpha pulled back on his arms and started slamming up into him. Getting his own hearty cock to bounce in time with her thrusting.

Marley's shaft bounced defiantly against his heat glare at the alpha who enjoyed his restrained moan. His shaft flicking hearty drips of pre-cum while the alpha used his rear like a fuck hole.

“Hey! He may be a pain in the ass but buzz off!” Hao snapped as he charged at the alpha.

“Not so tough now are ya?” Hao chuckled as he took a fist full of the wolf woman's hair and started slamming his hips away at her. His cock made her gag a little as she sent a nasty glare at him while his had a hard grip on her hair. Thrusting away at her face with a cocky sneer.

Though her cock still throbbed in delight at the stimulation. throbbing as the wolf boy knotted pecker slammed down her gullet. Though girly in appearance his shaft is far from it. Still not bigger than her own, his cock is still large enough, larger than her betas, to make her choke even a little. His weighty balls felt good snapping at her chin and the dominant growl from him made her submissive instincts purr.

"Fgggaaahhhh~!!" Hao moaned as, while not bigger than him and far smaller than the alpha, the young pup's cock is tail a good size to stretch his sensitive pucker. The beta wolf, happy to tick his dick into someone else besides having his mistress happily plow him into the ground, held nothing back as he began slamming his shaft into Hao. Get the young wolf to moan a little as his cock pushed deeper into the alpha's muzzle who, while glaring at her Beta for making her situation worse, did not deny herself a testing lick around the young wolf boy's cock.

Sliding her tongue along the length as it passed by her maw. His cock bouncing happily at the thick, musky scent tickling her nose. Though she will be sure to give that beta of her a particularly hard anal reaming later, it is not so often she can have such a lovely cock in her own mouth.

"H-Hey!" He struggled to get the one that lifted him up from behind, it's large meaty knotted cock poking at his ass, while the other grabbed his hair. Poking his cock at his full lips, the beta tease him and himself by rubbing the curved head of his cock around the former demon lord slayer's womanly lips. The warm feeling and deep musk made his modest cock stiffen under him in arousal.

Though Kedea kept his mouth shut, the wolf boy behind him pulled him back on his arms and rammed his cock inside him with little fanfare. Thrusting and humping like made, the beta moaned sweetly at how lovingly tight Kedea's ass it. Squeezing his member in an impressive vice that is tighter than his alpha's hole. He drooled and moaned while he slammed his hips into Kedea's shaking tight ass.

Hilt and all, both shafts stuffed the demon lord slayer on both ends. Shorter than him, they forced him on his hands and knees to really start hammering away at him. His cock slapping upwards to tickle his stomach as the wolves held nothing back.

Finally, being able to stick their cocks into someone else, unrestrained the wolf in the form took a hard grip of Kedea's lovely red hair and pushed his knot past the young hero's luscious lips. Pumping his shaft down his gullet while his testicles smacked at his chin. All the while Kedea's cock betrayed his struggling as it only grew harder with every thrust.

Being grabbed and forced to worship the ball sacks of minotaur. Having lizardmen bend him over anything and go to town on his rear. Sometimes losing duels that monsters would ask from him just to get his rocks off.

Kedea could not deny his affection for canine cocks as well as he started bobbing his head back and forth along the shaft. In time with the beta's frantic hips roaring in his face, the young demon slayer's tongue slurped and sucked along the length as it slides in his mouth.

"Heh told ya this one would love a good dicking." The girlish wolf chuckled as he relaxed his thrusting and let Kedea work his mouth over his cock. The hero keeping his eyes glaring at the wolf as his head twisting around the shaft to lick and slurp at the musky member.

"Oh enjoying yourself?" The beta behind him chided with a quick spank on Kedea's rear. Getting a cute moaned from Kedea.

"J-Just shut and ngh cum al-haa~!" Kedea's heated glare meant a lot less as his tongue willingly trailed up the shaft as it is pulled out of his mouth and his cock fired off another gooey string of his cum. His shaft shuddering and sputtering his seed while his body shook with delight.

His hand digging into the rear of the beta wolf slamming into his face not out of anger or trying to push him away. It was to actually bring him closer in his mouth as he moaned and shuddering bliss. Her body

slowly but surely giving out on him as the lust began to cloud his mind. His body rocking more into the wolf hammering away at him with the wolves grinning at Kedeas slowly giving into being their little fuck toy.

The pleasure is too much for him to even move as the beta’s clearly know how to break someone. Their cocks hitting the right places in his rear to make his dick happily twitch and jerk in delight of her movements.

The wolf in his mouth took his shaft out of his sweet lips. The sticky spit coated cock clung to his face as the beta smacked his panting visage with his messy cock. The Demeaning and rude the action however is clearly meant to entice the taimanin as his hips road the motions of the beta ponding his rear into the ground. The beta slid the length of the cock along Nao’s visage before resting his quivering sack in his mouth. Forced him to suckle and crease the testicles while the other wolf continued to slam down into him.

The Taimanin’s only solace is that he isn’t dealing with the alpha. If this is how her beta’s fuck, he does not know if he can last too long against her.

Pulling his long hair back as she railed relentlessly in him. Her hips into him harder enough to make his own thrust inside Hao even harder than before as they crashing into her bitch boy’s hips in a blur of frantic lust crazed movement.

“You still my bitch!” The alpha snarled as she gave a hard disciplinary slap on her beta’s ass.

“Hiii~♥!” And snapping his thoughts in the process. The feeling of his mistress’s cock, its knot crashing into his rear, making a mighty bulge in his belly made his eyes roll in the back of his head and fire off a thick, viscous blast of cum inside Hao who climaxed as well. His own cock shooting off an impressive load, far more the beta spilling in his asshole.

Both effeminate boys moaning the cheapest of whores as they fired honey thick, viscous cum. Hao’s shaft bouncing up in the air while his rear oozed out the seed of the beta’s sputtering cock.

Thoughts of the alpha pining him to the floor and having her way. Her meaty cock ramming away at him while she demean him and treating him like her personal cum depositary.

"Her dick is so tasty. Way bigger than mine~" Humming the beta as he watched Kedea give a hesitating but tender kiss to his cock. As it slid completely out his mouth. The beta in front of him slowed his throat running thrusts but Kedea's lust made him eagerly suck and lick at the long shaft as it pulled away from him. His tongue giving succulent long slurps up the red, shuddering length.

"You can have all the did you want~..." The beta teased Nao's neck with dominate nips on his collar bone as he rutted inside the young taimanin's rear with grand fever. His smaller testicles slapping at the cute young man's tush as he is pounded into the ground by two cocks at once.

The other beta took his shaft back out of his mouth and rested his ball sack on the boy's full soft lips. forcing him to kiss and choke on them as the beta jerk his knotted prick up and down. “How about a taste of your own medicine ya little bitch!” Hao barked in frustration as he tried to grab the wolf’s arm.

“Whoa!?” But tripped over a branch. Clumsily, Hao fell over on his back. Allowing the beta to pin him on the ground and raise his legs in the air. While the beta looked down at him with a lustful, hungry gaze. The girlish wolf boy’s knotted cock, the same healthy sizes as Hao’s glided along the martial artist’s prick before teasing at his cum dripping asshole.

“Umm...best two out of three?” Hao joked nervously, his ears flattening on his head in worry.

The beta merely smirked and pushed his cock into Hao’s rear and began slamming down deep into him. The beta leaned over and grinned his whole shaft deep into Hao. Gritting his teeth at the tightness of the wolf moaning under him even though his rear is filled with his pack mates cum that squirted out from Hao’s ass with every rampaging thrust.

“Ah~! Th-That’s good~!” Hao moaned with a held back smile at being filled once more with cock. His own red knotted prick is far happier than him as it bounced against his stomach and leaked on his chest.

The wolf happily drooling as he slammed in Hao, enjoying the natural bottom's rear with his own plush round butt bouncing with his movements. His tail flicked in delight as he slammed down into Hao mewling form.

An impressive shot of cum erupted out of the beta as he swooned from his mistress’s rambunctious orgasm filling him Submitting her short, rough thrusts as he filled Hao with his own seed.

However, the cute martial artist is already far gone.

“Spilt my fat ass open please!” Hao’s mind with blank as his cock fired his thickest load of semen yet. His knot inflated for nothing as his shaft fired off his thickest orgasm yet. The martial artist moaned happily as he cemented himself as being the alpha’s new bitch. His hips rode the waves of lust as they thrust up into the beta’s knot. his tongue hanging out his mouth as his legs locked up in the air like a bitch in heat.

Hao moaned deliriously as the alpha and her beta continued to thrust down into him. Solidifying him as their new fuck toy. His new alpha dominated him and her beta as they placed him at the bottom of their pack. Lower than the betas, Hao is reduced to a simple hole the pack can release their load into along with Marley.

“Good boy. I’ll give you a good treat for this” The alpha snickered as she slapped the rear of her beta. and Ramped up her hips. Her tongue dragging along her maw at the addition of a new slut to her harem.

“You’re our bitch so give it up already!” Only to have the cackling of one of the beta be the only warning he had before they fired their seed inside him. His knot swelling in Noa’s rear and letting his cock jump and erupt inside him. His back arching while he gave a shuddering howl of delight. His cock pumping a silly amount of sticky white spunk inside Nao.

While the other wolf let his cum fire deep into the taimanin sweet throat. Shoving his cock as deep as it could go, he unloaded his long awaited release into Nao mouth. though it was too much for the taimanin as spunk gushed out of his nose and oozed out the side of his mouth with every short, body shaking thrust from the beta in his gullet.

The wolves suddenly stood up as their ejaculations finished, and with Noa’s body too weak to resist they picked him up and sandwiched him between themselves.

“Haa~!” Both wolves pushed their cocks inside his rear. Over stretching it as, knot and all, filed his ass. His cock shooting up even harder than before as they bounced him up and down on their dicks. Rutting in a good rhythm of one wolf pulling out and the other slamming in.

The cock whore of a martial artist wrapped his legs around the rutting beta as his rear is slammed into.

The alpha’s eyes turned to Kedeia, and her toys have fun with him. Though the adventure didn’t interest her, the way her betas are acting so dominate made her want to put them back in their place below her.

Her cock making his stomach bulge as he gave up fucking Kedeia himself and just his mistress take control. Pounding him into the warrior’s fat rear she cups his own soft, plush ass.

“I am still here~.” The beta said with a rude smack his cock on Kedeia’s face. Before coating his face with his seed. The hearty soup thick strings of jizz slapped the red heads’ lust driven features. Covering them in white before his mouth is filled with the still shaking shaft. “At least your still a good fuck hole!” The alpha snarled as she fucked another climax into Kedea through her cock drunk beta. His cock nearly on the brink of releasing another load but his body too weak to fight back. He could only moan and drool on the ground as she finally pulled out her beta who whined in disappointment.

“Now then...” The alpha said as she walked over a pulled Kedea up by his pony tail. Her large meaty cock slapping against his face as she stood over him. The beta behind him restarting his hump as he merely rested her shaft on his face. Letting her musky powerful sent soak into him as it beat against his face. Eager to break him like it did so many others.

“About my proposal of your four bending over to get through the woods...”

She smeared her cock over his face while he panted. Lust overridden his thoughts every moment, but he still kept some semblance of pride. It is the pride of a whore who is having one of the lowest of a pack of wolves’ pack mate rail him from behind while the alpha demeans him with her large, fat cock in his face. but a pride none the less. The only thing keeping him from ending up like her obedient slut.

“You still thinking on it?” The alpha smirked.

The battle is more than just lost as Marely is pushed up against a tree, his ass a dark red as one of the beta’s took his rear like a wild dog.

Hao may as well be a wild bitch in heat with how his hips are raised up in the air letting the beta slam into his ass. His bright red cock, his knot fully inflated, happily smacked against his stomach while it spun pre cum in the air.

“Give me all your cocks~! Please knot my slutty hole~!” Nao is even worse off, though no one would be able to tell by the look on his face. Bouncing two cock stuffed in his ass hole and one in his mouth, the beta wolf having a sharp grip on his hair as it rammed his shaft down his gullet.

Kedea, knowing this is a losing battle, opened his mouth to submit to alpha. And she happily cemented her victory, with a pushed her whole cock down the young adventures’ throat in a hard swift motion that buried her prick deep down his throat. Kedea gagged and choked on the prick as the knot beat in his neck. His cock fired a few hard blasts of cum as he hummed at the cock in his throat. His nose was tickled by her sheath and pubic hair as the alpha licked her lips in both pleasure and success.

“Good. I am glad we have an accord.” The alpha said as she began to slide Kede’s head back and forth on her shaft. “Once I am done, you’ll be able to move freely throughout my woods. But your asses will always be mine.”
