

**5 Minutes Later...**

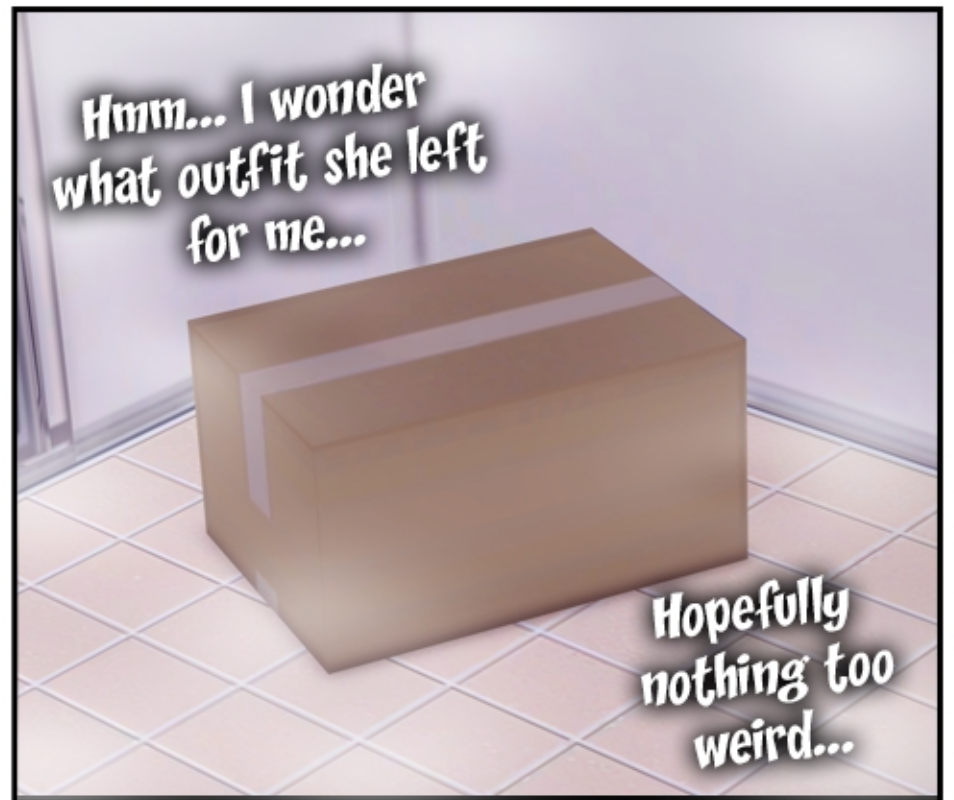

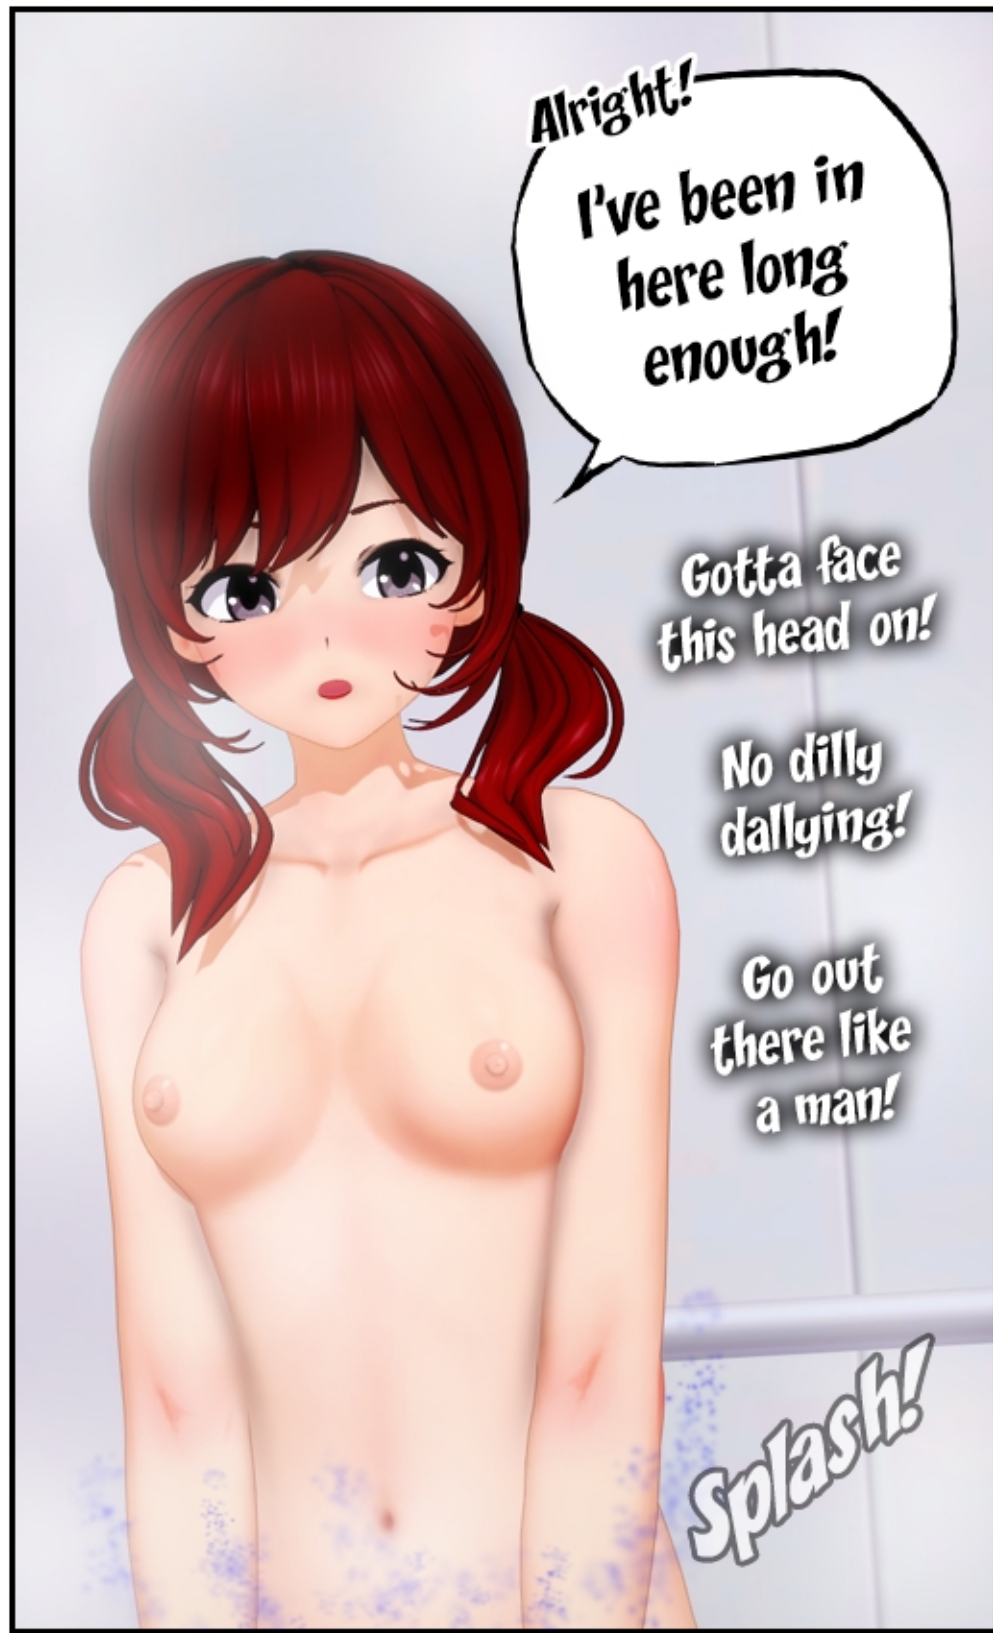

Clean it...  
So, does that  
imply... we're  
going to do it?

Of course  
it does you  
moron!

I'm finally  
going to  
lose it!

**But...**

I guess...  
Guys can also  
wear it..

A-And if Mei  
wants me  
to wear it...

S-She's probably  
going to wear it  
as well!

E-Even if it's  
a bit weird  
to wear I'll  
do it!

That way  
Mei will  
also!

**Alright!**

It's just like the bikini...

Right?

It's not like this is even more girly...

It's so soft...

Throb!

I guess...

Throb!

Throb!

I kind've...

Like  
it...?

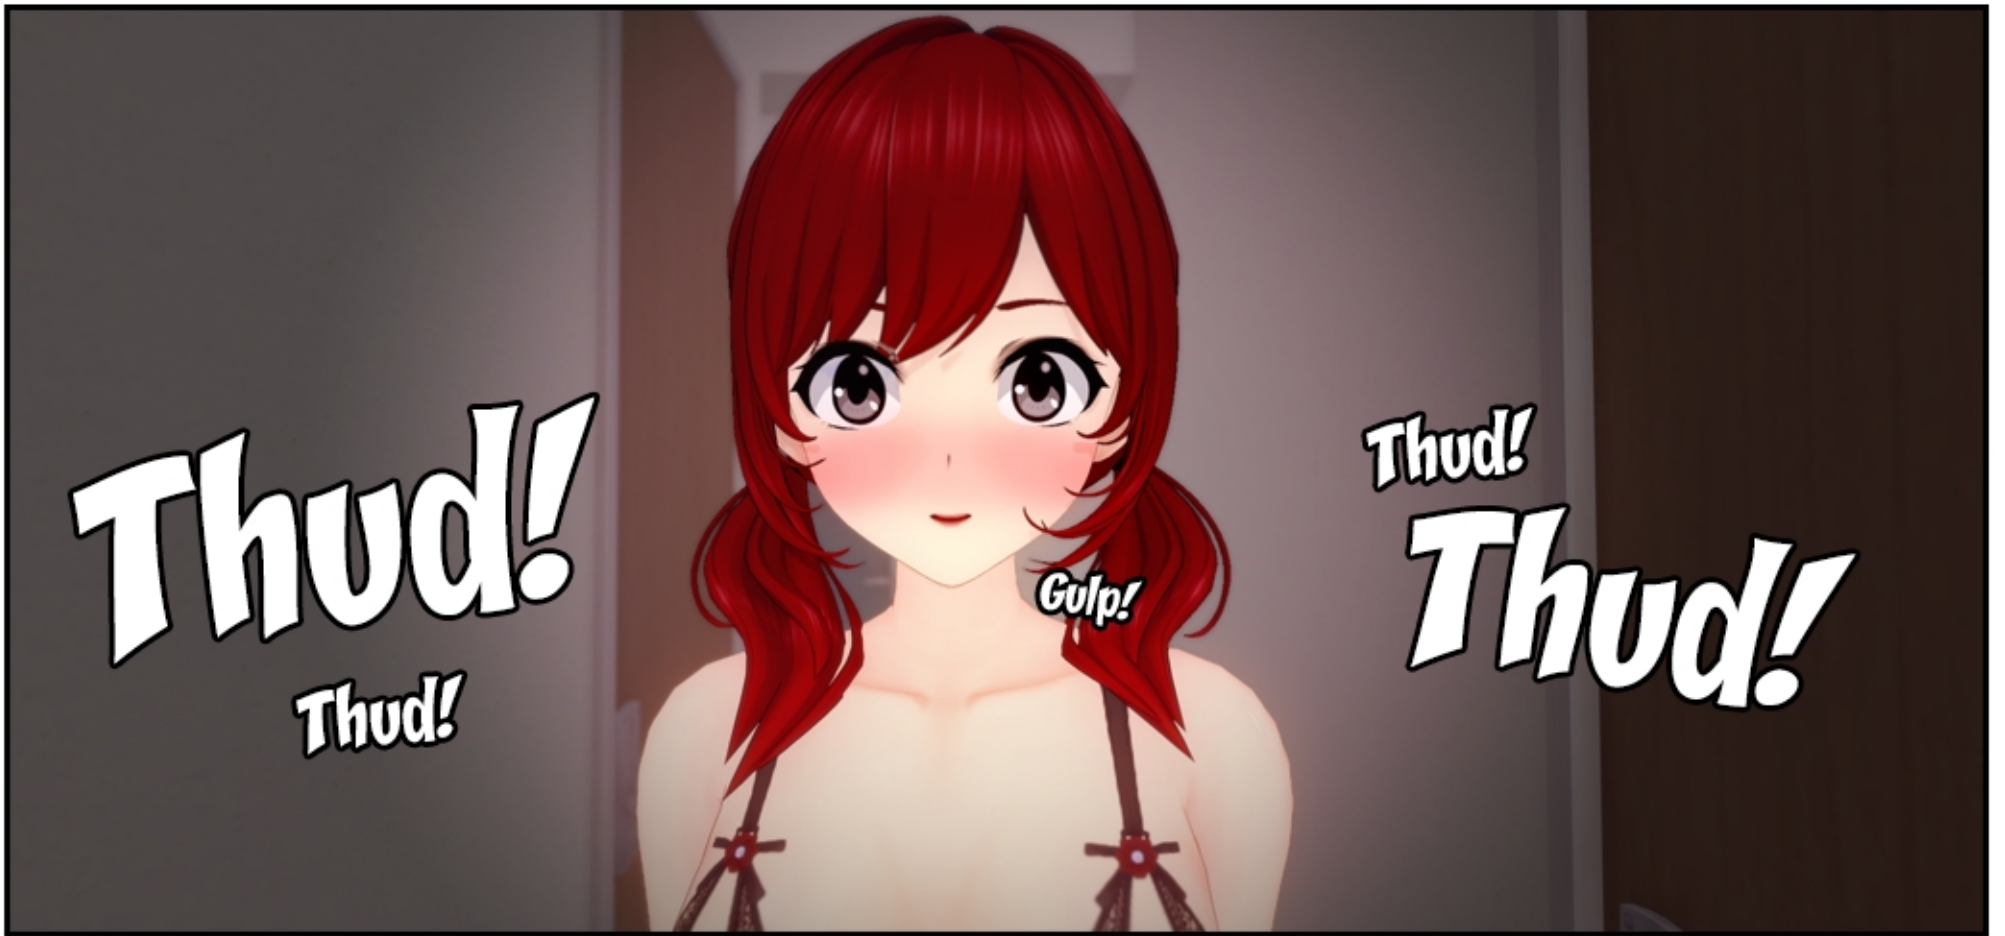

But...  
It's a  
bit too  
revealing...

I wonder  
how girls  
can wear it  
without  
becoming  
embarrassed...

Leona~

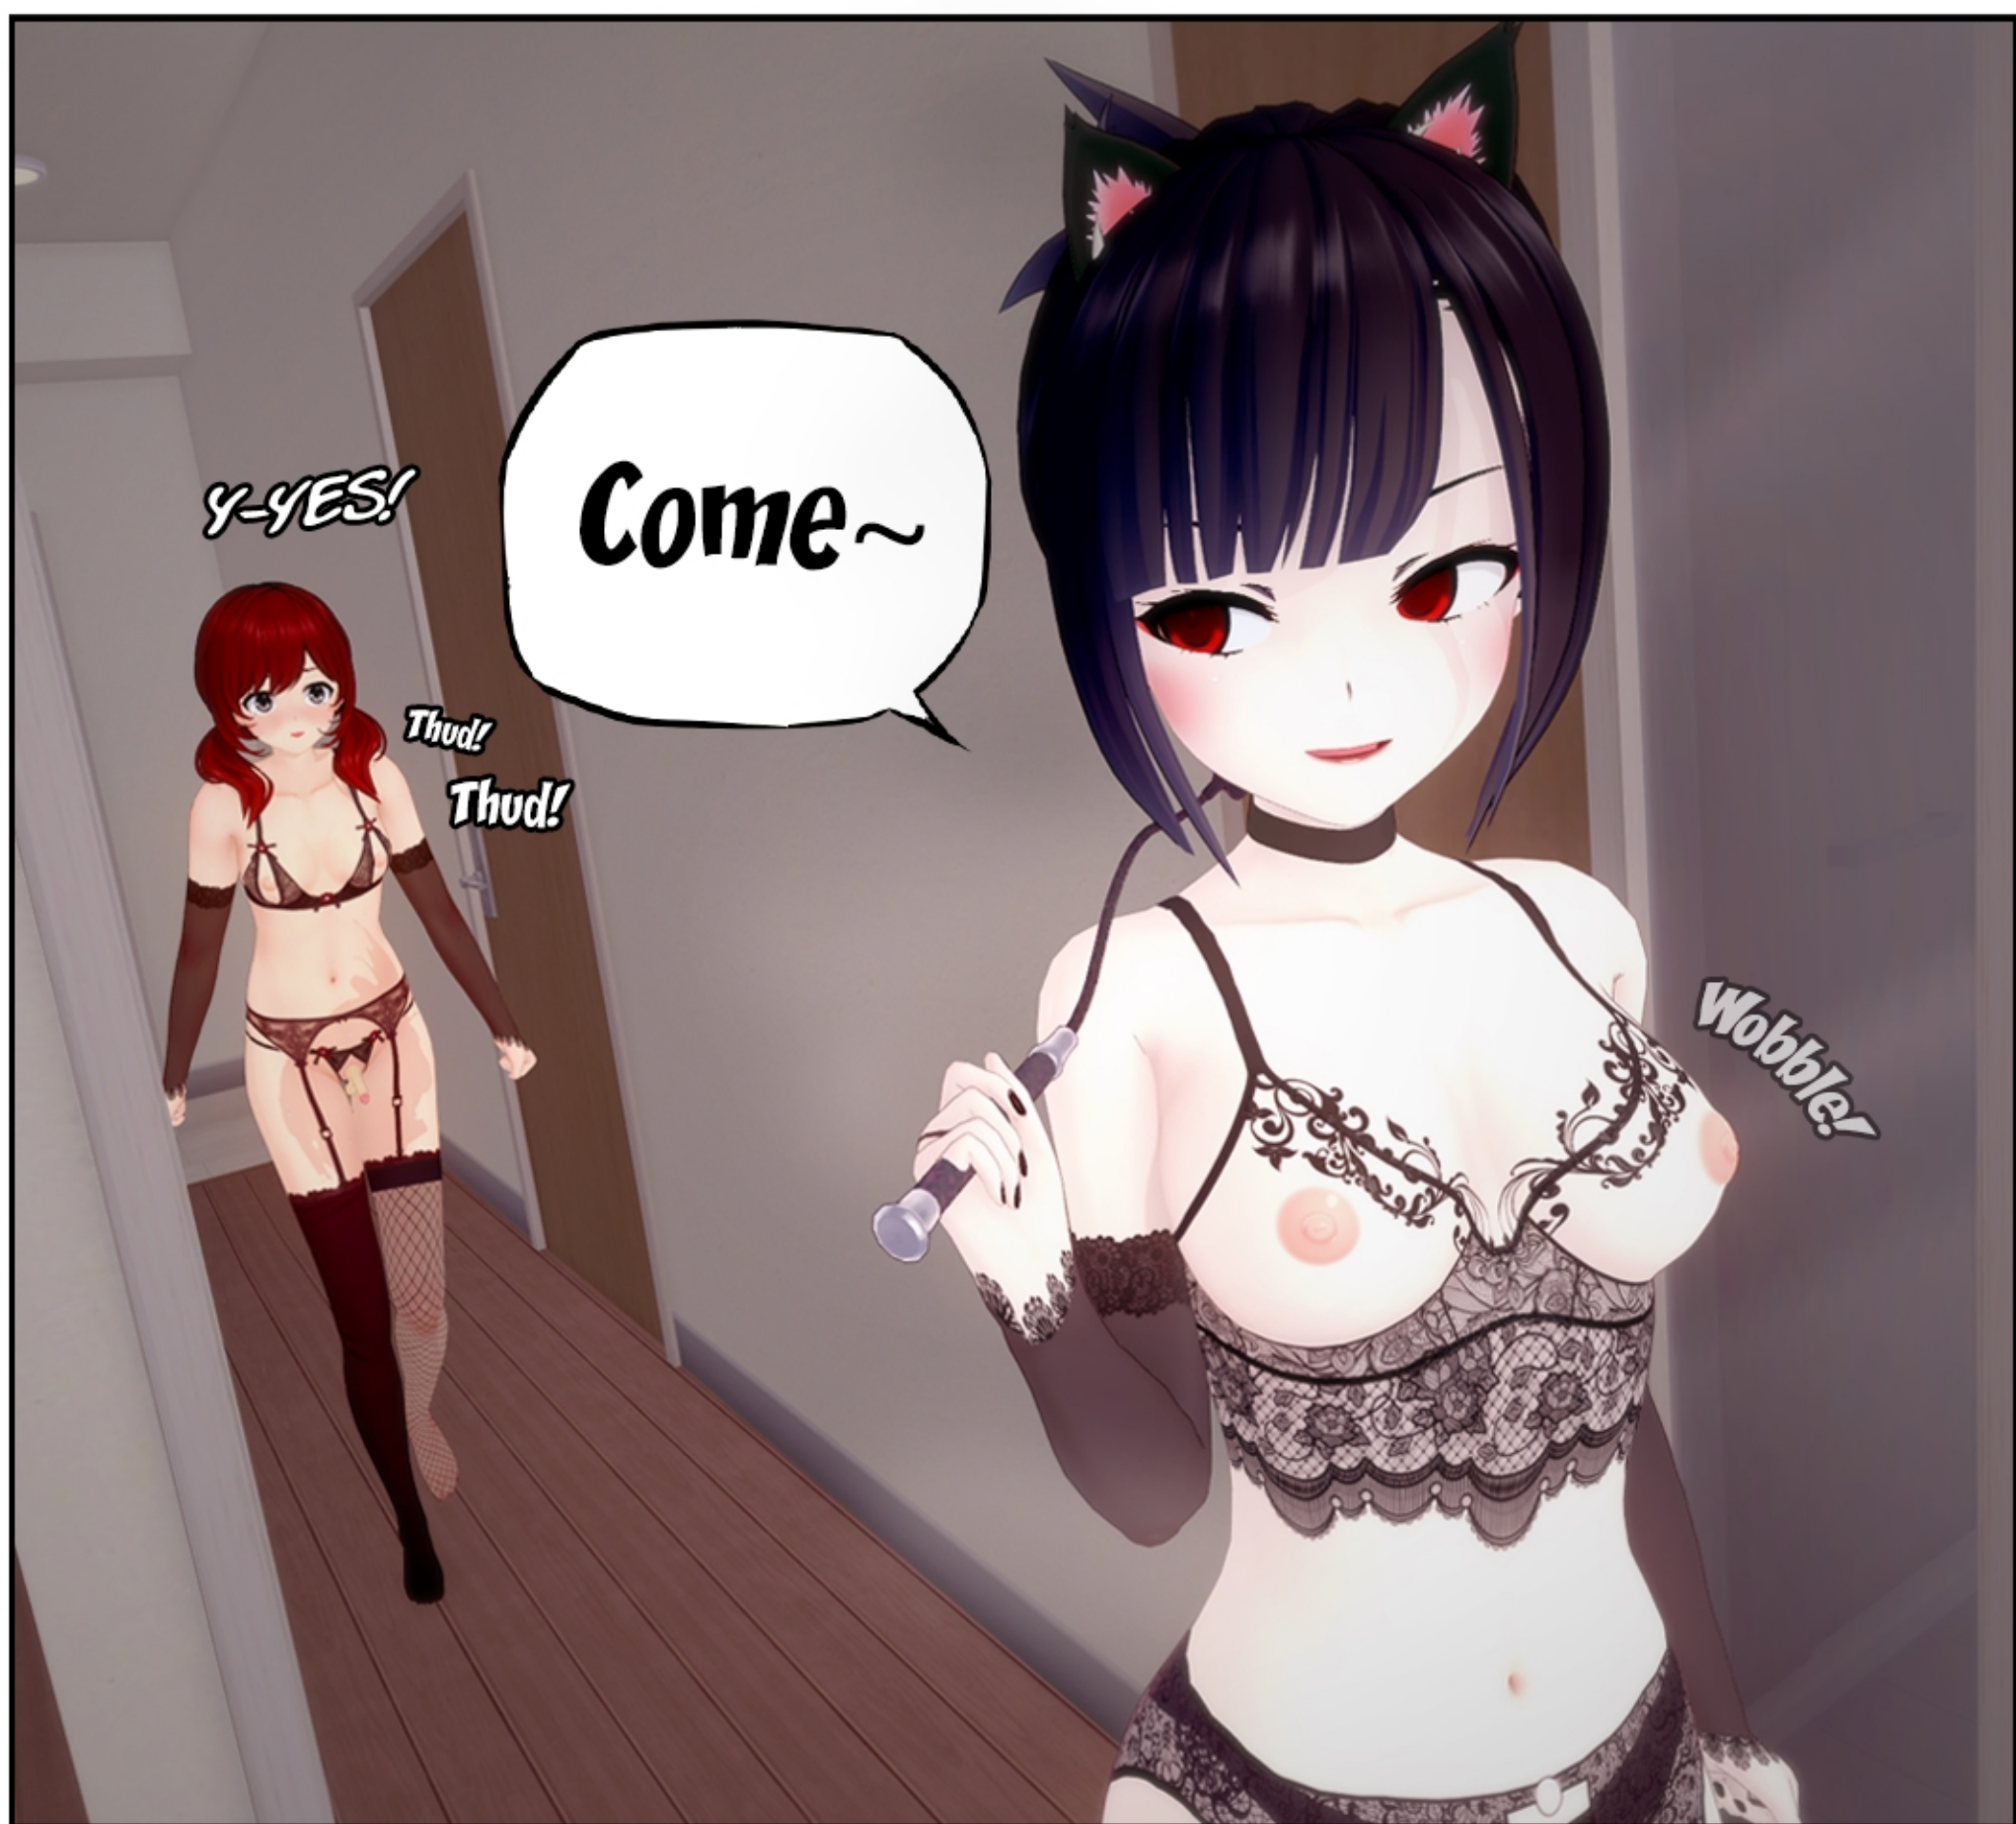

**Nya~**

Cat got  
your tongue  
Leona~

Come, now  
don't be shy  
leona...

I won't  
bite... not  
yet~

I... I'M  
NOT SHY...

Thud!  
Thud!

Now for  
our secret little  
safe word~

S-SAFE  
WORD...?

That's  
right.

Mei  
Our little  
code to slow  
down if things  
get too rough  
for you~

Ah~

Ah!

Nibble...

Grab!

And I'm  
going to be  
rough.

Nya~
