A scene featuring large, faceted purple crystals. On the left, a large, translucent purple crystal stands on a small, brown, textured rock base. To its right, a larger, more complex cluster of purple crystals is visible. The background is a light, textured surface. A white speech bubble with a black border is centered in the middle of the image, containing the text "Hah... Huff... S-Someone...".

Hah... Huff... S-Someone...

\*Pant\*... \*Pant\*....

Gyyy... Hehehe!!!  
Get her!!!

A character with short white hair, glasses, and a black dress with white fur trim is shown from the chest up. She has a surprised expression with wide eyes and an open mouth. The background is a simple grey floor with a blue circular object and a purple fabric in the upper left.

"These goblins... Since when did they become faster and more organize!?"

"If they caught me, I will be their toy and food!"

"My teammates... We underestimated them!"

"S-Someone...  
Please... Anyone..."

Gyyyyhehehehe!!!!

"My leg... I can't stand still..."

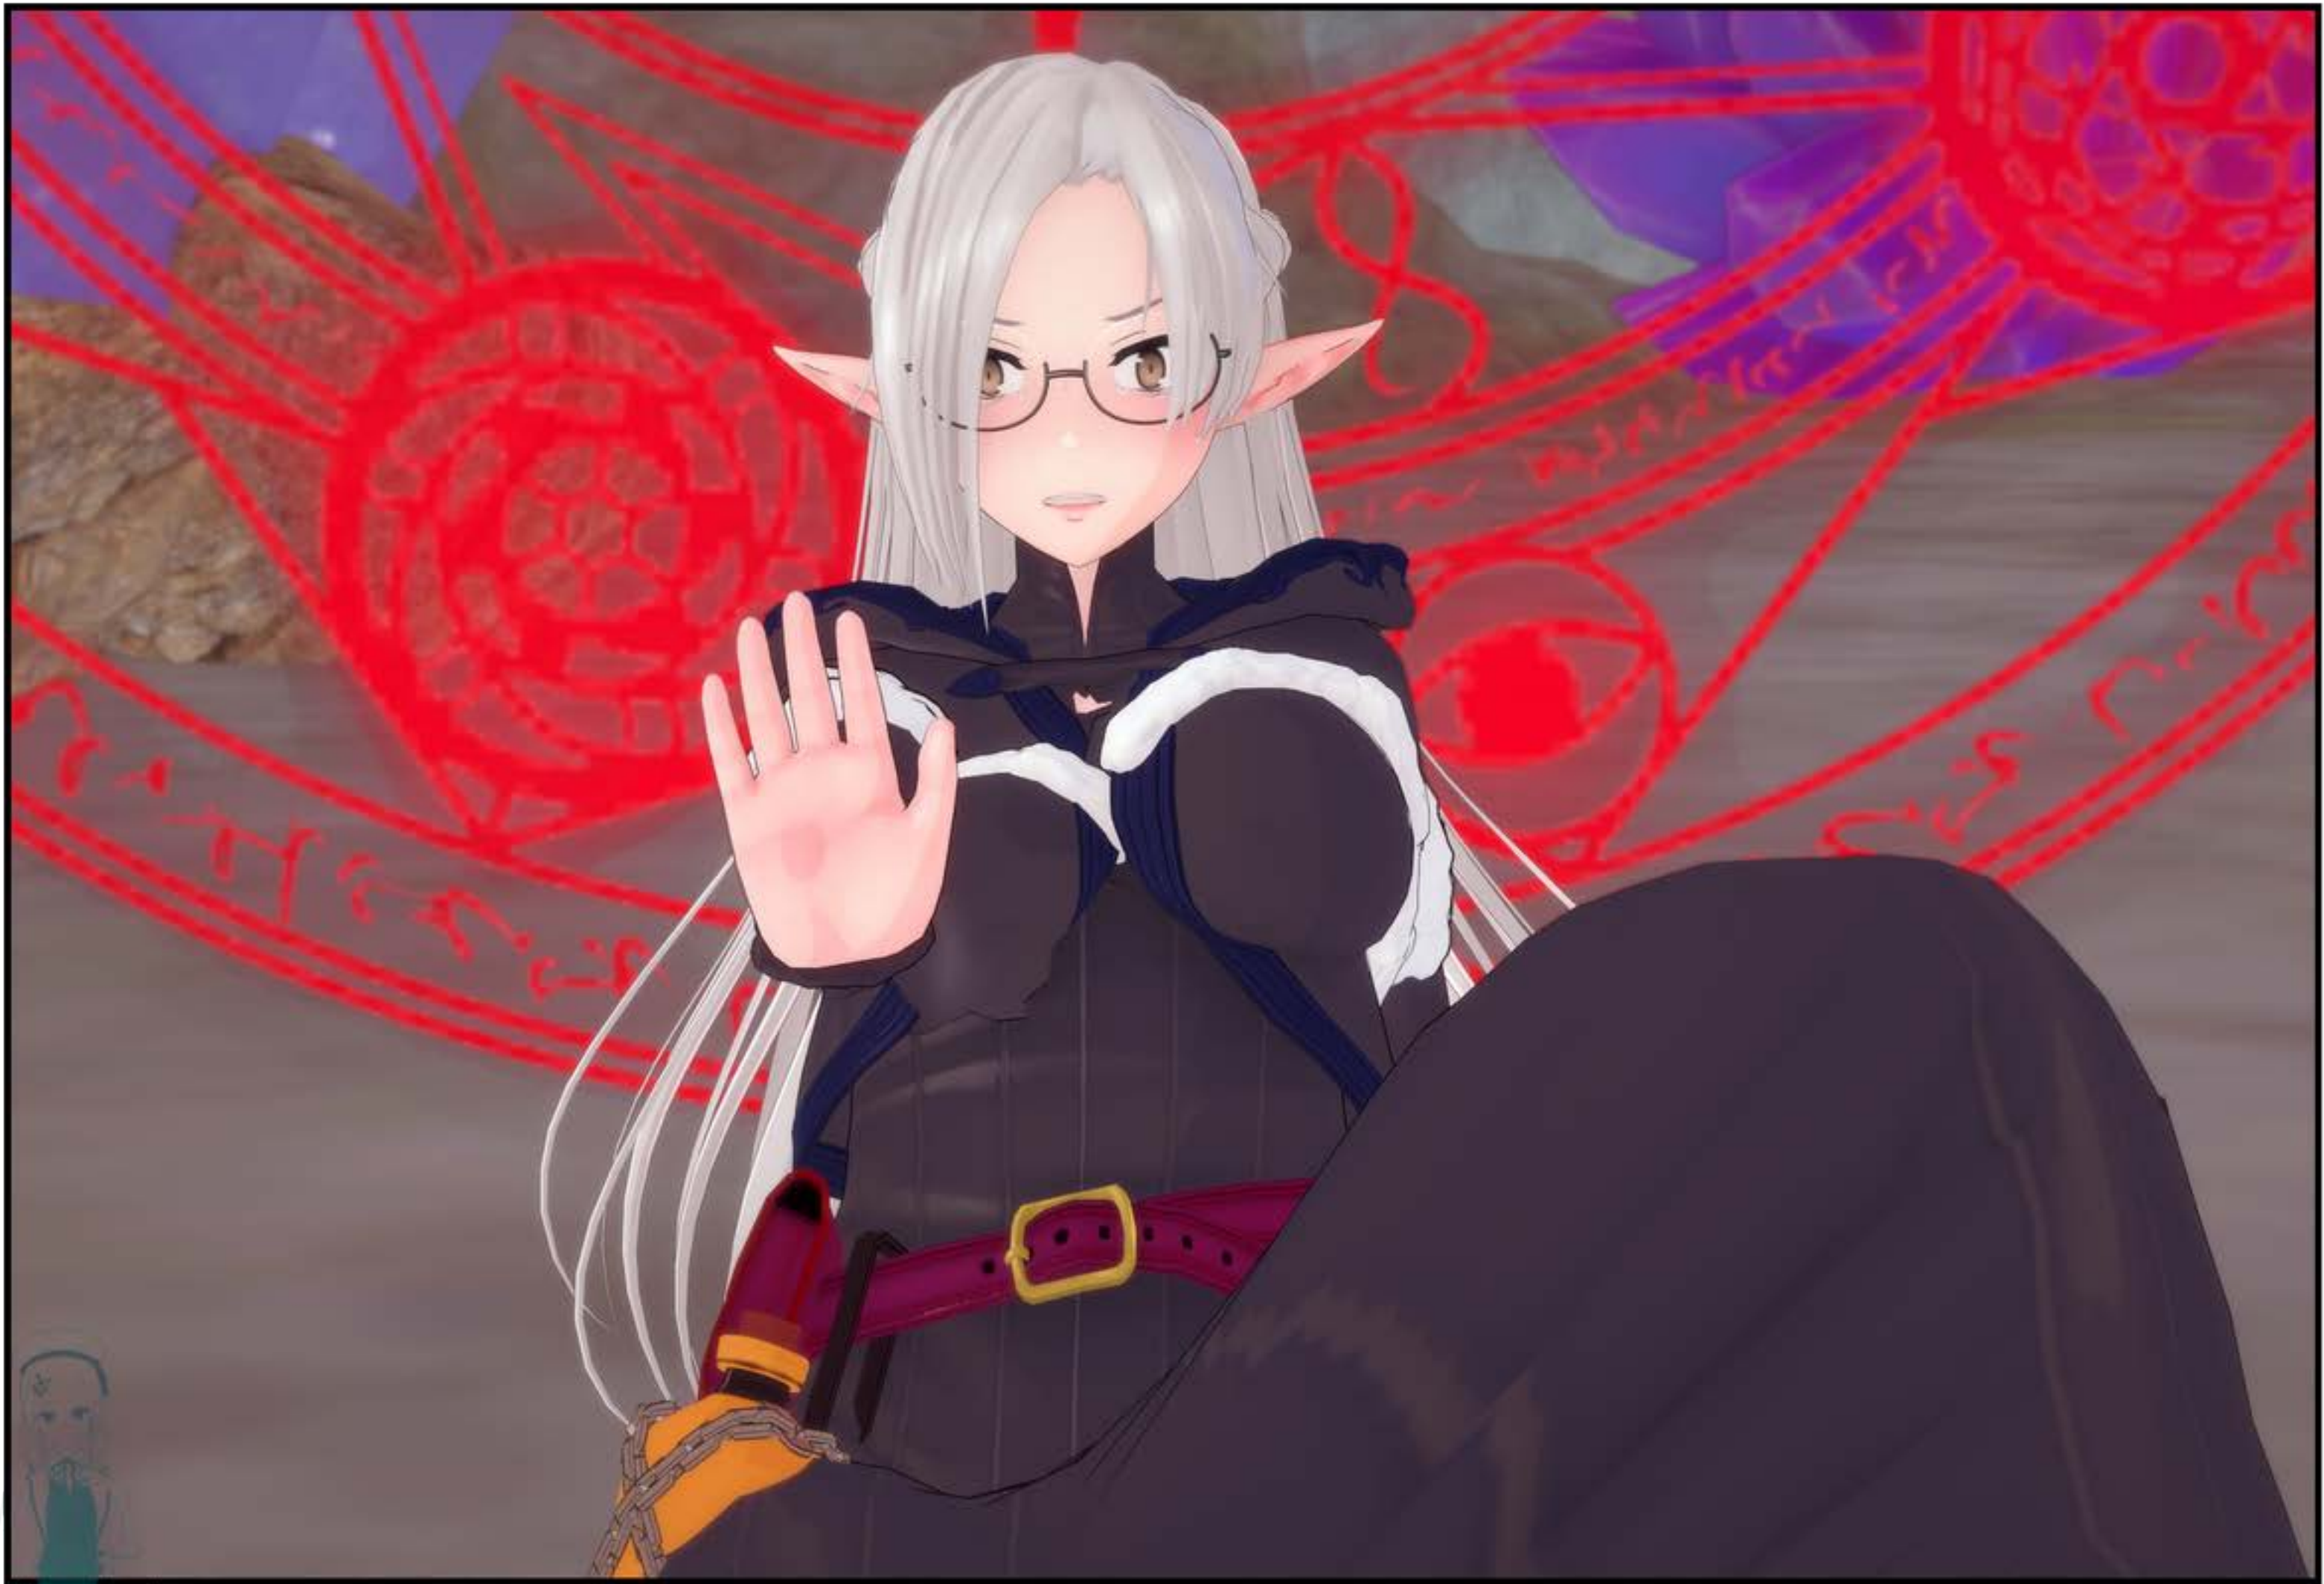

"Even that... I'm not going to let those who killed my friends get away with joy!"

You ugly monster...

...may you all burn  
in Hell!!!

Hah... Hah...

"My head... So... dizzy..."

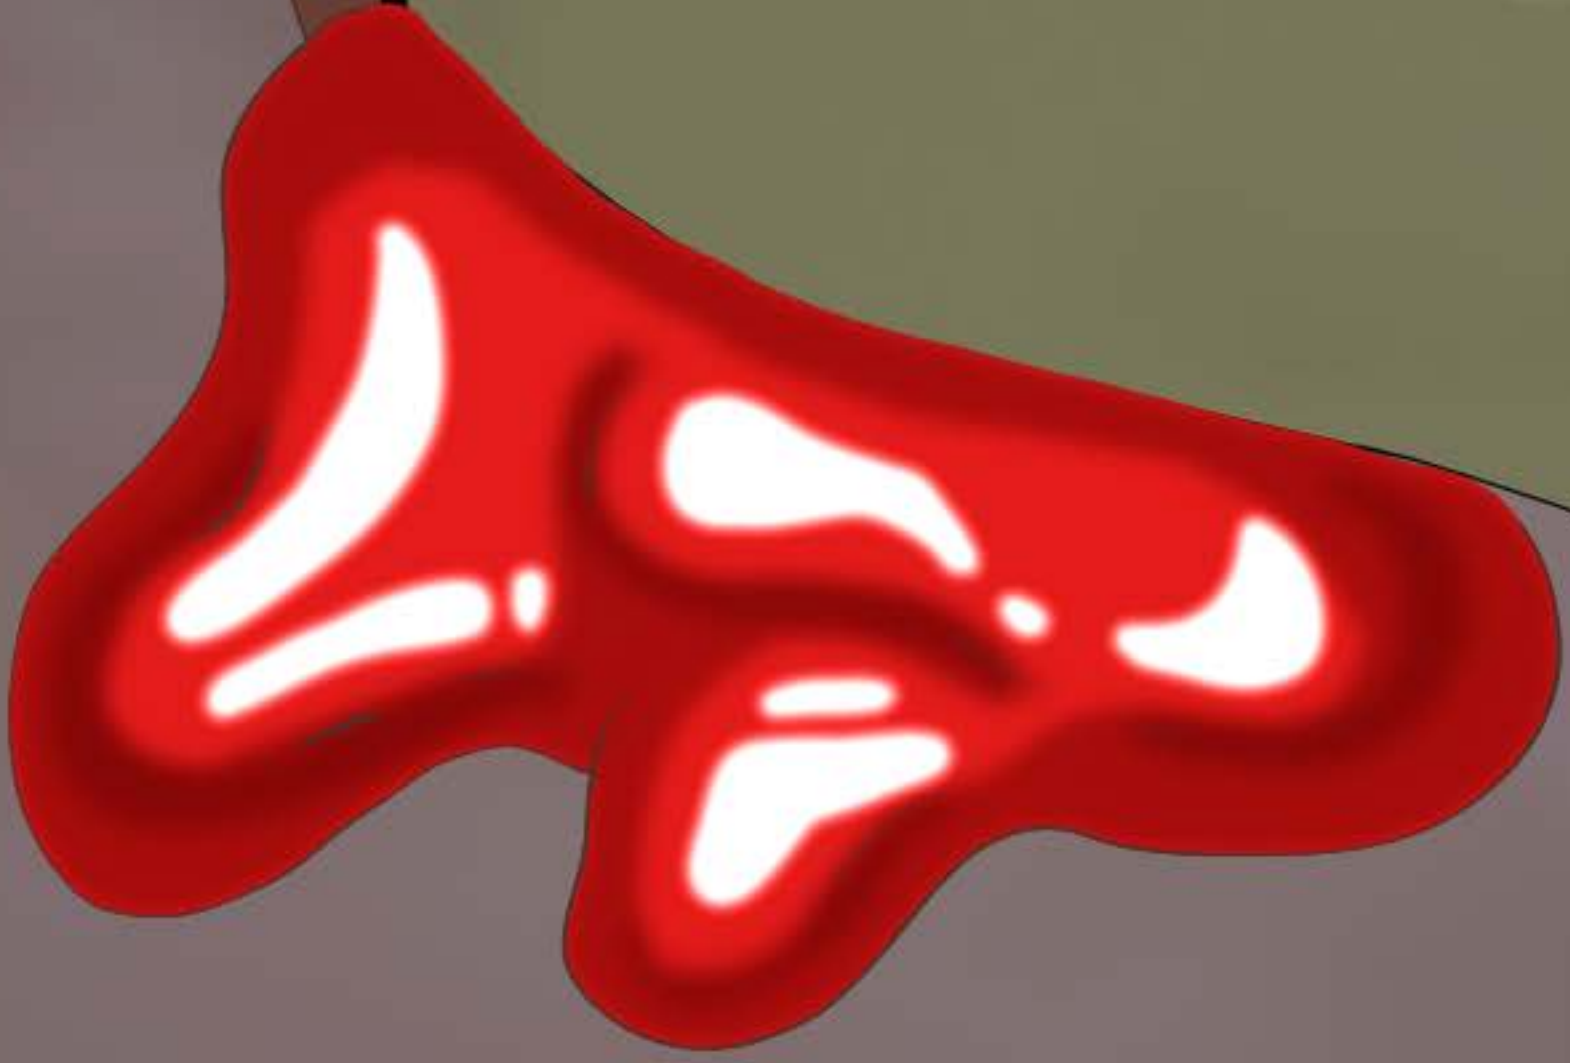

"Ah... Deadly poison...  
Am I... going to die here?"

"We... should have considered  
that Goblin Hunter's warning..."

It seem that you are slowly handle that body.

By engaging through sex, I believe that you will take over easier.

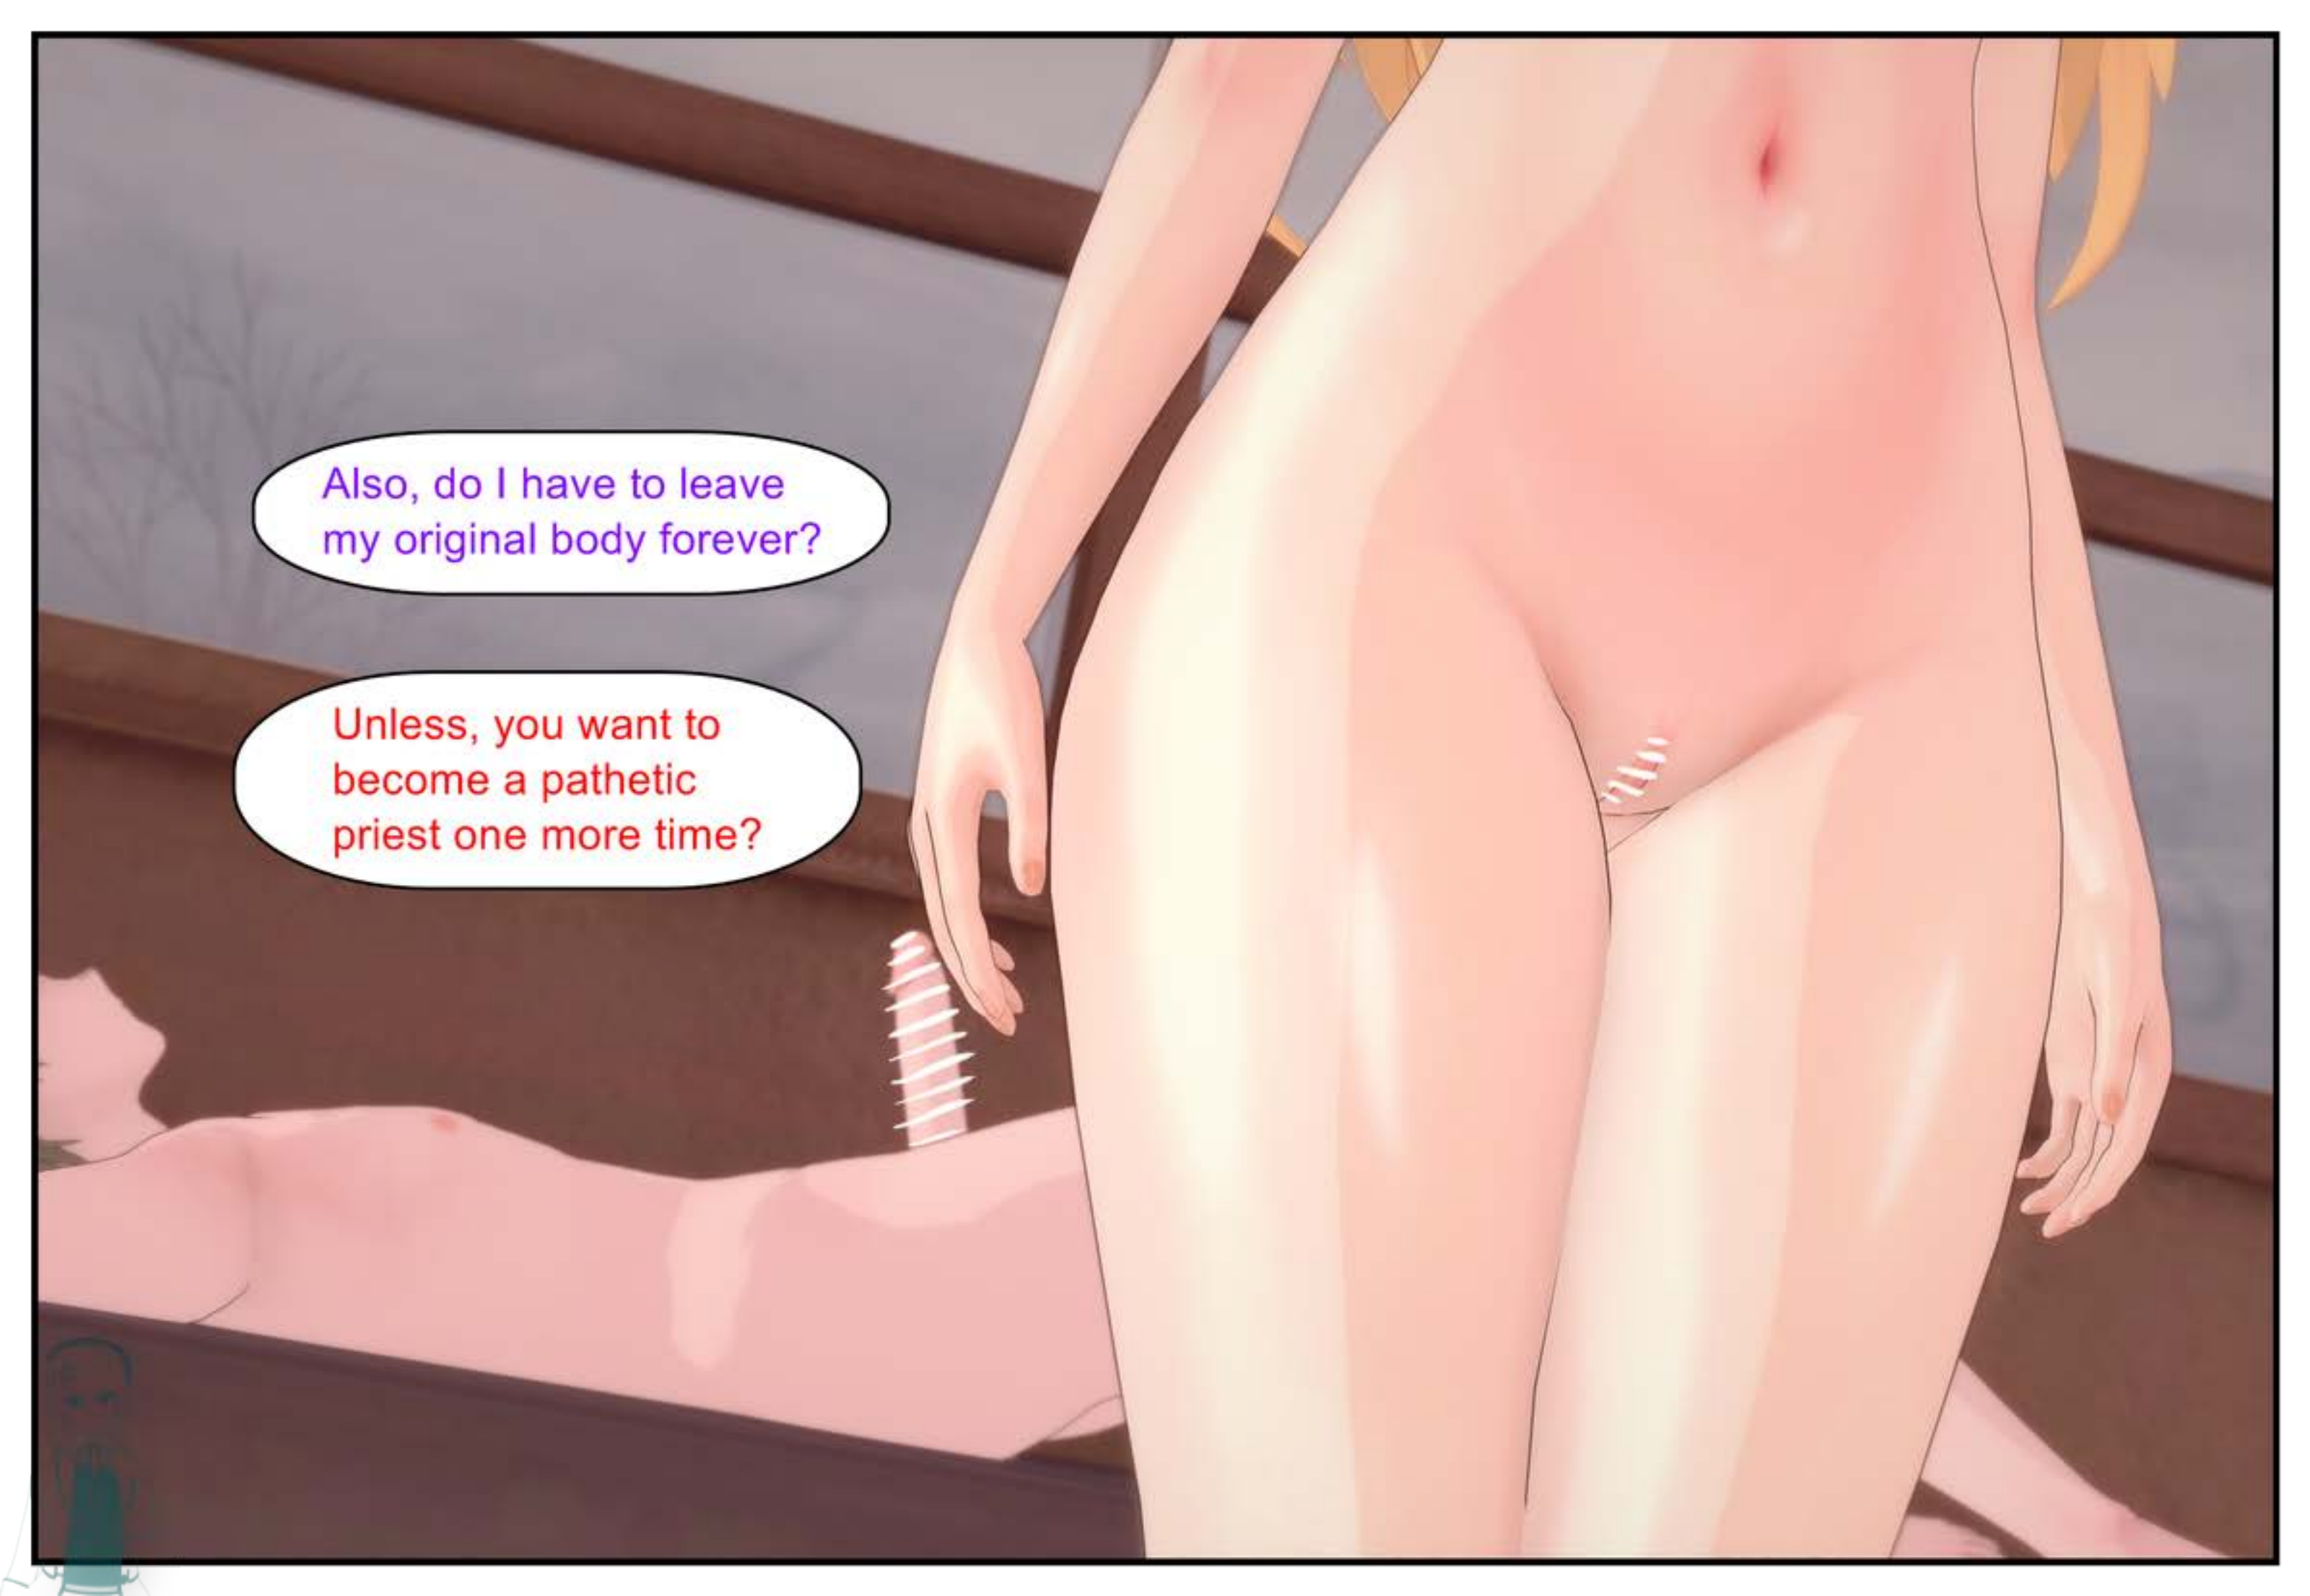

Much thanks... But  
ain't there a way to  
accelerate it?

Get used to  
step by step first.

Understand. So, what are we going to do next?

Also, do I have to leave  
my original body forever?

Unless, you want to  
become a pathetic  
priest one more time?

Of course, I'm not  
intend to...

Hm... I remember  
I told you about a  
royal life.

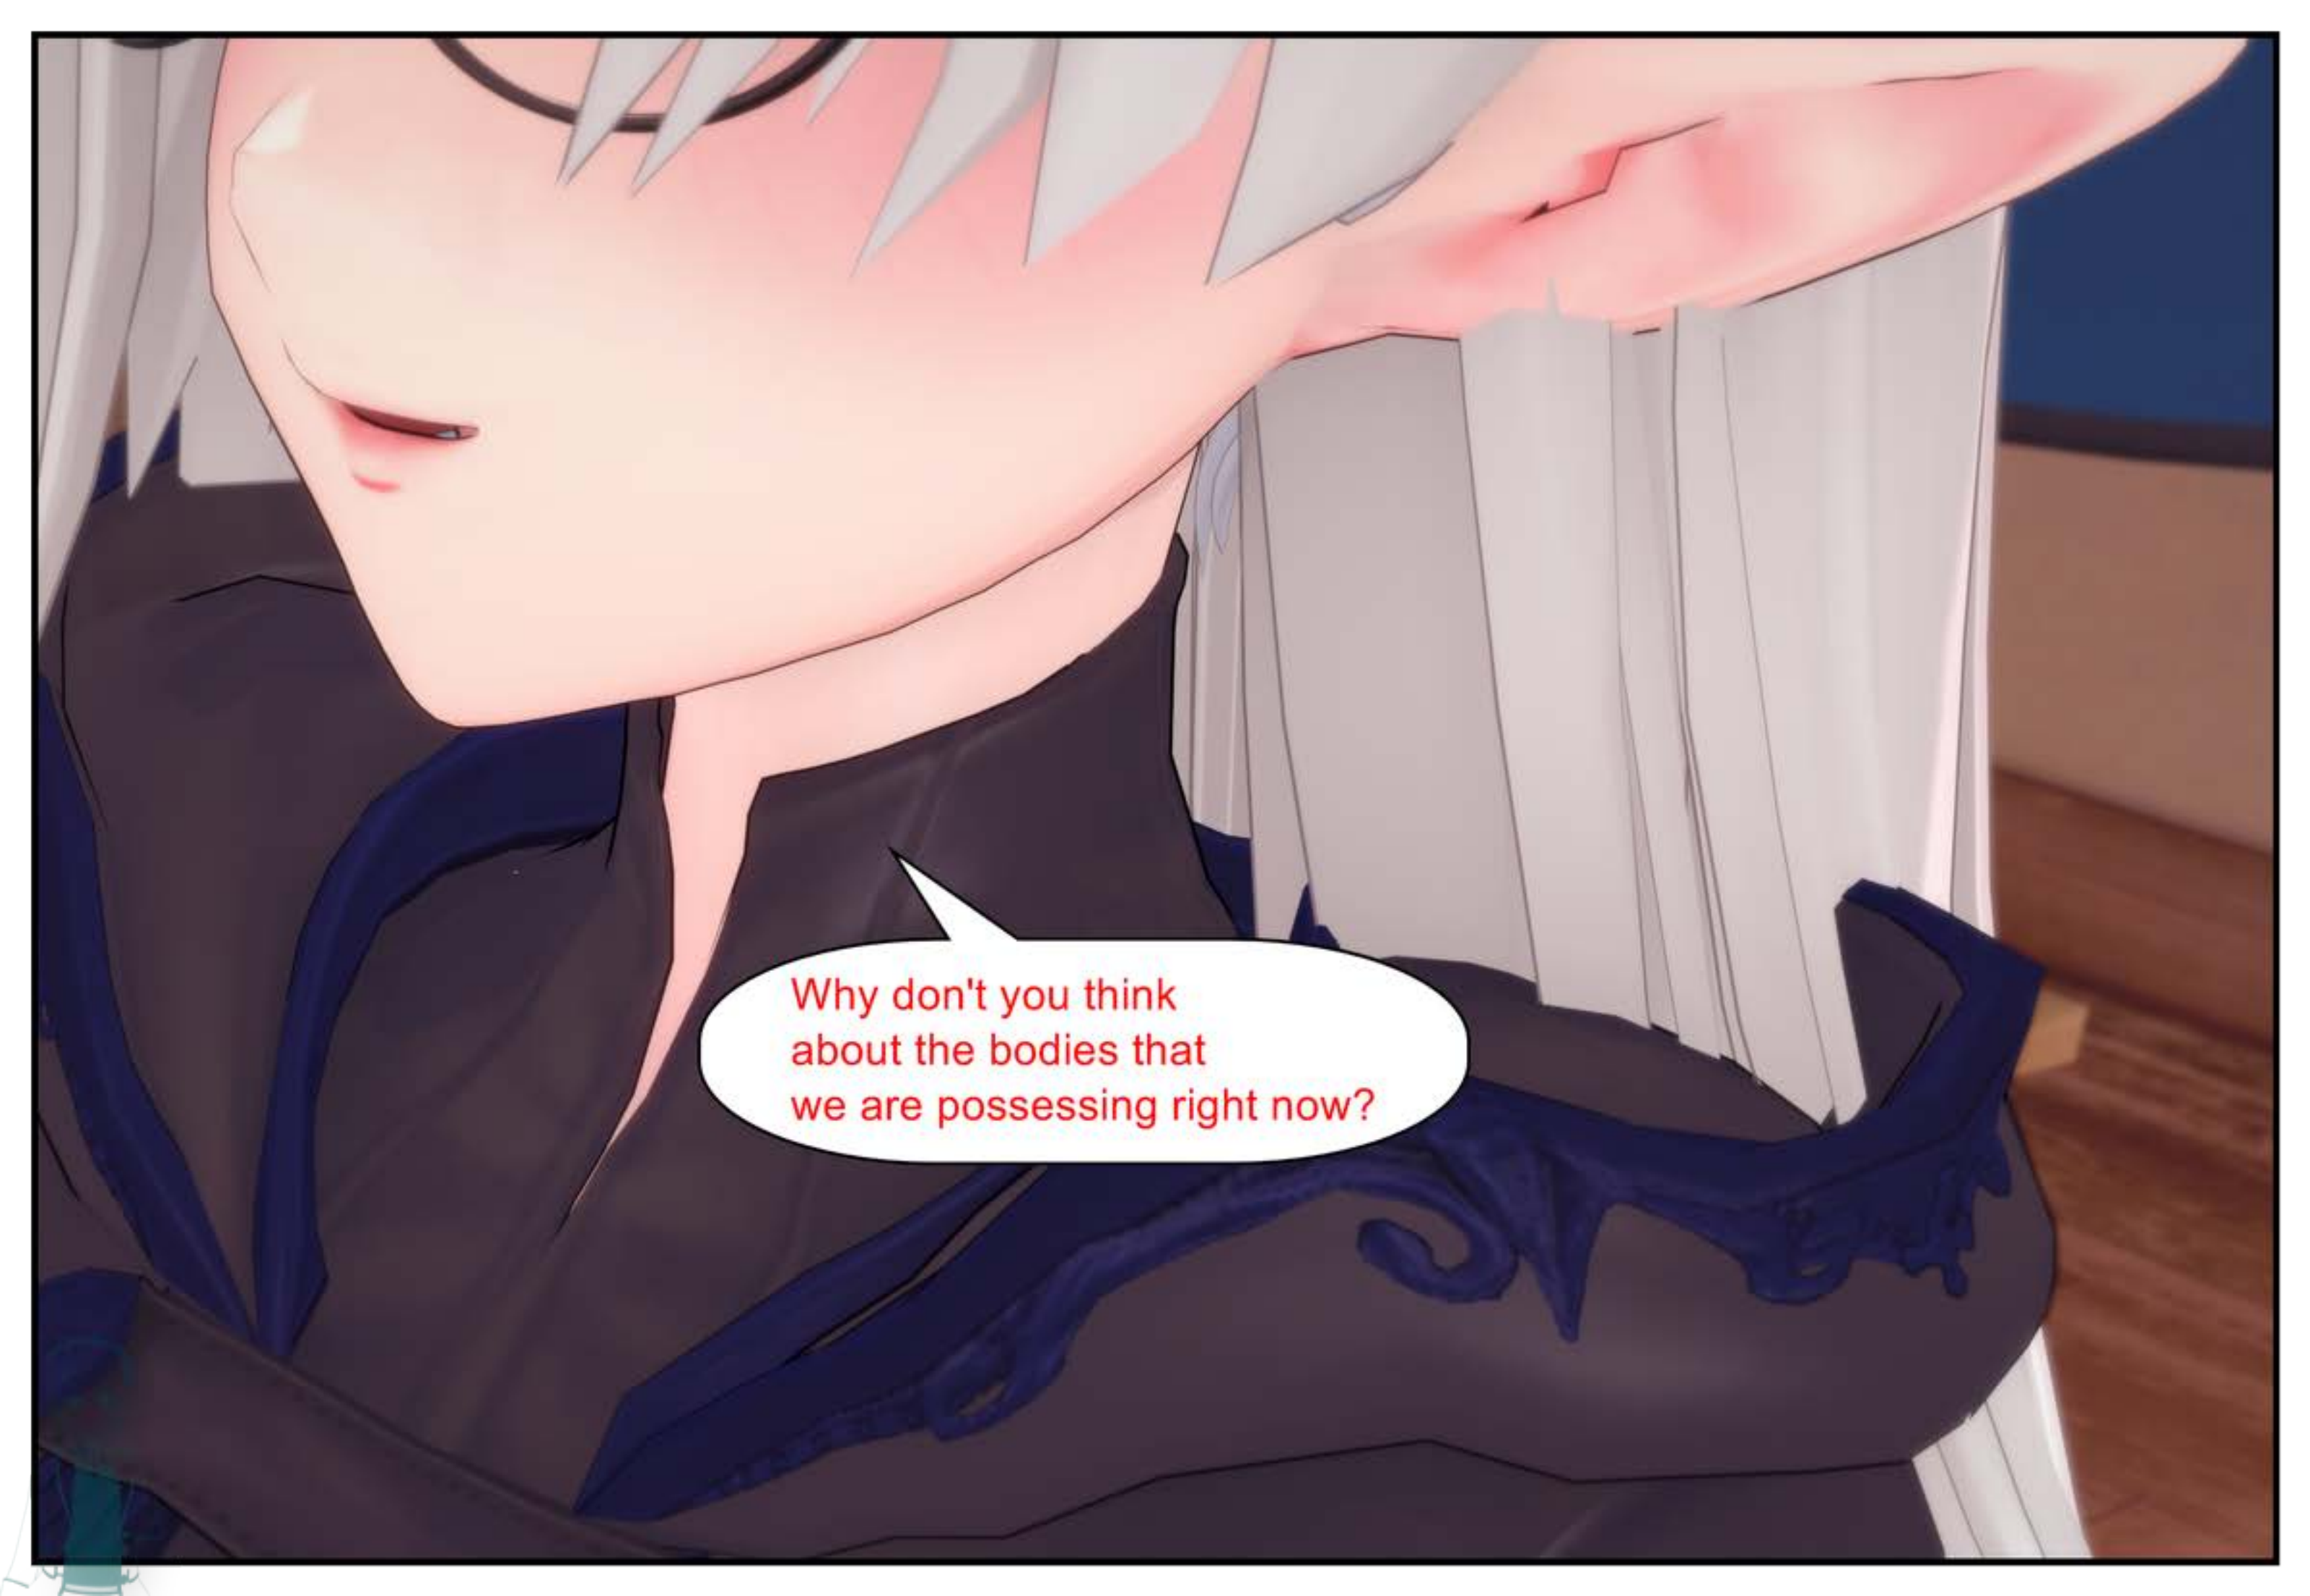

With that, you don't have to worry about anything else for the rest of your span.

Easy said than done...  
The castle is heavily  
guarded, there's no way...

Why don't you think  
about the bodies that  
we are possessing right now?

A royal guard and  
a witch from the  
honorable heroes.

Even if we are exposed,  
around us have plenty of  
'hiding spot'. But that's  
only back-up plan.

Well, sound easy.  
I almost forgot about that!

Let's get ourselves prepared then!

Meanwhile...

"Princess..."

"She has been like this ever since..."

Pardon me, Princess!  
Your Father want to  
see you in person!

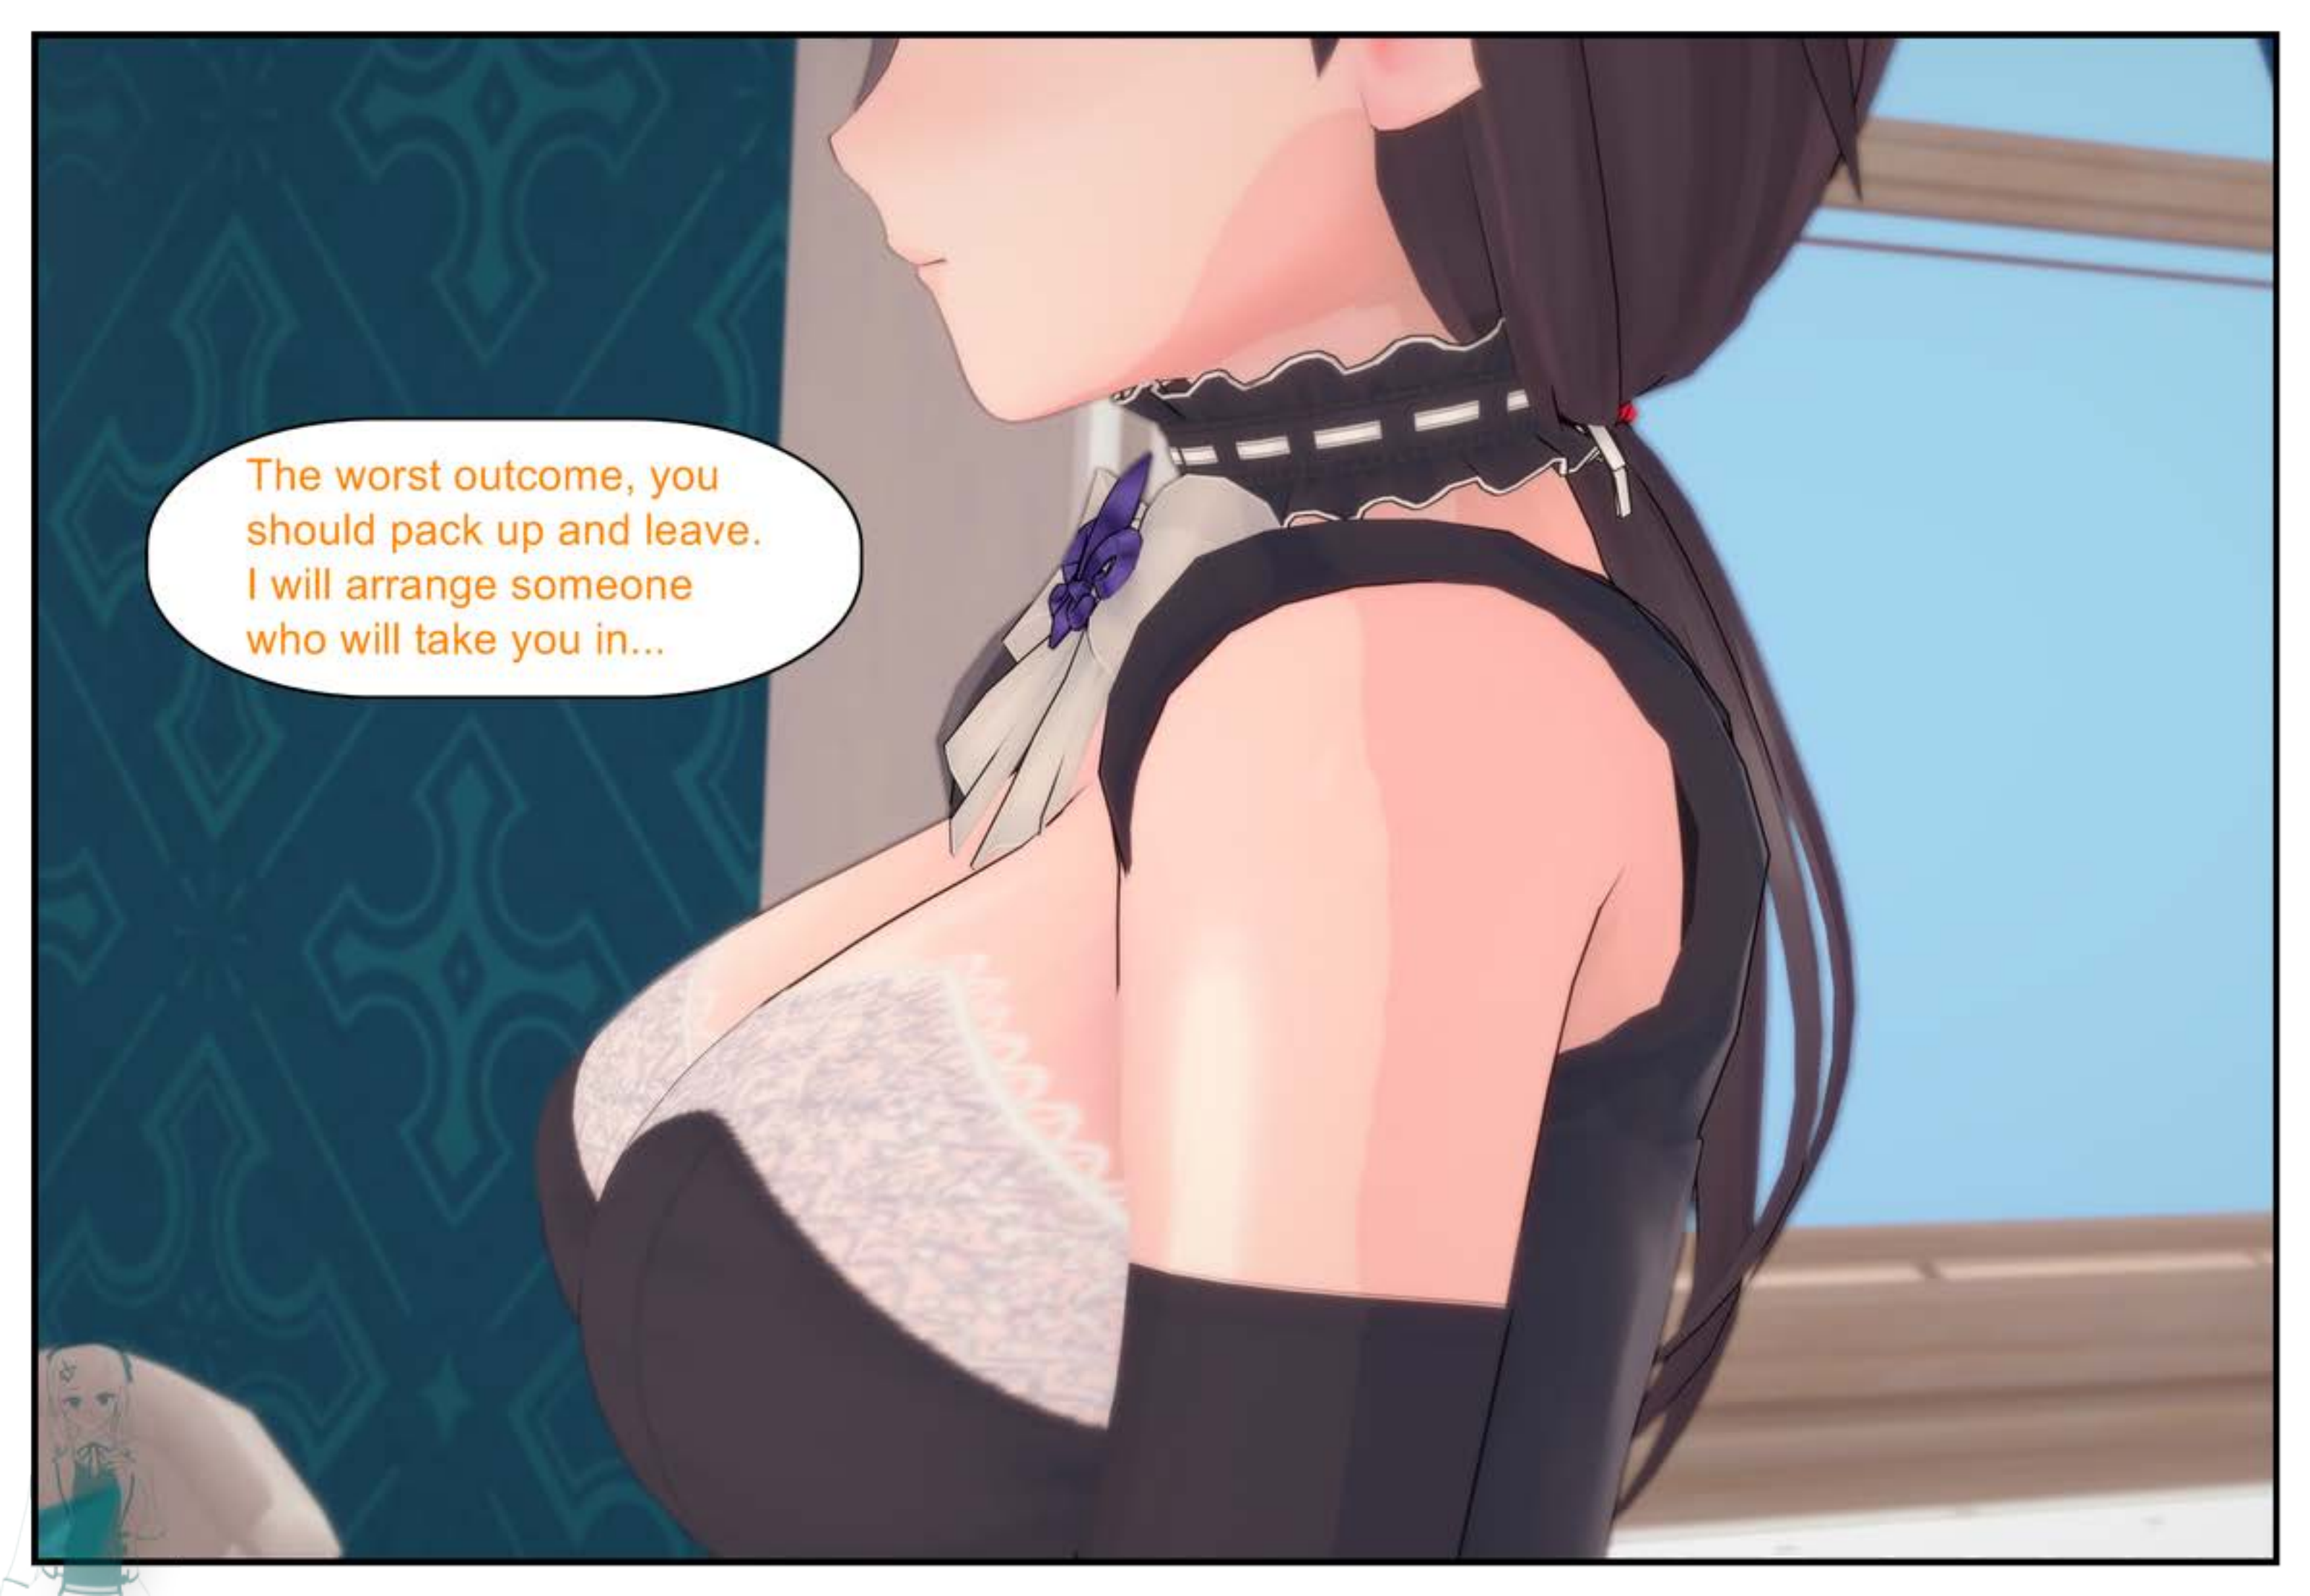

Tch... Must be him.  
How dirty he played.

It's alright, Anie. I will be okay.

I'm no longer a little girl. That's why I will deal with this myself.

The worst outcome, you  
should pack up and leave.  
I will arrange someone  
who will take you in...

I'm not going to give up on staying with you!  
We are already bonded to each other, Princess!

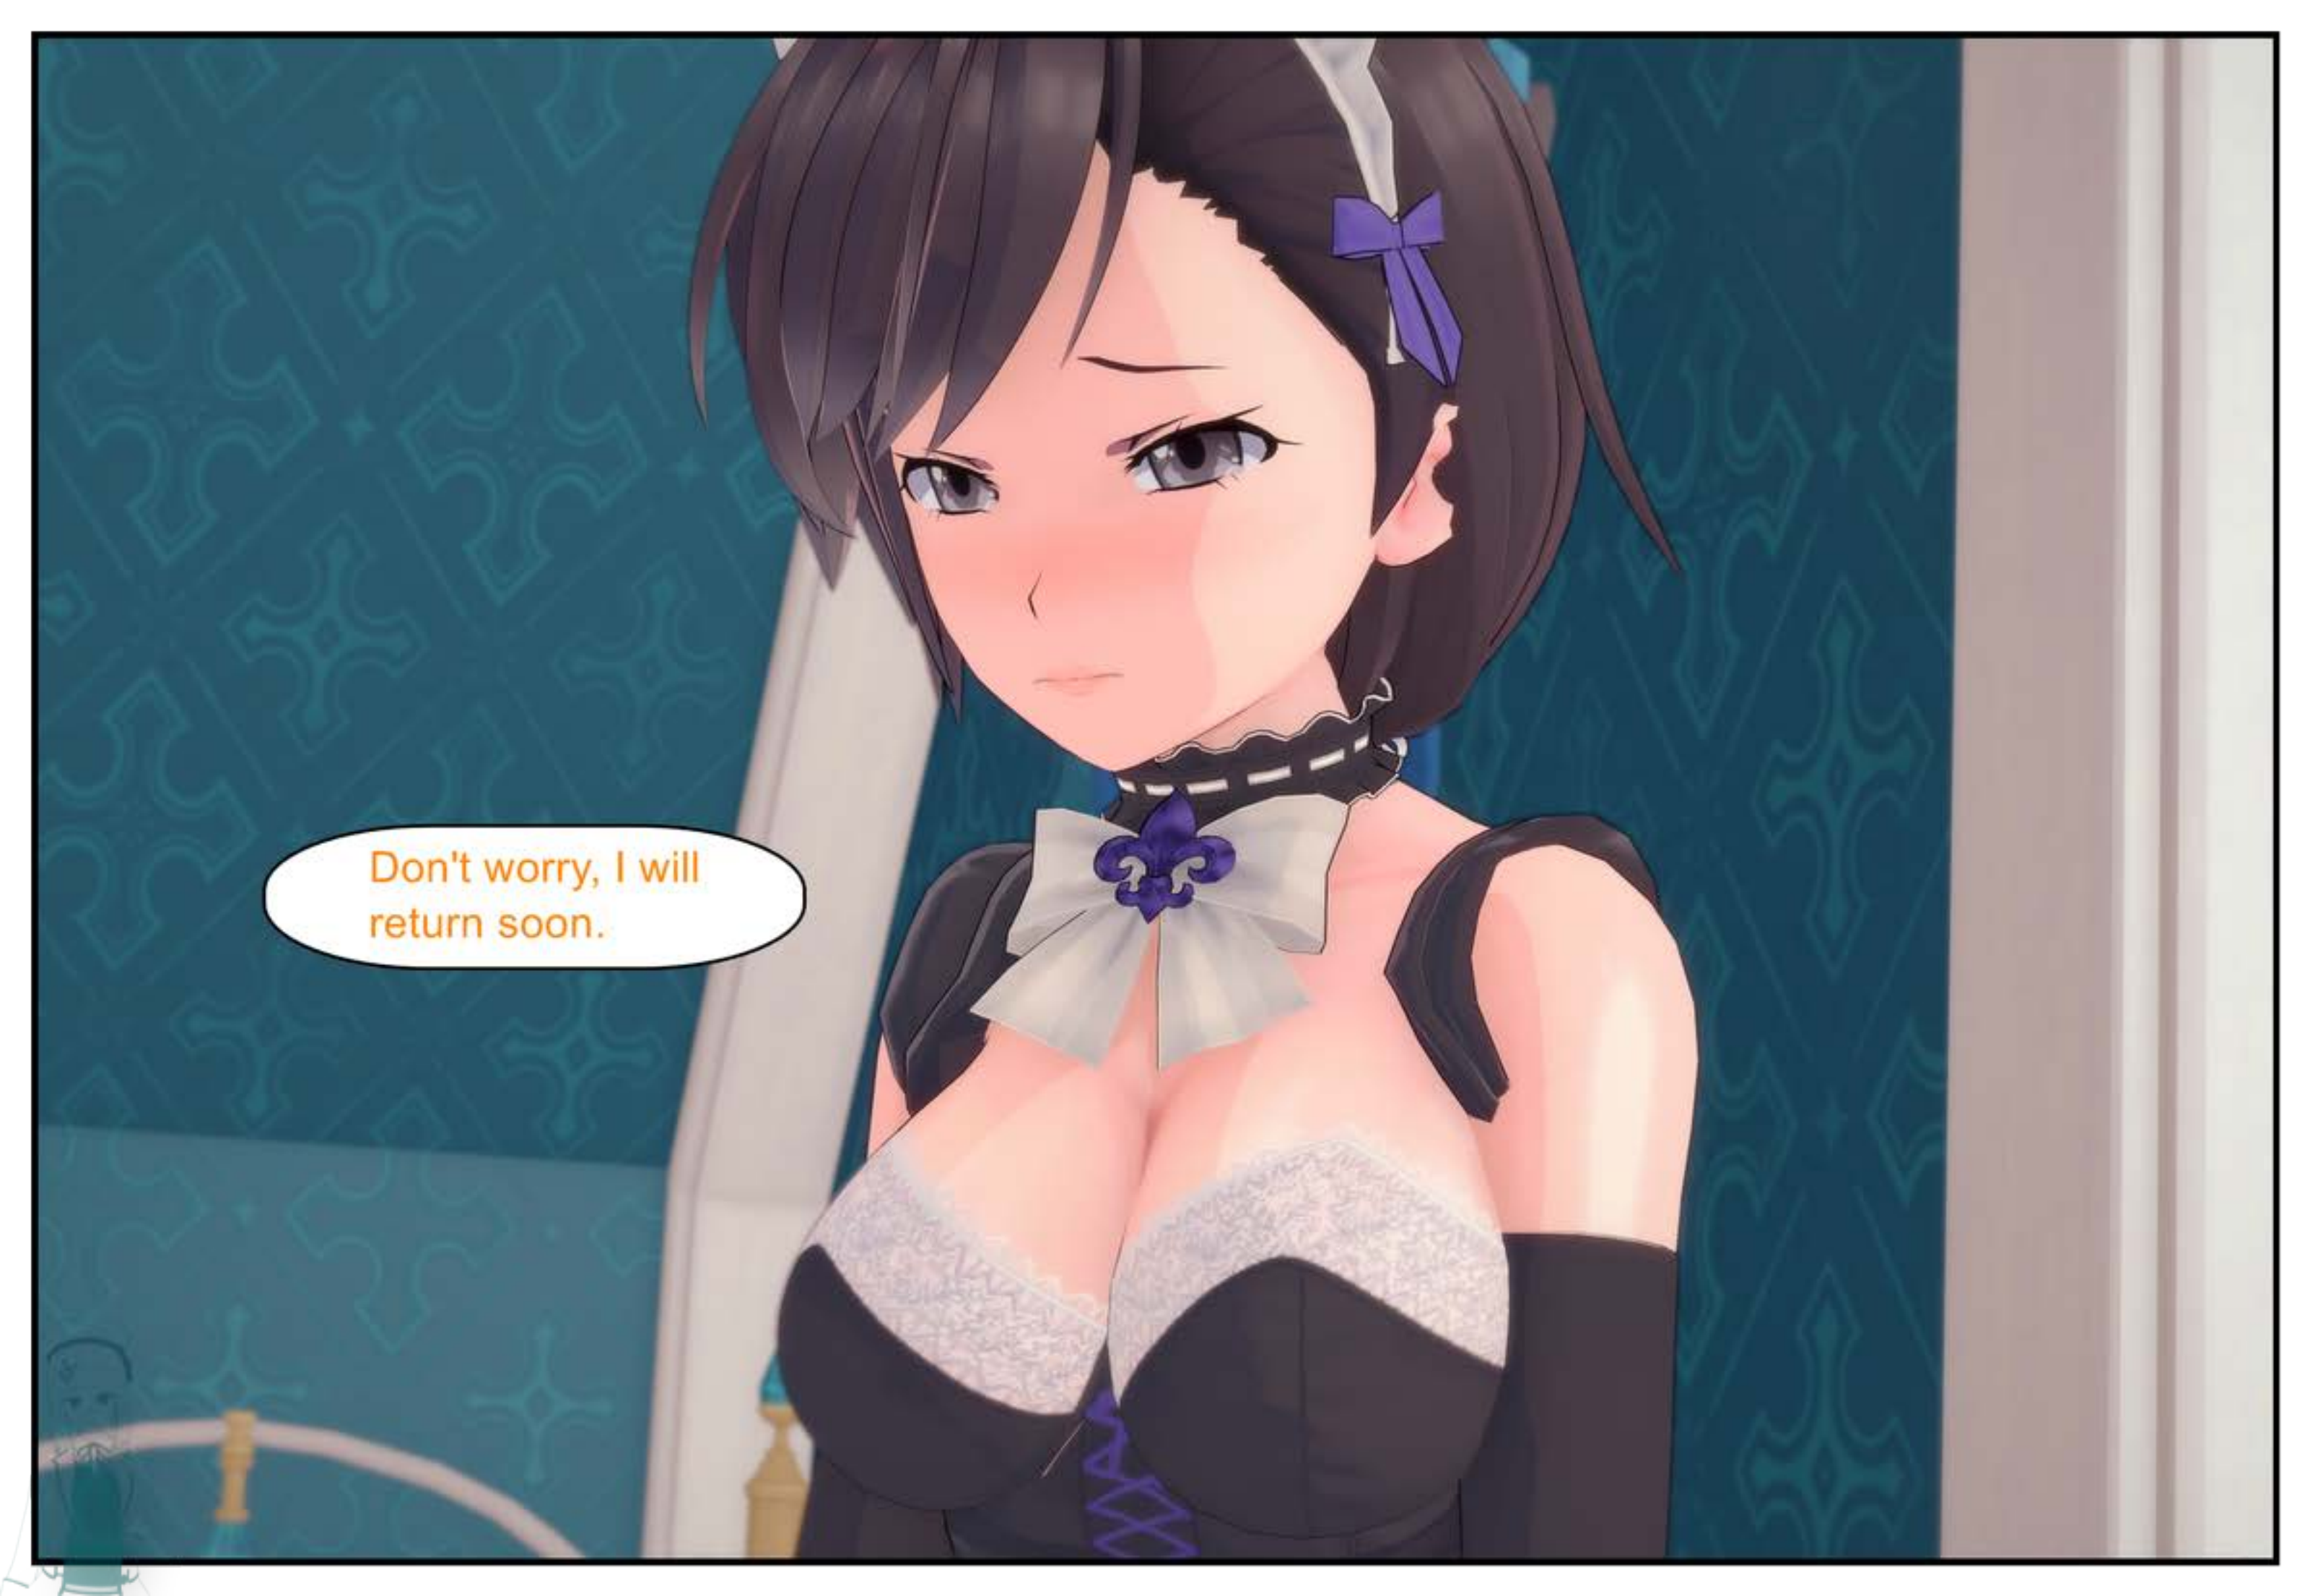

I don't afraid him! If  
he ever dare to hurt  
my Princess Tania...

...I will protect you  
no matter the cost,  
even death!

A young girl with long, flowing blonde hair is shown from the chest up. She is wearing a light blue, long-sleeved dress with ruffles and a small blue bow at the waist. Her hair is styled with a light blue bow at the top. She has a soft, slightly sad expression, looking down and to the left. A speech bubble is positioned to her left, containing the text "I knew you would say that, Anie." The background consists of a teal wall with a repeating geometric pattern and a white door frame.

I knew you would say that, Anie.

Don't worry, I will  
return soon.

Princess Tania entered!!!

Father, I come as  
you wanted.

Tania, my dear daughter,  
you understand the situation  
that our country were in.

To gain peace, I want you to agree with his proposal.

No more sacrifice, and we will receive support from his empire...

Please forgive me, Father.  
But I refuse this marriage.

Moreover, he barged in  
and threaten Anie, my maid.  
I don't accept that kind of  
behaviour...

Hey hey! Watch your mouth! Your kingdom is also mine!

P-Please, Mr. Gallow.  
My daughter is a stubborn girl.

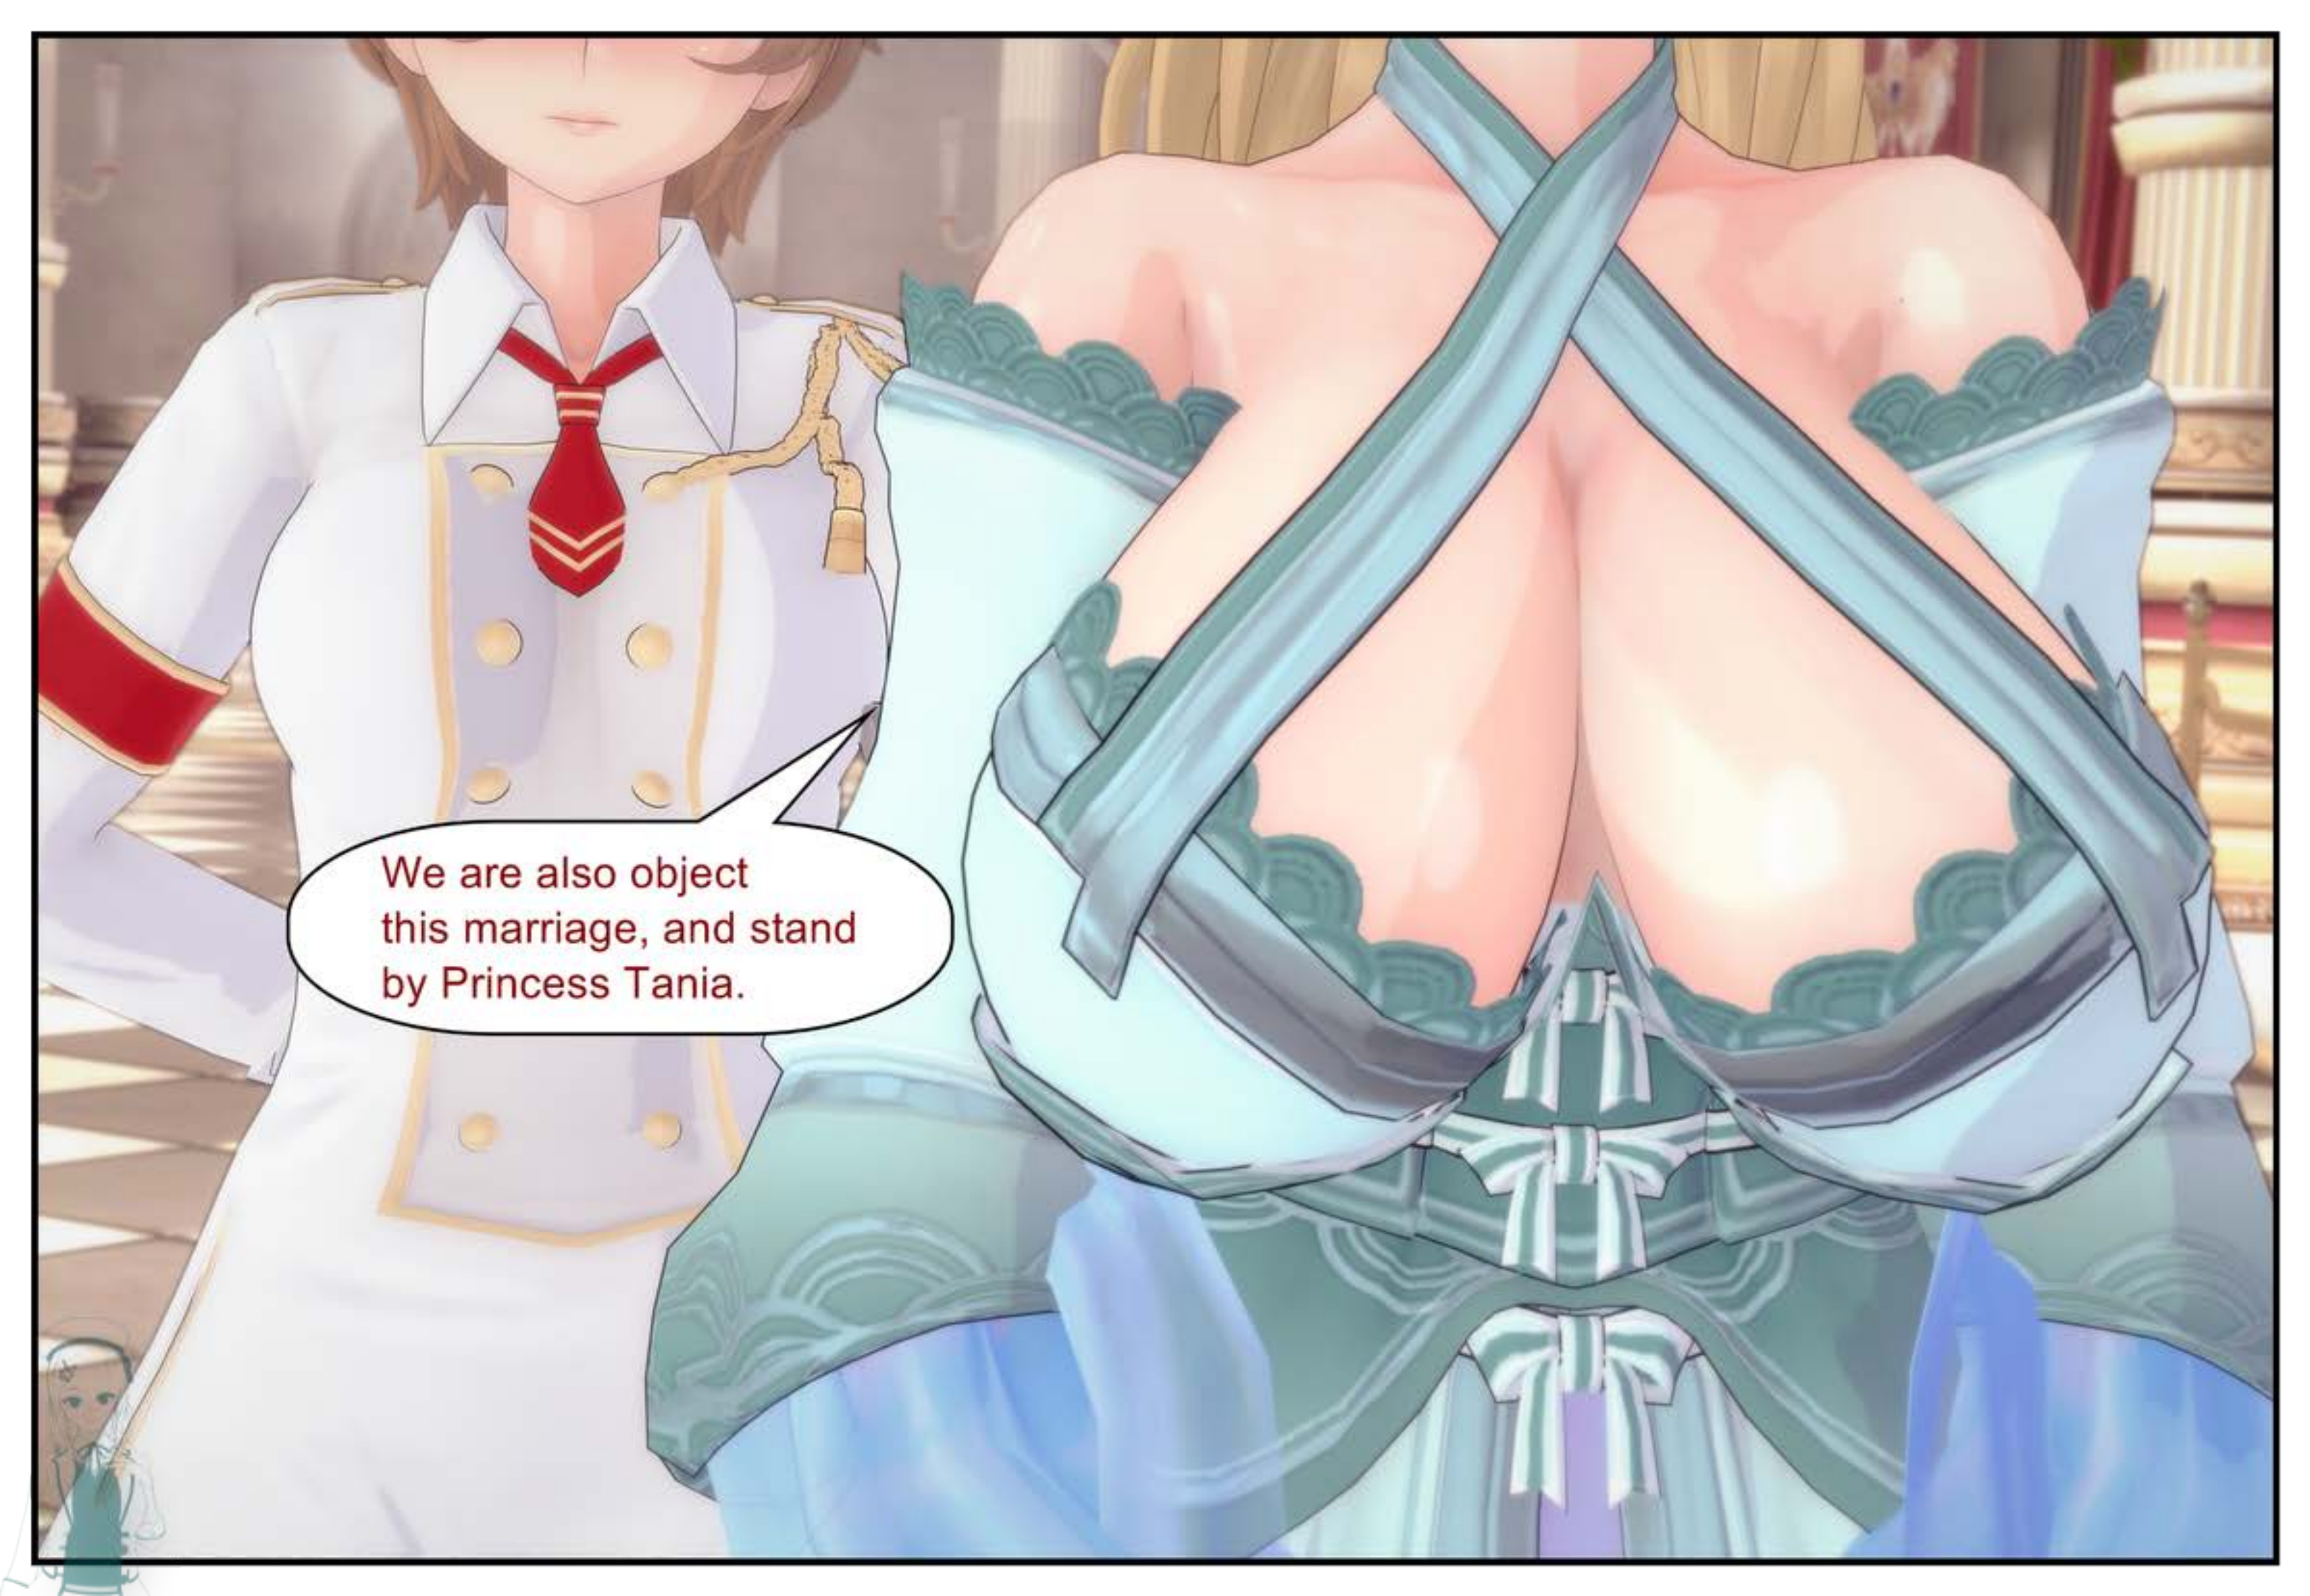

Do you wish to see  
your citizen suffer  
because of you, Tania?

Hold your horse, Prince of the Tyrant Empire.

We are also object  
this marriage, and stand  
by Princess Tania.

It should come from a true love, not by any force.

Hey there, old man. If I didn't come, you would see your daughter as your bargain chip for peace.

T-The Queen... of Elf Kingdom... What brought you here?

Heard your home was invaded, I knew your Father would act stupid.

Aunt Marry, I'm glad that you came!

Queen Marry, please  
careful with your words.

I bet Tama will surely  
show no mercy to her husband.

Who are you people  
and dare to interrupt  
my business!?

Elf Kingdom or  
whatever, my Father  
will destroy you all!!!

Mr. Gallow!!! Don't...

Why haven't you and your Father done it already?

Usually, I would take  
your head for your disrespect  
to our Queen.

But I don't want your tyrant blood on my sword.

Old man, after seeing how you are treating your daughter and people...

...I decide to take her  
with me to the Elf Kingdom.

N-No... You can't...

As a friend of Tama,  
I'm also Tania's legal guardian.

I'm glad to have  
you here.

Take her away, and I  
will send an army to  
your Kingdom!!!

We will be waiting for them to come.

I wonder when your  
Father hear about the  
Elves, will he agree  
with your decision?

Of course, can I take my maid with me, too?

Be ready to gather your necessary, okay?

T-Tania... Please...

Hm... This is unexpected...

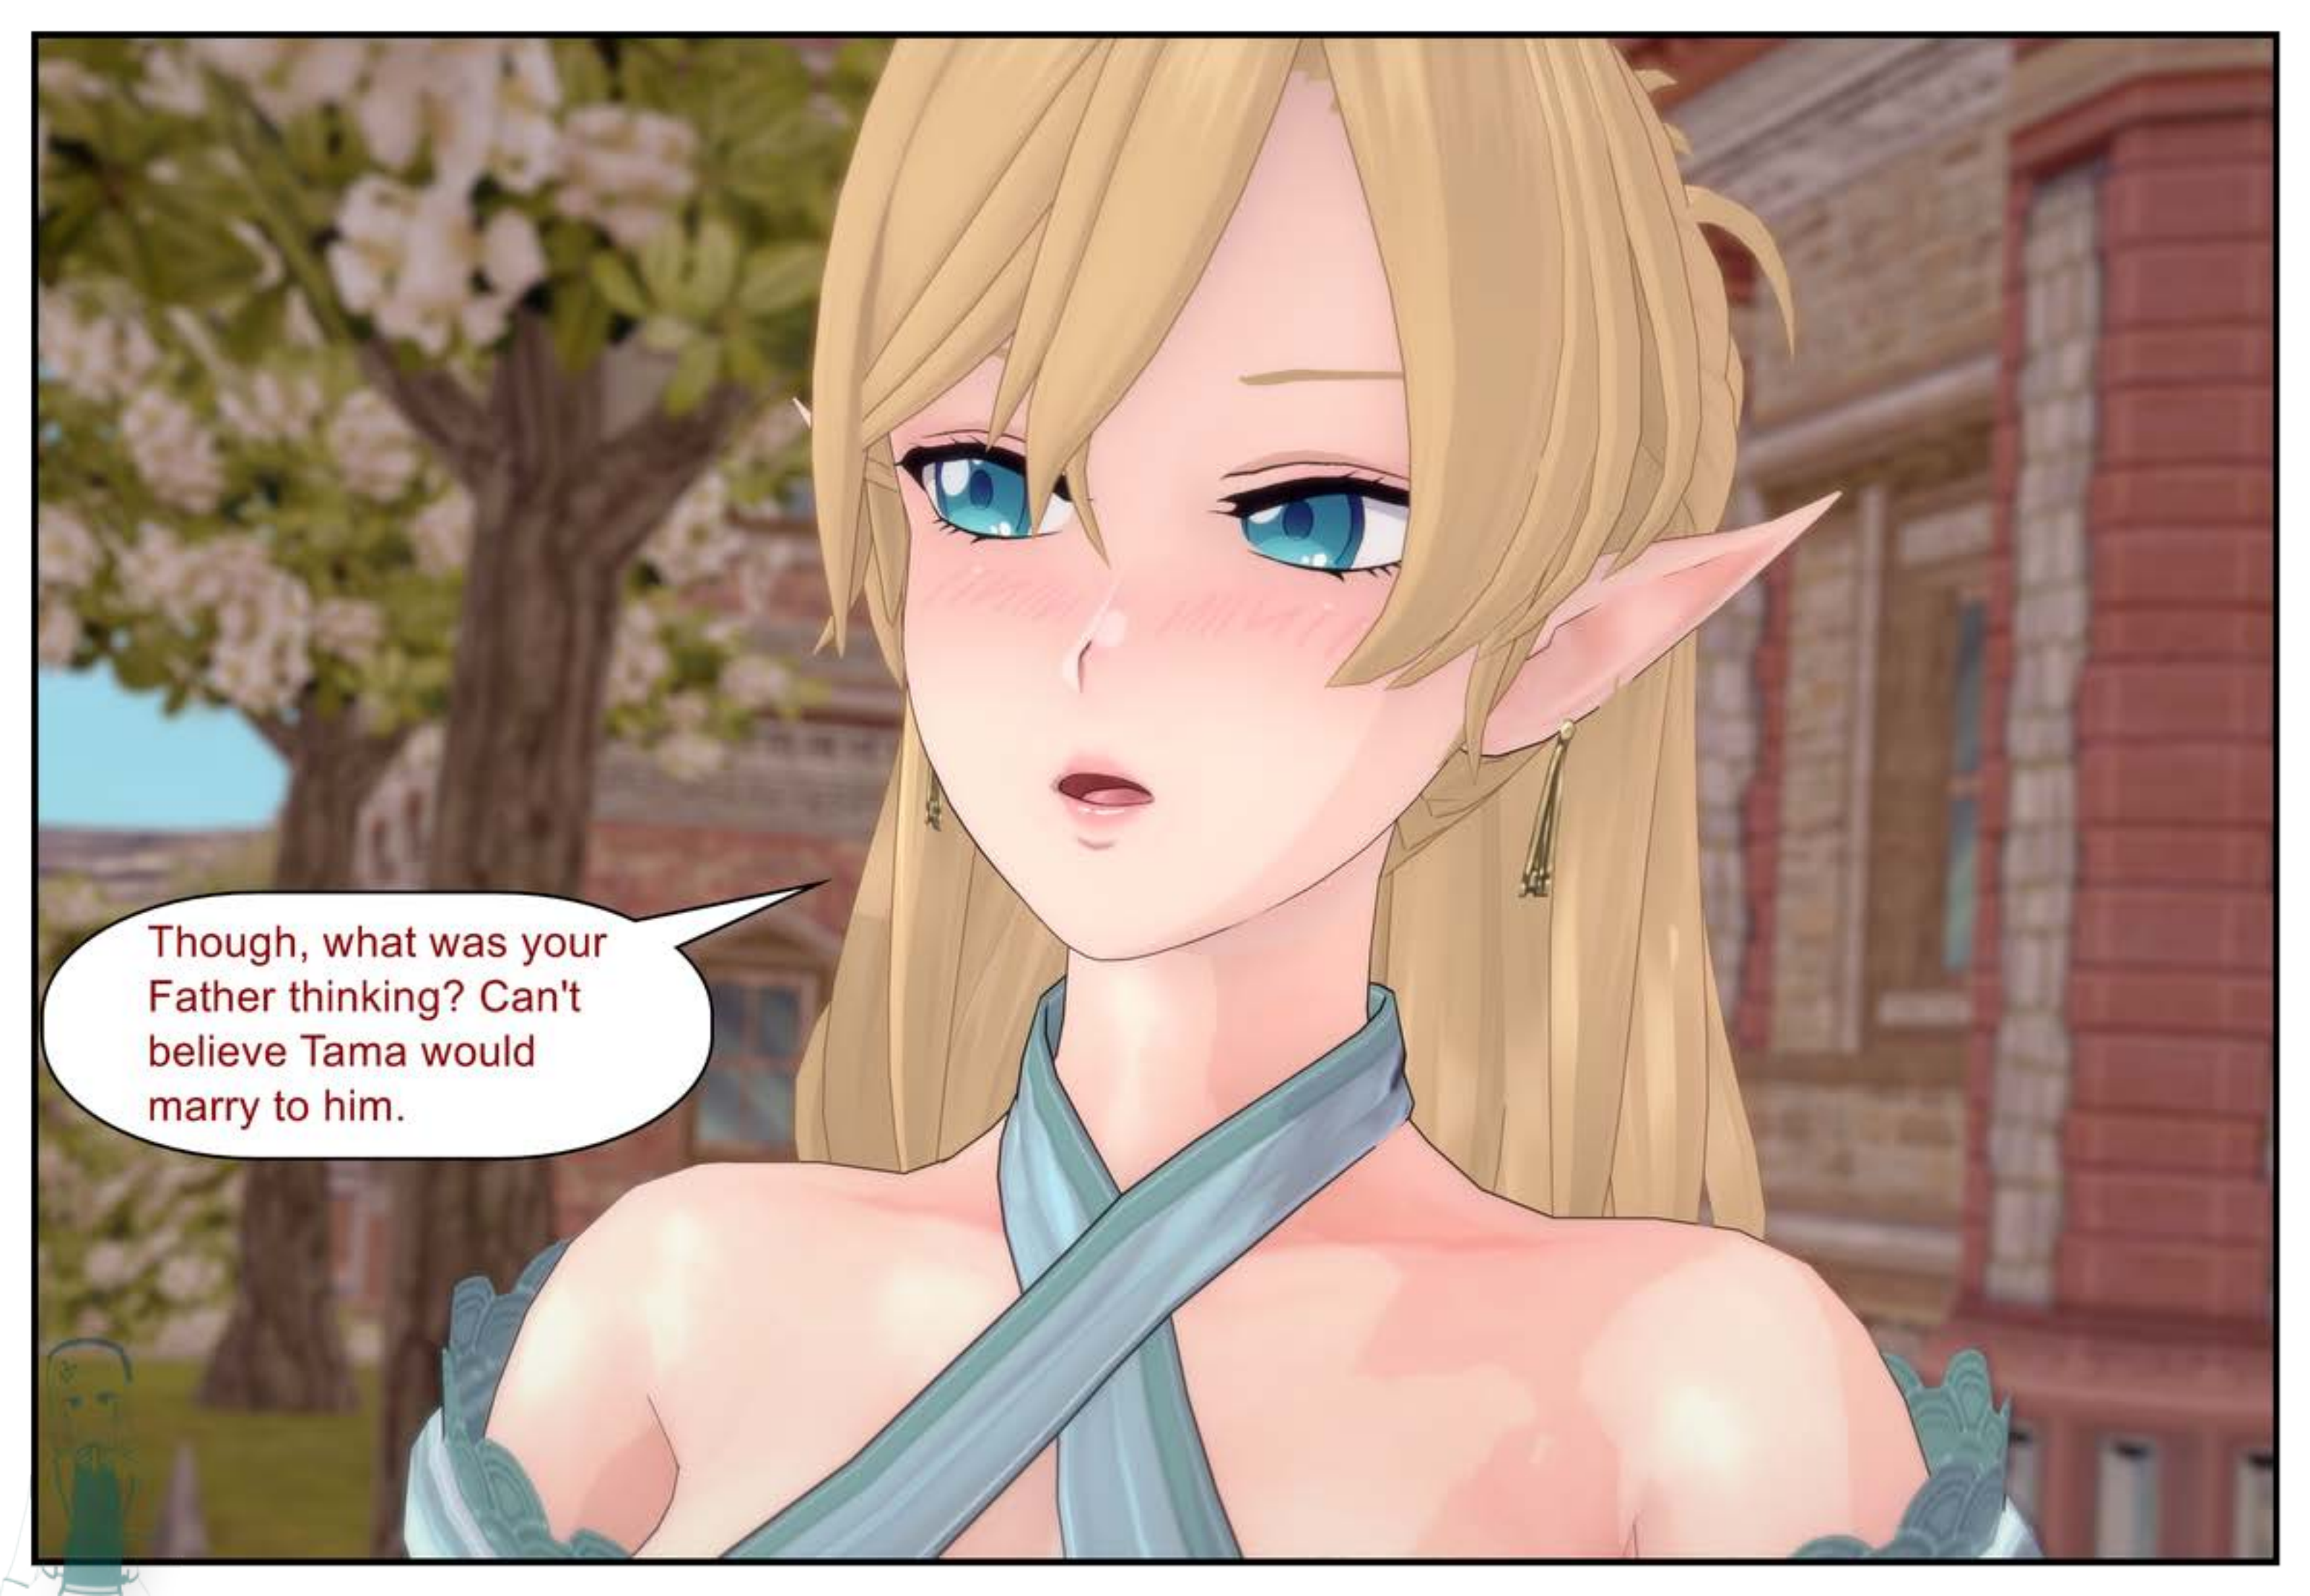

I forgot that I have to greet with the Orc Tribe, and they a bit dislike human.

It's alright. I will wait for your return.

Don't worry. I will be back in a day, also, I will left my guards here to protect you.

Though, what was your Father thinking? Can't believe Tama would marry to him.

To me, it just  
his excuse.

For the citizen of  
this kingdom, he  
has his reason.

A while later...

How much further,  
General Misha?

About half-way. Do you wish to stop to rest a bit, Queen?

No, I'm not. I wonder if monsters could show up any moment?

I really want to get  
back soon to Tania  
fast right now...

Ahaha... Me too, I don't want to see them rage up.

The Orc won't be happy to hear that, my Queen.

General Misha!!!  
We have an intruder!

A black mage...?

Please stay back,  
Queen Marry!

It seem that she's not here to be friend with us.

Everyone! Below  
you! Get out of there!!!

Rise... and burn  
them to ash...

Gyyyyaaaaaaa!!!!

AAAAAAHHHHHHH!!!!

Zhao... Alex...

Ufufu... I already kept watching ever since you left the town.

We are here to  
welcome you,  
Queen Marry.

We...?

Behind you,  
my Queen!!!

"A royal knight!?"

"What are they plotting!?"

"No matter what, I  
have to keep them  
away from her!"

It's a pleasure to meet you, Queen of the Elf Kingdom, Marry.

But from this woman's memories... I think you two know each other.

That's right. I thought  
I would never found  
your body...

So... the rumor was true, as someone recognized you in an expedition party.

Words actually flied around, hm?

The Frozen Queen,  
every step she make will  
turn into ice.

And Crimson Elf,  
burn everything on  
her path.

We used to be a great companions. Why did you kill my soldiers and ambush me?

"For a royal knight,  
she seem to be weaker  
than I thought..."

"Tch... Because I'm only a priest. I don't know how to play sword in this body."

A close-up illustration of a character with blonde hair, wearing blue and gold armor. The character is holding a sword with a glowing blue hilt. The background shows a rocky, reddish landscape. A speech bubble is positioned above the character's hands.

"But... This is not  
our true intention..."

"This isn't real...  
Hyoko I knew...  
wasn't like this!"

Gulp... Gulp...

W-What in the  
heaven is this!?

W-What...!?

Gulp... Gulp...  
Uck... Gulp...

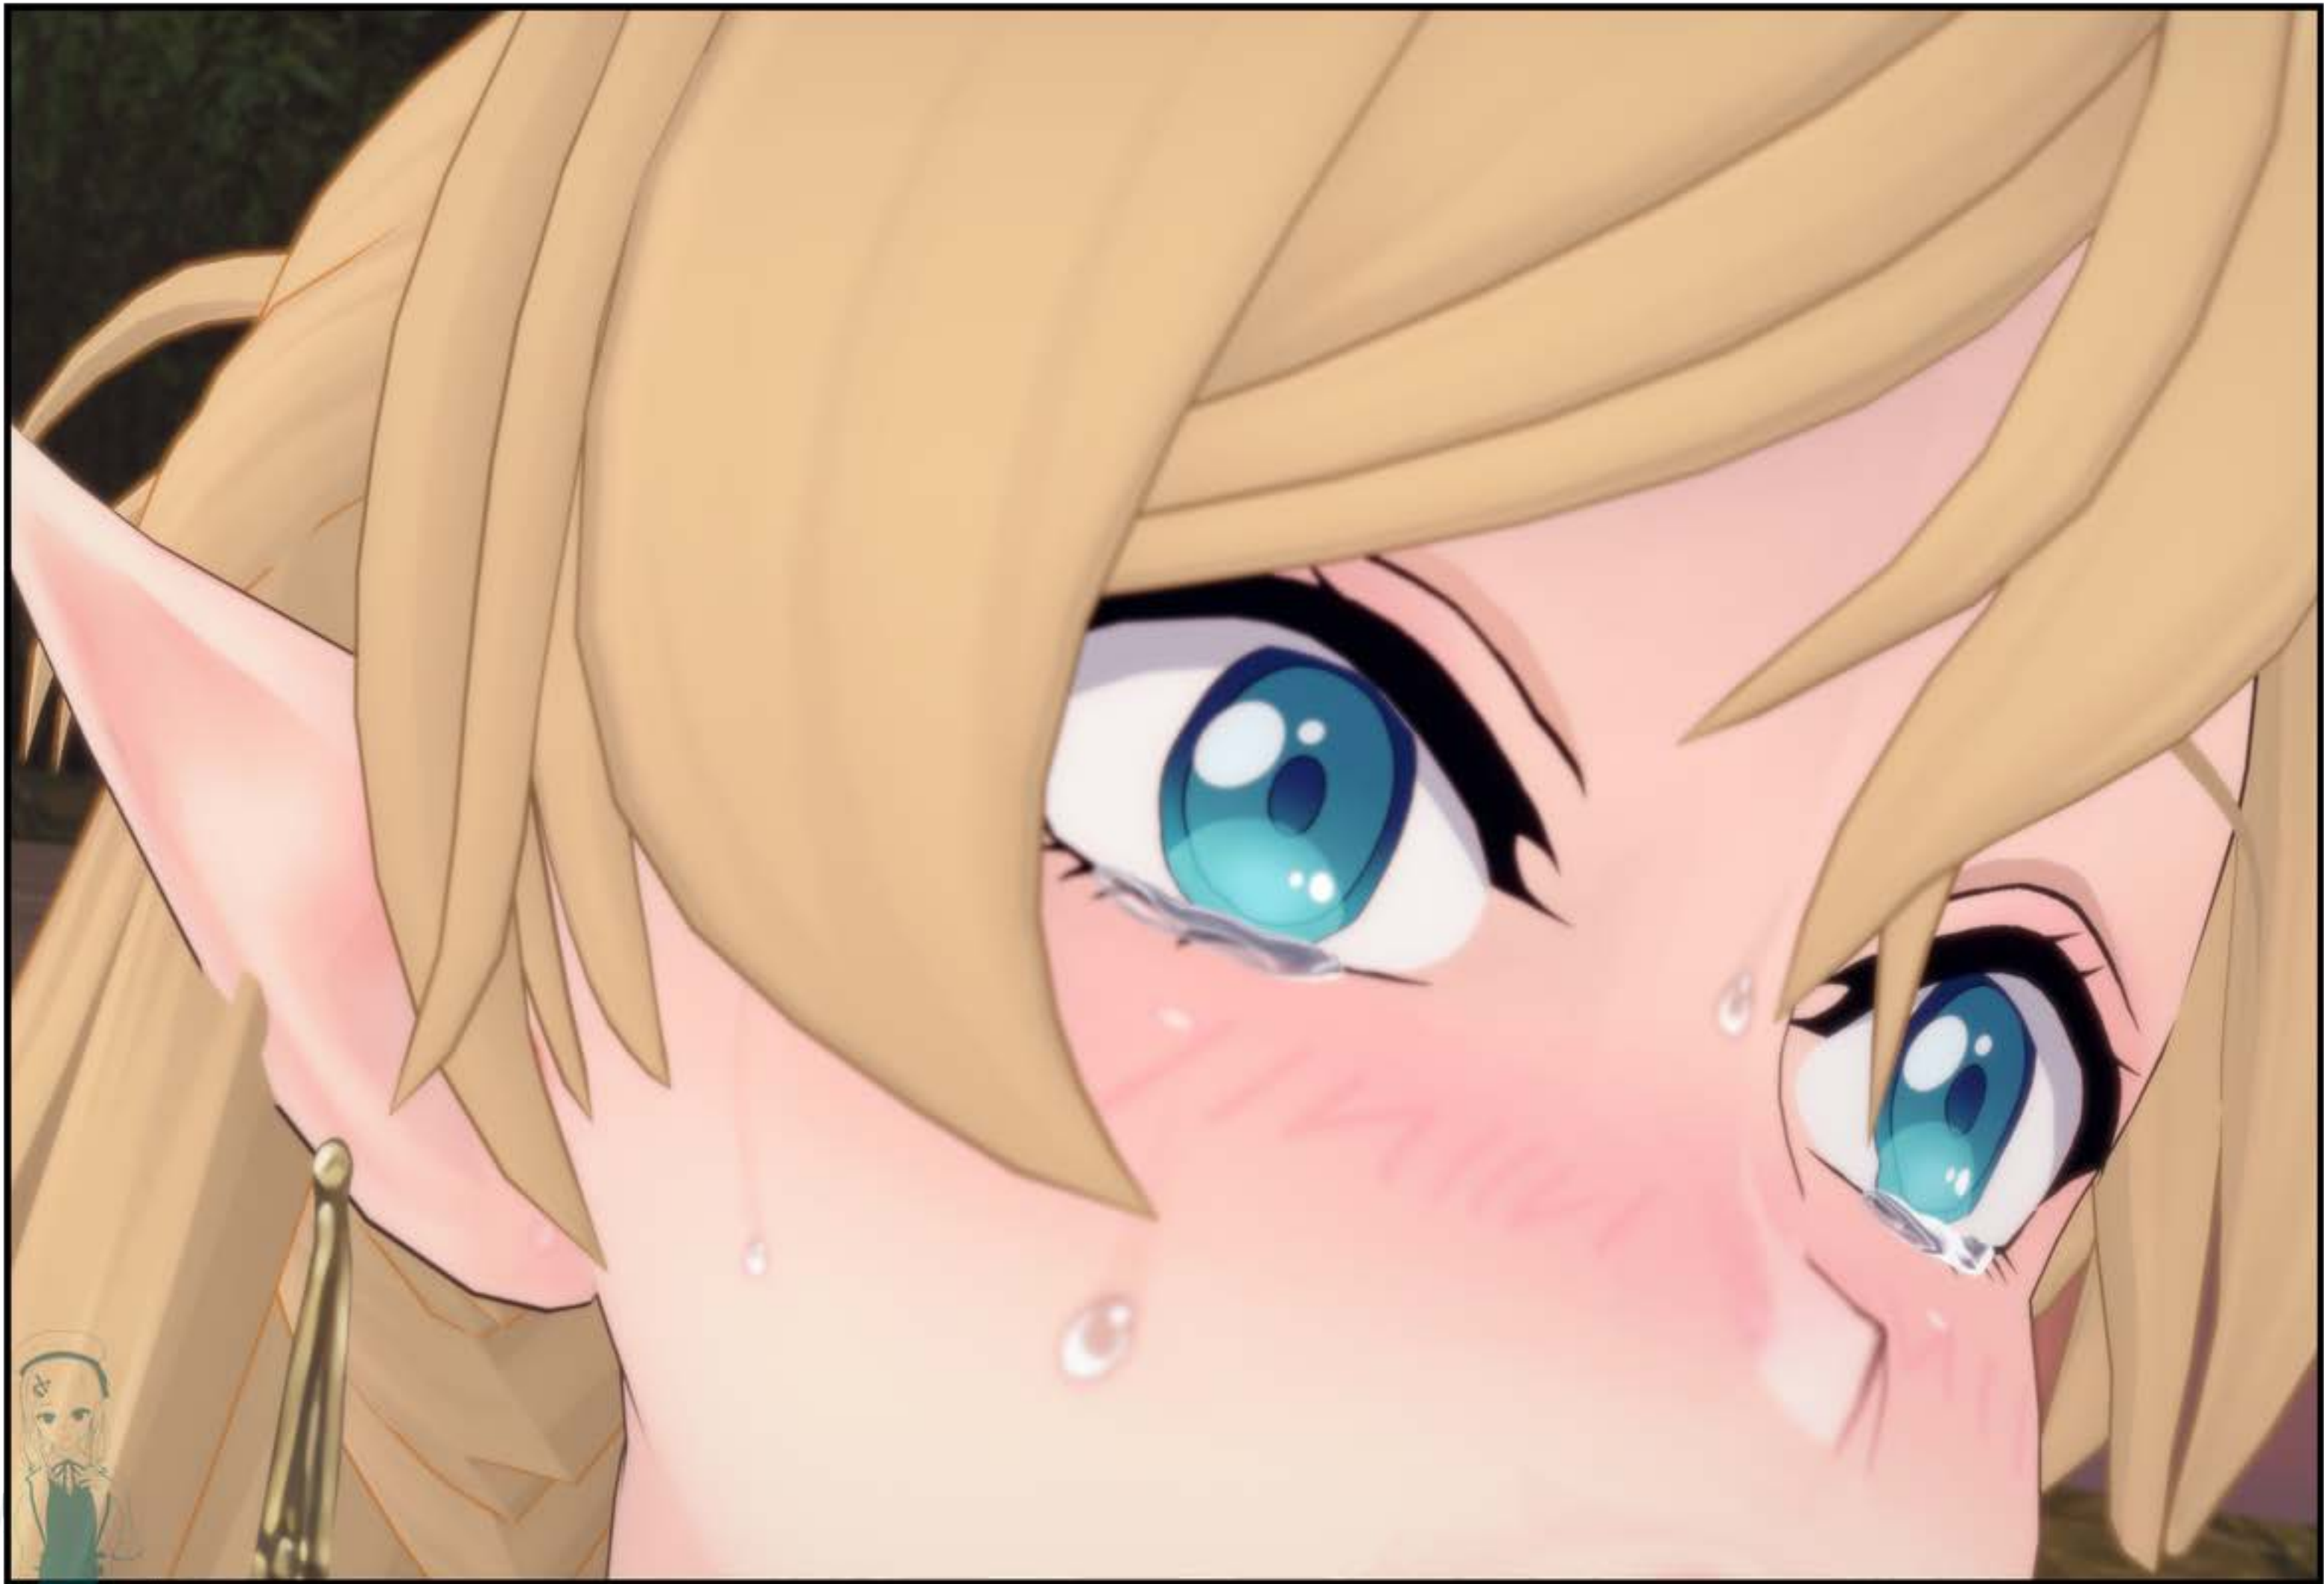

"T-This is not..."

Gulp... Gulp...

Gulp... Uck... Gulp...  
Gulp... Gulp...

Slurpppp... Gulp...

...Gulp...

...Gulp...

Everything went pretty smooth.

What are we going  
to do now?

Our goal for today  
is done, capture  
these two.

Also, I can see that  
the General still  
kicking inside you.

To her, you are weak  
and not completely  
take over.

Which is why... we  
are going to weaken  
her first.

Exactly, you caught  
up quick.

Let the fun begin, then.

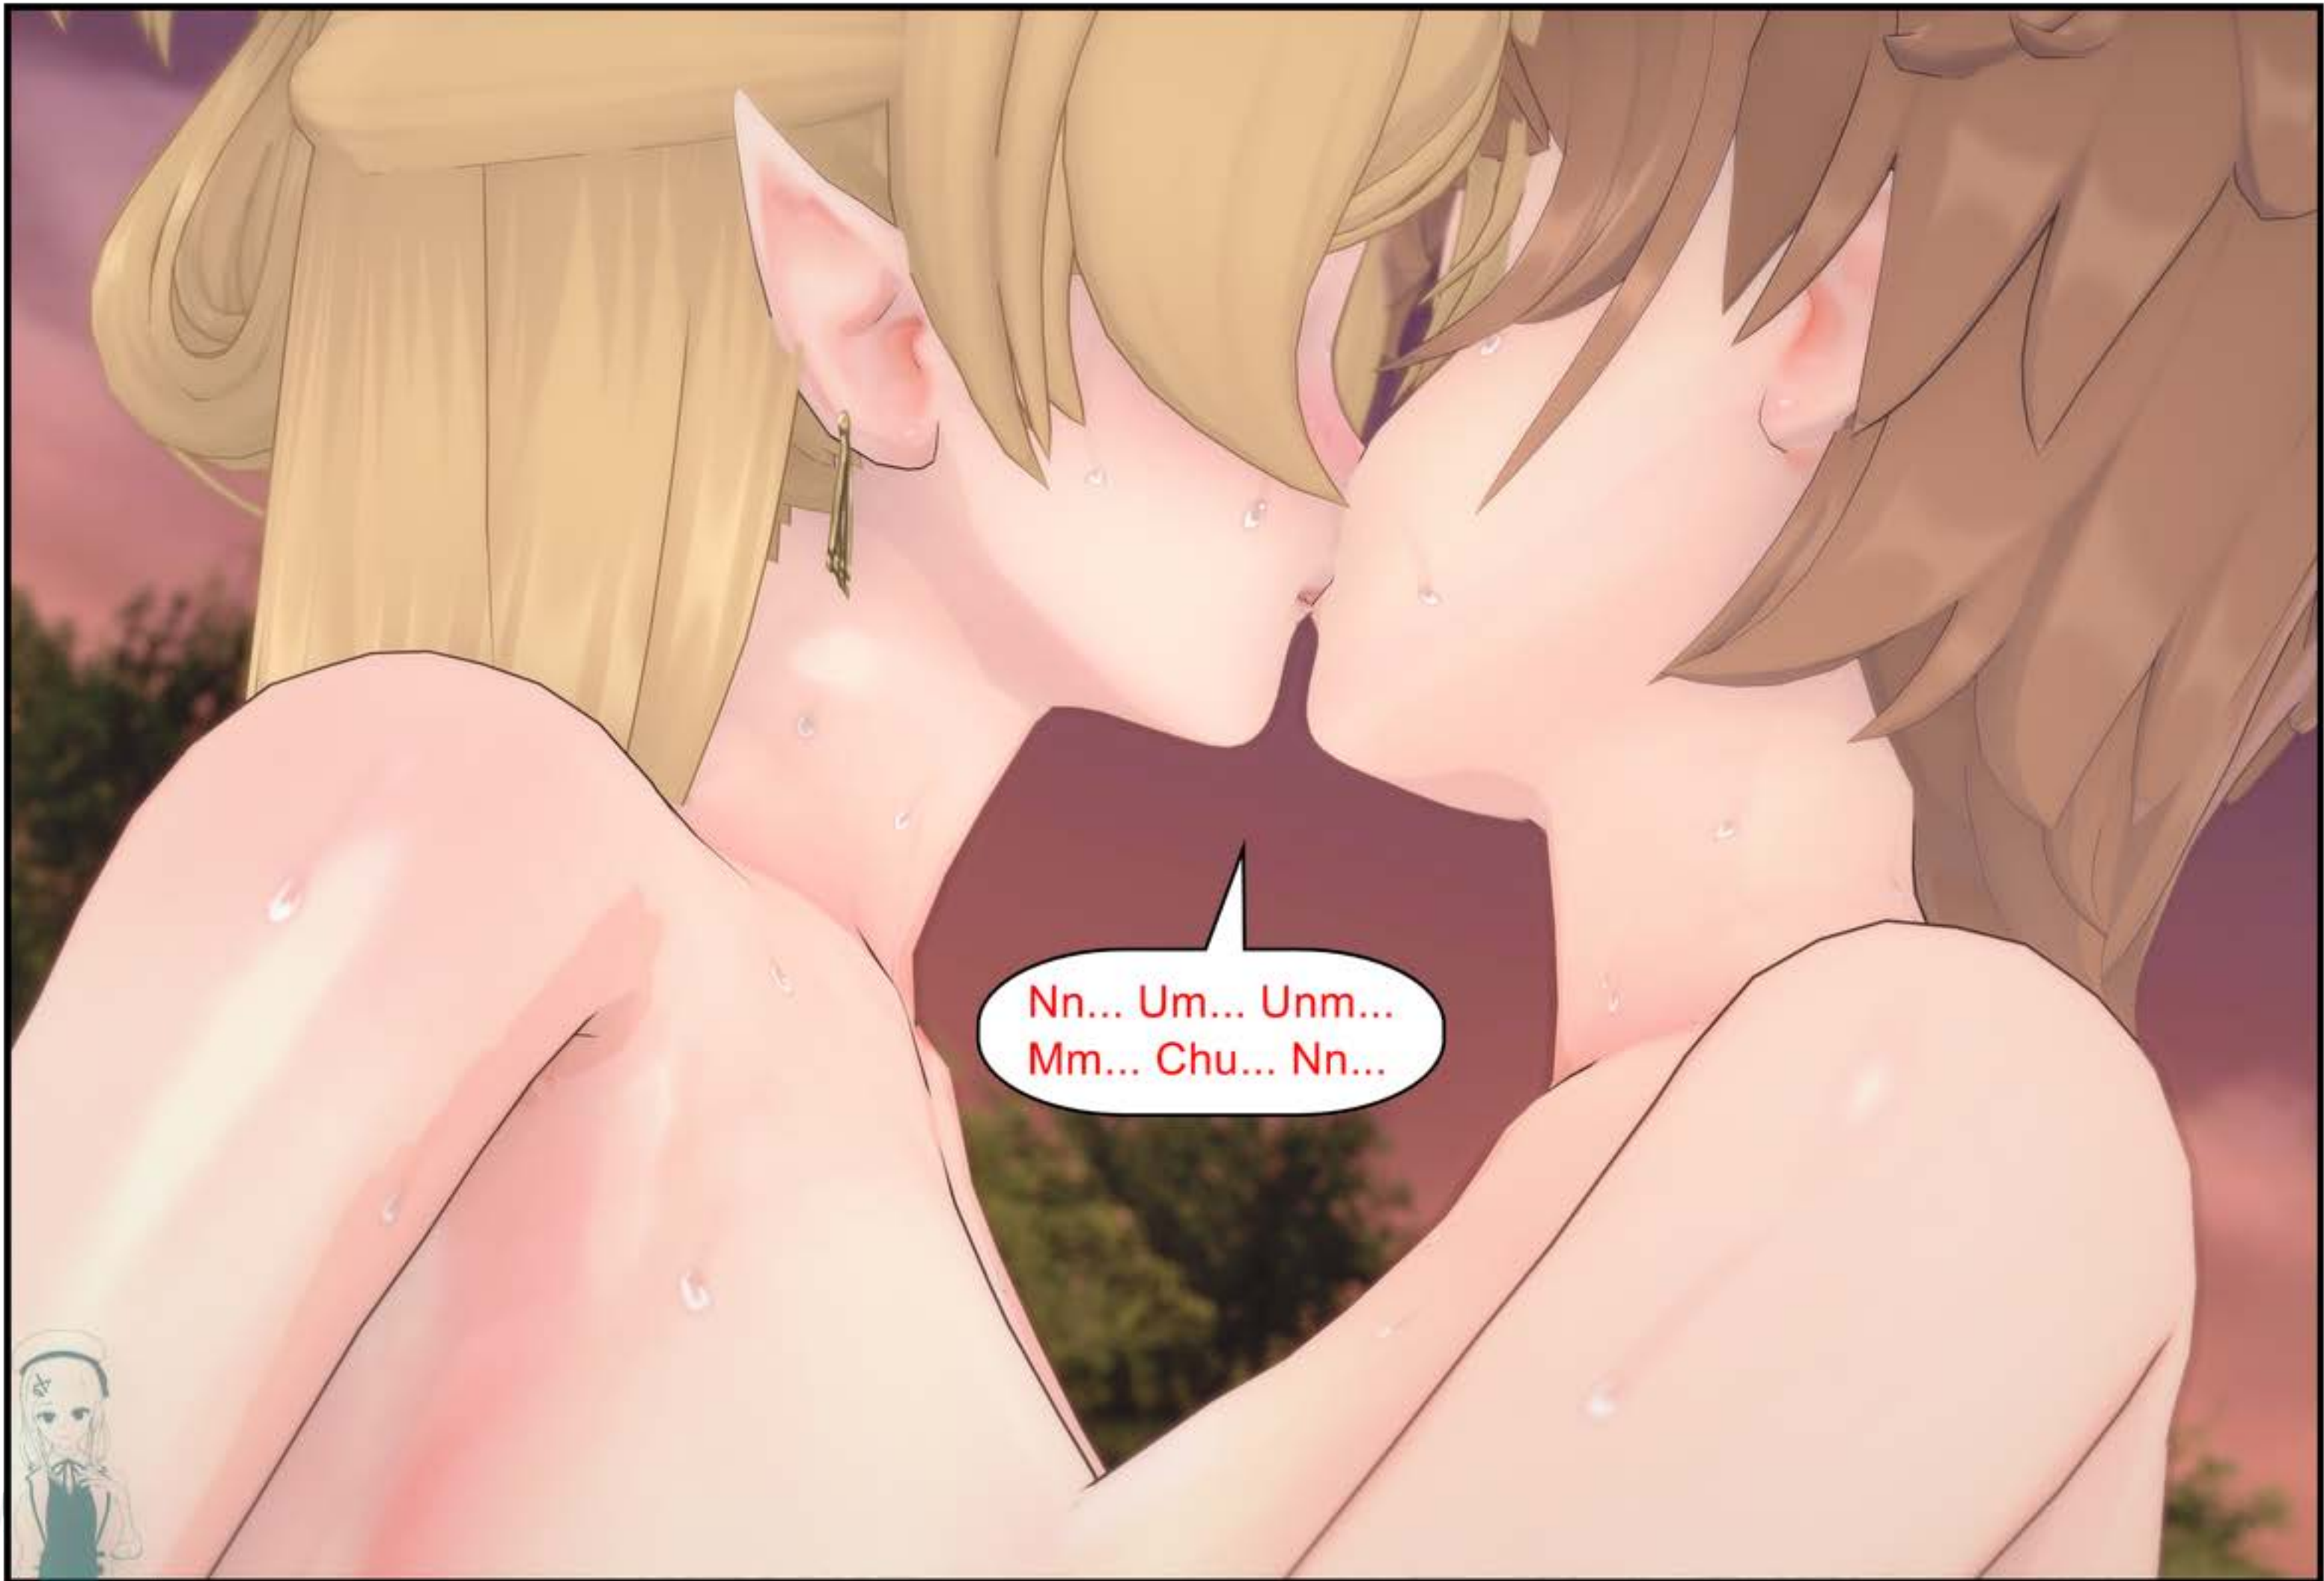

Un... Mm... Chu...

Haha... Haaahhh...

Hehe... I also get  
a hang of this power.

But I want to learn more  
trick from you...

Soon, you will know  
it for yourself.

To be continued?

But now, it's your turn  
to make me cum.
