## *Sissy Whispers - Eve*

Has your husband come out to you as a woman and are unsure of what to do? This file is for the wives of any sissy that may be having trouble accepting their significant other's true self. Through continued listening, this recording will make any woman much more accepting of their lover's feminine side, and even more determined to nurture and develop the girly behaviors that she knows is the best for him.

Through "Sissy Whispers Eve", any wife can become the girl-making dominatrix her sissy husband needs in no time! Automatically imagine yourself and your lover whenever you see two girls together in public. You'll absolutely love telling your husband what to do, especially when he does what you say! Getting uncontrollably wet watching your spouse emasculate himself will be your new hobby and you'll feel a growing need to sit on his face to relieve some of your growing sexual pressure. Your new fantasies will involve covering your husband in girly tattoos and piercings, and be unable to even imagine sex without your strap-on deep inside your partner's growing, girly, ass!

Find that your husband becomes much more interesting once you transform him into your loving girlfriend to take on shopping trips or simply help you out around the house. Life is too short not to give your loved ones exactly what they want, so why not take the plunge and become the girl-making dominatrix you have always wanted to become.
