The Orc doesn't even need to stomp her way over to the command console.

That's right! You're going to do what I say, or I'm going to come over there and smash you into the ground.

Now fire this damn machine up and give me the body of my dreams, slut!

Nobody is even considering fighting the massively muscled Orc or disagreeing with her.

You better do what she says, because I sure don't want to mess with her.

Uhhh,
yeah. What
she said. I might
fuck her, but I'm
not gonna fight
her.

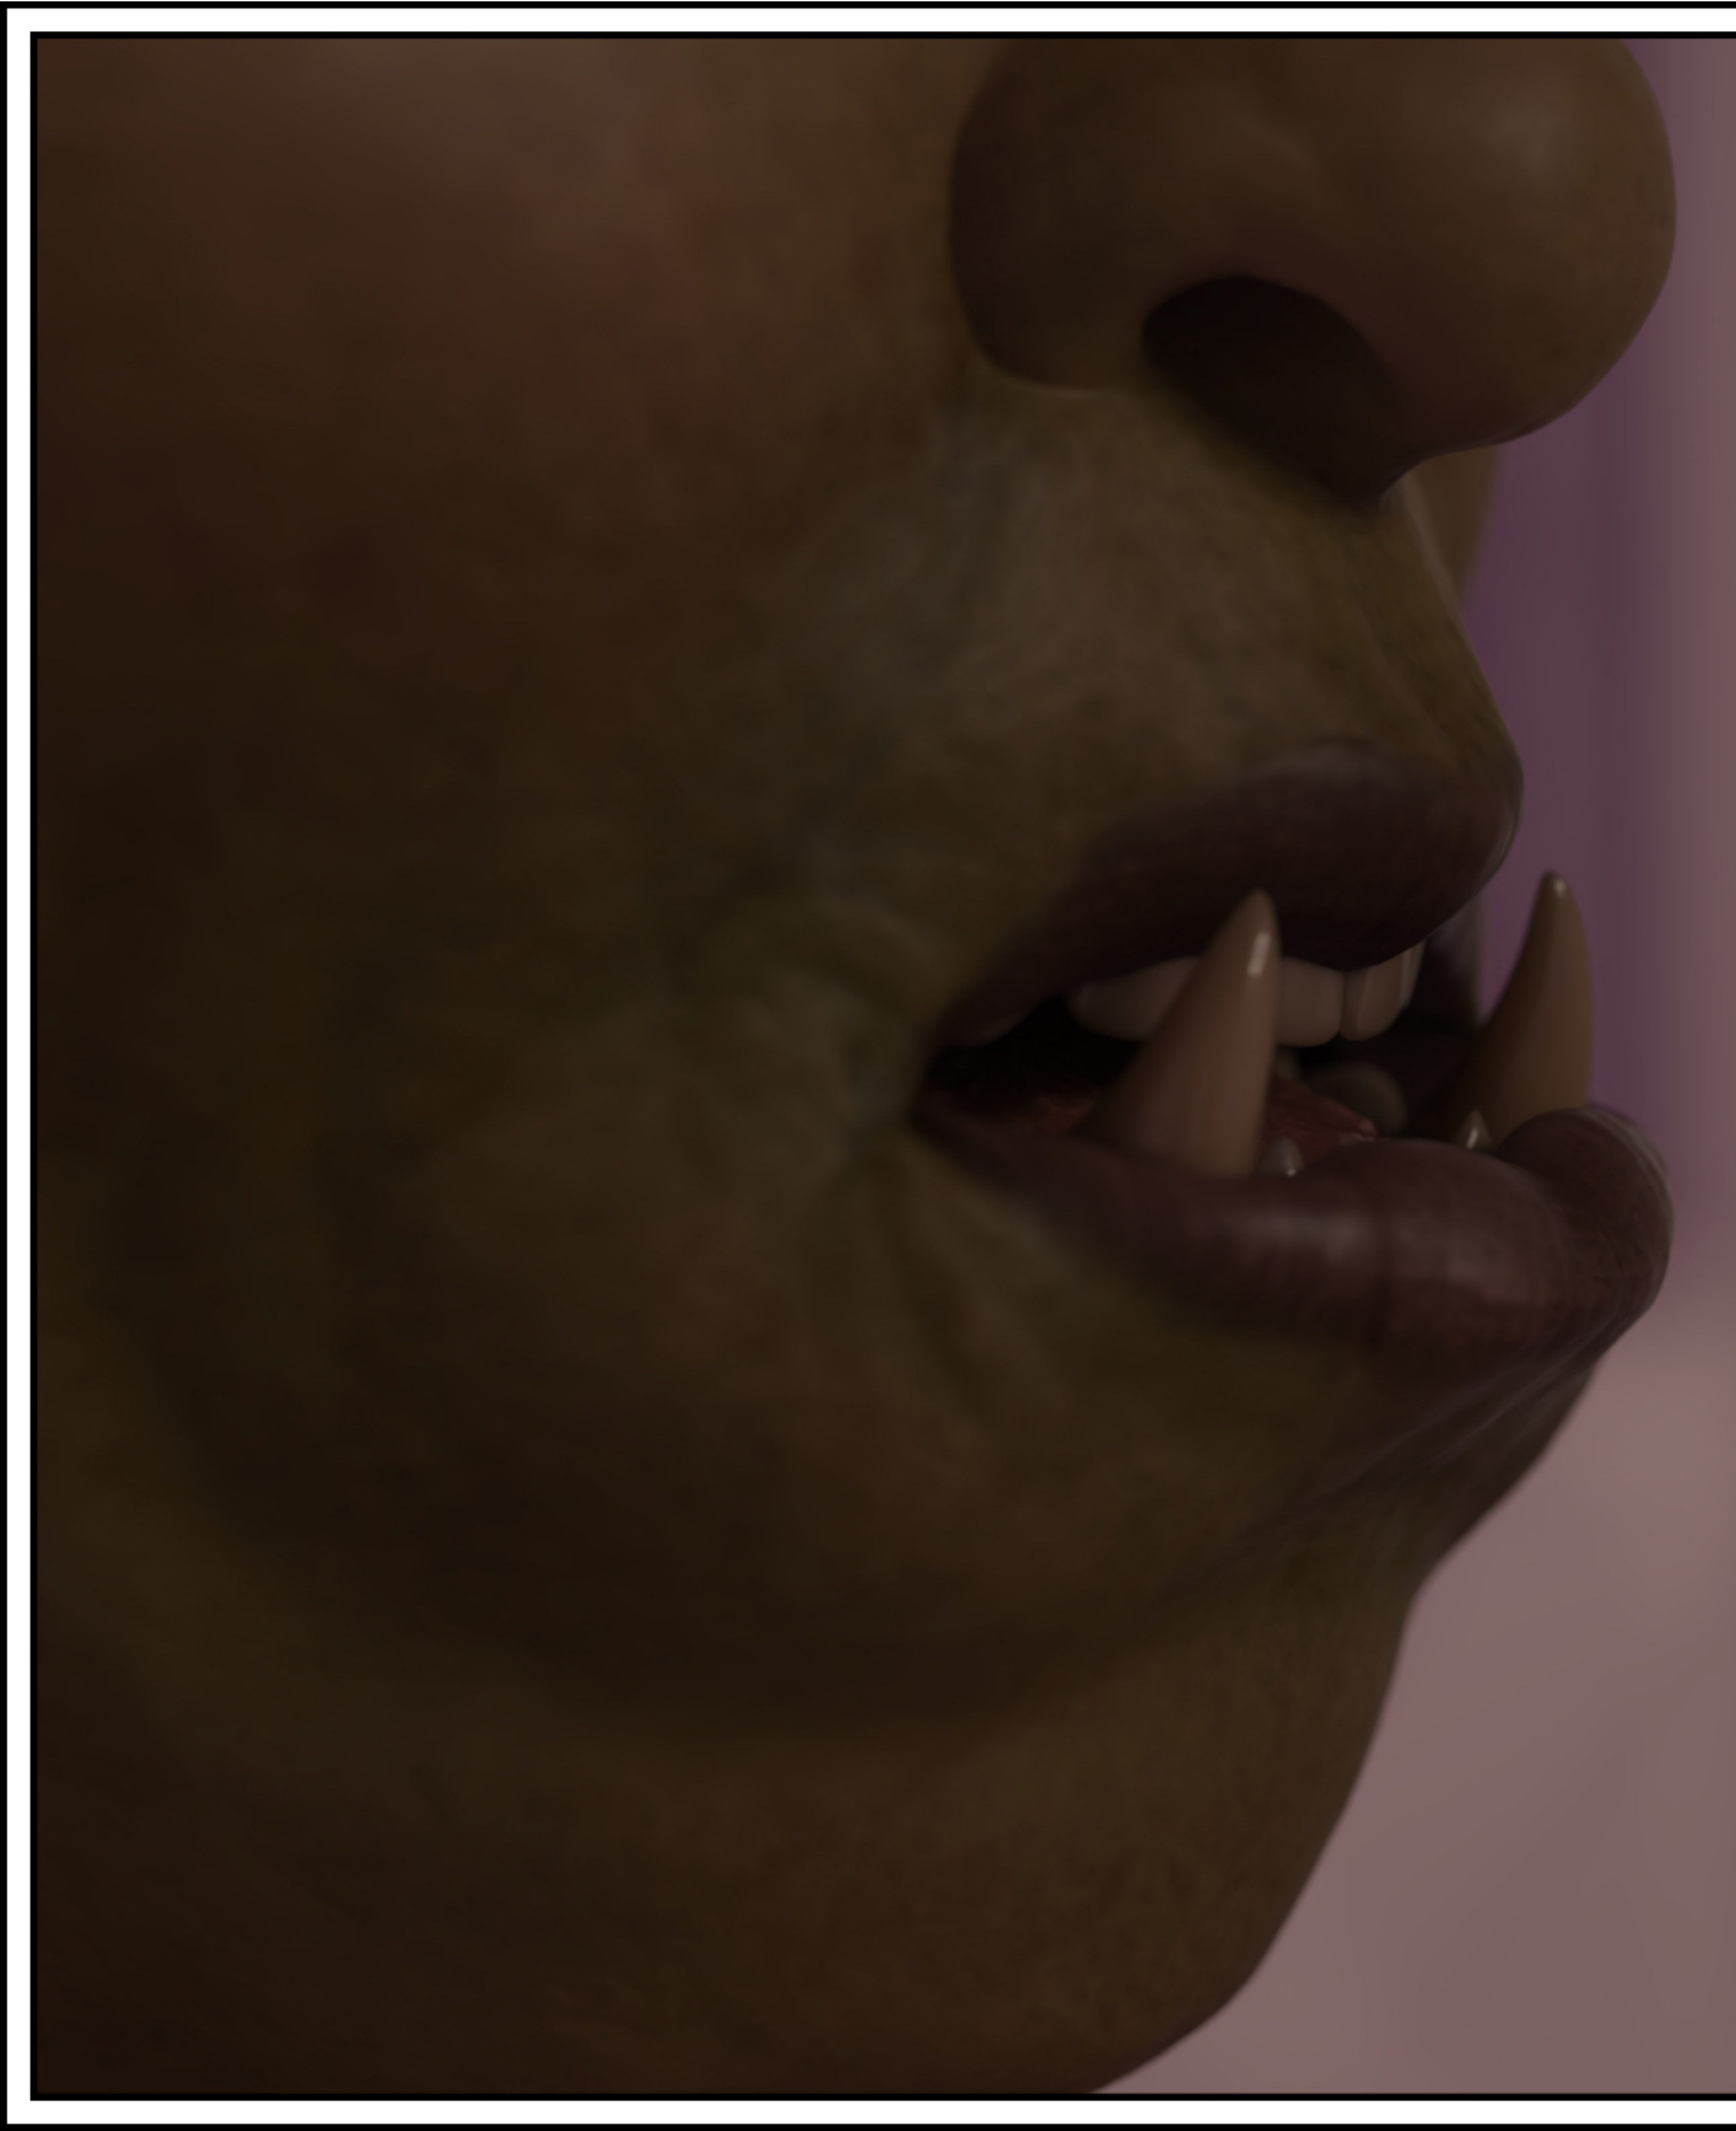

I
mean...
OK, but I don't
even know how to
do what she's
asking.
<giggle>

Sapphire is not trying to argue, but she really doesn't know what to do so she hits a bunch of random buttons.

Oh yeah! I can feel it, and it feels fucking great!

VVRRRRRRMMMMMM!!!

A close-up, dark-toned image of a character's face, focusing on the mouth and teeth. The character has large, sharp, white fangs and a dark, fleshy mouth. The lighting is dramatic, highlighting the texture of the skin and the sharp edges of the teeth. The background is a soft, out-of-focus purple and blue gradient.

The machine powers up, but it looks distinctly different from the other times it's been operating.

I like how this machine makes me sexier. I want more of that!

Swell!

A close-up, dark-toned illustration of a character's mouth, showing sharp, pointed teeth. The character's lips are slightly parted, and the overall lighting is dim, creating a moody atmosphere. A speech bubble is positioned to the right of the mouth, containing the word "Fuller!".

Fuller!

Plumper!

Plusher!

Sapphire isn't aware of it, but Dr. Stealz went through her medical kit after she captured her.

It feels good when the men tell me that I'm pretty.

Grow!

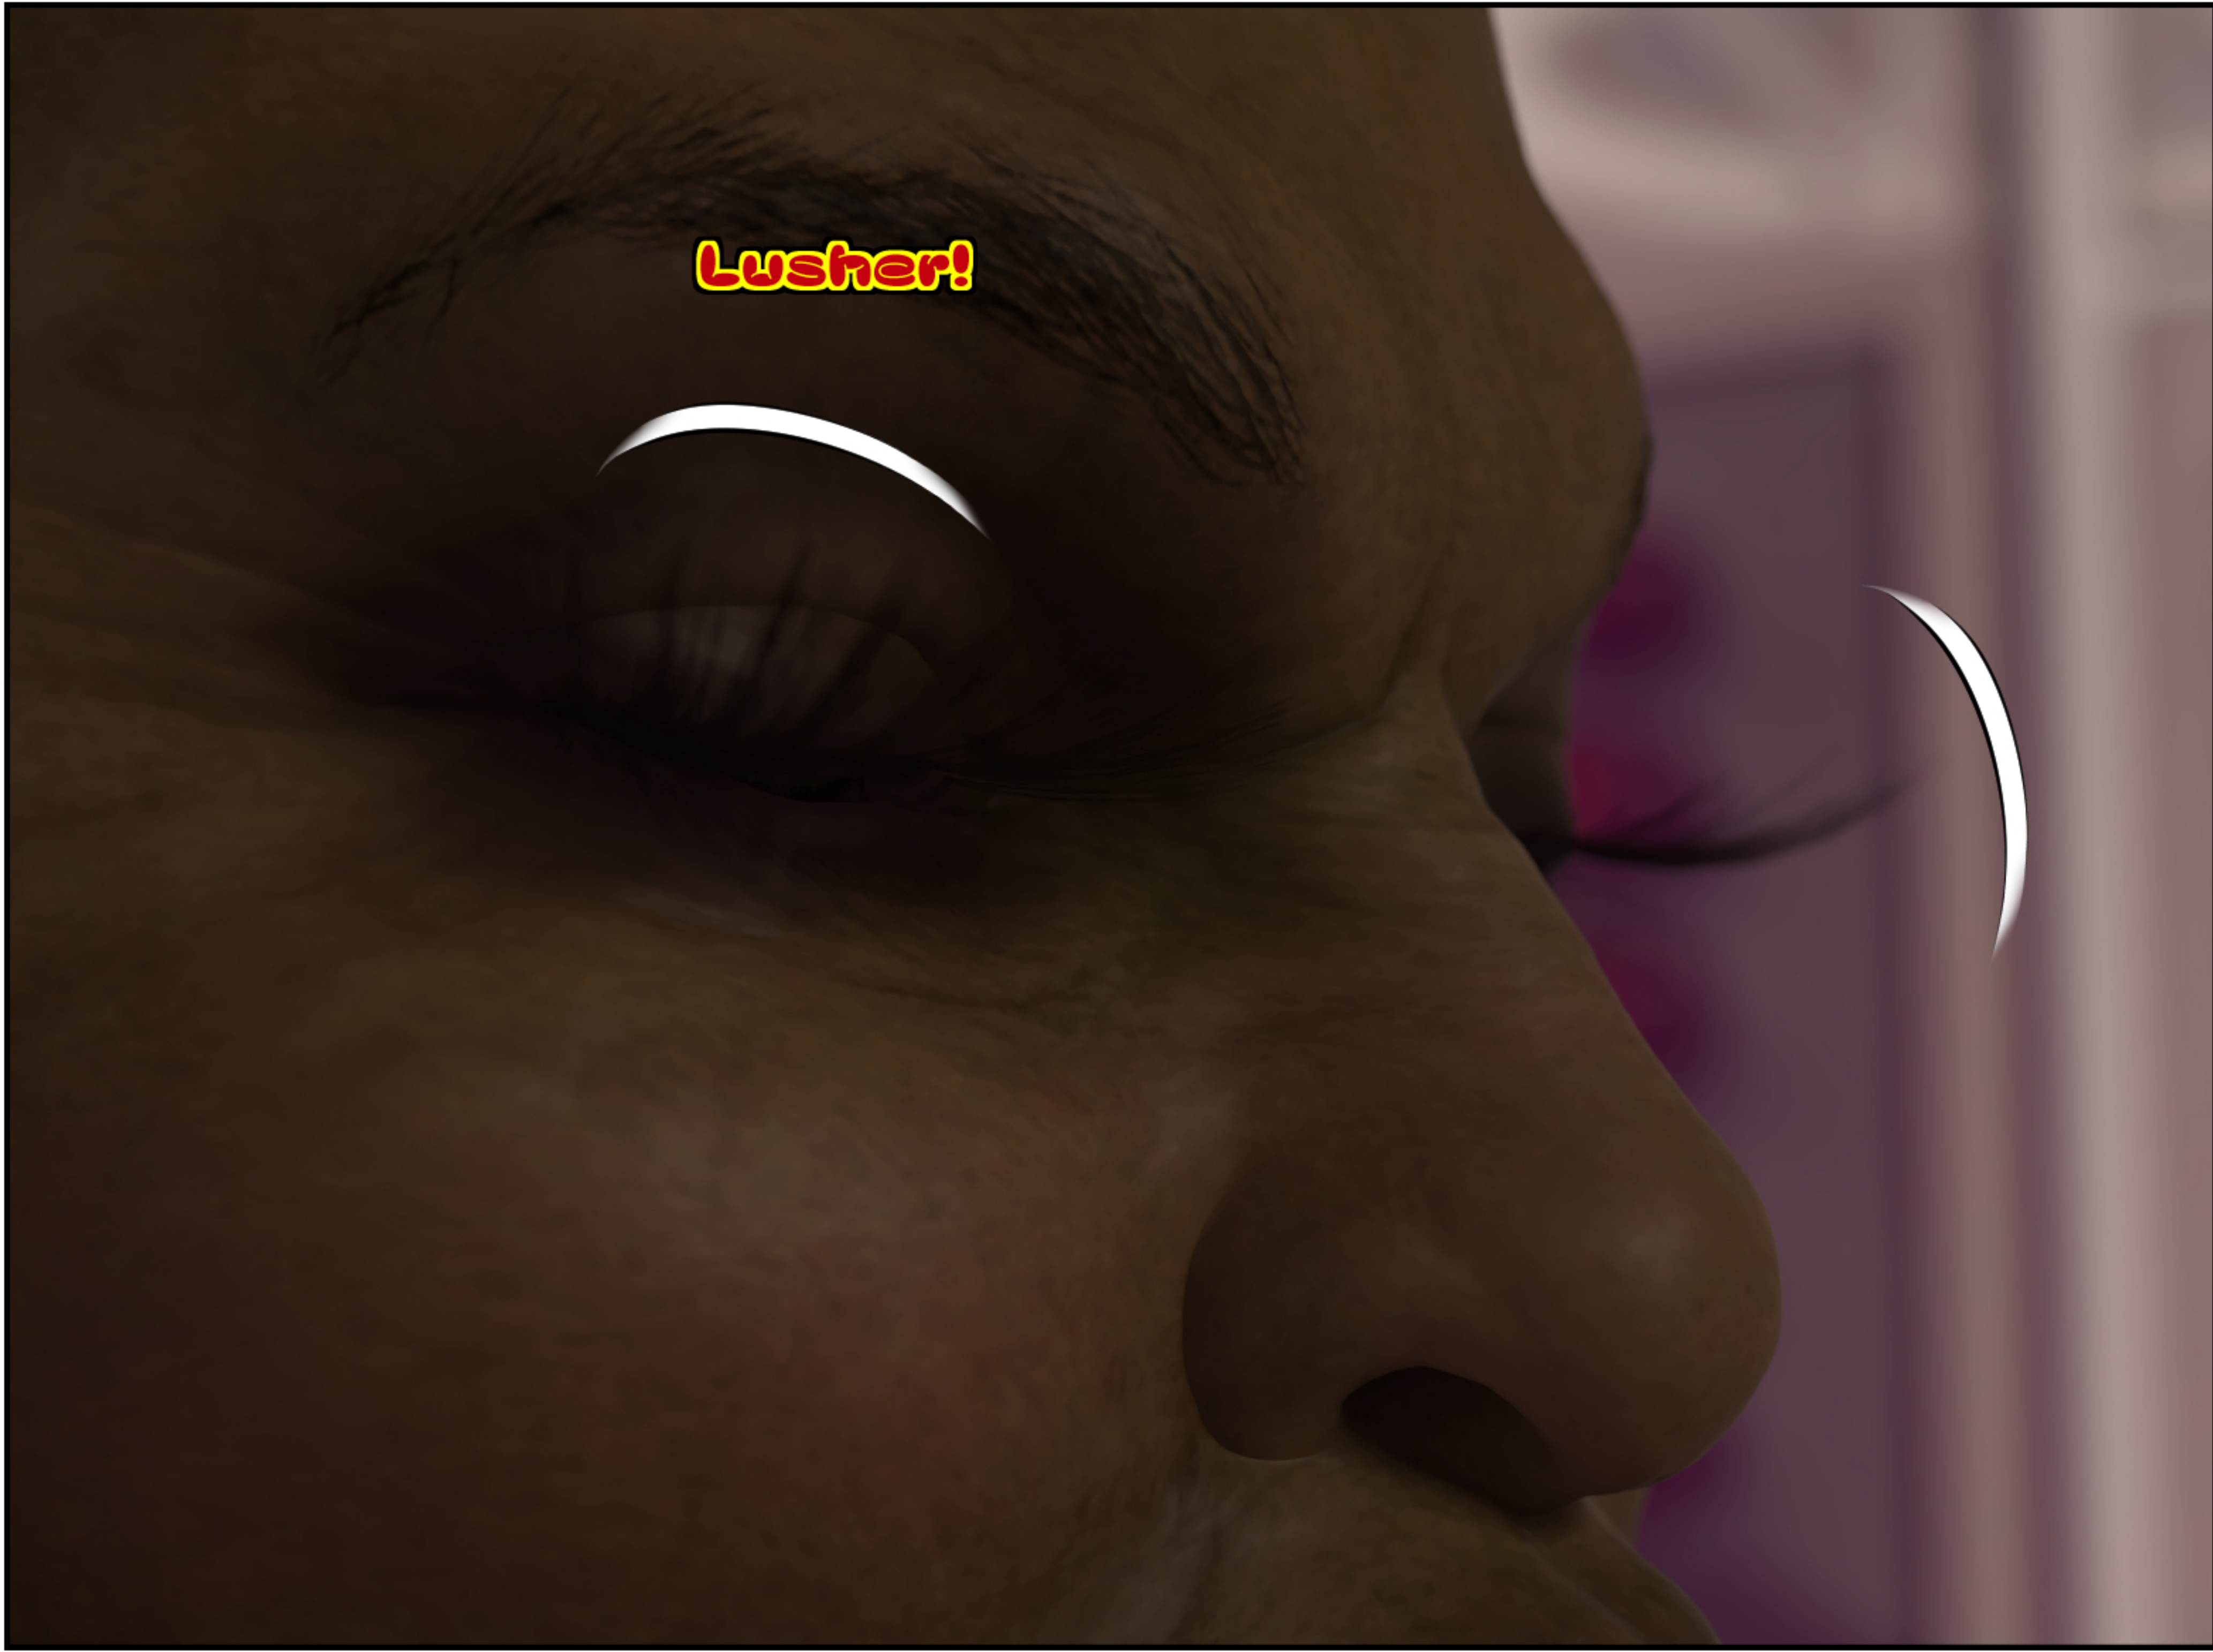

Extend!

Longer!

Lusher!

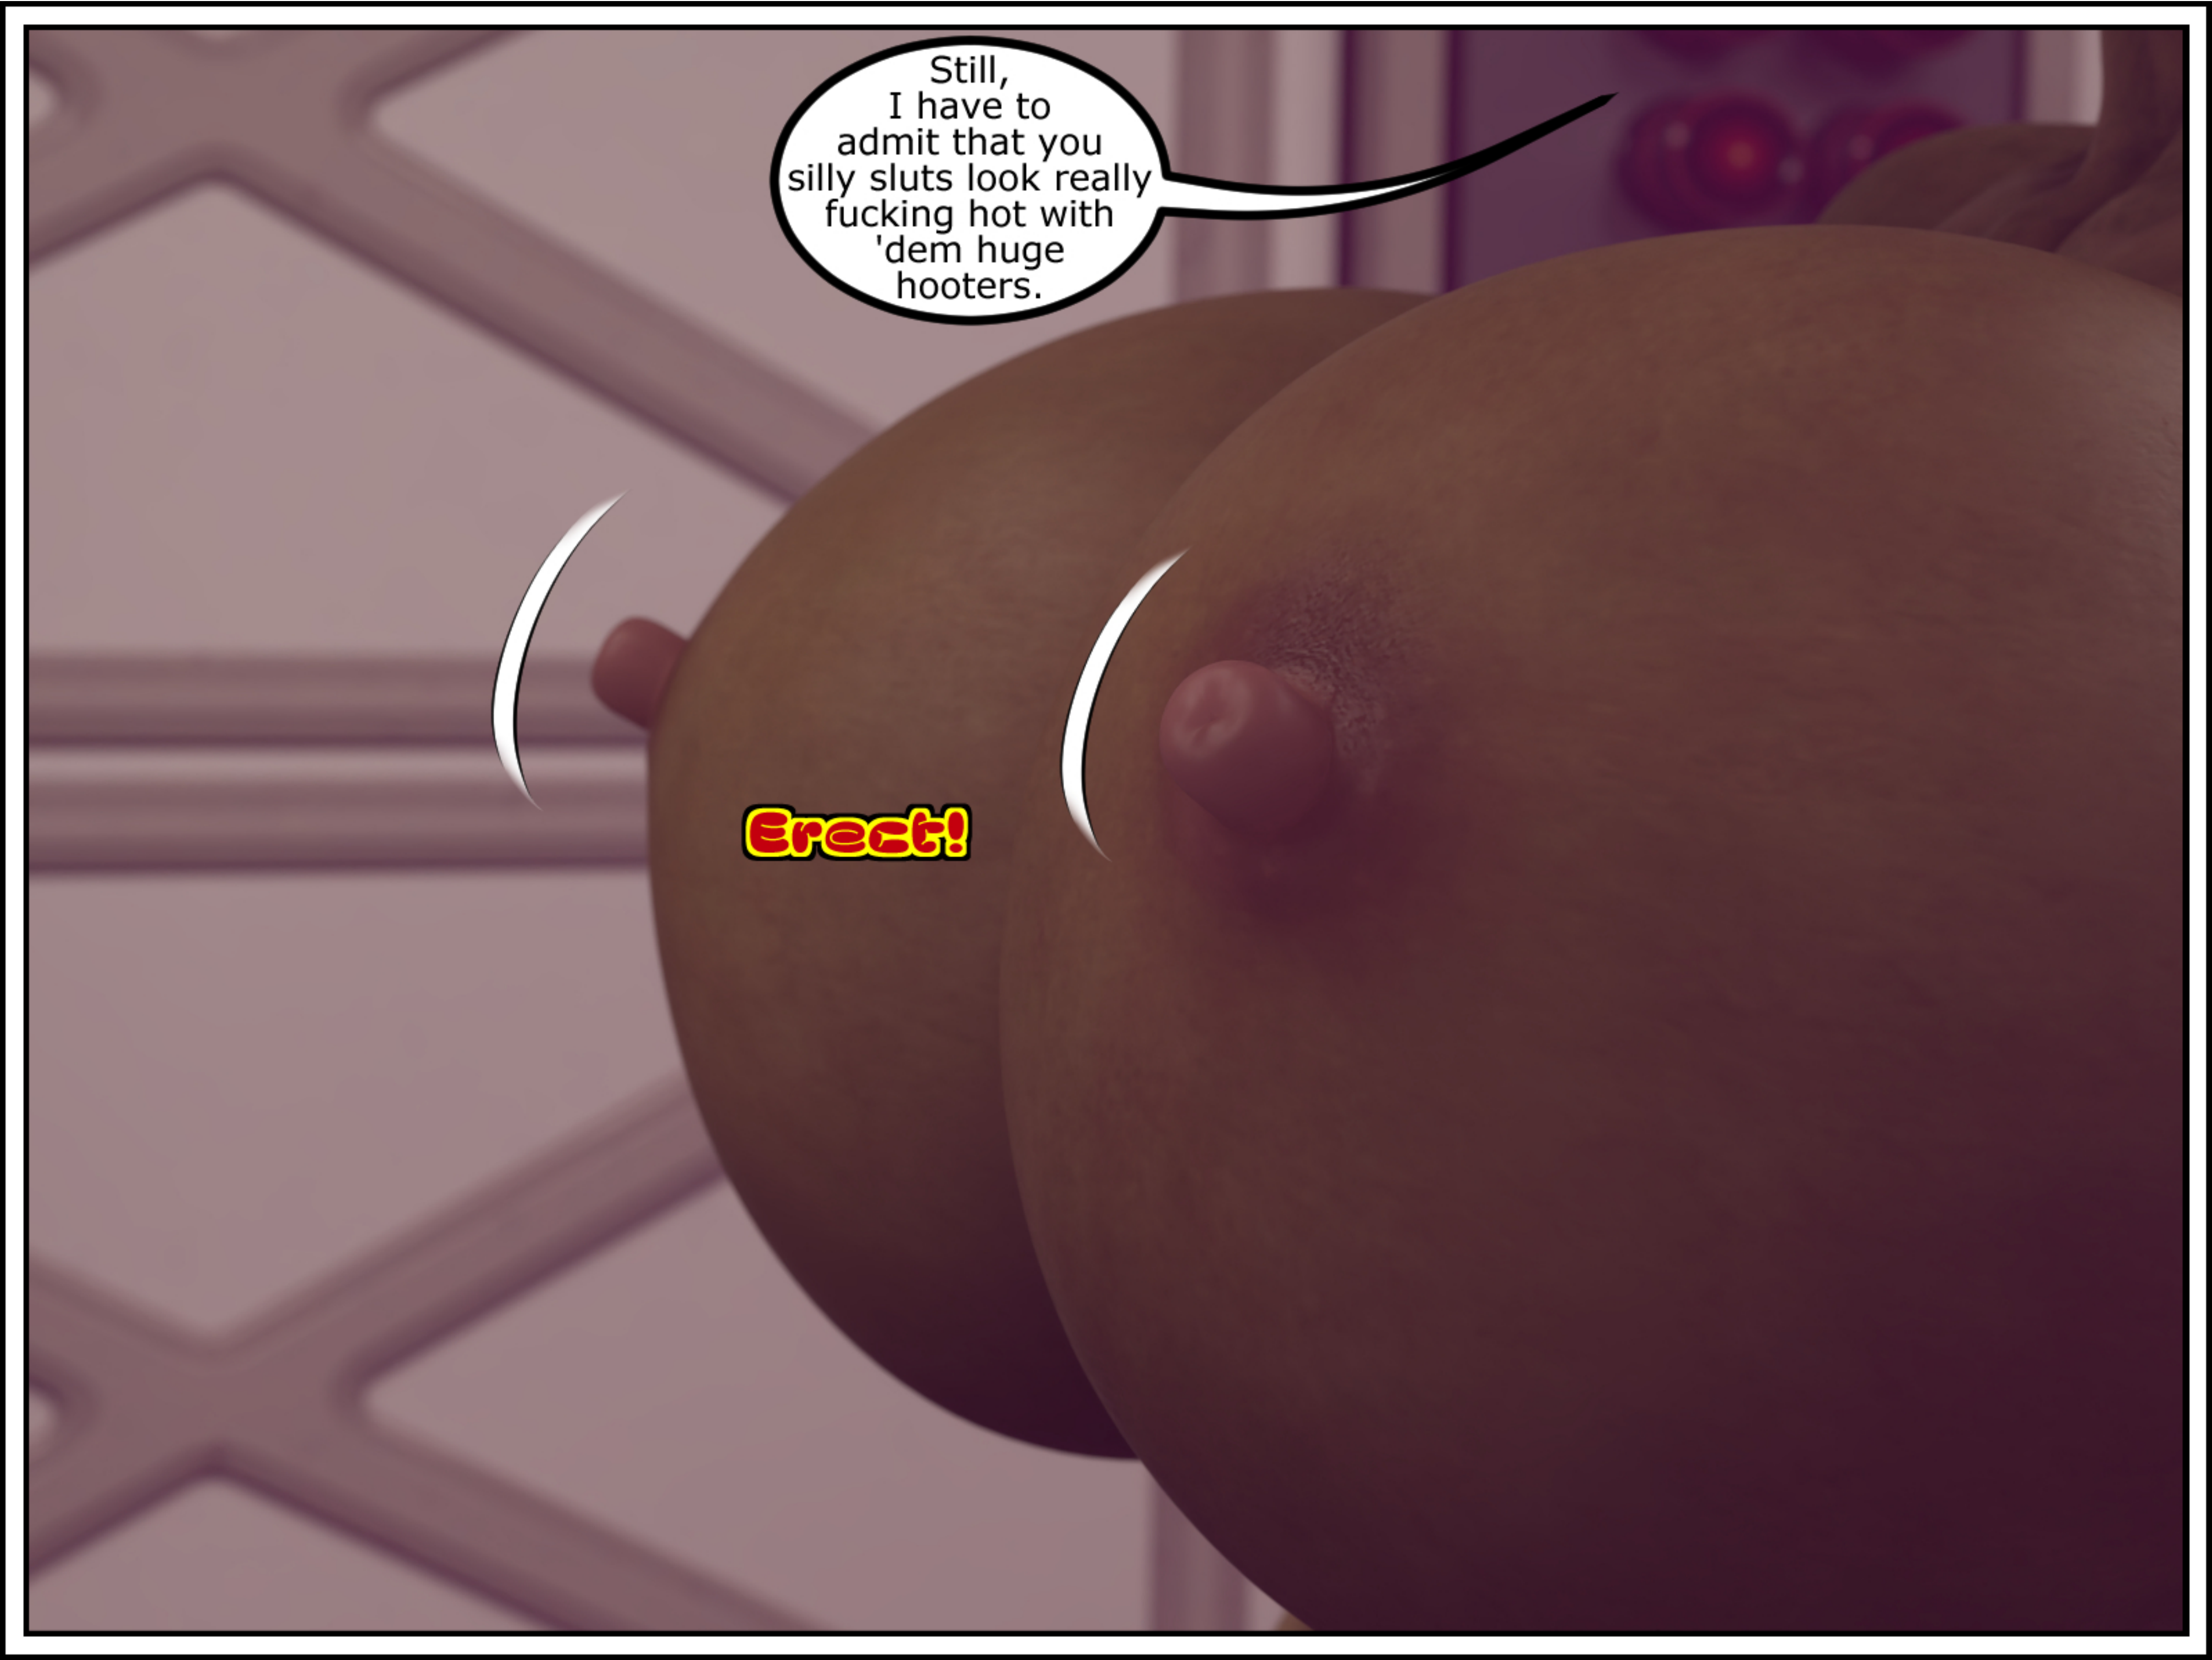

Dr. Stealz discovered some of the interesting compounds that she had stowed away inside of it naturally.

I like big tits as much as anybody, but I'm not really into giant boobs like you bimbos.

Still,
I have to
admit that you
silly sluts look really
fucking hot with
'dem huge
hooters.

Erect!

Distend!

Engorge!

Fatter!

Plumper!

A close-up, low-angle shot of a very muscular man's back and right arm. The lighting is dramatic, highlighting the contours of his muscles. He is wearing a dark, possibly black, tank top. The background is a soft, out-of-focus purple or lavender color.

But
what I
want the most
is to be even
stronger.

But Sapphire also had
a digital pad with
some of her notes
stashed inside of her
bag as well.

Swell!!

Bulge!

Ripped!

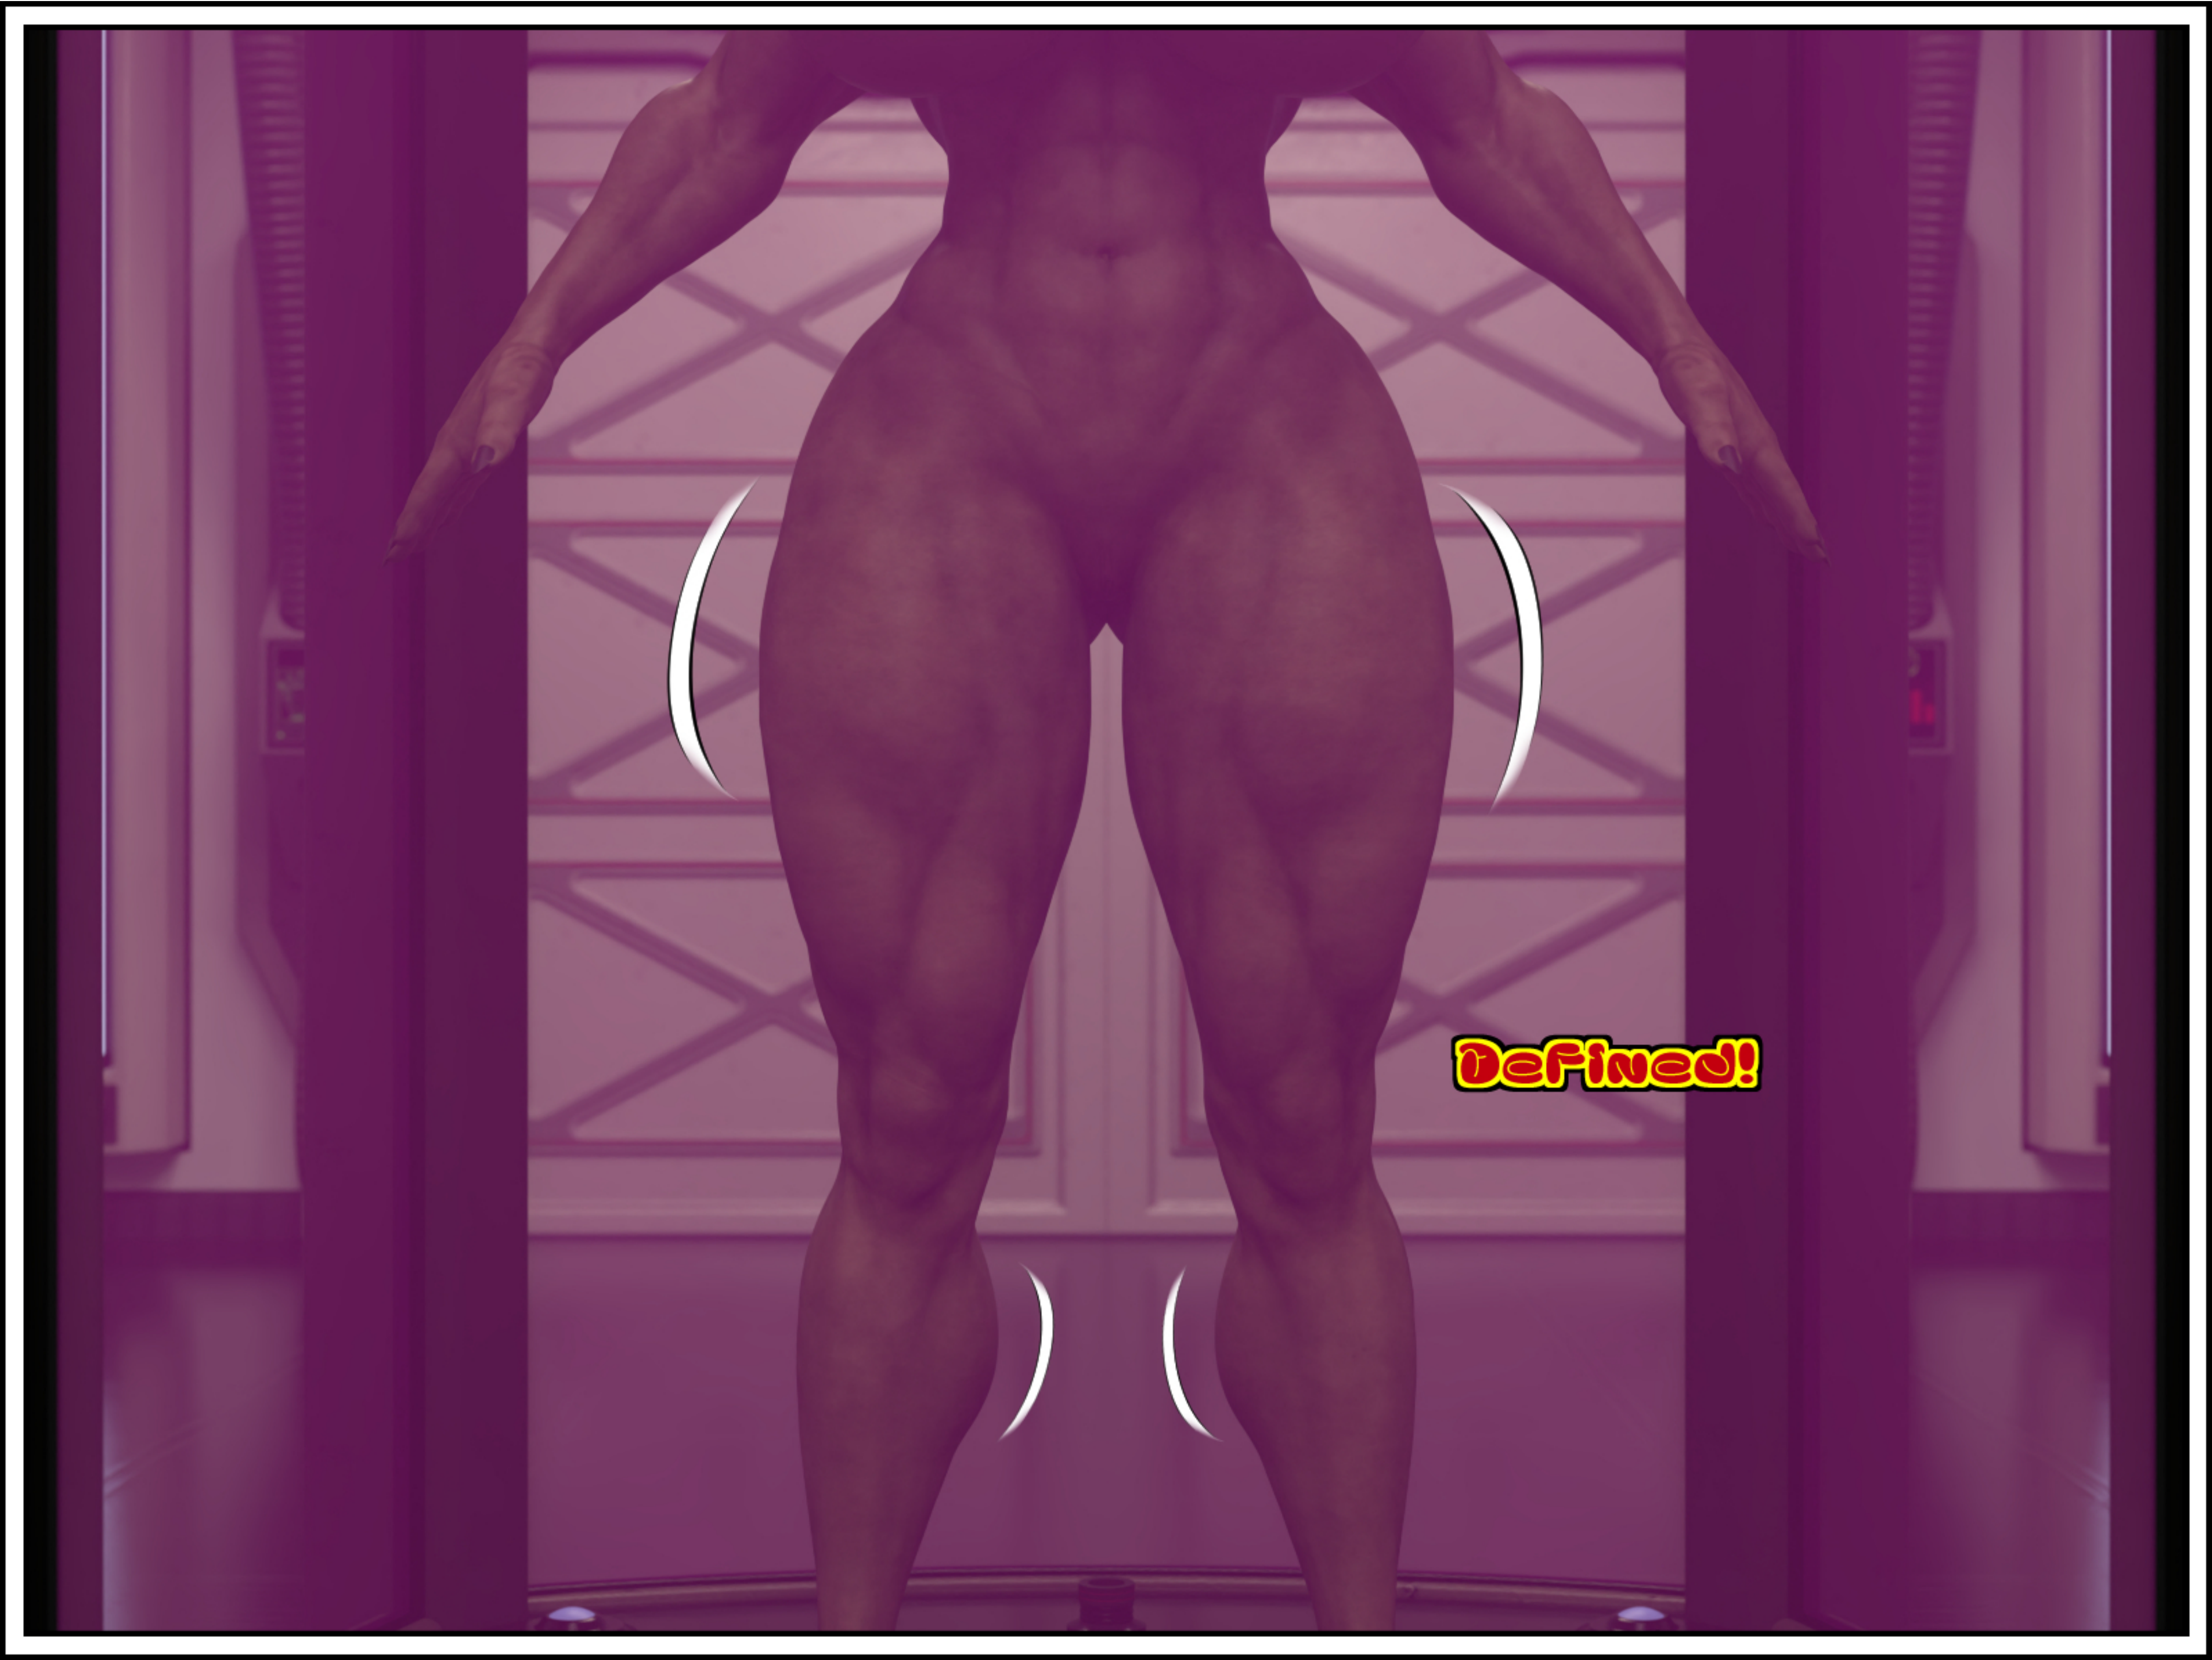

Pop!

Bodybuilder!

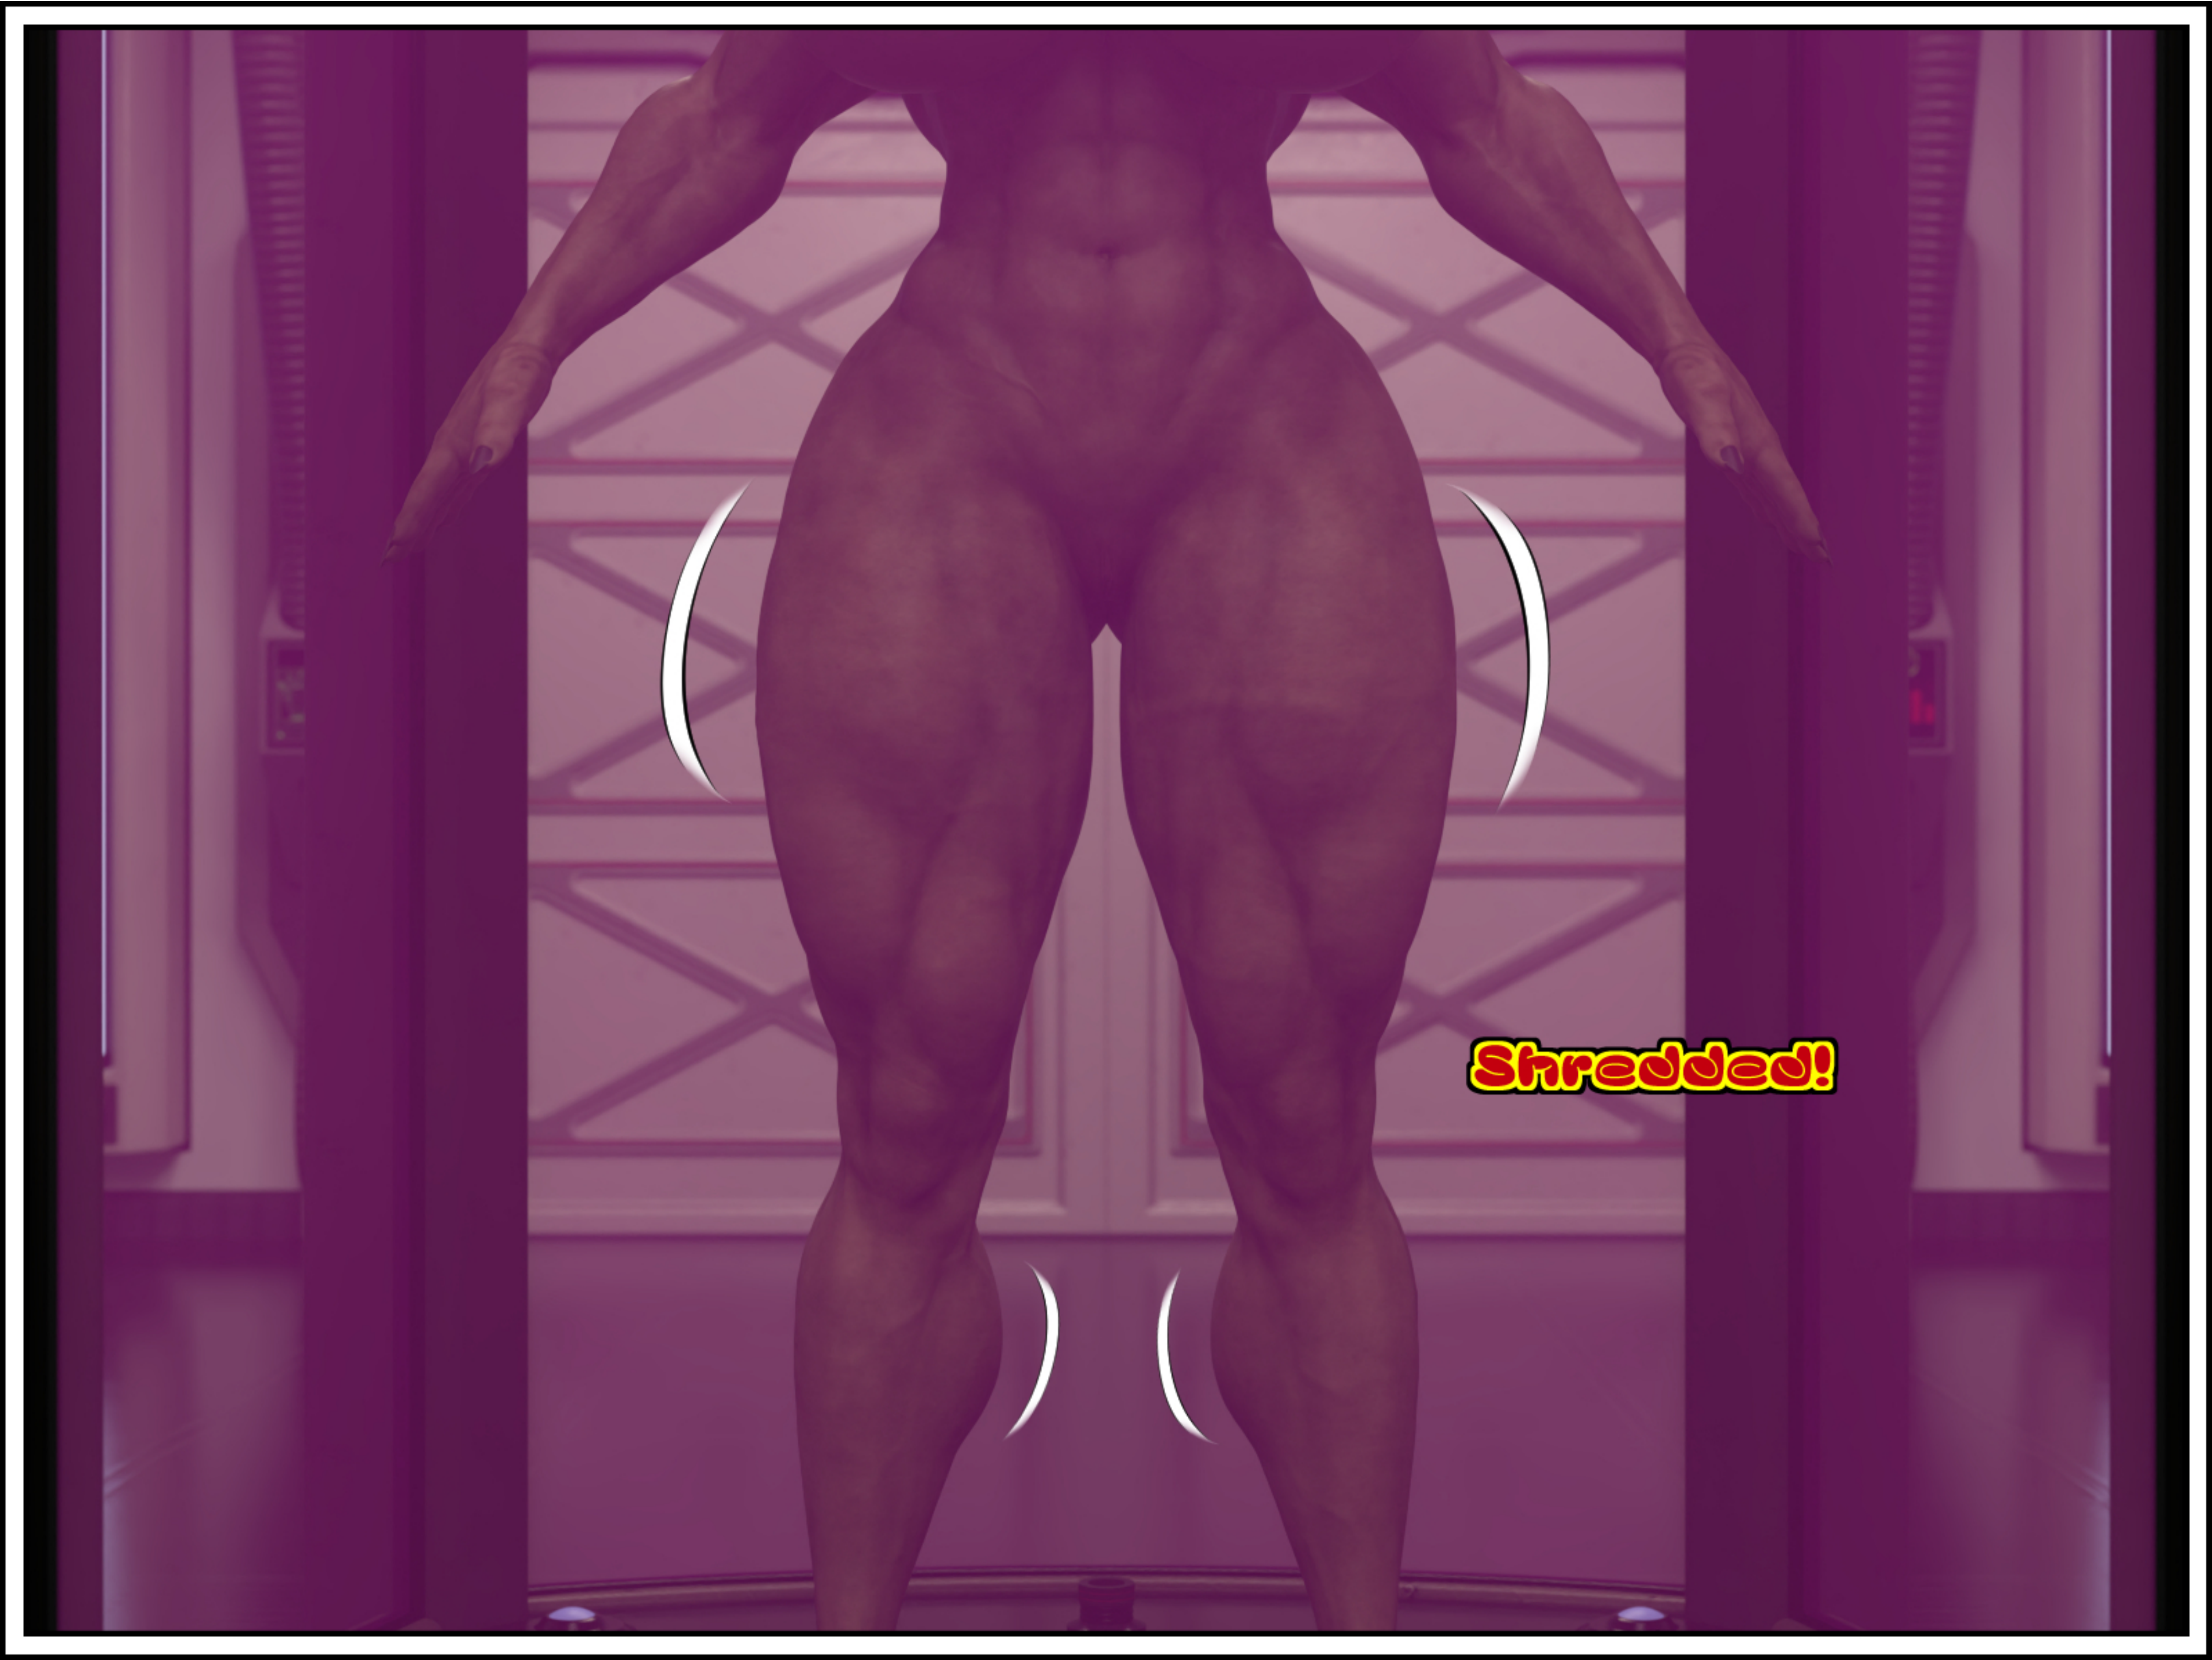

And Dr. Stealz had plenty of time to take all of that and run a few crazy experiments of her own.

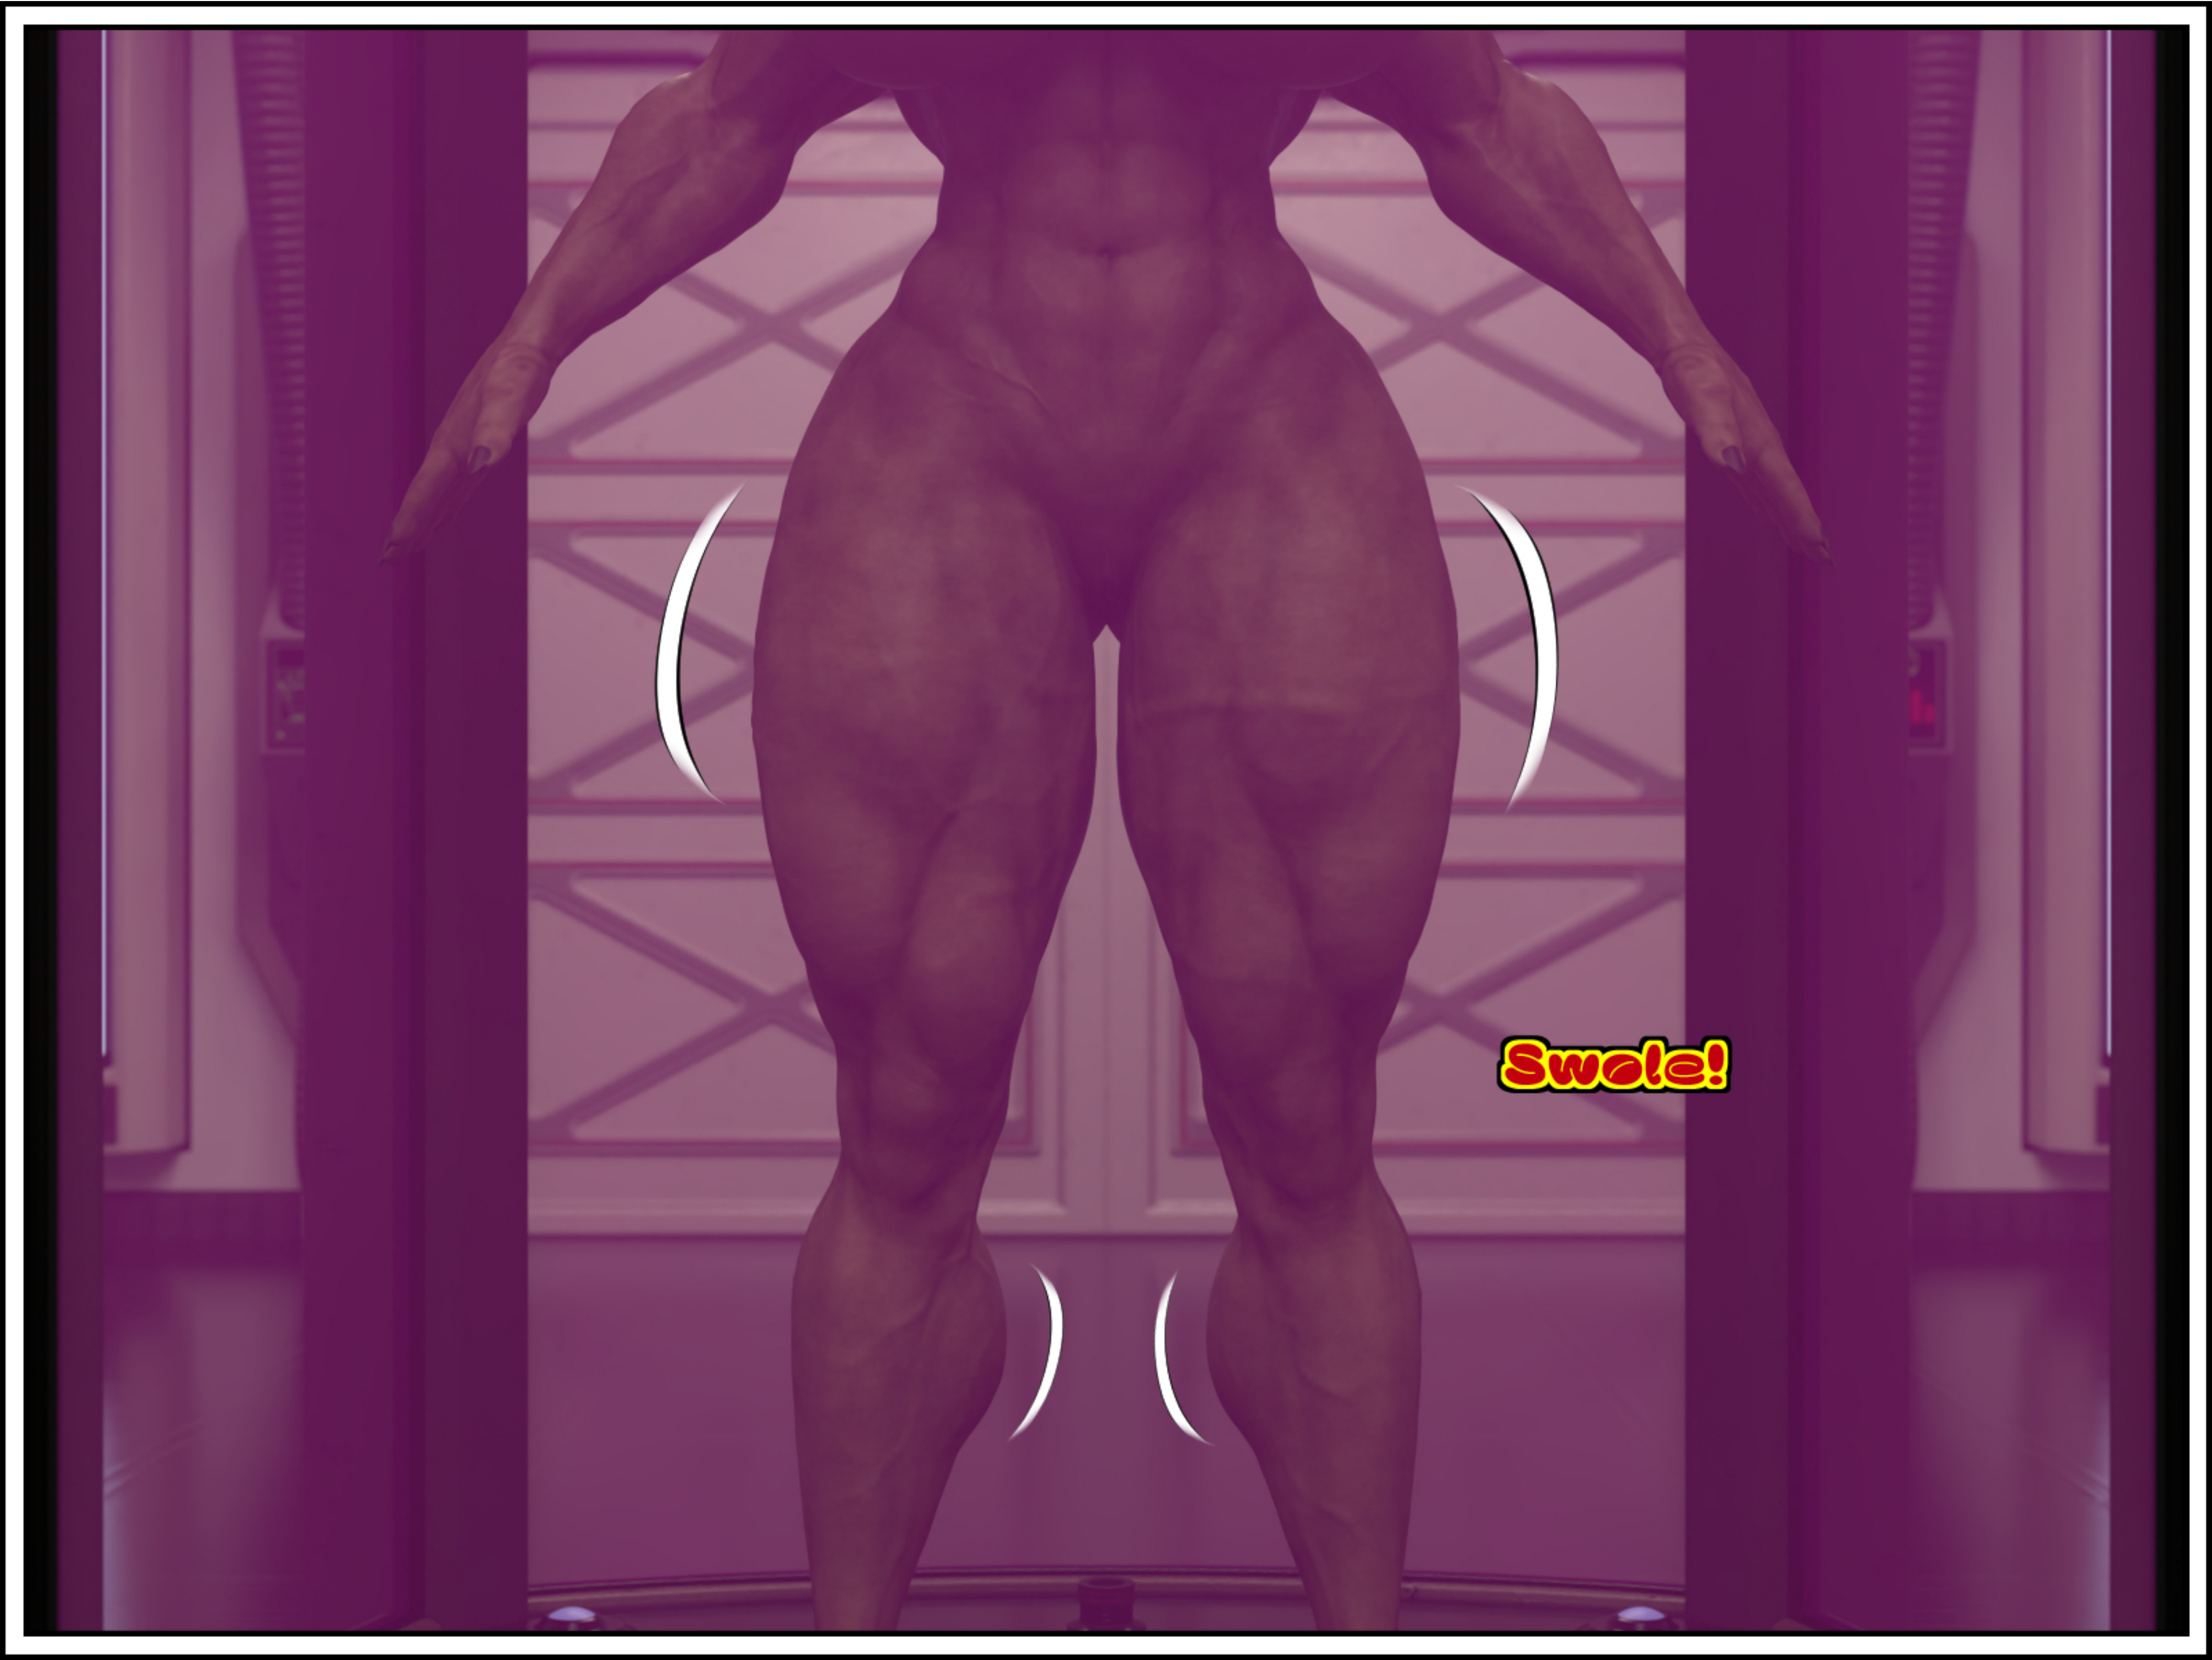

Bigger and more powerful! I want my muscles to be the most swole and impressive of them all!

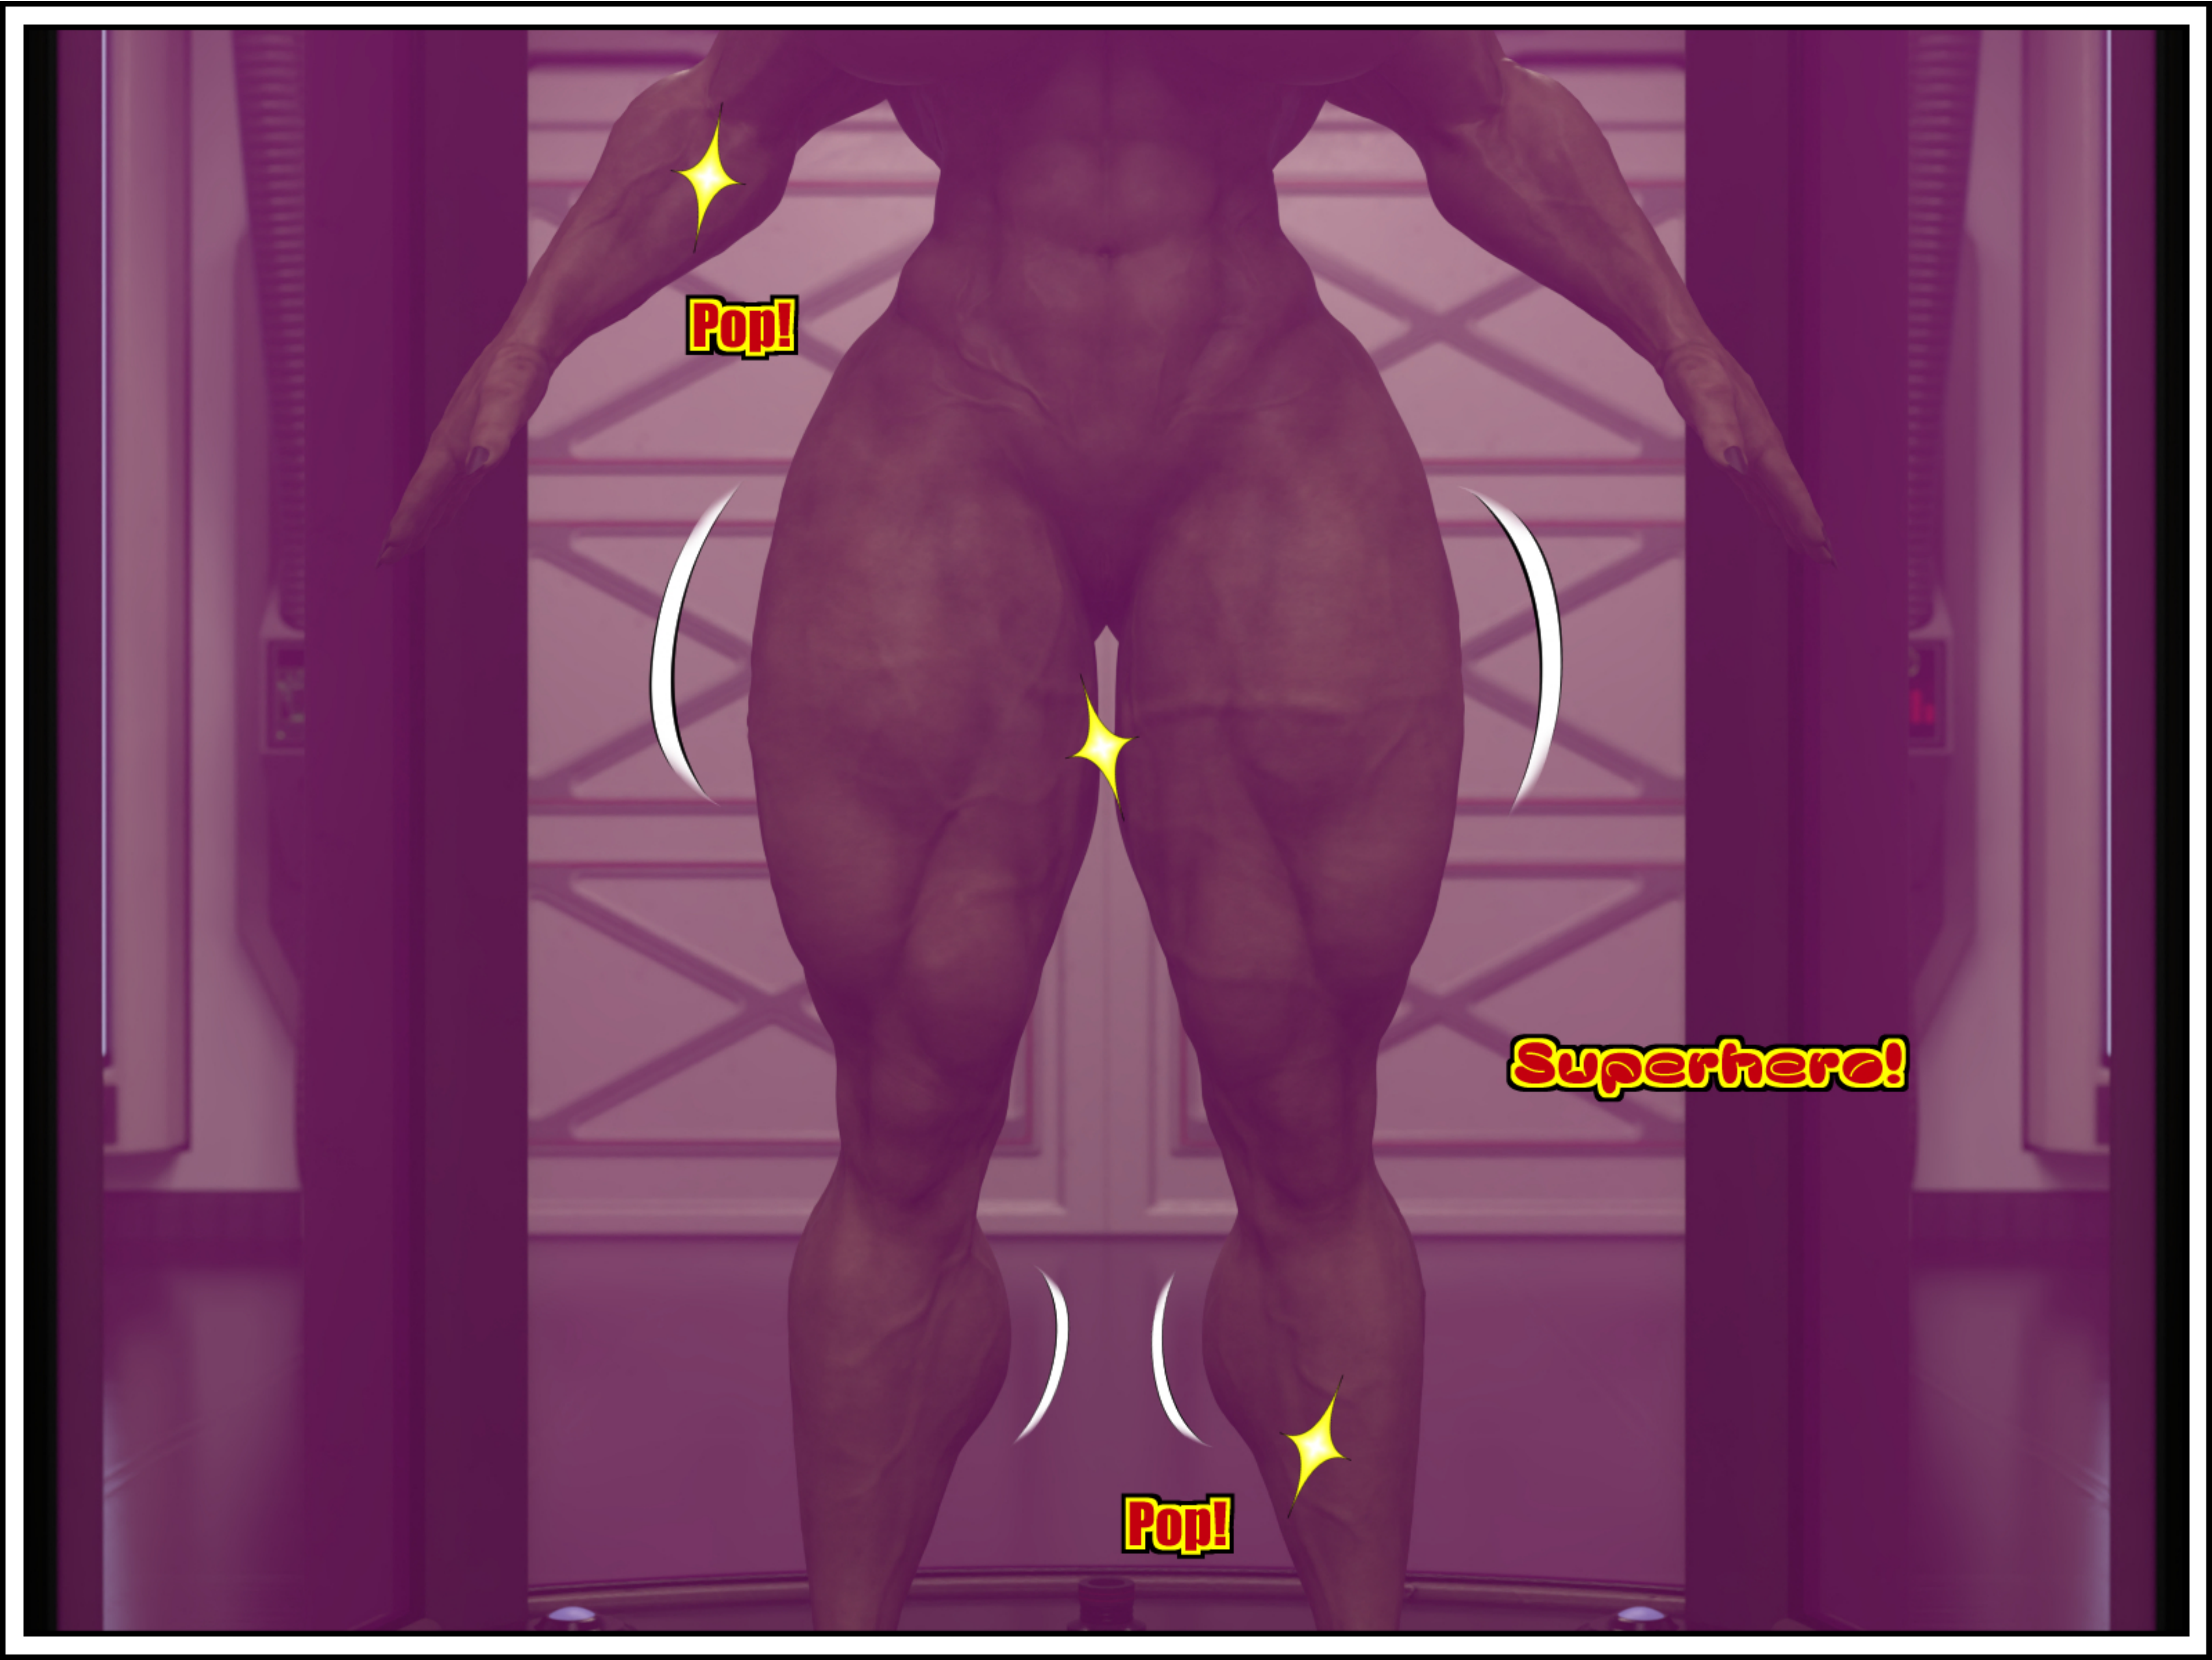

Defined!

Shredded!

Swale!

Pop!

Superhero!

Pop!

A muscular woman with extremely large, well-defined thighs is shown from the waist down. She is wearing a dark, form-fitting top. The background is a purple-tinted room with a window featuring a grid pattern. The image has a monochromatic purple color scheme.

Some of the results of those experiments are flooding the tank in which the She Orc now stands.

I want all 'dem beta male simps to, like, quake in fear at being crushed by my huge thighs, even as they have raging hard-ons at the same time.

Thicker!

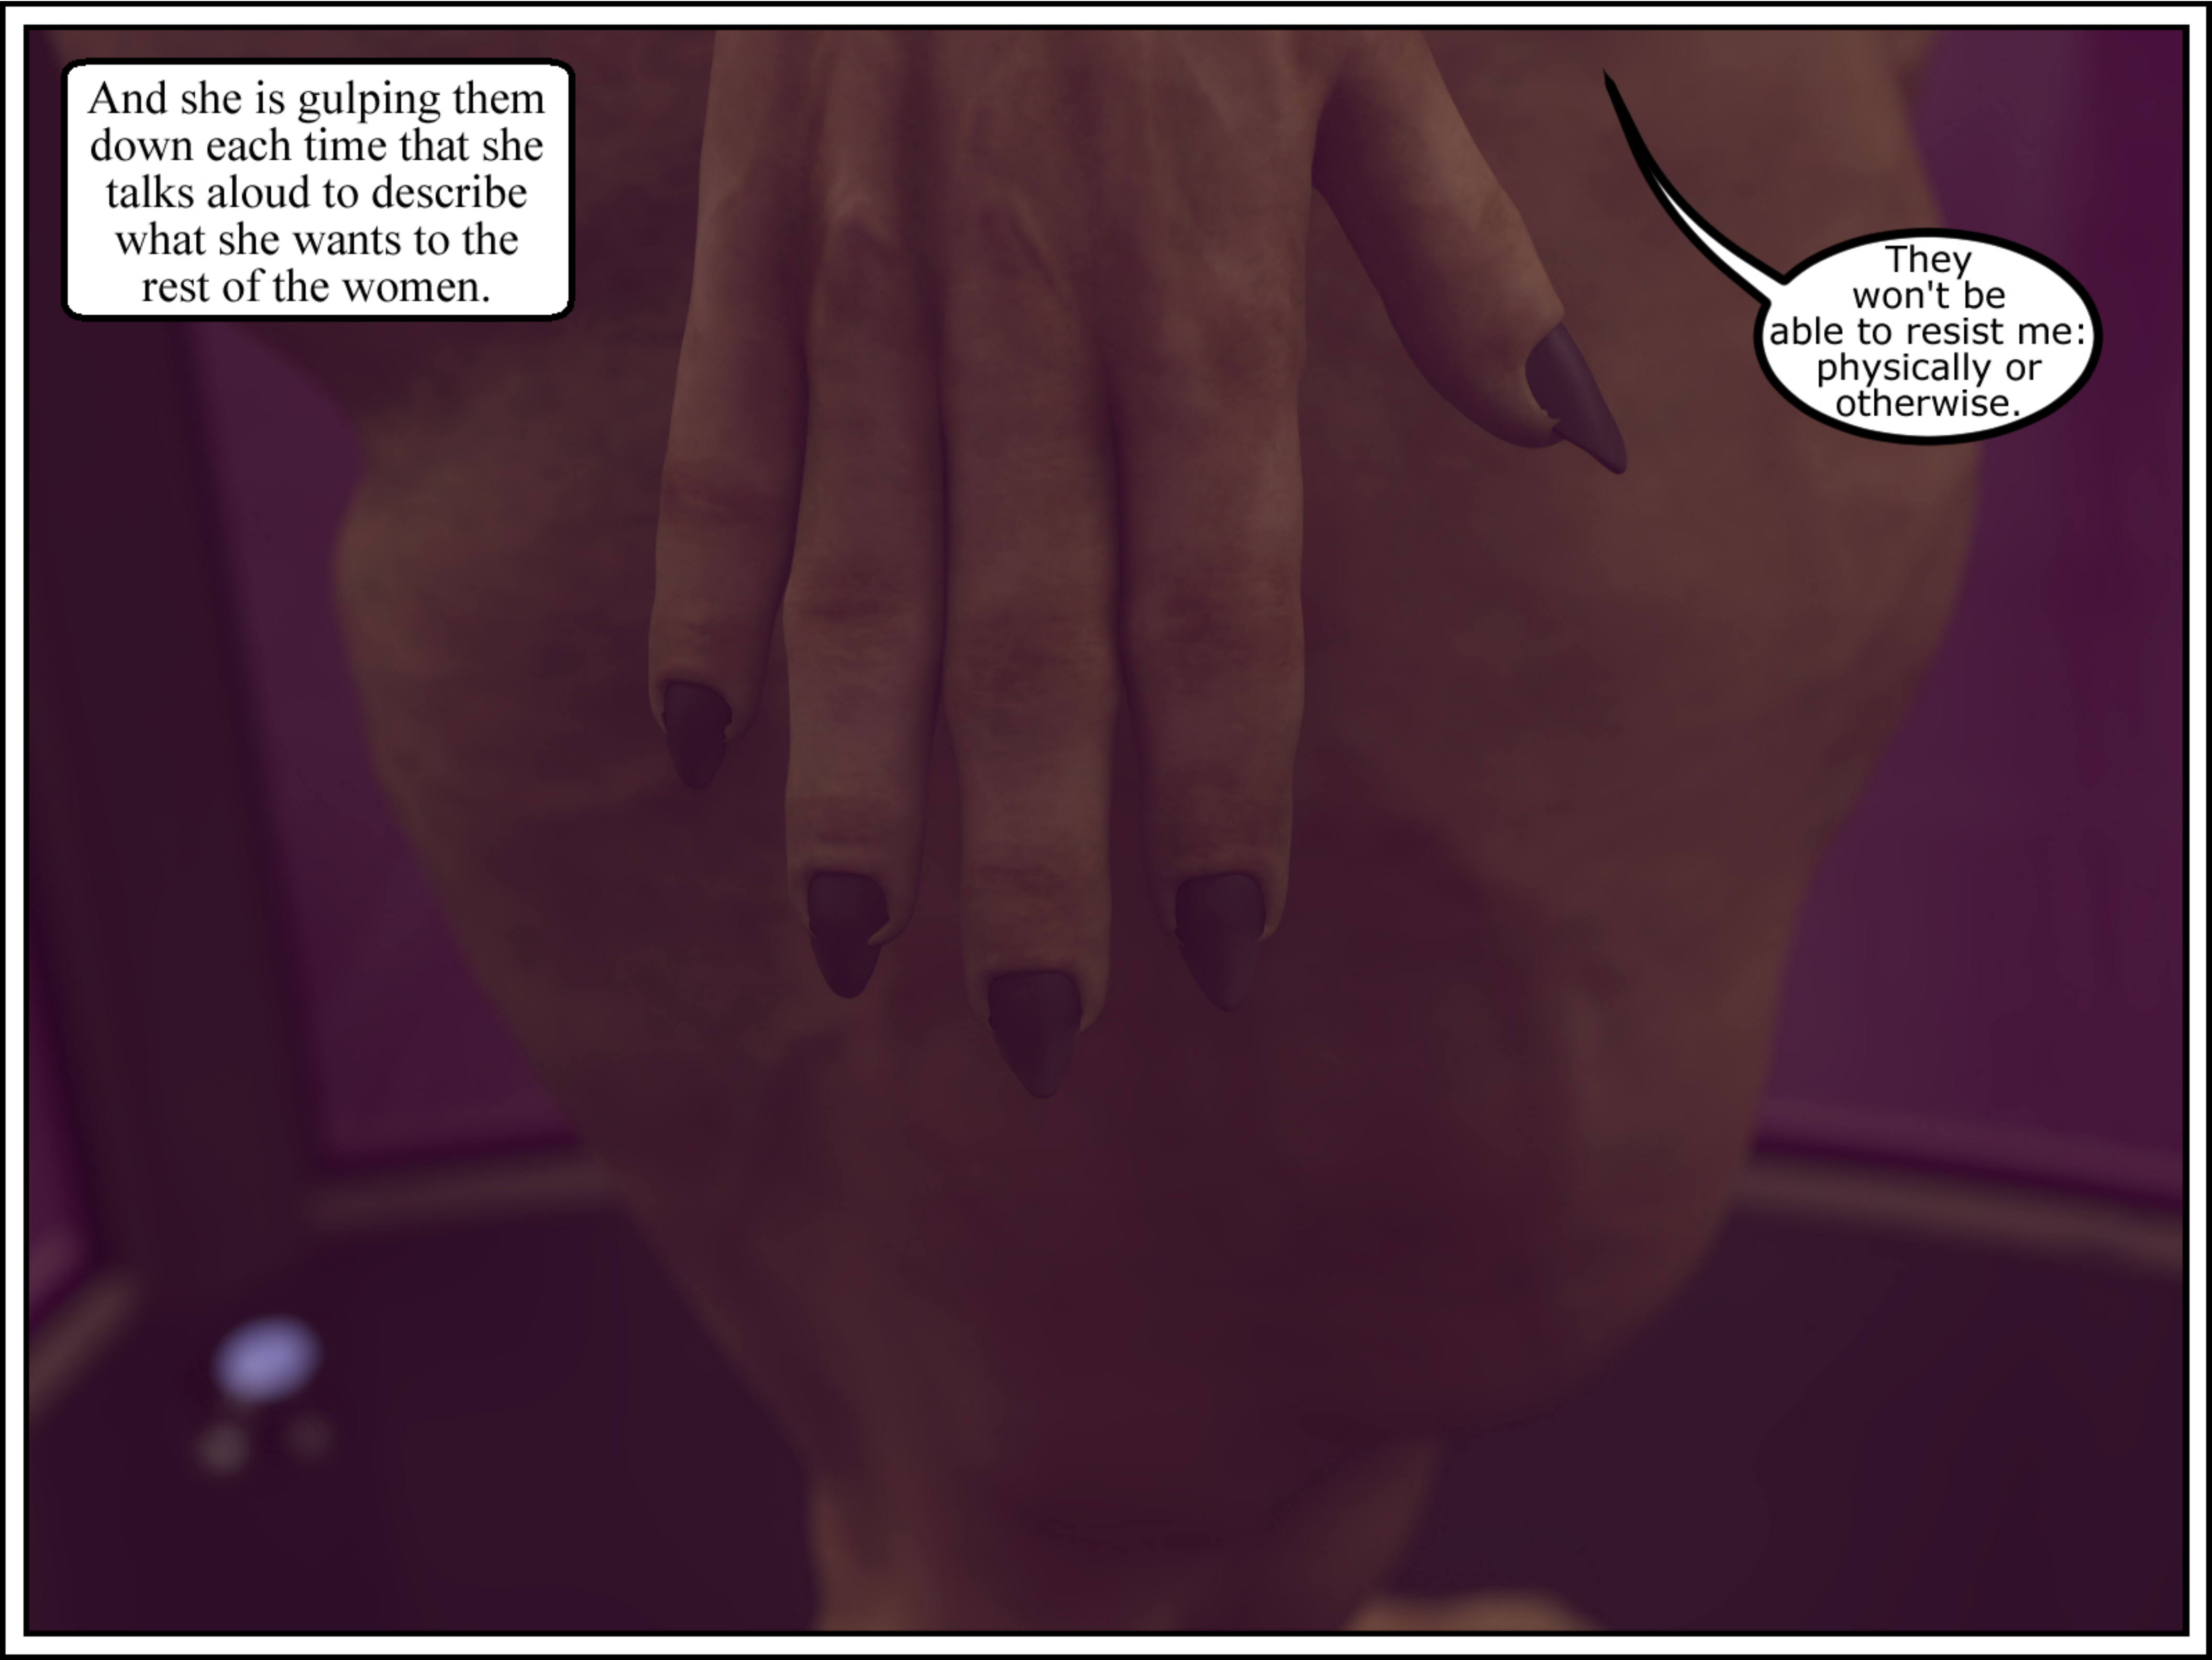

Beefier!

Meatier!

Thunder Thighs!

And she is gulping them down each time that she talks aloud to describe what she wants to the rest of the women.

They won't be able to resist me: physically or otherwise.

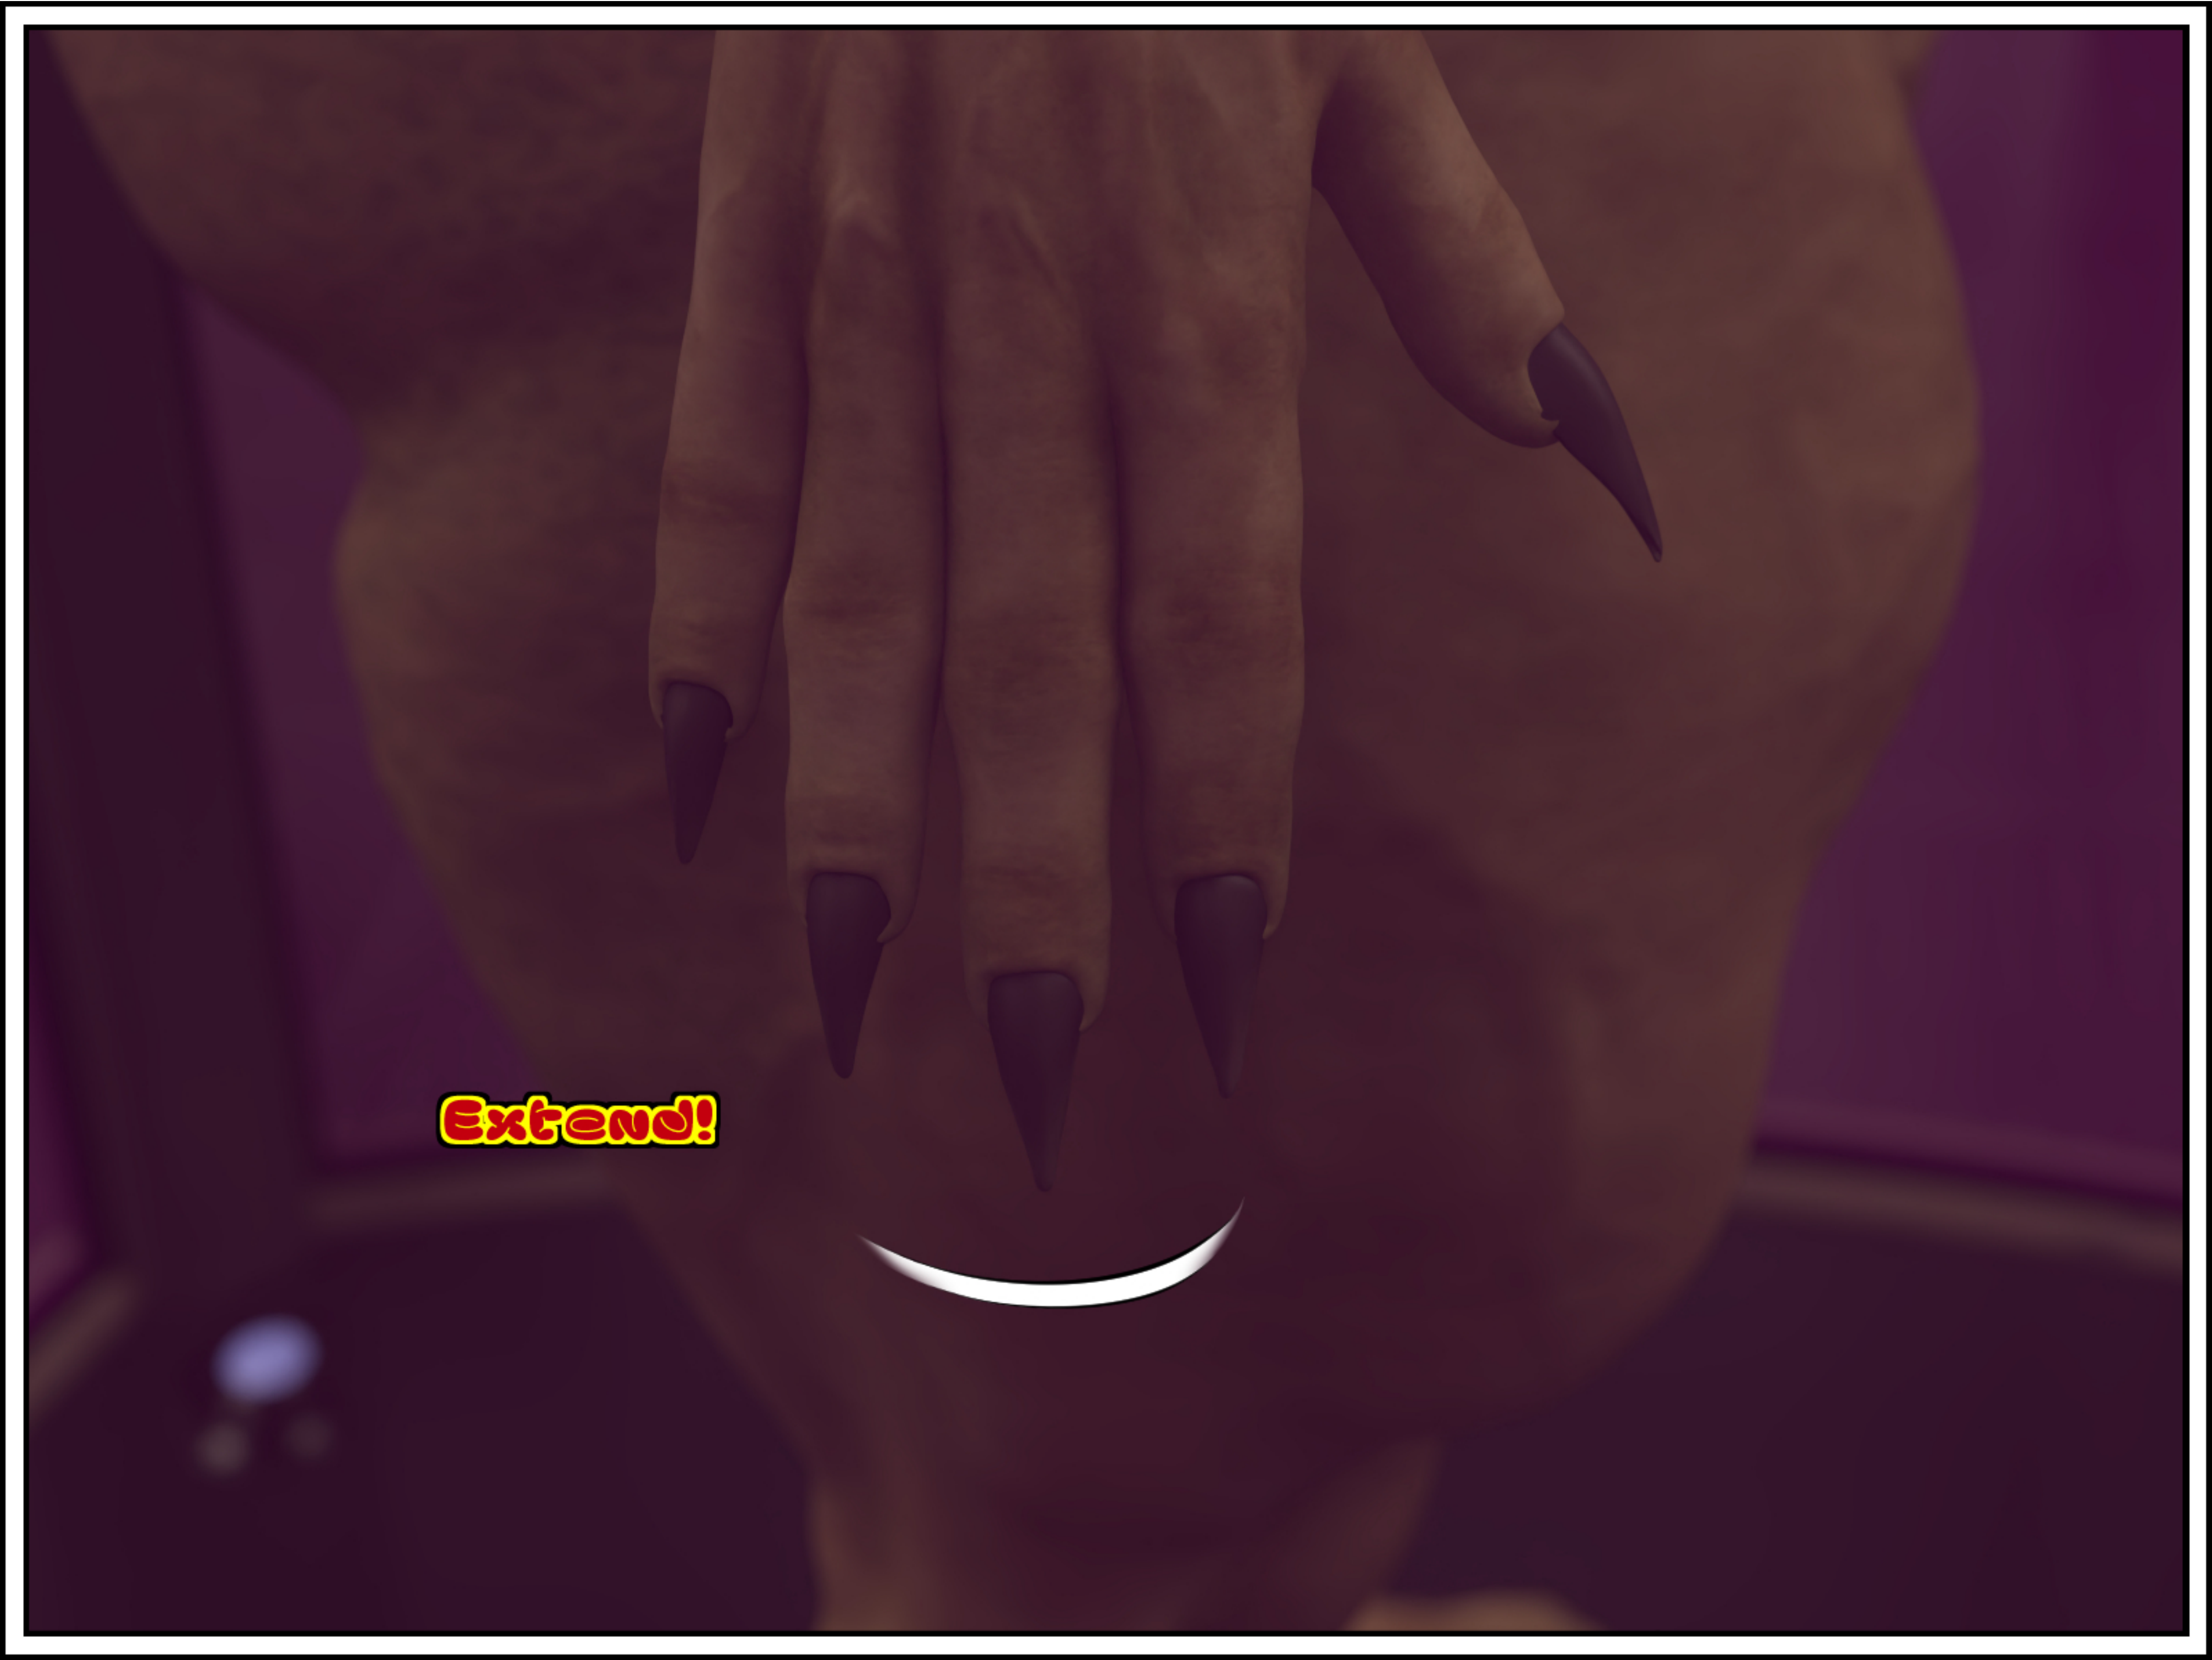

Grow!

Elongate!

Extend!

Longer!

Which she can do since these liquids are breathable just like some of the other compounds that were in use.

Not that they would want to with how hot I am.

Grow!

Style!

Bigger!

A muscular man with a large, dark afro hairstyle is shown in profile, facing right. He is shirtless, and his physique is highly defined. The background is a purple-toned room with a patterned wall. Two white curved lines are positioned above and below the man's head, framing the text. The text "Lusher!" is written in a bold, yellow font with a red outline, and "Curlier!" is written in a similar style below it.

Lusher!

Curlier!

The compounds have a predictable effect on her figure, pumping it up and filling it out just like it did for Sapphire.

Bulge!

It also begins to alter her mentality toward something more sultry and slutty.

↓ I.Q. ↓

Fuck!
That sounds
so damn hot! I'm,
like, gonna suck
so many
cocks!

↑ Lewd! ↑

But there is something else going on as well. Sapphire did hit a bunch of random buttons.

↓ Reason ↓

↑ Libidinous! ↑

I
wanna be
buried in dicks!
Dicks and
cum!

Which activated the intelligence draining feature, but without the equal transfer of sexiness.

↑ **Lecherous!** ↑

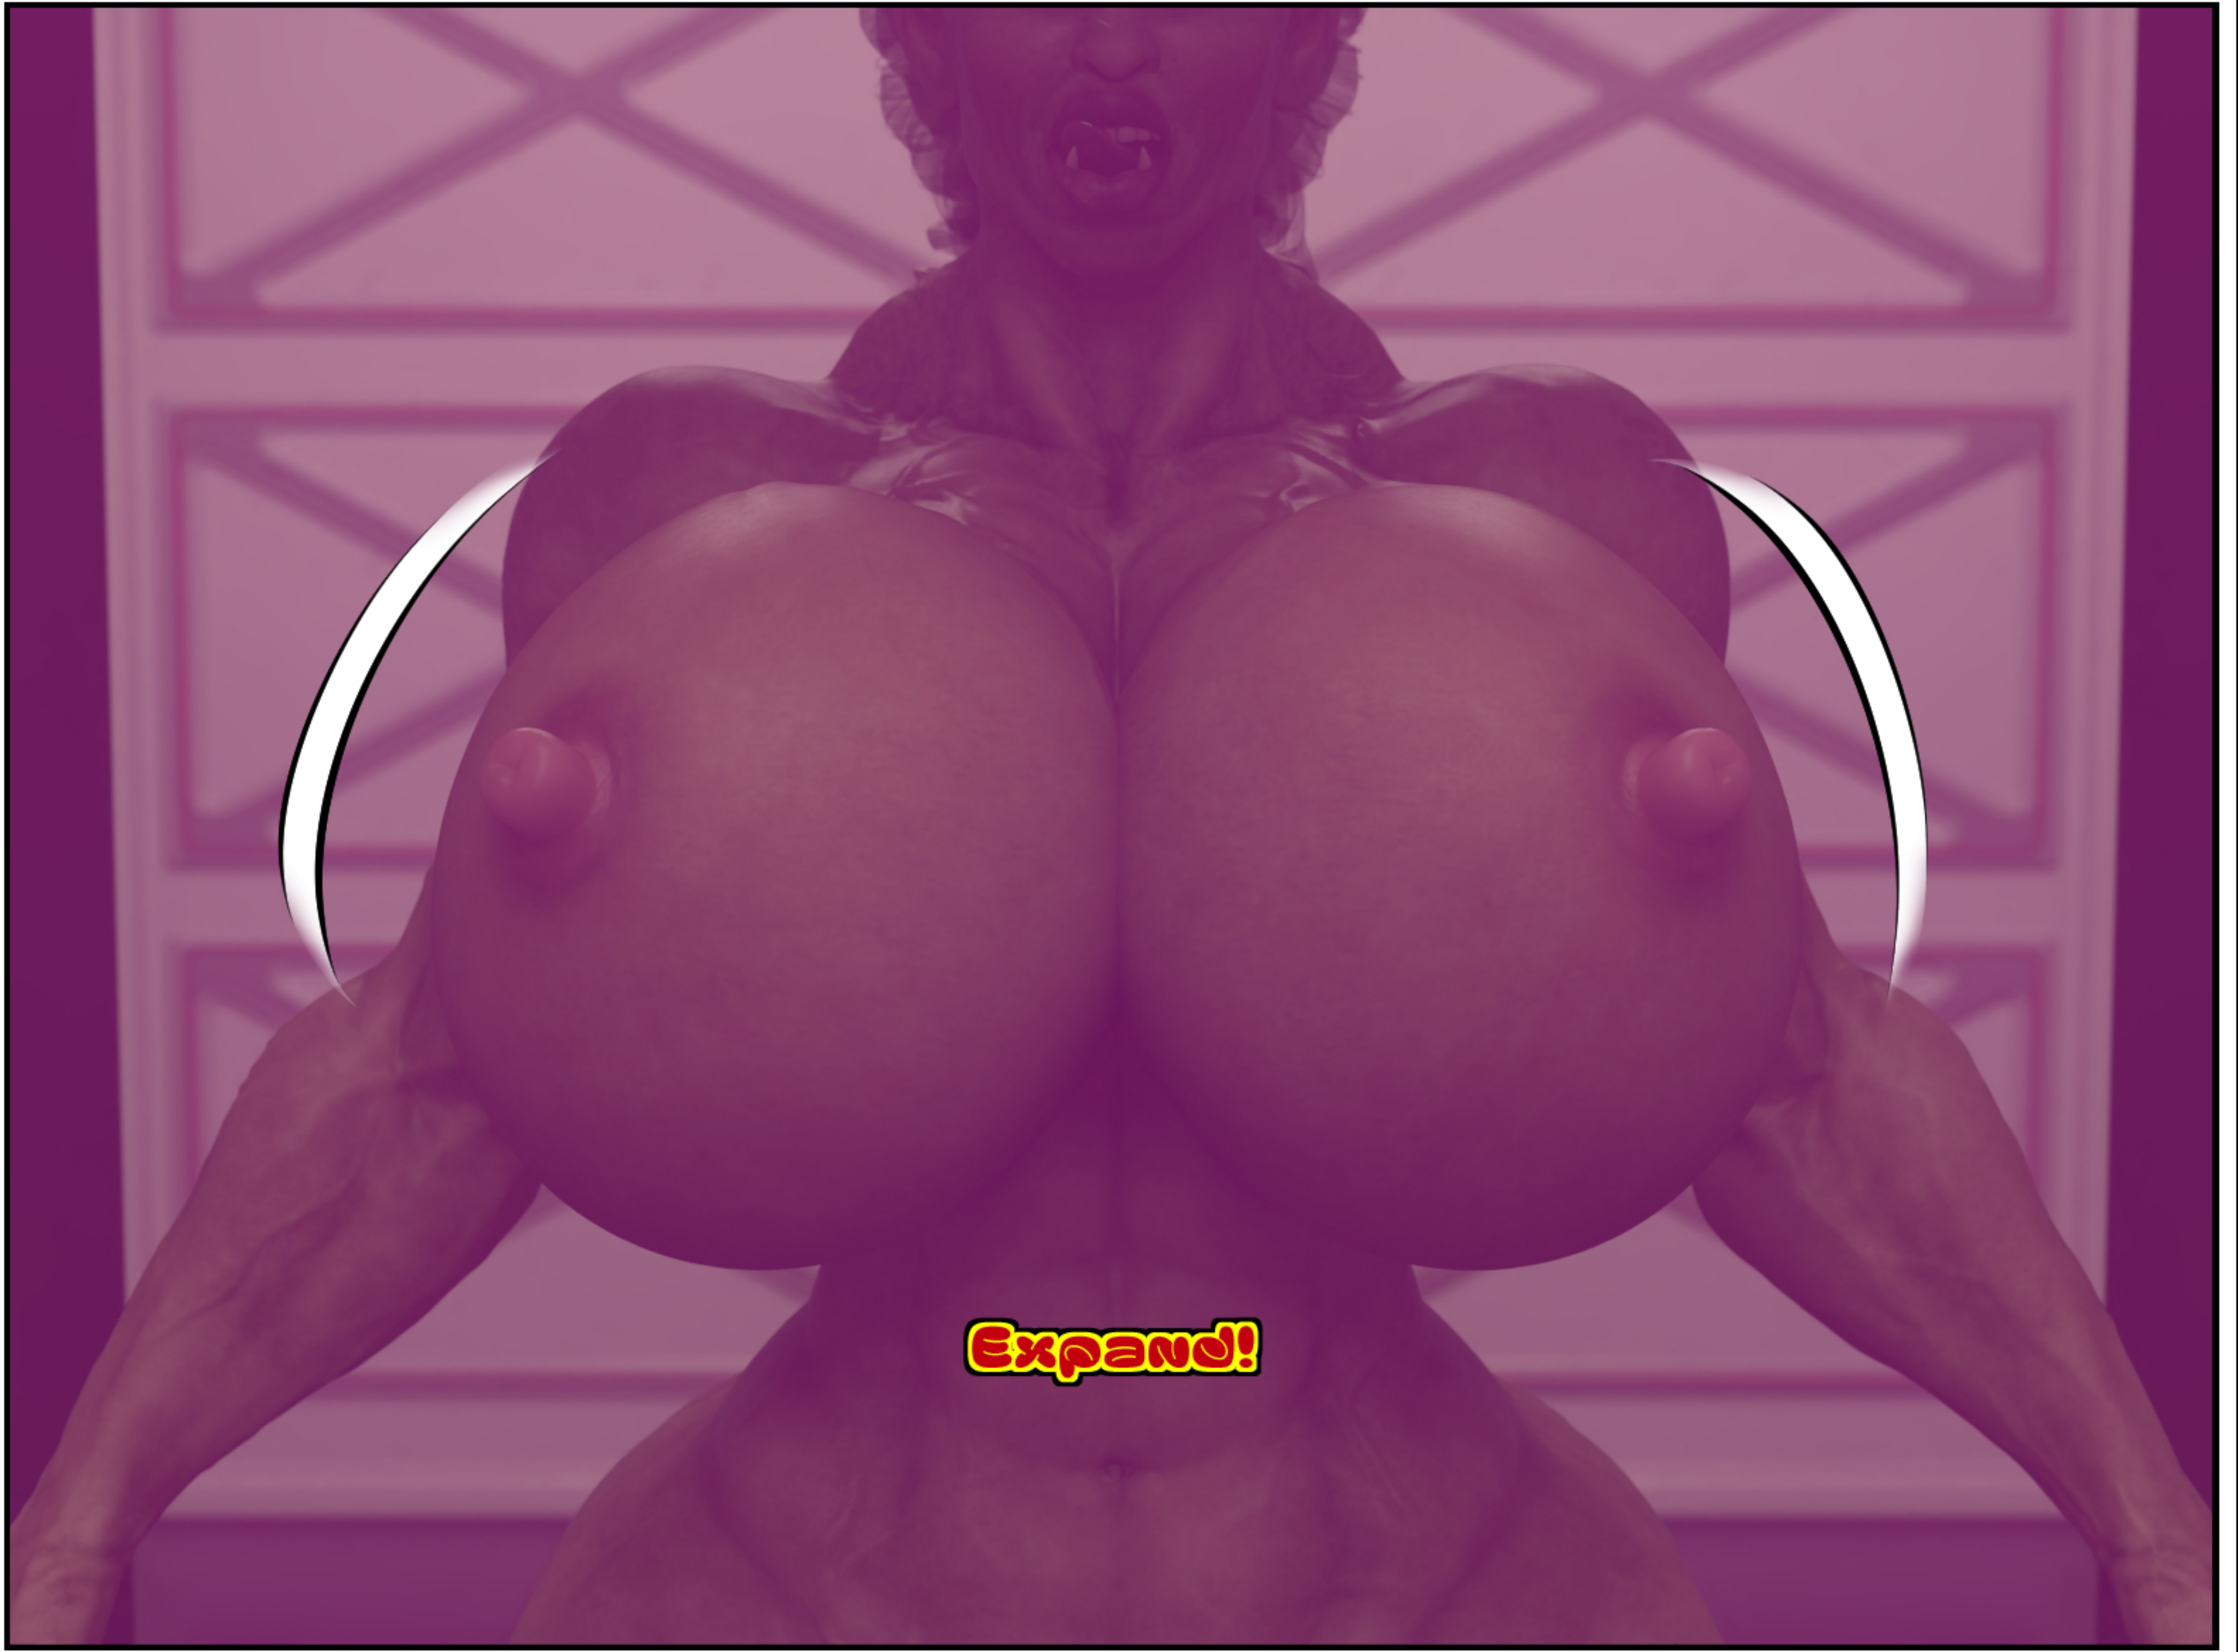

Oh yeah! Just a big 'ol bukakke covering me in semen!

↓ **Self-Control!** ↓

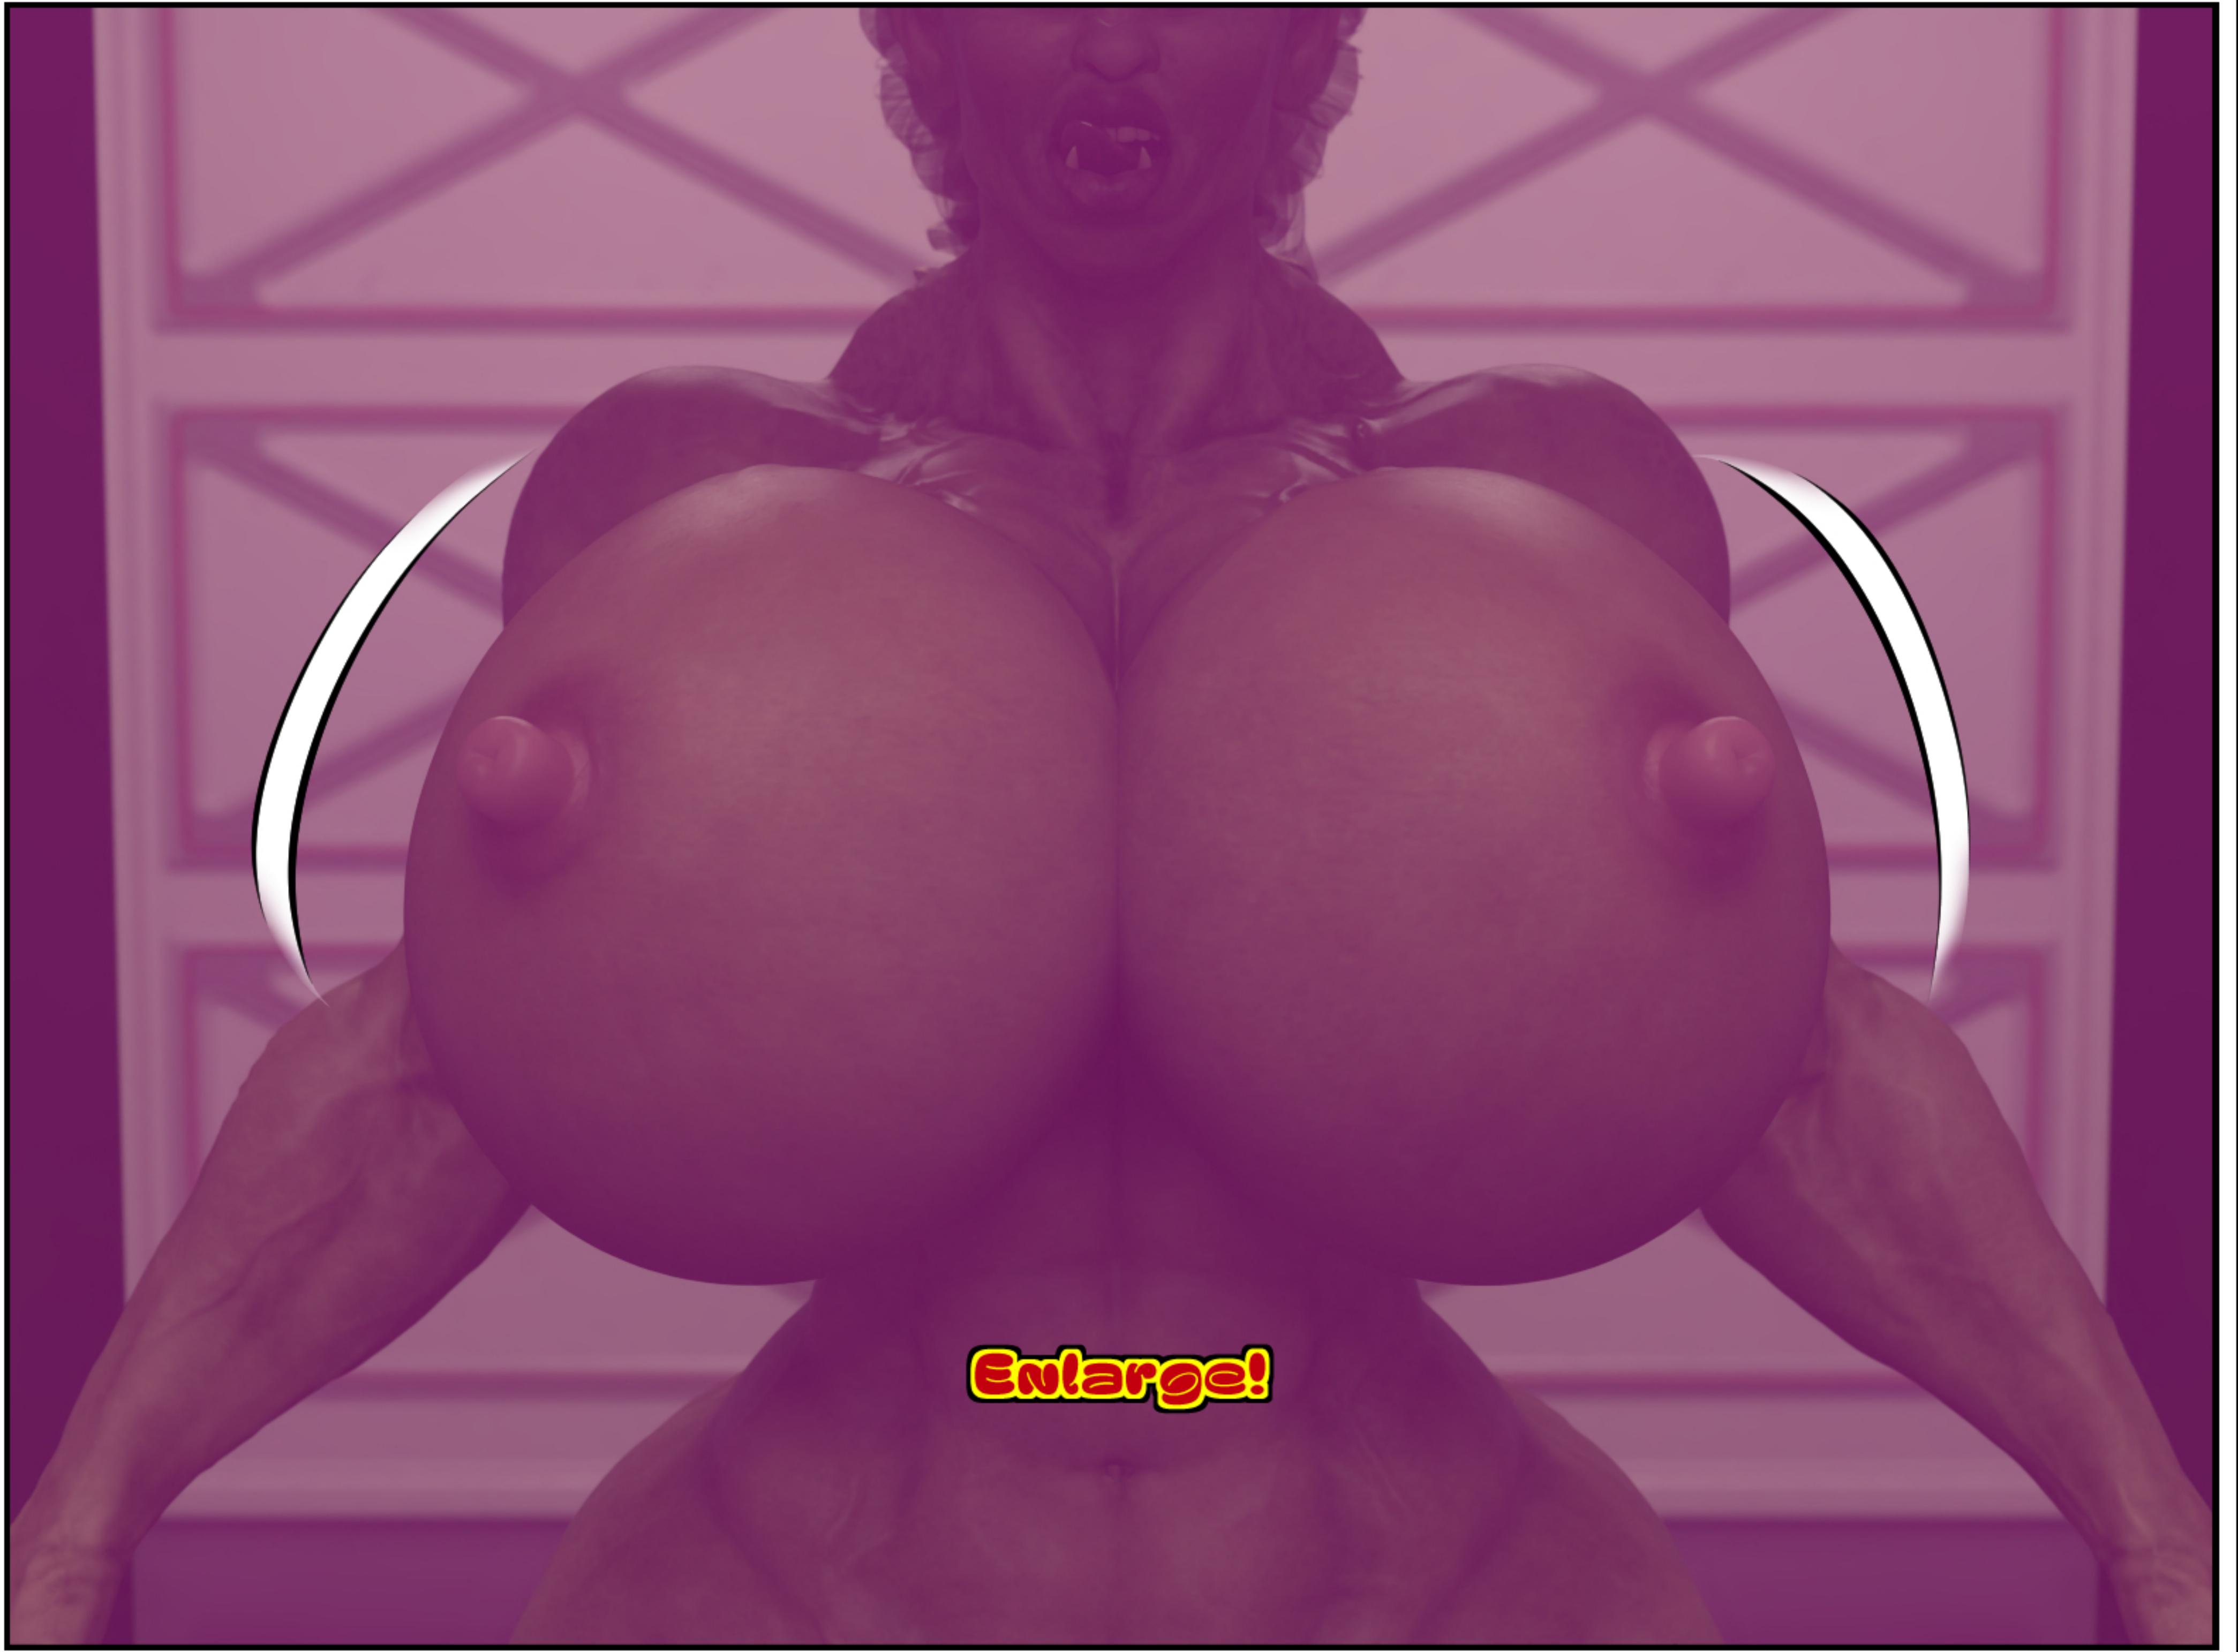

So our lovely She-Orc is rapidly becoming another brainless bimbo with a ludicrous libido!

Mmmm!
Maybe you
busty bimbos had
it right all
along.

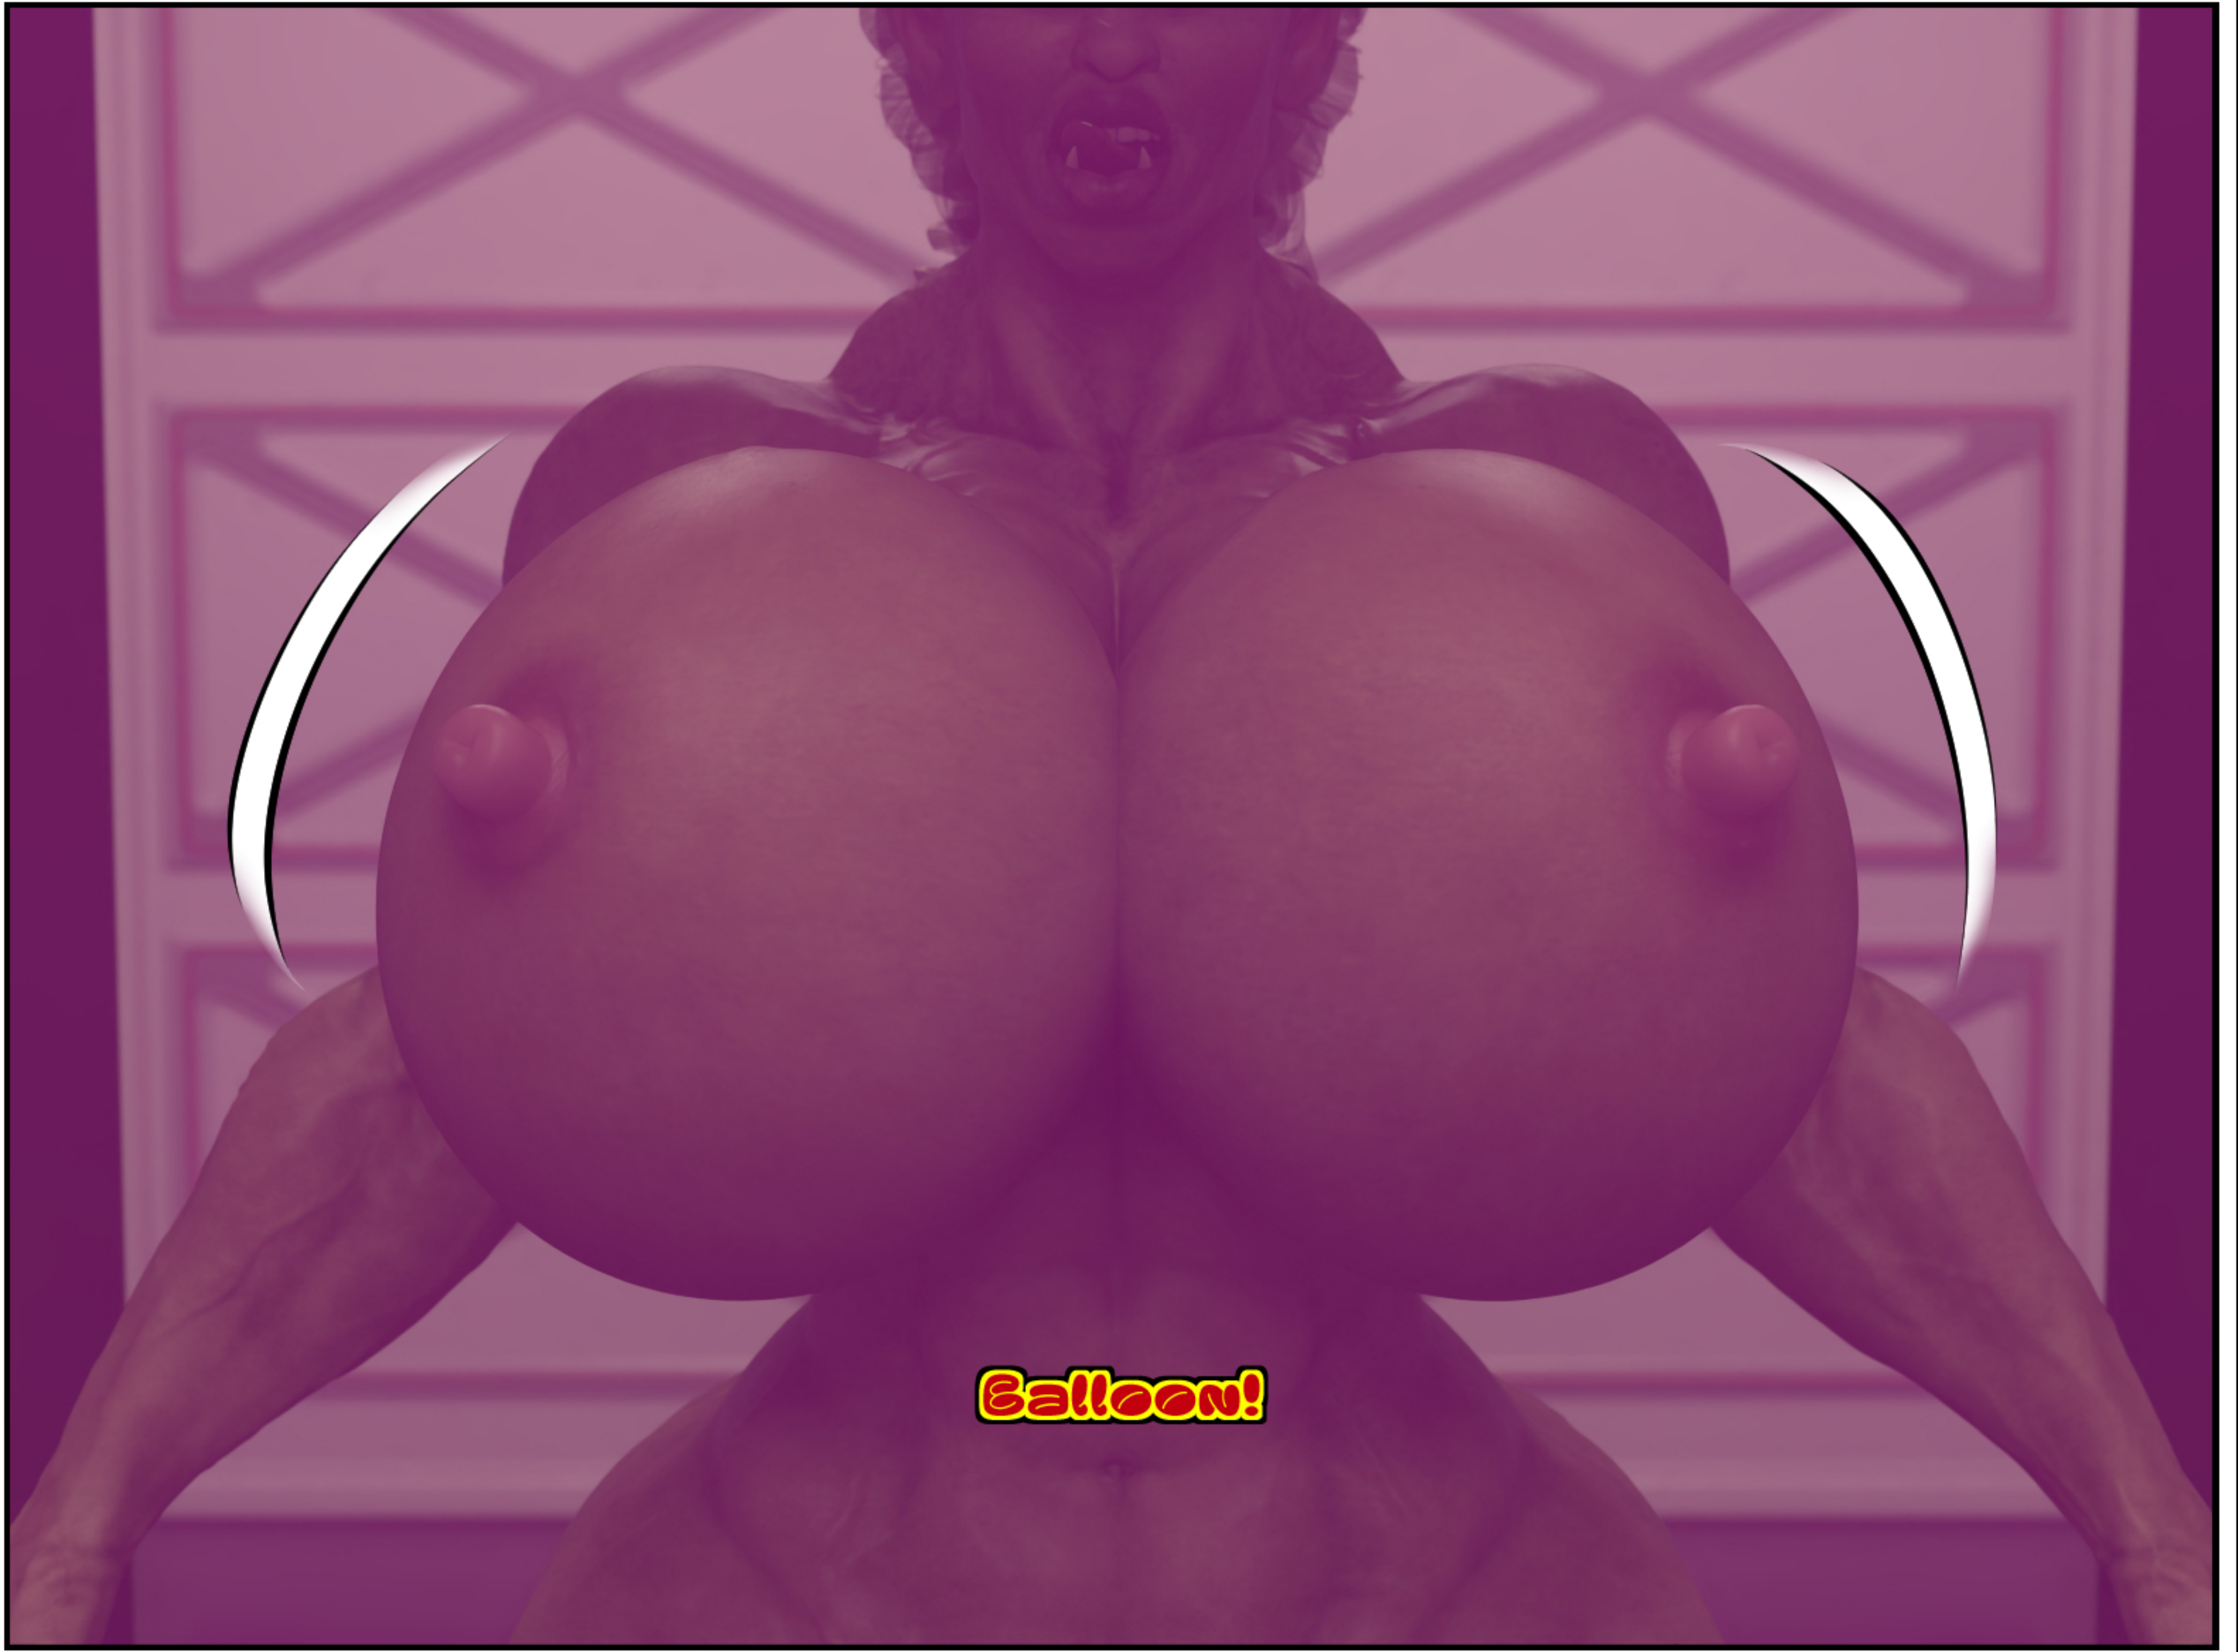

Expand!

Enlarge!

Balloon!

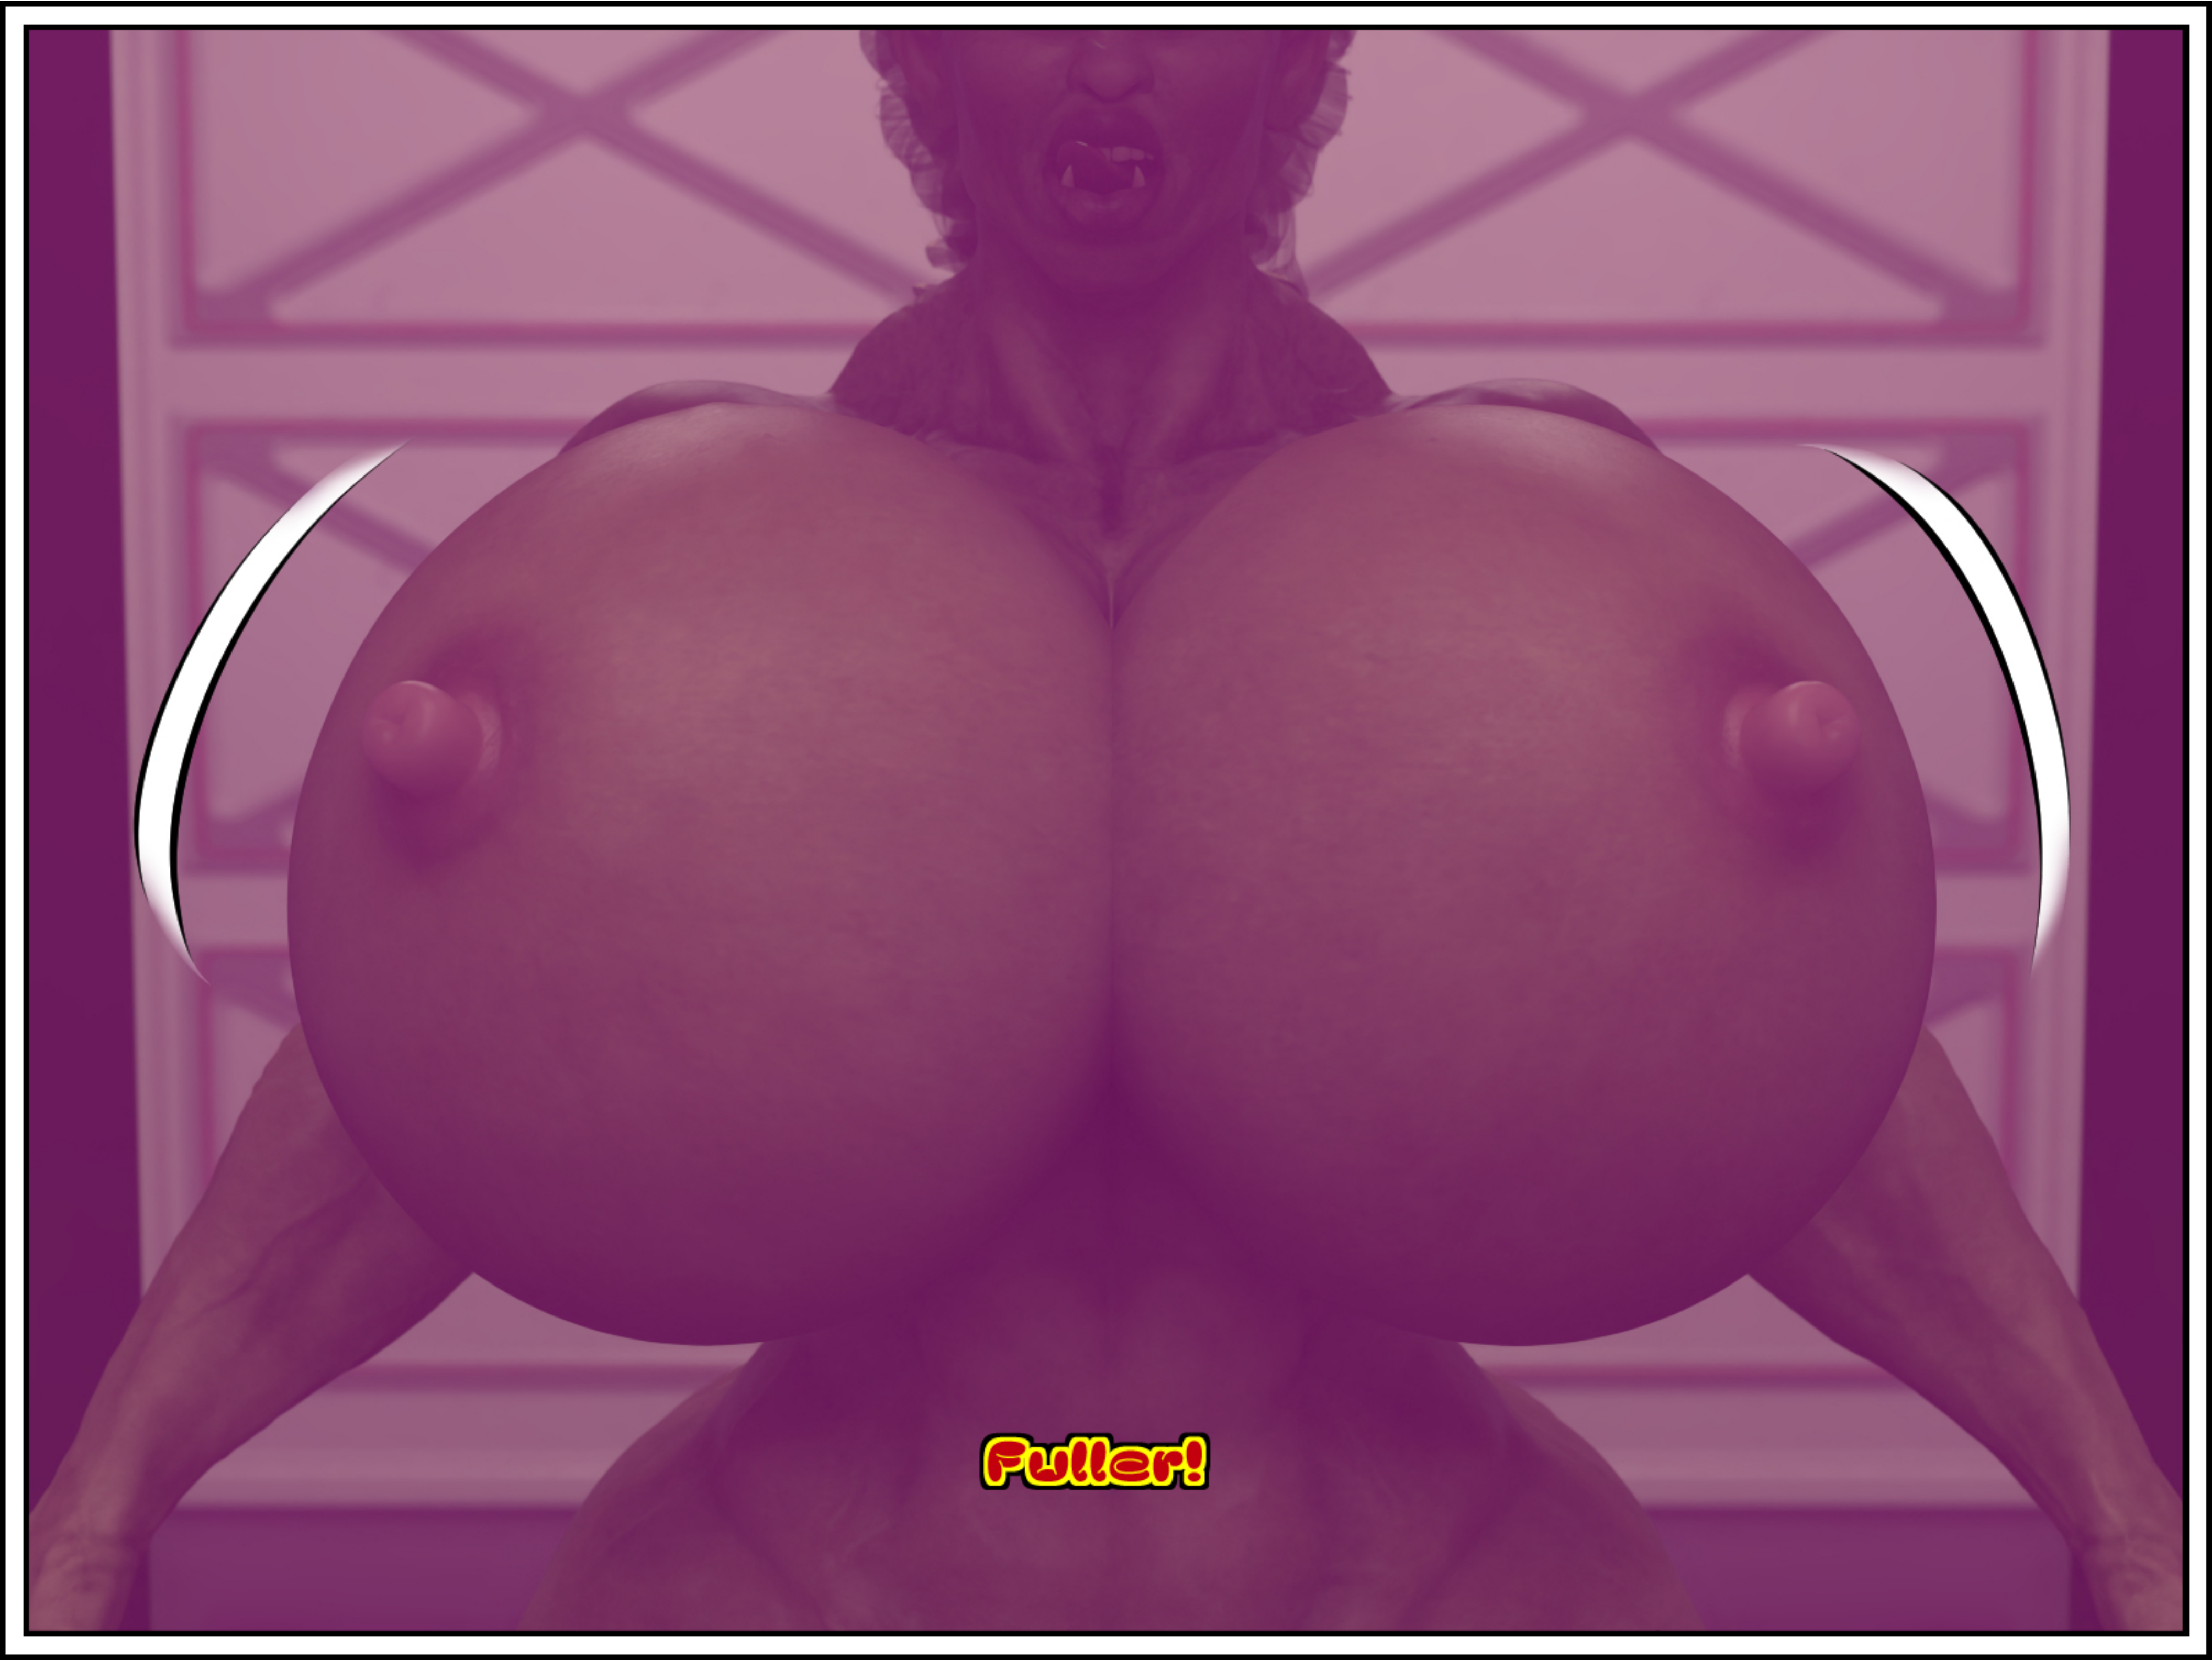

Blimp Tits!

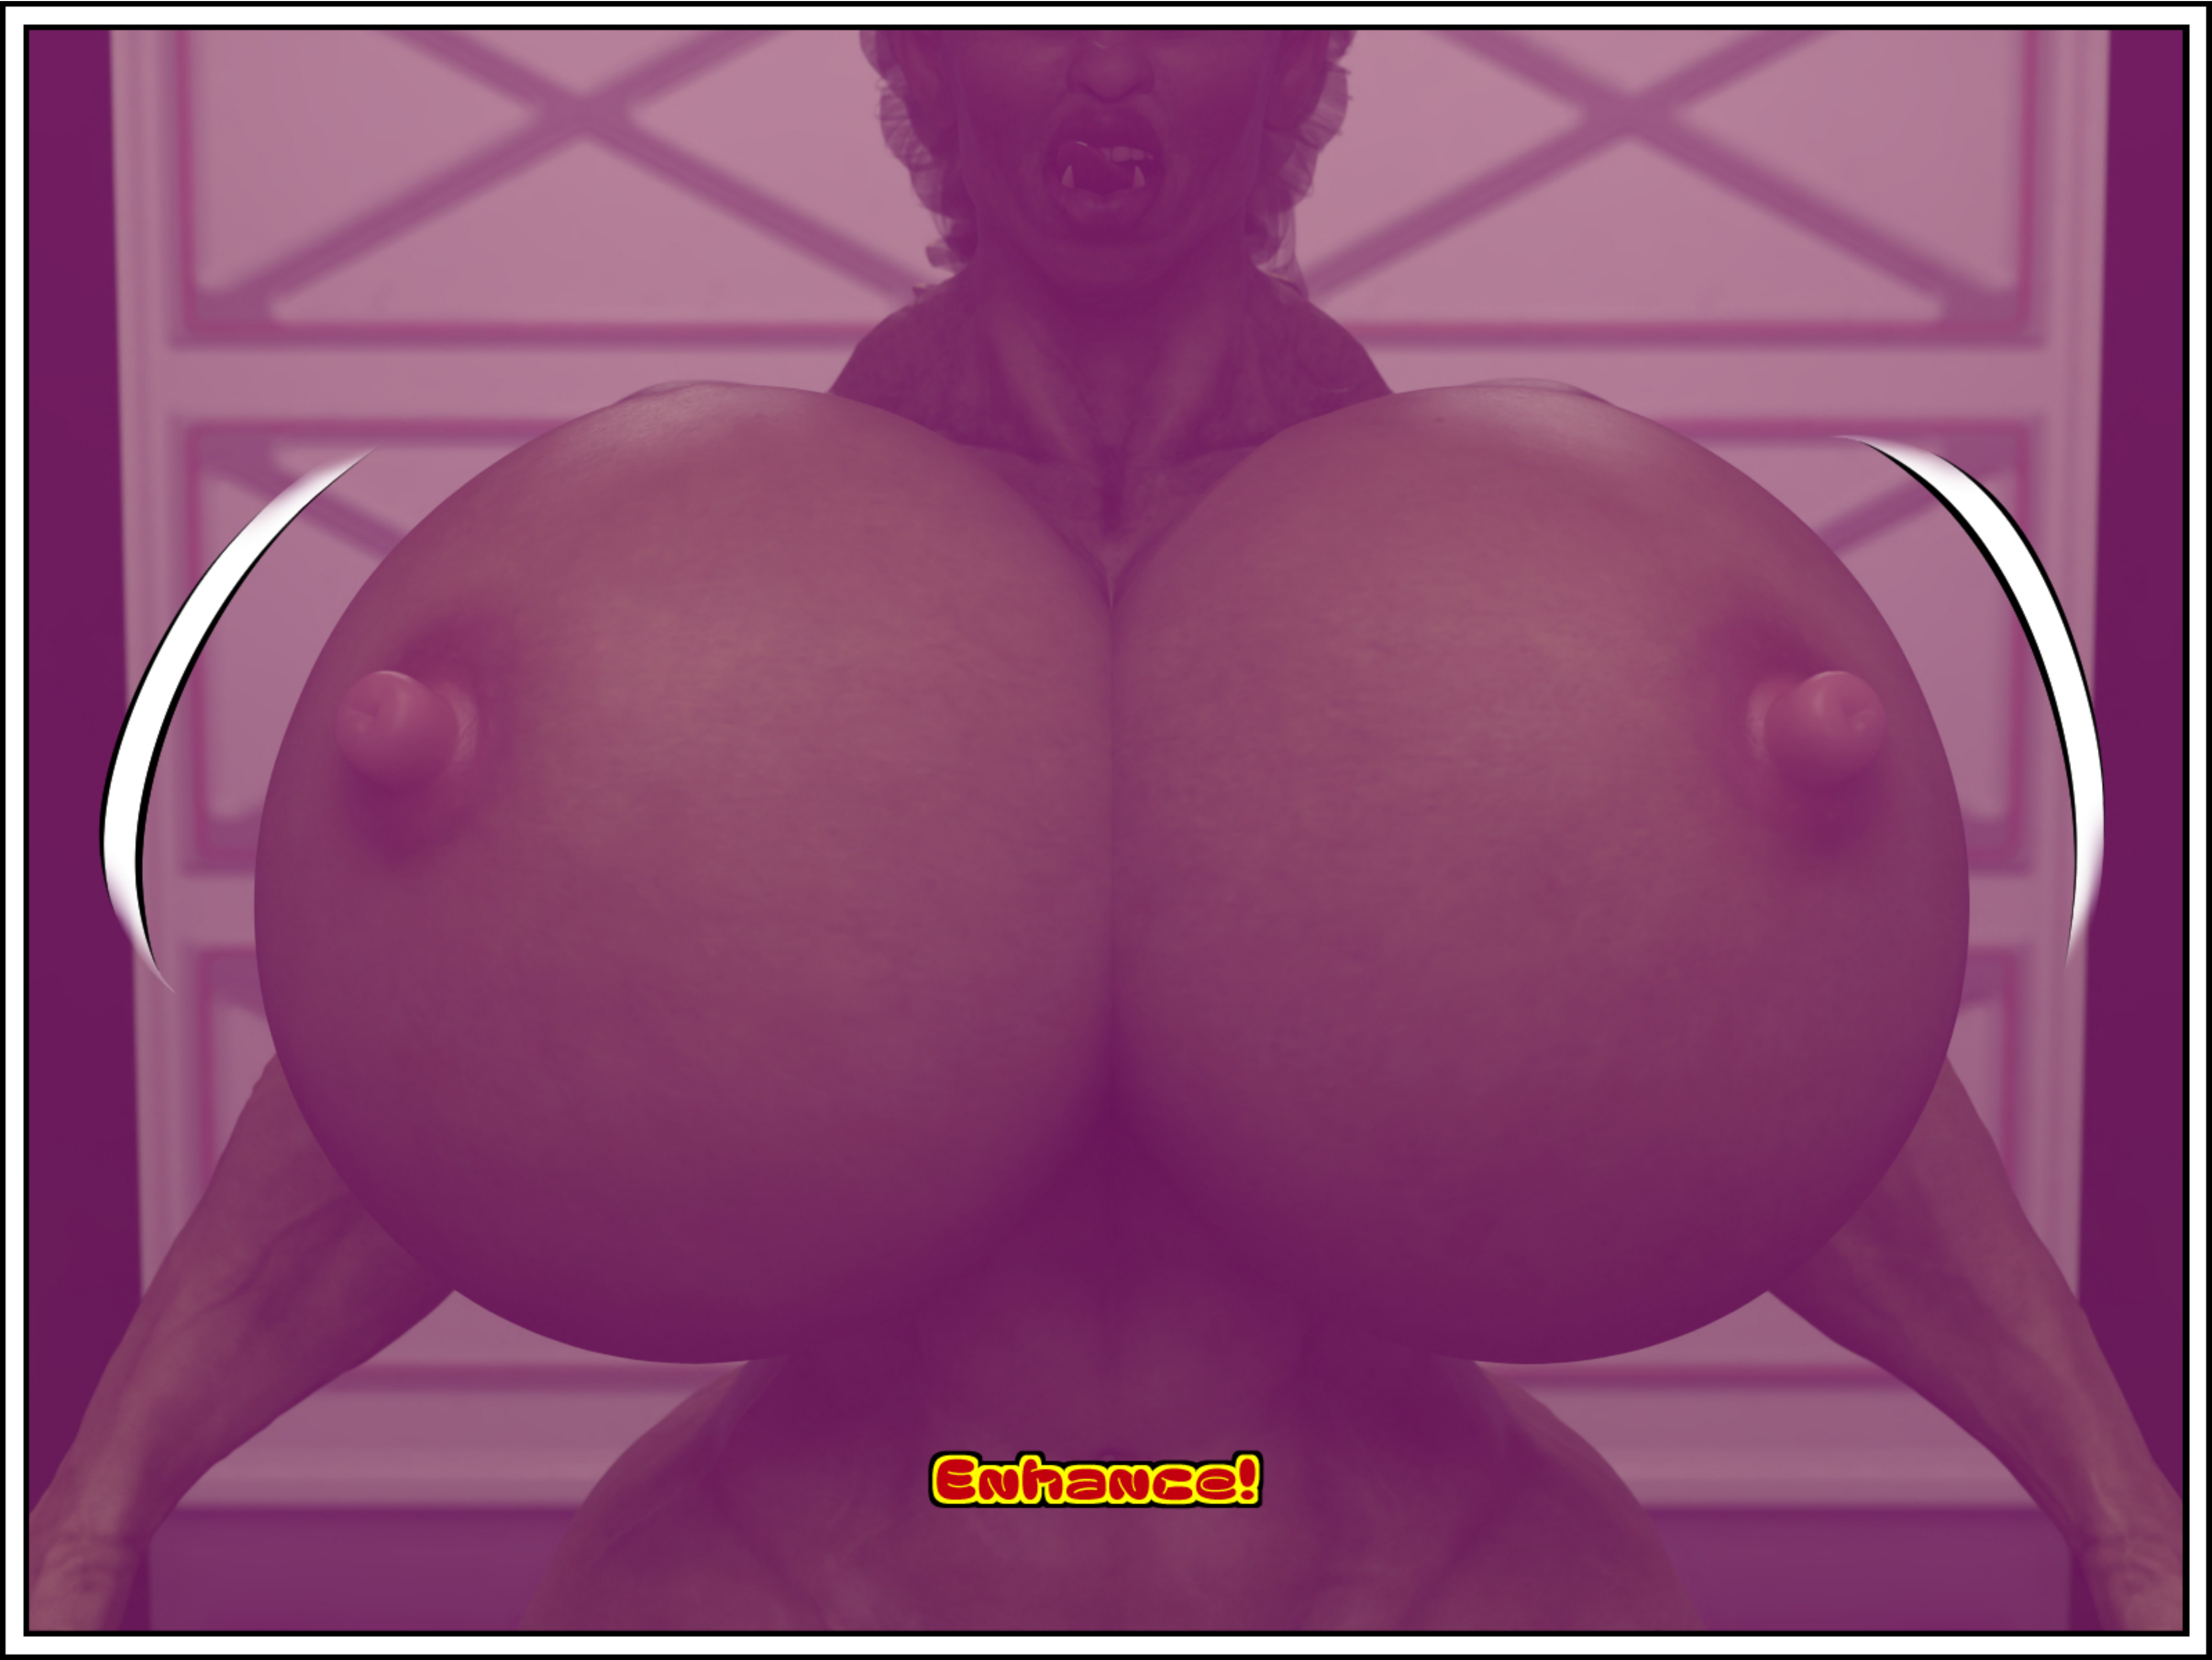

While her body isn't being augmented by Dr. Stealz process, but by Sapphire's drugs.

I'd love to have some giant fucking tits to wrap around 'dem huge cocks and have covered in cum!

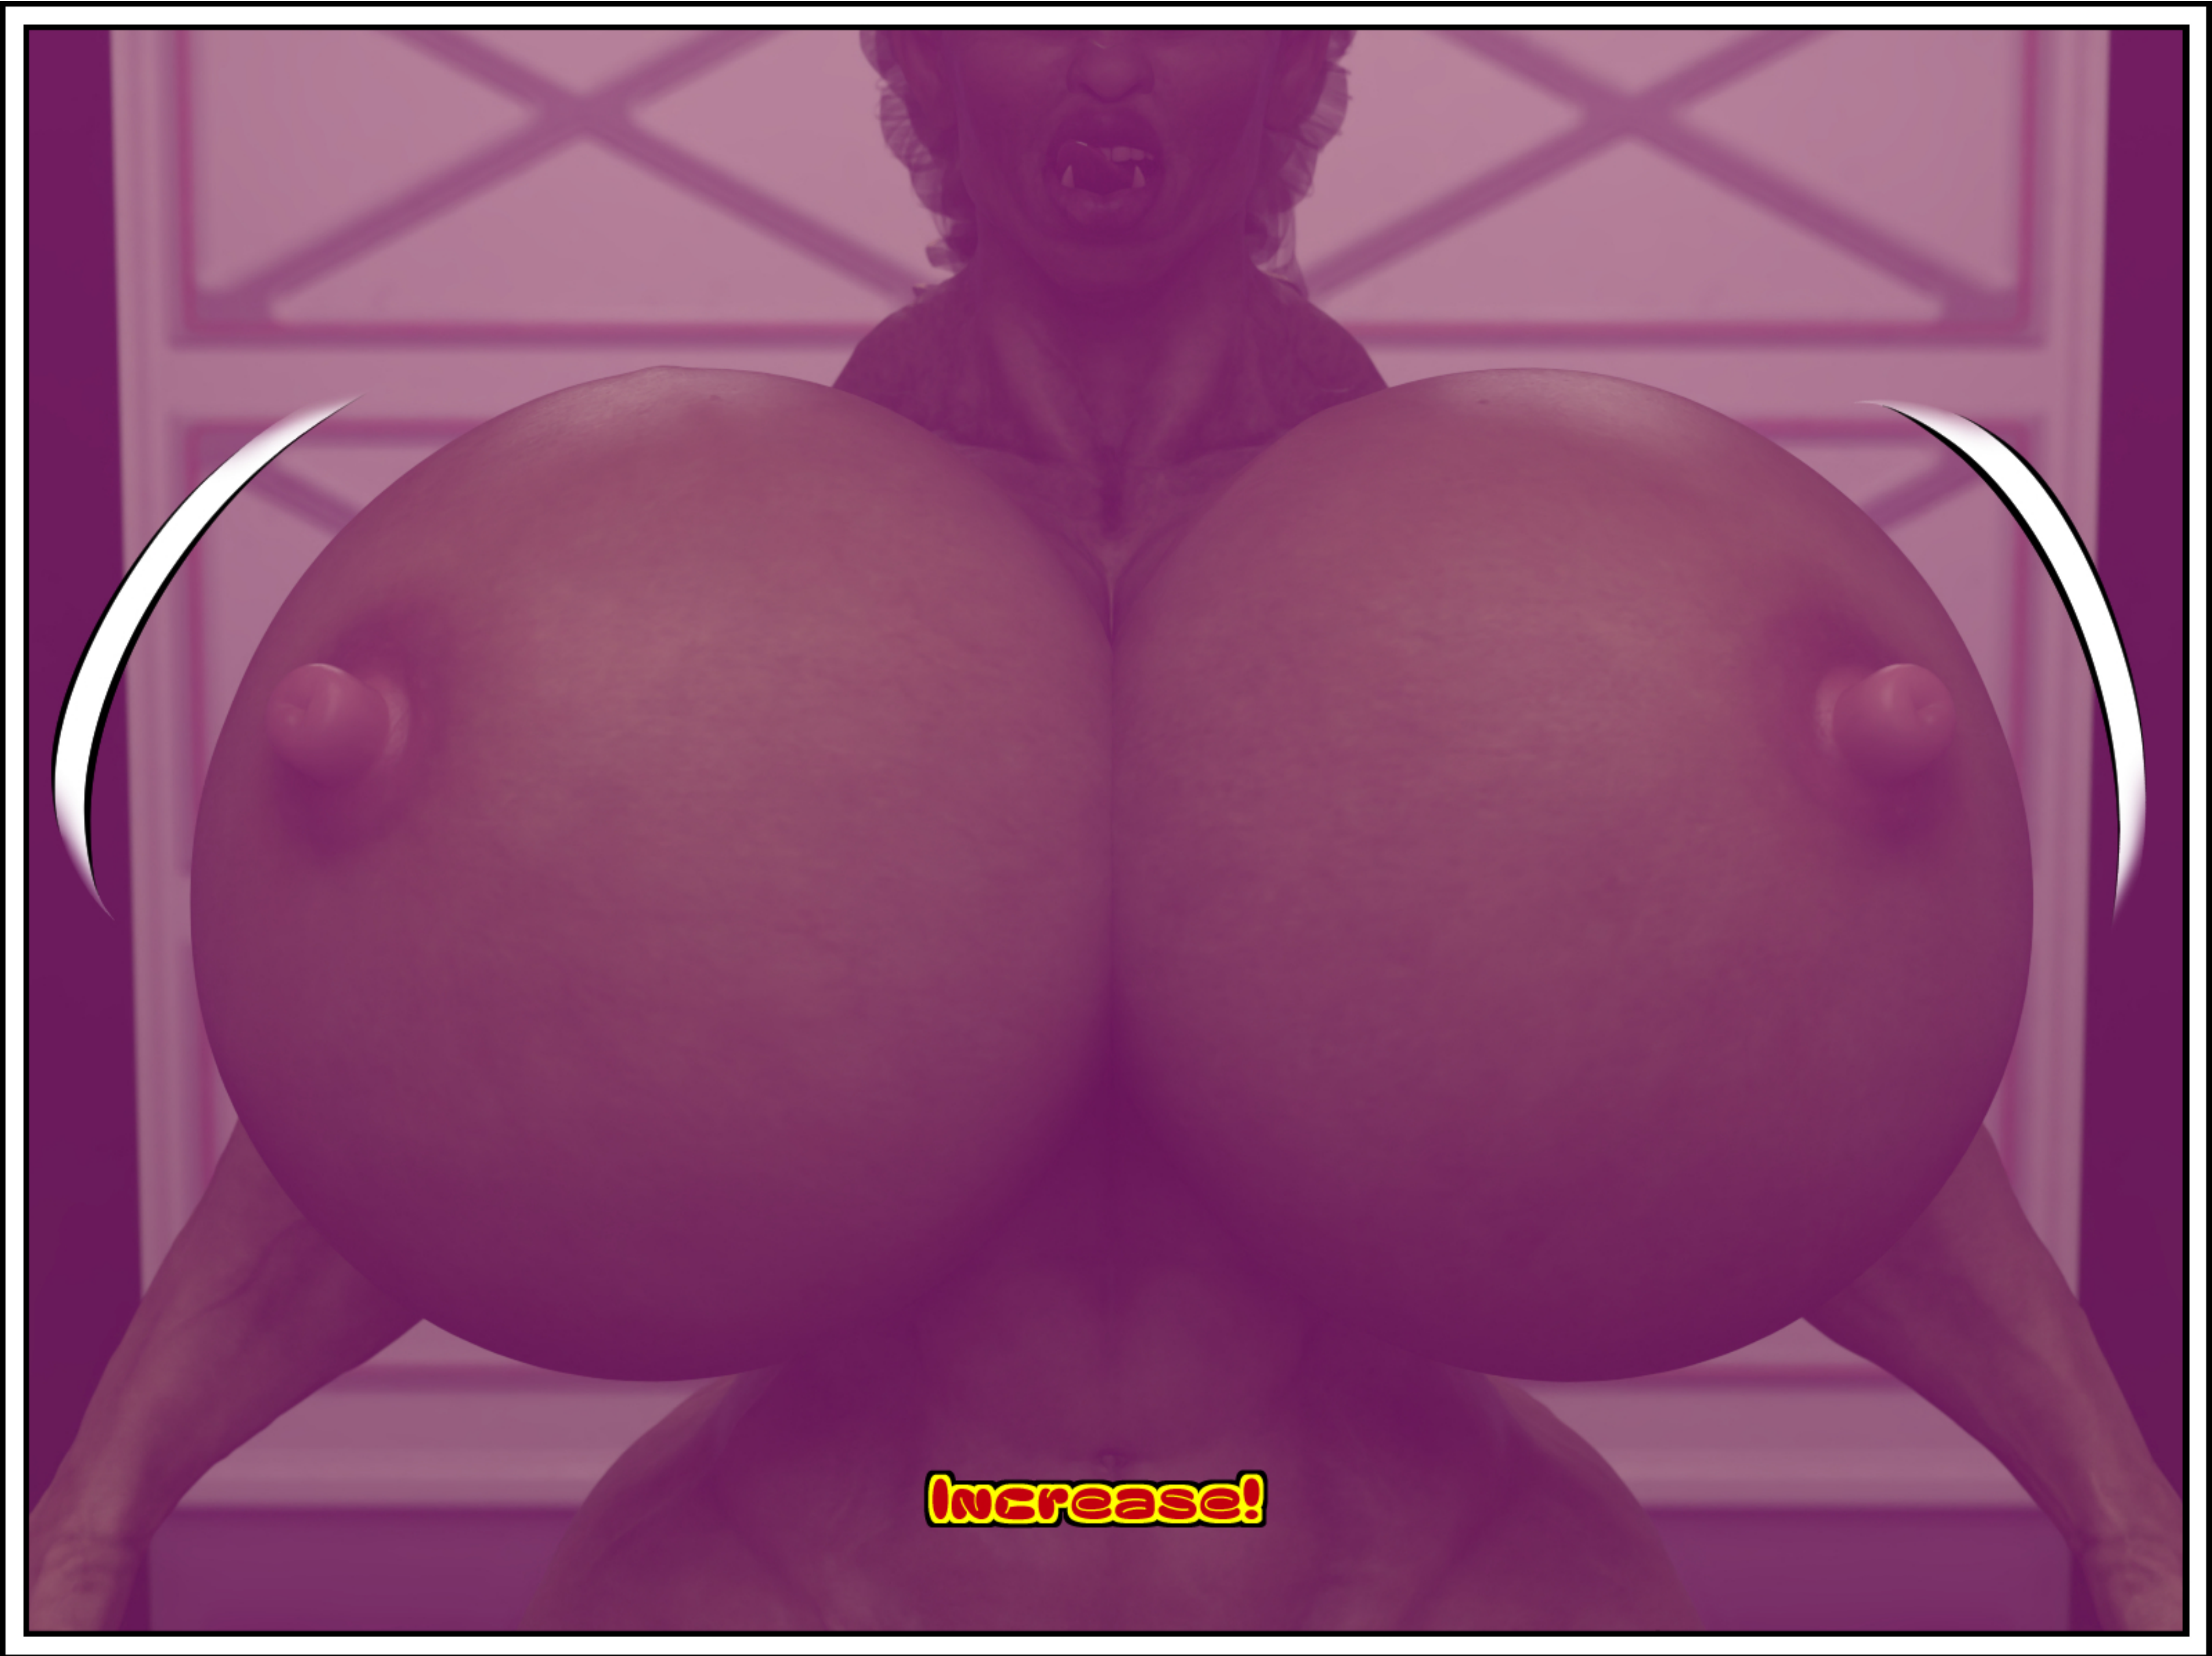

Fatter!

Fuller!

Enhance!

Increase!

Riper!

Rounder!

Excessive!

At least most of the changes are being caused by the drugs, but there might still be a little of Dr. Stealz shit in there.

Perfectly massive mounds of joy!

Huge Hoopers!

Massive Mounds!

Obscene Orbs!

Plush Pleasure Pillows!

And the combination of
the two has some very
interesting effects on her
ripening figure.

I
really love
huge tits, and
playing with them!
Hmmm, dat means I'd
need my own huge
schlong to play
wiff too.

So
I can
cum all over
giant juggs too!
Maybe even
my own!
<**giggle**>

Jut!

Thrust!

Bulge!

Bigger!

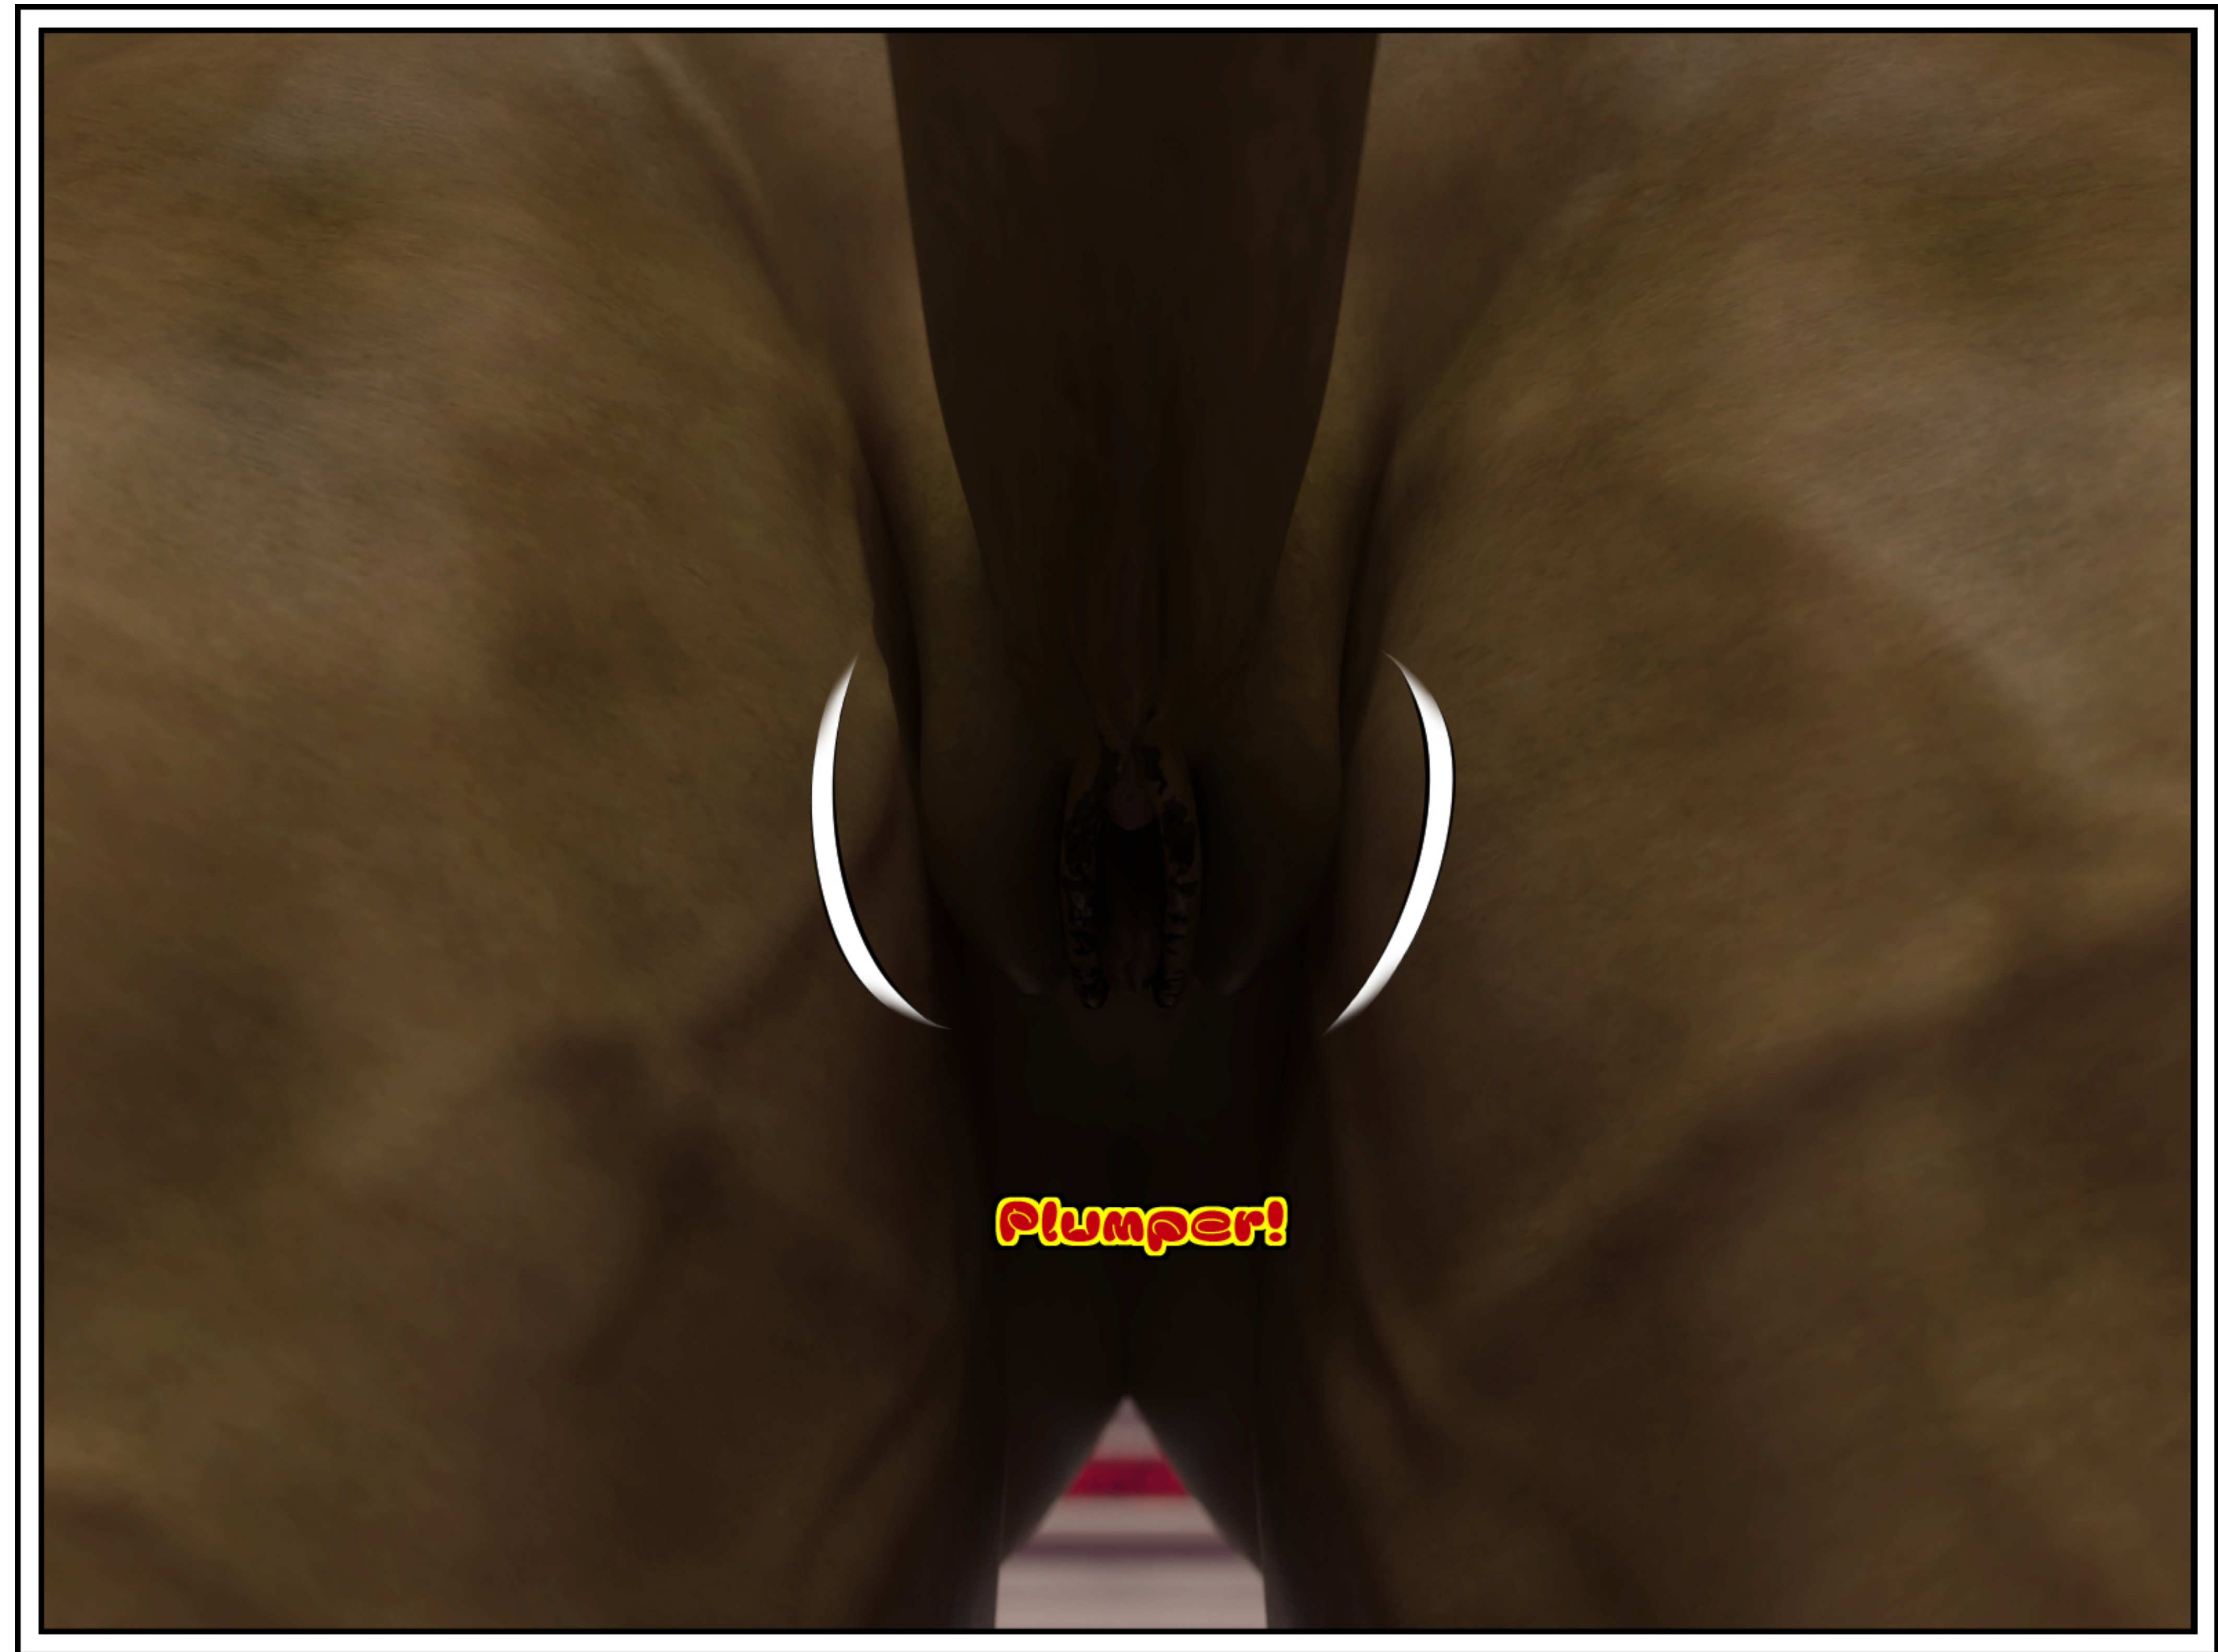

It also seems like she is in control of the changes, just like some of the other transformations.

I still wanna get fucked too though, so I'm gonna, like, need both? How does that work?

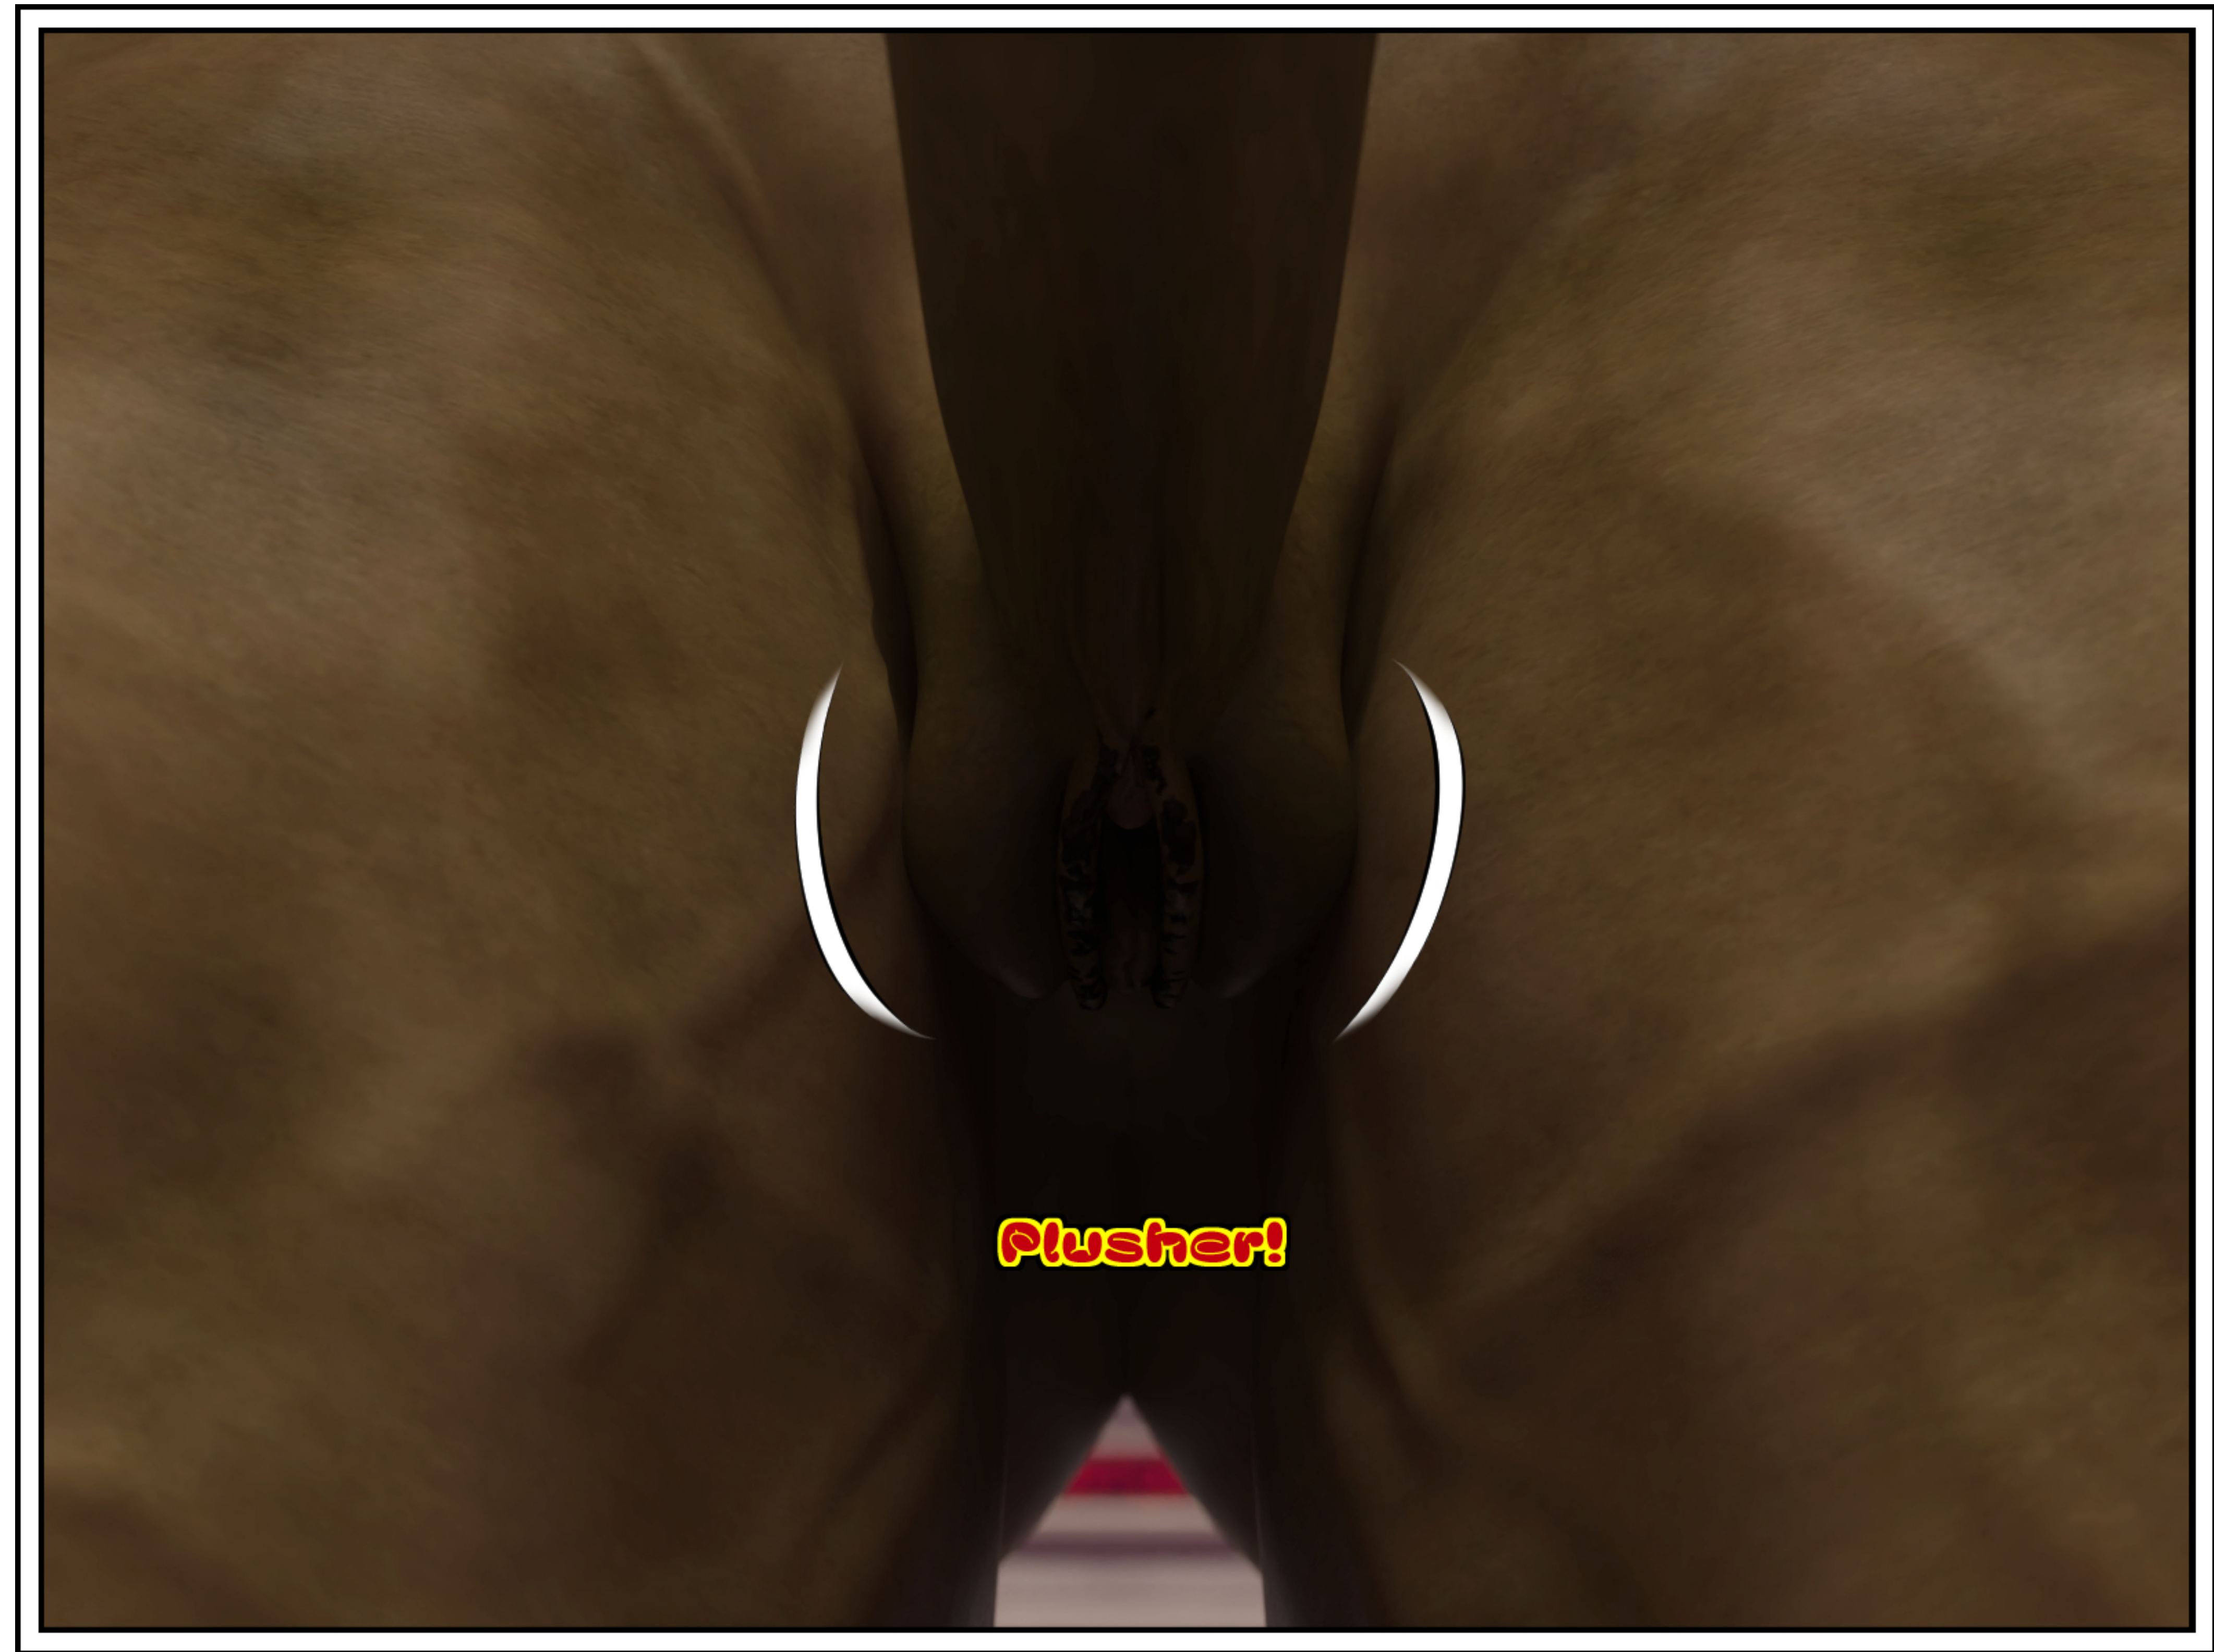

Fuck it!
Whatever!
Just gimme both.
A giant hog and a plush,
juicy pussy so I
can fuck and
suck 'em
all!

Swell!!

Plumper!

Plusher!

Juicer!

Certainly her mindset and thoughts have helped to direct it, but those ideas were altered as part of her changes too.

Yes!
I feel
powerful and
sexy as
fuck!

Which leads her to modify herself into a mega-busty, hyper-horny, muscle-futa bimbo with enormous thunder-thighs!

And horny! So fucking horny!

Holy hell! Just look at those tits, and that huge hog!

Yes,
those are
some impressive
results. Not the changes
I would want specifically,
but I desire something
equally as...
stunning.

And
I think I
know just how
to get
it.

I
have a
bad feeling
about
this.

Stay tuned!
