

Harry and Chris were stuck in one apartment during the pandemic lockdown. Fed up with the boredom and jerking off to countless porn sites, they purchased a VR headset when an ad popped up in the middle of their goon session. The price was ridiculous, but the bunch were desperate, so they placed the order without reading any details. The order was delivered in just two days, and Chris hurried to the doorstep to pick up the package when he heard the bell.

Early bird catches the prey!
I got it first!

You can give me a hand if
you don't want to sit and wait! Haha!

Hey, that's not fair!

Fine, whatever.

Yeah! That's what I'm talking about!

Hell yeah!
It feels so real!

Is it that good?!

Damn it! My wild imagination is making me hard...

Oh no, the screen went blank!
Man, that's why I hate wireless.
There are connectivity issues
every now and then.

Don't be silly.
I just tapped it
a few times.

It hasn't been fifteen
minutes, and you already broke it!

Let me see.

So? What's the problem?

Don't you dare put gay porn, or I'll bust your nut sacks

You probably hit the wrong button. Let me choose.

There seems to be only one folder in it anyway, and you just finished watching "Phase Zero". I'll play "Phase One".

Oh! What is this?!

All I see is a pink spiral
and a woman's voice whispering
gibberish... Ohhh... I don't know
why it's making me hard...

No! Wait.

What happened?

Dude, you're a freak.
Maybe you should take a break

Fuck... That was the best orgasm of my life!

Are there more files?
Play the next one!

Dude, you haven't even pulled out your meat yet...
woah, you look thinner, and your headset is glowing pink?

You don't even have a boner yet, gosh, whatever,
playing "Phase two".

Ohhh... Yess... mmm

Aghh! It stings!
So many images
flashing by... mmm...

Damn, he has lost almost
all his gains and looks like
he hasn't cut his hair in three months!

Whoa, did his voice get higher?!
Why is he moaning like a woman?
Wait, is he turning into one?!

This feels so good!

Ugh, my body...
dude, why are my
hands so thin?
Huh! My voice!

Never mind, "Phase three"
Here it comes!

Holy shit, his hair
is reaching his shoulders
now! Should I tell him?!

Ahhh... My legs...
What's wrong with me?!

What the fuck!
I have been fapping
to big cocks! Harry!
Stop the video!

I may not be using
the VR headset, but I
will have something
much better!

Sorry, buddy, it's too late.
I am not saying no to any
pussy today!

Fucking hell!
It's hammering in my brain!
I can't take it off!

I'm going to beat the
hell out of your dick, Harry!
Oops! Why did I say that?!

Don't sweat it, Chris!
You're turning out great!

Haha! Nice!

Aaahhh... It's so...
hard to resist...

Fuck you, Harry! Nngh!

Resistance is futile, Christine

"Phase Four", commence!

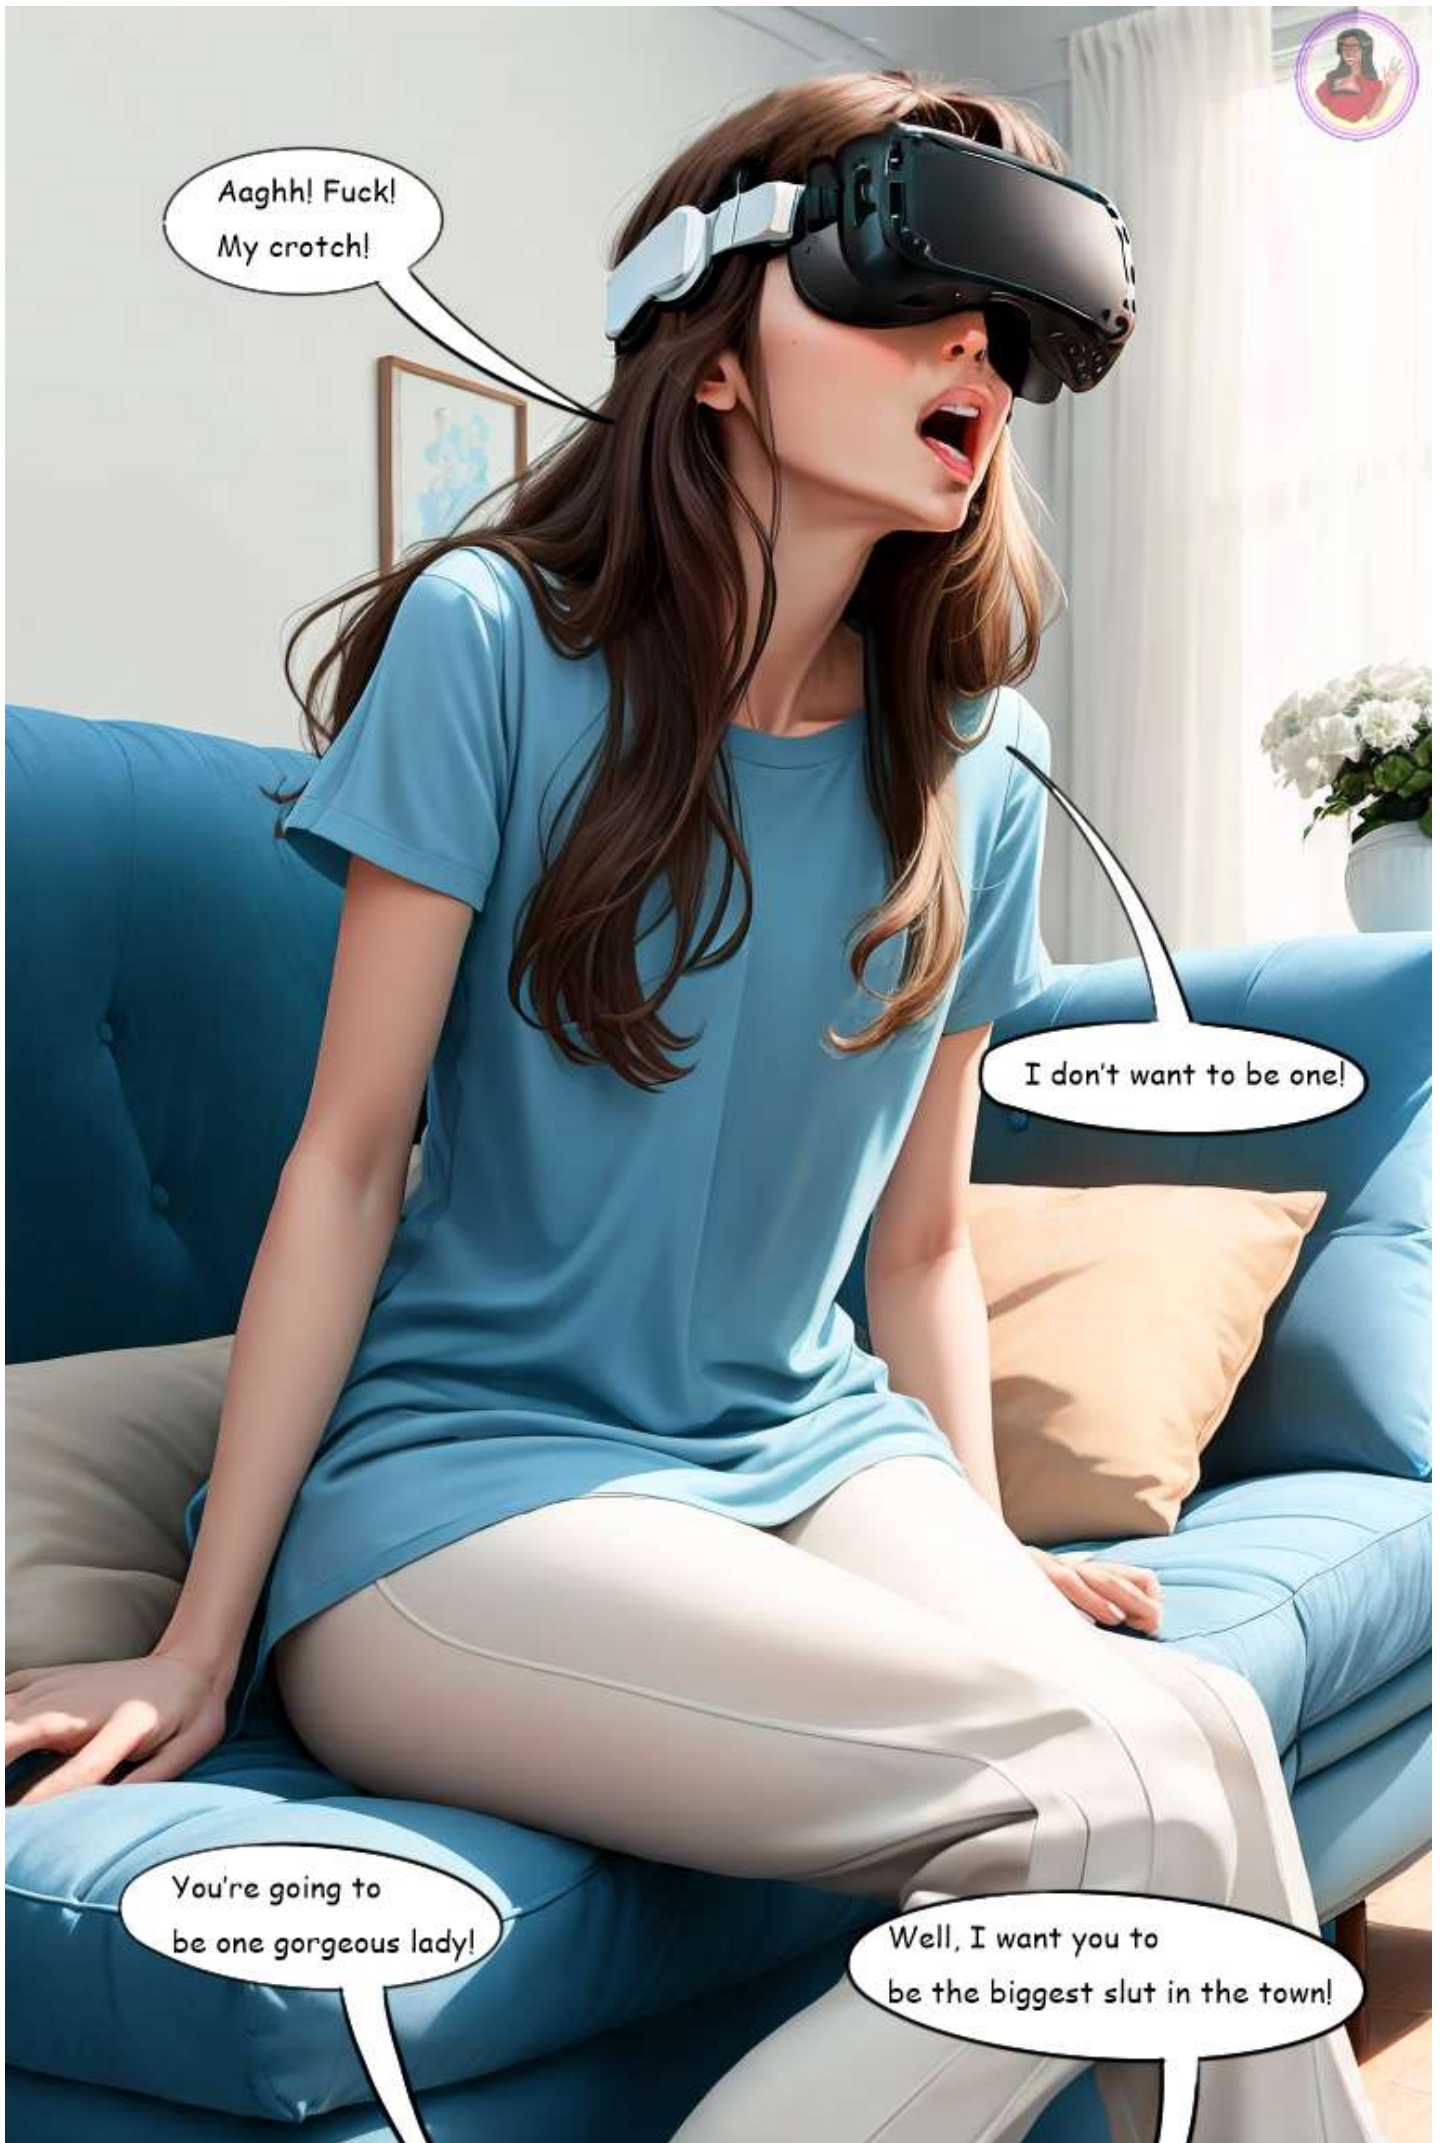

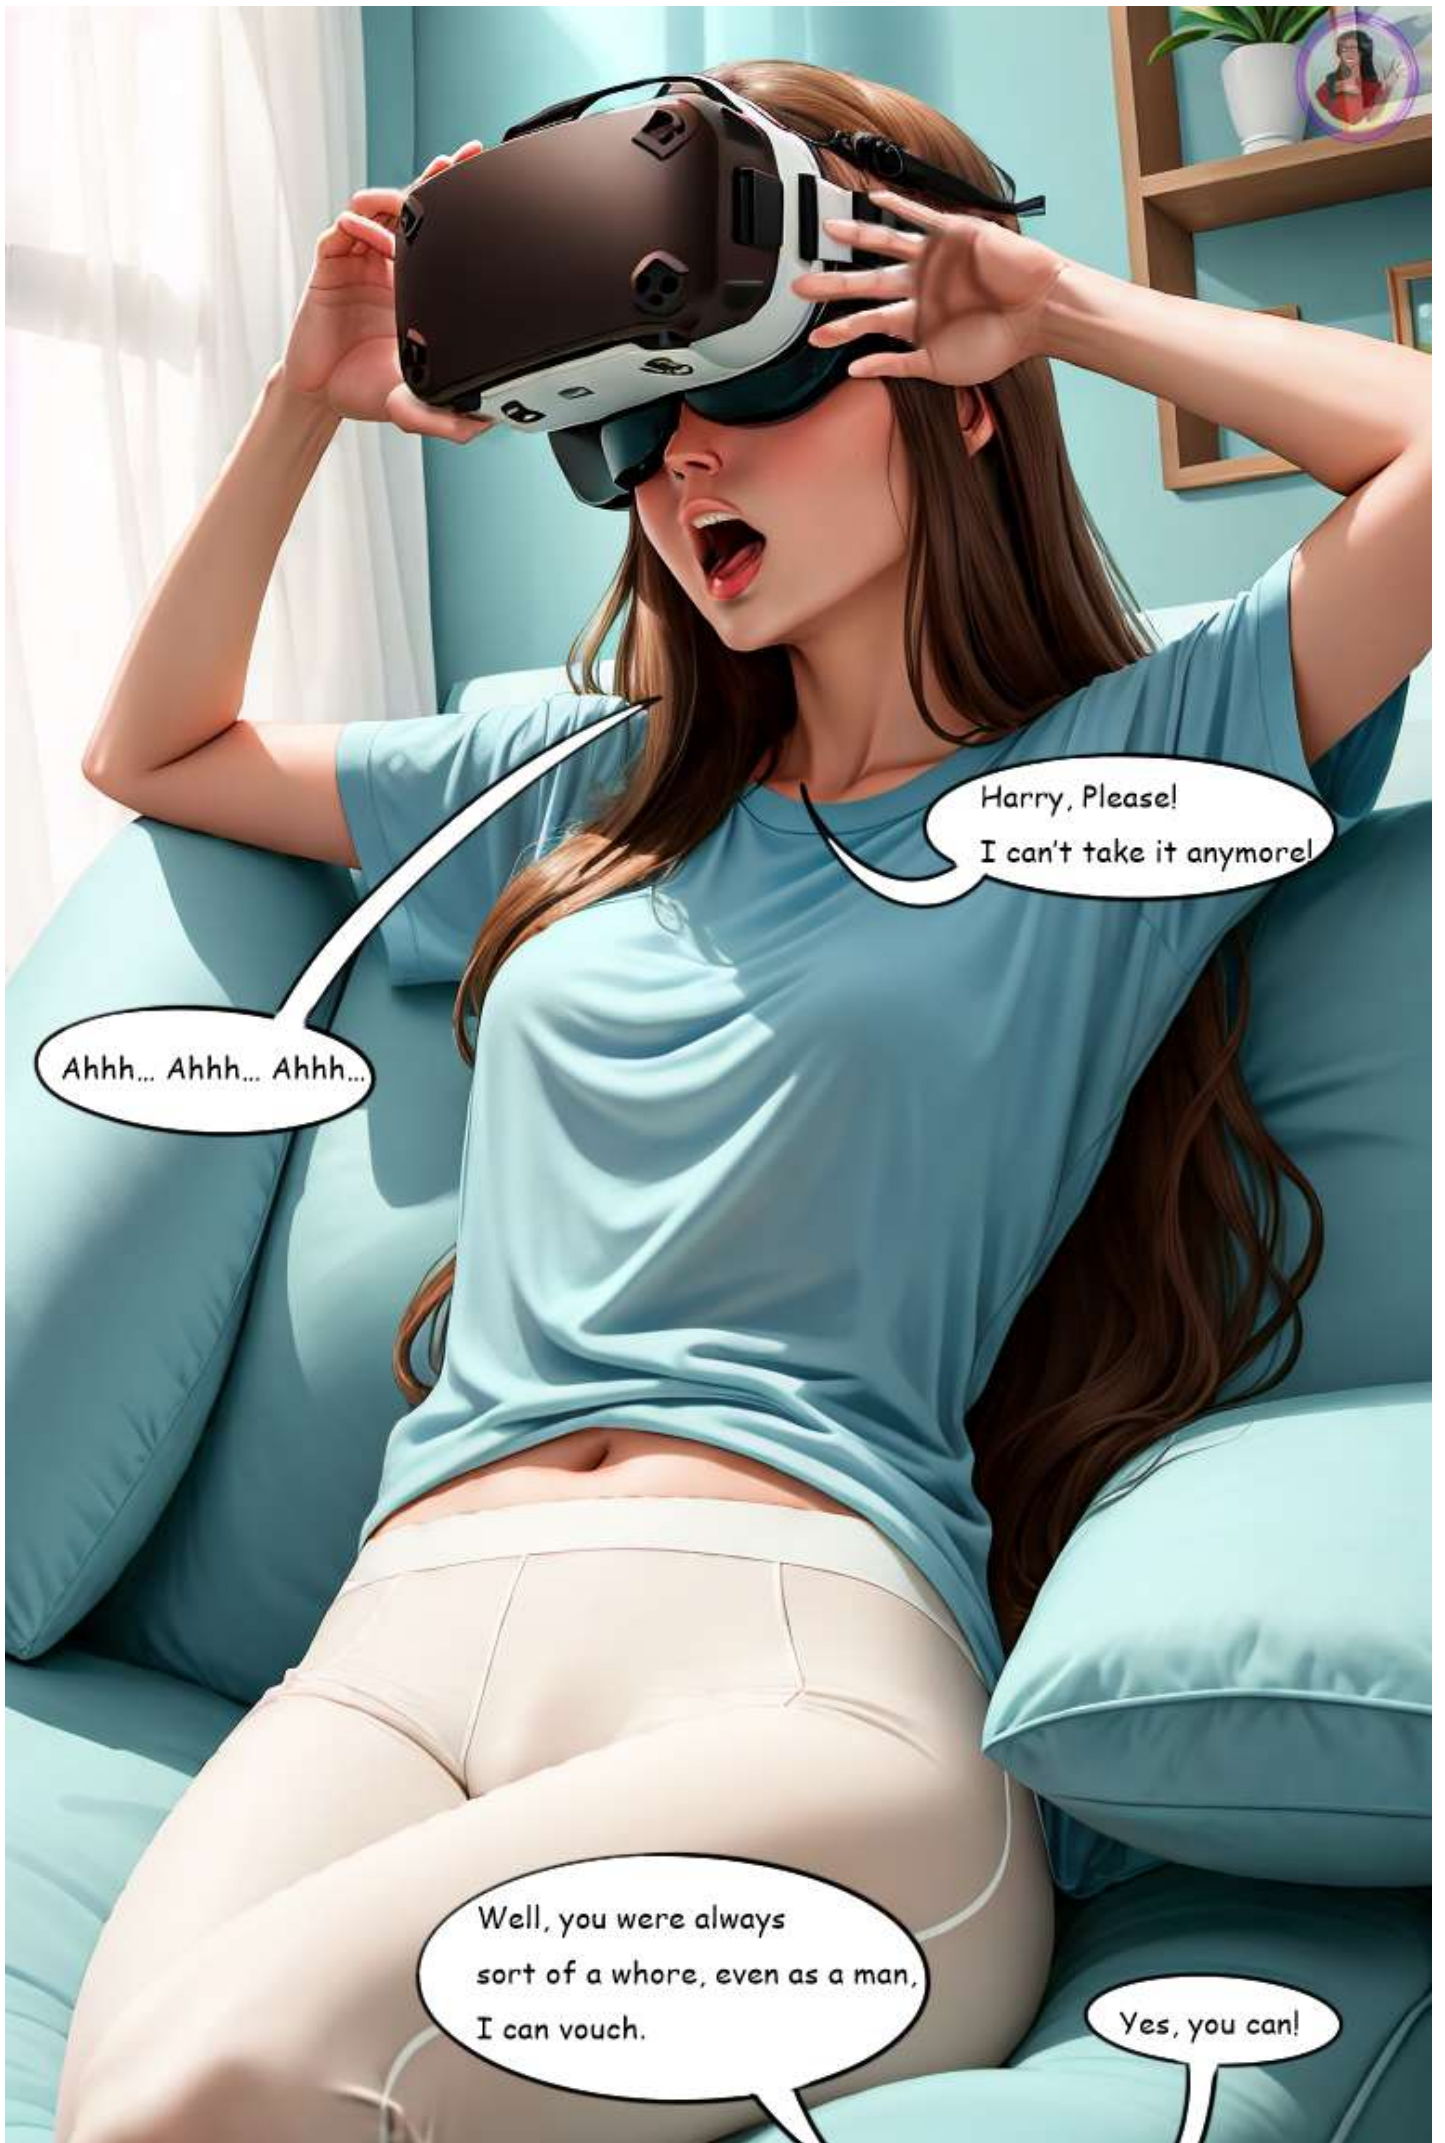

Aaghh! Fuck!
My crotch!

I don't want to be one!

You're going to
be one gorgeous lady!

Well, I want you to
be the biggest slut in the town!

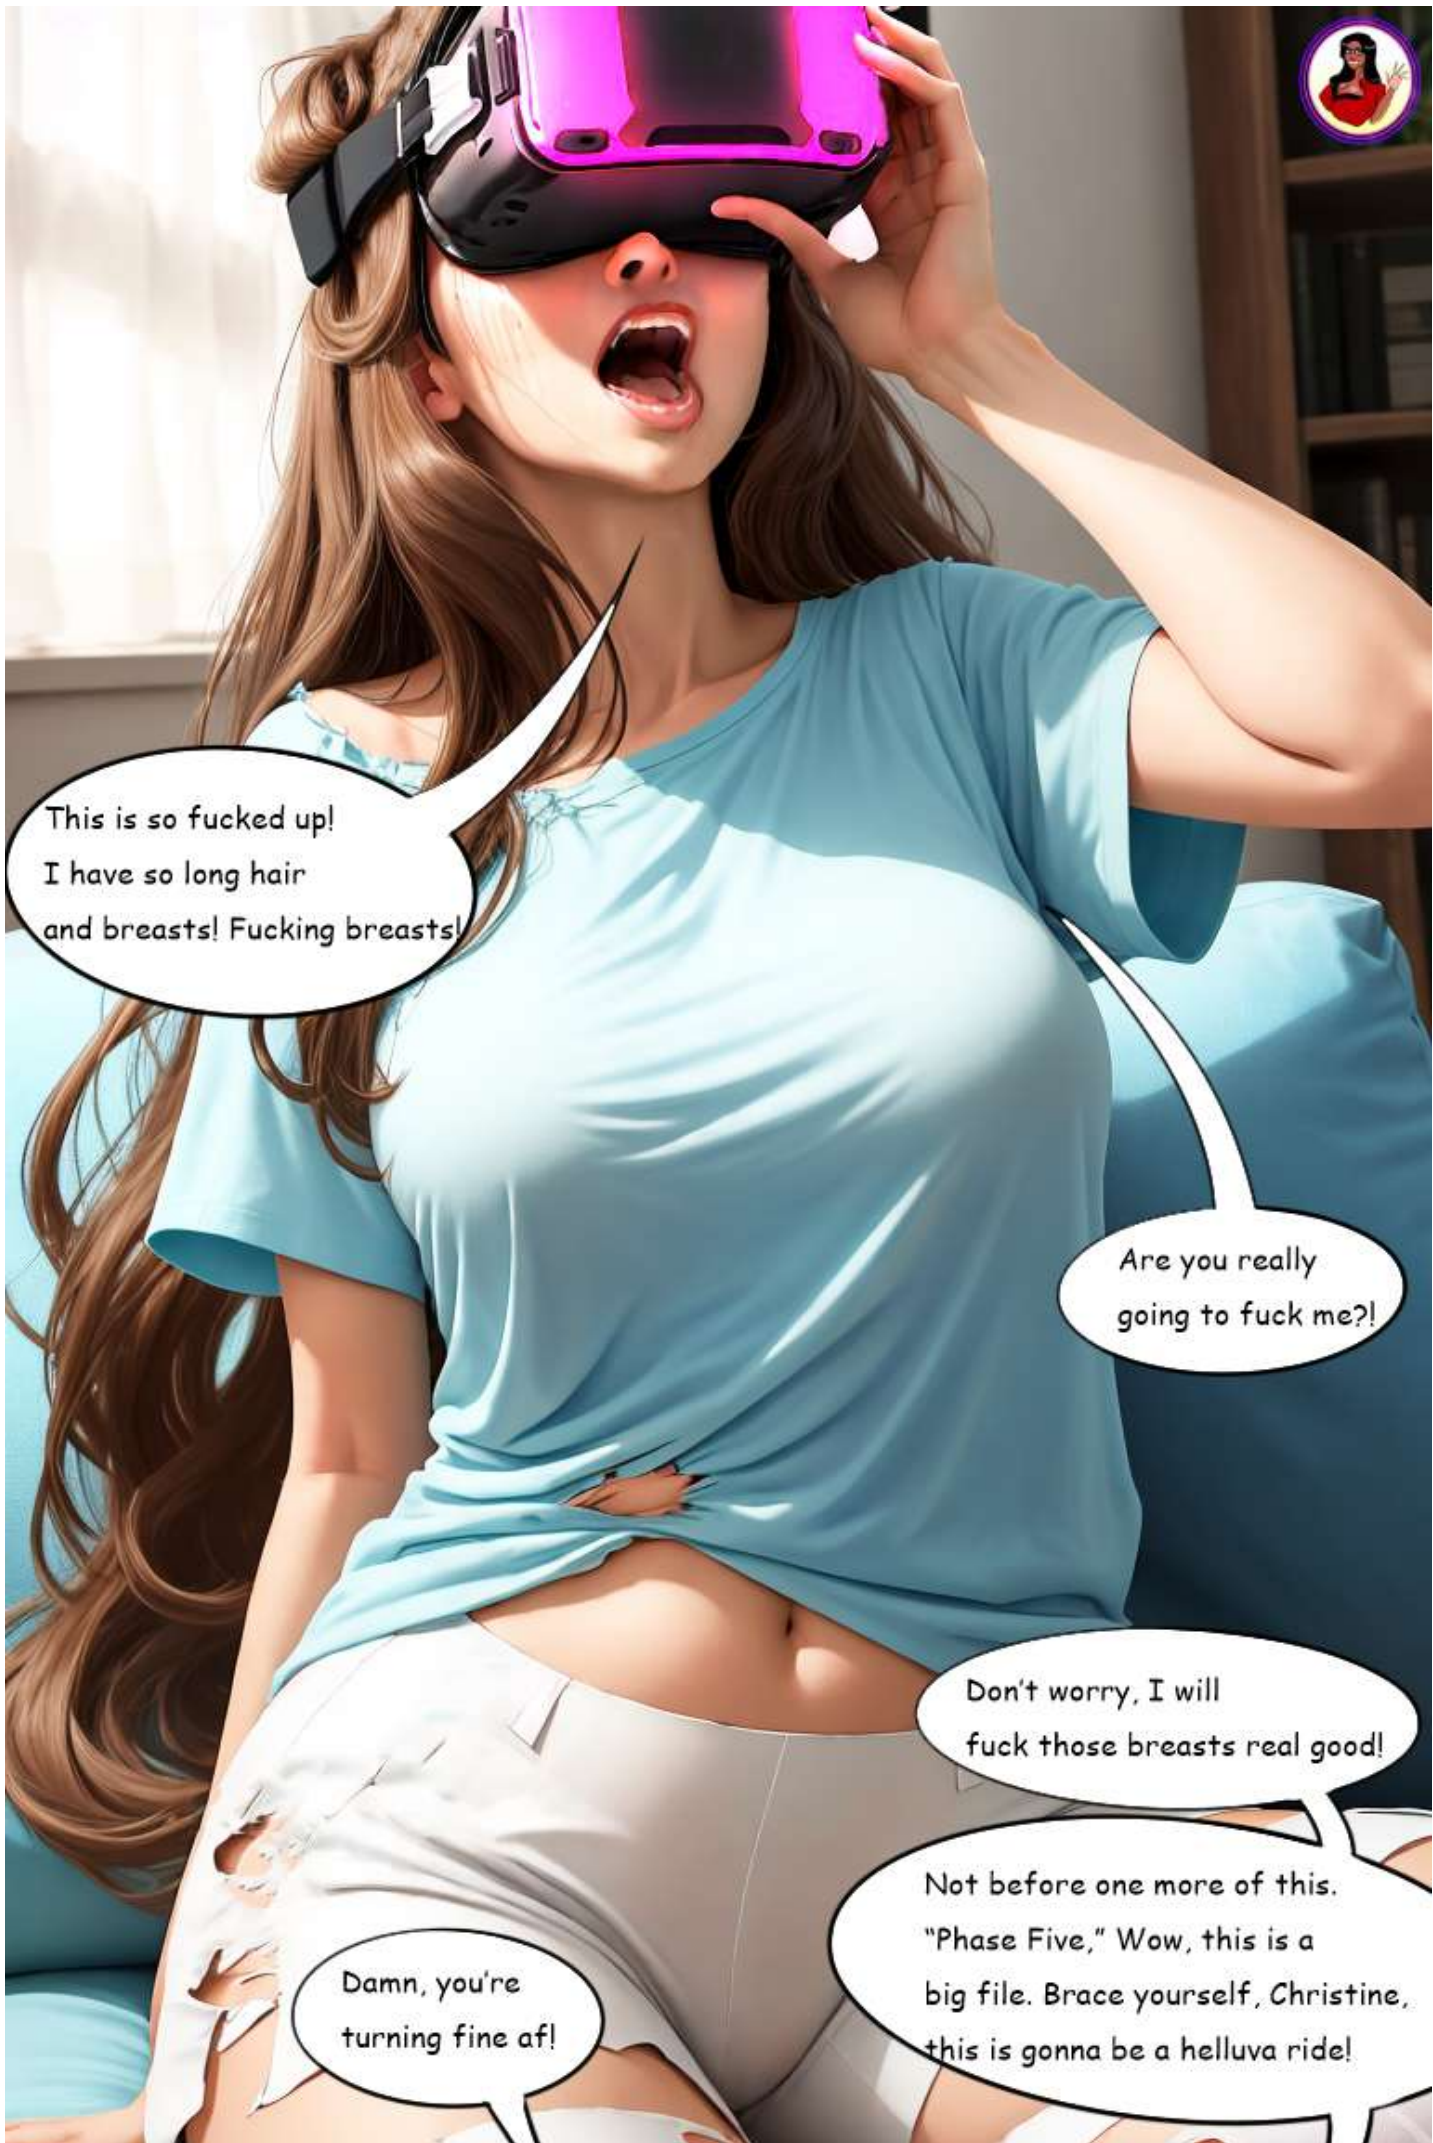

Ahhh... Ahhh... Ahhh...

Harry, Please!
I can't take it anymore!

Well, you were always
sort of a whore, even as a man,
I can vouch.

Yes, you can!

This is so fucked up!
I have so long hair
and breasts! Fucking breasts!

Are you really
going to fuck me?!

Don't worry, I will
fuck those breasts real good!

Not before one more of this.
"Phase Five," Wow, this is a
big file. Brace yourself, Christine,
this is gonna be a helluva ride!

Damn, you're
turning fine af!

Ohh... Oh, God!

I want to taste it so bad! I can't, No!

Fuck, Christine is so hot! She is giving me a raging boner!

Wow, her tits perked up! I have to fap!

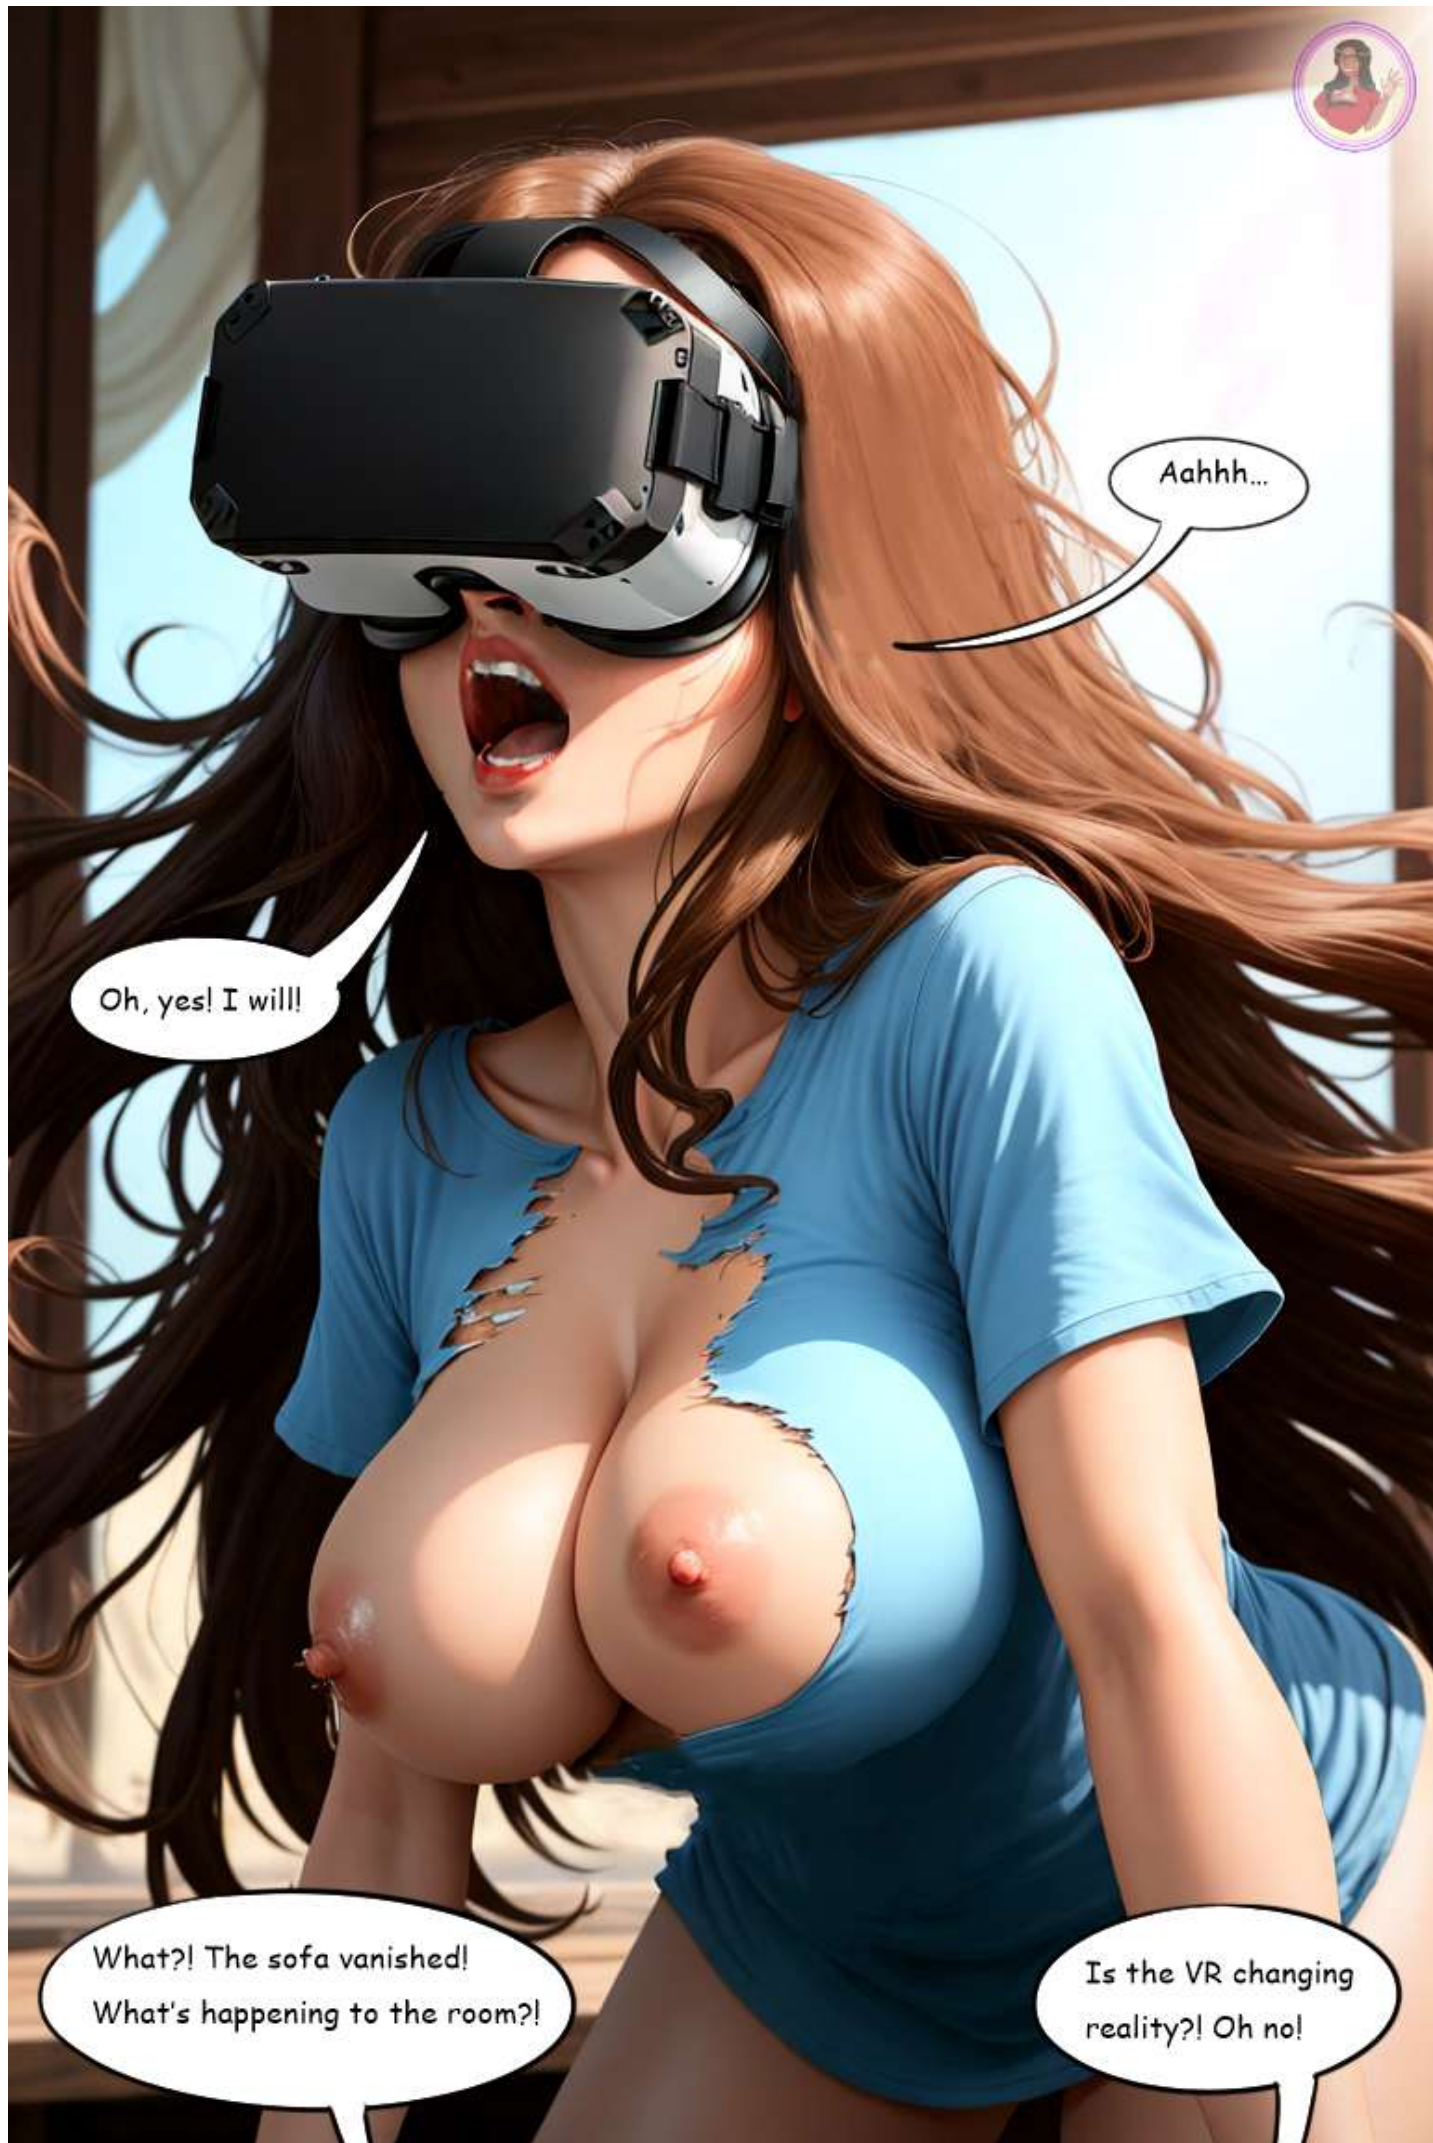

Aagghh!

Ohhh! I need it!
I need it so bad!

Woah, girl!
Calm down!

She's intense!

Aahhh...

Oh, yes! I will!

What?! The sofa vanished!
What's happening to the room?!

Is the VR changing
reality?! Oh no!

Oh, my God!
Yes, I love big tits!

Oh, Yes, bigger!

This is not what
I wished for! I-I can't
stop jerking off!

The building looks like the 1800s.
Are we moving back in time?!

Christine loves big cocks!

Unngh...
So good... More!

My dick! My hand!
I'm melting!

Oh, God! I'm
turning into a cock!

Ahhh... Yess...
Submit to big cocks...

Harry, is that
you, babe?

No! It can't end
like this! I'm not--Mmmphh!!

...

Ohh.. so warm! A beautiful morning sunshine! Mmm, not more beautiful than a morning wood in my mouth!

Ohhh... all these memories... Was I gooning all night?!

Welp! I'm not tired! My dildo must be here somewhere...

Ohhh... Yesss!
So thick and long!
Best purchase of my life!

The dildo had in-built synthetic cum in it! Tastes so real...

Jeez, I made such a colossal mess...

I must also clean the room before my husband returns from the office!
