

faint footsteps coming down the hallway, and you can faintly hear Shigaraki talking as he's walking to his room

Today was so long and so boring...

he opens the door to his room, voice not muffled anymore

I can't wait to go to bed-

Huh? What the hell are you doing in here? Get off my bed!

Don't look at me like that... Sitting there and staring at me like that.. it's pissing me off.. What do you want?

... What? You want //me//? Oh, what the.... What's your problem??

****Sigh, and then Under his breath** I'm gonna have to have a word with Dabi for recruiting this one...**

Hey. Up. Get off my bed. Come on, I just washed those sheets! And you have your shoes on them and everything ugh! What are you, some sort of animal?

.....

Don't you have your own room? Yeah, that's right, I put you with Toga didn't I?

Huh? She tried to stab you in your sleep? Oh come on, that's nothing. Now get back to your room, newbie..

That doesn't mean my bed is free real estate okay? Now, out..

....

Footsteps as he's saying this next sentence, he's walking up to the bed slowly

You're really not gonna budge are you? You're way too stubborn. You can't just sneak into my room like this, and scuff up my bed and... Wait..

...Were you on my computer?

What were you doing on here?? What the hell is all this?

Mouse clicking sounds

Is that..? All Might videos? Oh, now you're just **trying** to piss me off aren't you?

what else were you looking at on here? Cluttering up my history with all this weird stuff...

Huh? **Clicking sound**

...

....

A-All Might in a.. tiny bathing suit?? What is *//wrong//* with you?! Who even took these photos??

...

sigh

Look.. you're new around here, so I get it. You don't really know the rules yet.

But everyone else here knows not to mess with me. And you, you're reeeeaally getting on my nerves, Newbie. If you don't get off my bed and stop messing with my stuff, I'm gonna have to turn you to dust..

Still not listening to me? Ohoho, you're brave!

Nngh.. fine! Let's play, then!

He moves in, and grabs their throat, one finger lifted. Maybe make a grabbing sound

Now that I have your throat.. Hahaha... The second my fifth finger touches your neck, you'll start to slowly, and *//painfully//* erode away into nothing but dust~

Is that what you want, new recruit? You wanna become nothing in a matter of seconds?

.....

What the hell are you making that face for? .. Are you enjoying this?

What do you mean "Choke me harder daddy?" You're despicable, you know that right? For fucks sake!

Deep and long, annoyed sigh

Okay, I'll cut you a deal. **under his breath** even if you don't deserve one..

You can sleep on my bed IF.. you take your shoes off.

... Good. Now, the rest of the deal is you moving the hell over so I can sleep. If you're gonna be stubborn like this then at least share my own bed with me.

Shiggy gets into the bed next to the listener grumbling under his breath. bed rustling sounds or creaking as he gets comfy.

Ngh! Cuddling up to me wasn't part of the deal.. Why are you so touchy?

mm...

Oh... Okay. I guess I don't //hate// it. But I'm only letting this slide for tonight, because I'm too tired to deal with you.

Hm... yeah, this isn't bad..

.....

Kind of softer voice

So... you're not scared of me at all? Not even a little bit? You know I could easily end you with just a single touch?

All it would take.. is five fingers. Like this one.. against your belly, like this~

and two... hehe.

three...

Hmm~ And four... Only one more now.. scary isn't it?

Oho.. You //like// the danger don't you? Well aren't you just a little masochist... You know what? I like that... Not scared to live on the edge..

**shiggy giggle <: **

Alright, you have my attention, New recruit. Even if you //are// a bit of an inconvenience, you're not totally boring to have around. You don't even flinch at my threats...

You like being threatened don't you? Yeah... I like you.

hmm.. and you're pretty warm and soft against me like this. Okay, fine. I'll allow you to sleep in here with me sometimes. But only sometimes...

.....

Sheets rustling slightly

Hey.. where are you trying to touch? Oh wow, are you some kind of little pervert? hahaha! Ohh I'm starting to like you.. mm.. Come here.

sheets rustling a little

You made a pretty big mistake, making me like you like this. Well, I guess it can't be helped. You're gonna be mine from now on~

Hmmmm~

You were pretty easily corrupted weren't you? From hero to villain so fast...

I guess you'll just have to let me corrupt you even more then~ **chuckle**

whisper this sort of mmm.. is that what you want? You wanna be corrupted by me until you're the perfect villain?~

Ohh.. your body shivers so much when I whisper in your ear like this.. what will happen if I-

Gently licks their ear

Hahahaha! Your entire body shuddered when I licked your ear like that! You really are a little pervert aren't you? I love it...

laugh softly

Ahhh okay, As much as I wanna play with you, I need some sleep. Today was really long, and Dabi annoyed the hell out of me for most of it.

Sheet rustling sounds for a small bit

Mn.. Oh, If you wake me up I wont hesitate to turn you to dust, alright? Alright, glad were on the same page~

Sleep tight~

.....

.....

.....

...Hey. Do you like All Might more than me or something? I mean, I thought you joined the League because of me.

Seriously though, what the hell was with that search history?

A thong bikini? Like.. I mean, I wont judge you but what the hell?

Hm...? Research? Yeah okay.. whatever you say, Newbie.. **Chuckle**

I guess it can be useful for finding his weak spots, seeing him with barely any clothes on like that... I guess..

Okay, now shut up. I'm tired. Goodnight~
